AGREEMENT TERMS AND CONDITIONS

I. DEFINITIONS

- A. "AB 490 Liaison" is the appointed LEA staff person designated to serve foster youth in each LEA, as per California Education Code section 48853.5(c).
- B. "Additional Costs" are the difference between what the LFEA would spend to transport a student to his/her School of Origin based on existing transportation options currently available within the LEA, and the cost of transporting a Foster Student in Foster Care to his/her School of Origin.
- C. "Best Interest Determination" is a process where the AB 490 Liaison, the Foster Student, and his/her Educational Rights Holder decide what school the Foster Student shall attend after a foster placement change. Under Federal and California law, a child in Foster Care shall remain or enroll in his/her School of Origin unless a determination is made that it is not in the child's best interest to attend the School of Origin. Factors to consider when determining if maintaining School of Origin enrollment is in the Foster Student's best interests include, but are not limited to the following:
1. The appropriateness of the current educational setting
 2. The proximity of the placement
 3. Duration of enrollment at the School of Origin
 4. Commute distance/travel time/traffic patterns
 5. Duration of placement
 6. Time of school year/time of placement change
 7. Type of transportation available
 8. Flexibility in school schedule
 9. Student's maturity and behavioral capacity
 10. Social/emotional relationships
- D. "Co-Facilitating Education Agency" or "CFEA" is the LEA which operates the school site in which the Foster Student should be enrolled upon completion of the placement change.
- E. "DPSS" refers to the County of Riverside and its Department of Public Social Services.
- F. "Educational Rights Holder" or "ERH" is an adult identified or appointed by the Court to make educational or developmental-services decisions for a child.
- G. "Every Student Succeeds Act" or "ESSA" is a federal education act for K-12 schools that mandates educational equity for Foster Students and schools.
- H. "Foster Care" means 24-hour substitute care for children placed away from their parents or guardians and for whom the child welfare agency has placement and care responsibility. This includes, but is not limited to, placements in foster family homes, foster homes of relatives, group homes, Short Term Residential Therapeutic Program ("STRTP"), emergency shelters, residential facilities, childcare institutions, and pre-adoptive homes.

- I. "Foster Student" means a child who has been removed from his or her home pursuant to Section 309 of the Welfare and Institutions Code, is the subject of a petition filed under Section 300 or 602 of the Welfare and Institutions Code, or has been removed from his or her home and is the subject of petition filed under Section 300 or 602 of the Welfare and Institutions Code.
- J. "Lead Facilitating Education Agency" or "LFEA" is the LEA which operates the School of Origin site.
- K. "Lead Placement Agency" or "LPA" refers to the County agency, DPSS or Probation, which has a court order to place foster youth.
- L. "Local Education Agencies" or "LEAs" refers to the school districts, charter schools or other entities that operate local public primary and secondary schools in Riverside County as listed in the beginning of this AGREEMENT.
- M. "Probation" refers to the County of Riverside and its Probation Department.
- N. "School of Origin" means the school that the Foster Student attended when permanently housed or the school in which the Foster Student was last enrolled. If the school the Foster Student attended when permanently housed is different from the school in which the Foster Student was last enrolled, or if there is some other school that the Foster Student attended with which the Foster Student is connected and that the Foster Student attended within the immediately preceding fifteen (15) months, the AB 490 Liaison, in consultation with, and with the agreement of, the Foster Student and the Educational Rights Holder, shall determine, in the best interest of the Foster Student, the school that shall be deemed the School of Origin.

II. OBJECTIVES

As required by ESSA, this MOU seeks to increase school stability for Foster Students in Riverside County and defines the transportation procedures for Foster Students to remain in their School of Origin. When it is determined that it is in the Foster Student's best interest to remain in his/her School of Origin after a Foster Care placement change, transportation will be provided, arranged, and funded for the duration of their time in Foster Care. In reaching this goal, the parties to this AGREEMENT agree as follows:

1. The LEAs, DPSS and Probation agree that educational continuity is critical to the long-term well-being of Foster Students in Riverside County.
2. When it is determined by the ERH to be in the best interest of the Foster Student to place him or her in Foster Care near his or her community and School of Origin, doing so is considered to be "best practice".
3. ESSA requires that LEAs, DPSS, and/or Probation collaborate to provide transportation to the School of Origin for Foster Students, when it is determined to be in the best interest of the Foster Student.

4. ESSA requires that LEAs, DPSS and/or Probation share costs when providing transportation services.
5. All parties to this AGREEMENT have a vested interest in seeking and encouraging the establishment of foster homes near the schools to which Foster Students can conveniently attend.

III. SCOPE OF SERVICE

A. Responsibilities of Parties

1. Per ESSA guidelines, the Local Education Agencies (LEAs) and the Lead Placement Agency (LPA) will share the Additional Costs when a placement change for a Foster Student occurs and a Best Interest Determination finds that School of Origin is the most appropriate educational placement.
2. When it is determined that it is in a Foster Student's best interest to remain in his/her School of Origin after changing Foster Care placement, the LPA must notify the LEA of the final decision that the student will continue to attend the School of Origin. This notice triggers the need for the parties to collaborate under the AGREEMENT terms and procedures to establish the most cost-effective transportation procedures available for the Foster Student.
3. If it is determined that maintaining the Foster Student in his/her School of Origin is the most appropriate educational placement, the LFEA will examine existing transportation options available for the Foster Student, including incorporating the Foster Student into an existing bus route, so long as the LFEA does not incur any Additional Costs. When determining whether transportation is cost effective, the LFEA shall consider factors including, but not limited to, cost, distance, length of travel, and whether the mode of transportation is developmentally appropriate for the Foster Student. If Additional Costs are required, the LFEA and LPA must come to agreement as to the most appropriate method of transportation.
4. The parties responsible for paying for any Additional Costs of transportation of the Foster Student to the School of Origin, as applicable, will be determined in the following manner:
 - a. If the School of Origin and school of new placement are in the same LEA, the LFEA and the LPA shall each be responsible for one-half (1/2) of the Additional Costs.
 - b. If the School of Origin and the school of new placement are in different LEAs, there will be a LFEA and a CFEA. The LFEA, CFEA, and the LPA shall each be responsible for one-third (1/3) of the Additional Costs.
5. The LFEA is responsible for coordinating transportation and billing the respective party/parties for their portion of the Additional Costs at the end of the school year.

6. Transportation to and from the School of Origin and the foster placement will be provided for the duration of the Foster Student's time in Foster Care as long as the School of Origin continues to be in the Foster Student's best interest. At the end of each school year, the Best Interest Determination and transportation of the student will be reviewed.
7. If a Foster Student exits Foster Care before the end of a school year, the transportation arrangement will be maintained through the end of the school year to maintain the Foster Student's educational stability.
8. LEAs, DPSS, Probation, or caregiver may choose at any time to voluntarily share in transportation cost or take sole responsibility for such costs.
9. LEAs, DPSS, Probation, or caregiver shall have the right to provide an alternate form of transportation at a lower cost if it serves the Foster Student's best interest.

B. Local Education Agency Responsibilities

1. Each LEA shall provide DPSS and Probation the contact information for the AB 490 Liaison assigned to address Foster Student issues at the start of each school year.
2. If a Foster Student remains in his/her School of Origin and is eligible for special education services under the Individuals with Disabilities in Education Act ("IDEA") and has an Individualized Education Plan ("IEP") that outlines transportation as part of the Foster Student's education needs and services, the School of Origin will provide and fund the entire cost of the transportation services for the Foster Student to attend his/her special education program. Transportation will not be added to an IEP for the sole purpose of preserving school stability.
3. If Foster Students have transportation plans provided through other laws or entitlements, the LEA will assess whether the Foster Student is entitled to transportation services under another law or entitlement within ten (10) school days of receiving notice of the final Best Interest Determination. If the student is eligible for transportation under another law or entitlement, LEAs will provide, arrange and fund the entire cost of the transportation.
4. LEAs will have up to ten (10) school days after the Best Interest Determination has been made to put transportation into place. In the interim, DPSS, Probation, and/or caregiver will provide transportation.
5. CFEAs shall reimburse LFEAs for their portion of the Additional Costs at the end of each school year in accordance with the terms and conditions contained in this AGREEMENT. LFEAs shall submit an invoice to CFEAs no later than thirty (30) days after the end of

each school year in which Additional Costs were incurred. Invoices submitted in a timely manner shall be processed within forty-five (45) calendar days.

C. Lead Placement Agency Responsibilities

1. The contact information for the DPSS and Probation representatives shall be provided to all LEAs at the start of each school year.
2. When a Foster Student's placement is changed to one outside the area that the School of Origin serves, the LPA shall notify the court, the Foster Student's attorney and ERH within one (1) court day.
3. As soon as the LPA becomes aware of the need to transfer Foster Students out of their current school, they will notify the assigned AB 490 Liaison for the School of Origin.
4. For special education students, the LPA will notify the LEA of the School of Origin of the impending placement change at least one (1) business day after learning that a change of Foster Student placement is eminent.
5. The LPA shall make every effort to place Foster Students close to his/her home.
6. The LPA shall collaborate with the LEAs, as needed, to resolve any challenges as they arise to ensure maximum educational continuity to impacted students.
7. The LPA will be responsible to assist the LEA in coordinating transportation, if necessary.
8. DPSS will be responsible for transportation needs of preschool Foster Students, including those identified as preschool special education students, within the LEA.
9. DPSS shall reimburse the LEAs for its portion of Additional Costs in accordance with **Attachment A**, DPSS Reimbursement Provisions, attached hereto and incorporated herein by this reference. Probation shall reimburse the LEAs for its portion of Additional Costs in accordance with **Attachment B**, Probation Reimbursement Provisions, attached hereto and incorporated herein by this reference. DPSS and Probation are not responsible for any Additional Costs incurred above or beyond the maximum reimbursable amount set forth in **Attachment A** and **Attachment B**. Unless otherwise specifically stated in **Attachment A** or **Attachment B**, DPSS and Probation shall not be responsible for payment of any of the LEAs expenses related to this AGREEMENT. The obligation of DPSS and Probation for reimbursement of its portion of Additional Costs is contingent upon and limited by the availability of funding from which payment can be made. There shall be no legal liability for reimbursement on the part of DPSS or Probation for such payment unless such funds are made available for such payment. In the event such funds are not forthcoming for any reason, DPSS and Probation shall immediately notify the LEAs in writing and this AGREEMENT shall be deemed

terminated and be of no further force or effect. Upon such termination, DPSS and Probation shall reimburse the LEAs for their portion of Additional Costs that were properly incurred prior to the unavailability of funding.

IV. ADMINISTRATIVE

A. CONFIDENTIALITY

The parties shall maintain the confidentiality of all information and records received under this AGREEMENT and comply with all other statutory laws and regulations relating to privacy and confidentiality.

Each party shall ensure that case record information is kept confidential when it identifies an individual by name, address, or other information. Confidential information requires special precautions to protect it from loss, unauthorized use, access, disclosure, modification, and destruction.

The parties to this AGREEMENT shall keep all information that is exchanged between them in the strictest confidence, in accordance with Section 10850 of the Welfare and Institutions Code. All records and information concerning any and all persons shall be considered and kept confidential by the parties, its staff, agents, employees and volunteers. The parties shall require all of its employees, agents, subcontractors and volunteer staff who may provide services under this AGREEMENT before commencing the provision of any such services, to maintain the confidentiality of any and all materials and information with which they may come into contact, or the identities or any identifying characteristics or information with respect to any and all participants referred to the parties.

The confidentiality of juvenile records is established under section 827 and 828 of the Welfare and Institutions Code, California Rules of Court, Rule 5.552 and case law. The Juvenile Court has exclusive jurisdiction over juvenile records and information and has the responsibility to protect the interests of minors and their families in the confidentiality of any records and information concerning minors involved in the justice system and to provide a reasonable method for release of these records and information in appropriate circumstances.

The parties shall ensure that no person will publish, disclose, use, permit, or cause to be published, disclosed, or used, any confidential information pertaining to any applicant or recipient of services under this AGREEMENT and agrees to inform all persons directly or indirectly involved in administration of services provided under this AGREEMENT of the above provisions and that any person deliberately violating these provisions is guilty of a misdemeanor.

The above-written notwithstanding, the parties acknowledge that the parties hereto are government entities subject to the public records and meeting laws of the State of California, including the California Public Records Act (Government Code Section 6250 et seq.) and the California Brown Act (Government Code Section 54590 et seq.). With the exception of the above-written, certain information (including this AGREEMENT), may be subject to disclosure pursuant to the Public Records Act and Brown Act. Each party hereto shall evaluate all public records requests on a case-by-case basis and shall use its best judgment in complying with such law. Each party

hereto has the authority to determine whether the information is exempt from public release.

B. HOLD HARMLESS AND INDEMNIFICATION

In contemplation of the provisions of Section 895.2 of the California Government Code ("Code") imposing certain tort liability jointly upon public entities solely by reason of such entities being parties to an agreement as defined by Section 895 of said Code, the Parties hereto, as between themselves, pursuant to the authorization contained in Section 895.4 and 895.6 of said Code, will each assume the full liability imposed upon it, or any of its officers, agents, or employees by law for injury caused by negligence or wrongful acts or omissions occurring in the performance of this AGREEMENT to the same extent that such liability would be imposed in the absence of Section 895.2 of said Code. To achieve the above stated purpose, each party indemnifies and hold harmless the other parties for any loss, cost, or expense that may be imposed upon such other parties solely by virtue of Section 895.2 of said Code.

With respect to any action or claim subject to indemnification herein, the indemnifying party shall, at their sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of the other parties; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes the indemnifying party's indemnification to the other parties as set forth herein.

The indemnifying party's obligation hereunder shall be satisfied when the indemnifying party has provided to the other parties the appropriate form of dismissal relieving the other parties from any liability for the action or claim involved.

C. ASSIGNMENT AND SUBCONTRACTING

No party shall assign or subcontract any interest in this AGREEMENT, nor transfer any interest in the same, whether by assignment or novation, without prior written consent of the parties hereto. Any attempt to assign, subcontract or delegate any interest without written consent shall be deemed void and of no force or effect.

V. GENERAL

A. EFFECTIVE PERIOD

This AGREEMENT shall be effective upon signature of all parties and continues in effect through June 30, 2022, unless terminated earlier in accordance with the terms hereof.

B. DISPUTES

Except as otherwise provided in this AGREEMENT, any dispute arising under this AGREEMENT, which is not disposed by this AGREEMENT, shall be disposed as follows:

1. When a dispute arises between the parties, the parties hereto will use their reasonable best efforts to resolve any dispute hereunder amicably at the working level through good faith negotiations.
2. Under no circumstances shall the dispute delay or interrupt the provision of

transportation for a Foster Student to the School of Origin. If a dispute involves establishing and/or paying costs of transportation, to ensure no such disruption, the party that had been paying for transportation prior to the dispute will continue to pay until the dispute is resolved. If transportation was not provided previously, the LEA of the School of Origin will arrange and provide the transportation until the dispute is resolved.

3. Any dispute relating to this AGREEMENT, which is not resolved by the parties amicably at the working level, shall be heard by panel including a LEA representative, and a representative from the County. The party alleging a violation shall provide written notice describing the alleged violation and providing a requested remedy. The other party will have no less than ten (10) business days to respond in writing to attempt to resolve the matter. During the effort to resolve the dispute, the Foster Student will remain in the School of Origin pending a resolution, as requested.
4. Prior to the filing of any legal action related to this AGREEMENT, the parties shall be obligated to attend a mediation session in Riverside County before a neutral third party mediator. A second mediation session shall be required if the first session is not successful. The parties shall share the cost of the mediations.

C. MODIFICATION OF TERMS

No addition to or alteration of the terms of this AGREEMENT, whether by written or verbal understanding of the parties, their officers, agents, or employees shall be valid unless made in writing via a written amendment and formally approved and executed by all parties.

D. TERMINATION

A party to this AGREEMENT may withdraw from this AGREEMENT at any time, with or without cause, by giving thirty (30) days written notification to the other parties. Upon a party's withdraw, if applicable, the withdrawing party shall make payment for its portion of Additional Costs incurred prior to the date of withdraw in accordance with the terms of this AGREEMENT. If a party withdraws from this AGREEMENT, a review of this AGREEMENT by the remaining parties shall occur and the remaining parties shall either agree to continue with this AGREEMENT, without the party that withdrew, or terminate this AGREEMENT.
