

JUSTIFICATION FOR SERIES 0000 (Board Bylaws)

(Pending Board Adoption October 16, 2019)

Background:

BP/AR 0420 - School Plans/Site Councils (BP/AR revised)

Policy updated to reflect **NEW LAW (AB 716)** which renames the single plan for student achievement as the school plan for student achievement (SPSA), authorizes the use of uniform complaint procedures for complaints alleging noncompliance with requirements related to the establishment of school site councils or the development of the SPSA, and authorizes the use of the SPSA to satisfy the requirement for a school improvement plan when a school is identified for targeted or comprehensive support. Regulation updated to reflect AB 716 which eliminates the authority to use a school advisory committee other than a school site council to develop the SPSA, allows certain small schools to share a school site council, requires a needs assessment to identify school goals, and, if applicable, requires consultation with the school's English learner advisory committee on review of the SPSA.

BP 0420.42 - Charter School Renewal

(BP revised)

Policy updated to reflect **NEW LAW (AB 1808)** which requires alternative measures for meeting the student achievement criteria for charter renewal in lieu of the Academic Performance Index (API) and **NEW LAW (AB 406)** which prohibits a charter school that is renewed on or after July 1, 2019 from being operated as a for-profit corporation or organization. Policy also clarifies that district boards do not review renewal petitions for charter schools that were authorized by county boards on appeal, and addresses the definition of "receipt" of the petition for purposes of determining the timeline for granting or denying the petition.

BP/AR 0450 - Comprehensive Safety Plan

(BP/AR revised)

Policy updated to reflect **NEW LAW (AB 1747)** which requires the California Department of Education (CDE) to post a compliance checklist for developing the comprehensive safety plan and best practices related to reviewing and approving the plan, and requires districts to share their approved comprehensive safety plans with local law enforcement, the fire department, and other first responder entities. Regulation updated to reflect AB 1747, which adds requirements to consult with the fire department and other first responders in developing safety plans and to develop procedures for conducting tactical responses to criminal incidents, including procedures related to individuals with guns on campus and at school-related functions.

BP/AR 0460 - Local Control and Accountability Plan

(BP/AR revised)

Section on "Technical Assistance/Intervention" updated to reflect AB 1808 which establishes a single statewide system of support for districts and schools, and AB 1840 which provides that a district receiving an emergency apportionment will be deemed to have been referred to the California Collaborative for Educational Excellence. Regulation updated to reflect AB 1840 which requires data in the LCAP to be reported in a manner consistent with the California School Dashboard and requires districts to post their LCAP prominently on the homepage of their web site. Section on "Annual Updates" deleted since the annual updates follow the same process and adhere to the same template as the initial LCAP.
