Ladies and Gentlemen:

The undersigned, Stifel, Nicolaus & Company, Incorporated (the “Underwriter”), hereby offers to enter into this Contract of Purchase (the “Contract of Purchase”) with the Perris Union High School District (the “District”) for the purchase by the Underwriter of the \$[_____] aggregate principal amount of Perris Union High School District 2019 Certificates of Participation (School Financing Project) (the “Certificates”). Upon acceptance of this offer by the District, this Contract of Purchase will be binding upon the District and the Underwriter. The offer made hereby is made subject to acceptance by the District (by delivery to the Underwriter of an executed counterpart hereof by the District) at or before 11:59 p.m., Pacific Daylight Time, on the date hereof or at such later time and date as shall have been consented to by the Underwriter.

Inasmuch as this purchase and sale represents a negotiated transaction, the District acknowledges and agrees that: (i) the transaction contemplated by this Contract of Purchase is an arm’s-length commercial transaction by and between the District and the Underwriter, in which the Underwriter is acting solely as a principal and is not acting as a municipal advisor, financial advisor or fiduciary to the District; (ii) the Underwriter has not assumed an advisory or a financial advisor or fiduciary responsibility to the District with respect to the transaction contemplated hereby and the discussions, undertakings and procedures leading thereto, irrespective of whether or not the Underwriter or an affiliate of the Underwriter has provided other services or is currently providing other services to the District on other matters; (iii) the Underwriter is acting solely in its capacity as an underwriter for its own account; (iv) the only obligation the Underwriter has to the District with respect to the transaction contemplated hereby expressly are set forth in this Contract of Purchase or otherwise imposed by law; (v) the Underwriter has financial interests that differ from those of the District; and (vi) the District has consulted with its own legal, accounting, tax, financial and other advisors to the extent it deemed appropriate in connection with the offering of the Certificates. The District further acknowledges that it has previously provided the Underwriter with an acknowledgment of receipt of the required disclosures under Rule G-17 of the Municipal Securities Rulemaking Board (the “MSRB”). The District acknowledges that it has engaged CSG Advisors Incorporated (the “Municipal Advisor”) as its municipal advisor (as defined in Securities and Exchange Commission Rule 15Ba1).

The Certificates are being executed and delivered pursuant to a Trust Agreement, dated as of [_____] 1, 2019 (the “Trust Agreement”), among the District, Perris Valley Schools Capital Facilities Corporation (the “Corporation”) and U.S. Bank National Association, as trustee (the “Trustee”). The Certificates will evidence fractional interests in certain lease payments to be made by the District, as lessee under a Lease/Purchase Agreement (the “Lease Agreement”), dated as of [_____] 1, 2019, by and between the District and the Corporation, for use and possession of the District sites and facilities

The Underwriter agrees that, in connection with the public offering and initial delivery of the Certificates to the purchasers thereof from the Underwriter, the Underwriter will deliver or cause to be delivered to each purchaser a copy of the Official Statement. Such Official Statement and/or the Preliminary Official Statement may be delivered in printed and/or electronic form to the extent permitted by applicable rules of the MSRB and as may be agreed to by the District and the Underwriter. The District confirms that it does not object to distribution of the Official Statement or the Preliminary Official Statement in electronic form. The Underwriter agrees to file the Official Statement with the MSRB through its Electronic Municipal Market Access system within one business day after receipt thereof from the District, but in no event later than the Closing Date.

2. Closing; Certificates. At 9:00 a.m. Pacific Daylight Time, on _____, 2019, or at such other time or on such earlier or later date as the Underwriter and the District mutually agree upon (the “Closing Date”), the District will, subject to the terms and conditions hereof, deliver or cause the Certificates to be delivered to The Depository Trust Company (“DTC”), duly executed in accordance with the provisions of the Trust Agreement. Subject to the terms and conditions hereof, upon receipt of proof of such delivery to DTC, the Underwriter will pay the purchase price of the Certificates as set forth in Section 1 hereof in federal or other immediately available funds. The Certificates shall be delivered as aforesaid through the facilities of DTC utilizing DTC’s FAST delivery system, or at such other place as the Underwriter and the District mutually agree upon. On the Closing Date, the District will deliver or cause to be delivered the other documents mentioned herein at the offices of Stradling Yocca Carlson & Rauth, a Professional Corporation (“Special Counsel”), San Francisco, California, or at such other place as shall have been mutually agreed upon by the Underwriter and the District.

The Certificates (bearing CUSIP numbers) shall be in fully registered form, initially registered in the name of Cede & Co., as nominee of DTC, and shall be subject to a book-entry system of registration and transfer as described in the Official Statement. The Certificates shall be made available to the Underwriter for purposes of inspection at least one business day prior to the Closing Date.

3. Public Offering of the Certificates. The Underwriter agrees to make a bona fide public offering of all the Certificates at the initial public offering prices or yields to be set forth on the inside front cover of the Official Statement and Exhibit C hereto. Subsequent to such initial public offering, and subject to the provisions of this Section 3, the Underwriter reserves the right to change such initial public offering prices or yields as it deems necessary in connection with the marketing of the Certificates. The Certificates may be offered and sold to certain dealers at prices lower than such initial public offering prices. The Underwriter reserves the right to: (i) over-allot or effect transactions which stabilize or maintain the market price of the Certificates at levels above those that might otherwise prevail in the open market; and (ii) discontinue such stabilizing, if commenced, at any time without prior notice.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Certificates and shall execute and deliver to the District at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit D, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Special Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Certificates. All actions to be taken by the District under this section to establish the issue price of the Certificates may be taken on behalf of the District by the District’s municipal advisor identified herein and any notice or report to be provided to the District may be provided to the District’s municipal advisor.

(b) Except as otherwise set forth in Exhibit C attached hereto, the District will treat the first price at which 10% of each maturity of the Certificates (the “10% test”) is sold to the

public as the issue price of that maturity. At or promptly after the execution of this Contract of Purchase, the Underwriter shall report to the District the price or prices at which it has sold to the public each maturity of Certificates. If at that time the 10% test has not been satisfied as to any maturity of the Certificates, the Underwriter agrees to promptly report to the District the prices at which it sells the unsold Certificates of that maturity to the public. That reporting obligation shall continue, whether or not the date of Closing has occurred, until either (i) the Underwriter has sold all Certificates of that maturity or (ii) the 10% test has been satisfied as to the Certificates of that maturity, provided that, the Underwriter's reporting obligation after the date of Closing may be at reasonable periodic intervals or otherwise upon request of the District or Special Counsel. For purposes of this Section, if Certificates mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Certificates.

(c) The Underwriter confirms that it has offered the Certificates to the public on or before the date of this Contract of Purchase at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit C attached hereto, except as otherwise set forth therein. Exhibit C also sets forth, as of the date of this Contract of Purchase, the maturities, if any, of the Certificates for which the 10% test has not been satisfied and for which the District and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the District to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Certificates, the Underwriter will neither offer nor sell unsold Certificates of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(1) the close of the fifth (5th) business day after the sale date; or

(2) the date on which the Underwriter has sold at least 10% of that maturity of the Certificates to the public at a price that is no higher than the initial offering price to the public.

The Underwriter will advise the District promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Certificates to the public at a price that is no higher than the initial offering price to the public.

(d) The Underwriter confirms that:

(1) any selling group agreement and any third-party distribution agreement relating to the initial sale of the Certificates to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A)(i) to report the prices at which it sells to the public the unsold Certificates of each maturity allocated to it, whether or not the date of Closing has occurred, until either all Certificates of that maturity allocated to it have been sold or it is notified by the Underwriter that the 10% test has been satisfied as to the Certificates of that maturity, provided that, the reporting obligation after the date of Closing may be at reasonable periodic intervals or otherwise upon request

of the Underwriter, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter,

(B) to promptly notify the Underwriter of any sales of Certificates that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Certificates to the public (each such term being used as defined below), and

(C) to acknowledge that, unless otherwise advised by the dealer or broker-dealer, the Underwriter shall assume that each order submitted by the dealer or broker-dealer is a sale to the public.

(2) any selling group agreement relating to the initial sale of the Certificates to the public, together with the related pricing wires, contains or will contain language obligating each dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Certificates to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Certificates of each maturity allocated to it, whether or not the date of Closing has occurred, until either all Certificates of that maturity allocated to it have been sold or it is notified by the Underwriter or the dealer that the 10% test has been satisfied as to the Certificates of that maturity, provided that, the reporting obligation after the date of Closing may be at reasonable periodic intervals or otherwise upon request of the Underwriter or the dealer, and (B) comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Underwriter or the dealer and as set forth in the related pricing wires.

(e) The District acknowledges that, in making the representations set forth in this section, the Underwriter will rely on (i) in the event a selling group has been created in connection with the initial sale of the Certificates to the public, the agreement of each dealer who is a member of the selling group to comply with the requirements for establishing issue price of the Certificates, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Certificates, as set forth in a selling group agreement and the related pricing wires, and (ii) in the event that a third-party distribution agreement was employed in connection with the initial sale of the Certificates to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the requirements for establishing issue price of the Certificates, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Certificates, as set forth in the third-party distribution agreement and the related pricing wires. The District further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a third-party distribution agreement, to comply with its corresponding agreement to comply with the requirements for establishing issue price of the Certificates, including, but not limited to, its agreement to comply with the hold-the-offering-price rule, if applicable to the Certificates.

(f) The Underwriter acknowledges that sales of any Certificates to any person that is a related party to an underwriter participating in the initial sale of the Certificates to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(1) “public” means any person other than an underwriter or a related party,

(2) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Certificates to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Certificates to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Certificates to the public),

(3) a purchaser of any of the Certificates is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

(4) “sale date” means the date of execution of this Contract of Purchase by all parties.

4. Covenants, Representations and Warranties of the District. The District hereby covenants, represents and warrants to the Underwriter that:

(a) The District is a school district and political subdivision duly organized and validly existing under the constitution and laws of the State of California (the “State”). The District has all necessary power and authority and has taken all official actions necessary to execute and deliver the Official Statement and to execute, deliver and perform its duties under this Contract of Purchase and each of the Certificate Documents to which it is a party, and this Contract of Purchase and each of the Certificate Documents to which the District is a party has been duly authorized and, assuming the due authorization, execution and delivery by the other respective parties thereto, when executed by the District, will constitute legally valid and binding obligations of the District enforceable against the District in accordance with their respective terms, except as the enforcement thereof may be limited by bankruptcy, insolvency or other laws affecting the enforcement of creditors’ rights, to the application of equitable principles if equitable remedies are sought, to the exercise of judicial discretion in appropriate cases and to limitations on legal remedies against public agencies in the State.

(b) The District is not in material breach of, or default under, any applicable constitutional provision, law or administrative rule or regulation of the State or the United States of America material to the conduct of its governmental or financial functions or any applicable judgment or decree, or any loan agreement, indenture, bond, certificate, note, resolution or other agreement or instrument to which the District is a party or to which the District or any of its properties is otherwise subject, and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute a default or an event of default under any of the foregoing; and the authorization, execution and delivery of this Contract of Purchase, the Certificate Documents to which the District is a party and the Certificates, and compliance with the provisions hereof and thereof, will not conflict with or constitute a material breach of or default under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States of America material to the conduct of its governmental or financial functions or any applicable judgment or decree, or any loan agreement, indenture, bond, certificate, note, resolution or other agreement or instrument to which the District is a party or to which

the District or any of its properties is otherwise subject, nor will any such authorization, execution, delivery or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of its assets or properties or under the terms of any such law, regulation or instrument except as may be provided or permitted by the Certificates or the Certificate Documents.

(c) To the best knowledge of the District, there is no consent, approval, authorization or other order of, or filing with, or certification by, any regulatory entity having jurisdiction over the District required for the execution and delivery of this Contract of Purchase or the Certificate Documents to which the District is a party, or the execution and sale of the Certificates or the consummation by the District of the transactions contemplated in this Contract of Purchase, the Official Statement or the Certificate Documents, which has not been duly obtained or made on or prior to the date hereof.

(d) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court or governmental or public entity pending or, to the best knowledge of the District, threatened against the District which affects or seeks to prohibit, restrain or enjoin the execution or delivery of the Certificates, this Contract of Purchase, or the Certificate Documents to which the District is a party, or contesting the validity of this Contract of Purchase, the Certificates or any of the Certificate Documents to which the District is party or the powers of the District to enter into or perform its obligations under this Contract of Purchase or the Certificate Documents to which it is a party or the existence or powers of the District, or contesting in any way the completeness or accuracy of the Preliminary Official Statement or Official Statement, or which, if determined adversely to the District, would materially impair the District's ability to meet its obligations under the Lease Agreement or materially and adversely affect the District's financial condition.

(e) The preparation and distribution of the Preliminary Official Statement and the Official Statement has been duly authorized by the District. The statements and information contained in the Preliminary Official Statement, as of its date did not, and as of the date hereof do not, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. As of the date of the Official Statement and as of the Closing Date, the statements and information in the Official Statement will not contain any untrue statement of material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading.

(f) During the period ending on the 25th day after the End of the Underwriting Period (or such other period as may be agreed to by the District and the Underwriter), the District (i) shall not supplement or amend the Official Statement or cause the Official Statement to be supplemented or amended without the prior written consent of the Underwriter and (ii) shall notify the Underwriter promptly if any event shall occur, or information comes to the attention of the District, that is reasonably likely to cause the Official Statement (whether or not previously supplemented or amended) to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. If, in the opinion of the Underwriter or the District, such event requires the preparation and distribution of a supplement or amendment to the Official Statement, the District shall prepare, at its own expense, and furnish to the Underwriter such number of copies of the supplement or amendment to the Official Statement, in form and substance mutually agreed upon by the District and the Underwriter, as the Underwriter may reasonably request. If such notification shall be given subsequent to the Closing, the District also shall furnish, or cause to be furnished, at its own expense, such additional legal opinions, certificates, instruments and other documents as the Underwriter may reasonably deem necessary to evidence the truth and accuracy of any such supplement or amendment to the Official Statement.

For purposes of this Contract of Purchase, the “End of the Underwriting Period” is used as defined in the Rule and shall occur on the later of (A) the date of Closing or (B) when the Underwriter no longer retains an unsold balance of the Certificates; unless otherwise advised in writing by the Underwriter on or prior to the Closing Date, or otherwise agreed to by the District and the Underwriter, the District may assume that the End of the Underwriting Period is the Closing Date.

(g) The proceeds from the sale to the Underwriter of the Certificates will be applied in the manner and for the purposes specified in the Trust Agreement.

(h) Any certificate signed by any official of the District and delivered in connection with the transactions contemplated by the Official Statement and this Contract of Purchase shall be deemed to be a representation by the District to the Underwriter and Special Counsel as to the statements made therein, and not of such official.

(i) The District has complied with the requirements of the Internal Revenue Code of 1986, as amended (the “Code”), with respect to the Certificates and the District shall not knowingly take or omit to take any action that, under existing law, may adversely affect the exclusion from gross income for federal income tax purposes, or the exemption from any applicable State tax, of the interest on the Certificates.

(j) The District has complied with all of the requirements of Section 17150.1(a) of the California Education Code.

(k) In accordance with the requirements of Rule 15c2-12, at or prior to the Closing, the District shall have duly authorized, executed and delivered a Continuing Disclosure Certificate (the “Continuing Disclosure Certificate”) on behalf of each obligated person for which financial and/or operating data is presented in the Official Statement. The Continuing Disclosure Certificate shall be substantially in the form attached to the Official Statement as Appendix D. Except as described in the Official Statement, within the last five years the District has not failed to comply in all material respects with any prior continuing disclosure undertakings entered into pursuant to Rule 15c2-12.

(l) The financial statements of, and other financial information regarding the District, in the Preliminary Official Statement and the Official Statement fairly present the financial position and results of the District as of the dates and for the periods therein set forth. Prior to the Closing, there will be no adverse change of a material nature in such financial position, results of operations or condition, financial or otherwise, of the District.

(m) The District agrees to cooperate with the Underwriter in endeavoring to qualify the Certificates for offer and sale under the securities or Blue Sky laws of such jurisdictions of the United States as the Underwriter may reasonably request; provided, however, that the District will not be required to consent to service of process in any such jurisdiction or to qualify as a foreign corporation in connection with any such qualification in any jurisdiction and that the Underwriter shall be solely responsible for the cost of such qualification.

(n) Between the date hereof and the Closing Date, without the prior written consent of the Underwriter, the District will not have issued, and no other person will have in the name and on behalf of the District, any bonds, notes or other obligations except as may be described in the Preliminary Official Statement or the Official Statement.

5. Representations, Warranties and Agreements of the Underwriter. The Underwriter represents to and agrees with the District that, as of the date hereof and as of the Closing Date:

(a) The Underwriter is duly authorized to execute this Contract of Purchase and to take any action under this Contract of Purchase required to be taken by it.

(b) The Underwriter is in compliance with MSRB Rule G-37 with respect to the District, and is not prohibited thereby from acting as the underwriter with respect to securities of the District.

(c) The Underwriter has, and has had, no financial advisory relationship with the District with respect to the Certificates, as such term is defined in MSRB Rule G-23 and California Government Code Section 53590(c), and no investment firm controlling, controlled by or under common control with the Underwriter has or has had any such financial advisory relationship.

6. Conditions to the Obligations of the Underwriter. The obligations of the Underwriter under this Contract of Purchase have been undertaken in reliance on, and shall be subject to, the due performance by the District of its obligations and agreements to be performed hereunder and, to the accuracy of and compliance with the respective representations, warranties, covenants and agreements on the part of the District contained herein as of the date hereof and as of the Closing Date, to the accuracy in all material respects of the statements of the District and other officials of the District, the Corporation and the Trustee made in the Certificate Documents or any certificates or other documents furnished pursuant to the provisions hereof, and to the performance by the District, the Corporation and the Trustee of their respective obligations to be performed hereunder and under the Certificate Documents at or prior to the Closing Date. The obligations of the Underwriter hereunder are also subject, in the discretion of the Underwriter to the following additional conditions:

(a) At the Closing Date, the Certificates, the Certificate Documents and the Official Statement shall have been duly authorized, executed and delivered by the respective parties thereto, in substantially the forms heretofore submitted to the Underwriter with only such changes as shall have been agreed to by the Underwriter, and said documents shall not have been amended, modified or supplemented, except as may have been agreed to by the Underwriter, and there shall have been taken in connection therewith, with the execution and delivery of the Certificates and with the transactions contemplated thereby and by this Contract of Purchase, all such actions as Special Counsel shall deem to be necessary and appropriate;

(b) The representations and warranties of the District contained in this Contract of Purchase shall be true, correct and complete in all material respects on the date hereof and on the Closing Date, as if made again on the Closing Date, and the Official Statement (as the same may be supplemented or amended with the written approval of the Underwriter) shall be true, correct and complete in all material respects and such information shall not contain any untrue statement of fact or omit to state any fact required to be stated therein or necessary to make the statements therein relating to the District, in light of the circumstances under which such statements were made, not misleading;

(c) Adverse Rulings. No decision, ruling or finding shall have been entered by any court or governmental authority since the date of this Purchase Contract (and not reversed on appeal or otherwise set aside), or shall be pending, or, to the best knowledge of the District, threatened, which has any of the effects described in Section 4(d) hereof or contesting in any way the completeness or accuracy of the Official Statement;

(d) Between the date hereof and the Closing, the market price or marketability or the ability of the Underwriter to enforce contracts for the sale of the Certificates, at the initial offering prices of the Certificates set forth in the Official Statement, shall not have been materially adversely affected in the evidenced judgment of the Underwriter by reason of any of the following:

(1) legislation enacted or introduced in the Congress or recommended for passage by the President of the United States, or a decision rendered by a court established under Article III of the Constitution of the United States or by the United States Tax Court, or an order, ruling, regulation (final, temporary or proposed) or official statement issued or made by or on behalf of the Securities and Exchange Commission, the United States Treasury, or any other governmental agency having jurisdiction over the subject matter thereof, to the effect that the interest on the Certificates or securities of the general character of the Certificates are not exempt from federal taxation or that the Certificates, or obligations of the general character of the Certificates, including any and all underlying arrangements, are not exempt from registration under the Securities Act of 1933, as amended;

(2) legislation enacted by the State legislature or favorably reported out of a committee thereof or a decision rendered by a State Court, or a ruling, order, or regulation (final or temporary) made by a State authority, which would have the effect of changing, directly or indirectly, the State tax consequences of interest on obligations of the general character of the Certificates in the hands of the holders thereof;

(3) the formal declaration of war by Congress or a new major engagement in or escalation of military hostilities by order of the President of the United States, or the occurrence of any other declared national or international emergency, calamity or crisis that interrupts or causes discord to the operation of the financial markets or otherwise in the United States or elsewhere or fixing of minimum or maximum prices for trading or maximum ranges for prices for securities on any national securities exchange, whether by virtue or a determination by that exchange or by order of the Securities Exchange Commission or any other governmental authority having jurisdiction;

(4) the declaration of a general banking moratorium by federal, New York or State authorities, or the general suspension of trading on any national securities exchange;

(5) the imposition by the New York Stock Exchange, other national securities exchange, or any governmental authority, of any material restrictions not now in force with respect to the Certificates, or obligations of the general character of the Certificates, or securities generally, or the material increase of any such restrictions now in force, including those relating to the extension of credit by, or the charge to the net capital requirements of, the Underwriter;

(6) an order, decree or injunction of any court of competent jurisdiction, or order, filing, regulation or official statement by the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Certificates, or the issuance, offering or sale of the Certificates, as contemplated hereby or by the Official Statement, is or would be in violation of the federal securities laws, as amended and then in effect;

(7) there shall have occurred or any notice shall have been given of any intended review, downgrading, suspension, withdrawal, or negative change in credit watch status to any rating of the District's outstanding indebtedness (without regard to any insurance) by a national rating agency;

(8) there shall have occurred any materially adverse change in the affairs or financial condition of the District; or

(9) the commencement or threat against the District or the County of any action, suit, proceeding, hearing or formal governmental investigation described in Section 4(d).

(e) At or prior to the Closing Date, the Underwriter shall have received the following documents, in each case satisfactory in form and substance to the Underwriter:

Based on and subject to the foregoing, and in reliance thereon, and without any independent investigation, as of the date hereof, we are of the opinion that:

3. The Trust Agreement, Lease Agreement and Site Lease have each been validly authorized, executed and delivered by the District and, assuming due authorization, execution and delivery by the other parties thereto, constitute legal, valid and binding agreements of the District, enforceable in accordance with their respective terms, except as enforcement thereof may be limited by

2. The Corporation has full corporate power and authority to enter into the Lease, the Site Lease (the "Site Lease"), dated as of [_____] 1, 2019, by and between the District and the Corporation, the Assignment Agreement (the "Assignment Agreement"), dated as of [_____] 1, 2019, by and between the Trustee and the Corporation, and the Trust Agreement;

3. The Lease, the Site Lease, the Assignment Agreement and the Trust Agreement have each been validly authorized, executed and delivered by the Corporation and, assuming due authorization, execution and delivery by the other parties thereto, constitute legal, valid and binding agreements of the Corporation, enforceable in accordance with their respective terms, except as enforcement thereof may be limited by bankruptcy, insolvency, reorganization, fraudulent conveyance, meritorious or other laws affecting enforcement of creditors' rights generally and by the application of general principles of equity, including, without limitation concepts of materiality, reasonableness, good faith and fair dealing, and the

possible unavailability of specific performance or injunctive relief, regardless of whether considered in a proceeding of equity or at law;

4. To the best of our knowledge, there are no legal or governmental proceedings pending or threatened against the Corporation that seek to prohibit, restrain or enjoin the execution or delivery of the Certificates or which affect or contest the validity of the Certificates or the Trust Agreement, the Site Lease, the Lease or the Assignment Agreement.
