

PUHSD – BOARD POLICIES

JUSTIFICATION FOR SERIES 6000 (INSTRUCTION)

(Pending Board Approval June 16, 2021)

Background

BP/AR 6172.1 - Concurrent Enrollment in College Classes

(BP/AR revised)

Policy updated to include exceptions in determining the five percent enrollment cap on the number of students at each grade level who may be recommended for community college summer session and to reflect **NEW LAW (AB 1729)** which extends such exceptions through January 1, 2027. Policy reflects **NEW LAW (SB 554)** which authorizes an adult education student pursuing a high school diploma or high school equivalency certificate to attend community college as a special part-time student. Policy and regulation add new sections for districts that wish to establish a College and Career Access Pathways (CCAP) partnership program, in which the board enters into an agreement with the governing board of a community college district to offer or expand dual enrollment opportunities for students who may not already be college bound or are unrepresented in higher education. Regulation clarifies the board's responsibility, whenever a community college class will be offered on a high school campus, to determine the time that the campus is considered open to the general public and available for members of the public to attend such a class at the high school.

Board Policy 6020 - Parent Involvement

Policy updated to reflect the requirements to work with parents/guardians and family members to jointly develop the district's parent involvement policy and to include strategies for family engagement in the local control and accountability plan (LCAP). For districts that receive federal Title IV funding for family engagement programs, policy adds the requirement to inform parents/guardians and organizations of the existence of the program. Policy also contains material formerly in the AR regarding the inclusion of the Title I local educational agency plan into the LCAP and the distribution of the district and school-level parent involvement policies.

Administrative Regulation 6020 - Parent Involvement

Regulation updated to revise the section on "District Strategies for Title I Schools," including moving and adding strategies under item #2 to reflect means by which the district may provide coordination, technical assistance, and other support to build school capacity for parent involvement activities, and adding strategies under item #5 to reflect means by which the district may use evaluation findings to design evidence-based strategies for more effective parent/guardian and family involvement. Section on "School-Level Strategies for Title I Schools" revises item #7 to include strategies formerly in section on "District Strategies for Title I Schools." Minor changes made throughout section on "District Strategies for Non-Title I Schools" to more directly reflect law.

Board Policy 6115 - Ceremonies and Observances

Policy updated to add the board's authority to designate any day as a holiday, in addition to those holidays designated by law, and to revise the date upon which schools close in observance of any holiday except Veterans Day. Policy also adds optional language stating that the board may adopt a resolution to authorize the display of symbolic flags or banners in support of specific awareness days or months.

Administrative Regulation 6115 - Ceremonies and Observances

Regulation updated to reflect state law requiring schools to be closed on any day designated as a holiday by the President, Governor, or district board or negotiated with employee organizations. School closure on Cesar Chavez Day and Native American Day deleted from the body of the regulation since school closure on these holidays only applies to districts that have agreed to do so in a memorandum of understanding with employee

bargaining units. Section on "Commemorative Exercises" expands Note to include additional days of significance on which schools are encouraged, but not required, to conduct commemorative exercises.

NEW - Administrative Regulation 6173.4 - Title VI Indian Education Programs

New regulation reflects major requirements for districts that receive federal Title VI Indian education funding, which supports local educational agencies, Indian tribes and organizations, and consortia in meeting the unique cultural, language, and educational needs of American Indian students and ensuring that all students meet challenging state academic standards. Districts receiving such funding are **mandated** to adopt procedures to ensure that the program will be operated and evaluated in consultation with, and with the involvement of, parents/guardians and family members of American Indian students and community representatives. Regulation also includes allowable expenditures of Title VI funds, the provision of professional development as needed, maintenance of student eligibility records, and distribution of program evaluation results.
