The University of California, Office of the President (UC) issued RFP #001201-MAY 2019 on July 3, 2019 to select a supplier to support UC locations including campuses, medical centers, national laboratories, the Office of the President its affiliates and California State College (CSU) for expedited mail, small ground freight, related products and services.

The Regents of the University of California partnered with OMNIA Partners to include a national cooperative purchasing opportunity:

The purpose of this Request for Proposal (the "RFP") is to invite qualified suppliers to prepare and submit a proposal (or "bid") to furnish on a national cooperative level domestic and international expedited mail, small ground freight, related products and services, which shall include inbound and outbound, as well as all air and ground services to The University of California ("UC") and OMNIA Partners participating agencies, in accordance with the requirements defined throughout this RFP.

Questionnaire 2 Q7 Attachment: FedEx Performance Standards

We want to make every UC customer experience outstanding. Our team members pay close attention to what's important to you.

Quality at FedEx: Everyone's Job

Our customers define quality by telling us — via letters, emails, surveys, face-to-face meetings and customer summits — what elements of our service they think are most important and why. So, we have set goals and monitor our performance in each of these areas.

For every one of our more than 450,000 team members worldwide, our purpose is to deliver outstanding customer service. We empower our employees through the application of our quality principles, processes, practices and tools.

We are committed to providing a workplace where our employees feel respected, satisfied and appreciated, and there are many incentives for top performers. Our policies are designed to promote fairness and respect for everyone at all levels. Team members are hired, evaluated and promoted based on their skills and performance.

FedEx expects all team members to demonstrate the highest degree of performance, integrity and professional conduct at all times. There is a formal team-member review policy in place and employees have direct lines of communication to their upper management and Human Resources.

In addition, we have a proprietary quality improvement program to help drive the quality of customer experiences higher, while simultaneously eliminating waste and reducing errors. Using the principles of this program that focuses on the needs of internal and external FedEx customers, teams across our company are delivering superior FedEx experiences.

Quality is a tradition at FedEx

In 1990, FedEx became the first service company to win the Malcolm Baldrige National Quality Award.

In 1994, we became the first transportation company to receive worldwide ISO 9001 certification. Today, with QDM, we're making our tradition even stronger.

Measuring Quality

Service Quality Index (SQI) is an internal tool for measuring quality to evaluate our service performance. SQI monitors the key areas of FedEx Express service via specific performance elements. This data is analyzed to identify trends and improvement opportunities.

Operational groups within the company use area-specific metrics to evaluate their processes as sub-sets of overall SQI indices. Processes are measured and reported on a real-time basis, and results are also accumulated and analyzed for trends. These process measures capture data on time, package volume and personnel required. The goal of these measures is to provide information to management to aid in understanding progress toward objectives, recognizing improvement opportunities, making corrective actions and raising goals. The company utilizes literally hundreds of these measures. Some examples include the following:

- Number of packages picked up
- Time of pickup
- Time of sort at origin station
- Volume of packages loaded
- Work hours used to sort packages
- Packages misrouted
- Packages expedited
- Throughput of conveyor systems at given time intervals
- Aircraft launch times

A quality assurance team ensures that any necessary corrective action is taken to improve service performance. Rather than simply address the consequence of failures, we focus on discovering the root causes of any performance deficiencies or unsatisfactory trends and implementing preventative solutions.

“Quality Driven Management is a unique quality philosophy and methodology, one built by FedEx for FedEx. It is based on a belief deeply embedded in our culture — that customers define quality.”

Frederick W. Smith
Chairman, President and CEO

Participating Agencies may elect to use federal funds to purchase under the Master Agreement. This form should be completed and returned.

DEFINITIONS

Contract means a legal instrument by which a non-Federal entity purchases property or services needed to carry out the project or program under a Federal award. The term as used in this part does not include a legal instrument, even if the non-Federal entity considers it a contract, when the substance of the transaction meets the definition of a Federal award or subaward

Contractor means an entity that receives a contract as defined in Contract.

Cooperative agreement means a legal instrument of financial assistance between a Federal awarding agency or pass-through entity and a non-Federal entity that, consistent with 31 U.S.C. 6302-6305:

- (a) Is used to enter into a relationship the principal purpose of which is to transfer anything of value from the Federal awarding agency or pass-through entity to the non-Federal entity to carry out a public purpose authorized by a law of the United States (see 31 U.S.C. 6101(3)); and not to acquire property or services for the Federal government or pass-through entity's direct benefit or use;
- (b) Is distinguished from a grant in that it provides for substantial involvement between the Federal awarding agency or pass-through entity and the non-Federal entity in carrying out the activity contemplated by the Federal award.
- (c) The term does not include:
 - (1) A cooperative research and development agreement as defined in 15 U.S.C. 3710a; or
 - (2) An agreement that provides only:
 - (i) Direct United States Government cash assistance to an individual;
 - (ii) A subsidy;
 - (iii) A loan;
 - (iv) A loan guarantee; or
 - (v) Insurance.

Federal awarding agency means the Federal agency that provides a Federal award directly to a non-Federal entity

Federal award has the meaning, depending on the context, in either paragraph (a) or (b) of this section:

- (a)(1) The Federal financial assistance that a non-Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability; or
- (2) The cost-reimbursement contract under the Federal Acquisition Regulations that a non-Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in § 200.101 Applicability.
- (b) The instrument setting forth the terms and conditions. The instrument is the grant agreement, cooperative agreement, other agreement for assistance covered in paragraph (b) of § 200.40 Federal financial assistance, or the cost-reimbursement contract awarded under the Federal Acquisition Regulations.
- (c) Federal award does not include other contracts that a Federal agency uses to buy goods or services from a contractor or a contract to operate Federal government owned, contractor operated facilities (GOCOs).
- (d) See also definitions of Federal financial assistance, grant agreement, and cooperative agreement.

Non-Federal entity means a state, local government, Indian tribe, institution of higher education (IHE), or nonprofit organization that carries out a Federal award as a recipient or subrecipient.

Nonprofit organization means any corporation, trust, association, cooperative, or other organization, not including IHEs, that:
(a) Is operated primarily for scientific, educational, service, charitable, or similar purposes in the public interest;
(b) Is not organized primarily for profit; and
(c) Uses net proceeds to maintain, improve, or expand the operations of the organization.

Obligations means, when used in connection with a non-Federal entity's utilization of funds under a Federal award, orders placed for property and services, contracts and subawards made, and similar transactions during a given period that require payment by the non-Federal entity during the same or a future period.

Pass-through entity means a non-Federal entity that provides a subaward to a subrecipient to carry out part of a Federal program.

Recipient means a non-Federal entity that receives a Federal award directly from a Federal awarding agency to carry out an activity under a Federal program. The term recipient does not include subrecipients.

Simplified acquisition threshold means the dollar amount below which a non-Federal entity may purchase property or services using small purchase methods. Non-Federal entities adopt small purchase procedures in order to expedite the purchase of items costing less than the simplified acquisition threshold. The simplified acquisition threshold is set by the Federal Acquisition Regulation at 48 CFR Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. 1908. As of the publication of this part, the simplified acquisition threshold is \$150,000, but this threshold is periodically adjusted for inflation. (Also see definition of § 200.67 Micro-purchase.)

Subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a contract.

Subrecipient means a non-Federal entity that receives a subaward from a pass-through entity to carry out part of a Federal program; but does not include an individual that is a beneficiary of such program. A subrecipient may also be a recipient of other Federal awards directly from a Federal awarding agency.

Termination means the ending of a Federal award, in whole or in part at any time prior to the planned end of period of performance.

ARTICLE 1 – GENERAL

The equipment, materials, or supplies (“Goods”) and/or services (“Services”) furnished by Supplier (together, the “Goods and Services”) and covered by the UC Purchase Order (“PO”) and/or other agreement (which, when combined with these Terms and Conditions and any other documents incorporated by reference, will constitute the “Agreement”) are governed by the terms and conditions set forth herein. As used herein, the term “Supplier” includes Supplier and its sub-suppliers at any tier. As used herein, “UC” refers to The Regents of the University of California, a corporation described in California Constitution Art. IX, Sec. 9, on behalf of the UC Locations identified in the Agreement and/or the PO. UC and Supplier individually will be referred to as “Party” and collectively as “Parties.” Any defined terms not defined in these Terms and Conditions of Purchase will have the meaning ascribed to such term in any of the other documents incorporated in and constituting the Agreement. No other terms or conditions will be binding upon the Parties unless accepted by them in writing. Written acceptance or shipment of all or any portion of the Goods, or the performance of all or any portion of the Services, covered by the Agreement, will constitute Supplier’s unqualified acceptance of all of the Agreement’s terms and conditions. The terms of any proposal referred to in the Agreement are included and made a part of the Agreement only to the extent the proposal specifies the Goods and/or Services ordered, the price therefor, and the delivery thereof, and then only to the extent that such terms are consistent with the terms and conditions of the Agreement.

ARTICLE 2 – TERM AND TERMINATION

- A. As applicable, the term of the Agreement (“Initial Term”) will be stated in the Agreement. Following the Initial Term, the Agreement may be extended by written mutual agreement.
- B. UC’s obligation to proceed is conditioned upon the appropriation of state, federal and other sources of funds not controlled by UC (“Funding”). UC will have the right to terminate the Agreement without damage, penalty, cost or further obligation in the event that through no action or inaction on the part of UC, the Funding is withdrawn.
- C. UC may, by written notice stating the extent and effective date thereof, terminate the Agreement for convenience in whole or in part, at any time with not less than the number of days’ notice stated elsewhere in the Agreement. As specified in the termination notice, UC will pay Supplier as full compensation the pro rata Agreement price for performance through the later of the date that (i) UC provided Supplier with notice of termination or (ii) Supplier’s provision of Goods and/or Services will terminate.
- D. UC may by written notice terminate the Agreement for Supplier’s breach of the Agreement, in whole or in part, at any time, if Supplier refuses or fails to comply with the provisions of the Agreement, or so fails to make progress as to endanger performance and does not cure such failure within five (5) business days, or fails to supply the Goods and/or Services within the time specified or any written extension thereof. In such event, UC may purchase or otherwise secure Goods and/or Services and, except as otherwise provided herein, Supplier will be liable to UC for any excess costs UC incurs thereby.

ARTICLE 3 – PRICING, INVOICING METHOD, AND SETTLEMENT METHOD AND TERMS. Pricing is set forth in the Agreement or Purchase Order Number, and the amount UC is charged and responsible for shall not exceed the amount specified in the Agreement unless UC has given prior written approval. Unless otherwise agreed in writing by UC, Supplier will use the invoicing method and payment settlement method (and will extend the terms applicable to such settlement method) set forth in UC’s Supplier Invoicing, Terms & Settlement Matrix. UC will pay Supplier, upon submission of acceptable invoices, for Goods and/or Services provided and accepted. Invoices must be itemized and reference the Agreement or Purchase Order number. UC will not pay shipping, packaging or handling expenses, unless specified in the Agreement or Purchase Order. Unless otherwise provided, freight is to be FOB destination. Any of Supplier’s expenses that UC agrees to reimburse will be reimbursed under UC’s Travel Policy, which may be found at <https://policy.ucop.edu/doc/3420365>. Where applicable, Supplier will pay all taxes imposed on Supplier in connection with its performance under the Agreement, including any federal, state and local income, sales, use, excise and other taxes or assessments. Notwithstanding any other provision to the contrary, UC will not be responsible for any fees, interest or surcharges Supplier wishes to impose.

ARTICLE 4 – INSPECTION. The Goods and/or Services furnished will be exactly as specified in the Agreement, free from all defects in Supplier’s performance, design, workmanship and materials, and, except as otherwise provided in the Agreement, will be subject to inspection and test by UC at all times and places. If, prior to final acceptance, any Goods and/or Services furnished are found to be incomplete, or not as specified, UC may reject them, require Supplier to correct them at the sole cost of Supplier, or require provision of such Goods and/or Services at a reduction in price that is equitable under the circumstances. If Supplier is unable or refuses to correct such deficiencies within a time UC deems reasonable, UC may terminate the Agreement in whole or in part. Supplier will bear all risks as to

rejected Goods and/or Services and, in addition to any costs for which Supplier may become liable to UC under other provisions of the Agreement, will reimburse UC for all transportation costs, other related costs incurred, or payments to Supplier in accordance with the terms of the Agreement for unaccepted Goods and/or Services and materials and supplies incidental thereto. Notwithstanding final acceptance and payment, Supplier will be liable for latent defects, fraud or such gross mistakes as amount to fraud.

ARTICLE 5 – ASSIGNED PERSONNEL; CHARACTER OF SERVICES

Supplier will provide the Services as an independent contractor and furnish all equipment, personnel and materiel sufficient to provide the Services expeditiously and efficiently, during as many hours per shift and shifts per week, and at such locations as UC may so require. Supplier will devote only its best-qualified personnel to work under the Agreement. Should UC inform Supplier that anyone providing the Services is not working to this standard, Supplier will immediately remove such personnel from providing Services and he or she will not again, without UC's written permission, be assigned to provide Services. At no time will Supplier or Supplier's employees, sub-suppliers, agents, or assigns be considered employees of UC for any purpose, including but not limited to workers' compensation provisions. Supplier shall not have the power nor right to bind or obligate UC, and Supplier shall not hold itself out as having such authority. Supplier shall be responsible to UC for all Services performed by Supplier's employees, agents and subcontractors, including being responsible for ensuring payment of all unemployment, social security, payroll, contributions and other taxes with respect to such employees, agents and subcontractors.

ARTICLE 6 – WARRANTIES

In addition to the warranties set forth in Articles 11, 12, 17, 23, 24, 25 and 26 herein, Supplier makes the following warranties. Supplier acknowledges that failure to comply with any of the warranties in the Agreement will constitute a material breach of the Agreement and UC will have the right to terminate the Agreement without damage, penalty, cost or further obligation.

- A. General Warranties. Supplier represents, warrants and covenants that: (i) Supplier is free to enter into this Agreement and that Supplier is not, and will not become, during the Term, subject to any restrictions that might restrict or prohibit Supplier from performing the Services or providing the Goods ordered hereunder; (ii) Supplier will comply with all applicable laws, rules and regulations in performing Supplier's obligations hereunder; (iii) the Goods and/or Services shall be rendered with promptness and diligence and shall be executed in a workmanlike manner by competent personnel, in accordance with the prevailing industry standards; and if UC Appendix Data Security is NOT included: (iv) Supplier has developed a business interruption and disaster recovery program and is executing such program to assess and reduce the extent to which Supplier's hardware, software and embedded systems may be susceptible to errors or failures in various crisis (or force majeure) situations; (v) if Supplier uses electronic systems for creating, modifying, maintaining, archiving, retrieving or transmitting any records, including test results that are required by, or subject to inspection by an applicable regulatory authority, then Supplier represents and warrants that Supplier's systems for electronic records are in compliance; and (vi) Supplier agrees that the Goods and/or Services furnished under the Agreement will be covered by the most favorable warranties Supplier gives to any customer for the same or substantially similar goods or services, or such other more favorable warranties as specified in the Agreement. The rights and remedies so provided are in addition to and do not limit any rights afforded to UC by any other article of the Agreement.

Where applicable, Supplier warrants that it complies with the requirements in UC Business and Finance Bulletin BUS-56 (Materiel Management; Purchases from Entities Violating State or Federal Water or Air Pollution Laws). ARTICLE 7 – INTELLECTUAL PROPERTY, COPYRIGHT AND PATENTS

- A. Goods and/or Services Involving Work Made for Hire.
 1. Unless UC indicates that the Goods and/or Services do not involve work made for hire, Supplier acknowledges and agrees that any deliverables provided to UC by Supplier in the performance of the Agreement, and any intellectual property rights therein, (hereinafter the "Deliverables") will be owned by UC. The Deliverables will be considered "work made for hire" under U.S. copyright law and all right, title, and interest to and in such Deliverables including, but not limited to, any and all copyrights or trademarks, will be owned by UC. In the event that it is determined that UC is not the owner of such Deliverables under the "work made for hire" doctrine of U.S. copyright law, Supplier hereby irrevocably assigns to UC all right, title, and interest to and in such Deliverables and any copyrights or trademarks thereto.
 2. The Deliverables must be new and original. Supplier must not use any pre-existing copyrightable or trademarked images, writings, or other proprietary materials (hereinafter "Pre-Existing Materials") in the Deliverables without UC's prior written permission. In the event that Supplier uses any Pre-Existing Materials in the Deliverables in which Supplier has an ownership interest, UC is hereby granted, and will have, a non-exclusive, royalty-free, irrevocable, perpetual, paid-up, worldwide license (with the right to sublicense) to make, have made, copy, modify, make derivative works of, use, perform, display publicly, sell, and otherwise distribute such Pre-Existing Materials in connection with the Deliverables.
 3. Whenever any invention or discovery is made or conceived by Supplier in the course of or in connection with the Agreement, Supplier will promptly furnish UC with complete information with respect thereto and UC will have the sole power to determine whether and where a patent application will be filed and to determine the disposition of title to and all rights under any application or patent that may result.
 4. Supplier is specifically subject to an obligation to, and hereby does, assign all right, title and interest in any such intellectual property rights to UC as well as all right, title and interest in tangible research products embodying any such inventions whether

the inventions are patentable or not. Supplier agrees to promptly execute any additional documents or forms that UC may require in order to effectuate such assignment.

B. Goods and/or Services Not Involving Work Made for Hire.

1. If the Goods and/or Services do not involve work made for hire, and in the event that Supplier uses any Pre-Existing Materials in the Deliverables in which Supplier has an ownership interest, UC is hereby granted, and will have, a non-exclusive, royalty-free, irrevocable, perpetual, paid-up, worldwide license (with the right to sublicense) to make, have made, copy, modify, make derivative works of, use, perform, display publicly, sell, and otherwise distribute such Pre-Existing Materials in connection with the Deliverables.

Should the Goods and/or Services become, or in Supplier's opinion be likely to become, the subject of a claim of infringement of any patent, copyright, trademark, trade name, trade secret, or other proprietary or contractual right of any third party, Supplier will provide written notice to UC of the circumstances giving rise to such claim or likely claim. In the event that UC receives notice of a claim of infringement or is made a party to or is threatened with being made a party to any claim of infringement related to the Goods and/or Services, UC will provide Supplier with notice of such claim or threat. Following receipt of such notice, Supplier will either (at Supplier's sole election) (i) procure for UC the right to continue to use the affected portion of the Goods and/or Services, or (ii) replace or otherwise modify the affected portion of the Goods and/or Services to make them non-infringing, or obtain a reasonable substitute product for the affected portion of the Goods and/or Services, provided that any replacement, modification or substitution under this paragraph does not effect a material change in the Goods and/or Services' functionality. If none of the foregoing options is reasonably acceptable to UC, UC will have the right to terminate the Agreement without damage, penalty, cost or further obligation.

ARTICLE 8 – INDEMNITY

To the fullest extent permitted by law, Supplier will defend, indemnify, and hold harmless UC, its officers, employees, and agents, from and against all losses, expenses (including, without limitation, reasonable attorneys' fees and costs), damages, and liabilities of any kind resulting from or arising out of the Agreement, including the performance hereunder of Supplier, its officers, employees, agents, sub-suppliers, or anyone directly or indirectly employed by Supplier, or any person or persons under Supplier's direction and control, provided such losses, expenses, damages and liabilities are due or claimed to be due to the acts or omissions of Supplier, its officers, employees, agents, sub-suppliers, or anyone directly or indirectly employed by Supplier, or any person or persons under Supplier's direction and control. UC agrees to provide Supplier with prompt notice of any such claim or action and to permit Supplier to defend any claim or action, and that UC will cooperate fully in such defense. UC retains the right to participate in the defense against any such claim or action, and the right to consent to any settlement, which consent will not unreasonably be withheld.

If the above insurance coverage is modified, changed or cancelled, Supplier will provide UC with not less than fifteen (15) days' advance written notice of such modification, change, or cancellation, and will promptly obtain replacement coverage that complies with this Article.
- G. The coverages referred to under A and B of this Article must include UC as an additional insured. It is understood that the coverage and limits referred to under A, B and C of this Article will not in any way limit Supplier's liability. Supplier will furnish UC with certificates of insurance (and the relevant endorsement pages) evidencing compliance with all requirements prior to commencing work under the Agreement. Such certificates will:

Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, protected veteran status or disability.”** With respect to activities occurring in the State of California, Supplier agrees to adhere to the California Fair Employment and Housing Act. Supplier will provide UC on request a breakdown of its labor force by groups as specified by UC, and will discuss with UC its policies and practices relating to its affirmative action programs. Supplier will not maintain or provide facilities for employees at any establishment under its control that are segregated on a basis prohibited by federal law. Separate or single-user restrooms and necessary dressing or sleeping areas must be provided, however, to ensure privacy.

ARTICLE 13 – LIENS

Supplier agrees that upon UC’s request, Supplier will submit a sworn statement setting forth the work performed or material furnished by sub-suppliers and material men, and the amount due and to become due to each, and that before the final payment called for under the Agreement, will upon UC’s request submit to UC a complete set of vouchers showing what payments have been made for such work performed or material furnished. Supplier will promptly notify UC in writing, of any claims, demands, causes of action, liens or suits brought to its attention that arise out of the Agreement. UC will not make final payment until Supplier, if required, delivers to UC a complete release of all liens arising out of the Agreement, or receipts in full in lieu thereof, as UC may require, and if required in either case, an affidavit that as far as it has knowledge or information, the receipts include all the labor and materials for which a lien could be filed; but Supplier may, if any sub-supplier refuses to furnish a release or receipt in full, furnish a bond satisfactory to UC to indemnify it against any claim by lien or otherwise. If any lien or claim remains unsatisfied after all payments are made, Supplier will refund to UC all monies that UC may be compelled to pay in discharging such lien or claim, including all costs and reasonable attorneys’ fees.

ARTICLE 14 – PREMISES WHERE SERVICES ARE PROVIDED

Supplier will at all times keep UC premises where the Services are performed and adjoining premises free from accumulations of waste material or rubbish caused by its employees or work of any of its sub-suppliers, and, at the completion of the Services; will remove all rubbish from and about the premises and all its tools, scaffolding, and surplus materials, and will leave the premises "broom clean" or its equivalent, unless more exactly specified. In case of dispute between Supplier and its sub-suppliers as to responsibility for the removal of the rubbish, or if it is not promptly removed, UC may remove the rubbish and charge the cost to Supplier.
- B. Environmental, Safety, Health and Fire Protection. Supplier will take all reasonable precautions in providing the Goods and Services to protect the health and safety of UC employees and members of the public and to minimize danger from all hazards to life and property, and will comply with all applicable environmental protection, health, safety, and fire protection regulations and requirements (including reporting requirements). In the event that Supplier fails to comply with such regulations and requirements, UC may, without prejudice to any other legal or contractual rights of UC, issue an order stopping all or any part of the provision of the Goods and/or Services; thereafter a start order for resumption of providing the Goods and/or Services may be issued at UC’s discretion. Supplier will not be entitled to make a claim for extension of time or for compensation or damages by reason of or in connection with such stoppage. Supplier will have sole responsibility for the safety of all persons employed by Supplier and its sub-suppliers on UC premises, or any other person who enters upon UC premises for reasons relating to the Agreement. Supplier to use. Supplier will take all reasonable measures and precautions at all times to prevent injuries to or the death of any of its employees or any other person who enters upon UC premises at Supplier's request. Such measures and precautions will include, but will not be limited to, all safeguards and warnings necessary to protect workers and others against any conditions on the premises that could be dangerous and to prevent accidents of any kind whenever the Goods and/or Services are being provided in proximity to any moving or operating machinery, equipment or facilities, whether such machinery, equipment or facilities are the property of or are being operated by, Supplier, its sub-suppliers, UC or other persons. To the extent compliance is required, Supplier will comply with all relevant UC safety rules and regulations when on UC premises.

Supplier assumes complete liability for any materials UC furnishes to Supplier in connection with the Agreement and Supplier agrees to pay for any UC materials Supplier damages or otherwise is not able to account for to UC's satisfaction. UC furnishing to Supplier any materials in connection with the Agreement will not, unless otherwise expressly provided in writing by UC, be construed to vest title thereto in Supplier.

ARTICLE 16 – COOPERATION

Supplier and its sub-suppliers, if any, will cooperate with UC and other suppliers and will so provide the Services that other cooperating suppliers will not be hindered, delayed or interfered with in the progress of their work, and so that all of such work will be a finished and complete job of its kind.

ARTICLE 17 – ADDITIONAL TERMS APPLICABLE TO THE FURNISHING OF GOODS

The terms in this Article have special application to the furnishing of Goods:

- A. Price Decreases. Supplier agrees immediately to notify UC of any price decreases from its suppliers, and to pass through to UC any price decreases.

- C. Title. Title to the Goods purchased under the Agreement will pass directly from Supplier to UC at the f.o.b. point shown, or as otherwise specified in the Agreement, subject to UC's right to reject upon inspection.
- D. Changes. Notwithstanding the terms in Article 34, Amendments, UC may make changes within the general scope of the Agreement in drawings and specifications for specially manufactured Goods, place of delivery, method of shipment or packing of the Agreement by giving notice to Supplier and subsequently confirming such changes in writing. If such changes affect the cost of or the time required for performance of the Agreement, UC and Supplier will agree upon an equitable adjustment in the price and/or delivery terms. Supplier may not make changes without UC's written approval. Any claim of Supplier for an adjustment under the Agreement must be made in writing within thirty (30) days from the date Supplier receives notice of such change unless UC waives this condition in writing. Nothing in the Agreement will excuse Supplier from proceeding with performance of the Agreement as changed hereunder. Supplier may not alter or misbrand, within the meaning of the applicable Federal and State laws, the Goods furnished.
- E. Forced, Convict and Indentured Labor. Supplier warrants that no foreign-made Goods furnished to UC pursuant to the Agreement will be produced in whole or in part by forced labor, convict labor, or indentured labor under penal sanction. If UC determines that Supplier knew or should have known that it was breaching this warranty, UC may, in addition to terminating the Agreement, remove Supplier from consideration for UC contracts for a period not to exceed one year. This warranty is in addition to any applicable warranties in Articles 6 and 11.
- F. Export Control. If any of the Goods is export-controlled under the International Traffic in Arms Regulations (22 CFR §§ 120-130), the United States Munitions List (22 CFR § 121.1), or Export Administration Regulations (15 CFR §§ 730-774) 500 or 600 series, or controlled on a military strategic goods list, Supplier agrees to provide UC (the contact listed on the Purchase Order) with written notification that identifies the export-controlled Goods and such Goods' export classification.

ARTICLE 18 – CONFLICT OF INTEREST

Supplier affirms that, to the best of Supplier’s knowledge, no UC employee who has participated in UC’s decision-making concerning the Agreement has an “economic interest” in the Agreement or Supplier. A UC employee’s “economic interest” means:

- A. An investment worth \$2,000 or more in Supplier or its affiliate;
- B. A position as director, officer, partner, trustee, employee or manager of Supplier or its affiliate;
- C. Receipt during the past 12 months of \$500 in income or \$440 in gifts from Supplier or its affiliate; or
- D. A personal financial benefit from the Agreement in the amount of \$250 or more.

In the event of a change in these economic interests, Supplier will provide written notice to UC within thirty (30) days after such change, noting such changes. Supplier will not be in a reporting relationship to a UC employee who is a near relative, nor will a near relative be in a decision making position with respect to Supplier.

ARTICLE 19 – AUDIT REQUIREMENTS

The Agreement, and any pertinent records involving transactions relating to this Agreement, is subject to the examination and audit of the Auditor General of the State of California or Comptroller General of the United States or designated Federal authority for a period of up to five (5) years after final payment under the Agreement. UC, and if the underlying grant, cooperative agreement or federal contract so provides, the other contracting Party or grantor (and if that be the United States or an instrumentality thereof, then the Comptroller General of the United States) will have access to and the right to examine Supplier’s pertinent books, documents, papers, and records involving transactions and work related to the Agreement until the expiration of five (5) years after final payment under the Agreement. The examination and audit will be confined to those matters connected with the performance of the Agreement, including the costs of administering the Agreement.

ARTICLE 20 – PROHIBITION ON UNAUTHORIZED USE OR DISCLOSURE OF CONFIDENTIAL INFORMATION

Supplier agrees to hold UC’s Confidential Information, and any information derived therefrom, in strict confidence. Confidential Information shall be defined as any information disclosed by UC to Supplier for the purposes of providing the Good and/or Services which is (i) marked as “Confidential” at the time of disclosure; (ii) disclosed orally, identified at the time of such oral disclosure as confidential, and reduced to writing as “Confidential” within thirty (30) days of such oral disclosure; and (iii) if not marked as “Confidential,” information that would be considered by a reasonable person in the relevant field to be confidential given its content and the circumstances of its disclosure. Confidential Information will not include information that: (i) Supplier can demonstrate by written records was known to Supplier prior to the effective date of the Agreement; (ii) is currently in, or in the future enters, the public domain other than through a breach of the Agreement or through other acts or omissions of Supplier; (iii) is obtained lawfully from a third party; or (iv) is disclosed under the California Public Records Act or legal process.

Supplier will not access, use or disclose Confidential Information other than to carry out the purposes for which UC disclosed the Confidential Information to Supplier, except as permitted or required by applicable law, or as otherwise authorized in writing by UC prior to the disclosure. Supplier shall have the limited right to disclose UC’s Confidential Information to Supplier’s employees provided that: (i) Supplier shall disclose only such UC’s Confidential Information as is necessary for the Supplier to perform its obligations under this Agreement; (ii) such employees have been informed of the confidential nature of such information; and (iii) such employees have agreed in writing to be bound by confidentiality obligations at least as stringent as those set forth in this Agreement. Supplier shall be liable for any breach of this Agreement by its employees. For avoidance of doubt, this provision prohibits Supplier from using for its own benefit Confidential Information and any information derived therefrom. If Supplier is required by a court of competent jurisdiction or an administrative body to disclose Confidential Information, Supplier will notify UC in writing immediately upon receiving notice of such requirement and prior to any such disclosure (unless Supplier is prohibited by law from doing so), to give UC an opportunity to oppose or otherwise respond to such disclosure. To the extent Supplier is still required to make such a disclosure, Supplier will give UC prompt written notice of such event and will furnish only that portion that is legally required and will exercise all reasonable efforts to obtain reliable assurance that confidential treatment will be afforded to the Confidential Information. Supplier’s transmission, transportation or storage of Confidential Information outside the United States, or access of Confidential Information from outside the United States, is prohibited except with prior written authorization by UC. UC’s Appendix – Data Security, Appendix – HIPAA Business Associate, and/or Appendix – General Data Protection Regulation will control in the event that one or both appendices is incorporated into the Agreement and conflicts with the provisions of this Article.

Supplier acknowledges that remedies at law would be inadequate to protect UC against any actual or threatened breach of this Section by Supplier, and, without prejudice to any other rights and remedies otherwise available to UC, Supplier agrees to the granting of injunctive relief in UC's favor without proof of actual damages.

In accordance with the University of California Sustainable Practices Policy, Supplier will adhere to the following requirements and standards, as applicable.  - c. Uses innovative packaging that reduces the weight of packaging, reduces packaging waste, or utilizes packaging that is a component of the product;
 - d. Maximizes recycled content and/or meets or exceeds the minimum post-consumer content level for packaging in the U.S. Environmental Protection Agency Comprehensive Procurement Guidelines;
 - e. Uses locally recyclable or certified compostable material.
- D. Expanded Polystyrene (EPS) Ban. No EPS shall be used in foodservice facilities for takeaway containers. By 2020, the University will be prohibited from procuring Goods containing, or that are provided in packaging containing, Expanded Polystyrene (EPS) other than that utilized for laboratory supply or medical packaging and products where no functional alternatives exist.
- E. E-Waste Recycling Requirements. All recyclers of University of California electronic equipment must be e-Steward certified by the Basel Action Network (BAN) or R2 Standard certified.

Hosted and Punch-out Catalog Requirements. Suppliers enabled with eProcurement hosted catalog functionality must clearly identify products with UC-recognized certifications, as defined by the UC Sustainable Procurement Guidelines, in both hosted and punchout catalog e-procurement environments.

ARTICLE 23 – PATIENT PROTECTION AND AFFORDABLE CARE ACT (PPACA) EMPLOYER SHARED RESPONSIBILITY

If the Services involve Supplier furnishing UC with temporary or supplementary staffing, Supplier warrants that:

- A. If Supplier is an Applicable Large Employer (as defined under Treasury Regulation Section 54.4980H-1(a)(4)):
 1. Supplier offers health coverage to its full-time employees who are performing Services for UC;
 2. Supplier’s cost of enrolling such employees in Supplier’s health plan is factored into the fees for the Services; and
 3. The fees for the Services are higher than what the Services would cost if Supplier did not offer health coverage to such full-time employees.
- B. If Supplier is not an Applicable Large Employer (as defined above):
 1. Supplier offers group health coverage to its full-time employees who are performing Services for UC and such coverage is considered Minimum Essential Coverage (as defined under Treasury Regulation Section 1-5000A-2) and is Affordable (as defined under Treasury Regulation Section 54.4980H-5(e)); or
 2. Supplier’s full-time employees who are performing services for UC have individual coverage and such coverage satisfies the PPACA requirements for mandated individual coverage.

Supplier acknowledges that UC is relying on these warranties to ensure UC’s compliance with the PPACA Employer Shared Responsibility provision.

ARTICLE 24 - PREVAILING WAGES

Unless UC notifies Supplier that the Services are not subject to prevailing wage requirements, Supplier will comply, and will ensure that all sub-suppliers comply, with California prevailing wage provisions, including but not limited to those set forth in Labor Code sections 1770, 1771, 1771.1, 1772, 1773, 1773.1, 1774, 1775, 1776, 1777.5, and 1777.6. For purposes of the Agreement, the term “sub-supplier” means a person or firm, of all tiers, that has a contract with Supplier or with a sub-supplier to provide a portion of the Services. The term sub-supplier will not include suppliers, manufacturers, or distributors. Specifically, and not by way of limitation, if apprenticeship occupations are involved in providing the Services, Supplier will be responsible for ensuring that Supplier and any sub-suppliers comply with Labor Code Section 1777.5. Supplier and sub-supplier may not provide the Services unless currently registered and qualified to perform public work pursuant to Labor Code Section 1725.5 and 1771.1. Notwithstanding the foregoing provisions, Supplier will be solely responsible for tracking and ensuring proper payment of prevailing wages regardless if Services are partially or wholly subject to prevailing wage requirements. In every instance, Supplier will pay not less than the UC Fair Wage (defined as \$13 per hour as of 10/1/15, \$14 per hour as of 10/1/16, and \$15 per hour as of 10/1/17) for Services being performed at a UC Location (defined as any location owned or leased by UC).

The California Department of Industrial Relations (DIR) has ascertained the general prevailing per diem wage rates in the locality in which the Services are to be provided for each craft, classification, or type of worker required to provide the Services. A copy of the general prevailing per diem wage rates will be on file at each UC Location’s procurement office, and will be made available to any interested party upon request. Supplier will post at any job site:

- A. Notice of the general prevailing per diem wage rates, and
- B. Any other notices required by DIR rule or regulation.

By this reference, such notices are made part of the Agreement. Supplier will pay not less than the prevailing wage rates, as specified in the schedule and any amendments thereto, to all workers employed by Supplier in providing the Services. Supplier will cause all subcontracts to include the provision that all sub-suppliers will pay not less than the prevailing rates to all workers employed by such sub-suppliers in providing the Services. The Services are subject to compliance monitoring and enforcement by the DIR. Supplier will forfeit, as a penalty, not more than \$200 for each calendar day or portion thereof for each worker that is paid less than the prevailing rates as determined by the DIR for the work or craft in which the worker is employed for any portion of the Services provided by Supplier or any sub-supplier. The amount of this penalty will be determined pursuant to applicable law. Such forfeiture amounts may be deducted from the amounts due under the Agreement. If there are insufficient funds remaining in the amounts due under the Agreement, Supplier will

be liable for any outstanding amount remaining due. Supplier will also pay to any worker who was paid less than the prevailing wage rate for the work or craft for which the worker was employed for any portion of the Services, for each day, or portion thereof, for which the worker was paid less than the specified prevailing per diem wage rate, an amount equal to the difference between the specified prevailing per diem wage rate and the amount which was paid to the worker. Review of any civil wage and penalty assessment will be made pursuant to California Labor Code section 1742.

ARTICLE 25 – FAIR WAGE/FAIR WORK

If the Agreement is for Services that will be performed at one or more UC Locations, does not solely involve furnishing Goods, and are not subject to extramural awards containing sponsor-mandated terms and conditions, Supplier warrants that it is in compliance with applicable federal, state and local working conditions requirements, including but not limited to those set forth in Articles 11, 12 and 14 herein, and that Supplier pays its employees performing the Services no less than the UC Fair Wage. Supplier agrees UC may conduct such UC Fair Wage/Fair Work interim compliance audits as UC reasonably requests, as determined in UC's sole discretion. Supplier agrees to post UC Fair Wage/Fair Work notices, in the form supplied by UC, in public areas (such as break rooms and lunch rooms) frequented by Supplier employees who perform Services.

For Services that exceed \$100,000 annually and are not subject to prevailing wage requirements, Supplier will, a) at Supplier's expense, provide an annual independent verification (<https://www.ucop.edu/procurement-services/policies-forms/fw-fw-ppaca-resources/fw-fw-annual-verification-form-1.15.19.pdf>) performed by a licensed public accounting firm (independent accountant) or the Supplier's independent internal audit department (<http://na.theiia.org/standards-guidance/topics/Pages/Independence-and-Objectivity.aspx>) in compliance with UC's required verification standards and procedures (<https://www.ucop.edu/procurement-services/policies-forms/fw-fw-ppaca-resources/fw-fw-annual-verification-standards-procedures-1.15.19.pdf>), concerning Supplier's compliance with this provision, and b) ensure that in the case of a UC interim audit, its independent accountant/independent internal auditor makes available to UC its UC Fair Wage/Fair Work work papers for the most recent verification period. Supplier agrees to provide UC with a UC Fair Wage/Fair Work verification annually, in a form acceptable to UC, no later than ninety days after each one-year anniversary of the agreement's effective date, for the twelve months immediately preceding the anniversary date.

ARTICLE 26 – MEDICAL DEVICES

This Article applies when the Goods and/or Services involve UC purchasing or leasing one or more medical devices from Supplier, or when Supplier uses one or more medical devices in providing Goods and/or Services to UC.

Medical Device as used herein will have the meaning provided by the U.S. Food and Drug Administration ("FDA") and means an instrument, apparatus, implement, machine, contrivance, implant, in vitro reagent, or other similar or related article, including a component part, or accessory which is: (i) recognized in the official National Formulary, or the United States Pharmacopoeia, or any supplement to them; (ii) intended for use in the diagnosis of disease or other conditions, or in the cure, mitigation, treatment, or prevention of disease, in man or other animals, or (iii) intended to affect the structure or any function of the body of man or other animals, and which does not achieve any of its primary intended purposes through chemical action within or on the body of man or other animals and which is not dependent upon being metabolized for the achievement of any of its primary intended purposes.

Supplier warrants that prior to UC's purchase or lease of any Medical Device or Supplier's use of any Medical Device in providing Goods and/or Services hereunder, Supplier will: (i) perform security testing and validation for each such Goods and/or Services or Medical Device, as applicable; (ii) perform a security scan by an anti-virus scanner, with up-to-date signatures, on any software embedded within any Goods and/or Services or Medical Device, as applicable, in order to verify that the software does not contain any known viruses or malware; (iii) conduct a vulnerability scan encompassing all ports and fuzz testing; and (iv) provide UC with reports for (i) – (iii). Supplier warrants that all security testing performed by Supplier covers all issues noted in the "SANS WE TOP 25" and/or "OWASP Top 10" documentation.

Throughout Supplier's performance of this Agreement, Supplier will provide UC with reasonably up-to-date patches, firmware and security updates for any Medical Device provided to UC, and any other Medical Device used in the course of providing Services, as applicable. All such patches and other security updates will be made available to UC within thirty (30) days of its commercial release or as otherwise recommended by Supplier or Supplier's sub-supplier, whichever is earlier.

Supplier warrants that all software and installation media not specifically required for any Medical Device used by Supplier or Goods and/or Services delivered to UC under this Agreement as well as files, scripts, messaging services and data will be removed from all such Goods and/or Services or Medical Device following installation, and that all hardware ports and drives not required for use or operation of such Goods and/or Services or Medical Device will be disabled at time of installation. In addition, Medical Devices must be configured so that only Supplier-approved applications will run on such Medical Devices.

Supplier agrees that UC may take any and all actions that it, in its sole discretion, deems necessary to address, mitigate and/or rectify any real or potential security threat, and that no such action, to the extent such action does not compromise device certification, will impact, limit, reduce or negate Supplier's warranties or any of Supplier's other obligations hereunder.

Supplier warrants that any Medical Device provided to UC, and any other Medical Device used in the course of providing such Goods and/or Services, meet and comply with all cyber-security guidance and similar standards promulgated by the FDA and any other applicable regulatory body.

If the Goods and/or Services entail provision or use of a Medical Device, Supplier will provide UC with a completed Manufacturer Disclosure Statement for Medical Device Security (MDS2) form for each such Medical Device before UC is obligated to purchase or lease such Medical Device or prior to Supplier's use of such device in its performance of Services. If Supplier provides an MDS2 form to UC concurrently with its provision of Goods and/or Services, UC will have a reasonable period of time to review such MDS2 form, and if the MDS2 form is unacceptable to UC, then UC in its sole discretion may return the Goods or terminate the Agreement with no further obligation to Supplier.

ARTICLE 27 – FORCE MAJEURE

Neither Party will be liable for delays due to causes beyond the Party's control (including, but not restricted to, war, civil disturbances, earthquakes, fires, floods, epidemics, quarantine restrictions, freight embargoes, and unusually severe weather).

ARTICLE 28 – ASSIGNMENT AND SUBCONTRACTING

Except as to any payment due hereunder, Supplier may not assign or subcontract the Agreement without UC's written consent. In case such consent is given, the assignee or subcontractor will be subject to all of the terms of the Agreement.

ARTICLE 29 – NO THIRD-PARTY RIGHTS

Nothing in the Agreement, express or implied, is intended to make any person or entity that is not a signer to the Agreement a third-party beneficiary of any right created by this Agreement or by operation of law.

ARTICLE 30 – OTHER APPLICABLE LAWS

Any provision required to be included in a contract of this type by any applicable and valid federal, state or local law, ordinance, rule or regulations will be deemed to be incorporated herein.

ARTICLE 31 – NOTICES

A Party must send any notice required to be given under the Agreement by overnight delivery or by certified mail with return receipt requested, to the other Party's representative at the address specified by such Party.

ARTICLE 32 – SEVERABILITY

If a provision of the Agreement becomes, or is determined to be, illegal, invalid, or unenforceable, that will not affect the legality, validity or enforceability of any other provision of the Agreement or of any portion of the invalidated provision that remains legal, valid, or enforceable.

ARTICLE 33 – WAIVER

Waiver or non-enforcement by either Party of a provision of the Agreement will not constitute a waiver or non-enforcement of any other provision or of any subsequent breach of the same or similar provision.

ARTICLE 34 – AMENDMENTS

The Parties may make changes in the Goods and/or Services or otherwise amend the Agreement, but only by a writing signed by both Parties' authorized representatives.

ARTICLE 35 – GOVERNING LAW AND VENUE

California law will control the Agreement and any document to which it is appended. The exclusive jurisdiction and venue for any and all actions arising out of or brought under the Agreement is in a state court of competent jurisdiction, situated in the county in the State of California in which the UC Location is located or, where the procurement covers more than one UC Location, the exclusive venue is Alameda County, California.

ARTICLE 36 – SUPPLIER TERMS

Any additional terms that Supplier includes in an order form or similar document will be of no force and effect, unless UC expressly agrees in writing to such terms.

ARTICLE 37 – SURVIVAL CLAUSE

Upon expiration or termination of the Agreement, the following provisions will survive: WARRANTIES; INTELLECTUAL PROPERTY, COPYRIGHT AND PATENTS; INDEMNITY; USE OF UC NAMES AND TRADEMARKS; LIABILITY FOR UC-FURNISHED PROPERTY; COOPERATION; TERMS APPLICABLE TO THE FURNISHING OF GOODS; AUDIT REQUIREMENTS; PROHIBITION ON UNAUTHORIZED USE OR DISCLOSURE OF CONFIDENTIAL INFORMATION; GOVERNING LAW AND VENUE, and, to the extent incorporated into the Agreement, the terms of the APPENDIX–DATA SECURITY, APPENDIX–BUSINESS ASSOCIATES, and/or APPENDIX – GENERAL DATA PROTECTION REGULATION.

Package Services	Express Freight Services ¹
<p>1. Find the zone for your destination. For U.S. shipments, go to fedex.com/ratefinder and select the Rate Tools tab, then enter your origin ZIP code to see which zone your destination ZIP code corresponds to. Or request zone location information by calling 1.800.GoFedEx 1.800.463.3339.</p> <p>Zone tables for U.S. export and U.S. import shipments are on pp. 24–26 (see p. 28 for U.S.-to-Canada zones).</p> <p>2. Determine the chargeable weight. Determine the weight of the package (for FedEx Express® international shipments, determine the weight of the total shipment). Round up to the next-higher pound. Then see Dimensional Weight on p. 121. Your chargeable weight is the greater of the actual weight or the dimensional weight.</p> <p>A minimum billable weight may apply for shipments in FedEx Express packaging. See p. 126.</p> <p>3. Find your rate.² Turn to the appropriate rate table on pp. 29–57 (FedEx Express U.S. shipments), pp. 65–98 (FedEx Express international shipments) or pp. 106–112 (FedEx Ground® and FedEx Home Delivery® shipments). Next, choose a FedEx® service. Then find your chargeable weight from step 2 above to determine your rate.</p> <p>A \$3.80 residential surcharge per package will be added to FedEx Home Delivery shipments. FedEx Home Delivery is for packages up to 70 lbs.</p> <p>For FedEx Express multiple-piece shipments, multiweight pricing may apply. See pp. 56–57 (U.S. shipments), p. 82 (Puerto Rico shipments), or pp. 82 and 98 (international shipments) for details.</p> <p>4. Determine fees. See pp. 113–129 for fees and other non-transportation charges that may apply. For FedEx Express U.S. import shipments, call 1.800.GoFedEx 1.800.463.3339 and say “international services” for service fees applicable from your origin country.</p>	<p>1. Find the zone for your destination. For U.S. shipments, go to fedex.com/ratefinder and select the Rate Tools tab, then enter your origin ZIP code to see which zone your destination ZIP code corresponds to. Or request zone location information by calling FedEx Express Freight Customer Service at 1.800.332.0807.</p> <p>Zone tables for U.S. export and U.S. import shipments are on p. 27 (see p. 28 for U.S.-to-Canada zones).</p> <p>2. Determine the chargeable weight. For U.S. shipments, first determine the actual weight of each freight handling unit. Round up to the next-higher pound. Second, calculate the dimensional weight of each freight handling unit. See Dimensional Weight on p. 121. Third, determine the chargeable weight for each freight handling unit: Your chargeable weight is the greater of the actual weight or the dimensional weight. Each freight handling unit is subject to a minimum billable weight of 151 lbs. regardless of its actual weight.</p> <p>For FedEx International Priority® Freight and FedEx International Economy® Freight shipments, first determine the combined actual weight for all freight handling units. Round up to the next-higher pound. Second, calculate the dimensional weight for the entire shipment. See Dimensional Weight on p. 121. Third, determine the chargeable weight for the entire shipment: Your chargeable weight is the greater of the actual weight or the dimensional weight. The total shipment is subject to a minimum billable weight of 151 lbs. multiplied by the number of freight handling units.</p> <p>For all express freight shipments, individual freight handling units typically weigh 151 lbs. or more. Freight handling units exceeding 2,200 lbs. require prior approval.</p> <p>3. Find your rate. Turn to the appropriate rate table on p. 64 (U.S. shipments) or pp. 103–105 (international shipments). Next, choose a FedEx service. For international shipments, determine your service option (door-to-door, dropoff, hold-at-location, or dropoff and hold-at-location). Then find your chargeable weight from step 2 above and multiply it by the per-pound rate.</p> <p>4. Determine fees. See pp. 113–129 for fees and other non-transportation charges that may apply. For FedEx Express® Freight U.S. import shipments, call 1.800.332.0807 for service fees applicable from your origin country.</p>

¹Excludes FedEx International Premium®. See [p. 105](#).

²If a federal value-added, consumption or similar tax is applicable to your shipment, we reserve the right to add that amount to your shipping charges without notice. We pay any applicable federal excise tax on the air transportation portion of our service.

Determine International Express Freight Rates

1. Find the zone for your destination or origin in the table at right. For FedEx International Priority Freight and FedEx International Economy Freight shipments to Canada, refer to the postal code table on p. 28.
2. Determine your total shipment weight (round up to the next-higher pound) and service option (door-to-door, dropoff, hold-at-location, or dropoff and hold-at-location).
3. Choose the service you wish to use.
4. For U.S. export shipments, go to p. 103 and multiply the per-pound rate by total shipment weight. U.S. import rates are on p. 104.

U.S. Package Rates: FedEx Express Multiweight®

FedEx Express multiple-piece shipments may receive a rate on a total-shipment-weight basis if the total shipment weighs 100 lbs. or more (200 lbs. or more for FedEx Express Saver® shipments). A 15-lb. average minimum package weight for the shipment applies. Multiply the per-pound rate by total shipment weight. You are billed the lower of the FedEx Express Multiweight shipment rate or the sum of the individual price per package.

U.S. Package Rates: FedEx Express Multiweight

FedEx Express multiple-piece shipments may receive a rate on a total-shipment-weight basis if the total shipment weighs 100 lbs. or more (200 lbs. or more for FedEx Express Saver shipments). A 15-lb. average minimum package weight for the shipment applies. Multiply the per-pound rate by total shipment weight. You are billed the lower of the FedEx Express Multiweight shipment rate or the sum of the individual price per package.

<p>Additional Handling Surcharge — Non-stackable</p> <p>A surcharge applies to any freight handling unit of a freight shipment that is non-stackable. Non-stackable means the freight handling unit cannot be stacked vertically in a safe and secure manner. Examples include, but are not limited to, non-stackable freight handling units that: 1) do not have a flat and stable top or base; 2) may be damaged if another piece is loaded on them; or 3) have flat and stable loading surfaces but are too narrow to safely and securely support other freight handling units (e.g., 1–2 barrels or drums). For U.S. express freight services, this surcharge applies on a per-freight-handling-unit basis even if multiple pieces of freight are bundled in a shipment.</p> <p>For more information on preparing and palletizing freight, access our comprehensive Packaging Guidelines for Shipping Freight brochure online at fedex.com/packaging.</p>	<p>U.S. Express Freight Services</p> <p>FedEx International Priority Freight, FedEx International Economy Freight</p>	<p>\$215 per freight handling unit</p> <p>\$215 per shipment</p>
<p>Address Correction</p> <p>Express. If the shipper provides an incomplete or incorrect recipient address, we may attempt to find the correct address and complete delivery. We may use the address included in the shipper's electronic shipment information to determine whether an address correction is necessary. We will assess a shipping fee. For shipments receiving FedEx Express Multiweight® pricing, the fee is \$16 per package up to a maximum of \$112 per shipment. Address correction is also required if the recipient phone number is omitted for a Rural Delivery (RD) address or a Star Route Assignment (SRA) address in Alaska. If we are unable to complete delivery, we are not liable for failing to meet our delivery commitment.</p> <p>Within the U.S., we also will assess this fee if the address is a P.O. box number or P.O. box ZIP code. For international shipments destined to a P.O. box address, we may assess the fee if a valid telephone, fax or telex number is not provided for the recipient.</p> <p>For FedEx International Broker Select®, the address correction fee will apply if the broker's address is incomplete or incorrect on the air waybill or other shipping documentation. We assess an additional charge for delivery or attempted delivery to the corrected address. <p>Ancillary Clearance Service Fees</p> <p>FedEx provides import clearance processing for international express package and international express freight shipments, and international ground shipments. FedEx may charge an ancillary clearance service fee, where applicable, on international shipments for clearance processing; for services requested by the shipper, recipient or importer of record; or to recover the costs passed to FedEx by the regulatory agency for regulatory filing. Ancillary clearance service fees that are invoiced are described on a separate line item on the duty-and-tax invoice.</p> <p>We may apply these service fees, which are subject to change, to either a U.S.- or non-U.S.-based shipper, recipient or designated third party. When possible, we will honor the shipper's request to bill these service fees to the payer as designated on the Bill Duties and Taxes section of the air waybill or shipping label. When we are unable to honor that request, the recipient may be invoiced for applicable ancillary clearance services.</p> <p>When the Bill Shipper or Bill Third Party option is selected to pay duty-and-tax charges, the payer will be invoiced for all applicable ancillary service fees that are assessed for clearance in the destination country, including all fees resulting from ancillary services that may have been requested by the recipient.</p> <p>For more information about the ancillary clearance service fees that may apply to your shipment, select your destination country from the list provided at fedex.com/ancillary/go/service.</p> <ul style="list-style-type: none"> For more information about FedEx Express U.S. import service fees, select "United States — FedEx Express." Clearance Entry Fee. When a shipment is processed as a brokerage-inclusive shipment and FedEx Ground arranges for clearance services, a clearance entry fee is charged to cover processes required to check the Commercial Invoice submitted with the shipment and complete entry preparation procedures required by either U.S. Customs and Border Protection or the Canada Border Services Agency, including calculation of applicable duties and taxes for each type of commodity included in the shipment. The clearance entry fee is subject to all applicable Canadian taxes. The payer of duties and taxes is billed for the clearance entry fee, which is added as an ancillary clearance service fee to the duty-and-tax invoice.

Delivery Area Surcharge

A delivery area surcharge applies to package shipments destined to select U.S. ZIP codes. In addition, a delivery area surcharge applies to FedEx Express and FedEx Ground shipments destined for areas in Alaska and Hawaii that are remote, sparsely populated or geographically difficult to access. Go to fedex.com/rates-surcharges for a list of ZIP codes where this surcharge applies.

A maximum charge may apply for shipments receiving FedEx multiweight pricing.

For FedEx Ground packages that exceed 70 lbs. and are destined to an Alaska ZIP code that receives the delivery area surcharge, the applicable fee will be 3.5 times the Alaska commercial or Alaska residential charge (FedEx Home Delivery packages cannot exceed 70 lbs.).

<p>Dimensional Weight</p> <p>Dimensional weight is calculated by multiplying the length by width by height of each package in inches and dividing the total by 139. When dimensional weight applies per shipment, calculate the volume of each piece or freight handling unit in the shipment (multiply the length by width by height), then add those volumes together and divide the total by 139. If the dimensional weight exceeds the actual weight, charges may be assessed based on the dimensional weight. If the chargeable weight of a FedEx Ground package exceeds 150 lbs., a prorated per-pound rate will be used. Package shape and dimensions may change during transit, which can affect the package's dimensional weight and surcharge eligibility. If the dimensions change during transit, FedEx may make appropriate adjustments to the shipment charges at any time.</p> <p>Dimensions of one-half inch or greater are rounded up to the next whole number; dimensions less than one-half inch are rounded down. The final calculation is rounded up to the next whole pound.</p> <p>FedEx Express applies dimensional weight to all shipments in customer packaging and may apply it to shipments in FedEx packaging. Dimensional weight applies on a per-package or per-shipment basis for U.S. shipments, and per-shipment for international and U.S.-to-Puerto Rico shipments. Dimensional weight is applicable on a per-freight-handling-unit basis for U.S. express freight shipments and a per-shipment basis for FedEx International Priority Freight and FedEx International Economy Freight shipments. See fedex.com/us/terms/other-services for FedEx International Premium dimensional weight information.</p> <p>FedEx Ground applies dimensional weight to all shipments on a per-package basis. For FedEx Home Delivery, the shipping charges for any package with a dimensional weight of greater than 70 lbs. are the same as a FedEx Ground package of corresponding dimensional weight being shipped under the same circumstances, plus FedEx Home Delivery fees and other charges.</p>	Express Services, Ground Services	If the dimensional weight exceeds the actual weight, charges may be assessed based on the dimensional weight. See the definition at left for details.
<p>Duties and Taxes</p> <p>Duties and taxes, including goods and services tax (GST) and value-added tax (VAT), may be assessed on the contents of the shipment. Any such charges will be billed to the recipient, unless you instruct us otherwise. In the event we advance duties and taxes on any given shipment, the payer will be assessed an ancillary clearance service fee based on a flat rate or on a percentage of the total amount advanced (see the Advancement Fee [FedEx Express] or the Disbursement Fee [FedEx Ground] listed under Ancillary Clearance Service Fees on pp. 116–117).</p>	International Express Package Services, International Express Freight Services, International Ground Service	See the definition at left, the Duties and Taxes section in the FedEx Express International Terms and Conditions, and the International Service Conditions section in the FedEx Ground Tariff for details.

These FedEx Express Terms and Conditions, contained in the FedEx Service Guide, supersede all previous terms and conditions, amendments, supplements, and other prior statements concerning the rates and conditions of FedEx Express service to which these terms and conditions apply. The contract of carriage as expressed in these terms and conditions constitutes the entire agreement between the parties and supersedes all previous agreements and understandings, whether oral or written, between the parties or any agents, affiliates or subcontractors thereof (including FedEx Office and Print Services, Inc. and its agents, affiliates and employees ["FedEx Office"]) with respect to the subject matter hereof, and each party warrants that it has not relied and will not be relying upon any evaluation, representation or advice from the other party, its agents, affiliates or subcontractors (including any agents, affiliates or employees of FedEx Office) except representations expressly made in writing in these terms and conditions. The downloadable version (PDF) of the FedEx Express Terms and Conditions at fedex.com on the date of shipment is controlling.

The FedEx Service Guide consists of the service information at fedex.com/serviceguide and the overview of services in the downloadable FedEx Service Guide (U.S. and U.S. export); U.S., U.S. export, U.S. import and U.S. retail rates; these FedEx Express Terms and Conditions; the FedEx Ground Tariff; and the FedEx SameDay City Tariff. The service information at fedex.com/serviceguide (excluding rates, the FedEx Express Terms and Conditions, the FedEx Ground Tariff, and the FedEx SameDay City Tariff) and the overview of services in the downloadable FedEx Service Guide are not part of the contract of carriage. FedEx reserves the right to unilaterally modify, amend, change or supplement the FedEx Service Guide, including, but not limited to, the rates, services, features of service, and these terms and conditions, without notice. Only an officer in the Legal Department of FedEx Corporation or successor positions may authorize a supplement to, or modification, change or amendment of, the FedEx Service Guide. No other agent or employee of FedEx, its affiliates or subsidiaries, nor any other person or party, is authorized to do so. This restriction in modification does not apply to a modification applicable to a single customer and included in a FedEx Sales or FedEx Customer Automation agreement. To the extent a conflict exists between a FedEx Sales or FedEx Customer Automation agreement and these FedEx Express Terms and Conditions, the FedEx Sales or FedEx Customer Automation agreement controls.

Any failure to enforce or apply a term, condition, or provision of the FedEx Service Guide shall not constitute a waiver of that term, condition or provision or otherwise impair our right to enforce or apply such a term, condition or provision in the future.

If there is a conflict between these terms and conditions and the terms and conditions on any FedEx airbill, manifest, stamp, shipping label or other transit documentation, the terms and conditions in the FedEx Service Guide, as amended, modified, changed or supplemented, will control.

Rates and service quotations by our employees and agents are based upon information you provide, but final rates and service may vary based upon the shipment actually tendered and the application of these terms and conditions. Rates quoted will vary depending on whether (1) the shipper is a FedEx account holder and (2) the shipper has discounts applied to his or her account.

- Shippers will be quoted FedEx Standard List Rates if they have a valid FedEx account, do not have discounts applied to their account and if they charge their shipping to their account.
- Shippers will be quoted Account-Specific Rates if they have a valid FedEx account, have discounts applied to their account and if they charge their shipping to their account.
- Shippers will be quoted FedEx Retail Rates for shipments originating in the U.S. that are paid for by cash, check, debit or credit card instead of being charged to a valid FedEx account.

- Shippers may request FedEx One Rate pricing for qualifying FedEx Express shipments as an alternative to FedEx Standard List Rates, Account-Specific Rates or FedEx Retail Rates. See the FedEx One Rate information in the Find Your Rate section of this Service Guide for details.

For the most current information regarding areas served and delivery commitments, contact FedEx Customer Service at 1.800.GoFedEx 1.800.463.3339.

Any requested change to an address that is not a reroute or an address correction is a new shipment, and new shipping charges will apply. *Note:* Reroute does not apply to requests made by the recipient using FedEx Delivery Manager to request delivery to another address. See FedEx Delivery Manager Terms in the fedex.com Terms of Use.

Non-Waiver

Any failure by us to enforce or apply a term, condition or provision of the FedEx Service Guide does not constitute a waiver of that term, condition or provision and does not otherwise impair our right to enforce such term, condition or provision.

Account Numbers

All shipments originating in the U.S. and paid for with cash, check, debit or credit card must be tendered at a staffed shipping location, and will be charged FedEx Retail Rates.

For transactions other than “Bill Sender,” “Bill Recipient” or “Bill Third Party,” you must pay by cash (not accepted at all FedEx locations), check, money order or credit card. Payment is required when you give us your package. For “Bill Sender” and “Bill Third Party” transactions, packages will not be accepted unless you provide a valid FedEx account number. For “Bill Recipient” transactions, packages can be tendered without payment, but in order for the package to be delivered, the recipient must provide a valid FedEx account number or pay with cash, check or money order at time of delivery. If the recipient refuses to pay, the package will be treated as undeliverable and the sender will be responsible for all transportation charges and other fees, including all special handling fees.

For customers utilizing our electronic systems, a valid FedEx account number is required for “Bill Sender,” “Bill Recipient” or “Bill Third Party” transactions.

Account numbers are issued by FedEx according to shipping location and are nontransferable. Account numbers are issued and used solely at the discretion of FedEx. FedEx may discontinue the use of accounts, in whole or in part, and terminate all or

particular accounts and account numbers at any time, for any reason, at its sole discretion. Improper, illegal or any other misuse of your FedEx account may also, at the sole discretion of FedEx, result in loss of discounts or termination of the account. Improper, illegal or other misuse includes, but is not limited to, ordering supplies for any purpose other than shipping with FedEx, unauthorized consolidation of shipments owned by different parties, or violations of the terms and conditions in this FedEx Service Guide. If your account has been compromised or stolen, the account may be closed and you may be issued a new account. However, you will be responsible for all valid charges on the closed account. Any supplies, materials, rights or privileges that you acquire by holding a FedEx account number may not be used for any purpose other than shipping with FedEx, and FedEx may seek damages against you for any improper, illegal or other misuse of your account. If your account is terminated, we reserve the right, at our sole discretion, to deny your application for new or additional FedEx account numbers at any time in the future. Except for Canada- and Puerto Rico-based accounts, international account numbers may not be used for shipments between two points within the U.S. All charges will be billed and must be remitted in U.S. funds.

Any individual or entity that uses the FedEx account or shipping discounts of another FedEx account holder without authorization will be charged Standard List Rates for all such shipments without prior notice. This includes all shipments, whether they are classified as “Bill Sender,” “Bill Recipient” or “Bill Third Party,” or any other method of billing. Unauthorized use includes, but is not limited to, using the shipping discount of another FedEx account holder without the knowledge and permission of both FedEx and the account holder.

All requests for account numbers are subject to credit investigation and verification by our Credit Department and Customer Account Confirmation Department. FedEx utilizes business credit reporting agencies, audited financial statements, Standard & Poor’s and Moody’s bond ratings, and other sources as necessary, to determine eligibility for open credit terms. FedEx does not offer consumer credit privileges. Any individual shipping for personal use must prepay the shipment charges or establish a FedEx account for billing directly to a major credit card. Stored-value cards or gift cards cannot be used to open an account; however, such cards may be used for payment when tendering a package at staffed FedEx shipping locations, and in conjunction with our credit card acceptance policy. If your FedEx account is billed directly to a credit card, you agree to the following terms: (1) you authorize FedEx to initiate variable charges to the credit card to settle charges payable to FedEx; (2) you authorize FedEx to charge your card for any unpaid amounts on your account; (3) you authorize the card issuer to pay any amounts associated with your account without requiring a signed receipt; (4) you agree to keep your card information current (FedEx may receive updates on your card information from participating issuing banks and may update your account profile to avoid service disruptions); (5) you agree that FedEx shall have no liability for any insufficient funds or other charges incurred from attempts to charge and/or place holds on your card; and (6) your agreement to these terms and conditions is to be accepted as authorization to the card issuer to pay all amounts associated with your account.

The party to whom a FedEx account number is issued is liable for all charges to the account, including those resulting from unauthorized use. The account holder is responsible for the safekeeping of the account number. The account number should be released only to those authorized to ship on the account.

Failure to keep your FedEx account current may result in your account being placed on a cash-only status. Use of an account on cash-only status may result in your package being delayed, rejected or returned until arrangements for payment are completed. If the account number to be billed is not valid, the shipment may be delayed until an alternative form of payment is secured. If a package is held or delivery is otherwise delayed because the account is not in good credit standing, you will not be entitled to a refund or credit of your transportation charges under the Service Failure Money-Back Guarantee Policy.

You must use your FedEx account number to obtain any discount applicable to your account. Use of your account number constitutes your agreement that all packages shipped by us shall be subject to these terms and conditions, as modified, amended or supplemented.

FedEx may provide trade credit information on its account holders to credit bureaus.

Billing

A. "Bill Sender" means charges will be billed to the sender. The sender's FedEx account number must appear on the airbill, and the account must be in good credit standing. The sender may request an initial rebilling to another party, but all subsequent rebills will be only to the sender. (See section H, Billing and Special Handling Fees.)

B. "Bill Recipient" means charges will be billed to the recipient. (This is not C.O.D. service.) The recipient's FedEx account number must be provided on the airbill at the time of shipment, or by the recipient at the time of delivery, and must be in good credit standing. If an account number in good credit standing is not provided, the recipient must pay for the shipment at the time of delivery.

C. "Bill Third Party" means charges will be billed to someone other than the sender or recipient. Charges for shipments within the U.S. may be billed only to a third party in the U.S. In order to choose this billing option, the FedEx account number of the third party must appear on the airbill at the time it is tendered and the account must be in good credit standing.

D. We reserve the right to verify the method of payment for any shipment and to refuse any shipment for which the method of payment cannot be verified.

E. FedEx may consider payment type in determining pricing and discounts, and reserves the right to adjust discounts based on payment type.

F. For packages tendered for transportation with a FedEx Express Prepaid Stamp, FedEx reserves the right to bill the customer for packages that are overweight or require special handling. FedEx Express Prepaid Stamps are nonrefundable and nontransferable.

G. NOTWITHSTANDING ANY PAYMENT INSTRUCTIONS THAT ARE GIVEN TO FEDEX, THE SENDER IS ULTIMATELY LIABLE FOR, WILL BE BILLED FOR AND AGREES TO PAY ALL CHARGES AND FEES, INCLUDING ANY SPECIAL HANDLING FEES, IF THE RECIPIENT OR THIRD PARTY FAILS OR REFUSES TO PAY. For FedEx returns shipments, please see Return Options.

H. Billing and Special Handling Fees:

- A special handling fee will be charged when no account number appears on the airbill or when an incomplete, inaccurate or invalid account number appears on the airbill in "Bill Sender," "Bill Recipient" or "Bill Third Party" transactions. If a "Bill Sender," "Bill Recipient" or "Bill Third Party" package is received without a FedEx account number, we will attempt to determine the correct account from our records and bill the account for all charges and fees, plus the special handling fee. Any applicable discount will apply. If, however, we cannot determine the correct account, the transportation charges plus the special handling fee will be billed directly to the sender, and no discount will be allowed. See Rates in the FedEx Service Guide for details.
- Payer Rebilling. A special handling fee will be charged to the sender for each request for a change to billing instructions for a package. We will accept requests for change to billing instructions up to 90 days from the invoice date. Requests for rebilling of transportation charges must be received via one of the approved channels:
 - Submit your request through the Non-Pay option with Electronic Data Interchange (EDI) if you are a registered user; or
 - Use our internet application FedEx Billing Online at fedex.com if you are a registered user; or
 - Submit your request via fedex.com/us/customersupport/email/express_ground.html (select Billing/Invoicing as the category). Your request for a rebill of transportation charges must include the current invoice number, the FedEx tracking number, amount and the new FedEx account number that you want to rebill; or
 - Submit the request via our automated interactive voice response system at 1.800.GoFedEx 1.800.463.3339 (say "billing"). Your request for a rebill of transportation charges must include your FedEx account number, if any, the current invoice number, the FedEx tracking number and the new FedEx account number that you want to rebill.
- A \$20 special handling fee will be charged to you for any check or electronic funds transfer that is dishonored for any reason.

M. Invoice Adjustments/Overcharges:

- We reserve the right to audit shipments to verify service selection, shipment weight and dimensions. Package shape and dimensions may change during transit, which can affect the package's dimensional weight and surcharge eligibility. If the service selected, weight entered or dimensions entered are incorrect or change during transit, we may make appropriate adjustments to the shipment charges at any time.
- Default Billing.** Senders are solely responsible for accurately completing all sections of the airbill and for the entry of accurate shipment information into any electronic shipping device. If you fail to provide or correctly enter this information, you will be billed and agree to pay based on our estimate of the number of packages transported and either the dimensional weight at the time of billing or a standard default weight-per-package estimate, both of which will be determined by us at our sole discretion. If no service is marked, we will send your shipment via FedEx Priority Overnight or FedEx 1Day Freight, whichever is applicable.
- Our money-back guarantee policy governs and is the exclusive remedy for requests for refunds or credits related to service failures. (See the Money-Back Guarantee Policy section for applicable notice provisions and other conditions.) If the money-back guarantee is suspended or revoked, there is no remedy.
- Requests for invoice adjustments due to an overcharge must be received within 60 days after the original invoice date (or ship date if prepaid by cash, check, money order or credit card).
- FedEx is not obligated to refund any overcharge or pay any other obligation owed when your FedEx account is, or has been in the past, more than 60 days past due.
- If your account is more than 60 days past due, FedEx may, at its sole discretion, apply any overcharge amounts or other overpayments it agrees are owed to you against the oldest invoices.
- You may request an invoice adjustment for reasons not related to a service failure in the following ways:
 - Use our internet application FedEx Billing Online at fedex.com if you are a registered user; or
 - Submit your request through the invoice adjustment feature at fedex.com; or
 - Submit the request via fedex.com/us/customersupport/email/express_ground.html (select Billing/Invoicing as the category). A partial payment against an invoice is not considered a request for invoice adjustment or notice of a refund request.

- We will not be liable for any invoice adjustment unless you comply with the notice requirements described above. The filing of a lawsuit against us does not constitute compliance with these notice provisions.

For additional information or assistance regarding billing issues, contact Revenue Services at 1.800.GoFedEx 1.800.463.3339 (say "billing"), 7 a.m. to 6 p.m. (CST), Monday through Friday.

O. The shipper and any other party who is liable for payment are responsible for all reasonable costs incurred by FedEx in obtaining or attempting to obtain payment for services rendered by us. Such costs include, but are not limited to, attorneys' fees, collection agency fees, interest and court costs.

P. At our sole discretion, FedEx may transfer and assign ownership of, and any rights to collect, any and all charges due and payable to us.

Q. FedEx will charge for the category of service selected by the shipper, notwithstanding any requests for a different delivery time or date, including but not limited to, requests made by the recipient using FedEx Delivery Manager.

Cartage Agents

We provide pickup and delivery service to points within our primary service areas.

Service outside our primary service areas may be provided through cartage agents.

For more information, please call Customer Service at 1.800.GoFedEx 1.800.463.3339 or Express Freight Customer Service at 1.800.332.0807.

A. Our delivery commitment time and money-back guarantee policy apply only to the portion of the transportation handled directly by us (see the Money-Back Guarantee Policy section). The delivery commitment time begins when the cartage agent tenders the shipment to us and ends when a shipment is available for pickup by you or a cartage agent. Our tender of a shipment to a cartage agent constitutes delivery of the shipment by us for all purposes. Except as stated below for FedEx Express Freight shipments, we are not responsible for service failures as a result of cartage agent pickups or deliveries.

B. For FedEx Express Freight shipments destined to extended service areas (H4, H5, H6) and when FedEx arranges delivery by a cartage agent, our delivery commitment time and money-back guarantee policy apply to both the portion of the transportation handled directly by us and to the portion of the transportation handled by the cartage agent. (See the Money-Back Guarantee Policy section.) For FedEx Express Freight shipments originating in extended service areas (H4, H5, H6, H7) the delivery commitment time begins when the cartage agent tenders the shipment to FedEx.

C. For FedEx Express Freight shipments destined to H7 extended service areas, our delivery commitment time and money-back guarantee policy apply only to the portion of the transportation handled directly by us. The delivery commitment time ends when a shipment is available at the FedEx location for pickup by you or a cartage agent. We are not responsible for service failures as a result of cartage agent pickups from, or deliveries to, H7 extended service areas.

D. If you elect to make arrangements for pickup or delivery directly with a cartage agent, you are responsible for all charges and fees assessed by the cartage agent. The invoice you receive from us will reflect only our charges and fees.

E. A special handling fee applies; see Rates in the FedEx Service Guide.

F. Cartage agents are independent contractors. They are neither employees nor agents of FedEx Express, and we are not responsible for any of their acts or omissions.

FedEx Express Terms and Conditions

Claims

- A.** We must receive notice of a claim due to failure to properly collect or deliver a C.O.D. payment within 21 calendar days after delivery of the shipment. We must receive notice of a claim due to damage (visible or concealed), delay (including spoilage claims) or shortage within 60 calendar days after delivery of the shipment. (See the Money-Back Guarantee Policy section for the time period to request a refund or credit of transportation charges due to a service failure.) We must receive notice of all other claims, including, but not limited to, claims for nondelivery or misdelivery, within nine months after the package was tendered to FedEx Express for shipment.
- B.** Notice of claims for which you are seeking more than US\$100 must be in writing. All claims must be made within the time limits set forth previously.
- C.** Your notice of claim must include complete shipper and recipient information, as well as the FedEx tracking number, date of shipment, number of pieces, and shipment weight. Failure to provide us with notice in the manner and within the time limits set forth in paragraphs (A) through (B) will result in denial of your claim, and we will have no liability or obligation to pay your claim. The filing of a lawsuit does not constitute compliance with these notice provisions.
- D.** Written documentation supporting the amount of your claim must be delivered to us within nine months after the package was tendered to FedEx Express for shipment. Such documentation may include original purchase invoices, estimates or invoices for repair, expense statements, appraisals, final confirmation screen if online order with proof of payment, or other records. These documents must be verifiable to our satisfaction.
- E.** We are not obligated to act on any claim until all transportation charges have been paid. The claim amount may not be deducted from these charges or from any outstanding balance owed to us.
- F.** FedEx reserves the right to inspect a damaged shipment on the recipient's premises as well as the right to retrieve the damaged package for inspection at a FedEx facility. The terms and conditions applicable to the original shipment (including any declared value) will govern the disposition of all claims in connection with the shipment, including any claim relative to the retrieval, inspection or return of the package. When a package is picked up for inspection, a receipt for the damaged package will be provided if requested by the recipient. All of the original shipping cartons, packing and contents must be made available for our inspection and retained until the claim is concluded.
- G.** Except in the case of concealed damage, receipt of the shipment by the recipient without written notice of damage on the airbill is *prima facie* evidence that the shipment was delivered in good condition.
- H.** We do not accept claims from customers whose packages were tendered to FedEx through a package consolidator. (See the Package Consolidators [Including FedEx Authorized ShipCenters] section.)
- I.** Shipment-status information is not intended or permitted to be used as the basis to file a claim.
- J.** Only one claim can be filed in connection with a shipment. Acceptance of payment of a claim shall extinguish any right to recover in connection with that shipment.
- K.** When we resolve a claim by paying full value for a shipment, we reserve the right to pick up the package for salvage, and all rights, title to, and interest in the package shall vest with us.
- L.** You can file a claim in the following ways:
1. Submit claims online at fedex.com/us/claimsonline.
 2. Send written claims, including the completed claim form and supporting documentation, via the U.S. Postal Service or fax to:

 3. Call customer service at 1.800.GoFedEx 1.800.463.3339 (say "claims") to obtain a case number for your claim, then complete a print copy of the claim form. You may have to submit supporting documentation using FedEx Claims Online or the mailing address or fax number listed above.

Collect on Delivery (C.O.D.) Service

- A.** We offer a collect-on-delivery service consisting of transportation of packages, collection of a payment instrument issued by or on behalf of the recipient and delivery of a payment instrument to the shipper. The shipper is responsible for specifying on the C.O.D. airbill, or in the appropriate field of the FedEx electronic shipping system or third-party electronic shipping system, the amount (the C.O.D. amount) and the form of payment to be collected. We do not offer a cash-on-delivery service.
- B.** If the shipper marks SECURED PAYMENT on the C.O.D. airbill, we will collect a cashier's check, official check or money order. If the shipper marks UNSECURED PAYMENT, we will collect a personal check, certified check, cashier's check, official check, money order or company check. CASH, TRAVELER'S CHECKS, "COM" CHECKS, CREDIT CARDS AND COUNTER CHECKS WILL NOT BE ACCEPTED IN PAYMENT OF ANY C.O.D. AMOUNT. If no payment type is selected, an unsecured payment type will be collected at the time of delivery.
- C.** Performance of the C.O.D. service does not make us the agent of the shipper for any purpose whatsoever, including, but not limited to, completion of the sale of the goods by the shipper to the recipient. If the recipient cannot be located or fails or refuses to pay the C.O.D. amount via the requested instrument, the shipment will be returned to the shipper, and no refund or credit of either the transportation charges or the C.O.D. charge will be given.
- D.** Checks (including cashier's, official, certified, business and personal checks) and money orders for the C.O.D. amount will be collected at the shipper's sole risk, including, but not limited to, all risk of nonpayment, fraud and forgery. FedEx has no liability with respect to any such instrument.
- E.** The maximum C.O.D. amount is US\$50,000 per shipment. THE C.O.D. AMOUNT IS NOT THE SAME AS, AND SHOULD NOT BE CONFUSED WITH, DECLARED VALUE. (See the Declared Value and Limits of Liability section.)
- F.** The original transportation of packages, collection of the payment instrument and delivery of the payment instrument are considered a single shipment. The terms and conditions in the Declared Value and Limits of Liability section are applicable to all C.O.D. shipments. If no value is declared, our maximum liability will be the lesser of the C.O.D. amount or US\$100. With respect to the C.O.D. shipment sent by a FedEx Express Freight service, if no value is declared, our maximum liability is the greater of US\$100 or US\$1 per pound.
- G.** Our liability for loss, damage, delay, misdelivery, misinformation, nondelivery, failure to collect the C.O.D. amount, failure to collect the specified form of payment, collection of an instrument in the wrong amount, or failure or delay in delivering the payment instrument is limited to the declared value, subject in every event to the maximum declared-value limits and other limitations referenced above and in the Declared Value and Limits of Liability section.
- H.** If the shipper sends more than one package on a single C.O.D. airbill, the total declared value for all of the packages must be written in the appropriate airbill section. Our maximum liability will be limited to the total value declared subject in every event to the maximum declared-value limits and other limitations referenced above and in the Declared Value and Limits of Liability section.
- I.** The payment instrument will be forwarded to the shipper via FedEx Standard Overnight where available, and otherwise via FedEx 2Day, and will be directed to the shipper's address for the account number on which the C.O.D. shipment was shipped. Return C.O.D. service from Hawaii may be delayed one day due to transit time.
- J.** Our money-back guarantee policy applies to transportation charges as well as to the additional charge for C.O.D. service and is the exclusive remedy for refund or credit of these charges in the event of a service failure. See the Money-Back Guarantee Policy section for complete conditions and limitations. When the money-back guarantee is suspended or revoked, there is no remedy.
- K.** If 20 percent or more of a sender's C.O.D. shipments are refused, or a sender requests changes to the C.O.D. amount for 10 percent or more of its C.O.D. shipments, FedEx has the option to revoke any discounts applicable to the sender's account without notice (including discounts for non-C.O.D. shipments) and to impose a special handling fee of US\$30 per shipment.
- L.** C.O.D. transportation charges must be charged to the sender's FedEx account number.
- M.** C.O.D. is not available for shipments rated with FedEx One Rate pricing.

FedEx Express Terms and Conditions

U.S. Shipments

Credit Terms

- A. We do not provide individual consumer credit privileges.
- B. As a condition of extending credit privileges, FedEx reserves the right to require business customers to provide current financial information, agree to bank draft arrangements for payment on account, provide a security deposit or provide a bank letter of credit.
- C. When credit privileges are extended, FedEx reserves the right to establish and enforce a credit limit on your account. At our sole discretion, we may review and amend a credit limit on your account.
- D. The invoice date begins the credit term cycle, and payment is due within 15 days from the invoice date. Failure to keep your FedEx account current will result in your account being placed on cash-only status. This status may impair your ability to use our services, delay your shipments, and may result in the loss of any applicable discounts.
- E. IF THE ACCOUNT NUMBER TO BE BILLED IS NOT IN GOOD CREDIT STANDING, THE PACKAGE MAY BE HELD OR STOPPED IN TRANSIT UNTIL YOU MAKE ALTERNATIVE PAYMENT ARRANGEMENTS. THE MONEY-BACK GUARANTEE POLICY WILL NOT APPLY IN SUCH CIRCUMSTANCES.
- F. The shipper, and any other party who is liable for payment, is responsible for all reasonable costs incurred by FedEx in obtaining or attempting to obtain payment for services rendered by us. Such costs include, but are not limited to, attorneys' fees, collection agency fees, interest and court costs.
- G. Credit privileges will not be restored until you have paid all past-due balances in full and all costs, fees and expenses incurred by FedEx in collecting or attempting to collect such balances. FedEx may require you to secure the account with a form of payment as a prerequisite to credit restoration. FedEx may decline to restore credit privileges even if all costs, fees and expenses are paid.
- H. Customers requesting removal from cash-only status must contact the Recovery Collections department at 1.800.506.7580.
- I. At our sole discretion, we may apply payments made on your account to any unpaid invoice issued on your account.
- J. Requests for research or refunds of payment must be received within 60 days from the date of payment.

Dangerous Goods

- A. All packages containing dangerous goods must comply with the International Civil Aviation Organization (ICAO) Technical Instructions for the Safe Transport of Dangerous Goods by Air, the International Air Transport Association (IATA) Dangerous Goods Regulations and, where applicable, Title 49 of the Code of Federal Regulations. Shippers of dangerous goods, whether prepared under ICAO/IATA or 49CFR, must comply with all FedEx Express variations listed in the current edition of the IATA Dangerous Goods Regulations. The shipper is responsible for complying with all packing requirements and appropriate marking and labeling of the package, documentation, as well as compliance with applicable local, state, and federal laws, regulations, ordinances and rules. The shipper is also responsible for ensuring the recipient complies with all applicable local, state and federal laws, regulations, ordinances and rules for applicable hazard classes.
- B. Shippers must comply with all applicable local, state and federal laws governing packing, marking and labeling of shipments of blood and blood products, regardless of whether they are infectious.
- C. FedEx packaging may not be used to ship dangerous goods (including dry ice), with the following exceptions:
1. Permitted IATA Section II lithium batteries, which may be shipped in FedEx boxes and tubes; and
 2. Biological Substance, Category B (UN 3373) shipments, which may be shipped in the FedEx UN 3373 Pak, the FedEx Medium Clinical Box, the FedEx Large Clinical Box or the following FedEx Temp-Assure cold shipping boxes: Small Cold Box Standard Duration; Medium Cold Box Standard Duration; Medium Cold Box Extended Duration; Large Cold Box Standard Duration; and Large Cold Box Extended Duration.
- Blood, urine and other specimens containing infectious substances are considered dangerous goods and must not be shipped in the FedEx Clinical Pak. The shipper assumes sole responsibility for compliance with all applicable governmental regulations. For more information on FedEx guidelines, go to fedex.com/packaging and read our brochures on packaging clinical samples and Biological Substance, UN 3373 specimens.

- D. Shipments containing dangerous goods are not eligible for FedEx Express return options, except dry ice, which may be shipped using the FedEx Print Return Label and the FedEx Email Return Label. FedEx Express dangerous goods surcharges are not assessed on certain types of dangerous goods, and these may be shipped via FedEx Stamps. See the Dangerous Goods section at fedex.com for a list of dangerous goods that are not assessed a surcharge.
- E. FedEx Express does not accept dangerous goods shipments prepared exclusively for ground shipment.
- F. FedEx is not required to add dry ice to packages in its system, nor to provide re-icing services.
- G. Common Fireworks (Division 1.4 explosives) will be accepted only with prior approval from FedEx.
- H. Lithium batteries (UN 3090) that are Primary Non-Rechargeable require pre-approval to ship. This applies to IATA Section IA and Section IB lithium batteries. For details, go to fedex.com and enter keyword "lithium batteries." FedEx Express does not accept UN 3090 and UN 3480 lithium batteries tendered as IATA Section II shipments; they must be tendered as fully regulated IATA Section IA or IB. In addition, FedEx Express does not accept waste batteries or batteries being shipped for recycling or disposal, including damaged or defective batteries (see IATA variation FX-04).
- I. FedEx may require shippers to hire a trained pack-and-ship vendor to resolve a problem with an undeliverable dangerous goods shipment. If the recipient refuses a package containing dangerous goods, or the package leaks or is damaged, it will be returned to the shipper, if possible. If the shipper refuses to accept the returned shipment, or it cannot be returned because of leakage or damage due to faulty packaging, the shipper is responsible for and agrees to reimburse and otherwise indemnify FedEx for all costs, fees and expenses it incurs in connection with the cleanup and disposal of the package. The shipper agrees to indemnify FedEx for any and all costs, fees and expenses FedEx incurs as a result of the shipper's failure to comply with FedEx Dangerous Goods shipping requirements.
- J. We have the right to refuse any package with an odor or any package that is wet or leaking. If a dangerous goods shipment damages or contaminates any property, the shipper is solely responsible for and will reimburse and indemnify FedEx for any and all costs, fees, and expenses it incurs in connection with the cleanup of such damage or contamination.
- K. Not all FedEx locations accept dangerous goods, and we reserve the right to refuse dangerous goods at any location where they cannot be accepted in accordance with applicable law. Dangerous goods shipments, including dry ice, are not allowed at FedEx Drop Box locations, FedEx Office Print and Ship Center locations, FedEx Authorized ShipCenter locations, FedEx OnSite locations, or FedEx ShipSite locations, except as noted below:
1. Biological Substance, Category B (UN 3373) shipments are allowed at select FedEx Office Print and Ship Center locations (contact your local FedEx Office Print and Ship Center for service availability) and may be placed in FedEx Drop Boxes.
 2. FedEx Express shipments containing permitted IATA Section II lithium batteries are allowed at FedEx Office Print and Ship Center locations and may be placed in FedEx Drop Boxes.
- L. The shipper must provide all required information and complete all boxes pertaining to dangerous goods on the FedEx airbill. Shippers utilizing electronic systems to ship dangerous goods must select, as appropriate to the electronic system, the special services, handling or flag to indicate that their shipment contains dangerous goods.
- M. *Note:* We are required by law to report improperly declared or undeclared shipments of dangerous goods to the U.S. Department of Transportation (DOT). The shipper may be subject to fines and penalties under applicable law. The DOT/Federal Aviation Administration (FAA) requires every shipper to have job-specific dangerous goods training prior to tendering a dangerous goods shipment to FedEx or another air carrier. When individuals tender a shipment containing dangerous goods it must be properly classified, packaged, marked, labeled and identified as dangerous goods, and include the correct dangerous goods documentation.
- N. Dangerous goods may not be rerouted to an address other than the original intended-recipient's address provided by the shipper. (*Note:* Shipments may be made available as hold for pickup at permissible locations or be returned to the sender.)
- O. We are required to maintain proper segregation of incompatible dangerous goods on all vehicles and aircraft. This necessity may cause the shipment to move on the next available truck route or flight on which proper segregation can be maintained.

Declared Value and Limits of Liability (Not Insurance Coverage)

A. The declared value of any package represents our maximum liability in connection with a shipment of that package, including, but not limited to, any loss, damage, delay, misdelivery, nondelivery, misinformation, any failure to provide information, or misdelivery of information relating to the shipment. It is the shipper's responsibility to prove actual damages. Exposure to and risk of any loss in excess of the declared value is assumed by the shipper. You may transfer this risk to an insurance carrier of your choice through the purchase of an insurance policy. Contact an insurance agent or broker if you desire insurance coverage. **WE DO NOT PROVIDE INSURANCE COVERAGE OF ANY KIND.**

B. With respect to U.S. express package services, unless a higher value is declared and paid for, our liability for each package is limited to US\$100. For each package exceeding US\$100 in declared value, an additional amount will be charged for each US\$100 in value or fraction thereof. See Rates in the FedEx Service Guide for details.

C. With respect to FedEx Express Freight services, unless a higher value is declared and paid for, our liability for each freight handling unit is limited to US\$100 or US\$1 per pound, whichever is greater. When the declared value exceeds the greater of US\$100 or US\$1 per pound per shipment, an additional amount will be charged for each US\$100 (or fraction thereof) of additional declared value. See Rates in the FedEx Service Guide for details.

D. Except as limited below, the maximum declared value per package in any FedEx First Overnight, FedEx Priority Overnight, FedEx Standard Overnight, FedEx 2Day A.M., FedEx 2Day or FedEx Express Saver shipment is US\$50,000. The maximum declared value per shipment for FedEx SameDay is US\$2,000.

E. Except as limited below, the maximum declared value per each freight handling unit in any FedEx First Overnight Freight, FedEx 1Day Freight, FedEx 2Day Freight or FedEx 3Day Freight shipment is US\$50,000.

F. Shipments (packages or freight) containing all or part of the following items are limited to a maximum declared value of US\$1,000:

1. Artwork, including any work created or developed by the application of skill, taste or creative talent for sale, display or collection. This includes, but is not limited to, items (and their parts) such as paintings, drawings, vases, tapestries, limited-edition prints, fine art, statuary, sculpture and collector's items.
2. Film, photographic images (including photographic negatives), photographic chromes and photographic slides.
3. Any commodity that by its inherent nature is particularly susceptible to damage or the market value of which is particularly variable or difficult to ascertain.
4. Antiques, or any commodity that exhibits the style or fashion of a past era and whose history, age or rarity contributes to its value. These items include, but are not limited to, furniture, tableware and glassware.
5. Glassware, including, but not limited to, signs, mirrors, ceramics, porcelains, china, crystal, glass, framed glass, and any other commodity with similarly fragile qualities.
6. Plasma screens.
7. Jewelry, including, but not limited to, costume jewelry, watches and their parts, mount gems or stones (precious or semiprecious), industrial diamonds, and jewelry made of precious metal.
8. Furs, including, but not limited to, fur clothing, fur-trimmed clothing and fur pelts.
9. Precious metals, including, but not limited to, gold and silver bullion or dust, precipitates, or platinum (except as an integral part of electronic machinery).
10. Stocks, bonds, cash letters or cash equivalents, including, but not limited to, food stamps, postage stamps (not collectible), traveler's checks, lottery tickets, money orders, gift cards and gift certificates, prepaid calling cards (excluding those that require a code for activation), bond coupons, and bearer bonds.
11. Collector's items such as coins, stamps, sports cards, souvenirs and memorabilia.

12. Guitars and other musical instruments that are more than 20 years old, and customized or personalized musical instruments.

13. Scale models (including, but not limited to, architectural models and dollhouses) and prototypes.

G. The maximum declared value for the contents of any FedEx Envelope or FedEx Pak is US\$500. Goods with a value (actual or declared) exceeding US\$500 should *not* be shipped in a FedEx Envelope or FedEx Pak. (This limitation does not apply to items shipped in the FedEx Clinical Pak or FedEx UN 3373 Pak.)

H. When the shipper sends more than one package on an airbill, the total declared value for all the packages moving on the airbill must be written in the appropriate section of the airbill. Our liability will be limited to the total declared value (not to exceed the per-package limit of US\$500 or US\$50,000 or the per-shipment limit of US\$2,000, as described in this section). The declared value for each package will be determined by dividing the total declared value by the number of packages on the airbill unless you provide verifiable evidence supporting a different allocation.

I. If a multiple-piece shipment is tendered to FedEx skidded, stackable, forkliftable, banded and/or shrinkwrapped as a single freight handling unit, the maximum declared value for that single freight handling unit is US\$50,000 and not US\$50,000 per package contained within that multiple-piece shipment.

J. The maximum declared value we offer for shipments tendered to FedEx using FedEx Stamps purchased from anyone other than FedEx is US\$100.

K. The maximum declared value for FedEx Print Return Label and FedEx Email Return Label shipments is US\$1,000 for FedEx First Overnight, FedEx Priority Overnight, FedEx Standard Overnight, FedEx 2Day A.M. and FedEx 2Day, and US\$50,000 for FedEx 2Day Freight and FedEx 3Day Freight. The maximum declared value for FedEx ExpressTag shipments is US\$50,000. We are not liable for any damage to a shipment or any claim arising out of the use of a return option unless the shipment was lost during delivery or there was visible damage noted by the FedEx courier at the time of delivery. We are not liable for any concealed damage to items returned using FedEx Print Return Label, FedEx Email Return Label, FedEx ExpressTag or FedEx Stamps. Receipt of the shipment by the recipient without notice of damage on delivery is *prima facie* evidence that the shipment was delivered in good condition. Our liability for any loss or damage will not exceed the actual amount of the damage or the declared-value amount, whichever is lower. All other terms and conditions related to FedEx Express claims regulations apply for shipments sent via a FedEx return option.

L. ANY EFFORT TO DECLARE A VALUE IN EXCESS OF THE MAXIMUMS ALLOWED IN THE FEDEX SERVICE GUIDE IS NULL AND VOID. OUR ACCEPTANCE FOR CARRIAGE OF ANY SHIPMENT BEARING A DECLARED VALUE IN EXCESS OF THE ALLOWED MAXIMUMS DOES NOT CONSTITUTE A WAIVER OF ANY PROVISION OF THE FEDEX SERVICE GUIDE AS TO SUCH SHIPMENT.

M. REGARDLESS OF THE DECLARED VALUE OF A PACKAGE, OUR LIABILITY FOR LOSS, DAMAGE, DELAY, MISDELIVERY, NONDELIVERY, MISINFORMATION, ANY FAILURE TO PROVIDE INFORMATION, OR MISDELIVERY OF INFORMATION, WILL NOT EXCEED A SHIPMENT'S REPAIR COST, ITS DEPRECIATED VALUE OR ITS REPLACEMENT COST, WHICHEVER IS LESS.

N. The shipper is responsible for accurately completing the airbill or other shipping documents, including completion of the declared-value section. We cannot honor requests to change the declared-value information on the airbill.

O. See the Liabilities Not Assumed section for other limitations and exclusions on our liability.

P. Additional restrictions may apply to a shipment if sent pursuant to an airline interline agreement.

Q. In the event that FedEx Office procures, accepts tender of, performs, or otherwise undertakes the transportation, delivery or release of a package by FedEx Express, whether directly or indirectly, FedEx Office shall have the benefit of every right, defense, limitation and liberty of whatsoever nature contained in these terms and conditions or otherwise available to FedEx Express as if such provision were expressly for its benefit.

Delivery Signature Options

FedEx offers Delivery Signature Options for shippers. Not available for all shipments or to all destinations.

- A. **Indirect Signature Required.** FedEx will obtain a signature in one of three ways:
1. From someone at the delivery address; or
 2. From a neighbor, building manager or other person at a neighboring address; or
 3. The recipient can sign a FedEx door tag or utilize FedEx Delivery Manager to authorize release of the package without anyone present.

If delivery cannot be completed in these ways, FedEx may reattempt delivery.

FedEx Express Terms and Conditions

U.S. Shipments

(Delivery Signature Options, cont.)

- B. Direct Signature Required.** FedEx will obtain a signature from someone at the delivery address. If no one is at the address, FedEx may reattempt delivery.
- C. Adult Signature Required.** FedEx will obtain a signature from someone at least 21 years old (government-issued photo identification required) at the delivery address. If there is no eligible recipient at the delivery address, FedEx may reattempt delivery.
- D.** Shipments to residential addresses may be released without obtaining a signature. If you require a signature for a residential shipment, select one of the Delivery Signature Options.
- E.** Indirect Signature Required is not available for shipments to nonresidential addresses.
- F.** Choosing a delivery signature option overrides a signature release. (See the Signature Release section.)
- G.** FedEx will assess the delivery signature charge if the shipper requests the Delivery Signature Option, even if a signature is not obtained, the option requested is not available or FedEx is unable to provide a copy of the signature obtained at delivery.
- H.** Also see the Liabilities Not Assumed, Pickup and Delivery, and Routing and Rerouting sections.

Dimensional Weight (Volumetric Weight)

Transportation charges may be assessed based on dimensional weight, which is a volumetric standard. Dimensional-weight pricing is applicable on a per-package or per-shipment basis to all shipments in customer packaging. FedEx packaging may also be subject to dimensional-weight pricing. If the dimensional weight exceeds the actual weight, charges based on the dimensional weight will be assessed. Customers who fail to apply the dimensional-weight calculation to a package may be assessed dimensional-weight charges from FedEx. See the Dimensional Weight description in the Fees and Other Shipping Information section of the FedEx Service Guide for additional details.

Extra-Large Packages

Pieces weighing less than 151 lbs. that exceed 165 inches in length and girth combined ("extra-large" packages) may be accepted as FedEx Express Freight U.S. shipments. These pieces do not have to be palletized (skidded), stackable or forkliftable. Dimensional-weight pricing is applicable on a per-freight-handling-unit basis for extra-large packages. The chargeable weight is the greater of the actual weight or dimensional weight for extra-large packages and is applied on a per-freight-handling-unit basis. Each freight handling unit is also subject to a minimum billable weight of 151 lbs. regardless of its actual weight.

The length and girth of a package is length plus (2 times the height) plus (2 times the width). If the dimension includes a fraction, a fraction of one-half or greater will be rounded up to the next whole number; less than one-half will be rounded down to the next whole number.

Firearms

- A.** FedEx Express will transport and deliver firearms, antique firearms and replica firearms, all as defined by the United States Gun Control Act of 1968, as well as muzzleloaders and black powder firearms (collectively "firearms"), between areas served in the U.S., but only between:
- Licensed importers; licensed manufacturers; licensed dealers; licensed collectors; law enforcement agencies of the U.S. or any department or agency thereof; and law enforcement agencies of any state or any department, agency or political subdivisions thereof; or
 - Where not prohibited by local, state and federal law, from individuals to licensed importers, licensed manufacturers or licensed dealers (and return of same).
- B.** If your shipment contains firearms, select the Direct Signature Required or Adult Signature Required Delivery Signature Option, depending on the requirements of your shipment. See the Delivery Signature Options section for details. Firearms shipments are not eligible for signature release or indirect delivery.
- C.** Firearms must be shipped via FedEx Priority Overnight service. FedEx Express cannot ship or deliver firearms C.O.D. Firearms shipments cannot be placed in a FedEx Drop Box. Firearms shipments are not eligible to be held at Hold at Location facilities.
- D.** Upon presenting the package for shipment, the person tendering the shipment to FedEx Express is required to notify FedEx Express that the package contains a firearm. The outside of the package must not be marked, labeled or otherwise identify that the package contains a firearm.
- E.** The shipper and recipient must be of legal age as identified by applicable law.
- F.** The shipper and recipient are required to comply with all applicable government regulations and laws, including those pertaining to labeling. The Bureau of Alcohol, Tobacco, Firearms and Explosives can provide assistance.

- G.** FedEx Express will transport ammunition when packed and labeled in compliance with local, state and federal law, and the Dangerous Goods section of this Service Guide. Ammunition is an explosive and must be shipped separately as dangerous goods. You agree not to ship loaded firearms or firearms with ammunition in the same package.

Fuel Surcharge

We reserve the right to assess fuel and other surcharges on shipments without notice. The duration and amount of any surcharge will be determined at our sole discretion. By tendering your shipment to FedEx, you agree to pay the surcharges, as determined by FedEx. The fuel surcharge rate, if applicable, is available on fedex.com.

Inspection of Shipments and Identification Requirement

We may, at our sole discretion, open and inspect any shipment without notice. We may, at our sole discretion, require the shipper to provide their government-issued photo identification prior to tendering a package to FedEx.

Liabilities Not Assumed

FEDEX EXPRESS WILL NOT BE LIABLE FOR ANY DAMAGES IN EXCESS OF THE DECLARED VALUE OF A SHIPMENT, WHETHER OR NOT FEDEX EXPRESS KNEW OR SHOULD HAVE KNOWN THAT SUCH DAMAGES MIGHT BE INCURRED.

In no event shall FedEx Express, including, without limitation, agents, contractors, employees and affiliates, be liable for any special, incidental or consequential damages, including, without limitation, loss of profits or income, whether or not FedEx Express had knowledge that such damages might be incurred.

- Our compliance or noncompliance with verbal or written delivery instructions from the sender, recipient or persons claiming to represent the shipper or recipient, including requests made by the recipient for delivery options using FedEx Delivery Manager.
- Our compliance or noncompliance with any request to intercept a shipment in transit, or to prevent delivery.
- Damage or loss of articles packaged and sealed by the sender or by person(s) acting at the sender's direction, provided the seal is unbroken at the time of delivery, the package retains its basic integrity, and the recipient accepts the shipment without noting the damage on the delivery record.
- Erasure of data from or the loss or irretrievability of data stored on magnetic tapes, files or other storage media, or erasure or damage of photographic images or soundtracks from exposed film.
- The loss of any personal or financial information including, but not limited to, social security numbers, dates of birth, driver's license numbers, credit card numbers and financial account information.

HH. Loss or damage to alcohol shipments unless an approved packaging type is used or FedEx Packaging Design and Development has preapproved your packaging prior to shipment. See the Alcoholic Beverages section for further information.

II. Dangerous-goods shipments that the shipper did not properly declare, including proper documentation, markings, labels and packaging. FedEx Express will not pay a claim on undeclared or hidden dangerous goods and the FedEx Money-Back Guarantee does not apply.

JJ. FedEx will not be liable for the failure to provide any services or service options where our records do not reflect that the services or service options were selected by the shipper.

KK. Your use of FedEx customer automation systems or software versions that are no longer supported by FedEx, or your failure to update or upgrade FedEx customer automation hardware or software as provided or directed by FedEx from time to time.

Limitations on Legal Actions

Any right you might have to damages, refunds, credits, recovery of reliance interests, disgorgement, restitution, injunctive relief, declaratory relief or any other legal or equitable relief whatsoever against us under any cause of action arising from the transportation of any package pursuant to the FedEx Service Guide shall be extinguished unless you file an action within one year from the date of delivery of the shipment or from the date on which the shipment should have been delivered.

Any right that you might have to damages, refunds, credits, recovery of reliance interests, disgorgement, restitution, injunctive relief, declaratory relief or any other legal or equitable relief whatsoever against us under any cause of action arising from the transportation of any package pursuant to the FedEx Service Guide shall be extinguished unless you first comply with all applicable notice periods and requirements in these terms and conditions including, but not limited to, the periods and requirements for providing notice under the Billing, Claims and Money-Back Guarantee Policy sections. You and we understand that timely and complete compliance with such notice periods and requirements is a contractual condition precedent to your right to any relief whatsoever, and you must plead compliance with those conditions precedent on the face of any complaint that you file against us. You and we agree that FedEx cannot be considered to have breached any obligation to you unless or until we wrongfully deny a claim submitted to us pursuant to the notice periods and requirements contained in these terms and conditions. Finally, you and we agree that you will comply with applicable notice periods and requirements even if you believe that such compliance will not result in relief from us or if you lack knowledge regarding whether such compliance will result in relief from us.

You agree that you will not sue us as a class plaintiff or class representative, join as a class member, or participate as an adverse party in any way in a class-action lawsuit against us. Nothing in this paragraph, however, limits your rights to bring a lawsuit as an individual plaintiff.

To the extent that any court finds that state rather than federal law applies to any provision of this contract, the controlling law is the substantive law of the state in which you tendered your shipment to us.

The performance of any services does not make us an agent of the shipper or any third party for any purpose.

Money-Back Guarantee Policy

We offer a money-back guarantee for our services. This guarantee can be suspended, modified or revoked at our sole discretion without prior notice to you.

A. Money-Back Guarantee. At our option, we will, upon request, either refund or credit your transportation charges in the event of a service failure (which means delivery of your package 60 seconds or more after the published delivery commitment time for the selected service and destination, except as otherwise described in these terms and conditions). This money-back guarantee is your exclusive remedy in the event of a service failure for the recovery of all or any portion of the FedEx charges for a shipment. If the money-back guarantee is suspended, there is no remedy or recovery of charges for a service failure. There are no delivery commitments for shipments on which the money-back guarantee is suspended.

B. Limitations. The following limitations apply:

1. Credits for transportation charges will be applied to the payer's account only, and refunds will be made payable to the payer only.
2. Only one refund or credit is permitted per package. In the case of multiple-piece shipments, the money-back guarantee applies to each package in the shipment. If a service failure occurs for any package within the shipment, a refund or credit will be given only for the portion of the transportation charges applicable to that package.
3. The money-back guarantee for package services destined for areas outside our primary service areas applies only to the portion of the transportation provided directly by us. The money-back guarantee for FedEx Express Freight services destined for areas outside our primary service areas applies to the portion of the transportation provided directly by us and may also apply to the portion of the transportation provided by the cartage agent (see the Cartage Agent section for details).

FedEx Express Terms and Conditions

U.S. Shipments

(Money-Back Guarantee Policy, cont.)

4. Shipments scheduled for delivery on a holiday will be delivered the next business day. Observance of local holidays (e.g., Mardi Gras, St. Patrick's Day) may cause delivery delays. In both circumstances, the delivery commitment for application of the money-back guarantee policy will be extended for a period equal to the length of the holiday.
5. If a delivery later than the original delivery commitment time is requested by the shipper or recipient before the first delivery attempt is made, the delivery commitment time for application of the money-back guarantee policy will be adjusted to account for the requested delivery date and/or time.
6. If the shipper or recipient informed FedEx that the recipient location is closed on a certain day or at a certain time, the delivery commitment time for application of the money-back guarantee policy will be the next business day at the delivery commitment time for the service originally selected.

C. Exceptions. FedEx will not be obligated to refund or credit your transportation charges if:

1. We provide you with proof of timely delivery, consisting of the date and time of delivery and, if applicable, the name of the person who signed for the shipment, or service-exception information reflecting that the failure to deliver timely resulted from circumstances described under the Liabilities Not Assumed section.
2. The service failure resulted, in whole or in part, from any of the circumstances described under the Liabilities Not Assumed section.
3. The payer's FedEx account number was not in good credit standing, or payment instructions were invalid, and delivery was delayed until payment arrangements were secured.
4. The shipment was scheduled for delivery on the Wednesday immediately prior to Thanksgiving via any FedEx Express U.S. or FedEx Express Freight U.S. service, and was delivered within 90 minutes of the published delivery commitment time for the selected service and destination.
5. The shipment was scheduled for delivery during the seven calendar days before Christmas Day via any FedEx Express U.S. or FedEx Express Freight U.S. service, and was delivered by the end of the day on the published delivery commitment date for the selected service and destination.
6. The shipment was rerouted from the delivery address to a Hold at Location address.
7. The shipment was undeliverable or returned.
8. The shipment contained dangerous goods or dry ice.
9. The shipment was delayed due to an incorrect address or ZIP code or the unavailability or refusal of an appropriate or eligible person to accept delivery or sign for the package.
10. The shipment was delayed due to security or other regulatory delays, including permanent, regular, or daily security procedures at the recipient location.

D. Refund or Credit Requests. To qualify for a refund or credit due to a service failure, you must notify us of the service failure and request a refund or credit of your transportation charges in compliance with the conditions listed below. If you do not comply with these conditions, you are not entitled to receive a refund or credit and cannot recover compensation for a service failure in any lawsuit.

1. You may request a refund or credit of transportation charges due to a service failure in the following ways:
 - a. Use our internet application FedEx Billing Online at fedex.com if you are a registered user; or
 - b. Submit your request through the invoice adjustment feature at fedex.com; or
 - c. Submit the request via our telephone invoice adjustment system at 1.800.GoFedEx 1.800.463.3339 (say "billing").
 - d. For FedEx SameDay or FedEx SameDay Freight requests, submit your request via our telephone billing option at 1.800.399.5999.

Note: Requests for a refund of FedEx Delivery Manager delivery-option fees must be made by the recipient online at fedex.com/billingadjustment. See FedEx Delivery Manager Terms in the fedex.com Terms of Use.

2. Your notification of a service failure must include your FedEx account number, if any; the FedEx tracking number; and the date of the shipment.
3. All requests for refund or credit of transportation charges must be received via one of the approved channels within 15 calendar days of the invoice date or within 15 calendar days from the ship date if you are paying by credit card or in advance by cash, check or money order.
4. A partial payment against an invoice is not considered a request for invoice adjustment or notice of a refund request. A notification of the reason for an unpaid charge with your payment is not considered a request for an invoice adjustment or notice of a refund request if the reason relates to a service failure.

Overweight Packages

If a package weighing more than 150 lbs. is incorrectly marked on the airbill or entered into any electronic shipping device as either FedEx First Overnight, FedEx Priority Overnight, FedEx Standard Overnight, FedEx 2Day A.M., FedEx 2Day or FedEx Express Saver, then we may audit and correct the service to an available FedEx Express Freight service. Terms and conditions of the applicable FedEx Express Freight service will apply. If a package weighing more than 150 lbs. is inadvertently tendered for FedEx First Overnight, FedEx Priority Overnight, FedEx Standard Overnight, FedEx 2Day A.M., FedEx 2Day or FedEx Express Saver, an additional charge of US\$2 per pound will be assessed for each pound in excess of 150 lbs. If a package weighing more than 150 lbs. is inadvertently tendered for FedEx Priority Overnight or FedEx 2Day to or from Puerto Rico, an additional charge of US\$2.25 per pound will be assessed for each pound in excess of 150 lbs.

Package Consolidators (Including FedEx Authorized ShipCenter Locations, and FedEx ShipSite Locations at Office Depot and OfficeMax)

Package Consolidators are responsible for complying with all applicable requirements in these terms and conditions.

If you tender packages to a Package Consolidator instead of to us directly, the following limitations apply:

- A. Package Consolidators are not agents of FedEx, and we are not responsible for any errors or omissions made by them.
- B. Package Consolidators may submit claims for refunds or credits for shipping charges under the money-back guarantee policy. Neither the person or entity tendering the package to the Package Consolidator nor the recipient is eligible for refunds or credits under the money-back guarantee policy.
- C. In order for a Package Consolidator to receive packaging supplies from FedEx, the Package Consolidator must first enter into a Packaging and Pricing Agreement or a FedEx Authorized ShipCenter Agreement with FedEx.
- D. Package Consolidators may charge FedEx Retail Rates for FedEx shipping services, but they are not required to. Package Consolidators set their own rates for reselling FedEx services.
- E. FedEx assumes no liability, other than to the Package Consolidator, for lost, damaged or delayed shipments tendered to a Package Consolidator, as the Package Consolidator is the shipper of these packages. Package Consolidators are independently owned and operated businesses.
- F. See the Package Consolidator representative for information regarding rates and services and the terms and conditions of carriage. Inquiries or claims regarding shipments tendered to a Package Consolidator must also be directed to the Package Consolidator.
- G. As directed by FedEx, Package Consolidators must require a government-issued photo ID to validate the identity of their customer and must keep a record of the name and address on the ID of their customer for each package.

Package Restrictions (Size and Weight)

The maximum limits for FedEx Express U.S. packages are 150 lbs. and 119 inches in length and 165 inches in length and girth. Packages that weigh 150 lbs. or less and exceed 96 inches in length or 130 inches in length and girth will be considered "oversize" packages. Oversize packages will be rated based on the greater of the package's actual rounded weight or dimensional weight, subject to a 90-lb. minimum billable weight. In addition, an oversize charge will apply; see Rates in the FedEx Service Guide.

Packages that exceed 119 inches in length and 165 inches in length and girth may be refused or, if found in the express package network, may be considered for transportation at our sole discretion. These packages also will be rated based on the greater of the package's actual rounded weight or dimensional weight, subject to a 90-lb. minimum billable weight, and an oversize charge will apply.

The length and girth of a package is length plus (two times the height) plus (two times the width). If the dimension includes a fraction, a fraction of one-half or greater will be rounded up to the next whole number; less than one-half will be rounded down to the next whole number.

FedEx Express Terms and Conditions

U.S. Shipments

Packaging and Marking

- A.** You must comply with all applicable local, state and federal laws, including those governing packing, marking and labeling for all shipments.
- B.** All packages must be prepared and packed by the shipper for safe transportation with ordinary care in handling in an express-transportation environment. Any articles susceptible to damage as a result of conditions that may be encountered in transportation, such as changes in temperature or atmospheric pressure, must be adequately protected by proper packaging. Each shipment must be legibly and durably marked with the name, address and ZIP code of both the shipper and the recipient. Packages cannot be wrapped in kraft paper.
- C.** You must use FedEx packaging or new corrugated boxes in good, rigid condition large enough to allow cushioning of contents on the top, bottom and sides. For guidelines on packaging specific commodities go to fedex.com/packaging. Items that cannot be packed into cartons (such as auto tail pipes, mufflers, tires and rims) must have all sharp edges and protrusions wrapped, and the address label must be secured using the tie-on tag or the tire/crate label provided by FedEx (or you may secure it by wrapping pressure-sensitive tape completely around the object). Briefcases, luggage, garment bags, aluminum cases, plastic cases, computer cartons or similar types of items whose outer finish might be damaged by adhesive labels, soiling, marking or other types of surface damage that is normal with ordinary care in handling should be placed in a protective container for shipment. Casters, wheels and rollers must be removed or packaged.
- D.** FedEx Express Saver shipments cannot use the FedEx Small Box, FedEx Medium Box, FedEx Large Box, FedEx Extra Large Box or FedEx Tube, unless rated with FedEx One Rate pricing.
- E.** Expanded polystyrene foam coolers must be shipped inside a sturdy outer container unless tested and approved for acceptance by FedEx Packaging Design and Development. Information on how to submit your packaging for testing is available at fedex.com/packaging. Expanded polystyrene foam coolers containing blood, urine and other non-infectious liquid clinical specimens must be shipped inside a sturdy outer packaging.
- F.** If a shipment is refused by the recipient, leaks or is damaged, the shipment will be returned to the sender if possible. If the sender refuses to accept the returned shipment or it cannot be returned because of leakage, or damage due to faulty packaging, the shipper is responsible for and will reimburse FedEx for all costs and fees of any type connected with the legal disposal of the shipment, and all costs and fees of any type connected with cleanup of any spill or leakage.
- G.** FedEx does not recommend the use of wet ice (frozen water) as a refrigerant. Packages containing wet ice must be prepared to prevent the leakage of any liquid, regardless of package orientation. For additional wet-ice packaging requirements, refer to the packaging guide Packaging Perishable Shipments at fedex.com/packaging.
- H.** FedEx reserves the right to request a shipper to submit a representative sampling of the packaging for inspection and testing. If the shipper fails to comply with our request to inspect and test the packaging, or the sampling fails FedEx testing, FedEx will not be liable for any damages due to improper packaging.
- I.** FedEx may issue written notice to you if you repeatedly fail to adhere to FedEx's packaging requirements due to your pattern or practice of insufficient packaging. Claims for damage or loss associated with an identified pattern or practice of insufficient packaging will be denied. Any such claim filed related to your shipments will not be paid, regardless of which party files the claim, unless the claimant can establish that the loss or damage did not result from a failure to use proper packaging. FedEx will continue to deny such claims until we determine that you have ceased the pattern or practice of failing to adhere to the packaging requirements. Nothing in this paragraph is intended to limit FedEx's right to deny a claim where the shipment in dispute is found to have improper packaging.
- J.** Information on how to submit your packaging for testing or evaluation, and tips on packaging specific commodities (including automotive and mechanical parts, computers and perishables), are available at fedex.com/packaging.
- K.** For FedEx Express Freight shipments, freight must be on a skid, pallet or other forkliftable base. Boxes should be stacked squarely on the skid without hanging over the edge, and the weight should be distributed evenly on the skid to avoid excess weight being placed on materials inside the cartons. Use 70-gauge stretch wrap and pass a minimum of two bands (tightly secured) through the skid voids and around all cartons.
- L.** FedEx account holders may order supplies via fedex.com or by calling 1.800.GoFedEx 1.800.463.3339 (say "order shipping supplies").

Perishables

Shipments containing perishable articles must be packaged for a minimum transit time of at least 12 hours greater than our delivery commitment time for the shipment. Perishables coming from Hawaii to the continental U.S. must be packaged for additional transit time. Shipping perishable articles over a weekend or holiday is discouraged, and packaging such shipments for longer transit times is required. We recommend that you ship perishable items via FedEx First Overnight, FedEx Priority Overnight, FedEx First Overnight Freight or FedEx 1Day Freight, and have your proposed packaging evaluated by FedEx Packaging Design and Development. Information on how to submit your packaging for evaluation is available at fedex.com/packaging. Your failure to use proper packaging releases us from any liability for spoiled perishables that we would otherwise assume (see the Liabilities Not Assumed section).

Pharmaceuticals

You are responsible for complying with all applicable local, state and federal laws, regulations, ordinances and rules governing the shipment of pharmaceuticals. Packages containing pharmaceuticals must not have labels, markings or other written notice that a pharmaceutical is contained within. Select the Direct Signature Required Delivery Signature Option if you require FedEx to obtain a signature from someone at the delivery address, or the Adult Signature Required Delivery Signature Option if you require an adult signature for delivery. See the Delivery Signature Options section for details.

Pickup and Delivery

- A.** We do not offer a restricted-delivery service and may deliver to someone other than the person or entity named as the recipient. We also may make an indirect delivery. Indirect delivery is a completed delivery to an address or location other than the address on the airbill and includes shipments delivered via Indirect Signature Required service. Packages cannot be delivered to P.O. boxes or P.O. box ZIP codes. Package addresses must include the complete street address and ZIP code of the recipient.
- B.** If our first delivery attempt of a shipment to a non-residential address is unsuccessful, we may make two additional attempts on the following two consecutive business days. If a package still cannot be delivered, we may hold it for two additional business days and may research its status with the sender, recipient, or both, and receive further instruction. After that time, we will return it to the sender as undeliverable.
- C.** Shipments to hotels, hospitals, government offices or installations, university campuses, or other facilities that utilize a mailroom or other central receiving area will be delivered to the central receiving area, unless otherwise authorized and approved by FedEx.
- D.** Any person scheduling a pickup other than the sender must provide a FedEx account number in good credit standing; otherwise, the pickup must be scheduled by the sender. We require a minimum of two hours from the time the shipment(s) will be ready to make the pickup. (Contact FedEx Customer Service for the specific lead times required.) Repeated pickup attempts without packages being ready may result in the cancellation of pickup privileges.
- E.** Proof of pickup is available upon request. You must provide the pickup number or FedEx tracking number (also known as the airbill number). We will not provide proof of pickup unless you provide this information.
- F.** At our sole discretion, we may refuse to pick up or deliver a shipment (package or freight), or use alternative pickup or delivery arrangements, to maintain the safety of our employees and in cases in which we believe that our services may be used in violation of local, state or federal laws.
- G.** Additional charges may apply for late-hours, weekend or holiday pickup and delivery.
- H.** Pickup and delivery may not be available in all areas.
- I.** A return pickup surcharge applies for FedEx Print Return Label, FedEx Email Return Label and FedEx Express Billable Stamp shipments.
- J.** In order to facilitate delivery or release of a shipment, FedEx may, at its sole discretion, contact the recipient to obtain delivery instructions, or to notify them that a delivery is scheduled, that a delivery has been completed or that a shipment is available for pickup at a Hold at Location facility. FedEx may also accept requests for delivery options from a recipient using FedEx Delivery Manager.
- K.** At its discretion, FedEx may not deliver or attempt delivery within the delivery commitment time of the service requested, if the shipper or recipient requested a later delivery or informed FedEx that the recipient is closed during the delivery commitment time. In this situation, charges will be assessed based on the service initially selected by the shipper. The shipper or payer is responsible for communicating with the recipient regarding requested later delivery times and is responsible for knowing the days and times that the recipient location can accept FedEx deliveries.

FedEx Express Terms and Conditions

U.S. Shipments

(Pickup and Delivery, cont.)

L. If a shipper tenders packages that substantially exceed the number, type, size and/or weight of packages tendered on average for the location by the shipper throughout the year, FedEx may accept such packages but, at its sole discretion, suspend the FedEx Money-Back Guarantee, if applicable, or adjust commitment times.

M. We reserve the right to assess a Residential Delivery surcharge on any shipment delivered to a home or private residence, including locations where a business is operated from a home, or on any shipment in which the shipper has designated the delivery address as a residence, including shipments where the delivery location has been designated as Residential Delivery in error.

Plants and Plant Materials

You must ship plants and plant materials, including seedlings, plant plugs and cut flowers, in accordance with applicable local, state and federal laws. Packages containing these items may be inspected by government agencies, which may result in a delay in delivery or seizure by government inspectors. FedEx Express is not liable or responsible for damage, refunds or credits resulting from such delays or seizures. (See the Liabilities Not Assumed and Money-Back Guarantee Policy sections.) See guidelines on packaging specific commodities at fedex.com/packaging.

Prohibited Items

You are prohibited from tendering the following items for shipment, and you agree not to do so:

- a. Cash and currency.
- b. Live animals, except as provided in the Animals, Ornamental Marine Life (Including Live Fish) and Animal Carcasses section. - e. Shipments that require us to obtain a local, state or federal license for their transportation.
- f. Shipments that may cause damage or delay to equipment, personnel or other shipments.
- g. Items resembling a bomb, hand grenade or other explosive device, except as provided in the Dangerous Goods section. This includes, but is not limited to, inert products such as novelty items, training aids and works of art.

- n. Packages that are wet, leaking or emit an odor of any kind.
- o. Live insects.
- p. Shipments or commodities that are prohibited by applicable local, state or federal law.
- q. Counterfeit goods, including, but not limited to, goods under a trademark that is identical to or substantially indistinguishable from a registered trademark, without the approval or oversight of the registered trademark owner (also commonly referred to as "fake goods" or "knock-offs").
- r. Tobacco and tobacco products, including but not limited to cigarettes, cigars, loose tobacco, smokeless tobacco, hookah or shisha.
- s. Marijuana, as defined by U.S. federal law, 21 U.S.C. 802(16), including marijuana intended for recreational or medicinal use and cannabidiol ("CBD"); any product that contains any amount of tetrahydrocannabinols ("THC"), except as set out in 21 CFR 1308.35; and synthetic cannabinoids.
- t. Any substance that has not been approved for a medical use by the U.S. Food and Drug Administration and also has been listed as a Drug or Chemical of Concern by the U.S. Drug Enforcement Administration, including, but not limited to, Kratom and Salvia Divinorum.

- u. Waste or garbage for disposal.

 - Live animals, regardless of any approval as provided in the Animals, Ornamental Marine Life (Including Live Fish) and Animal Carcasses section. Edible seafood is accepted; see (b) above.
 - Plants and plant materials.

Notwithstanding any other provision of the FedEx Service Guide, we are not liable for delay of, loss of or damage to a shipment of any prohibited item. The shipper agrees to indemnify FedEx for any and all costs, fees and expenses FedEx incurs as a result of the shipper's violation of any local, state or federal laws or regulations or from tendering any prohibited item for shipment.

Proof of Delivery

- A. We will, when available, provide proof-of-delivery information for packages delivered within our primary service areas when requested by the sender, recipient or third-party payer within 18 months of the shipping date. We assume no liability for our inability to provide a record of the proof of delivery. We assume no liability for our inability to provide documentation of the proof-of-delivery phone call for FedEx SameDay service.
- B. When available, we may also provide an image of the signature proof of delivery online at fedex.com. We will, when available and when requested by the sender, recipient or third-party payer, provide an image of the recipient's signature along with other delivery information that is available in electronic form. The signature proof of delivery is available online at fedex.com or via FedEx Ship Manager software or electronic data interchange (EDI). If requested, we will send to the shipper, recipient or third party a copy of the signature proof of delivery via fax, or via FedEx Standard Overnight Envelope for a special handling fee (see Rates in the FedEx Service Guide for details).
- C. For FedEx SameDay service, we will, if requested, phone the shipper to provide the time of delivery and name of the person who received the delivery. Two attempts are made to contact the shipper within two hours of delivery. If unsuccessful, FedEx has no further obligation to the customer with respect to proof of performance.

Rate Quotations

Rates and service quotations provided to you by FedEx, including but not limited to, rates and service quotations provided by our employees, agents, interactive voice response systems and customer automation platforms are estimates and will be based upon information provided by you, but final rates and service charges may vary from the quotes based upon the characteristics of the shipment actually tendered to us and the application of these terms and conditions. Any conflict or inconsistency between the FedEx Service Guide and other written or oral statements or quotes (except those found in a FedEx Sales or FedEx Express Customer Automation agreement) concerning the rates, features of service, and terms and conditions applicable to FedEx Express service will be controlled by the FedEx Service Guide, as modified, amended, changed or supplemented. We are not liable for, nor will any adjustment, refund or credit of any kind be made, as a result of any discrepancy in any rate or service quotation made prior to tender of the shipment and the rates, and other charges that we invoice to you. Rates quoted will vary depending on whether (1) the shipper is a FedEx account holder and (2) the shipper has discounts applied to his or her account.

- Shippers will be quoted FedEx Standard List Rates if they have a valid FedEx account, do not have discounts applied to their account and if they charge their shipping to their account.
- Shippers will be quoted Account-Specific Rates if they have a valid FedEx account, have discounts applied to their account and if they charge their shipping to their account.
- Shippers will be quoted FedEx Retail Rates for shipments originating in the U.S. that are paid for by cash, check, debit or credit card instead of being charged to a valid FedEx account.
- Shippers may request FedEx One Rate pricing for qualifying FedEx Express shipments as an alternative to FedEx Standard List Rates, Account-Specific Rates or FedEx Retail Rates. See the FedEx One Rate information in the Find Your Rate section of this Service Guide for details.

FedEx Express Terms and Conditions

U.S. Shipments

Refusal or Rejection of Shipments

We reserve the right to refuse, hold or return any shipment and may do so at our sole discretion and without liability to us. We will execute that right when (but not limited to cases in which): (1) the shipment may cause damage or delay to other shipments, property or personnel; (2) the shipment is likely to sustain damage or loss in transit because of improper packaging or otherwise; (3) the shipment contains any prohibited items; (4) the account of the person or entity responsible for payment is not in good credit standing; (5) when acceptance of the shipment may jeopardize our ability to provide service to other customers; or (6) when FedEx is unable to validate the identity of the shipper. We have no liability whatsoever for refusal or rejection of shipments.

Return Options

FedEx Express return options are subject to all other terms and conditions provided in the FedEx Express claims regulations, and as a whole, these terms and conditions. The contents of a return shipment are subject to the same restrictions and prohibited-item limitations as the original shipment.

FOR FEDEX RETURNS, NOTWITHSTANDING ANY PAYMENT INSTRUCTIONS THAT ARE GIVEN TO FEDEX, THE PARTY THAT INITIATES A RETURN SHIPMENT TRANSACTION WITH FEDEX IS ULTIMATELY LIABLE FOR, WILL BE BILLED FOR, AND AGREES TO PAY, ALL CHARGES AND PICKUP FEES, INCLUDING ANY SPECIAL HANDLING FEES, REGARDLESS OF ANY PAYMENT INSTRUCTIONS TO THE CONTRARY, IF THE SENDER OR THIRD PARTY FAILS OR REFUSES TO PAY.

Routing and Rerouting

FedEx may accept a request to reroute a shipment subject to the following conditions:

1. A special handling charge will be billed to the account number specified on the FedEx airbill for each rerouted package, and it will appear as an address correction on the invoice. This charge will not be applied when a package is changed to Hold at Location and the FedEx location is in the same city as the city on the airbill. Otherwise, the special handling charges will apply. See Rates in the FedEx Service Guide for details.
2. To reroute a shipment, the sender must call 1.800.GoFedEx 1.800.463.3339 and provide us with a FedEx account number, the FedEx tracking number, the new destination and a valid contact telephone number for the recipient. A reroute to Hold at Location can also be requested through fedex.com.
3. We may not honor a reroute request from the recipient other than to Hold at Location within the original destination city.
4. Our money-back guarantee policy does not apply to shipments that are rerouted. We have no liability or any remedy for service failure for these shipments.
5. Only one reroute will be allowed per package.
6. We may require photo identification of the person authorized to pick up the package.
7. FedEx may not reroute shipments when Adult Signature Required has been selected or applied as a delivery signature option.
8. Dangerous goods may not be rerouted to an address other than the original intended-recipient's address provided by the shipper. (*Note:* Shipments may be made available as hold for pickup or be returned to the sender.)
9. Any requested change to an address that is not a reroute or an address correction is a new shipment, and new shipping charges will apply.

We will determine the routing of all shipments, including the mode of transportation used, and may use air transportation, ground transportation or any combination thereof in providing our services. We reserve the right to divert any shipment (including use of other carriers) in order to facilitate its delivery.

Note: This section does not apply to requests made by the recipient using FedEx Delivery Manager to request delivery to another address. See FedEx Delivery Manager Terms in the fedex.com Terms of Use.

Service Areas

Service areas are subject to change without notice. For current service area information on selected ZIP codes, please call 1.800.GoFedEx 1.800.463.3339.

Signature Releases

A. Shipments with a declared value of less than US\$500 may be delivered and released without obtaining a signature when the sender has authorized a release or, at our sole option, upon oral or written instruction from the sender or recipient. A shipment may also be released without a signature if the recipient has provided authorization by signing the Release Delivery Authorization and Indemnification Agreement for Recipients (obtained through your local FedEx Ship Center or your FedEx account executive) or online using FedEx Delivery Manager. We may authorize shipments released without signature to those with accounts in good credit standing and to those who otherwise have established a satisfactory payment history. We also reserve the right to release packages at residential delivery locations without obtaining a signature, provided that none of the restrictions below apply.

B. At our sole discretion, some shipments may not be released without a delivery signature even when release is authorized, including, but not limited to:

1. Bill-recipient shipments when the recipient's FedEx account is not in good credit standing or is not indicated on the airbill.
2. Damaged shipments.
3. Dangerous goods shipments, except those with dry ice as the only dangerous goods in the shipment.
4. Firearms.
5. C.O.D. shipments.
6. Indirect deliveries.
7. Shipments billed to an invalid or missing credit card number.
8. Alcohol shipments.
9. One or more packages in a multiple-piece shipment if all packages cannot be safely released.
10. The delivery location or circumstances are unsuitable for release without signature as determined at our sole discretion.

C. At our sole discretion, shipments having a declared value of US\$500 or greater may not be released without a signature even where the release is otherwise authorized.

Tobacco and Tobacco Products

Tobacco and tobacco products are prohibited. Please see the Prohibited Items section.

Undeliverable Shipments

An undeliverable shipment is one that cannot be delivered for reasons that include, but are not limited to, any of the following:

- The recipient refuses to pay for a bill-recipient shipment.
- The recipient of a Hold at Location shipment cannot be located.
- The recipient refuses to accept the shipment prior to, during or after delivery.
- The recipient's delivery address cannot be located.
- The shipment was addressed to an area not served by FedEx.
- The shipment's contents or packaging are damaged to the point that rewrapping is not possible.
- The shipment would likely cause damage or delay to other shipments or property or injury to personnel.
- The shipment contains prohibited items.
- The recipient's place of business is closed.
- No appropriate person was available to accept the shipment at a delivery location on the initial delivery attempt or reattempts.
- The shipment was improperly packaged.

When practicable, we will contact the sender for instructions on returning or otherwise disposing of the shipment. If the sender requests return, it will travel by FedEx 2Day, FedEx Express Saver or FedEx Priority Overnight (shipping will be charged to the sender).

A. If a package shipment is undeliverable for any reason, we will attempt to notify the shipper to arrange for the shipment's return. The charges associated with the original shipment remain due and payable within 15 days from the invoice date. If a package is marked "Bill Recipient" and is refused or returned to the sender, the billing is automatically changed to "Bill Sender."

FedEx Express Terms and Conditions

U.S. Shipments

(Undeliverable Shipments, cont.)

B. Package shipments will be returned via FedEx Express Saver service at the shipper's expense unless contrary instructions are received from the shipper after five business days from the initial delivery attempt. However, nonfreight package shipments will be returned via FedEx Priority Overnight service at no additional charge if the shipment is undeliverable because of a service failure or damage to the shipment caused by FedEx. If the shipment is undeliverable for any other reason, all return charges and fees will be assessed to the original shipper, along with the original transportation charges and fees.

C. If a FedEx Express Freight shipment is marked "Bill Recipient" and is refused or returned to the sender, the billing is automatically changed to "Bill Sender."

All FedEx Express Freight shipments will be returned via FedEx 3Day Freight. The freight shipment will be returned at no additional charge if the freight shipment is undeliverable because of a service failure. If the shipper requests return via another service, our regular rates will apply. If the freight shipment is undeliverable because of a non-service-failure reason, all return charges and fees will be assessed to the original shipper, along with the original transportation charges and fees.

Our money-back guarantee policy does not apply to undeliverable or returned shipments.

D. Dangerous goods shipments will only be returned via FedEx Dangerous Goods Service or other appropriate means. A dangerous goods special handling fee applies. The shipper must supply a completed return airbill and all other required documentation.

E. FedEx reserves the right, at its sole discretion, and without notice, to sell, destroy or otherwise dispose of undeliverable shipments. By tendering a shipment, the shipper agrees to transfer and convey good and sufficient title of the contents of undeliverable shipments to FedEx, and agrees to pay any costs incurred in the sale, destruction or disposal thereof.

FedEx Express Terms and Conditions

International Shipments (U.S. Edition)

These FedEx Express Terms and Conditions, contained in the FedEx Service Guide, supersede all previous terms and conditions, amendments, supplements, and other prior statements concerning the rates and conditions of FedEx Express service to which these terms and conditions apply. The contract of carriage as expressed in these terms and conditions constitutes the entire agreement between the parties and supersedes all previous agreements and understandings, whether oral or written, between the parties or any agents, affiliates or subcontractors thereof (including FedEx Office and Print Services, Inc. and its agents, affiliates and employees ["FedEx Office"]) with respect to the subject matter hereof, and each party warrants that it has not relied and will not be relying upon any evaluation, representation or advice from the other party, its agents, affiliates or subcontractors (including any agents, affiliates or employees of FedEx Office) except representations expressly made in writing in these terms and conditions. The downloadable version (PDF) of the FedEx Express Terms and Conditions at fedex.com on the date of shipment is controlling.

The FedEx Service Guide consists of the service information at fedex.com/serviceguide and the overview of services in the downloadable FedEx Service Guide (U.S. and U.S. export); U.S., U.S. export, U.S. import and U.S. retail rates; these FedEx Express Terms and Conditions; the FedEx Ground Tariff; and the FedEx SameDay City Tariff. The service information at fedex.com/serviceguide (excluding rates, the FedEx Express Terms and Conditions, the FedEx Ground Tariff, and the FedEx SameDay City Tariff) and the overview of services in the downloadable FedEx Service Guide are not part of the contract of carriage. FedEx reserves the right to unilaterally modify, amend, change or supplement the FedEx Service Guide, including, but not limited to, the rates, services, features of service, and these terms and conditions, without notice. Only an officer in the Legal Department of FedEx Corporation or successor positions may authorize a supplement to, or modification, change or amendment of, the FedEx Service Guide. No other agent or employee of FedEx, its affiliates or subsidiaries, nor any other person or party, is authorized to do so. This restriction in modification does not apply to a modification applicable to a single customer and included in a FedEx Sales or FedEx Customer Automation agreement. To the extent a conflict exists between a FedEx Sales or FedEx Customer Automation agreement and these FedEx Express Terms and Conditions, the FedEx Sales or FedEx Customer Automation agreement controls.

Any failure to enforce or apply a term, condition, or provision of the FedEx Service Guide shall not constitute a waiver of that term, condition or provision or otherwise impair our right to enforce or apply such a term, condition or provision in the future.

International Shipments (U.S. Edition)

The following pages contain the FedEx Express Terms and Conditions applicable to FedEx Express international services and service options (including FedEx International Next Flight, FedEx International First, FedEx International Priority, FedEx International Priority Freight, FedEx International Broker Select, FedEx International Priority DirectDistribution, FedEx International Priority DirectDistribution Freight, FedEx International Controlled Export, FedEx 10kg Box, FedEx 25kg Box, FedEx International MailService, FedEx International Economy and FedEx International Economy Freight) from the U.S. to selected international destinations and between Puerto Rico and the U.S., including, but not limited to, any such items tendered by customers utilizing FedEx electronic shipping systems, air waybills, labels and shipping software. For international shipments tendered for FedEx International Premium, FedEx International Express Freight or FedEx International Airport-to-Airport, please see the applicable Service Guide, terms and conditions, and/or tariffs for these services. Refer to fedex.com/us/terms/other-services. (Note: fedex.com URLs are subject to change.) See the U.S. Shipments section when shipping to and from points within the U.S., including Alaska and Hawaii. Shipments originating outside the U.S. for U.S. or other international destinations are subject to local tariffs and the terms and conditions of the FedEx subsidiary, branch or the independent contractor that accepted the shipment. These terms and conditions include terms regarding the importation and customs clearance of shipments into the U.S. See the FedEx Ground Tariff when shipping by FedEx Ground.

If there is a conflict between these terms and conditions and the terms and conditions on any FedEx air waybill, shipping label or other transit documentation, the terms and conditions in the FedEx Service Guide, as amended, modified, changed or supplemented, will control to the extent they are not in conflict with the rules relating to liability for international carriage established by the Warsaw Convention, as amended, or Montreal Convention, other applicable treaties or any applicable tariff.

Rates and service quotations by our employees and agents are based upon information you provide, but final rates and service may vary based upon the shipment actually tendered and the application of these terms and conditions. Rates quoted will vary depending on whether (1) the shipper is a FedEx account holder and (2) the shipper has discounts applied to his or her account.

- Shippers will be quoted FedEx Standard List Rates if they have a valid FedEx account, do not have discounts applied to their account and if they charge their shipping to their account.
- Shippers will be quoted Account-Specific Rates if they have a valid FedEx account, have discounts applied to their account and if they charge their shipping to their account.
- Shippers will be quoted FedEx Retail Rates for shipments originating in the U.S. that are paid for by cash, check, debit or credit card instead of being charged to a valid FedEx account.

Any conflict or inconsistency between the FedEx Service Guide and other written or oral statements concerning the rates, features of service, and terms and conditions applicable to FedEx Express international services from the U.S. to international locations and many terms regarding importation and inbound clearance of shipments into the U.S. will be controlled by the FedEx Service Guide, as modified, amended or supplemented.

For the most current information regarding areas served and delivery commitments, contact Customer Service at 1.800.GoFedEx 1.800.463.3339 (say "international services" for international information).

(Definitions, cont.)

"In good credit standing" means: (1) that payment on the FedEx account is current; (2) the account is not in "cash only" status; and, (3) for commercial or business accounts, the balance does not exceed the credit limit established by FedEx.

"Length" is the longest side of a package.

"Overcharge" means a charge based on an incorrect rate; an incorrect special handling fee; billing a service other than the service selected for the package; billing based on incorrect package or shipment weight; billing to the wrong account number; or any other billing, unrelated to a service failure, that results in an incorrect charge.

"Package" means any single parcel or piece with a chargeable weight of 150 lbs. or less. Any fraction of a pound is rounded up to the next-higher pound.

"Recipient" or **"consignee"** means the person whose name is listed on the air waybill as the recipient.

"Reroute" means to deliver a shipment to an address different from that specified on the air waybill, and includes a change: (1) from one street address to another in the same city and state, (2) from directions to Hold at Location to a request for delivery to another location, (3) from the delivery instructions on the air waybill to a request to Hold at Location, or (4) from one Hold at Location address to another in the same city and state. Any requested change to an address that is not a reroute or an address correction is a new shipment, and new shipping charges will apply. *Note:* Reroute does not apply to requests for delivery to another address made by the recipient through methods approved by FedEx.

"Residential delivery" means a delivery made to a home or private residence, including locations where a business is operated from the home, and/or a delivery in which the shipper has designated the delivery address as residential.

"Residential pickup" means a pickup from a home or private residence, including locations where a business is operated from the home.

"Valid" as it relates to account numbers means a FedEx account number that has been issued by FedEx and that is in good credit standing.

"You" or **"your"** means the shipper/sender, recipient and their agents, servants, employees, and any other person or entity having or claiming an interest in a shipment.

Non-Waiver

Any failure by us to enforce or apply a term, condition or provision of the FedEx Service Guide does not constitute a waiver of that term, condition or provision and does not otherwise impair our right to enforce such term, condition or provision.

Account Numbers

All shipments originating in the U.S. and paid for with cash, check, debit or credit card must be tendered at a staffed shipping location, and will be charged FedEx Retail Rates.

For transactions other than "Bill Sender," "Bill Recipient" or "Bill Third Party," you must pay by cash (not accepted at all FedEx locations), check, money order or credit card. Payment is required when you give us your package. For "Bill Sender" and "Bill Third Party" transactions, packages will not be accepted unless you provide a valid FedEx account number.

For "Bill Recipient" transactions, packages can be tendered without payment, but in order for the package to be delivered, the recipient must provide a valid FedEx account

number or pay with cash, check, money order or credit card (if accepted as a form of payment in the destination country) at time of delivery. If the recipient or third party refuses to pay any transportation charges and other fees, including, but not limited to, duties and taxes, the package will be treated as undeliverable and the sender will be responsible for all transportation charges and other fees, including all special handling fees and duties and taxes.

For customers utilizing our electronic shipping systems, a valid FedEx account number is required for "Bill Sender," "Bill Recipient" or "Bill Third Party" transactions.

Account numbers are issued by FedEx according to shipping location and are nontransferable. Account numbers are issued and used solely at the discretion of FedEx. FedEx may discontinue the use of accounts, in whole or in part, and terminate all or particular accounts and account numbers at any time, for any reason, at its sole discretion. Improper, illegal or any other misuse of your FedEx account may also, at the sole discretion of FedEx, result in loss of discounts or termination of the account. Improper, illegal or other misuse includes, but is not limited to, ordering supplies for any purpose other than shipping with FedEx, unauthorized consolidation of shipments owned by different parties, or violations of the terms and conditions in this FedEx Service Guide. If your account has been compromised or stolen, the account may be closed and you may be issued a new account. However, you will be responsible for all valid charges on the closed account. Any supplies, materials, rights or privileges that you acquire by holding a FedEx account number may not be used for any purpose other than shipping with FedEx, and FedEx may seek damages against you for any improper, illegal or other misuse of your account. If your account is terminated, we reserve the right, at our sole discretion, to deny your application for new or additional FedEx account numbers at any time in the future. Except for Canada- and Puerto Rico-based accounts, international account numbers may not be used for shipments between two points within the U.S. All charges will be billed and must be remitted in U.S. funds.

Any individual or entity that uses the FedEx account or shipping discounts of another FedEx account holder without authorization will be charged Standard List Rates for all such shipments without prior notice. This includes all shipments, whether they are classified as "Bill Sender," "Bill Recipient" or "Bill Third Party," or any other method of billing. Unauthorized use includes, but is not limited to, using the shipping discount of another FedEx account holder without the knowledge and permission of both FedEx and the account holder.

All requests for account numbers are subject to credit investigation and verification by our Credit Department and Customer Account Confirmation Department. FedEx utilizes business credit reporting agencies, audited financial statements, Standard & Poor's and Moody's bond ratings, and other sources as necessary, to determine eligibility for open credit terms. FedEx does not offer consumer credit privileges. Any individual shipping for personal use must prepay the shipment charges or establish a FedEx account for billing directly to a major credit card. Stored-value cards or gift cards cannot be used to open an account; however, such cards may be used for payment when tendering a package at staffed FedEx shipping locations, and in conjunction with our credit card acceptance policy. If your FedEx account is billed directly to a credit card, you agree to the following terms: (1) you authorize FedEx to initiate variable charges to the credit card to settle charges payable to FedEx; (2) you authorize FedEx to charge your card for any unpaid amounts on your account; (3) you authorize the card issuer to pay any amounts associated with your account without requiring a signed receipt; (4) you agree to keep your card information current (FedEx may receive updates on your card information from participating issuing banks and may update your account profile to avoid service disruptions); (5) you agree that FedEx shall have no liability for any insufficient funds or other charges incurred from attempts to charge and/or place holds on your card; and (6) your agreement to these terms and conditions is to be accepted as authorization to the card issuer to pay all amounts associated with your account.

The party to whom a FedEx account number is issued is liable for all charges to the account, including those resulting from unauthorized use. The account holder is responsible for the safekeeping of the account number. The account number should be released only to those authorized to ship on the account.

Failure to keep your FedEx account current may result in your account being placed on a cash-only status. Use of an account on cash-only status may result in your package being delayed, rejected or returned until arrangements for payment are completed. If the account number to be billed is not valid, the shipment may be refused, delayed or returned until an alternative form of payment is secured. If a package is held, returned, or delivery is otherwise delayed because the account is not in good credit standing, you will not be entitled to a refund or credit of your transportation charges under the Service Failure Money-Back Guarantee Policy.

FedEx Express Terms and Conditions

International Shipments (U.S. Edition)

(Account Numbers, cont.)

You must use your FedEx account number to obtain any discount applicable to your account. Use of your account number constitutes your agreement that all packages and freight shipped via FedEx Express international services shall be subject to these terms and conditions, as modified, amended or supplemented.

FedEx may provide trade credit information on its account holders to credit bureaus.

Alcoholic Beverages

Only licensed entities holding a state and federal license or retailers holding a state license may ship alcohol with FedEx. Consumers may not ship alcohol. Shippers must enter into an approved FedEx Alcohol Shipping Agreement before shipping any alcohol with FedEx. For more information, go to fedex.com/us/wine or contact your FedEx account executive. An ancillary clearance service fee may apply if your shipment requires special import clearance processing; see fedex.com for more information.

For U.S. Import: FedEx will not accept shipments of alcohol (beer, wine or spirits) to nonlicensed parties located in the U.S. from an international location. FedEx will accept shipments of alcohol (beer, wine and spirits) inbound to the U.S. when both the shipper and recipient are licensed entities. For more information, go to fedex.com/us/wine. The shipper must hold a license from the country of origin issued in accordance with that country's law and regulations. The recipient, located in the U.S., is required to hold: (1) a basic permit for importer and/or wholesaler issued from the U.S. Department of Treasury, Alcohol and Tobacco Tax and Trade Bureau (TTB), and (2) if applicable, a wholesaler, dealer, distributor or manufacturer license issued from the state in which the recipient is located.

For U.S. Export: FedEx will accept alcohol shipments for export from the U.S. when both the shipper and recipient are licensed entities, and wine shipments from licensed entities directly to consumers in a limited number of countries, subject to additional requirements and all applicable laws and regulations. For more information, go to fedex.com/us/wine. Shippers located in the U.S. must hold: (1) a basic permit for importer and/or wholesaler issued from the TTB, and (2) if applicable, a wholesaler, dealer, distributor, retailer or manufacturer license issued from the state in which the shipper is located.

Contact your FedEx account executive for complete details.

Billing

A. "Bill Sender" means the specified charges will be billed to the sender. The sender's FedEx account number must appear in the appropriate section of the air waybill, and the account should be current. FedEx International Next Flight and FedEx International MailService shipments may only be shipped "Bill Sender" and "Bill Third Party," but all charges must be verified (for U.S. accounts only). For duty-and-tax charges, "Bill Sender" means the sender will be invoiced for applicable duties and taxes and additional ancillary clearance fees incurred.

B. "Bill Recipient" means the specified charges will be billed to the recipient. In order to choose this billing option, the recipient's valid FedEx account number must appear on the air waybill before it is delivered and payment on the account must be current, or the recipient must pay for the package at time of delivery. If the recipient is billed initially and refuses to make payment for the shipment, the charges may be rebilled to a third party. If not paid by the third party, any additional rebilling must be to the sender's account. The sender is liable for, and will be billed for, all charges and fees in the event the recipient or any third party does not pay.

C. "Bill Third Party" means the specified charges will be billed to someone other than the sender or recipient. In order to choose this billing option, the third party's valid FedEx account number must be entered in the appropriate section of the air waybill and must be in good credit standing. The sender is liable for, and will be billed for, all charges and fees in the event the recipient or any third party does not pay. If the third party refuses to pay, the transportation charges will automatically be billed to the sender and duties and taxes to the recipient. If the third party does not have credit arrangements with FedEx, the sender will automatically be billed.

D. Invoices for transportation charges are payable within 15 days of the invoice date. Invoices for duties and taxes are payable upon receipt.

E. We reserve the right to verify the method of payment for any shipment and to refuse any shipment for which the method of payment cannot be verified.

F. FedEx may consider payment type in determining pricing and discounts, and reserves the right to adjust discounts based on payment type.

G. Payer Rebilling. At our sole discretion, we may accept requests to change billing instructions from the shipper or current bill-to party up to 90 days from the current invoice date. FedEx must receive prior approval from the new bill-to party for:

- Transportation charges being rebilled to a consignee or third party when not due to a FedEx billing error.

- Duty-and-tax charges being rebilled to the shipper if originally billed to the consignee and not due to a FedEx billing error.
- Duty-and-tax charges being rebilled to the consignee or third party when not due to a FedEx billing error.

Requests for rebilling of transportation charges must be received via one of the approved channels:

1. Submit your request through the Non-Pay option with Electronic Data Interchange (EDI) if you are a registered user; or
2. Use our internet application FedEx Billing Online at fedex.com if you are a registered user; or
3. Submit your request via fedex.com/us/customersupport/email/express_ground.html (select Billing/Invoicing as the category). Your request for a rebill of transportation charges must include the current invoice number, the FedEx tracking number, amount and the new FedEx account number that you want to rebill; or
4. Submit the request via our automated interactive voice response system at 1.800.GoFedEx 1.800.463.3339 (say "billing"). Your request for a rebill of transportation charges must include your FedEx account number, if any, the current invoice number, the FedEx tracking number and the new FedEx account number that you want to rebill.

H. Billing and Special Handling Fees:

1. A special handling fee will be charged where no account number appears on the air waybill or where an incomplete, inaccurate or invalid account number appears on the air waybill in "Bill Sender," "Bill Recipient" or "Bill Third Party" transactions. If a "Bill Sender," "Bill Recipient" or "Bill Third Party" package is received without a FedEx account number, we will attempt to determine the correct account from our records and bill the account for all charges and fees, plus the special handling fee. Any applicable discount will apply. If, however, we cannot determine the correct account, the transportation charges plus the special handling fee will be billed directly to the sender and no discount will be allowed. See Rates in the FedEx Service Guide for details.
2. A US\$20 special handling fee will be charged to you for any check or electronic funds transfer that is dishonored for any reason.

I. Duties and taxes may be assessed on the contents of shipments destined for international locations. If we advance duties and taxes on behalf of the payer, the payer may be assessed an ancillary clearance service fee based on a flat rate or a percentage of the total amount advanced (whichever is greater). See the Duties and Taxes section for details.

J. Electronically captured data will be used for billing purposes in the event a billing copy of the air waybill is not available at the time of billing.

K. Charges in freely convertible currencies other than U.S. dollars are billed to the payer's account. Charges requiring conversion to a currency other than U.S. dollars will be calculated daily using the median bid price obtained from OANDA, an internet exchange-rate service, except for those currencies where the customary practice is to use local bank rates to convert currency for payers in that country. The median bid price is the average price at which buyers offer to buy currencies from sellers during the given period. These currency conversion rates can be accessed at www.oanda.com.

The currency-conversion rate in effect one day prior to the ship date will be used for conversions to non-hyper-inflationary currencies. However, we reserve the right to use the exchange rate at invoice date, as opposed to shipment date, in countries where the currency is volatile.

There is an additional exchange fee of 1.75 percent for conversion from any non-U.S. currency to U.S. dollars, 2.3 percent for U.S. dollars to any currency, and 2.0 percent between all non-U.S. currency conversions. The currencies of participating European Union countries will have stationary conversion rates to the euro. There is no exchange fee between currencies related to the euro. Charges in currencies other than the U.S. dollars that are not freely convertible will be converted to U.S. dollars and billed to the payer's account either at the free-market rate or at the official rate at which FedEx was permitted to purchase U.S. dollars in the relevant currency, at our sole option.

L. NOTWITHSTANDING ANY PAYMENT INSTRUCTIONS THAT ARE GIVEN TO FEDEX, THE SENDER IS ULTIMATELY LIABLE FOR, WILL BE BILLED FOR, AND AGREES TO PAY, ALL CHARGES AND FEES, INCLUDING ANY SPECIAL HANDLING FEES AND ANY DUTIES OR TAXES WHICH WE HAVE ADVANCED, REGARDLESS OF ANY PAYMENT INSTRUCTIONS TO THE CONTRARY, IF THE RECIPIENT OR THIRD PARTY FAILS OR REFUSES TO PAY. For FedEx Global Returns shipments, please see Return and Import Shipping Options.

M. You must furnish with your payment the invoice numbers to which your payment applies. Payment should be sent using your remittance advice to one of the following:

P. Invoice Adjustments/Overcharges:

1. We reserve the right to audit shipments to verify service selection, shipment weight and dimensions. Package shape and dimensions may change during transit, which can affect the package's dimensional weight and surcharge eligibility. If the service selected, weight entered or dimensions entered are incorrect or change during transit, we may make appropriate adjustments to the shipment charges at any time.

2. Default Billing. Senders are solely responsible for accurately completing all sections of the air waybill and for the entry of accurate shipment information into any electronic shipping device. If you fail to provide or correctly enter this information, you will be billed and agree to pay based on our estimate of the number of packages transported and either the dimensional weight at the time of billing or a standard default weight-per-package estimate, both of which will be determined by us at our sole discretion. If no service is marked, we will send your shipment via FedEx International Priority, FedEx International Economy, FedEx International Priority Freight or FedEx International Economy Freight service as selected by us at our sole discretion.

For FedEx International Priority and FedEx International Economy services, the recipient's postal code is critical to correct invoicing (to those countries that are in multiple rate scales). Any omission or incorrect entry will result in a billing based on a default postal code.

3. Our money-back guarantee policy governs and is the exclusive remedy for requests for refunds or credits related to service failures. (See the Money-Back Guarantee Policy section for applicable notice provisions and other conditions.) If the money-back guarantee is suspended or revoked, there is no remedy.
4. Requests for invoice adjustments due to an overcharge must be received within 60 days after the original invoice date (or ship date if prepaid by cash, check, money order or credit card).
5. FedEx is not obligated to refund any overcharge or pay any other obligation owed when your FedEx account is, or has been in the past, more than 60 days past due.
6. If your account is more than 60 days past due, FedEx may, at its sole discretion, apply any overcharge amounts or other overpayments it agrees are owed to you against the oldest invoices.
7. You may request an invoice adjustment for reasons not related to a service failure in the following ways:
- Use our internet application FedEx Billing Online at fedex.com if you are a registered user; or
 - Submit your request through the invoice adjustment feature at fedex.com; or
 - Submit the request via fedex.com/us/customersupport/email/express_ground.html (select Billing/Invoicing as the category). All adjustment requests must state the reason an adjustment or refund is warranted and must provide the following: the FedEx account number (if any); the FedEx tracking number; and the date of shipment; or
 - Submit the request via our telephone invoice adjustment system at 1.800.GoFedEx 1.800.463.3339 (say "billing"). If you choose to submit your request via the telephone invoice adjustment system, the request must state the reason an adjustment or refund is warranted and must provide the following: the FedEx account number (if any); the FedEx tracking number; and the date of shipment; or
 - Send your request to:

FedEx
Revenue Services
3965 Airways Boulevard
Module G
Memphis, TN 38116
 - You may also send your request via fax to the FedEx toll-free fax service: 1.800.548.3020.

A partial payment against an invoice is not considered a request for invoice adjustment or notice of a refund request.

8. We will not be liable for any invoice adjustment unless you comply with the notice requirements described above. The filing of a lawsuit against us does not constitute compliance with these notice provisions.

For additional information or assistance regarding billing issues, contact FedEx Revenue Services at 1.800.GoFedEx 1.800.463.3339 (say "billing"), 7 a.m. to 6 p.m. (CST), Monday through Friday.

Q. Additional Taxes. If a value-added, consumption or similar tax is applicable to your shipment, we reserve the right to add that amount to your shipping charges without notice. We pay any applicable excise tax on the air transportation portion of our service.

R. The shipper and any other party who is liable for payment are responsible for all reasonable costs incurred by FedEx in obtaining or attempting to obtain payment for services rendered by us. Such costs include, but are not limited to, attorneys' fees, collection agency fees, interest and court costs.

S. At our sole discretion, FedEx may transfer and assign ownership of, and any rights to collect, any and all charges due and payable to us.

FedEx Express Terms and Conditions

International Shipments (U.S. Edition)

Carriage Under International Conventions

- A. As used in the FedEx Express terms and conditions, "Warsaw Convention" means the Convention for the Unification of Certain Rules relating to International Carriage by Air, signed at Warsaw, Oct. 12, 1929, or that convention as amended, including the Montreal Protocol No. 4. "Montreal Convention" means the Convention for the Unification of Certain Rules relating to International Carriage by Air, signed at Montreal, May 28, 1999. "Carrier" includes the air carrier issuing the air waybill and all air carriers that carry the goods or perform any other services related to the carriage.
- B. When the carriage involves an ultimate destination or stop in a country other than the country of departure, the Warsaw Convention or Montreal Convention may be applicable. The convention governs and, in most cases, limits our liability for loss of, damage to or delay of cargo.
- C. The Warsaw Convention and the Montreal Convention limit our liability for loss or delay of or damage to your shipment, unless you declare a higher value for carriage and pay the required fee as described below. The interpretation of the relevant Convention's liability limit may vary depending on the destination country. If the Warsaw Convention as amended by Montreal Protocol No. 4 applies to your shipment, our liability is limited to 17 Special Drawing Rights (SDRs) per kilo, unless you declare a higher value for carriage and pay the required fee. If the Montreal Convention applies to your shipment, our liability is limited to 19 SDRs per kilo, unless you declare a higher value for carriage and pay the required fee. Otherwise, our liability is limited to US\$9.07 per pound (US\$20.00 per kilo) unless you declare a higher value for carriage and pay the required fee.
- D. To the extent not in conflict with the rules relating to liability for international carriage as established by the Warsaw Convention or the Montreal Convention, carriage and other services performed by us are subject to the provisions of the FedEx Service Guide and applicable tariffs as amended from time to time, which are incorporated in the FedEx Service Guide by reference. The tariffs, if any, may be inspected at our corporate headquarters in Memphis, Tenn.
- E. FedEx assumes no obligation to carry the goods by any specified aircraft or over any particular route or to make connections at any point according to any schedules. You agree FedEx may, without notice, substitute alternative carrier or aircraft, deviate from the route or routes, or cause the goods to be transported by motor vehicle.
- THERE ARE NO STOPPING PLACES THAT ARE AGREED TO AT THE TIME OF TENDER OF THE SHIPMENT, AND WE RESERVE THE RIGHT TO ROUTE THE SHIPMENT IN ANY WAY WE DEEM APPROPRIATE.

Cartage Agents

We provide pickup and delivery to many international locations.

- A. If you elect to make arrangements for pickup or delivery directly with a cartage agent, you are responsible for all charges and fees assessed by the cartage agent. The invoice you receive from us will reflect only our charges and fees.
- B. Our delivery commitment time and money-back guarantee policy apply only to the portion of the transportation handled directly by us. (See the Money-Back Guarantee Policy section.) The delivery commitment time begins when the cartage agent tenders the shipment to us and ends when a shipment is available for pickup by you or a cartage agent. Our tender of a shipment to a cartage agent constitutes delivery of the shipment by us for all purposes. We are not responsible for service failures as a result of cartage agent pickups or deliveries.
- C. A special handling fee applies; see Rates in the FedEx Service Guide.
- D. Cartage agents are independent contractors. They are neither employees nor agents of FedEx Express, and we are not responsible for any of their acts or omissions.

Claims

- A. We must receive notice of a claim due to damage (visible or concealed), delay (including spoilage claims) or shortage within 21 calendar days after delivery of the shipment. (See the Money-Back Guarantee Policy section for the time period to request a refund or credit of transportation charges due to a service failure.) We must receive notice of all other claims, including, but not limited to, claims for nondelivery or misdelivery, within nine months after the package was tendered to FedEx Express for shipment.
- B. Notice of claims for which you are seeking more than US\$100 must be in writing. All claims must be made within the time limits set forth above.
- C. Your notice of claim must include complete shipper and recipient information, as well as the FedEx tracking number, date of shipment, number of pieces, and shipment weight. Failure to provide us with notice in the manner and within the time limits set forth in paragraphs (A) through (B) will result in denial of your claim, and we will have

no liability or obligation to pay your claim. The filing of a lawsuit does not constitute compliance with these notice provisions.

- D. Written documentation supporting the amount of your claim must be delivered to us within nine months after the package was tendered to FedEx Express for shipment. Such documentation may include original purchase invoices, estimates or invoices for repair, expense statements, appraisals, final confirmation screen if online order with proof of purchase, or other records. These documents must be verifiable to our satisfaction.
- E. We are not obligated to act on any claim until all transportation charges have been paid. The claim amount may not be deducted from these charges or from any outstanding balance owed to us.
- F. FedEx reserves the right to inspect a damaged shipment on the recipient's premises as well as the right to retrieve the damaged package for inspection at a FedEx facility. The terms and conditions applicable to the original shipment (including any declared value) will govern the disposition of all claims in connection with the shipment, including any claim relative to the retrieval, inspection or return of the package. When a package is picked up for inspection, a receipt for the damaged package will be provided if requested by the recipient. All of the original shipping cartons, packing and contents must be made available for our inspection and retained until the claim is concluded.
- G. Except in the case of concealed damage, receipt of the shipment by the recipient without written notice of damage on the air waybill is *prima facie* evidence that the shipment was delivered in good condition.
- H. We do not accept claims from customers whose packages were sent through a package consolidator. (See the Package Consolidators section.)
- I. Shipment-status information is not intended or permitted to be used as the basis to file a claim.
- J. Only one claim can be filed in connection with a shipment. Acceptance of payment of a claim shall extinguish any right to recover in connection with that shipment.
- K. When we resolve a claim by paying full value for a shipment, we reserve the right to pick up the package for salvage, and all rights, title to, and interest in the package shall vest with us.
- L. You can file a claim in the following ways:
1. Submit claims online at fedex.com/us/claimsonline for U.S. export shipments to all countries served by FedEx Express and U.S.-inbound shipments from Canada.
 2. Send written claims, including the completed claim form and supporting documentation, via the U.S. Postal Service or fax to:
 - FedEx Cargo Claims Department
 - P.O. Box 256
 - Pittsburgh, PA 15230
 - Fax: 1.877.229.4766
 If you fax your completed claim form and supporting documentation, FedEx will send you a confirmation letter by return fax.
 3. Call customer service at 1.800.GoFedEx 1.800.463.3339 (say "claims") to obtain a case number for your claim, then complete a print copy of the claim form. You may have to submit supporting documentation using FedEx Claims Online or the mailing address or fax number listed above.

M. FAILURE TO COMPLY WITH ANY OF THE ABOVE CONDITIONS WILL RESULT IN THE DENIAL OF YOUR CLAIM.

Collect on Delivery (C.O.D.) Service

We do not offer C.O.D. service to international destinations. A shipment marked "C.O.D." will be returned and all related charges will be billed to the sender.

Credit Terms

- A. We do not provide individual consumer credit privileges.
- B. As a condition of extending credit privileges, FedEx reserves the right to require business customers to provide current financial information, agree to bank draft arrangements for payment on account, provide a security deposit or provide a bank letter of credit.
- C. When credit privileges are extended, FedEx reserves the right to establish and enforce a credit limit on your account. At our sole discretion, we may review and amend a credit limit on your account.
- D. The invoice date begins the credit term cycle, and payment for transportation charges is due within 15 days from the invoice date. Failure to keep your FedEx account current will result in your account being placed on cash-only status. This status may impair your ability to use our services, delay your shipments and may result in the loss of any applicable discounts.

FedEx Express Terms and Conditions

International Shipments (U.S. Edition)

(Credit Terms, cont.)

Duties, taxes and other fees are payable immediately upon receipt of our invoice. If transportation charges and duties and taxes are on the same invoice, all charges are due upon receipt of invoice.

E. IF THE ACCOUNT NUMBER TO BE BILLED IS NOT IN GOOD CREDIT STANDING, THE PACKAGE MAY BE REFUSED, HELD OR STOPPED IN TRANSIT UNTIL YOU MAKE ALTERNATIVE PAYMENT ARRANGEMENTS. THE MONEY-BACK GUARANTEE POLICY WILL NOT APPLY IN SUCH CIRCUMSTANCES.

F. The shipper, and any other party who is liable for payment, is responsible for all reasonable costs incurred by FedEx in obtaining or attempting to obtain payment for services rendered by us. Such costs include, but are not limited to, attorneys' fees, collection agency fees, interest and court costs.

G. Credit privileges will not be restored until you have paid all past-due balances in full and all costs, fees and expenses incurred by FedEx in collecting or attempting to collect such balances. FedEx may require you to secure the account with a form of payment as a prerequisite to credit restoration. FedEx may decline to restore credit privileges even if all costs, fees and expenses are paid.

H. Customers requesting removal from cash-only status must contact the FedEx Recovery Collections department at 1.800.506.7580.

I. We may apply payments made on your account to any unpaid invoice issued on your account, at our sole discretion.

J. Requests for research or refunds of payment must be received within 60 days from the date of payment.

Customs Clearance

A. All shipments that cross international borders must be cleared through customs, and you may also be required to provide additional information to obtain clearance from other regulatory agencies in the destination country prior to delivery to the recipient.

B. Except as provided under the FedEx International Broker Select section at fedex.com, we (or a broker selected by us) will submit shipments to customs and other regulatory agencies for clearance. Duties and taxes or fees that may be assessed by any regulatory agency may be advanced on behalf of the sender and recipient provided appropriate credit arrangements have been made in advance. (See the Billing and Duties and Taxes sections.) FedEx may charge an ancillary clearance service fee, where applicable, on international shipments for clearance processing, for services requested by the shipper, recipient or importer of record, or to recover the costs passed to FedEx by the regulatory agency for regulatory filing. The types and amounts of fees vary by country. (See fedex.com/ancillary/go/service for a list of ancillary clearance service fees in your destination country.)

C. In some instances, at our option, we accept instructions from recipients to use a designated customs broker other than FedEx (or the broker selected by FedEx) or the broker designated by the shipper. In any event, FedEx (or the broker selected by FedEx) reserves the right to clear the shipment if the broker cannot be determined or will not perform clearance or if complete broker information is not provided (including name, address, phone number and postal code).

D. When shipments are held by customs or other agencies due to incorrect or missing documentation, we may attempt first to notify the recipient. If local law requires the correct information or documentation to be submitted by the recipient and the recipient fails to do so within a reasonable time as we may determine, the shipment may be considered undeliverable. (See the Undeliverable Shipments section.) If the recipient fails to supply the required information or documentation, and local law allows the sender to provide the same, we may attempt to notify the sender. If the sender also fails to provide the information or documentation within a reasonable time as we may determine, the shipment will be considered undeliverable. We assume no responsibility for our inability to complete a delivery due to incorrect or missing documentation, whether or not we attempt to notify the recipient or sender. (See the Undeliverable Shipments section.)

E. Shipments requiring documentation in addition to the FedEx International Air Waybill, the FedEx International Next Flight Air Waybill or the FedEx International MailService Air Waybill (e.g., a Commercial Invoice) may require additional transit time. Proper completion of necessary documentation, with complete and accurate shipment information, including the appropriate Harmonized Tariff Schedule Code, is the shipper's responsibility.

F. Shipments that contain goods or products that are regulated by multiple government agencies within the destination country (such as the Department of Agriculture, the Food and Drug Administration, the Fish and Wildlife Service and the Federal Communications Commission in the U.S. and comparable agencies in the destination country) may require additional time for clearance.

G. The sender is responsible for making sure goods shipped internationally are acceptable for entry into the destination country. All charges for shipment to and return from countries where entry is not permitted are the sender's responsibility.

H. We assume no responsibility for shipments abandoned in customs, and such shipments may be considered undeliverable.

I. If acceptable wildlife products are shipped via the FedEx International Broker Select service option for U.S. import, they must be addressed to a broker at one of the 18 designated U.S. Fish and Wildlife ports.

J. U.S. import shipments that contain products that originate from wildlife or contain wildlife may require original permits/certificates (CITES) for U.S. Fish and Wildlife Service clearance. U.S. importers of wildlife products must obtain an import license from the U.S. Fish and Wildlife Service for commercial shipments.

K. The U.S. Food and Drug Administration (FDA) requires completion of FDA Prior Notice for certain shipments containing food or food articles for human or animal consumption prior to their arrival in the U.S. A copy of the FDA Prior Notice confirmation record must be included with the shipping documentation for all foods and food products that require Prior Notice.

L. For shipments that must be cleared through customs by the recipient, FedEx will deliver the customs paperwork to the recipient, and delivery of paperwork constitutes timely delivery.

Dangerous Goods

A. All packages containing dangerous goods must comply with the International Civil Aviation Organization (ICAO) Technical Instructions for the Safe Transport of Dangerous Goods by Air, the International Air Transport Association (IATA) Dangerous Goods Regulations and, where applicable, Title 49 of the Code of Federal Regulations. Shippers of dangerous goods, whether prepared under ICAO/IATA or 49CFR, must comply with all FedEx Express variations listed in the current edition of the IATA Dangerous Goods Regulations. All packages containing dangerous goods must comply with the IATA dangerous-goods regulations. The only exception is for a U.S. territory or commonwealth such as Puerto Rico. Shippers may use 49CFR when prepared by air as limited by the commodities FedEx Express accepts prepared under these regulations. The shipper is responsible for complying with all packing requirements and appropriate marking and labeling of the package, documentation, as well as compliance with all applicable local, state and federal laws, regulations, ordinances and rules. The shipper is also responsible for ensuring the recipient complies with all applicable local, state and federal laws, regulations, ordinances and rules for applicable hazard classes.

Dangerous goods can only be shipped using the FedEx Expanded Service International Air Waybill when using a paper air waybill for express service.

B. Shippers must comply with all applicable local, state and federal laws governing packing, marking and labeling of shipments of blood and blood products, regardless of whether they are infectious.

C. FedEx packaging may not be used to ship dangerous goods (including dry ice), with the following exceptions:

1. Permitted IATA Section II lithium batteries, which may be shipped in FedEx boxes and tubes; and
2. Biological Substance, Category B (UN 3373) shipments, which may be shipped in the FedEx UN 3373 Pak, the FedEx Medium Clinical Box, the FedEx Large Clinical Box or the following FedEx Temp-Assure cold shipping boxes: Small Cold Box Standard Duration; Medium Cold Box Standard Duration; Medium Cold Box Extended Duration; Large Cold Box Standard Duration; and Large Cold Box Extended Duration.

Blood, urine and other specimens containing infectious substances are considered dangerous goods and must not be shipped in the FedEx Clinical Pak. The shipper assumes sole responsibility for compliance with all applicable governmental regulations. For more information on FedEx guidelines, go to fedex.com/packaging and read our brochures on packaging clinical samples and Biological Substance, UN 3373 specimens.

D. FedEx Express does not accept dangerous goods shipments prepared exclusively for ground shipment.

E. FedEx is not required to add dry ice to packages in its system or to provide re-icing services.

F. Each shipment must be accompanied by the 8-1/2" Shipper's Declaration for Dangerous Goods form when required.

Title 49CFR paperwork cannot be used for international dangerous goods shipments (except for a U.S. territory or commonwealth such as Puerto Rico), and such shipments will be refused or returned to the sender.

FedEx Express Terms and Conditions

International Shipments (U.S. Edition)

(Dangerous Goods, cont.)

G. Lithium batteries (UN 3090) that are Primary Non-Rechargeable require pre-approval to ship. This applies to IATA Section IA and Section IB lithium batteries. For details, go to fedex.com and enter keyword "lithium batteries." FedEx Express does not accept UN 3090 and UN 3480 lithium batteries tendered as IATA Section II shipments; they must be tendered as fully regulated IATA Section IA or IB. In addition, FedEx Express does not accept waste batteries or batteries being shipped for recycling or disposal, including damaged or defective batteries (see IATA variation FX-04).

H. FedEx may require shippers to hire a trained pack-and-ship vendor to resolve a problem with an undeliverable dangerous goods shipment. If the recipient refuses a package or freight piece containing dangerous goods, or the package leaks or is damaged, it will be returned to the shipper if possible. If the shipper refuses to accept the returned shipment or it cannot be returned because of leakage or damage due to faulty packaging, the shipper is responsible for and agrees to reimburse and otherwise indemnify FedEx for all costs, fees, and expenses it incurs in connection with the cleanup and disposal of the package or freight piece. The shipper agrees to indemnify FedEx for any and all costs, fees and expenses FedEx incurs as a result of the shipper's failure to comply with FedEx Dangerous Goods shipping requirements.

I. We have the right to refuse any package or freight piece with an odor or any package that is wet or leaking. If a dangerous goods shipment damages or contaminates any property, the shipper is solely responsible for and will reimburse and indemnify FedEx for any and all costs, fees and expenses it incurs in connection with the cleanup of such damage or contamination.

J. Not all FedEx locations accept dangerous goods, and we reserve the right to refuse dangerous goods at any location where they cannot be accepted in accordance with applicable law. Dangerous goods shipments, including dry ice, are not allowed at FedEx Drop Box locations, FedEx Office Print and Ship Center locations, FedEx Authorized ShipCenter locations, FedEx OnSite locations, or FedEx ShipSite locations, except as noted below:

1. Biological Substance, Category B (UN 3373) shipments are allowed at select FedEx Office Print and Ship Center locations (contact your local FedEx Office Print and Ship Center for service availability) and may be placed in FedEx Drop Boxes.
2. FedEx Express shipments containing permitted IATA Section II lithium batteries are allowed at FedEx Office Print and Ship Center locations and may be placed in FedEx Drop Boxes.

K. The shipper must provide all required information and complete all boxes pertaining to dangerous goods on the FedEx air waybill. Shippers utilizing electronic systems to ship dangerous goods must select, as appropriate to the electronic system, the special services, handling or flag to indicate that their shipment contains dangerous goods.

L. *Note:* We are required by law to report improperly declared or undeclared shipments of dangerous goods to the U.S. Department of Transportation (DOT). The shipper may be subject to fines and penalties under applicable law. The DOT/Federal Aviation Administration (FAA) requires every shipper to have job-specific dangerous goods training prior to tendering a dangerous goods shipment to FedEx or another air carrier. When individuals tender a shipment containing dangerous goods it must be properly classified, packaged, marked, labeled and identified as dangerous goods, and include the correct dangerous goods documentation.

M. Dangerous goods may not be rerouted to an address other than the original intended-recipient's address provided by the shipper. (*Note:* Shipments may be made available as hold for pickup at permissible locations or be returned to the sender.)

N. We are required to maintain proper segregation of incompatible dangerous goods on all vehicles and aircraft. This necessity may cause the shipment to move on the next available truck route or flight on which proper segregation can be maintained.

O. For more information, see Shipping Dangerous Goods via FedEx Express at fedex.com/dangerousgoods. If you have questions regarding shipments of dangerous goods, you may call 1.800.GoFedEx 1.800.463.3339 and say "dangerous goods" to connect to our Dangerous Goods/Hazardous Materials Hotline for assistance (outside the U.S. call 1.901.375.6806). If you have questions regarding countries served, commodity restrictions by country or service availability, call 1.800.GoFedEx 1.800.463.3339 and say "international services" for FedEx International Customer Service.

Declared Value for Carriage and Limits of Liability (Not Insurance Coverage)

The declared value for carriage of any package represents our maximum liability in connection with a shipment of that package, including, but not limited to, any loss, damage, delay, misdelivery, nondelivery, misinformation, any failure to provide information,

or misdelivery of information relating to the shipment. It is the shipper's responsibility to prove actual damages. Exposure to and risk of any loss in excess of the declared value is assumed by the shipper. You may transfer this risk to an insurance carrier of your choice through the purchase of an insurance policy. Contact an insurance agent or broker if you desire insurance coverage. **WE DO NOT PROVIDE INSURANCE COVERAGE OF ANY KIND.**

A. If for any reason the Warsaw Convention or the Montreal Convention (see the Carriage Under International Conventions section) does not govern our liability, our maximum liability for loss, damage or delay, or any claim with regard to any shipment moving to or from the U.S. is limited to US\$100, US\$9.07 per pound or US\$20.00 per kilo, whichever is greater, unless you declare a higher value for carriage and pay a greater charge. The interpretation of the relevant Convention's liability limit may vary depending on the destination country. If the Warsaw Convention as amended by Montreal Protocol No. 4 applies to your shipment, our liability is limited to 17 Special Drawing Rights (SDRs) per kilo, unless you declare a higher value for carriage and pay the required fee. If the Montreal Convention applies to your shipment, our liability is limited to 19 SDRs per kilo, unless you declare a higher value for carriage and pay the required fee. Otherwise, our liability is limited to US\$9.07 per pound (US\$20.00 per kilo) unless you declare a higher value for carriage and pay the required fee.

FedEx International Priority Freight and FedEx International Economy Freight shipments have a maximum declared-value limit of US\$100,000 to most destinations. FedEx International Broker Select shipments to many countries are allowed to exceed the country declared-value-for-carriage limit (but not the FedEx International Priority and FedEx International Economy maximum of US\$50,000 per shipment).

Except as limited below, unless a higher value is declared and paid for, our liability for each package shipped between Puerto Rico and the U.S. is limited to US\$100. For each package exceeding US\$100 in declared value, an additional amount will be charged. See Rates in the FedEx Service Guide for details.

Except as limited below, the declared-value limit for shipments between Puerto Rico and the U.S. is US\$50,000 per shipment, rather than US\$50,000 per package.

For packages shipped between Puerto Rico and the U.S., or sent to any international location, the declared value for carriage cannot be greater than the declared value for customs. A FedEx Envelope and FedEx Pak to and from Puerto Rico is limited to a declared value for customs and carriage of US\$100.

B. If you declare a higher value for carriage, an additional amount will be assessed for each US\$100 (or fraction thereof) by which the declared value for carriage exceeds the US\$100 or US\$9.07 per-pound liability limitation, whichever is applicable. See Rates in the FedEx Service Guide for details. **EVEN IF A HIGHER VALUE IS DECLARED, OUR LIABILITY FOR LOSS, DAMAGE OR DELAY OF A SHIPMENT WILL NOT EXCEED ITS REPAIR COSTS, ITS DEPRECIATED VALUE OR ITS REPLACEMENT COST, WHICHEVER IS LESS.**

C. The maximum declared value for customs and carriage for the contents of a FedEx Envelope or a FedEx Pak, regardless of destination, is US\$100 or US\$9.07 per pound, whichever is greater. Goods with a value (actual or declared) exceeding US\$100 should *not* be shipped in a FedEx Envelope or FedEx Pak.

D. The maximum declared value for customs and carriage for a FedEx international shipment, if other than a FedEx Envelope or FedEx Pak, can be found at fedex.com under the individual country listing.

Except as limited below, the maximum declared value per shipment for FedEx International Next Flight is US\$50,000. If a FedEx International Next Flight shipment is tendered to FedEx palletized or shrinkwrapped as one single unit, the maximum declared value is US\$50,000. If more than one FedEx International Next Flight package is shipped on one air waybill, the declared value for carriage of each package will be determined by dividing the total declared value for carriage by the number of packages in the shipment; the liability of FedEx for loss or damage will be limited to the actual value of the package(s) lost or damaged, not to exceed the per-package declared value.

E. Shipments (packages or freight) containing all or part of the following items are limited to a maximum declared value for carriage of US\$1,000 per shipment or US\$9.07 per pound, whichever is greater. Import of any of the following items may be prohibited by individual countries, and a lower declared-value limitation for a country will control this stated limitation for such items:

1. Artwork, including any work created or developed by the application of skill, taste or creative talent for sale, display or collection. This includes, but is not limited to, items (and their parts) such as paintings, drawings, vases, tapestries, limited-edition prints, fine art, statuary, sculpture and collector's items.
2. Film, photographic images (including photographic negatives), photographic chromes and photographic slides.
3. Any commodity that by its inherent nature is particularly susceptible to damage or the market value of which is particularly variable or difficult to ascertain.

4. Antiques, or any commodity that exhibits the style or fashion of a past era and whose history, age or rarity contributes to its value. These items include, but are not limited to, furniture, tableware and glassware.
 5. Glassware, including, but not limited to, signs, mirrors, ceramics, porcelains, china, crystal, glass, framed glass, and any other commodity with similarly fragile qualities.
 6. Plasma screens.
 7. Jewelry, including, but not limited to, costume jewelry, watches and their parts, mount gems or stones (precious or semiprecious), industrial diamonds, and jewelry made of precious metal.
 8. Furs, including, but not limited to, fur clothing, fur-trimmed clothing and fur pelts.
 9. Precious metals, including, but not limited to, gold and silver bullion or dust, precipitates, or platinum (except as an integral part of electronic machinery).
 10. Stocks, bonds, cash letters or cash equivalents, including, but not limited to, food stamps, postage stamps (not collectible), traveler's checks, lottery tickets, money orders, gift cards and gift certificates, prepaid calling cards (excluding those that require a code for activation), bond coupons, and bearer bonds.
 11. Liquor stamps and tax stamps.
 12. Collector's items such as coins, stamps, sports cards, souvenirs and memorabilia.

- F.** The declared value for carriage cannot be greater than the declared value for customs.
- G.** When the sender has not specified the declared value for carriage of each package on an air waybill, but has specified a total declared value for all packages, the declared value for each package will be determined by dividing the total declared value by the number of packages on the air waybill unless you provide verifiable evidence supporting a different allocation. The declared value of any package in a shipment cannot exceed the declared value of the total shipment.
- H.** Notwithstanding anything else in the FedEx Service Guide, we are not liable for any loss of, damage to or delay, misdelivery or nondelivery of unacceptable shipments, including, but not limited to, cash or currency, nor misdelivery of information.
- I.** Notwithstanding anything else in the FedEx Service Guide, we are not liable for any loss, damage or delay to any package that is not adequately packaged by the shipper.
- J.** ANY EFFORT TO DECLARE A VALUE IN EXCESS OF THE MAXIMUMS ALLOWED IN THE FEDEX SERVICE GUIDE IS NULL AND VOID. OUR ACCEPTANCE FOR CARRIAGE OF ANY SHIPMENT BEARING A DECLARED VALUE IN EXCESS OF THE ALLOWED MAXIMUMS DOES NOT CONSTITUTE A WAIVER OF ANY PROVISION OF THE FEDEX SERVICE GUIDE AS TO SUCH SHIPMENT.
- K.** REGARDLESS OF THE DECLARED VALUE OF A PACKAGE, OUR LIABILITY FOR LOSS, DAMAGE, DELAY, MISDELIVERY, NONDELIVERY, MISINFORMATION, ANY FAILURE TO PROVIDE INFORMATION, OR MISDELIVERY OF INFORMATION, WILL NOT EXCEED A SHIPMENT'S REPAIR COST, ITS DEPRECIATED VALUE OR ITS REPLACEMENT COST, WHICHEVER IS LESS.
- L.** The shipper is responsible for accurately completing the air waybill or other shipping documents, including completion of the declared-value section. We cannot honor requests to change the declared-value information on the air waybill after tender to FedEx.
- M.** See the Liabilities Not Assumed section for other limitations and exclusions on our liability.
- N.** Additional restrictions may apply to a shipment if sent pursuant to an airline interline agreement.
- O.** In the event that FedEx Office procures, accepts tender of, performs, or otherwise undertakes the transportation, delivery or release of a package by FedEx Express, whether directly or indirectly, FedEx Office shall have the benefit of every right, defense, limitation and liberty of whatsoever nature contained in these terms and conditions or otherwise available to FedEx Express as if such provision were expressly for its benefit.

Delivery Signature Options

FedEx offers Delivery Signature Options for shippers. Not available for all shipments or to all destinations.

- A. Indirect Signature Required.** FedEx will obtain a signature in one of three ways:
1. From someone at the delivery address; or
 2. From a neighbor, building manager or other person at a neighboring address; or
 3. Where available, the recipient can sign a FedEx door tag or utilize other FedEx-approved means to authorize release of the package without anyone present.
- If delivery cannot be completed in these ways, FedEx may reattempt delivery.

- B. Direct Signature Required.** FedEx will obtain a signature from someone at the delivery address. If no one is at the address, FedEx may reattempt delivery.
- C. Adult Signature Required.** FedEx will obtain a signature from someone at the delivery address who is at least the age of majority in the destination country. Government-issued photo identification or other identification customarily accepted by local authorities is required. In all cases, if there is no eligible recipient at the delivery address, FedEx may reattempt delivery.
- D.** Shipments to residential addresses may be released without obtaining a signature. If you require a signature for a residential shipment, select one of the Delivery Signature Options.
- E.** Choosing a Delivery Signature Option overrides a signature release.
- F.** FedEx will assess the delivery signature charge if the shipper requests the Delivery Signature Option, even if a signature is not obtained, the option requested is not available or FedEx is unable to provide a copy of the signature obtained at delivery.
- G.** Also see the Liabilities Not Assumed, Pickup and Delivery, and Routing and Rerouting sections.

Dimensional Weight (Volumetric Weight)

Dimensional-weight pricing is applicable on a per-shipment basis to all shipments in customer packaging. FedEx packaging may also be subject to dimensional-weight pricing. If the dimensional weight exceeds the actual weight, charges based on the dimensional weight will be assessed. Customers who fail to apply the dimensional-weight calculation to a package may be assessed dimensional-weight charges by FedEx. See the Dimensional Weight description in the Fees and Other Shipping Information section of the FedEx Service Guide for additional details.

Duties and Taxes

- A.** In order to complete clearance of certain items through customs, we may be required to advance on your behalf certain duties and taxes as assessed by customs officials. For all shipments we may contact the payer before clearance is complete to confirm the arrangements for reimbursing us. At our sole discretion, we may require confirmation of reimbursement arrangements as a condition to completion of clearance and delivery including, but not limited to, cases of deliveries to recipients that we believe are not creditworthy and of shipments with high declared values.
- B.** Duties and taxes may generally be billed to the sender, the recipient or a third party. If the sender fails to designate a payer on the air waybill, duties and taxes will automatically be billed to the recipient where allowed. Bill Sender Duties and Taxes and Bill Third Party Duties and Taxes are options available only for deliveries to specified locations (call FedEx Express International Customer Service at 1.800.GoFedEx 1.800.463.3339 and say "international services"). REGARDLESS OF ANY PAYMENT INSTRUCTIONS TO THE CONTRARY, THE SENDER IS ULTIMATELY RESPONSIBLE FOR PAYMENT OF DUTIES AND TAXES IF PAYMENT IS NOT RECEIVED. If transportation charges for a shipment are billed to a credit card, FedEx reserves the right to also settle uncollected duties and taxes charges associated with that shipment to the credit card account.
- C.** In the event we advance duties, taxes or other fees, including the U.S. Merchandise Processing Fee, on behalf of the payer, the payer will be assessed an ancillary clearance service fee based on a flat rate or a percentage of the total amount advanced. This ancillary clearance service fee will vary depending upon the destination country. See the Advancement Fee listed under Ancillary Clearance Service Fees in the FedEx Service Guide for the surcharge that applies to U.S. import shipments.
- D.** Shipments marked Bill Recipient Duties and Taxes may be delayed if we are not able to reach the recipient to confirm that we will be reimbursed for any amounts advanced, and the money-back guarantee will not apply in these cases. (See the Liabilities Not Assumed and Money-Back Guarantee Policy sections.)
- E.** If a recipient refuses to pay the duties and taxes, we may contact the sender. If the sender refuses to make satisfactory arrangements to reimburse us, the shipment may be returned to the sender or placed into a general order warehouse or a customs-bonded warehouse. The sender must then pay both the original transportation charges and the return charges. If we advanced any amounts as duties and taxes at either the original destination or upon return, the sender shall also be liable for such amounts.
- F.** Payment for duties and taxes will be made by one of the following means at the sole discretion of FedEx: cash, check (personal or business, provided valid identification is offered), credit card, money order, traveler's check, or debit or deferment account. FedEx does not accept prepayment of duties and taxes at the time of shipment.
- G.** In the event that we require confirmation of duties and taxes reimbursement arrangements from the recipient, we will attempt to contact the recipient no later

than 12 p.m. on the day the shipment is available for customs clearance in the destination country and inform the recipient of the estimated duties and taxes amount. If an arrangement satisfactory to us is made, the shipment will then be cleared through customs and delivered. If the shipment clears customs by 5 p.m. on the day arrangements are confirmed, delivery will be scheduled for the next business day by 5 p.m. or the end of the local business day. In the event we have cleared packages on your behalf and you do not have credit arrangements with FedEx, payment may be required prior to the release of your shipment.

H. In the event the accuracy or propriety of duties and taxes assessed on a shipment is disputed, FedEx or its designated broker may review the shipping documents tendered with the shipment. If FedEx determines that the duties and taxes were properly assessed, the shipper agrees to pay the duties and taxes.

Export Control Laws

FedEx Express is headquartered in the U.S. and will not transport shipments that violate U.S. export controls nor export controls in the countries in which we operate, provided they do not conflict with U.S. law. You are responsible for, and warrant, your compliance with all applicable laws, rules and regulations, including, but not limited to, the U.S. Export Administration Regulations, the U.S. International Traffic in Arms Regulations, the U.S. Foreign Assets Control Regulations and applicable export laws and regulations of any country to, from, through or over which your shipment may be transported. You agree, and warrant, that you will comply with all applicable U.S. government sanctions prohibiting the export or re-export of goods, services or technology to countries and regions listed by the U.S. government unilaterally or in coordination with other countries' sanctions. In addition, no commodities originating or manufactured in any of these countries and regions are accepted for transportation anywhere in the world. For a current list of sanctioned countries and regions go to fedex.com/us/international-resource-center/internationalfaq.html.

Any FedEx Returns service shipments that are forwarded to a third country must also comply with the export control requirements of the country of first departure. You agree to furnish such information and complete and attach to the air waybill such documents as necessary to comply with such laws, rules and regulations.

In addition, you specifically warrant that you will not tender any shipments to us if you or any of the parties involved in the shipment are listed on any of the export controls or sanctions lists published and maintained by: the U.S. Department of Treasury, Office of Foreign Assets Control; the U.S. Department of Commerce Department, Bureau of Industry and Security; the U.S. Department of State, Directorate of Defense Trade Controls; the United Nations Sanctions Committees; the European Union Council; and any other relevant authority. In addition, you agree and warrant that you will not attempt to ship to any entity owned by any party, in the common ownership interest determined by the relevant listing authority, subject to U.S. government economic sanctions.

Any shipments requiring a U.S. Department of State license or authorization, or requiring a U.S. Drug Enforcement Administration export permit, and certain in-bond shipments, must be shipped using our FedEx International Controlled Export service option, only available with FedEx International Priority, FedEx International Priority Freight or FedEx International Priority DirectDistribution services. For further information, go to the FedEx International Controlled Export section on fedex.com/en-us/service-guide/special-handling-services.html.

You agree to identify any shipments requiring any other U.S. government export license or permit, and shipments subject to such pre-export regulatory controls and provide us with information and all necessary documentation to comply with the applicable U.S. laws and regulations. You are responsible at your expense for determining U.S. export licensing or permitting requirements for a shipment, obtaining any required U.S. export licenses or permits, and ensuring that the consignee is authorized as required by the applicable laws and regulations of the origin country, destination country, and any country(s) asserting jurisdiction over the goods.

We assume no liability to you or any other person for any loss or expense — including, but not limited to, fines and penalties — if you fail to comply with any export laws, rules or regulations.

Extra-Large Packages

Extra-large packages are pieces weighing less than 151 lbs. (or destination country limit) that exceed 130 inches (or destination country limit) in length and girth combined. These pieces may be refused, or at our sole discretion may be considered as FedEx International Priority Freight or FedEx International Economy Freight shipments once accepted by us. Dimensional-weight pricing is applicable on a per-shipment basis for extra-large packages. The chargeable weight is the greater of the actual weight or

dimensional weight for extra-large packages and is applied on a per-shipment basis. The total shipment is subject to a minimum billable weight of 151 lbs. multiplied by the number of freight handling units.

Fuel Surcharge

We reserve the right to assess fuel and other surcharges on shipments without notice. The duration and amount of any surcharge will be determined at our sole discretion. By tendering your shipment to FedEx, you agree to pay the surcharges, as determined by FedEx. The fuel surcharge rate, if applicable, is available on fedex.com.

Inspection of Shipments and Identification Requirement

We may, at our sole discretion, open and inspect any shipment without notice. Governmental authorities may also open and inspect any shipment at any time. We may, at our sole discretion, require the shipper to provide their government-issued photo identification prior to tendering a package to FedEx.

Liabilities Not Assumed

FEDEX EXPRESS WILL NOT BE LIABLE FOR ANY DAMAGES IN EXCESS OF THE DECLARED VALUE OR US\$100 OR THE AMOUNT SET BY THE MONTREAL OR WARSAW CONVENTIONS (AS AMENDED), WHICHEVER IS GREATER, FOR CARRIAGE OF A SHIPMENT ARISING FROM TRANSPORTATION SUBJECT TO THE TERMS AND CONDITIONS CONTAINED IN THE FEDEX SERVICE GUIDE, WHETHER OR NOT FEDEX EXPRESS KNEW OR SHOULD HAVE KNOWN THAT SUCH DAMAGES MIGHT BE INCURRED.

In no event shall FedEx Express, including, without limitation, agents, contractors, employees and affiliates, be liable for any special, incidental or consequential damages, including, without limitation, loss of profits or income, whether or not FedEx Express had knowledge that such damages might be incurred.

If we inadvertently accept a shipment with a destination city or cities that we do not serve in a country to which FedEx Express international services are provided, we may attempt to complete the delivery. However, we will not be liable and we will not provide any proof of delivery. The delivery commitment listed for such country will not apply, and the applicable rate will be the highest for that country plus the maximum extended service area surcharge. In these cases, the money-back guarantee applies only to the portion of the transportation provided directly by us.

We will not be liable or responsible for loss, damage or delay caused by events we cannot control.

We will not be liable for, nor will any adjustment, refund or credit of any kind be given as a result of, any loss, damage, delay, misdelivery, nondelivery, misinformation or failure to provide information caused by or resulting in whole or in part from:

- D. Perils of the air, public enemies, criminal acts of any person(s) or entities including, but not limited to, acts of terrorism, public authorities acting with actual or apparent authority, authority of law, local disputes, civil commotion, hazards incident to a state of war, local, national or international weather conditions (as determined solely by us), local, national or international disruptions in air or ground transportation networks (as determined solely by us), strikes or anticipated strikes (of any entity, including, but not limited to, other carriers, vendors or suppliers), labor disruptions or shortages caused by pandemic conditions or other public health event or circumstances, natural disasters (earthquakes, floods and hurricanes are examples of natural disasters), conditions that present a danger to our personnel, and disruption or failure of communication and information systems (including, but not limited to, our systems).
- E. Our compliance or noncompliance with verbal or written delivery instructions from the sender, recipient or persons claiming to represent the shipper or recipient.
- F. Our compliance or noncompliance with any request to intercept a shipment in transit, or to prevent delivery.
- G. Damage or loss of articles packaged and sealed by the sender or by person(s) acting at the sender's direction, provided the seal is unbroken at the time of delivery, the package retains its basic integrity, and the recipient accepts the shipment without

Limitations on Legal Actions

In the event that the Warsaw Convention, as amended, or Montreal Convention does not prescribe limitations on legal actions, the following will apply.

Any right you might have to damages, refunds, credits, recovery of reliance interests, disgorgement, restitution, injunctive relief, declaratory relief or any other legal or equitable relief whatsoever against us under any cause of action arising from the transportation of any package pursuant to the FedEx Service Guide shall be extinguished unless you file an action within one year from the date of delivery of the shipment or from the date on which the shipment should have been delivered.

Any right that you might have to damages, refunds, credits, recovery of reliance interests, disgorgement, restitution, injunctive relief, declaratory relief or any other legal or equitable relief whatsoever against us under any cause of action arising from the transportation of any package pursuant to the FedEx Service Guide shall be extinguished unless you first comply with all applicable notice periods and requirements in these terms and conditions including, but not limited to, the periods and requirements for providing notice under the Billing, Claims and Money-Back Guarantee Policy sections. You and we understand that timely and complete compliance with such notice periods and requirements is a contractual condition precedent to your right to any relief whatsoever, and you must plead compliance with those conditions precedent on the face of any complaint that you file against us. You and we agree that FedEx cannot be considered to have breached any obligation to you unless or until we wrongfully deny a claim submitted to us pursuant to the notice periods and requirements contained in these terms and conditions. Finally, you and we agree that you will comply with applicable notice periods and requirements even if you believe that such compliance will not result in relief from us or if you lack knowledge regarding whether such compliance will result in relief from us.

You agree that you will not sue us as a class plaintiff or class representative, join as a class member, or participate as an adverse party in any way in a class-action lawsuit against us. Nothing in this paragraph, however, limits your rights to bring a lawsuit as an individual plaintiff.

To the extent that any court finds that state rather than federal law applies to any provision of this contract, the controlling law is the substantive law of the state in which you tendered your shipment to us.

The performance of any services does not make us an agent of the shipper or any third party for any purpose.

FedEx Express does not accept live-animal shipments as part of its regular-scheduled service and does not transport household pets such as dogs, cats, birds and hamsters. FedEx Express may accept certain shipments of live animals such as horses, livestock and zoo animals (to and from zoo locations only) on an exception basis if approved and coordinated by the FedEx Animal Desk (call 1.800.405.9052).

International Shipments (U.S. Edition)

Money-Back Guarantee Policy

We offer a money-back guarantee for our services.¹ This guarantee can be suspended, modified or revoked at our sole discretion without prior notice to you.

A. Money-Back Guarantee. For U.S.-based payers, we will, at our option, and upon request, either refund or credit to the applicable invoice only your transportation charges if we deliver a shipment 60 seconds or more after the applicable delivery commitment time. The money-back guarantee applies to shipments tendered using the following services: FedEx International First, FedEx International Next Flight, FedEx International Priority, FedEx International Priority Freight, FedEx International Economy, FedEx International Economy Freight, FedEx International Priority DirectDistribution, FedEx International Priority DirectDistribution Freight and FedEx International Premium. It does not apply to FedEx International MailService. This money-back guarantee is your exclusive remedy in the event of a service failure for the recovery of all or any portion of the FedEx charges for a shipment. If the money-back guarantee is suspended, there is no remedy or recovery of charges for a service failure. There are no delivery commitments for shipments on which the money-back guarantee is suspended.

B. Limitations. The following limitations apply:

1. Credits for transportation charges will be applied to the payer's account only, and refunds will be made payable to the payer only.
2. Only one refund or credit is permitted per package. In the case of multiple-piece shipments, this money-back guarantee applies to each package in the shipment. If a service failure occurs for any package within the shipment, a refund or credit will be given only for the portion of the transportation charges applicable to that package. For FedEx International Priority DirectDistribution and FedEx International Priority DirectDistribution Freight, the money-back guarantee is prorated based on the number and weight of packages within the shipment where delivery is not completed by the service commitment.
3. A credit or refund under our money-back guarantee policy will be applied only against charges for the shipment giving rise to the credit.
4. An exact delivery commitment time can be obtained only by telephoning International Customer Service and supplying us with all of the following:
 1. Commodity being shipped
 2. Date of the shipment
 3. Exact destination
 4. Weight of the shipment
 5. Value of the shipment

Any transit time published in the FedEx Service Guide or elsewhere, or quoted by Customer Service without the above five required facts, is only an estimate and is not a stated delivery commitment time. You agree that our records regarding quoted delivery times will constitute conclusive proof of any such quotes.

5. If a delivery later than the original delivery commitment time is requested by the shipper or recipient before the first delivery attempt is made, the delivery commitment time for application of the money-back guarantee policy will be adjusted to account for the requested delivery date and/or time. However, the money-back guarantee may not apply to certain shipments for which the recipient has requested to modify or customize delivery through methods approved by FedEx.
6. If the shipper or recipient informed FedEx that the recipient location is closed on a certain day or at a certain time, the delivery commitment time for application of the money-back guarantee policy will be the next business day at the delivery commitment time for the service originally selected.
7. This money-back guarantee does not apply to requests for invoice adjustment based on overcharges (see the Billing section) or shipments to P.O. box addresses acceptable for delivery (see the Post Office Box Addresses section).
8. The money-back guarantee for shipments destined for our extended service areas applies only to the portion of the transportation provided directly by us.
9. This money-back guarantee applies only to transportation charges paid by U.S.-based payers and does not apply to duties, taxes or other charges, including ancillary clearance service fees.
10. Holidays in international locations will affect our transit times. Contact International Customer Service for information on delivery commitments that may be affected due to the observance of these holidays. Deliveries normally scheduled to be made on the day of holiday observance will be rescheduled for delivery on the next business day. The delivery commitment for application of the money-back guarantee policy will be extended for a period equal to the length of the holiday.
11. If the sender or recipient specifies a customs broker other than FedEx or the

broker selected by FedEx (where this service is available), notification may be given to the broker by 12 p.m. on the first business day the shipment is available for customs clearance in the destination country, and such notification constitutes timely delivery.

12. For FedEx International Next Flight service, the quoted delivery time may be changed for many reasons, including, but not limited to, the following: flight delays or cancellations due to air traffic control, weather or mechanical problems. If the delivery commitment is changed, the money-back guarantee will only be applicable to the latest quoted delivery time.

C. Exceptions. FedEx will not be obligated to refund or credit your transportation charges if:

1. We provide you with proof of timely delivery, consisting of the date and time of delivery and, if applicable, the name of the person who signed for the shipment, or service-exception information reflecting that the failure to deliver timely resulted from circumstances described under the Liabilities Not Assumed section.
2. The service failure resulted, in whole or in part, from any of the circumstances described under the Liabilities Not Assumed section.
3. The payer's FedEx account number was not in good credit standing, or payment instructions were invalid, and delivery was delayed until payment arrangements were secured.
4. The shipment was scheduled for delivery on the Wednesday immediately prior to Thanksgiving via any FedEx Express international or FedEx Express Freight international service, and was delivered within 90 minutes of the published delivery commitment time for the selected service and destination.
5. The shipment was scheduled for delivery during the seven calendar days before Christmas Day via any FedEx Express international or FedEx Express Freight international service, and was delivered by the end of the day on the published delivery commitment date for the selected service and destination.
6. The shipment was undeliverable or returned.
7. The shipment contained dangerous goods or dry ice.
8. The shipment was delayed due to an incorrect address or to the unavailability or refusal of an appropriate or eligible person to accept delivery or sign for the package.
9. The shipment was delayed due to customs or regulatory delays, including, but not limited to, any delays resulting from compliance with advance notice or prior notice requirements.
10. The delay in delivery was caused by adherence to FedEx policies regarding the payment of duties and taxes prior to customs clearance or at delivery.
11. Incorrect FedEx tracking numbers were applied to the subject package or shipment by customers using FedEx electronic shipping devices.
12. Complete recipient information was not provided at the time of tender to FedEx. Complete recipient information must be provided on either the air waybill or through any FedEx electronic shipping device.
13. You did not book an international freight shipment as required.

D. Refund or Credit Requests. To qualify for a refund or credit due to a service failure, you must notify us of the service failure and request a refund or credit of your transportation charges in compliance with the conditions listed below. If you do not comply with these conditions, you are not entitled to receive a refund or credit and cannot recover compensation for a service failure in any lawsuit.

1. You may request a refund or credit of transportation charges due to a service failure in the following ways:
 - a. Use our internet application FedEx Billing Online at fedex.com if you are a registered user; or
 - b. Submit your request through the invoice adjustment feature at fedex.com; or
 - c. Submit the request via our telephone invoice adjustment system at 1.800.GoFedEx 1.800.463.3339 (say "billing").
2. Your notification of a service failure must include your FedEx account number, if any; the FedEx tracking number; and the date of the shipment.
3. All requests for refund or credit of transportation charges must be received via one of the approved channels within 15 calendar days of the invoice date or within 15 calendar days from the ship date if you are paying by credit card or in advance by cash, check or money order.
4. A partial payment against an invoice is not considered a request for invoice adjustment or notice of a refund request. A notification of the reason for an unpaid charge with your payment is not considered a request for an invoice adjustment or notice of a refund request if the reason relates to a service failure.

Package Consolidators (Including FedEx Authorized ShipCenter Locations, and FedEx ShipSite Locations at Office Depot and OfficeMax)

FedEx cannot accept a consolidation under FedEx Express international services or FedEx International Broker Select from a forwarder, unless the shipper:

- a. Is a FedEx Authorized ShipCenter or FedEx ShipSite location, or
- b. Ships using FedEx International Airport-to-Airport, or
- c. Ships using FedEx International Express Freight, or
- d. Ships using FedEx International Premium.

In addition, Package Consolidators are responsible for complying with all applicable requirements in these terms and conditions including, but not limited to, customs and other legal requirements applicable to packages tendered for international transportation.

If you tender packages to a Package Consolidator instead of to us directly, the following limitations apply:

- A. Package Consolidators are not agents of FedEx, and we are not responsible for any errors or omissions made by them.
- B. Package Consolidators may submit claims for refunds or credits for shipping charges under the money-back guarantee policy. Neither the person or entity tendering the package to the Package Consolidator nor the recipient is eligible for refunds or credits under the money-back guarantee policy.
- C. In order for a Package Consolidator to receive packaging supplies from FedEx, the Package Consolidator must first enter into a Packaging and Pricing Agreement or a FedEx Authorized ShipCenter Agreement with FedEx.
- D. Package Consolidators may charge FedEx Retail Rates for FedEx shipping services, but they are not required to. Package Consolidators set their own rates for reselling FedEx services.
- E. FedEx assumes no liability, other than to the Package Consolidator, for lost, damaged or delayed shipments tendered to a Package Consolidator, as the Package Consolidator is the shipper of these packages. Package Consolidators are independently owned and operated businesses.
- F. See the Package Consolidator representative for information regarding rates and services and the terms and conditions of carriage. Inquiries or claims regarding shipments tendered to a Package Consolidator must also be directed to the Package Consolidator.
- G. As directed by FedEx, Package Consolidators must require a government-issued photo ID to validate the identity of their customer and must keep a record of the name and address on the ID of their customer for each package.

Package Tracking/Tracing

Tracing of international packages is available upon request. Call FedEx International Customer Service at 1.800.GoFedEx 1.800.463.3339 (say "international services") and a tracing specialist will assist you. To trace your package, you must have all of the following information when you call us:

- A. Air waybill number.
- B. Date of shipment.
- C. Recipient's name and address.
- D. Number of packages and total weight of shipment.
- E. Contents and value of shipment.
- F. Your name and phone number, so we can call you back.

Packaging and Marking

- A. You must comply with all applicable laws (including, but not limited to, local, state, federal and international laws), including those governing packing, marking and labeling for all shipments.
- B. It is the responsibility of the sender to properly complete the air waybill. The sender's address on an air waybill or electronic shipping device must show the country in which the shipment is tendered to FedEx.
- C. All packages must be prepared and packed by the shipper for safe transportation with ordinary care in handling in an express-transportation environment. Any articles susceptible to damage as a result of conditions that may be encountered in transportation, such as changes in temperature or atmospheric pressure, must be adequately protected by proper packaging. FedEx assumes no liability for perishables or commodities that could be damaged by exposure to heat or cold. Each shipment must be legibly and durably marked with the name, address and ZIP code/postal code of both the shipper and recipient. Packages cannot be wrapped in kraft paper.
- D. You must use FedEx packaging or new corrugated boxes in good, rigid condition large enough to allow cushioning of contents on the top, bottom and sides. For guidelines

- on packaging specific commodities go to fedex.com/packaging. Items that cannot be packed into cartons (such as auto tail pipes, mufflers, tires and rims) must have all sharp edges and protrusions wrapped, and the address label must be secured using the tie-on tag or the tire/crate label provided by FedEx (or you may secure it by wrapping pressure-sensitive tape completely around the object). Briefcases, luggage, garment bags, aluminum cases, plastic cases, computer cartons or similar types of items whose outer finish might be damaged by adhesive labels, soiling, marking or other types of surface damage that is normal with ordinary care in handling should be placed in a protective container for shipment. Casters, wheels and rollers must be removed or packaged.
- E. Expanded polystyrene foam coolers must be shipped inside a sturdy outer container unless tested and approved for acceptance by FedEx Packaging Design and Development. Information on how to submit your packaging for testing is available at fedex.com/packaging. Expanded polystyrene foam coolers containing blood, urine and other noninfectious liquid clinical specimens must be shipped inside a sturdy outer packaging.
 - F. FedEx does not recommend the use of wet ice (frozen water) as a refrigerant. Packages containing wet ice must be prepared to prevent the leakage of any liquid, regardless of package orientation. For additional wet-ice packaging requirements, refer to the packaging guide Packaging Perishable Shipments at fedex.com/packaging.
 - G. If a shipment is refused by the recipient, leaks or is damaged, the shipment will be returned to the sender if possible. If the sender refuses to accept the returned shipment or it cannot be returned because of leakage, or damage due to faulty packaging, the shipper is responsible for and will reimburse FedEx for all costs and fees of any type connected with the legal disposal of the shipment, and all costs and fees of any type connected with cleanup of any spill or leakage.
 - H. FedEx reserves the right to request a shipper to submit a representative sampling of the packaging for inspection and testing. If the shipper fails to comply with our request to inspect and test the packaging, or the sampling fails FedEx testing, FedEx will not be liable for any damages due to improper packaging.
 - I. FedEx may issue written notice to you if you repeatedly fail to adhere to FedEx's packaging requirements due to your pattern or practice of insufficient packaging. Claims for damage or loss associated with an identified pattern or practice of insufficient packaging will be denied. Any such claim filed related to your shipments will not be paid, regardless of which party files the claim, unless the claimant can establish that the loss or damage did not result from a failure to use proper packaging. FedEx will continue to deny such claims until we determine that you have ceased the pattern or practice of failing to adhere to the packaging requirements. Nothing in this paragraph is intended to limit FedEx's right to deny a claim where the shipment in dispute is found to have improper packaging.
 - J. Information on how to submit your packaging for testing or evaluation, and tips on packaging specific commodities (including automotive and mechanical parts, computers and perishables), are available at fedex.com/packaging.
 - K. For international freight shipments, freight must be on a skid, pallet or other forkliftable base. Boxes should be stacked squarely on the skid without hanging over the edge, and the weight should be distributed evenly on the skid to avoid excess weight being placed on materials inside the cartons. Use 70-gauge stretchwrap and pass a minimum of two bands (tightly secured) through the skid voids and around all cartons.
 - L. FedEx account holders may order supplies via fedex.com or by calling 1.800.GoFedEx 1.800.463.3339 (say "order shipping supplies").

Perishables

Shipments containing perishable articles must be packaged for a minimum transit time of at least 24 hours greater than our delivery commitment time for the shipment. Shipping perishable articles over a weekend or holiday is discouraged, and packaging such shipments for longer transit times is required. We recommend that you ship perishable items via FedEx International First, FedEx International Priority or FedEx International Priority Freight and have your proposed packaging evaluated by FedEx Packaging Design and Development. Information on how to submit your packaging for evaluation is available at fedex.com/packaging. Some perishables are prohibited from shipment (see the Prohibited Items section). For non-prohibited perishable shipments, your failure to use proper packaging releases us from any liability for spoiled perishables that we would otherwise assume (see the Liabilities Not Assumed section).

Pharmaceuticals

Shipments of pharmaceuticals will only be accepted when tendered in accordance with applicable local, state, federal and international laws. The shipper is responsible for compliance with all applicable laws. Controlled shipments moving under U.S. Drug Enforcement permits must be shipped using the FedEx International Controlled Export service option or FedEx air cargo services.

FedEx Express Terms and Conditions

International Shipments (U.S. Edition)

Pickup and Delivery

- A.** We provide delivery service at no additional charge to international destinations within primary service areas.
- B.** Agents are utilized for deliveries to points in extended service areas (ESAs). Depending on the final destination, an ESA surcharge per shipment may be applied for U.S. export shipments; see Rates in the FedEx Service Guide for details. Please call FedEx International Customer Service to determine if your shipment will be subject to an ESA surcharge.
- C.** We do not offer a restricted-delivery service and may deliver to someone other than the person or entity named as the recipient. We also may make an indirect delivery. Indirect delivery is a completed delivery to an address or location other than the address on the air waybill. Package addresses must include the complete street address and telephone or telex number of the recipient.
- D.** Shipments to hotels, hospitals, government offices or installations, university campuses, or other facilities that utilize a mailroom or other central receiving area will be delivered to the central receiving area, unless otherwise authorized and approved by FedEx.
- E.** Any person scheduling a pickup other than the sender must provide a FedEx account number in good credit standing, otherwise the pickup must be scheduled by the sender. We require a minimum of two hours from the time the shipment(s) will be ready to make the pickup. (Contact FedEx International Customer Service for the specific lead times required.) Repeated pickup attempts without packages being ready may result in the cancellation of pickup privileges.
- F.** If we inadvertently accept a shipment with a destination city not served in a country to which FedEx International Priority is provided, we may attempt to complete the delivery. However, certain limitations will apply. (See the Liabilities Not Assumed section.)
- G.** FedEx International Priority Freight or FedEx International Economy Freight shipments picked up or delivered to H3 areas will be picked up or delivered via cartage agents and a special handling fee will apply; see Rates in the FedEx Service Guide. Freight pickup and delivery is not available on weekends (except in offshore locations where standard business days vary) for FedEx International Priority Freight and FedEx International Economy Freight.
- H.** Proof of pickup is available upon request. You must provide the pickup number or FedEx tracking number (also known as the air waybill number). We will not provide proof of pickup unless you provide this information.
- I.** At our sole discretion, we may refuse to pick up or deliver a shipment (package or freight), or use alternative pickup or delivery arrangements, to maintain the safety of our employees and in cases in which we believe that our services may be used in violation of local, state, federal or international laws.
- J.** Additional charges may apply for late-hours, weekend or holiday pickup and delivery.
- K.** The delivery commitment for FedEx International Next Flight service will be the delivery time quoted to each customer. The quoted delivery time will vary for each shipment and will depend on the availability of suitable commercial airline flights.
- A quoted delivery time may be changed for a variety of reasons, including, but not limited to, flight delays or cancellations due to air traffic control, weather or mechanical problems. In the event of the occurrence of any of the foregoing, the FedEx International Next Flight Service Desk shall quote a new delivery time to the shipper and recipient (if requested by the shipper) by telephone or by customer-reasonably-requested method; this new delivery time shall then become the quoted delivery time. Two attempts will be made to reach the shipper and two attempts to reach the recipient (if requested by the shipper). Any such change in the quoted delivery time will be logged in to the tracking system.
- L.** In order to facilitate delivery or release of a shipment, FedEx may, at its sole discretion, contact the recipient to obtain delivery instructions, or to notify them that a delivery is scheduled, that a delivery has been completed or that a shipment is available for pickup at a Hold at Location facility. Where available, FedEx may also permit recipients to request modification or customization of delivery through methods approved by FedEx.
- M.** At its discretion, FedEx may not deliver or attempt delivery within the delivery commitment time of the service requested, if the shipper or recipient requested a later delivery or informed FedEx that the recipient is closed during the delivery commitment time. In this situation, charges will be assessed based on the service initially selected by the shipper. The shipper or payer is responsible for communicating with the recipient regarding requested later delivery times and is responsible for knowing the days and times that the recipient location can accept FedEx deliveries.
- N.** If a shipper tenders packages that substantially exceed the number, type, size and/or weight of packages tendered on average for the location by the shipper

throughout the year, FedEx may accept such packages but, at its sole discretion, suspend the FedEx Money-Back Guarantee, if applicable, or adjust commitment times.

O. We reserve the right to assess a Residential Delivery surcharge on any shipment delivered to a home or private residence, including locations where a business is operated from a home, or on any shipment in which the shipper has designated the delivery address as a residence, including shipments where the delivery location has been designated as Residential Delivery in error.

Post Office Box Addresses

You may use post office box addresses for certain international locations, including shipments to Puerto Rico, but you must include a valid telephone, fax or telex number on the air waybill. FedEx cannot deliver to U.S. military post office box addresses such as APO, FPO and DPO.

Prohibited Items

You are prohibited from tendering the following items for shipment to any international destinations unless otherwise indicated, and you agree not to do so. The shipper agrees to indemnify FedEx for any and all costs, fees and expenses FedEx incurs as a result of the shipper's violation of any local, state or federal laws or regulations or from tendering any prohibited item for shipment.

¹You may be able to ship these items via FedEx International Controlled Export, FedEx International Premium, FedEx International Express Freight or FedEx International Airport-to-Airport. For information on FedEx International Controlled Export, call International Customer Service at 1.800.GoFedEx 1.800.463.3339 (say "international services"). Proof of Performance (Verbal)

When requested by the sender or recipient, verbal confirmation of delivery (date, time and name of person who signed for the shipment) is available. For shipments to many countries that we serve, this information is usually available by 12 a.m. local time in the country of delivery on the day of scheduled delivery.

For FedEx International Next Flight service, a proof-of-delivery phone call to the shipper stating the date and time of delivery, and the name of the person who signed for the shipment will be performed for every shipment. Two attempts will be made to reach the shipper by telephone. A faxed proof of delivery will also be provided upon request by the shipper or the recipient.

Proof of Performance (Written)

When requested by the sender or recipient within one year of the shipping date, we will, at our option, furnish a photostatic copy of the destination delivery record or electronically captured delivery information for deliveries made to most points served. We assume no liability for our inability to provide a copy of the delivery record.

Signature proof of delivery showing an image of the recipient's signature may be available online at fedex.com for express deliveries made within the U.S., Canada and Puerto Rico.

Rate Quotations

Rates and service quotations provided to you by FedEx, including but not limited to, rates and service quotations provided by our employees, agents, interactive voice response systems and customer automation platforms are estimates and will be based upon information provided by you, but final rates and service charges may vary from the

quotes based upon the characteristics of the shipment actually tendered to us and the application of these terms and conditions. We are not liable for, nor will any adjustment, refund or credit of any kind be made, as a result of any discrepancy in any rate or service quotation made prior to tender of the shipment and the rates, and other charges that we invoice to you. Any conflict or inconsistency between the FedEx Service Guide and other written or oral statements or quotes (except those found in a FedEx Sales or FedEx Express Customer Automation agreement) concerning the rates, features of service, and terms and conditions applicable to FedEx Express service will be controlled by the FedEx Service Guide, as modified, amended, changed or supplemented. FedEx only provides estimates of customs duties and taxes through the Estimate Duties and Taxes feature on FedEx Global Trade Manager at fedex.com.

Rates quoted will vary depending on whether (1) the shipper is a FedEx account holder and (2) the shipper has discounts applied to his or her account.

- Shippers will be quoted FedEx Standard List Rates if they have a valid FedEx account, do not have discounts applied to their account and if they charge their shipping to their account.
- Shippers will be quoted Account-Specific Rates if they have a valid FedEx account, have discounts applied to their account and if they charge their shipping to their account.
- Shippers will be quoted FedEx Retail Rates for shipments originating in the U.S. that are paid for by cash, check, debit or credit card instead of being charged to a valid FedEx account.

Refusal or Rejection of Shipments

We reserve the right to refuse, hold or return any shipment and may do so at our sole discretion and without liability to us. We will execute that right when (but not limited to cases in which): (1) the shipment may cause damage or delay to other shipments, property or personnel; (2) the shipment is likely to sustain damage or loss in transit because of improper packaging or otherwise; (3) the shipment contains any prohibited items; (4) the account of the person or entity responsible for payment is not in good credit standing; (5) when acceptance of the shipment may jeopardize our ability to provide service to other customers; or (6) when FedEx is unable to validate the identity of the shipper. We have no liability whatsoever for refusal or rejection of shipments.

Restrictions

- A. Size restrictions vary by country.
- B. Per-package weight limits may vary by country.
- C. There is no limit on the aggregate weight of a multiple-piece shipment (except to Argentina), provided each individual package does not exceed the per-package weight limit for the destination country. Shipments exceeding 500 lbs. require advance arrangements with us. You must call us to arrange for pickup commitments and delivery commitments. The money-back guarantee will apply only once a delivery commitment has been established by FedEx after pickup of your shipment.
- D. No more than one type of service may be indicated on a single air waybill and no more than one FedEx Envelope, FedEx 10kg Box or FedEx 25kg Box may be shipped on a single air waybill.
- E. You may ship up to 10 different commodities on a single air waybill.
- F. The declared value for carriage cannot exceed the declared value for customs as indicated on the air waybill.

Return and Import Shipping Options

Shipments returned to the United States using the FedEx Global Returns service option are governed by the terms and conditions applicable to the country from which the shipment is returned. Those terms and conditions of service may vary from country to country. Consult fedex.com/globalreturns or our local office in the origin country for details.

Returns customers may use a currency other than U.S. dollars. Note that currency conversion rates may fluctuate. If a currency other than U.S. dollars is used, the U.S. returns party must check the current conversion rate to determine if an Electronic Export Information (EEI) is required to be filed. If a returns label is sent to the U.S., the U.S. returns party should always ensure that the Automated Export System (AES) proof of filing citation or Foreign Trade Regulations (FTR) exemption statement is correctly printed on the label before exporting.

FOR FEDEX GLOBAL RETURNS, NOTWITHSTANDING ANY PAYMENT INSTRUCTIONS THAT ARE GIVEN TO FEDEX, THE PARTY THAT INITIATES A RETURN SHIPMENT TRANSACTION WITH FEDEX IS ULTIMATELY LIABLE FOR, WILL BE BILLED FOR, AND AGREES TO PAY, ALL CHARGES AND FEES, INCLUDING ANY SPECIAL HANDLING FEES AND ANY DUTIES OR TAXES WHICH WE HAVE ADVANCED, REGARDLESS OF ANY

PAYMENT INSTRUCTIONS TO THE CONTRARY, IF THE SENDER OR THIRD PARTY FAILS OR REFUSES TO PAY.

Shipments initiated via the Create Import Shipment feature on fedex.com are governed by the terms and conditions applicable to the country from which the shipment originates. Those terms and conditions of service may vary from country to country. Consult our local office in the origin country for details.

FOR SHIPMENTS INITIATED VIA THE CREATE IMPORT SHIPMENT FEATURE ON FEDEX.COM, NOTWITHSTANDING ANY PAYMENT INSTRUCTIONS THAT ARE GIVEN TO FEDEX, THE PARTY THAT INITIATES THE IMPORT SHIPMENT TRANSACTION WITH FEDEX IS ULTIMATELY LIABLE FOR, WILL BE BILLED FOR, AND AGREES TO PAY, ALL CHARGES AND FEES, INCLUDING ANY SPECIAL HANDLING FEES AND ANY DUTIES OR TAXES WHICH WE HAVE ADVANCED, REGARDLESS OF ANY PAYMENT INSTRUCTIONS TO THE CONTRARY, IF THE SENDER OR THIRD PARTY FAILS OR REFUSES TO PAY.

Routing and Rerouting

We will determine the routing of all shipments. Some shipments may be consolidated or forwarded by FedEx for transportation on foreign air carriers, or on either a charter or an interline basis as FedEx may determine. We reserve the right to divert any shipment (including use of other carriers) in order to facilitate its delivery.

FedEx assumes no obligation to reroute any shipment to a third country, to carry the goods by any specified aircraft or over any particular route or to make connection at any point according to any schedules. You agree that FedEx may, without notice, substitute alternative carrier or aircraft, deviate from the route or routes, or cause the goods to be transported by motor vehicle.

FedEx may not reroute shipments when Adult Signature Required has been selected or applied as a delivery signature option.

Dangerous goods may not be rerouted to an address other than the original intended-recipient's address provided by the shipper. (*Note:* Shipments may be made available as hold for pickup or be returned to the sender.)

Any requested change to an address that is not a reroute or an address correction is a new shipment, and new shipping charges will apply.

THERE ARE NO STOPPING PLACES THAT ARE AGREED TO AT THE TIME OF THE TENDER OF THE SHIPMENT, AND WE RESERVE THE RIGHT TO ROUTE THE SHIPMENT IN ANY WAY WE DEEM APPROPRIATE.

Note: This section does not apply to requests for delivery to another address made by the recipient through methods approved by FedEx.

Undeliverable Shipments

An undeliverable shipment is one that cannot be delivered for reasons that include, but are not limited to, any of the following:

- The recipient refuses to pay for a bill-recipient shipment.
- The recipient refuses to accept the shipment prior to, during or after delivery.
- The recipient's delivery address cannot be located.
- The shipment was addressed to an area not served by FedEx.
- The shipment's contents or packaging are damaged to the point that rewrapping is not possible.
- The shipment is unable to clear customs.
- The shipment would likely cause damage or delay to other shipments or property or injury to personnel.
- The shipment contains prohibited items.
- The recipient's place of business is closed.
- No appropriate person was available to accept the shipment at a delivery location on the initial delivery attempt or reattempts.
- The shipment was improperly packaged.
- The recipient of a Hold at Location shipment cannot be located.

Should a shipment be classified as undeliverable or unidentifiable, the following guidelines apply:

A. If a shipment is undeliverable for any reason, we may attempt to notify the sender to arrange for the return of the shipment if local customs regulations will allow. If the sender cannot be contacted within five business days, we may place the shipment in a general order warehouse or a customs-bonded warehouse or will dispose of the shipment. FedEx reserves the right, at its sole discretion, and without notice, to sell, destroy or otherwise dispose of undeliverable shipments. By tendering a shipment, the shipper agrees to transfer and convey good and sufficient title of the contents of undeliverable shipments to FedEx, and agrees to pay any costs incurred in returning, storing or in the sale, destruction or disposal thereof.

B. For shipments returned from international points to the U.S., return charges and fees will be assessed to the original shipper, along with the original charges and fees. Also included will be any other charges incurred by us, including, but not limited to, duties, taxes, ancillary clearance fees and storage fees, if applicable. For returned shipments containing dangerous goods, the shipper must supply a completed return air waybill and all other required documents.

C. Shipments that cannot be returned due to local regulatory constraints will either be placed in a general order warehouse or a customs-bonded warehouse or disposed of at our sole discretion and at any location. The shipper agrees to pay any costs incurred by FedEx in such placement or disposal.

FedEx Ground Tariff

The FedEx Ground Tariff, contained in the FedEx Service Guide, supersedes all previous terms and conditions, tariffs, amendments, supplements, and other prior statements concerning the rates and conditions of FedEx Ground service to which this tariff applies. The contract of carriage as expressed in this tariff constitutes the entire agreement between the parties and supersedes all previous agreements and understandings, whether oral or written, between the parties or any agents, affiliates or subcontractors thereof (including FedEx Office and Print Services, Inc. and its agents, affiliates and employees ["FedEx Office"]) with respect to the subject matter hereof, and each party warrants that it has not relied and will not be relying upon any evaluation, representation or advice from the other party, its agents, affiliates or subcontractors (including any agents, affiliates or employees of FedEx Office) except representations expressly made in writing in this tariff.

FedEx reserves the right to unilaterally modify, amend or supplement the rates, features of service, services, terms and conditions, and tariff in the FedEx Service Guide applicable to all customers without notice. To the extent that conflicts exist, if any, between the terms and conditions, other parts of the FedEx Service Guide, and the current versions, if any, of the FedEx Ground Tariff 200 and fedex.com, the downloadable version (PDF) of the FedEx Ground Tariff (including any amendments, supplements or both) as then in effect on the date of shipment shall control.

FedEx Ground Tariff

Non-Waiver

Any failure by us to enforce or apply a term, condition or provision of this FedEx Ground Tariff does not constitute a waiver of that term, condition or provision and does not otherwise impair our right to enforce such term, condition or provision.

Account Numbers

All shipments originating in the U.S. and paid for with cash, check, debit or credit card must be tendered at a staffed shipping location, and will be charged FedEx Retail Rates.

Account numbers are issued by FedEx according to shipping location and are nontransferable. Account numbers are issued and used solely at the discretion of FedEx. FedEx may discontinue the use of accounts, in whole or in part, and terminate all or particular accounts and account numbers at any time, for any reason, at its sole discretion. Improper, illegal or any other misuse of your FedEx account may also, at the sole discretion of FedEx, result in loss of discounts or termination of the account. Improper, illegal or other misuse includes, but is not limited to, unauthorized consolidation of shipments owned by different parties, or violations of the terms and conditions in this FedEx Service Guide. If your account has been compromised or stolen, the account may be closed and you may be issued a new account. However, you will be responsible for all valid charges on the closed account. Any materials, rights or privileges that you acquire by holding a FedEx account number may not be used for any purpose other than shipping with FedEx, and FedEx may seek damages against you for any improper, illegal or other misuse of your account. If your account is terminated, we reserve the right, at our sole discretion, to deny your application for new or additional FedEx account numbers at any time in the future. All charges will be billed and must be remitted in U.S. funds.

Any individual or entity that uses the FedEx account or shipping discounts of another FedEx account holder without authorization will be charged Standard List Rates for all such shipments without prior notice. This includes all shipments, whether they are classified as "Bill Sender," "Bill Recipient" or "Bill Third Party," or any other method of billing. Unauthorized use includes, but is not limited to, using the shipping discount of another FedEx account holder without the knowledge and permission of both FedEx and the account holder.

All requests for account numbers are subject to credit investigation and verification by our Credit Department and Customer Account Confirmation Department. FedEx utilizes business credit reporting agencies, audited financial statements, Standard & Poor's and Moody's bond ratings, and other sources as necessary, to determine eligibility for open credit terms. FedEx does not offer consumer credit privileges. Any individual shipping for personal use must prepay the shipment charges or establish a FedEx account for billing directly to a major credit card. Stored-value cards or gift cards cannot be used to open an account; however, such cards may be used for payment when tendering a package at staffed FedEx shipping locations, and in conjunction with our credit card acceptance policy. If your FedEx account is billed directly to a credit card, you agree to the following terms: (1) you authorize FedEx to initiate variable charges to the credit card to settle charges payable to FedEx; (2) you authorize FedEx to charge your card for any unpaid amounts on your account; (3) you authorize the card issuer to pay any amounts associated with your account without requiring a signed receipt; (4) you agree to keep your card information current (FedEx may receive updates on your card information from participating issuing banks and may update your account profile to avoid service disruptions); (5) you agree that FedEx shall have no liability for any insufficient funds or other charges incurred from attempts to charge and/or place holds on your card; and (6) your agreement to these terms and conditions is to be accepted as authorization to the card issuer to pay all amounts associated with your account.

The party to whom a FedEx account number is issued is liable for all charges to the account, including those resulting from unauthorized use. The account holder is responsible for the safekeeping of the account number. The account number should be released only to those authorized to ship on the account.

Failure to keep your FedEx account current may result in "termination" of your FedEx Ground service. If the account number to be billed is not valid, the shipment may be refused, delayed or returned until an alternative form of payment is secured. If a package is held, returned, or delivery is otherwise delayed because the account is not in good credit standing, you will not be entitled to a refund or credit of your transportation charges under the money-back guarantee policy.

You must use your FedEx account number to obtain any discount applicable to your account. Use of your account number constitutes your agreement that all packages shipped by us shall be subject to this tariff, as modified, amended or supplemented.

For FedEx Ground services, you may only request FedEx to bill accounts with a U.S. or Canadian billing address. Any request for FedEx to bill otherwise is null and void, and

FedEx, at its sole discretion, reserves the right to bill the sender for those charges and assess an invalid account surcharge.

FedEx may provide trade credit information on its account holders to credit bureaus.

Alcoholic Beverages

Only licensed entities holding a state and federal license or retailers holding a state license may ship alcohol with FedEx. Consumers may not ship alcohol. Shipments containing alcoholic beverages are prohibited to locations where FedEx Ground uses a postal service, an interline cartage agent or a freight forwarder for final delivery. Shippers must enter into an approved FedEx Alcohol Shipping Agreement before shipping any alcohol with FedEx. For more information, go to fedex.com/us/wine or contact your FedEx account executive.

A. Licensee to Licensee. FedEx will accept alcohol shipments (beer, wine and spirits) when both the shipper and recipient are either licensed wholesalers, licensed dealers, licensed distributors, licensed manufacturers, licensed retailers or licensed importers, subject to additional requirements and all applicable laws and regulations. Contact your FedEx account executive for complete details.

B. Licensee to Consumer. FedEx will accept wine shipments from licensed entities directly to consumers, subject to additional requirements and all applicable laws and regulations. Contact your FedEx account executive for complete details. Shipments of beer or spirits to consumers are prohibited.

Animal Carcasses

FedEx Ground does not accept animal carcass shipments as part of its regular-scheduled service. FedEx Ground may accept certain shipments of animal heads and other parts for taxidermy if properly packaged.

If approved by FedEx, we may accept animal carcasses, organs and other parts on an exception basis under the following conditions:

1. Shipments must be approved by the FedEx Animal Desk (call 1.800.405.9052).
2. The shipper must have its packaging tested and pre-approved by FedEx Packaging Design and Development for the type of animal carcass, organ or part being shipped. Call 1.800.633.7019 for assistance. It is the responsibility of the shipper to adequately package shipments for all temperature extremes and handling conditions.

Contact your FedEx account executive for details and additional requirements.

Billing

A. "Bill Sender" means charges will be billed to the sender. Payment on the account must be current. The sender may request an initial rebilling to another party, but all subsequent rebills will be only to the sender.

B. "Bill Recipient's FedEx Account Number" means charges will be billed to the recipient (except for certain additional charges that are billed to the sender, including, but not limited to, weekly pickup fees, alternate address pickup fees, on-call per-package pickup charges, address correction fees, and invalid or missing account number fees). "Bill Recipient" should not be confused with C.O.D. service. In order to choose this billing option, the recipient's FedEx account number must be inputted into the sender's electronic shipping system at the time the package is processed and payment on the account must be current. If the recipient is billed initially and refuses to make payment for the shipment, the charges may be rebilled to a third party. If not paid by the third party, any additional rebilling will be to the sender's account. (See section N, Billing Special Handling Fees.) The sender is liable for, and will be billed for, all charges and fees, plus all special handling fees in the event recipient or any third party does not pay. If due to the charges the recipient account exceeds credit limits with FedEx Ground, the sender will automatically be billed.

C. "Bill Third Party's FedEx Account Number" means charges will be billed to someone other than the sender or recipient (except for certain additional charges that are billed to the sender, including, but not limited to, weekly pickup fees, alternate address pickup fees, on-call per-package pickup charges, address correction fees, invalid or missing account number fees, and fees associated with C.O.D. or electronic C.O.D. [E.C.O.D.]). In order to choose this billing option, the FedEx account number of the third party must be inputted into the sender's electronic shipping system at the time the package is processed and payment on the account must be current. If the third party is billed initially and refuses to make payment for the shipment, the charges may be rebilled to another party, but subsequent requests will only be rebilled to the sender. (See section N, Billing Special Handling Fees.) If the party that is rebilled refuses to pay, the sender is liable for and will be billed for all charges and fees, plus all special handling fees. If due to the charges the third-party account exceeds credit limits with FedEx Ground, the sender will automatically be billed.

FedEx Ground Tariff

(Billing, cont.)

D. "Bill FedEx Ground COLLECT" means transportation charges will be billed to the recipient and certain additional charges will be billed to the sender. The transportation charges billed to the recipient include, but are not limited to, fuel surcharges and out-of-area surcharges. The certain additional charges billed to the sender include, but are not limited to, weekly pickup fees, alternate address pickup fees, on-call per-package pickup charges and address correction fees. In order to choose "Bill FedEx Ground COLLECT," the sender is responsible for shipping to consignees who are authorized COLLECT recipients. If the consignee is not authorized, the sender is liable for, and will be billed for, all charges and fees, plus all special handling fees in the event the recipient or any third party does not pay. If not paid by the third party, any additional rebilling will be to the sender's account (see section N, Billing Special Handling Fees). "Bill FedEx Ground COLLECT" should not be confused with C.O.D. service.

When shipping packages using the FedEx Ground COLLECT service option, the sender agrees to pay all additional charges and surcharges related to the shipment other than those billed to the recipient, as described above. The sender agrees to ship packages collect only to recipients authorized by FedEx Ground to receive collect shipments. The sender further agrees to pay all applicable transportation charges if a package is shipped to an unauthorized recipient or if an authorized recipient refuses to accept delivery of a collect shipment. An additional charge will be assessed on any package that is shipped collect to a recipient not authorized by FedEx Ground to receive collect packages.

E. For "Bill Recipient," "Bill Third Party" or "Bill FedEx Ground COLLECT" transactions, if the recipient or third party refuses to pay the charges, refuses delivery or cannot be contacted, the sender is responsible and will be billed for any and all charges. For "Bill Recipient," "Bill Third Party" or "Bill FedEx Ground COLLECT" transactions, FedEx Ground may verify the method of payment and reserves the right to not accept any "Bill Recipient," "Bill Third Party" or "Bill FedEx Ground COLLECT" shipment for which such verification cannot be established.

F. FedEx may consider payment type in determining pricing and discounts, and reserves the right to adjust discounts based on payment type.

G. The sender's shipment may be delayed if FedEx Ground determines that it is billed to a FedEx account number that is not in good credit standing. The service failure money-back guarantee will not apply (see the Money-Back Guarantee Policy section for details and limitations).

H. C.O.D. shipments may not be shipped "Collect" or "Bill Recipient." Shipping charges for C.O.D. shipments must be billed to either a sender's or third party's FedEx account number; they may not be paid by cash, check or credit card.

I. NOTWITHSTANDING ANY PAYMENT INSTRUCTIONS THAT ARE GIVEN TO FEDEX GROUND, THE SENDER IS ULTIMATELY LIABLE FOR ALL CHARGES AND FEES. For FedEx returns shipments, please see Return Options.

J. A special handling fee will be applied for any check or electronic funds transfer (EFT) that is dishonored due to insufficient funds on deposit or incorrect or insufficient signature of the drawer.

N. **Billing Special Handling Fees.** A special handling fee will be applied in the following situations:

1. Invoicing where an incomplete, inaccurate, invalid or deleted account number appears in the EDI transmission of shipping information.
 - a. For "Bill Sender" transactions, if the account number on the shipping bar code is incomplete, inaccurate, invalid or deleted, and FedEx Ground is able to determine the correct number from FedEx Ground records, all charges and fees, plus the special handling fee, will be billed to the sender, and any appropriate earned discount will apply. If the correct account number cannot be determined from FedEx Ground records, all charges and fees plus the special handling fee will be billed to the sender, and no discount will be allowed.
 - b. For "Bill Third Party" or "Bill Recipient" transactions, if the third party or recipient account number in the electronic data interchange (EDI) transmission is incomplete, inaccurate, invalid or deleted, all charges and fees, plus the special handling fee, will be billed to the sender. If FedEx Ground can determine the sender's correct account number from FedEx Ground records, it will be used for billing, and any appropriate earned discount will apply. If billed to sender and sender's correct account number cannot be determined from FedEx Ground records, no discount will be allowed.
 - c. The fee for an incomplete, inaccurate, invalid or deleted account number will be applied only once for each package with such an account number.
2. Payer Rebilling. A special handling fee will be charged to the sender for all requests to change a billing from the party billed or the bill-to party shown on the shipping transmission. If there are multiple requests, the fee may be applied for each invoice line item, which is rebilled. Requests for rebilling will be accepted up to 180 days from the invoice date, not counting the invoice date. Requests for rebilling of transportation charges must be received via one of the approved channels:
 - a. Submit your request through the Non-Pay option with Electronic Data Interchange (EDI) if you are a registered user; or

- b. Use our internet application FedEx Billing Online at fedex.com if you are a registered user; or
 - c. Submit your request via fedex.com/us/customersupport/email/express_ground.html (select Billing/Invoicing as the category).  - d. Submit the request via our automated interactive voice response system at 1.800.GoFedEx 1.800.463.3339 (say "billing"). Your request for a rebill of transportation charges must include your FedEx account number, if any, the current invoice number, the FedEx tracking number and the new FedEx account number that you want to rebill.
- O. Invoice Adjustments/Overcharges:**
1. FedEx Ground reserves the right to audit shipments to verify service selection, shipment weight and dimensions. Package shape and dimensions may change during transit, which can affect the package's dimensional weight and surcharge eligibility. If the service selected, weight entered or dimensions entered are incorrect or change during transit, FedEx Ground may make appropriate adjustments to the shipment charges at any time.
 2. Default Billing. Senders are responsible for entry of accurate shipment information in any electronic shipping device. Because the number of packages and weight per package are critical to our ability to correctly invoice, any omission or incorrect entry or unavailable information will result in a billing based on our estimate of the number of packages transported and either the standard dimensional factor at the time of billing or a standard "default" weight-per-package estimate determined at our sole discretion.
 3. You may request an invoice adjustment for reasons not related to a service failure in the following ways:
 - a. Use our internet application FedEx Billing Online at fedex.com if you are a registered user; or
 - b. Submit your request through the invoice adjustment feature at fedex.com; or
 - c. Submit the request via fedex.com/us/customersupport/email/express_ground.html (select Billing/Invoicing as the category). All adjustment requests must state the reason an adjustment or refund is warranted and must provide the following: the FedEx account number (if any); the FedEx tracking number; and the date of shipment; or
 - d. Submit the request via our telephone invoice adjustment system at 1.800.GoFedEx 1.800.463.3339 (say "billing"). If you choose to submit your request via the telephone invoice adjustment system, the request must state the reason an adjustment or refund is warranted and must provide the following: the FedEx account number (if any); the FedEx tracking number; and the date of shipment; or
 - e. If you choose to send the invoice adjustment request separately from the remittance statement, please send to:

FedEx
Revenue Services
3965 Airways Boulevard
Module G
Memphis, TN 38116

A partial payment against an invoice is not considered a request for invoice adjustment or notice of a refund request.
 4. Requests for invoice adjustment due to an overcharge must be received within 180 days after the date of shipment. For adjustments due to a service failure, see the Money-Back Guarantee Policy section.

For additional information or assistance regarding billing issues, please contact a FedEx account executive.
 5. FedEx is not obligated to refund any overcharge or pay any other obligation owed when your FedEx account is, or has been in the past, more than 60 days past due.
 6. If your account is more than 60 days past due, FedEx may, at its sole discretion, apply any overcharge amounts or other overpayments it agrees are owed to you against the oldest invoices.
- P. Additional Taxes.** If a federal value-added, consumption or similar tax is applicable to your shipment, FedEx Ground reserves the right to add that amount to your shipment charges.
- Q.** The sender is responsible for all reasonable costs incurred by FedEx Ground in attempting to obtain payment on any transaction. Such costs include, but are not limited to, attorneys' fees, collection agency fees, and interest and court costs.
- R.** At our sole discretion, FedEx may transfer and assign ownership of, and any rights to collect, any and all charges due and payable to us.
- S. Missing or Invalid Account Number.** An account number is invalid if it is not the correct account number for the bill-to party, or it is the account number for a recipient or third party who fails to pay the shipping charges. An additional charge will be assessed for each missing or invalid account number.

Claims

A. Filing of Claims:

1. All claims in connection with request for FedEx Ground C.O.D. service and all claims for loss of or damage to property tendered to FedEx Ground for transportation in interstate or intrastate commerce (U.S.) must be filed in writing; must include or refer to the Customer Shipping Record, if applicable, tracking ID, and date or other facts sufficient to identify the package involved; and must be accompanied by documents that prove the value of the property and/or extent of the loss or damage.

Documentation Requirements. Such documents may include original purchase invoices, estimates or invoices for repair (repairs are not authorized under this provision and should not be made until FedEx Ground has inspected the damaged package or expressly waived its right to inspect the damaged package), expense statements, appraisal, final confirmation screen if online order with proof of purchase, or other certified documents; must assert our liability for the alleged loss or damage; and must make claim for the payment of a specified or determinable amount of money. A request for proof of delivery does not constitute the filing of a claim.

Notification. *In the case of a claim for concealed loss or damage that is not discovered at the time of delivery, the sender or recipient must notify FedEx Ground as promptly as possible after the discovery of the damage, and in any event no later than 60 days after the date of delivery. Notification should be made by calling 1.800.GoFedEx 1.800.463.3339 (say "claims") and the claimant shall be issued a Damaged Call Tag. At the time the Damaged Call Tag is issued, the call center agent will provide a confirmation number. This number should be recorded on the claim form along with the original tracking ID where indicated. Notification does not constitute filing of a claim as required in section C below.*

Except as provided in the paragraph above, receipt of the shipment by the recipient without written notice of damage on the delivery record is *prima facie* evidence that the shipment was delivered in good condition. As a condition to FedEx Ground considering a claim, all the original shipping cartons, packing (inner and outer) and contents must be made available for FedEx Ground inspections. Package and contents must be retained by the claimant until the claim is resolved.

2. You can file a claim in the following ways:
 - a. Submit claims online at fedex.com/us/claimsonline (excluding FedEx Ground C.O.D. claims) for U.S. shipments, U.S. export shipments to Canada and U.S.-inbound shipments from Canada.
 - b. Send written claims, including the completed claim form and supporting documentation, via the U.S. Postal Service or fax to:

FedEx Cargo Claims Department
P.O. Box 256
Pittsburgh, PA 15230
Fax: 1.877.229.4766

If you fax your completed claim form and supporting documentation, FedEx will send you a confirmation letter by return fax.
- c. Call customer service at 1.800.GoFedEx 1.800.463.3339 (say "claims") to obtain a case number for your claim, then complete a print copy of the claim form. You may have to submit supporting documentation using FedEx Claims Online or the mailing address or fax number listed above.
3. FedEx Ground will not voluntarily pay a claim for an uncertain amount, such as "\$100 more or less." FedEx Ground is not obligated to act on any claim until all transportation charges are paid. The claim amount may not be deducted from these charges or any outstanding balance.
4. Bad order reports, appraisal reports of damage, notations of exceptions on delivery records or other documents, inspection reports issued by FedEx Ground inspectors or inspection agencies, requests for proof of delivery, and tracer or inspection requests standing alone are not sufficient to comply with these claim filing requirements.
5. FedEx Ground shipment-status information is not intended or permitted to be used by the shipper to file claims. (See Shipment-Status Information in the Proof of Delivery section.)

FedEx Ground Tariff

(Claims, cont.)

6. FAILURE TO COMPLY WITH ANY OF THE ABOVE CONDITIONS WILL RESULT IN THE DENIAL OF A CLAIM.
7. FedEx Ground reserves the option to pick up salvage on damaged claims when the claim is paid in full.

B. Acknowledgment of Claims. FedEx Ground will, upon receipt in writing of a proper claim filed in the manner and form described in these regulations and accompanied by the documents described, acknowledge the receipt of such claim in writing within 30 days after the date of receipt by FedEx Ground unless FedEx Ground shall have paid or declined such claim in writing within 30 days of the receipt thereof. FedEx Ground will create either in writing or electronically a separate file for each claim received, assign each claim a successive claim file number, and note the claim number assigned on all documents filed in support of the claim and all records and correspondence relating to the claim, including the written acknowledgment of receipt and, if in its possession, the pickup and delivery records covering the package involved. FedEx Ground will record the date a claim is received on the face of the claim document. The date of receipt will also be noted on our written acknowledgment of receipt.

C. Time Limit for Filing Claims. Claims in connection with requests for FedEx Ground C.O.D. service and claims for loss, damage or delay must be filed in writing with FedEx Ground within nine months from the date of delivery, or, in the event that FedEx Ground failed to make delivery, within nine months after the package was tendered to FedEx Ground for shipment. Suits against FedEx Ground must be instituted within two years and one day from the date FedEx Ground gives written notice that FedEx Ground has disallowed any part of the claim specified in the notice. If claims are not filed or suits are not instituted in accordance with the foregoing provisions, FedEx Ground will not be liable and such claims will not be paid. A Claim Reporting Form can be requested from a FedEx account representative or by calling 1.800.GoFedEx 1.800.463.3339 (say "claims").

D. Investigation of Claims:

1. Each claim must be supported by the original Customer Shipping Record (if applicable), evidence that applicable transportation charges have been paid, and documents that prove the value of the property, and/or extent of the loss or damage. Such documents may include original purchase invoices, estimates or invoices for repair, expense statements, appraisals, or other certified documents. The documents must be verifiable to our satisfaction. Where the property involved in a claim has not been invoiced to the recipient, or where an invoice does not show price or value, or where the property involved has not been sold, or where the property has been transferred at bookkeeping values only, FedEx Ground will, before voluntarily paying a claim thereon, require the claimant to establish the destination value of the quantity shipped, transported or involved, and to certify the correctness of the valuations in writing.
2. When a claim for loss of an entire package or an entire shipment cannot otherwise be authenticated upon investigation, FedEx Ground will obtain from the recipient of the shipment involved a certified statement in writing that the property for which the claim is filed has not been received from any other source.
3. In the event that the shipper and the recipient have refused a package, the property shall thereupon pass to FedEx Ground. FedEx Ground will not honor a claim for an abandoned package.

E. Disposition of Claims. FedEx Ground will, after receiving a written claim for loss or damage to the property transported, either pay actual or declared value for the property, whichever is lower; or decline, or make a firm compromise settlement offer in writing to the sender (unless special arrangements have been made) within 120 days after receipt of claim by FedEx Ground. If a claim cannot be processed and disposed of within 120 days after the receipt thereof, FedEx Ground will advise in writing of the status of the claim and the reason for the delay in making final disposition. Acceptance of payment of a claim shall extinguish any right to recover in connection with that shipment.

F. Damaged Property:

1. **FedEx Ground Discovered Damage.** Whenever property is damaged by FedEx Ground in the course of transportation and discovered by FedEx Ground prior to delivery, FedEx Ground will either (1) return the damaged property to the shipper or (2) remove any damaged property and ship the balance of undamaged merchandise. If determined to be liable and if damaged property is returned to the shipper, FedEx Ground may, at the shipper's request, pay the full actual or declared value of the property, whichever is lower, and title of the property shall thereupon pass to FedEx Ground. If the shipper makes such a request, the shipper must hold the damaged property until FedEx Ground has completed the processing of the shipper's claim. FedEx Ground shall not be liable for any special, incidental or consequential damages.
2. **Concealed Loss or Damage.** Whenever property is delivered by FedEx Ground

and damage or loss is subsequently discovered by the recipient, inspection may be made by FedEx Ground as promptly as practicable after receipt of request from the recipient or shipper. The shipper or recipient must notify FedEx Ground as promptly as possible after discovery of the damage, and in any event no later than 60 days after the date of delivery. FedEx Ground reserves the right to inspect a damaged shipment on customer premises as well as the right to retrieve the damaged shipment for inspection at a local FedEx facility. All of the original shipping cartons, packing and contents must be available for our inspection and retained until the claim is concluded. Inspection will include examination of the damaged property, the shipping container and its packing, and any other action necessary to establish all the facts. If a shortage is involved, the inspector will compare the contents of package with the invoice, weigh the shipping container and contents, or conduct any other type of investigation necessary to establish that a loss has occurred. In either case, the inspection will be limited to a factual report. The shipper and recipient must cooperate with FedEx Ground to assist in the inspection. A written record of our findings will be made and a copy given to the shipper for claim support upon request. Any inspection report issued will be incorporated into the claim file.

The terms and conditions of the FedEx Ground Tariff applicable to the original shipment (including, but not limited to, any declared value or limitation of liability) will govern the disposition of all claims in connection with said shipment, including any claim relative to the retrieval, inspection, call tag or return of said shipment.

3. In the event FedEx Ground does not make an inspection, the recipient must make the inspection and record all information pertinent to the cause. The recipient's inspection, in such case, may be considered as the FedEx Ground inspection and will not jeopardize any recovery due the shipper based on the facts contained in the report.

G. Spotted Trailers. The shipper agrees to load any trailers spotted at its facilities within 48 hours after being spotted with 225 or more packages per trailer. The shipper agrees not to file claims on any package shortages for spotted trailers. Upon written request from the shipper, FedEx Ground agrees to notify the shipper of any package shortages within 120 hours after the shipper's packages are transmitted to FedEx Ground. Notification to the shipper shall include date of pickup and the number of packages short of the total provided by the shipper on a computer-generated manifest. The shipper agrees not to file claims in connection with any package shortages reported by FedEx Ground to the shipper.

Collect on Delivery (C.O.D.) Service

A. FedEx Ground C.O.D. Service:

1. FedEx Ground offers collect-on-delivery service for packages within the U.S. and from the U.S. to Canada (E.C.O.D. remittance is only available for packages within the U.S.). To request FedEx Ground C.O.D. service, the shipper must prepare and attach to each C.O.D. package a C.O.D. label showing the amount to be collected and a C.O.D. barcode label to designate the type of collection. THE C.O.D. AMOUNT IS NOT THE SAME AS, AND SHOULD NOT BE CONFUSED WITH, DECLARED VALUE. If the shipper does not also declare the value of the package, our liability for loss or damage shall be limited to the loss or damage actually sustained by the shipper or \$100, whichever is lower (see the Declared Value and Limits of Liability section for details).
2. FedEx Ground will collect for each C.O.D. package the amount shown on the C.O.D. label attached to the package, not to exceed \$25,000 per package. If collection cannot be made, FedEx Ground will return the C.O.D. package to the shipper. The shipper must attach a C.O.D. barcode label to each C.O.D. package to designate the type of collection:

A "Regular" C.O.D. barcode label is used when the shipper does not designate the type of payment to be collected. FedEx Ground will accept money orders or checks (including cashier's checks, official checks, certified checks, company checks and personal checks) as payment. Cash is not an acceptable form of payment if the "Regular" C.O.D. barcode label is used.

A "Guaranteed Funds" C.O.D. barcode label is used when the shipper designates a money order, cashier's check, official check or certified check to be collected.

A "Currency" C.O.D. barcode label is used when the shipper designates only currency to be collected. FedEx Ground will not accept currency in excess of \$750 in payment for the C.O.D. amount associated with any one package delivered in the U.S. Additional per-package charges for "Currency" C.O.D.-labeled packages delivered in the U.S. will apply. The additional per-package charges for "Currency" C.O.D.-labeled packages do not apply to shipments from the U.S. to Canada.

FedEx Ground Tariff

(Collect on Delivery [C.O.D.] Service, cont.)

3. The original transportation of packages, collection of the payment and delivery of the payment instrument or remittance of the payment are considered a single shipment and the terms and conditions in the Declared Value and Limits of Liability section are applicable to the entirety of a C.O.D. shipment.
4. Our liability for loss, damage, delay, misdelivery, misinformation, nondelivery, failure to collect the C.O.D. amount, failure to collect the specified form of payment, collection of an instrument in the wrong amount, or failure or delay in delivering the payment instrument is limited to the declared value, subject in every event to the maximum declared-value limits and other limitations referenced above and in the Declared Value and Limits of Liability section.
5. All checks (including cashier's checks, official checks and certified checks) and money orders tendered in payment of C.O.D. packages will be accepted by FedEx Ground at the shipper's risk, including, but not limited to, the risk of nonpayment and forgery, and FedEx Ground shall not be liable upon any such instrument.
6. An additional charge will be assessed for each request for C.O.D. service to be performed, whether or not FedEx Ground is able to collect as requested. If the recipient cannot be located or fails or refuses to pay the C.O.D. amount via the requested instrument, the shipment will be returned to the shipper, and no refund or credit of either the transportation charges or the C.O.D. charges will be given.
7. Shipper represents and warrants it has legal right, interest, or appropriate legal title, to the C.O.D. funds subject to be collected and is authorized by the appropriate parties to receive such funds.
8. Performance of the C.O.D. service will not constitute FedEx Ground as the shipper's agent for any purpose, including, but not limited to, completion of the sale of the goods by the shipper to the recipient.
9. FedEx Ground C.O.D. shipments are not eligible for Hold at Location.
10. Additional restrictions may apply to C.O.D. deliveries to remote rural areas in Canada, including additional limitations on the maximum C.O.D. amount. Please contact FedEx Customer Service at 1.800.GoFedEx 1.800.463.3339 for more information.

B. Collect on Delivery Remittance:

1. Remittance of C.O.D. Collections. FedEx Ground will remit the C.O.D. collection to the shipper within 10 business days from date of collection. The C.O.D. amount will be collected and remitted in the currency of the destination country. Our sole obligation shall be to timely remit the C.O.D. collection through the U.S. Postal Service, and FedEx Ground shall not otherwise be liable for any loss or delay caused by the remittance of the C.O.D. collection.

C. Electronic C.O.D. Remittance (E.C.O.D.) E.C.O.D. service requires the approval of FedEx Ground for enrollment. (This service is not available for U.S.-to-Canada shipments.) If the shipper is approved by FedEx Ground for enrollment, the following shall apply:

1. FedEx Ground E.C.O.D. provides C.O.D. payments for approved shippers by electronic funds transfer (EFT) within 24 or 48 hours after the funds are deposited into the FedEx Ground Bank account as described below. Shipper must choose either the 24- or 48-hour transfer option at time of enrollment.
2. All checks received by FedEx Ground on behalf of the shipper shall be restrictively endorsed by FedEx Ground in substantially the following language and deposited into our terminal bank accounts ("FedEx Ground Bank"):

FOR DEPOSIT ONLY
FEDEX GROUND
AS AGENT FOR THE WITHIN NAMED PAYEE
LACK OF ENDORSEMENT GUARANTEED
3. C.O.D. checks shall be deposited into the FedEx Ground Bank account before the bank's close of business on the first business day following the delivery date. Upon deposit to FedEx Ground Bank, FedEx Ground shall cause the proceeds of all C.O.D. checks to be electronically transferred from FedEx Ground Bank to the shipper's bank as shown on a voided check supplied to FedEx Ground during the enrollment process.
4. Shipper must notify FedEx Ground of any changes to shipper's bank, account, or routing instructions required for EFT. Once notice is received by the FedEx Ground C.O.D. department, changes to EFT instructions may take up to 10 business days to take effect.
5. If any check collected on behalf of the shipper is timely deposited by FedEx Ground but thereafter is dishonored and returned to our bank as non-negotiable, the risk of nonpayment shall lie with the shipper, and the shipper shall reimburse FedEx Ground for the face amount of such check and any bank charges associated with the return of the check (non-sufficient funds charges ["NSF charges"]) by permitting FedEx Ground to reduce subsequent electronic funds remittances by a like amount,

provided that such returned check is promptly forwarded to the shipper by FedEx Ground to the shipper's address. In the event that E.C.O.D. remittances have not been sufficient to allow FedEx Ground to recover check amounts and associated NSF charges within 30 days, the shipper agrees to permit FedEx Ground to electronically deduct these fees from the shipper's named financial institution. FedEx Ground will return any NSF C.O.D. checks to shipper via FedEx 2Day service.

6. All collections in the form of cash shall be deposited into the FedEx Ground Bank account before the bank's close of business on the first business day following the delivery date.
7. If a bank does not allow a third-party endorsement of money orders or cashier's checks, the money order or cashier's check will be mailed back to the shipper, and the amount initially transferred electronically will be deducted from the shipper's subsequent E.C.O.D. remittances. In the event that E.C.O.D. remittances have not been sufficient to allow FedEx Ground to recover the amount initially transferred from subsequent E.C.O.D. remittances within 30 days, the shipper agrees to permit FedEx Ground to electronically deduct the amounts initially transferred from the shipper's named financial institution. Shipper agrees to permit FedEx Ground to also reduce the next electronic funds transfer for the shipping charges included in the money order or cashier's check.
8. On or before the end of each business day during participation in the E.C.O.D. program and thereafter so long as any funds belonging to the shipper remain in the possession or control of FedEx Ground, FedEx Ground will transmit the details of all deposits at the shipper's designated bank and/or FedEx Ground's bank and/or checks returned for insufficient funds to the shipper. Such reporting shall be provided to the shipper by either facsimile transmission or email as selected by the shipper during the enrollment process.
9. In addition to the charge assessed for each C.O.D. package tendered to FedEx Ground by the shipper, an additional weekly service charge will be assessed for the E.C.O.D. service.
10. At its sole discretion, FedEx reserves the right to revoke a shipper's E.C.O.D. enrollment without notice.

Credit Terms

- A. FedEx Ground does not provide individual consumer credit privileges.

- C. As a condition of extending credit privileges, FedEx Ground reserves the right to require business customers to provide current financial information, agree to bank draft arrangements for payment on account, provide a security deposit or provide a bank letter of credit.
 1. Deposit Plan. After depositing an amount equivalent to four weeks' transportation charges as estimated by FedEx Ground, payments are required within 15 days of invoice date. The deposit amount is subject to change to reflect revised estimates of the shipper's charges.
 2. Under the deposit plan, no interest will be paid by FedEx Ground, nor will additional charges be rendered for their services. Net balances will be refunded at the request of the shipper.
- D. When credit privileges are extended, FedEx reserves the right to establish and enforce a credit limit on your account. At our sole discretion, we may review and amend a credit limit on your account.
- E. The invoice date begins the credit term cycle, and payment is due within 15 days from the invoice date. Failure to keep your FedEx account current will result in "termination" of your ground service.
- F. IF THE ACCOUNT NUMBER TO BE BILLED IS NOT IN GOOD CREDIT STANDING, THE PACKAGE MAY BE HELD OR STOPPED IN TRANSIT UNTIL YOU MAKE ALTERNATIVE PAYMENT ARRANGEMENTS. THE MONEY-BACK GUARANTEE POLICY WILL NOT APPLY IN SUCH CIRCUMSTANCES.
- G. The shipper, and any other party who is liable for payment, is responsible for all reasonable costs incurred by FedEx Ground in obtaining or attempting to obtain payment for services rendered by FedEx Ground. Such costs include, but are not limited to, attorneys' fees, collection agency fees, interest and court costs.
- H. Credit privileges will not be restored until you have paid all past-due balances in full and all costs, fees and expenses incurred by FedEx Ground in collecting or attempting to collect such balances. FedEx Ground may require you to secure the account with a form of payment as a prerequisite to credit restoration. FedEx Ground may decline to restore credit privileges even if all costs, fees and expenses are paid.

Declared Value and Limits of Liability (Not Insurance Coverage)

A. FedEx Ground liability with regard to any package is limited to the sum of \$100 unless a higher value is declared at time of tender and a greater charge paid as provided in the FedEx Service Guide.

B. The declared value of any package represents our maximum liability in connection with a package, including, but not limited to, any loss, damage, delay, misdelivery, nondelivery, misinformation, any failure to provide information, or misdelivery of information. Exposure to and risk of any loss in excess of the declared value is either assumed by the shipper or transferred by the shipper to an insurance carrier through the purchase of an insurance policy. The shipper should contact an insurance agent or broker if insurance coverage is desired. FEDEX GROUND DOES NOT PROVIDE INSURANCE COVERAGE OF ANY KIND.

C. In cases where the shipper declares or agrees in writing that the property being shipped is released to a value exceeding \$100 per package or article not enclosed in a package, an additional charge for each \$100 or fraction thereof of total valuation will be assessed to which the base rate applies, up to a maximum declared value of \$50,000 per package.

D. Packages containing all or part of the following items are limited to a maximum declared value of \$1,000:

2. Film, photographic images (including photographic negatives), photographic chromes and photographic slides.
3. Any commodity that by its inherent nature is particularly susceptible to damage or the market value of which is particularly variable or difficult to ascertain.
4. Antiques, or any commodity that exhibits the style or fashion of a past era and whose history, age or rarity contributes to its value. These items include, but are not limited to, furniture, tableware and glassware.
5. Collector's items such as coins, stamps, sports cards, souvenirs and memorabilia.
6. Glassware, including, but not limited to, signs, mirrors, ceramics, porcelains, china, crystal, glass, framed glass and any other commodity with similarly fragile qualities.

E. ANY EFFORT TO DECLARE A VALUE IN EXCESS OF THE MAXIMUMS ALLOWED IN THE FEDEX SERVICE GUIDE IS NULL AND VOID. OUR ACCEPTANCE FOR CARRIAGE OF ANY PACKAGE BEARING A DECLARED VALUE IN EXCESS OF THE ALLOWED MAXIMUMS DOES NOT CONSTITUTE A WAIVER OF ANY PROVISION OF THE FEDEX SERVICE GUIDE AS TO SUCH PACKAGE.

F. REGARDLESS OF THE DECLARED VALUE OF A PACKAGE, OUR LIABILITY FOR LOSS, DAMAGE, DELAY, MISDELIVERY, NONDELIVERY, MISINFORMATION, ANY FAILURE TO PROVIDE INFORMATION, OR MISDELIVERY OF INFORMATION, WILL NOT EXCEED ITS REPAIR COST, ITS DEPRECIATED VALUE OR ITS REPLACEMENT COST, WHICHEVER IS LESS.

G. See the Liabilities Not Assumed section for other limitations and exclusions on our liability.

H. In the event that FedEx Office procures, accepts tender of, performs, or otherwise undertakes the transportation, delivery or release of a package by FedEx Ground, whether directly or indirectly, FedEx Office shall have the benefit of every right, defense, limitation and liberty of whatsoever nature contained in this tariff or otherwise available to FedEx Ground as if such provision were expressly for its benefit.

Delivery Signature Options

FedEx offers Delivery Signature Options for shippers. Not available for all shipments or to all destinations.

A. **Indirect Signature Required.** FedEx will obtain a signature in one of three ways:

1. From someone at the delivery address; or
2. From a neighbor, building manager or other person at a neighboring address; or
3. The recipient can sign a FedEx door tag or utilize FedEx Delivery Manager or other FedEx-approved means to authorize release of the package without anyone present.

If delivery cannot be completed in these ways, FedEx will reattempt delivery.

B. **Direct Signature Required.** FedEx will obtain a signature from someone at the delivery address. If no one is at the address, FedEx will reattempt delivery.

C. **Adult Signature Required.** FedEx will obtain a signature from someone at least 21 years old (19 years old for deliveries to Canada) at the delivery address (government-issued photo identification required). If no eligible recipient is at the address, FedEx will reattempt delivery.

D. Shipments to residential addresses may be released without obtaining a signature.

If you require a signature for a residential shipment, select one of the Delivery Signature Options.

E. **FedEx International Ground.** For FedEx International Ground shipments from the U.S. to residential addresses in Canada, FedEx may release the package without a signature. For FedEx International Ground shipments from the U.S. to nonresidential addresses in Canada, FedEx will attempt to obtain a signature.

F. Indirect Signature Required is not available for shipments to nonresidential addresses.

G. FedEx Ground may accept requests for address corrections from a shipper or a recipient for shipments involving the Direct Signature Required or Indirect Signature Required options, alcohol shipments, and shipments where no signature is required.

H. FedEx will assess the delivery signature charge if the shipper requests the Delivery Signature Option, even if a signature is not obtained, the option requested is not available or FedEx is unable to provide a copy of the signature obtained at delivery.

I. Also see the Billing, Money-Back Guarantee, Liabilities Not Assumed, Pickup and Delivery, and Proof of Delivery sections.

Dimensional Weight (Volumetric Weight)

Transportation charges may be assessed based on dimensional weight, which is a volumetric standard. Dimensional-weight pricing is applicable on a per-package basis. If the dimensional weight exceeds the actual weight, charges based on the dimensional weight will be assessed. Customers who fail to apply the dimensional-weight calculation to a package may be assessed dimensional-weight charges from FedEx. See the Dimensional Weight description in the Fees and Other Shipping Information section of the FedEx Service Guide for additional details.

FedEx reserves the right to assess fuel and other surcharges on shipments without notice. The amount and duration of any such surcharges will be determined at our sole discretion. 22. Any package where FedEx Ground package scan records do not reflect acceptance of the package by FedEx Ground from the shipper.
23. The shipper's failure to delete all shipments entered into a FedEx self-invoicing system, internet shipping device or any other electronic shipping method used to ship a package, when the shipment is not tendered to FedEx. 28. FedEx Ground does not provide protective services for transportation of perishable commodities or of commodities requiring protection from heat or cold. Such commodities will be accepted for transportation solely at the shipper's risk for loss of value or damage occasioned by exposure to heat or cold. Limitations on Legal Actions

Any civil claim for overcharges must be brought within 18 months after the claim accrues. Any civil claim for, including, but not limited to, any loss, damage, delay, misdelivery, nondelivery, misinformation, any failure to provide information, or misdelivery of information relating to the shipment, must be brought within two years and one day from the date FedEx Ground gives written notice that FedEx Ground has disallowed any part of the claim specified in the notice.

Any right you might have to damages, refunds, credits recovery of reliance interests, disgorgement, restitution, injunctive relief, declaratory relief or any other legal or equitable relief whatsoever against FedEx Ground under any cause of action arising from the transportation of any package pursuant to the FedEx Service Guide shall be extinguished unless you first comply with all applicable notice periods and requirements in this tariff including, but not limited to, the periods and requirements for providing notice under the Billing, Claims and Money-Back Guarantee Policy sections. You and FedEx Ground understand that timely and complete compliance with such notice periods and requirements is a contractual condition precedent to your right to any relief whatsoever, and you must plead compliance with those conditions precedent on the face of any complaint that you file against FedEx Ground. You and FedEx Ground agree that FedEx Ground cannot be considered to have breached any obligation to you unless or until FedEx Ground wrongfully denies a claim submitted to FedEx Ground pursuant to the notice periods and requirements contained in this tariff. Finally, you and FedEx Ground agree that you will comply with applicable notice periods and requirements even if you believe that such compliance will not result in relief from FedEx Ground or if you lack knowledge regarding whether such compliance will result in relief from FedEx Ground.

You agree that you will not sue FedEx Ground as a class plaintiff or class representative, join as a class member, or participate as an adverse party in any way in a class-action lawsuit against FedEx Ground. Nothing in this paragraph, however, limits your rights to bring a lawsuit as an individual plaintiff.

To the extent that any court finds that state rather than federal law applies to any provision of this contract, the controlling law is the substantive law of the state in which you tendered your shipment to FedEx Ground.

The performance of any services does not make FedEx Ground an agent of the shipper or any third party for any purpose.

Money-Back Guarantee Policy

We offer a money-back guarantee for our services. This guarantee can be suspended, modified or revoked at our sole discretion without prior notice to you.

A. Money-Back Guarantee. The money-back guarantee is your exclusive remedy in the event of a service failure for the recovery of all or any portion of the FedEx charges for a shipment. If the money-back guarantee is suspended, there is no remedy or recovery of charges for a service failure. There are no delivery commitments for shipments on which the money-back guarantee is suspended.

1. **FedEx Ground Money-Back Guarantee.** At our option, we will, upon request, either refund or credit your transportation charges in the event of a service failure (which means if FedEx does not deliver the shipper's standard ground and multiweight ground package[s] by the end of the scheduled delivery day as published on fedex.com).
2. **FedEx Home Delivery Money-Back Guarantee.** At our option, we will, upon request, either refund or credit your transportation charges and residential surcharge in the event of a service failure (which means if FedEx does not deliver the shipper's residential package[s] by the end of the scheduled delivery day as published on fedex.com). For shipments designated as FedEx Date Certain Home Delivery, FedEx Evening Home Delivery or FedEx Appointment Home Delivery, see the FedEx Home Delivery Money-Back Guarantee for Convenient Delivery Options section below.

3. **FedEx Home Delivery Money-Back Guarantee for Convenient Delivery Options.** At our option, we will, upon request, either refund or credit your transportation charges, residential surcharge and the applicable convenient delivery option charge in the event of a service failure (which means if FedEx does not provide the FedEx Home Delivery convenient delivery option service requested for the shipper's package[s], as described below).

- a. **FedEx Date Certain Home Delivery Money-Back Guarantee.** The FedEx Date Certain Home Delivery Money-Back Guarantee applies if the shipment is not delivered on the valid date requested. To be considered valid, the requested date must be no earlier than the scheduled delivery as published on fedex.com; cannot be a Sunday or a FedEx holiday; and must be within 14 days from the pickup date. If the delivery date requested is invalid, the FedEx Date Certain Home Delivery Money-Back Guarantee will not apply.
- b. **FedEx Evening Home Delivery Money-Back Guarantee.** The FedEx Evening Home Delivery Money-Back Guarantee applies if the shipment is not delivered between 5 and 8 p.m. on or before the scheduled delivery date as published on fedex.com.
- c. **FedEx Appointment Home Delivery Money-Back Guarantee.** The FedEx Appointment Home Delivery Money-Back Guarantee applies if the shipment is not delivered within one hour before or after the time, and on the date, requested by the recipient and agreed to by FedEx.

B. Limitations.

The following limitations apply:

1. A credit or refund under the money-back guarantee will be applied only against charges for the shipment giving rise to the credit.
2. At the sole discretion of FedEx, the money-back guarantee may not be honored when the request is made by, or the information utilized to determine the status of the package is determined by, a third party other than the payer of the charges.
3. The FedEx Ground Money-Back Guarantee applies to deliveries within the U.S. For shipments destined to Canada, the FedEx Money-Back Guarantee only applies to transportation charges related to brokerage-inclusive service.
4. If FedEx Ground utilizes the U.S. Postal Service or an interline cartage agent for delivery to remote rural areas, the money-back guarantee only applies to the portion of transportation provided directly by FedEx Ground.
5. Packages tendered to FedEx Ground for delivery on the day after Thanksgiving will be scheduled for delivery on that day if the recipient business is open, but in any event, the delivery commitment will be extended to the next business day for application of the money-back guarantee.
6. Packages tendered for delivery on holidays that are business days for FedEx Ground (for example, Good Friday and Presidents Day) will be scheduled for delivery on that day if the recipient business is open. However, if the recipient business is known by FedEx Ground to be closed due to the holiday, the packages will be scheduled for delivery on the next business day the recipient is open, but the money-back guarantee will not apply.
7. To be eligible for the FedEx Home Delivery Money-Back Guarantee for Convenient Delivery Options, the shipper must have fulfilled the following conditions:
 - a. Prepare and attach to each package a 128 bar-code label showing the delivery option requested. The shipper must also provide FedEx Ground with the required electronic information for the service level selected.
 - b. Convenient delivery options are offered at the shipment level. To qualify as a shipment, one or more packages must have the following:
 - The same shipper number
 - The same origin location
 - The same ship date
 - The same recipient address
 - The same convenient delivery option selected
8. If a delivery later than the original scheduled delivery day or time is requested by the shipper or recipient before the first delivery attempt is made, the delivery commitment for application of the money-back guarantee policy will be adjusted to account for the requested delivery date and/or time.
9. If the shipper or recipient informed FedEx that the recipient location is closed on a certain day or at a certain time, or unavailable to accept delivery, the delivery commitment for application of the money-back guarantee policy will be the next business day.
10. If the package is placed in a FedEx Drop Box, the delivery commitment for application of the money-back guarantee will be extended by 1 business day.

FedEx Ground Tariff

(Money-Back Guarantee Policy, cont.)

- C. Exceptions.** FedEx will not be obligated to refund or credit your transportation charges, residential surcharge or convenient delivery option charge if:
1. We provide you with proof of timely delivery, consisting of the date and time of delivery and, if applicable, the name of the person who signed for the shipment, or service-exception information reflecting that the failure to deliver timely resulted from circumstances described under the Liabilities Not Assumed section.
 2. The service failure resulted, in whole or in part, from any of the circumstances described under the Liabilities Not Assumed section.
 3. The shipper did not properly label the package in accordance with the FedEx Service Guide, including, without limitation, affixing the correct business name and contact name (for FedEx Ground packages) or recipient name (for FedEx Home Delivery packages) and deliverable address (number, street, city, state, and a five-digit ZIP code) and correctly placing the customer-specific FedEx Ground or FedEx Home Delivery bar-code label on the package. For FedEx Home Delivery packages, the shipper must print the letter "H" (Home) on the address label in accordance with the FedEx Home Delivery label specifications.
 4. The shipper did not timely and accurately transmit all electronic package-level data required, including, but not limited to, any electronic package-level data necessary for package sorting by FedEx Ground, to the extent required by the Shipper's Agreement with FedEx Ground. For FedEx Appointment Home Delivery shipments, a valid telephone number for the recipient must be included in the data-entry information when the shipment is processed.
 5. The package was not picked up by a FedEx Ground driver at the shipper's location or an alternate address location, at a FedEx Office Print and Ship Center, at a FedEx Ship Center, at a FedEx Authorized ShipCenter or at a FedEx Drop Box prior to that location's regular scheduled pickup time. If a package is accepted by FedEx Ground after a location's regular scheduled pickup time, an additional transit day may be added to the scheduled delivery date.
 6. The package was tendered for transportation on the Monday after Thanksgiving through Christmas Eve.
 7. The shipment contained special instructions, including, but not limited to, FedEx Ground Call Tag service and FedEx Delivery Signature Options.
 8. There was an unexpected large release of packages from your shipping location.
 9. The package met the definitions for additional handling, address correction, oversize or unauthorized. See the Fees and Other Shipping Information section of the FedEx Service Guide for additional details.
 10. FedEx received a request to redirect the shipment from a delivery address to a Hold at Location address.
 11. The shipment was undeliverable or returned.
- D. Refund or Credit Requests.** To qualify for a refund or credit due to a service failure, you must notify us of the service failure and request a refund or credit in compliance with the conditions listed below. If you do not comply with these conditions, you are not entitled to receive a refund or credit and cannot recover compensation for a service failure in any lawsuit.
1. You may request a refund or credit due to a service failure in the following ways:
 - a. Use our internet application FedEx Billing Online at fedex.com if you are a registered user; or
 - b. Submit your request through the invoice adjustment feature at fedex.com; or
 - c. Submit the request via our telephone invoice adjustment system at 1.800.GoFedEx 1.800.463.3339 (say "billing").

Note: Requests for a refund of FedEx Delivery Manager delivery-option fees must be made by the recipient online at fedex.com/billingadjustment. See FedEx Delivery Manager Terms in the fedex.com Terms of Use.
 2. Your notification of a service failure must include your FedEx tracking number and invoice number, if applicable.
 3. All requests for a refund or credit must be received via one of the approved channels within 15 calendar days of the invoice date or within 15 calendar days from the ship date if you are paying by credit card or in advance by cash, check or money order.
 4. A partial payment against an invoice is not considered a request for invoice adjustment or notice of a refund request. A notification of the reason for an unpaid charge with your payment is not considered a request for an invoice adjustment or notice of a refund request if the reason relates to a service failure.

Package Consolidators (Including FedEx Authorized ShipCenter Locations, and FedEx ShipSite Locations at Office Depot and OfficeMax)

Package Consolidators are responsible for complying with all applicable requirements in this tariff including, but not limited to, customs and other legal requirements applicable to packages tendered for international transportation.

If you tender packages to a Package Consolidator instead of to us directly, the following limitations apply:

- A. Package Consolidators are not agents of FedEx, and we are not responsible for any errors or omissions made by them.
- B. Package Consolidators may submit claims for refunds or credits for shipping charges under the money-back guarantee policy. Neither the person or entity tendering the package to the Package Consolidator nor the recipient is eligible for refunds or credits under the money-back guarantee policy.
- C. In order for a Package Consolidator to receive packaging supplies from FedEx, the Package Consolidator must first enter into a Packaging and Pricing Agreement or a FedEx Authorized ShipCenter Agreement with FedEx.
- D. Package Consolidators may charge FedEx Retail Rates for FedEx shipping services, but they are not required to. Package Consolidators set their own rates for reselling FedEx services.
- E. Package Consolidators are not required to have the FedEx Ground Declared Value Shipment Form at their location. Dropoff customers should bring their own FedEx Ground Declared Value Shipment Form to the Package Consolidator with declared value dropoff packages.
- F. FedEx Ground assumes no liability, other than to the Package Consolidator, for lost, damaged or delayed shipments tendered to a Package Consolidator, as the Package Consolidator is the shipper of these packages. The Package Consolidator's barcode must appear as the shipper's bar code for all shipments paid for at a Package Consolidator. Package Consolidators are independently owned and operated businesses.
- G. See the Package Consolidator representative for information regarding rates and services and the terms and conditions of carriage. Inquiries or claims regarding shipments tendered to a Package Consolidator must also be directed to the Package Consolidator.
- H. As directed by FedEx, Package Consolidators must require a government-issued photo ID to validate the identity of their customer and must keep a record of the name and address on the ID of their customer for each package.

Package Restrictions (Size and Weight)

A. FedEx Ground will accept for transport packages that weigh up to the maximum package weight published in the FedEx Service Guide in effect at the time of shipment and that measure up to 165 inches in combined length and girth. FedEx reserves the right to assess additional handling, oversize package and unauthorized package surcharges on any package whose dimensions are altered during transit, causing it to meet the parameters for these charges.

MEASUREMENT OF LENGTH AND GIRTH:

- a. Regular-Shaped Packages: The length and girth of a package is length plus (two times the height) plus (two times the width). If the dimension includes a fraction, a fraction of one-half or greater will be rounded up to the next whole number; less than one-half will be rounded down to the next whole number.
 - b. Irregular-Shaped Packages and Regular-Shaped Articles With Hollow or Open Spaces: To measure combined length and girth, assume the package or article to be enclosed in a six-sided, rectangular container, and then determine the combined length and girth as for regular-shaped packages.
- B. Charge for Unauthorized Packages.** In addition to the other rates and charges named in this tariff, a charge will be assessed for the following conditions:
1. Any package measuring more than 108 inches in length.¹
 2. Any package measuring more than 165 inches in length and girth combined.¹
 3. Any package measuring more than 150 lbs.¹

Unauthorized packages will be rated based on the greater of the package's actual rounded weight or dimensional weight, subject to a 90-lb. minimum billable weight.

¹ These packages are unauthorized and may be refused, returned to the shipper or disposed of by FedEx Ground. However, at FedEx Ground's sole discretion, they may be accepted and delivered. In the event of disposal, the shipper, if known, agrees to pay any costs incurred in the disposal.

FedEx Ground Tariff

Packaging and Marking

A. All packages must be prepared and packed by the sender for safe transportation with ordinary care in handling. Recipient address labels should be placed on both sides of each package with an additional label enclosed inside. Any articles susceptible to damage as a result of conditions that may be encountered in air ground transportation, such as changes in temperature, must be adequately protected by proper packaging. Each shipment must be legibly and durably marked with the name, address and ZIP code of both the shipper and recipient. The ZIP code is crucial to the efficient movement of the package through the FedEx Ground system.

New corrugated boxes in good, rigid condition large enough to allow cushioning of contents on the top, bottom and sides should be used. For guidelines on packaging specific commodities go to [fedex.com/packaging](https://www.fedex.com/packaging). Items that cannot be packed into cartons (auto tail pipes, mufflers, tires, rims, and so on) must have all sharp edges and protrusions wrapped, and the address label must be secured using the tie-on tag or the tire/crate label provided by FedEx (or you may secure it by wrapping pressure-sensitive tape completely around the object). Briefcases, luggage, garment bags, aluminum cases, plastic cases, computer cartons or similar types of items whose outer finish might be damaged by adhesive labels, soiling, marking or other types of surface damage that is normal with ordinary care in handling should be placed in a protective container for shipment. Casters, wheels or rollers must be removed or packaged.

Expanded polystyrene foam coolers must be shipped inside a sturdy outer container unless tested and approved for acceptance by FedEx Packaging Design and Development. Information on how to submit your packaging for testing is available at [fedex.com/packaging](https://www.fedex.com/packaging).

B. If a shipment is refused by the recipient, leaks, or is damaged, the shipment will be returned to the sender, if possible. If the sender refuses to accept the returned shipment or it cannot be returned because of leakage or damage due to faulty packaging, the shipper is responsible for and will reimburse FedEx Ground for all costs and fees of any type connected with the legal disposal of the shipment and all costs and fees of any type connected with cleanup of any spill or leakage.

C. Fragile Articles/Orientation. Packaging for all fragile articles (including, but not limited to, electronic and electrical devices, scientific testing equipment, fragile glass, crystal, porcelain, or china) should be preapproved by FedEx Packaging Design and Development prior to shipping.

D. Package Inspection and Testing. FedEx Ground reserves the right to request a shipper to submit a representative sampling of the packaging for inspection and testing. If the shipper fails to comply with our request to inspect and test the packaging, or the sampling fails FedEx testing, FedEx Ground will not be liable for any damages due to improper packaging.

E. FedEx Ground may issue written notice to you if you repeatedly fail to adhere to FedEx Ground's packaging requirements due to your pattern or practice of insufficient packaging. Claims for damage or loss associated with an identified pattern or practice of insufficient packaging will be denied. Any such claim filed related to your shipments will not be paid, regardless of which party files the claim, unless the claimant can establish that the loss or damage did not result from a failure to use proper packaging. FedEx Ground will continue to deny such claims until we determine that you have ceased the pattern or practice of failing to adhere to the packaging requirements. Nothing in this paragraph is intended to limit FedEx Ground's right to deny a claim where the shipment in dispute is found to have improper packaging.

F. Preshipment Inspection and Testing for Oversize Packages. At the sole discretion of FedEx Ground, FedEx Ground may require a shipper of packages classified as Oversize, as defined in the Rates section of the FedEx Service Guide, to submit a representative sampling of the oversize packaging for inspection and testing. If the shipper fails to comply with our request to inspect and test oversize packaging or the sampling fails FedEx testing, FedEx Ground will not be liable for any damage to shipper's oversize packages.

For general packaging assistance, including packing, sealing and labeling tips and information on how to submit your packaging for testing or evaluation, go to [fedex.com/packaging](https://www.fedex.com/packaging).

Pharmaceuticals

You are responsible for complying with all applicable local, state and federal laws, regulations, ordinances and rules governing the shipment of pharmaceuticals. Packages containing pharmaceuticals must not have labels, markings or other written notice that a pharmaceutical is contained within. Select the Direct Signature Required Delivery Signature Option if you require FedEx to obtain a signature from someone at the delivery address, or the Adult Signature Required Delivery Signature Option if you require an adult signature for delivery. See the Delivery Signature Options section for details.

Pickup and Delivery

A. Pickup Service:

1. FedEx Ground may provide on-call pickup service for a per-package pickup fee for customers that do not have a FedEx Ground regular scheduled pickup. This fee may be higher if the pickup is made the same day it is requested or if the request is made through FedEx Customer Service.
2. FedEx Ground may provide pickup service for a weekly pickup fee to regular scheduled pickup customers.
3. An alternate address pickup fee may apply to pickup service at shipping locations other than the location associated with the FedEx Ground account number. The alternate address pickup fee only applies to account numbers assessed the weekly pickup fee.
4. Charges for pickup service shall apply in addition to the rates set forth in the FedEx Service Guide in effect at the time of shipment. Upon payment of the applicable pickup service charge, FedEx Ground will call at the shipper's premises once each business day, if required, to pick up packages for delivery to all points served by FedEx Ground.
5. A return pickup surcharge applies for FedEx Print Return Label and FedEx Email Return Label shipments.
6. The shipper agrees to declare all applicable additional charges on the Customer Shipping Record or Declared Value Shipment Form, if applicable. FedEx Ground reserves the right to assess additional charges on those packages that the shipper does not properly rate and to re-rate packages the shipper fails to rate properly.

B. Delivery. FedEx Ground does not offer a restricted-delivery service and may deliver to someone other than the person or entity named as the recipient. We also may make an indirect delivery. Indirect delivery is a completed delivery to an address or location other than the address on the label and includes shipments delivered via Indirect Signature Required service. FedEx Ground may release the package with no signature at a residential address if none of the FedEx Delivery Signature Options are selected. FedEx Ground will attempt to obtain a signature for shipments to nonresidential addresses, except that when FedEx Ground uses a postal service, an interline cartage agent or a freight forwarder for final delivery, we may release such shipments with no signature if a FedEx Delivery Signature Option is not selected. If a Delivery Signature Option is selected and FedEx Ground uses a postal service, an interline cartage agent or a freight forwarder for final delivery, one of the following may occur at FedEx Ground's discretion:

1. If available, a cartage agent that can return a signature may be selected; or
2. If a signature cannot be returned, FedEx Ground may call the shipper and request to eliminate the signature requirement; or
3. The package may be returned to the shipper.

Where a signature is required, FedEx will make up to three attempts at delivery. A notice that delivery has been attempted will be left at the recipient's address after the first and second attempts. (See the Delivery Signature Options section.)

At our sole discretion, shipments having a declared value of \$500 or greater in the currency of the destination country may not be released without a signature even where the release is otherwise authorized.

FedEx Ground may, at its sole discretion, utilize a postal service, an interline cartage agent or a freight forwarding service for deliveries to remote rural areas or in the event of extreme or unexpected seasonal package volume, which may result in additional transit days and/or service restrictions. Our use of a postal service, an interline cartage agent or a freight forwarding service constitutes delivery of the shipment by us for all purposes. Please contact FedEx Customer Service at 1.800.GoFedEx 1.800.463.3339 for more information.

Shipments to hotels, hospitals, government offices or installations, university campuses, or other facilities that utilize a mailroom or other central receiving area will be delivered to the central receiving area, unless otherwise authorized and approved by FedEx Ground.

In order to facilitate delivery or release of a shipment, FedEx Ground may, at its sole discretion, contact the recipient to obtain delivery instructions, or to notify them that a delivery is scheduled, that a delivery has been completed or that a shipment is available for pickup at a Hold at Location facility. FedEx may also accept requests for delivery options from a recipient using FedEx Delivery Manager.

At its discretion, FedEx may not deliver or attempt delivery on the scheduled delivery day if the shipper or recipient requested a later delivery or informed FedEx that the recipient is closed or unavailable to accept delivery on the scheduled delivery day. In this situation, charges will be assessed based on the service initially selected by the shipper. The shipper or payer is responsible for communicating with the recipient regarding requested later delivery times and is responsible for knowing the days and times that the recipient location can accept FedEx deliveries.

FedEx Ground Tariff

(Pickup and Delivery, cont.)

We reserve the right to assess a Residential Delivery surcharge on any shipment delivered to a home or private residence, including locations where a business is operated from a home, or on any shipment in which the shipper has designated the delivery address as a residence, including shipments where the delivery location has been designated as Residential Delivery in error.

C. Redirect to Hold at Location:

1. The shipper or recipient may request to redirect a package to a FedEx Office location within the FedEx Ground/FedEx Home Delivery terminal delivery area of the original address.
2. Shipments that are requested to be redirected to Hold at Location are not eligible for the FedEx money-back guarantee.

Plants and Plant Materials

Shipping of plants and plant materials is discouraged by FedEx Ground. FedEx Ground assumes no liabilities if such materials are damaged in transit or if damages result from delay of shipment. If you choose to ship plants or plant materials, including seedlings, plant plugs and cut flowers, they must be shipped in accordance with applicable local, state and federal laws. Packages containing these items may be inspected by government agencies, which may result in a delay in delivery or seizure by government inspectors. FedEx Ground is not liable or responsible for damage, refunds or credits resulting from such delays or seizures. (See the Liabilities Not Assumed and Money-Back Guarantee Policy sections.)

Prohibited Items

You are prohibited from tendering the following items for shipment, and you agree not to do so:

1. Money, cash, coins, currency, paper money and negotiable instruments equivalent to cash, such as endorsed stocks, bonds and cash letters.
2. All live animals. (Edible seafood, such as live lobsters, crabs or other types of fish and shellfish for human consumption, is acceptable, provided the shipper is in compliance with all local, state, and federal laws.)

9. Hazardous waste. This includes, but is not limited to, used hypodermic needles or syringes transported for sterilization, recycling, disposal or for any other purpose, or other medical waste. FedEx Ground also does not accept hazardous substances in reportable quantities.
10. Liquid mercury, in any quantity, not contained as a necessary component in any product or piece of equipment in its original manufactured state.
11. Infectious or non-infectious human or animal cells, tissue, bodily fluids, blood, blood products, plasma, or any other material derived from human or animal blood whether in liquid or solid form; biohazards; regulated or non-regulated diagnostic cultures, specimens or samples, whether infectious or non-infectious; used health care products as defined in Title 49 of the Code of Federal Regulations; and any materials regulated as UN 2814, UN 2900, UN 3373 and UN 3291.
12. Inhalation hazards.
13. Packages that are wet, leaking or emit an odor of any kind.
14. Live insects.
15. Shipments or commodities that are prohibited by applicable local, state or federal law.
16. Counterfeit goods, including, but not limited to, goods under a trademark that is identical to or substantially indistinguishable from a registered trademark, without the approval or oversight of the registered trademark owner (also commonly referred to as "fake goods" or "knock-offs").
17. Tobacco and tobacco products, including but not limited to cigarettes, cigars, loose tobacco, smokeless tobacco, hookah or shisha.

Proof of Delivery

A. Verification of Delivery. Shippers may obtain proof of package delivery, including delivery date, online at fedex.com or by calling FedEx Customer Service at 1.800.GoFedEx 1.800.463.3339. There is no additional charge for this service.

B. Shipment-Status Information. FedEx Ground may provide selected shippers a daily or weekly list generated from our shipment-status information. This list is provided so that shippers will have a quick, abbreviated record of packages shipped and received. Shipment-status files contain preliminary and incomplete delivery data. It is not intended or permitted to be used to file claims or to determine whether any individual shipment fails to meet FedEx Ground service commitments.

Rate Quotations

Rates and service quotations provided to you by FedEx, including but not limited to, rates and service quotations provided by our employees, agents, interactive voice response systems and customer automation platforms are estimates and will be based upon information provided by you, but final rates and service charges may vary from the quotes based upon the characteristics of the shipment actually tendered to us and the application of this tariff. Rates quoted will vary depending on whether (1) the shipper is a FedEx account holder and (2) the shipper has discounts applied to his or her account.

- Shippers will be quoted FedEx Standard List Rates if they have a valid FedEx account, do not have discounts applied to their account and if they charge their shipping to their account.
- Shippers will be quoted Account-Specific Rates if they have a valid FedEx account, have discounts applied to their account and if they charge their shipping to their account.
- Shippers will be quoted FedEx Retail Rates for shipments originating in the U.S. that are paid for by cash, check, debit or credit card instead of being charged to a valid FedEx account.

For the most current information regarding areas served and delivery commitments, check online at fedex.com or contact FedEx Customer Service at 1.800.GoFedEx 1.800.463.3339.

FedEx Ground Tariff

Refusal or Rejection of Shipments

FedEx Ground reserves the right to refuse to transport unauthorized packages and any package that it, at its sole discretion, determines to be dangerous, hazardous or likely to soil, taint or otherwise damage other shippers' property or FedEx Ground equipment, personnel or contractors, or is improperly or insecurely packaged or wrapped, or is economically or operationally impracticable to transport, or when FedEx is unable to validate the identity of the shipper. Packages must be packaged and wrapped so as to pass the procedures described in the Packaging and Marking section covering testing of the packaged products weighing under 150 lbs. (68 kg).

Return Options

A. FedEx Ground return options are subject to all other terms and conditions provided in the FedEx Ground claims regulations, and as a whole, the tariff. The contents of a return shipment are subject to the same restrictions and prohibited-item limitations as the original shipment.

B. Written authorization from FedEx Ground is required to participate in the Package Returns Program (PRP). The maximum liability assumed by FedEx Ground for packages returned through PRP, FedEx Print Return Label or FedEx Email Return Label is limited to \$100 unless a higher value is declared, up to a maximum of \$1,000, at time of tender and a greater charge paid (see the Declared Value and Limits of Liability section). The shipper may declare a value up to \$50,000 for packages returned through the FedEx Ground Call Tag. The declared value of the FedEx Ground Call Tag may not exceed the value of the declared value on the original shipment. The shipper may not declare a value for a package returned to FedEx Ground through a damage call tag. FedEx Ground shall not be liable for any damage to a shipment or claim arising out of the use of a return option unless the package was lost during shipment or there was visible damage noted by the driver at time of delivery. FedEx Ground shall not be liable for any concealed damage for items returned by using PRP, FedEx Print Return Label or FedEx Email Return Label. Receipt of a shipment without written notice of damage on the delivery record is *prima facie* evidence that the shipment was delivered in good condition. The FedEx Ground liability for any loss or damage arising out of an authorized return shipment shall never exceed the actual amount of damage or the declared amount, whichever is lower. All other terms and conditions related to FedEx Ground claims regulations and, as a whole, the tariff, shall apply for packages shipped through the use of a FedEx Ground return option.

C. FOR FEDEX RETURNS, NOTWITHSTANDING ANY PAYMENT INSTRUCTIONS THAT ARE GIVEN TO FEDEX, THE PARTY THAT INITIATES A RETURN SHIPMENT TRANSACTION WITH FEDEX IS ULTIMATELY LIABLE FOR, WILL BE BILLED FOR, AND AGREES TO PAY, ALL CHARGES AND PICKUP FEES, INCLUDING ANY SPECIAL HANDLING FEES, REGARDLESS OF ANY PAYMENT INSTRUCTIONS TO THE CONTRARY, IF THE SENDER OR THIRD PARTY FAILS OR REFUSES TO PAY.

Tobacco and Tobacco Products

Tobacco and tobacco products are prohibited. Please see the Prohibited Items section.

Undeliverable Shipments

An undeliverable shipment is one that cannot be delivered for reasons that include, but are not limited to, any of the following:

- The recipient refuses to pay for a bill-recipient shipment.
- The recipient of a Hold at Location shipment cannot be located.
- The recipient refuses to accept the shipment prior to, during or after delivery.
- The recipient's delivery address cannot be located.
- The shipment was addressed to an area not served by FedEx.
- The shipment's contents or packaging are damaged to the point that rewrapping is not possible.
- The shipment would likely cause damage or delay to other shipments or property or injury to personnel.
- The shipment contains prohibited items.
- The recipient's place of business is closed.
- No appropriate person was available to accept the shipment at a delivery location on the initial delivery attempt or reattempts.
- The shipment was improperly packaged.
- The shipment contains unauthorized packages (see the Package Restrictions [Size and Weight] section).

A. Undeliverable shipments may be returned at the payer's expense. Shipments will be returned at no additional charge if the shipment is undeliverable because of damage to

the shipment caused by FedEx. However, if the shipment is undeliverable for any other reason, FedEx Ground reserves the right to assess return transportation charges and fees to the original payer, along with the original transportation charges and fees.

B. Our money-back guarantee policy does not apply to undeliverable or returned shipments.

C. FedEx reserves the right, at its sole discretion, and without notice, to sell, destroy or otherwise dispose of undeliverable shipments. By tendering a shipment, the shipper agrees to transfer and convey good and sufficient title of the contents of undeliverable shipments to FedEx, and agrees to pay any costs incurred in the sale, destruction or disposal thereof.

Warranties

FEDEX GROUND MAKES NO WARRANTIES, EXPRESS OR IMPLIED, AND EXPRESSLY DISCLAIMS ANY AND ALL WARRANTIES.

International Service Conditions

In addition to the preceding terms and conditions, the additional terms and conditions below apply exclusively to international shipments to Canada.

A. Billing:

1. Invoicing. Duties, taxes, clearance entry (brokerage) fees and ancillary clearance service fees may be assessed on the contents of shipments destined for Canada. These are payable by the importer of record (normally the consignee, unless otherwise indicated) in the first instance. For FedEx International Ground brokerage-inclusive shipments, duties and taxes may be billed to the shipper, recipient or third party. If a clearance entry fee applies, the payer of duties and taxes will be billed for the clearance entry fee. Charges to the shipper's account in currencies other than U.S. dollars will be converted to U.S. dollars, using a weekly *Wall Street Journal* conversion rate corresponding to the pickup date of the shipment or, for FedEx International Ground Distribution, the date FedEx Ground takes possession of the shipment. A service fee may apply. The clearance entry fee is subject to all applicable Canadian taxes.

Regardless of any payment instructions to the contrary, the shipper is ultimately liable for all charges and fees relating to a shipment, including, but not limited to, any duties or taxes that FedEx Ground has advanced. Shippers are responsible for accurately completing all sections of the required export documentation and for the entry of accurate shipment information (including, but not limited to, commodity descriptions and values for duty) on the Commercial Invoice and in any electronic device or software program.

2. Responsibility for Payment. The shipper is responsible for all charges, including transportation charges, duties and clearance entry (brokerage) fees, ancillary clearance service fees, governmental penalties and fines, taxes, FedEx Ground attorney fees and legal costs related to this shipment, and charges related to broker unassigned shipments, or broker select shipments where the broker information provided is incorrect. The shipper will also be responsible for any cost FedEx Ground may incur in returning shipments to the shipper or warehousing them, pending disposition.

B. Consolidation Service. Shippers utilizing FedEx International Ground Consolidation must meet all requirements as stated in the program-requirements document. By utilizing this consolidation service, the shipper agrees that:

1. FedEx Ground will determine in its sole discretion which shipments will be consolidated or excluded from a consolidation.
2. FedEx Ground is not liable for any increased brokerage costs associated with shipments that are not ultimately consolidated and clear customs as separate shipments. Any non-consolidated shipment may require a separate customs brokerage charge.
3. FedEx Ground reserves the right to update program requirements and participant eligibility at any time.
4. All associated fees, limitations, liabilities not assumed and other terms of this FedEx Ground Tariff apply to any packages shipped under this program.

Please contact FedEx Customer Service at 1.800.GoFedEx 1.800.463.3339 for more information.

C. Customs Clearance. Brokerage-inclusive service is the automatic default for FedEx International Ground shipping on FedEx electronic shipping solutions. In some instances, at the option of FedEx Ground, FedEx Ground may accept instructions from the importer of record to use a designated customs broker other than the broker arranged by FedEx Ground or the broker designated by the shipper. In this case, the shipment will no longer be considered a brokerage-inclusive shipment.

FedEx Ground Tariff

(International Service Conditions, cont.)

When FedEx Ground arranges clearance services, a clearance entry fee will be added as an ancillary clearance service fee to the duty-and-tax invoice to cover processes required to check the Commercial Invoice submitted with the shipment and to complete entry preparation procedures required by either U.S. Customs and Border Protection or the Canada Border Services Agency, including calculation of applicable duties and taxes for each type of commodity included in the shipment.

1. **U.S. Export Shipments.** FedEx Ground is headquartered in the U.S. and will not transport shipments that violate U.S. export controls nor export controls in the countries in which we operate, provided they do not conflict with U.S. law. You are responsible for, and warrant, your compliance with all applicable laws, rules and regulations, including, but not limited to, the U.S. Export Administration Regulations, the U.S. International Traffic in Arms Regulations, the U.S. Foreign Assets Control Regulations and applicable export laws and regulations of any country to, from, through or over which your shipment may be transported. You agree, and warrant, that you will comply with all applicable U.S. government sanctions prohibiting the export or re-export of goods, services or technology to countries and regions listed by the U.S. government unilaterally or in coordination with other countries' sanctions. In addition, no commodities originating or manufactured in any of these countries and regions are accepted for transportation anywhere in the world.

Any FedEx Returns service shipments that are forwarded to a third country must also comply with the export control requirements of the country of first departure. You agree to furnish such information and complete and attach to the shipment such documents as necessary to comply with such laws, rules and regulations.

In addition, you specifically warrant that you will not tender any shipments to us if you or any of the parties involved in the shipment are listed on any of the export controls or sanctions lists published and maintained by: the U.S. Department of Treasury, Office of Foreign Assets Control; the U.S. Department of Commerce Department, Bureau of Industry and Security; the U.S. Department of State, Directorate of Defense Trade Controls; the United Nations Sanctions Committees; the European Union Council; and any other relevant authority. In addition, you agree and warrant that you will not attempt to ship to any entity owned by any party, in the common ownership interest determined by the relevant listing authority, subject to U.S. government economic sanctions.

We assume no liability to you or any other person for any loss or expense — including, but not limited to, fines and penalties — if you fail to comply with any export laws, rules or regulations.

Shipments crossing international borders must be cleared through customs in the destination country before being delivered to the consignee. You are responsible for providing FedEx with the importer of record's customs broker. This can be done by entering broker information on the Commercial Invoice or by selecting the broker select option and entering broker information in the automation device. If the importer of record is self-clearing the shipment through customs, you must specifically indicate that on the shipment documentation or clearance fees may apply.

The shipper agrees to provide all required documentation for the customs clearance and certifies that all statements and information on said documentation, including documentation submitted electronically, are true and correct. The shipper authorizes FedEx Ground to forward all information of any nature regarding shipments to any and all governmental or regulatory agencies that request or require such information. The shipper understands that making false declarations or statements may result in civil and criminal penalties, including forfeiture and sale.

If the shipper does not complete all documents required for carriage, or if the documents submitted are not appropriate for the services or destinations specified, the shipper hereby authorizes FedEx Ground, where permitted by law, to complete, correct or replace the documents for the shipper at the shipper's expense. However, FedEx Ground is not obligated to do so.

If a substitute form of Commercial Invoice is needed to complete delivery of the shipment, and FedEx Ground completes such a document, the terms of this tariff will continue to govern.

When shipments are held by customs or other agencies because of incorrect or missing documentation, FedEx Ground may attempt to notify the consignee or shipper, as determined by local law. If the consignee or shipper fails to supply the required information or documentation, the shipment may be determined to be undeliverable. FedEx Ground assumes no responsibility for the inability to

complete a delivery due to incorrect or missing documentation. Shipments held by customs or other agencies because of incorrect or missing documentation will require additional transit time.

2. **U.S. Import Shipments.** Shipments originating outside the U.S. for delivery in the U.S. are subject to local tariffs and the service conditions of FedEx Ground. These service conditions include terms regarding the importation and customs clearance of shipments into the U.S. from Canada.

U.S. Customs regulations require the Social Security Number (SSN) of an individual and the Internal Revenue Service Employer Identification Number (EIN) of the U.S. consignee for certain shipments being imported into the U.S. This information must be included on the Commercial Invoice for all U.S. import shipments. The EIN or SSN must be on file with the U.S. Customs Service. Any changes to a company address, or the EIN or SSN, should be provided to FedEx Ground for system updating. Shipments that arrive in the U.S. that do not have the correct EIN or SSN may be detained until that information can be obtained from the consignee or determined otherwise. This requirement applies to shipments imported to the U.S. requiring a formal entry.

- D. **Duties and Taxes.** In order to expedite customs clearance, FedEx Ground may elect to disburse duties and taxes on the importer's behalf. A FedEx Ground agent or employee may contact the importer to confirm arrangements for reimbursement of amounts to be disbursed. For brokerage-inclusive shipments, duties and taxes may generally be billed to the shipper, consignee or third party as designated on the Commercial Invoice or entered in an automation device.

E. **Inspection of Shipments and Identification Requirement.** FedEx Ground, or its agents or brokers, may open and inspect any or all packages in a shipment at any time. This action may be initiated by FedEx Ground or at the request of government authorities. We may, at our sole discretion, require the shipper to provide their government-issued photo identification prior to tendering a package to FedEx.

F. **Northern Canada Surcharge.** Canada packages destined to the Yukon, Northwest Territories, Nunavut and Labrador are restricted to a maximum 70-lb. weight limit and will incur an additional charge. Packages weighing more than 70 lbs. may be refused or returned to the shipper. However, at FedEx Ground's sole discretion, they may be accepted and delivered for an additional charge. These additional charges apply to postal codes A0K, A0P–A0R, A2V and X0A–Y9Z. The charges are in addition to applicable transportation charges.

G. **Postal Codes and Telephone Numbers.** The consignee's postal code, telephone number and contact name are critical information and should be included on both the Commercial Invoice and address label.

H. **Prohibited Items.** You are prohibited from tendering the following items for shipment to Canada, and you agree not to do so. This list is not all-inclusive and is subject to modification without notice. FedEx Ground reserves the right to open and inspect any package tendered for delivery. FedEx Ground will refuse and may return any shipment that is considered unsafe, unlawful, or violates the terms and conditions of the FedEx Ground Tariff.

FedEx SameDay City Tariff

The FedEx SameDay City Tariff, contained in the FedEx Service Guide, supersedes all previous terms and conditions, tariffs, amendments, supplements, and other prior statements concerning the rates and conditions of FedEx SameDay City service to which this tariff applies. This tariff constitutes the entire agreement between the parties and supersedes all previous agreements and understandings, whether oral or written, with respect to the subject matter hereof, and any entity receiving services hereunder or the benefit of services hereunder warrants and represents that it has not relied and will not be relying upon any statement, representation or advice regarding such service except representations expressly made in this tariff.

FedEx reserves the right to unilaterally modify, amend or supplement this tariff and the FedEx Service Guide at any time without notice, which revisions shall take effect immediately. No modifications, amendments or supplements are authorized or effective unless published by FedEx at fedex.com.

The FedEx Service Guide consists of the service information at fedex.com/serviceguide and the overview of services in the downloadable FedEx Service Guide (U.S. and U.S. export); U.S. retail rates; the FedEx Express Terms and Conditions; the FedEx Ground Tariff; and this FedEx SameDay City Tariff. The downloadable version (PDF) of the FedEx SameDay City Tariff available at fedex.com in effect on the shipment date (as defined herein) shall control.

Note: Unless otherwise specified in this tariff, the rules listed in this tariff apply to shipments originating in the U.S. for transportation via a FedEx SameDay City service.

Scope of Tariff

A. Participating Carriers. FedEx Office and Print Services, Inc. and its subcontractors. Any subcontractor used by FedEx is subject to the obligations applicable to FedEx herein, and is likewise entitled to any and all exclusions from or limitations to liability applicable to FedEx.

B. Governing Publications. Except as otherwise provided, this tariff is governed by the following publication, supplements thereto or succeeding publications thereof: the rate information in the FedEx Service Guide in effect at the time of shipment. This publication is available at fedex.com.

C. FedEx SameDay City Scope of Operations. Where available, as determined in the sole discretion of FedEx, FedEx SameDay City service offers same-day pickup and delivery in select metropolitan U.S. service areas seven days a week, 365 days a year, for packages weighing less than 150 lbs.

Definitions

“Account-Specific Rates” are the rates paid by FedEx account holders who have discounts applied to their account and who charge their shipping to their FedEx account.

“Business day” means Monday through Friday for FedEx, except for the following holidays:

Memorial Day	Thanksgiving Day
Independence Day	Christmas Day
Labor Day	New Year's Day

Observation of holidays is subject to change. Refer to the holiday list at fedex.com/en-us/service-guide/holiday-schedule.html for details.

“Commercial delivery” means any delivery that is not a residential delivery.

“FedEx,” “FedEx Office,” “our,” “us” and “we” refer to FedEx Office and Print Services, Inc., and its employees, affiliates and agents.

“In good credit standing” means: (1) that payment on the FedEx account is current; (2) the account is not in “cash only” status; and, (3) for commercial or business accounts, the balance does not exceed the credit limit established by FedEx.

“Length” is the longest side of a package.

“Metropolitan U.S. service areas” means those metropolitan areas listed in the service information at fedex.com/serviceguide which offer FedEx SameDay City service.

“Overcharge” means a charge based on an incorrect rate; an incorrect special handling fee; billing a service other than the service selected for the shipment; billing based on incorrect package or shipment weight; billing to the wrong account number; or any other billing, unrelated to a service failure, that results in an incorrect charge.

“Package” means any single parcel or piece with a chargeable weight of 150 lbs. or less, including the container and its contents. Any fraction of a pound is rounded up to the next-higher pound.

“Proof of delivery” means electronically captured delivery information, which may include date, time, location and signature information.

“Reroute” means to deliver a shipment to an address different from that specified on the shipping label, and includes a change from one street address to another. Any requested change to an address that is not a reroute or an address correction is a new shipment, and new shipment charges will apply.

“Ready time” means the time the customer specified the shipment will be ready for pickup.

“Residential delivery” means a delivery made to a home or private residence, including locations where a business is operated from the home, and/or a delivery in which the shipper has designated the delivery address as residential.

“Service failure” means we arrived 60 seconds or more after the delivery commitment for the FedEx SameDay City service selected for that shipment, except as otherwise described in this tariff.

“Ship date” or “shipment date” is the date the shipment is physically tendered to FedEx. For shipments tendered at a FedEx location after the last pickup time, the ship date is the next business day.

“Shipment” means one or more packages shipped together to the same recipient.

“Standard List Rates” are rates paid by any shipper who does not have a FedEx account, who does not have discounts applied to their FedEx account or who pays by any means other than charging to a FedEx account.

“Transportation charges” mean amounts assessed for movement of a shipment and does not include any other fees or charges that may be assessed under the FedEx Service Guide, such as (but not limited to) declared-value charges, special handling fees, customs duties and taxes, and surcharges.

“Valid” as it relates to account numbers means a FedEx account number that has been issued by FedEx and that is in good credit standing.

“You” or “your” means the shipper/sender, recipient and their agents, servants, employees, and any other person or entity having or claiming an interest in a shipment.

Non-Waiver

Any failure by us to enforce or apply a term, condition, right or provision of this FedEx SameDay City Tariff does not constitute a waiver of that term, condition, right or provision and does not otherwise impair our right to enforce such term, condition or provision.

Account Numbers

Account-Specific Rates will not apply unless charged to a valid FedEx account. FedEx account holders who pay for shipments originating in the U.S. with a credit card instead of charging to a valid FedEx account will be charged Standard List Rates.

Account numbers are issued by FedEx according to shipping location and are nontransferable. Account numbers are issued and used solely at the discretion of FedEx. FedEx may discontinue the use of accounts, in whole or in part, and terminate all or particular accounts and account numbers at any time, for any reason, at its sole discretion. Improper, illegal or any other misuse of your FedEx account may also, at the sole discretion of FedEx, result in loss of discounts or termination of the account. Improper, illegal or other misuse includes, but is not limited to, unauthorized consolidation of shipments owned by different parties, or violations of the terms and conditions in this FedEx Service Guide. If your account has been compromised or stolen, the account may be closed and you may be issued a new account. However, you will be responsible for all valid charges on the closed account. Any materials, rights or privileges that you acquire by holding a FedEx account number may not be used for any purpose other than shipping with FedEx, and FedEx may seek damages against you for any improper, illegal or other misuse of your account. If your account is terminated, we reserve the right, at our sole discretion, to deny your application for new or additional FedEx account numbers at any time in the future. All charges will be billed and must be remitted in U.S. funds.

Any individual or entity that uses the FedEx account or shipping discounts of another FedEx account holder without authorization will be charged Standard List Rates for all such shipments without prior notice. This includes all shipments, whether they are classified as “Bill Sender,” “Bill Recipient” or “Bill Third Party,” or any other method of billing. Unauthorized use includes, but is not limited to, using the shipping discount of another FedEx account holder without the knowledge and permission of both FedEx and the account holder.

All requests for account numbers are subject to credit investigation and verification by our Credit Department and Customer Account Confirmation Department. FedEx utilizes business credit reporting agencies, audited financial statements, Standard & Poor's and Moody's bond ratings, and other sources as necessary, to determine eligibility for open

credit terms. FedEx does not offer consumer credit privileges. Any individual shipping for personal use must prepay the shipment charges or establish a FedEx account for billing directly to a major credit card. Stored-value cards or gift cards cannot be used to open an account; however, such cards may be used for payment when tendering a shipment at staffed FedEx shipping locations, and in conjunction with our credit card acceptance policy. If your FedEx account is billed directly to a credit card, you agree to the following terms: (1) you authorize FedEx to initiate variable charges to the credit card to settle charges payable to FedEx; (2) you authorize FedEx to charge your card for any unpaid amounts on your account; (3) you authorize the card issuer to pay any amounts associated with your account without requiring a signed receipt; (4) you agree to keep your card information current (FedEx may receive updates on your card information from participating issuing banks and may update your account profile to avoid service disruptions); (5) you agree that FedEx shall have no liability for any insufficient funds or other charges incurred from attempts to charge and/or place holds on your card; and (6) your agreement to these terms and conditions is to be accepted as authorization to the card issuer to pay all amounts associated with your account.

The party to whom a FedEx account number is issued is liable for all charges to the account, including those resulting from unauthorized use. The account holder is responsible for the safekeeping of the account number. The account number should be released only to those authorized to ship on the account.

Failure to keep your FedEx account current may result in "termination" of your FedEx SameDay City service. If the account number to be billed is not valid, the shipment may be refused, delayed or returned until an alternative form of payment is secured. If a shipment is held, returned, or delivery is otherwise delayed because the account is not in good credit standing, you will not be entitled to a refund or credit of your transportation charges under the money-back guarantee policy.

You must use your FedEx account number to obtain any discount applicable to your account. Use of your account number constitutes your agreement that all shipments shipped by us shall be subject to this tariff, as modified, amended or supplemented.

For FedEx SameDay City services, you may only request FedEx to bill accounts with a U.S. or Canadian billing address. Any request for FedEx to bill otherwise is null and void, and FedEx, at its sole discretion, reserves the right to bill the sender for those charges.

FedEx may provide trade credit information on its account holders to credit bureaus.

After-Hours Pickup and Saturday, Sunday or Holiday Pickup or Delivery

Additional fees apply for after-hours pickup, Saturday pickup or delivery, Sunday pickup or delivery, or holiday pickup or delivery. The after-hours fee applies to ready times of 8:01 p.m.–6:59 a.m., Mon.–Fri. Only one surcharge will apply for after-hours pickup, Saturday pickup or delivery, Sunday pickup or delivery, or holiday pickup or delivery, per shipment.

Alcoholic Beverages

FedEx SameDay City does not accept alcoholic beverages as part of its regular-scheduled service. Shipments of alcoholic beverages require prior approval from FedEx SameDay City and must be shipped on an approved FedEx account number in markets where the shipping of alcoholic beverages is permitted. Contact your FedEx account executive for more information.

Animal Carcasses

FedEx SameDay City does not accept animal carcass shipments as part of its regular-scheduled service. FedEx SameDay City may accept certain shipments of animal heads and other parts for taxidermy if properly packaged.

If approved by FedEx, we may accept animal carcasses, organs and other parts on an exception basis under the following conditions:

1. Shipments must be approved by the FedEx Animal Desk (call 1.800.405.9052).
2. The shipper must have its packaging tested and pre-approved by FedEx Packaging Design and Development for the type of animal carcass, organ or part being shipped. Call 1.800.633.7019 for assistance. It is the responsibility of the shipper to adequately package shipments for all temperature extremes and handling conditions.

Contact your FedEx account executive for details and additional requirements.

Billing

A. NOTWITHSTANDING ANY PAYMENT INSTRUCTIONS THAT ARE GIVEN TO FEDEX, OR ANY PROVISION OF THIS TARIFF CONTEMPLATING INVOICING OF OR PAYMENT BY A THIRD PARTY, THE SENDER IS ULTIMATELY LIABLE FOR ANY AND ALL CHARGES AND FEES.

B. "Bill Sender" means charges will be billed to the sender. Payment on the account must be current. The sender may request an initial rebilling to another party, but all subsequent rebills will be only to the sender, and the sender will remain ultimately responsible for payment of all such charges not paid by such other party during the applicable invoice period.

C. "Bill Third Party's FedEx Account Number" means charges will be billed to someone other than the sender or recipient (except for certain additional charges that are billed to the sender, including, but not limited to, weekly pickup fees, alternate address pickup fees, on-call per-package pickup charges, address correction fees, and invalid or missing account number fees). In order to choose this billing option, the FedEx account number of the third party must be inputted into the sender's electronic shipping system at the time the shipment is processed and payment on the account must be current. If the third party is billed initially and refuses to make payment for the shipment, the charges may be rebilled to another party, but subsequent requests will only be rebilled to the sender. (See section K, Billing Special Handling Fees.) If the party that is rebilled refuses or fails to pay in the applicable invoice period, the sender is liable for and will be billed for all charges and fees, plus all special handling fees. If due to the charges the third-party account exceeds credit limits with FedEx, the sender will automatically be billed.

D. For "Bill Third Party" transactions, if the third party refuses to pay the charges, refuses delivery, fails to pay within the applicable invoice period, or cannot be contacted, the sender is responsible and will be billed for any and all charges. For "Bill Third Party" transactions, we may verify the method of payment and reserve the right to not accept any "Bill Third Party" shipment for which such verification cannot be established.

E. FedEx may consider payment type in determining pricing and discounts, and reserves the right to adjust discounts based on payment type.

F. The sender's shipment may be delayed if we determine that it is billed to a FedEx account number that is not in good credit standing. The service failure money-back guarantee will not apply (see the Money-Back Guarantee Policy section for details and limitations).

G. A special handling fee will be applied for any check or electronic funds transfer (EFT) that is dishonored due to insufficient funds on deposit or incorrect or insufficient signature of the drawer.

H. You must furnish with your payment the invoice numbers to which your payment applies. Payment should be sent using your remittance advice to one of the following:

K. **Billing Special Handling Fees.** A special handling fee will be applied in the following situations:

1. Invoicing where an incomplete, inaccurate, invalid or deleted account number appears in the EDI transmission of shipping information.
 - a. For "Bill Sender" transactions, if the account number on the shipping barcode is incomplete, inaccurate, invalid or deleted, and we are able to determine the correct number from our records, all charges and fees, plus the special handling fee, will be billed to the sender. If the correct account number cannot be determined from our records, all charges and fees plus the special handling fee will be billed to the sender.
 - b. For "Bill Third Party" transactions, if the third party account number in the electronic data interchange (EDI) transmission is incomplete, inaccurate, invalid or deleted, all charges and fees, plus the special handling fee, will be billed to the sender. If we can determine the sender's correct account number from our records, it will be used for billing.
 - c. The fee for an incomplete, inaccurate, invalid or deleted account number will be applied only once for each package with such an account number.
2. Payer Rebilling. A special handling fee will be charged to the sender for all requests to change a billing from the party billed or the bill-to party shown on the shipping transmission, which fee may be applied to each invoice line item which is rebilled. Requests for rebilling will be accepted up to 180 days from the invoice date, not counting the invoice date.

Requests for rebilling of transportation charges must be received via one of the approved channels:

 - a. Submit your request through the Non-Pay option with Electronic Data Interchange (EDI) if you are a registered user; or
 - b. Call customer service at 1.800.399.5999 and select the billing prompt.

L. Invoice Adjustments/Overcharges:

1. We reserve the right to audit shipments, including those submitted via an electronic shipping device, to verify service selection and package or shipment weight. If the service selected or weight entered is incorrect, we may make appropriate adjustments to the invoice at any time.
2. Default Billing. Senders are responsible for provision of complete and accurate shipment information, including entry in any electronic shipping device. Because the number of packages and weight per package are critical to our ability to correctly invoice, any omission or incorrect entry or unavailable information will result in a billing based on our estimate of the number of packages transported and either the standard dimensional factor at the time of billing or a standard "default" weight-per-package estimate determined at our sole discretion.
3. You may request an invoice adjustment for reasons not related to a service failure by calling 1.800.399.5999 (select option 4, then option 1 to leave a voice message or option 2 to speak with a live agent). If you choose to submit your request via the telephone invoice adjustment system, the request must state the reason you believe an adjustment or refund is warranted and must provide the following: the FedEx account number (if any); the FedEx tracking number; and the date of shipment. All requests for adjustments must be made by an agent of the billed account.

A partial payment against an invoice is not considered a request for invoice adjustment or notice of a refund request.
4. Requests for invoice adjustment due to an overcharge (including unidentified payments and duplicate payments) must be received within 60 days after the date of shipment. For adjustments due to a service failure, see the Money-Back Guarantee Policy section.

For additional information or assistance regarding billing issues, please contact a FedEx account executive.
5. FedEx is not obligated to refund any overcharge or pay any other obligation owed when your FedEx account is, or has been in the past, more than 60 days past due.
6. If your account is more than 60 days past due, FedEx may, at its sole discretion, apply any overcharge amounts or other overpayments it agrees are owed to you against the oldest invoices.

M. **Additional Taxes.** If any value-added, consumption or similar tax is applicable to your shipment, we reserve the right to add that amount to your shipment charges.

N. The sender is responsible for all reasonable costs incurred by FedEx in attempting to obtain payment on any transaction. Such costs include, but are not limited to, attorneys' fees, collection agency fees, and interest and court costs.

O. At our sole discretion, FedEx may transfer and assign ownership of, and any rights to collect, any and all charges due and payable to us.

P. **Missing or Invalid Account Number.** An account number is invalid if it is not the correct account number for the bill-to party, or it is the account number for a third party who fails to pay the shipping charges. An additional charge will be assessed for each missing or invalid account number.

Cancellation

A cancellation fee will be assessed if a cancellation occurs 30 minutes or less before the ready time. The fee also applies if cancellation results from a pickup exception in which no packages were picked up and the pickup is not rescheduled.

Claims

A. Filing of Claims:

1. With respect to any alleged or actual loss, damage, delay, misdelivery or nondelivery with respect to any shipment, a claim must be filed in accordance with the provisions of this item as a condition precedent to any liability of FedEx and any recovery by the claimant. FedEx liability with respect to any such claim, if any, shall be governed by the provisions of this tariff. Claims must be filed by the beneficial owner of the shipment, and by filing, the claimant warrants and represents that it is the owner of the goods in question.
2. All claims must be submitted on forms made available by FedEx, or otherwise contain information required by FedEx. FedEx shall have no obligation to consider or to pay any claim that does not conform to FedEx requirements. You can file a claim in the following ways:
 - a. Submit claims through email at billing@fedexsameday.com.
 - b. Send written claims, including the completed claim form and supporting documentation, via the U.S. Postal Service or fax to:

FedEx SameDay Service
Attn: Claims Specialist
3469 Dearborn Plaza
Hapeville, GA 30354
Fax: 1.404.305.1523
 - c. Call customer service at 1.800.399.5999 to obtain steps to submit a case number for your claim, then complete a print copy of the claim form. You may have to submit supporting documentation using the mailing address or fax number listed above.
3. FedEx will not voluntarily pay a claim for an uncertain amount, such as "\$100 more or less." We are not obligated to act on any claim until all transportation charges are paid. The claim amount may not be deducted from these charges or any outstanding balance.
4. Bad order reports, appraisal reports of damage, notations of exceptions on delivery records or other documents, inspection reports issued by our inspectors or inspection agencies, requests for proof of delivery, and tracer or inspection requests standing alone are not sufficient to comply with these claim filing requirements.
5. FedEx SameDay City shipment-status information is not intended or permitted to be used by the shipper to file claims.
6. FAILURE TO COMPLY WITH ANY OF THE ABOVE CONDITIONS WILL RESULT IN THE DENIAL OF A CLAIM.
7. Upon payment of a claim, FedEx may, in its sole discretion, elect to take title to, and salvage, any goods with respect to which payment has been made. By accepting payment, the claimant warrants and represents that it will transfer title of such goods to FedEx upon request, and waives any and all claims arising from or related to any such salvage.

B. **Acknowledgment of Claims.** FedEx will, upon receipt in writing of a proper claim filed in the manner and form described in this tariff and accompanied by the documents required or requested by FedEx, acknowledge the receipt of such claim in writing within 30 days after the date of receipt by FedEx unless FedEx shall have paid or declined such claim in writing within 30 days of the receipt thereof. FedEx will create either in writing or electronically a separate file for each claim received, assign each claim a successive claim file number, and note the claim number assigned on all documents filed in support of the claim and all records and correspondence relating to the claim, including the

FedEx SameDay City Tariff

(Claims, cont.)

written acknowledgment of receipt and, if in its possession, the pickup and delivery records covering the shipment involved. FedEx will record the date a claim is received on the face of the claim document. The date of receipt will also be noted on our written acknowledgment of receipt.

C. Time Limit for Filing Claims. Claims for loss, damage or delay must be filed in writing with FedEx within nine months from the date of delivery, or, in the event that FedEx failed to make delivery, within nine months after the shipment was tendered to FedEx for shipment. Suits against FedEx must be instituted within two years and one day from the date FedEx gives written notice that FedEx has disallowed any part of the claim specified in the notice. If claims are not filed or suits are not instituted in accordance with the foregoing provisions, FedEx will not be liable and such claims will not be paid. A Claim Reporting Form can be requested from a FedEx account representative or by calling 1.800.399.5999.

D. Investigation of Claims:

- Each claim must be supported by the original Customer Shipping Record (if applicable), evidence that applicable transportation charges have been paid, and documents that prove the value of the property, and/or extent of the loss or damage. Such documents may include original purchase invoices, estimates or invoices for repair, expense statements, appraisals, pictures of the damage and inside and outside packaging, or other certified documents. The documents must be verifiable to our satisfaction. Where the property involved in a claim has not been invoiced to the recipient, or where an invoice does not show price or value, or where the property involved has not been sold, or where the property has been transferred at bookkeeping values only, FedEx will, before voluntarily paying a claim thereon, require the claimant to establish the destination value of the quantity shipped, transported or involved, and to certify the correctness of the valuations in writing.
- When a claim for loss of an entire package or an entire shipment cannot otherwise be authenticated upon investigation, FedEx will obtain from the recipient of the shipment involved a certified statement in writing that the property for which the claim is filed has not been received from any other source.
- In the event that the shipper and the recipient have refused a package, the property shall thereupon pass to FedEx. FedEx will not honor a claim for an abandoned package.

E. Disposition of Claims. FedEx will, after receiving a written claim for loss or damage to the property transported, either pay actual or declared value for the property, whichever is lower; or decline, or make a firm compromise settlement offer in writing to the sender (unless special arrangements have been made) within 120 days after receipt of claim by FedEx. If a claim cannot be processed and disposed of within 120 days after the receipt thereof, FedEx will advise in writing of the status of the claim and the reason for the delay in making final disposition. Acceptance of payment of a claim shall extinguish any right to recover in connection with that shipment.

F. Damaged Property:

- FedEx Discovered Damage. Whenever property is damaged by FedEx in the course of transportation and discovered by FedEx prior to delivery, FedEx will either (1) return the damaged property to the shipper or (2) remove any damaged property and ship the balance of undamaged merchandise.
- Concealed Loss or Damage. Whenever property is delivered by FedEx and damage or loss that was not evident upon reasonable inspection at the time of delivery is not noted at the time of delivery, if the shipper or recipient notify FedEx of the damage or shortage within 5 days of the date of delivery, then FedEx will process the claim as if the damage or shortage had been noted by the recipient at the time of delivery.
- FedEx reserves the right to inspect a damaged shipment on customer premises as well as the right to retrieve the damaged shipment for inspection at a local FedEx facility. All of the original shipping cartons, packing and contents must be available for our inspection and retained until the claim is concluded. Inspection will include examination of the damaged property, the shipping container and its packing, and any other action necessary to establish all the facts. If a shortage is involved, the inspector will compare the contents of the shipment with the invoice, weigh the shipping container and contents, or conduct any other type of investigation necessary to establish that a loss has occurred. In either case, the inspection will be limited to a factual report. The shipper and recipient must cooperate with FedEx to assist in the inspection. A written record of our findings will be made and a copy given to the shipper for claim support upon request. Any inspection report issued will be incorporated into the claim file.

- In the event FedEx does not make an inspection, the recipient must make the inspection and record all information pertinent to the cause. The recipient's inspection, in such case, may be considered as the FedEx inspection and will not jeopardize any recovery due the shipper based on the facts contained in the report.

G. The claimant, and any other party with an interest in the shipment, shall exercise reasonable care in mitigating damages arising from or related to any claim of loss, damage, delay, misdelivery or nondelivery with respect to any package.

Credit Terms and Payment

- We do not provide individual consumer credit privileges.
- We will extend credit to shippers who, in the sole judgment of FedEx, are creditworthy.
- As a condition of extending credit privileges, we reserve the right to require business customers to provide current financial information, agree to bank draft arrangements for payment on account, provide a security deposit or provide a bank letter of credit.
- When credit privileges are extended, FedEx reserves the right to establish and enforce a credit limit on your account. At our sole discretion, we may review and amend a credit limit on your account.
- The invoice date begins the credit term cycle, and payment in full and without offset is due within 15 days from the invoice date. Failure to keep your FedEx account current will result in your account being placed on cash-only status. This status may impair your ability to use our services, delay your shipments, and may result in the loss of any applicable discounts.
- IF THE ACCOUNT NUMBER TO BE BILLED IS NOT IN GOOD CREDIT STANDING, THE SHIPMENT MAY BE HELD OR STOPPED IN TRANSIT UNTIL YOU MAKE ALTERNATIVE PAYMENT ARRANGEMENTS. THE MONEY-BACK GUARANTEE POLICY WILL NOT APPLY IN SUCH CIRCUMSTANCES.
- Credit privileges will not be restored until you have paid all past-due balances in full and all costs, fees and expenses incurred by FedEx in collecting or attempting to collect such balances. We may require you to secure the account with a form of payment as a prerequisite to credit restoration. We may decline to restore credit privileges even if all costs, fees and expenses are paid.
- Customers requesting the reinstatement of their FedEx SameDay City service must contact the Recovery Collections department at 1.800.506.7580.
- At our sole discretion, we may apply payments made on your account to any unpaid invoice issued on your account.

Declared Value and Limits of Liability (Not Insurance Coverage)

- If FedEx is liable for loss, damage, delay or misdelivery arising from or related to loss or damage to shipments in accordance with the provisions of this tariff, FedEx liability is limited to the sum of \$100 per shipment unless a higher value is declared at time of tender and a greater charge paid as provided in the FedEx Service Guide.
- The declared value of any shipment represents our maximum liability in connection with a shipment, including, but not limited to, any loss, damage, delay, misdelivery, nondelivery, misinformation, any failure to provide information or misdelivery of information. Exposure to and risk of any loss in excess of the declared value is either assumed by the owner or transferred by the owner to an insurance carrier through the purchase of an insurance policy. The shipper should contact an insurance agent or broker if insurance coverage is desired. FEDEX DOES NOT PROVIDE INSURANCE COVERAGE OF ANY KIND.
- In cases where the shipper declares or agrees in writing that the property being shipped is released to a value exceeding \$100 per shipment or article not enclosed in a shipment, an additional charge for each \$100 or fraction thereof of total valuation will be assessed to which the base rate applies, up to a maximum declared value of \$2,000 per shipment.
- The foregoing notwithstanding, shipments containing all or part of the following items are limited to a maximum declared value of \$1,000:
 - Artwork, including any work created or developed by the application of skill, taste or creative talent for sale, display or collection. This includes, but is not limited to, items (and their parts) such as paintings, drawings, vases, tapestries, limited-edition prints, fine art, statuary, sculpture and collector's items.
 - Film, photographic images (including photographic negatives), photographic chromes and photographic slides.

E. ANY EFFORT TO DECLARE A VALUE IN EXCESS OF THE MAXIMUMS ALLOWED IN THIS TARIFF IS NULL AND VOID. OUR ACCEPTANCE FOR CARRIAGE OF ANY SHIPMENT BEARING A DECLARED VALUE IN EXCESS OF THE ALLOWED MAXIMUMS DOES NOT CONSTITUTE A WAIVER OF ANY PROVISION OF THE FEDEX SERVICE GUIDE AS TO SUCH SHIPMENT.

F. REGARDLESS OF THE DECLARED VALUE OF A SHIPMENT, OUR LIABILITY FOR LOSS, DAMAGE, DELAY, MISDELIVERY, NONDELIVERY, MISINFORMATION, ANY FAILURE TO PROVIDE INFORMATION, OR MISDELIVERY OF INFORMATION, WILL NOT EXCEED ITS REPAIR COST, ITS DEPRECIATED VALUE OR ITS REPLACEMENT COST, WHICHEVER IS LESS.

G. See the Liabilities Not Assumed section for other limitations and exclusions on our liability.

H. With respect to any device or media upon or within which data or other information (whether in print or electronic form) is maintained, the value of such device or media is limited to the cost to repair or replace such device or media without consideration for the data or other information contained therein or set forth thereon. By tendering any such device or media, the party making such tender acknowledges and agrees that back-up copies of any and all data or information contained therein or set forth thereon are being maintained and can be readily reproduced.

Delivery Signature Options

FedEx offers three Delivery Signature Options for shippers:

A. Indirect Signature Required. FedEx will obtain a signature in one of two ways:

1. From someone at the delivery address; or
2. From a neighbor, building manager or other person at a neighboring address.

B. Direct Signature Required. FedEx will obtain a signature from someone at the delivery address. If no one is at the address, FedEx will reattempt delivery the following business day unless marked return to sender.

C. Adult Signature Required. FedEx will obtain a signature from someone at least 21 years old (government-issued photo identification required) at the delivery address. If no eligible recipient is at the address, FedEx will reattempt delivery the following business day unless marked return to sender.

D. Shipments to residential addresses may be released without obtaining a signature. If you require a signature for a residential shipment, select one of the Delivery Signature Options.

E. Indirect Signature Required is not available for shipments to nonresidential addresses.

F. FedEx may accept requests for address corrections from a shipper or a recipient for shipments involving the Direct Signature Required or Indirect Signature Required options, and shipments where no signature is required.

G. FedEx will assess the delivery signature charge if the shipper requests the Delivery Signature Option, even if a signature is not obtained, the option requested is not available or FedEx is unable to provide a copy of the signature obtained at delivery.

H. Also see the Billing, Money-Back Guarantee, Liabilities Not Assumed, Pickup and Delivery, and Proof of Delivery sections.

Evening Delivery Only Fee

An additional evening delivery only fee will be assessed for delivery between 5:00 p.m.–8:00 p.m. when a customer selects this option in connection with residential delivery for FedEx SameDay City Economy.

Fuel Surcharge

FedEx reserves the right to assess fuel and other surcharges on shipments without notice. The amount and duration of any such surcharges will be determined at our sole discretion. By tendering your shipment to FedEx, the shipper agrees to pay the surcharges, as determined by FedEx. The fuel surcharge rate, if applicable, will follow the FedEx Ground fuel surcharge table and is available at fedex.com.

Hazardous Materials

A. Hazardous materials, except as specified in this section, are prohibited. Please see the Prohibited Items section.

B. FedEx accepts only certain hazardous materials. Contact a FedEx account executive, see fedex.com/hazardousmaterials or call 1.800.GoFedEx 1.800.463.3339 and say "hazardous materials" for more information. Specifically, FedEx accepts only dry ice and Category B (UN 3373) hazardous materials for shipment.

C. Permissible shipments must be properly classified, described, packaged, marked, labeled and in proper condition for transportation according to applicable laws, rules and regulations and FedEx SameDay City requirements.

D. In no event will any waste material (including any hazardous waste or any material intended to be recycled), any material regulated as an inhalation hazard, or any material defined as a "hazardous substance" be tendered to FedEx for transportation. This includes, but is not limited to, used hypodermic needles or syringes transported for sterilization, recycling, disposal or for any other purpose, or other medical waste.

E. With the exception of Category B (UN 3373) shipments, FedEx does not accept, and you agree not to tender, any infectious human or animal cells, tissue, bodily fluids, blood, blood products, plasma, or any other material derived from human or animal blood whether in liquid or solid form; biohazards; regulated or non-regulated diagnostic cultures, specimens or samples, whether infectious or non-infectious; used health care products as defined in Title 49 of the Code of Federal Regulations; and any materials regulated as UN 2814, UN 2900, and UN 3291.

F. Shippers who tender Category B (UN 3373) shipments must comply with all applicable local, state and federal laws governing packing, marking and labeling of shipments of blood and blood products, regardless of whether they are infectious. The shipper assumes sole responsibility for compliance with all applicable governmental regulations. For more information on FedEx guidelines, go to fedex.com/packaging and read our brochures on packaging clinical samples and Biological Substance, UN 3373 specimens.

G. Shipments containing hazardous materials cannot be banded, strapped or taped to form a bundle.

H. All shipments containing dry ice require shipment marking and labeling. For additional information on proper packing or labeling call 1.800.GoFedEx 1.800.463.3339 and say "hazardous materials."

I. Batteries, including lithium batteries, may be regulated when shipped for highway transport. Shippers should refer to the most current U.S. Department of Transportation regulations to ensure compliance with marking, labeling and packaging requirements as they pertain to the transportation of batteries. For details, go to fedex.com and enter keyword "lithium batteries." FedEx does not accept waste batteries or batteries being shipped for recycling or disposal, including damaged or defective batteries.

J. We have the right to refuse any shipment with an odor or any shipment that is wet or leaking. If a shipment damages or contaminates any property, the shipper is solely responsible for and will reimburse and indemnify FedEx for any and all costs, fees and expenses it incurs in connection with the cleanup of such damage or contamination.

K. Hazardous material shipments found in the FedEx SameDay City system not properly prepared in accordance with DOT regulations and FedEx SameDay City requirements will be returned to the originating pickup location. If the shipper refuses return of the shipment, the shipper will reimburse FedEx for all costs and fees of any type connected with the legal disposal of the shipment. The shipper agrees to indemnify FedEx for any and all costs, fees and expenses FedEx incurs as a result of the shipper's failure to comply with FedEx hazardous materials shipping requirements.

L. Hazardous materials may not be rerouted to an address other than the original intended-recipient's address provided by the shipper.

Inspection of Shipments and Identification Requirement

FedEx reserves the right, but is not required, to open and inspect any shipment tendered to it for transport. We may, at our sole discretion, require the shipper to provide their government-issued photo identification prior to tendering a package to FedEx.

Liabilities Not Assumed

FEDEX WILL NOT BE LIABLE FOR ANY DAMAGES IN EXCESS OF THE LESSER OF THE ACTUAL COST TO REPAIR OR REPLACE THE GOODS IN QUESTION OR THE DECLARED VALUE OF A SHIPMENT, IF ANY, WHETHER OR NOT FEDEX KNEW OR SHOULD HAVE KNOWN THAT SUCH DAMAGES MIGHT BE INCURRED.

IN NO EVENT SHALL FEDEX, INCLUDING, WITHOUT LIMITATION, AGENTS, CONTRACTORS, EMPLOYEES AND AFFILIATES, BE LIABLE FOR ANY SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, LOSS OF PROFITS OR INCOME, BUSINESS INTERRUPTION, OR CLAIMS INVOLVING ACTUAL OR ALLEGED THEFT OR MISAPPROPRIATION OF IDENTITY, WHETHER OR NOT FEDEX HAD KNOWLEDGE THAT SUCH DAMAGES MIGHT BE INCURRED.

THE SOLE LIABILITY OF FEDEX, AND THE SOLE RECOVERY OF ANY CLAIM, WITH RESPECT TO ANY LOSS, DAMAGE, DELAY, MISDELIVERY, NONDELIVERY, MISINFORMATION OR ANY FAILURE TO PROVIDE INFORMATION, SHALL BE AS SET FORTH IN, AND PURSUANT TO, THIS TARIFF. Without in any way limiting the foregoing, FedEx will not be liable for, nor shall any adjustment, refund or credit of any kind be given as a result of, any loss, damage, delay, misdelivery, nondelivery, misinformation or failure to provide information caused by or resulting in whole or in part from:

1. The act, default or omission of any person or entity, other than FedEx, including those of any local, state or federal government agencies.
2. The nature of the shipment, including any defect, characteristic or inherent vice of the shipment.
3. The shipper's violation of, or failure to comply with, any of the terms and conditions contained in this tariff, as amended from time to time, including, but not limited to, the improper and insufficient packing, securing, marking and labeling of shipments, use of an account number not in good credit standing, or failure to provide complete and accurate information, including, but not limited to, descriptions of cargo, addresses, etc.
4. Public enemies, criminal acts of any person(s) or entities, including, but not limited to, acts of terrorism, public authorities acting with actual or apparent authority, authority of law, local disputes, civil commotions, hazards incident to a state of war, weather conditions (as determined solely by FedEx), disruptions in FedEx SameDay City transportation networks (as determined solely by FedEx), strikes or anticipated strikes (of any entity, including, but not limited to, other carriers, vendors or suppliers), labor disruptions or shortages caused by pandemic conditions or other public health event or circumstances, natural disasters (earthquakes, floods and hurricanes are examples of natural disasters), conditions that present a danger to FedEx personnel, and disruption or failure of communication and information systems (including, but not limited to, FedEx systems).
5. Damage or loss of articles packaged and sealed by the sender or by person(s) acting at the sender's direction, provided the seal is unbroken at the time of delivery, the shipment retains its basic integrity, and the recipient accepts the shipment without noting the damage on the delivery record.
6. Erasure of information or data, or loss or irretrievability of information or data, including but not limited to information or data stored on magnetic tapes, files or other storage media, or erasure or damage of photographic images or soundtracks.
7. The loss of any personal or financial information including, but not limited to, social security numbers, dates of birth, driver's license numbers, credit card numbers and financial account information.
8. Our inability to provide a copy of the delivery record or a copy of the signature obtained at delivery.
9. Failing to deliver or to meet our delivery commitment for any shipments with an incomplete or incorrect address. (See the Undeliverable Shipments section.)
10. Failing to deliver or not attempting to deliver a shipment on the scheduled delivery day or time, if the shipper or recipient requested a later delivery or informed FedEx that the recipient location is closed or unavailable to accept delivery on the originally scheduled delivery day or time.
11. Failing to obtain the signature option requested for shipments using FedEx Delivery Signature Options. (See the Delivery Signature Options section.)
12. Shipments released without obtaining a signature at residential addresses. (See the Delivery Signature Options and Pickup and Delivery sections.)
13. Shipments released without obtaining a signature at nonresidential addresses when release has been authorized by the shipper or recipient. (See the Delivery Signature Options section.)
14. Our failure to honor package-orientation graphics (e.g., "up" arrows, "this end up" markings), "fragile" labels or other special directions concerning packages.
15. Damages indicated by any shockwatch, tiltmeter or temperature instruments.
16. Your failure to ship goods in packaging approved by us prior to shipment where such prior approval is recommended or required.
17. Your use of an incomplete, inaccurate, or invalid FedEx account number or your failure to provide a valid FedEx account number in good credit standing in the billing instructions on shipping documentation.
18. Our failure to notify you of any delay, loss or damage in connection with your shipment or any inaccuracy in such notice.
19. Any shipment where FedEx package scan records do not reflect acceptance of the package by FedEx.
20. Any shipments not actually tendered to and accepted by FedEx. Where service is requested, and the shipper fails to cancel the service in accordance with this section, a cancellation fee may be imposed.
21. The shipper's failure to delete all shipments entered into a FedEx self-invoicing system, internet shipping device or any other electronic shipping method used to ship a package, when the shipment is not tendered to FedEx. If you fail to do so and seek a refund, credit or invoice adjustment, you must comply with the notice provisions in Invoice Adjustments/Overcharges in the Billing section. FedEx is not liable for any refund, credit or adjustment unless you comply with those notice provisions.
22. Shipments of any plants and plant materials, ostrich or emu eggs, or live fish.
23. Damage to computers, or any components thereof, or any electronic equipment when shipped in any packaging other than:
 - a. The manufacturer's original packaging, which is undamaged and has retained a good, rigid condition.

 - c. FedEx laptop packaging, for shipments of laptop computers.
 - d. FedEx small electronic device packaging, for shipments of cell phones, handheld computers, MP3 players and similar items.
 - e. FedEx tablet packaging, for shipments of tablet computers.
24. Packaging of a shipment, including failure to comply with the provisions of this tariff regarding packaging, or our provision of packaging, advice, assistance or guidance on the appropriate packaging of shipments unless such advice, assistance or guidance has been approved in writing by FedEx Packaging Design and Development and the writing expressly accepts liability in the event of a damaged shipment. FedEx reserves the right to request a shipper to submit a representative sampling of the packaging for inspection and testing. If the shipper fails to comply with our request to inspect and test the packaging, or the sampling fails FedEx testing, FedEx will not be liable for any damages due to improper packaging. FedEx may issue written notice to you if you repeatedly fail to adhere to FedEx packaging requirements due to your pattern or practice of insufficient packaging. Claims for damage or loss associated with an identified pattern or practice of insufficient packaging will be denied. Any such claim filed related to your shipments will not be paid, regardless of which party files the claim, unless the claimant can establish that the loss or damage did not result from a failure to use proper packaging. FedEx will continue to deny such claims until we determine that you have ceased the pattern or practice of failing to adhere to the packaging requirements. Nothing in this paragraph is intended to limit FedEx's right to deny a claim where the shipment in dispute is found to have improper packaging. At the sole discretion of FedEx, FedEx may require a shipper of packages classified as Oversize, as defined in the Rates section of the FedEx Service Guide, to submit a representative sampling of the oversize packaging for inspection and testing. If the shipper fails to comply with our request to inspect and test oversize packaging or the sampling fails FedEx testing, FedEx will not be liable for any damage to shipper's oversize packages.

FedEx SameDay City Tariff

(Liabilities Not Assumed, cont.)

25. FedEx does not provide protective services for transportation of perishable commodities or of commodities requiring protection from heat or cold. Such commodities will be accepted for transportation solely at the shipper's risk for loss of value or damage occasioned by exposure to heat or cold, or the inherent vice of such perishable commodities. Shipments containing perishable articles must be packaged for a minimum transit time of at least 12 hours greater than the shipment's delivery commitment time.
26. The failure to provide any services or service options where our records do not reflect that the services or service options were selected by the shipper.
27. Our compliance or noncompliance with verbal or written delivery instructions from the sender, recipient or persons claiming to represent the shipper or recipient, including requests made by the recipient for delivery options using FedEx Delivery Manager.
28. Our compliance or noncompliance with any request to intercept a shipment in transit, or to prevent delivery.
29. The failure to properly designate a delivery address as a Residential Delivery or Commercial Delivery, including delivery addresses that were processed through any address verification function or program.
30. The shipper's failure to provide accurate delivery address information.
31. Any shipment containing a prohibited item. (See the Prohibited Items section.)
32. Our inability or failure to complete a delivery, or a delay to any delivery, due to acts or omissions of regulatory agencies.
33. Delays in delivery caused by adherence to FedEx policies regarding the payment of duties and taxes or other charges.
34. Our failure or inability to attempt to contact the sender or recipient concerning an incomplete or inaccurate address; incorrect, incomplete, inaccurate or missing documentation; payment of duties and taxes necessary to release a shipment; or an incomplete or incorrect customs broker's address.
35. Hazardous-materials shipments that the shipper did not properly declare, including proper documentation, markings, labels and packaging. FedEx will not pay a claim on undeclared or hidden hazardous materials and the FedEx Money-Back Guarantee does not apply.
36. Your use of FedEx customer automation systems or software versions that are no longer supported by FedEx, or your failure to update or upgrade FedEx customer automation hardware or software as provided or directed by FedEx from time to time.

Limitations on Legal Actions and Governing Law

Any civil claim for overcharges (including, but not limited to, duplicate payments and unidentified payments) must be brought within 18 months after the claim accrues. Any legal proceeding arising from or related to any loss, damage, delay, misdelivery, nondelivery, misinformation, any failure to provide information, or misdelivery of information relating to the shipment, must be brought within two years and one day from the date FedEx gives written notice that FedEx has disallowed any part of the claim specified in the notice.

Any right you might have to damages, refunds, credits, recovery of reliance interests, disgorgement, restitution, injunctive relief, declaratory relief or any other legal or equitable relief whatsoever against FedEx under any cause of action arising from the transportation of any shipment pursuant to the FedEx Service Guide shall be extinguished unless you first comply with all applicable notice periods and requirements in this tariff including, but not limited to, the periods and requirements for providing notice under the Billing, Claims and Money-Back Guarantee Policy sections. You and FedEx understand that timely and complete compliance with such notice periods and requirements is a contractual condition precedent to your right to any relief whatsoever, and you must plead compliance with those conditions precedent on the face of any complaint that you file against FedEx. You and FedEx agree that FedEx cannot be considered to have breached any obligation to you unless or until FedEx wrongfully denies a claim submitted to FedEx pursuant to the notice periods and requirements contained in this tariff. Finally, you and FedEx agree that you will comply with applicable notice periods and requirements even if you believe that such compliance will not result in relief from FedEx or if you lack knowledge regarding whether such compliance will result in relief from FedEx.

You agree that you will not sue FedEx as a class plaintiff or class representative, join as a class member, or participate as an adverse party in any way in a class-action lawsuit against FedEx. Nothing in this paragraph, however, limits your rights to bring a lawsuit as an individual plaintiff.

To the extent that any court finds that state rather than federal law applies to any provision of this contract, the controlling law is the substantive law of the state in which you tendered your shipment to FedEx. To the extent there is a conflict between the provisions of this tariff and any rights or remedies contained in Part B of Subtitle IV to Title 49 of the U.S. Code, the provisions of this tariff shall govern.

The performance of any services does not make FedEx an agent of the shipper or any third party for any purpose.

Money-Back Guarantee Policy

Subject to the provisions of this tariff limiting shipper's right thereto, we offer a money-back guarantee for our services. This guarantee can be suspended, modified or revoked at our sole discretion without prior notice to you.

A. Money-Back Guarantee. At our option, we will, upon request, either refund or credit your transportation charges in the event of a service failure (which means delivery of your shipment 60 seconds or more after the published delivery commitment time for the selected service and destination, except as otherwise described in these terms and conditions). This money-back guarantee is your exclusive remedy in the event of a service failure for the recovery of all or any portion of the FedEx charges for a shipment. If the money-back guarantee is suspended, there is no remedy or recovery of charges for a service failure. There are no delivery commitments for shipments on which the money-back guarantee is suspended.

B. Limitations. The following limitations apply to any refund or credit related to a service failure:

1. A credit or refund under the money-back guarantee will be applied only against charges for the shipment giving rise to the credit.
2. At the sole discretion of FedEx, the money-back guarantee may not be honored when the request is made by, or the information utilized to determine the status of the shipment is determined by, a third party other than the payer of the charges.
3. The FedEx SameDay City Money-Back Guarantee applies only to deliveries within the U.S.
4. Shipments tendered for delivery on holidays that are business days for FedEx (for example, Good Friday and Presidents Day) will be scheduled for delivery on that day if the recipient business is open. However, if the recipient business is known by FedEx to be closed due to the holiday, the shipments will be scheduled for delivery on the next business day the recipient is open, but the money-back guarantee will not apply.
5. If a delivery later than the original scheduled delivery time is requested by the shipper or recipient before the first delivery attempt is made, the delivery commitment for application of the money-back guarantee policy will be adjusted to account for the requested delivery time.
6. If the shipper or recipient informed FedEx that the recipient location is closed on a certain day or at a certain time, or unavailable to accept delivery, the delivery commitment for application of the money-back guarantee policy will be the next business day.

C. Exceptions. FedEx will not be obligated to refund or credit your transportation charges or convenient delivery option charge if:

1. We provide you with proof of timely delivery, consisting of the date and time of delivery and, if applicable, the name of the person who signed for the shipment, or service-exception information reflecting that the failure to deliver timely resulted from circumstances described under the Liabilities Not Assumed section.
2. The service failure resulted, in whole or in part, from any of the circumstances described under the Liabilities Not Assumed section.
3. The shipper did not properly label the shipment in accordance with the FedEx Service Guide, including, without limitation, affixing the correct business name and contact name and deliverable address (number, street, city, state, and a five-digit ZIP code) and correctly placing the customer-specific FedEx SameDay City bar-code label on the package.
4. The shipment contained special instructions, including, but not limited to, FedEx Delivery Signature Options or change in delivery commit time.
5. There was an unexpected material increase in the number of packages tendered from your shipping location.
6. A charge for additional handling or address correction applied; see Rates in the FedEx Service Guide for details.
7. FedEx received a request to redirect the shipment from a delivery address to a Hold at Location address.

FedEx SameDay City Tariff

(Money-Back Guarantee Policy, cont.)

8. The package was unauthorized (see the Package/Shipment Restrictions [Size and Weight] section).
 9. The shipment was undeliverable or returned.
 10. The shipment contained hazardous materials.
 11. The shipment was delayed due to an incorrect address or ZIP code or the unavailability or refusal of an appropriate or eligible person to accept delivery or sign for the shipment, including signatures obtained via FedEx Delivery Signature Options.
 12. The shipment was delayed due to security or other regulatory delays, including permanent, regular, or daily security procedures at the recipient location.
 13. The shipment was not properly prepared in accordance with DOT regulations and FedEx SameDay City requirements.
 14. The shipment was tendered for delivery via FedEx SameDay City Direct.
- D. Refund or Credit Requests.** To qualify for a refund or credit due to a service failure, you must notify us of the service failure and request a refund or credit in compliance with the conditions listed below. If you do not comply with these conditions, you are not entitled to receive a refund or credit and cannot recover compensation for a service failure in any lawsuit.
1. You may request a refund or credit due to a service failure by submitting the request via our telephone billing option at 1.800.399.5999 (select option 4, then option 1 to leave a voice message or option 2 to speak with a live agent).
 2. Your notification of a service failure must include your FedEx tracking number and invoice number, if applicable.
 3. All requests for a refund or credit must be received via one of the approved channels within 15 calendar days of the invoice date or within 15 calendar days from the ship date if you are paying by credit card. All requests for adjustments must be made by an agent of the billed account.
 4. A partial payment against an invoice is not considered a request for invoice adjustment or notice of a refund request. A notification of the reason for an unpaid charge with your payment is not considered a request for an invoice adjustment or notice of a refund request if the reason relates to a service failure.

Package Consolidators (Including FedEx Authorized ShipCenter Locations, and FedEx ShipSite Locations at Office Depot and OfficeMax)

Package Consolidators are responsible for complying with all applicable requirements in this tariff.

If you tender packages to a Package Consolidator instead of to us directly, the following limitations apply:

- A.** Package Consolidators are not agents of FedEx, and we are not responsible for any errors or omissions made by them.
- B.** Package Consolidators may submit claims for refunds or credits for shipping charges under the money-back guarantee policy. Neither the person or entity tendering the package to the Package Consolidator nor the recipient is eligible for refunds or credits under the money-back guarantee policy.
- C.** In order for a Package Consolidator to receive packaging supplies from FedEx, the Package Consolidator must first enter into a Packaging and Pricing Agreement or a FedEx Authorized ShipCenter Agreement with FedEx.
- D.** Package Consolidators may charge FedEx Retail Rates for FedEx shipping services, but they are not required to. Package Consolidators set their own rates for reselling FedEx services.
- E.** FedEx assumes no liability, other than to the Package Consolidator, for lost, damaged or delayed shipments tendered to a Package Consolidator, as the Package Consolidator is the shipper of these packages. Package Consolidators are independently owned and operated businesses.
- F.** See the Package Consolidator representative for information regarding rates and services and the terms and conditions of carriage. Inquiries or claims regarding shipments tendered to a Package Consolidator must also be directed to the Package Consolidator.
- G.** As directed by FedEx, Package Consolidators must require a government-issued photo ID to validate the identity of their customer and must keep a record of the name and address on the ID of their customer for each package.

Package/Shipment Restrictions (Size and Weight)

The maximum limits for FedEx SameDay City packages are 150 lbs., 65 inches (in length, width or height) and 120 inches in length plus width plus height. A shipment may consist of multiple packages. The maximum limits for FedEx SameDay City shipments are 250 lbs. and 70 cubic feet. FedEx SameDay City Priority, FedEx SameDay City Standard, FedEx SameDay City Economy and FedEx SameDay City Direct multiple-piece shipments include up to 25 pieces per shipment. FedEx SameDay City Route total piece count can vary per route.

FedEx reserves the right to assess additional handling, oversize package and unauthorized package surcharges on any package whose dimensions are altered during transit, causing it to meet the parameters for these charges.

Packaging and Marking

- A.** You must comply with all applicable local, state and federal laws, including those governing packing, marking and labeling for all shipments.
 - B.** All shipments must be prepared and packed by the sender in such a manner as to be able to withstand the normal rigors of surface transportation and associated handling. Shipper must print and affix a FedEx SameDay City label to each package within a shipment.
 - C.** For guidelines on packaging specific commodities go to fedex.com/packaging. Items that cannot be packed into cartons (auto tail pipes, mufflers, tires, rims, and so on) must have all sharp edges and protrusions wrapped, and the address label must be secured using the tie-on tag or the tire/crate label provided by FedEx (or you may secure it by wrapping pressure-sensitive tape completely around the object). Briefcases, luggage, garment bags, aluminum cases, plastic cases, computer cartons or any other item whose outer finish might be damaged by adhesive labels, soiling, marking or other types of surface damage that is normal with ordinary care in handling should be placed in a protective container for shipment. FedEx is not responsible for damage to said items if not placed in a protective container. Exposed casters, wheels or rollers are prohibited and must be removed or packaged.
 - D.** Polystyrene foam coolers must be shipped inside a sturdy outer container unless tested and approved for acceptance by FedEx Packaging Design and Development. Information on how to submit your packaging for testing is available at fedex.com/packaging.
 - E.** If a shipment is refused by the recipient, leaks, or is damaged, the shipment will be returned to the sender, if possible. If the sender refuses to accept the returned shipment or it cannot be returned because of leakage or damage due to faulty packaging, the shipper is responsible for and will reimburse FedEx for all costs and fees of any type connected with the legal disposal of the shipment and all costs and fees of any type connected with cleanup of any spill or leakage.
 - F.** FedEx does not recommend the use of wet ice (frozen water) as a refrigerant. Shipments containing wet ice must be prepared to prevent the leakage of any liquid, regardless of package orientation. For additional wet-ice packaging requirements, refer to the packaging guide Packaging Perishable Shipments at fedex.com/packaging.
 - G. Fragile Articles/Orientation.** Packaging for all fragile articles (including, but not limited to, electronic and electrical devices, scientific testing equipment, fragile glass, crystal, porcelain, or china) should be preapproved by FedEx Packaging Design and Development prior to shipping.
- For general packaging assistance, including packing, sealing and labeling tips and information on how to submit your packaging for testing or evaluation, go to fedex.com/packaging.

Pharmaceuticals

You are responsible for complying with all applicable local, state and federal laws, regulations, ordinances and rules governing the tendering of pharmaceuticals for shipment. Shipments containing pharmaceuticals must not have labels, markings or other written notice that a pharmaceutical is contained within. Select the Direct Signature Required Delivery Signature Option if you require FedEx to obtain a signature from someone at the delivery address, or the Adult Signature Required Delivery Signature Option if you require an adult signature for delivery. See the Delivery Signature Options section for details.

FedEx SameDay City Tariff

Pickup and Delivery

A. We do not offer a restricted-delivery service and may deliver to someone other than the person or entity named as the recipient. We also may make an indirect delivery. Indirect delivery is a completed delivery to an address or location other than the address on the applicable address label and includes shipments delivered via Indirect Signature Required service. Shipments cannot be delivered to P.O. boxes or P.O. box ZIP codes. Package addresses must include the complete street address and ZIP code of the recipient.

B. If our first delivery attempt of a shipment to a residential or non-residential address is unsuccessful, we may make an additional attempt on the following business day unless the shipper requests and pays for same-day return to sender service.

C. Shipments to hotels, hospitals, government offices or installations, university campuses, or other facilities that utilize a mailroom or other central receiving area will be delivered to the central receiving area, unless otherwise authorized and approved by FedEx.

D. At our sole discretion, we may refuse to pick up or deliver a shipment (package or freight), or use alternative pickup or delivery arrangements, to maintain the safety of our employees and in cases in which we believe that our services may be used in violation of local, state or federal laws.

E. Additional charges may apply for late-hours, weekend or holiday pickup and delivery.

F. Pickup and delivery may not be available in all areas.

G. In order to facilitate delivery or release of a shipment, FedEx may, at its sole discretion, contact the shipper and/or recipient to obtain delivery instructions, or to notify them that a delivery is scheduled or that a delivery has been completed.

H. FedEx SameDay City multiple-piece shipments are limited to 25 pieces per shipment.

I. Special handling fees and additional surcharges may apply for FedEx SameDay City shipment requests. See the FedEx SameDay City Fees section for details.

Pickup Attempt

A fee applies when a shipment is not ready when we attempt pickup and the pickup is rescheduled. The shipment may be rerated based on the new ready time. The ready time can be the current day until 8 p.m. or the next business day between 7 a.m. and 8 p.m. Ready and transit times will apply. A ready time requested outside of those times will require a new shipment request by the customer.

Plants and Plant Materials

FedEx assumes no liabilities if plants and plant materials are damaged in transit or if damages result from delay of shipment. If you choose to ship plants or plant materials, including seedlings, plant plugs and cut flowers, they must be shipped in accordance with applicable local, state and federal laws. Shipments containing these items may be inspected by government agencies, which may result in a delay in delivery or seizure by government inspectors. FedEx is not liable or responsible for damage, refunds or credits resulting from such delays or seizures. (See the Liabilities Not Assumed and Money-Back Guarantee Policy sections.)

Rate Quotations

Rates and service quotations provided to you by FedEx, including but not limited to, rates and service quotations provided by our employees, agents, interactive voice response systems and customer automation platforms are estimates and will be based upon information provided by you, but final rates and service charges may vary from the quotes based upon the characteristics of the shipment actually tendered to us and the application of this tariff. Any conflict or inconsistency between the FedEx Service Guide and other written or oral statements or quotes (except those found in a FedEx SameDay City agreement) concerning the rates, features of service, and terms and conditions applicable to FedEx SameDay City service will be controlled by the FedEx Service Guide, as modified, amended, changed or supplemented. We are not liable for, nor will any adjustment, refund or credit of any kind be made, as a result of any discrepancy in any rate or service quotation made prior to tender of the shipment and the rates, and other charges that we invoice to you. Rates quoted will vary depending on whether (1) the shipper is a FedEx account holder and (2) the shipper has discounts applied to his or her account.

- Shippers will be quoted FedEx Standard List Rates if they have a valid FedEx account, do not have discounts applied to their account and if they charge their shipping to their account.
- Shippers will be quoted Account-Specific Rates if they have a valid FedEx account, have discounts applied to their account and if they charge their shipping to their account.

For the most current information regarding areas served and delivery commitments, check online at fedex.com/samedaycity or contact FedEx SameDay City Customer Service at 1.800.399.5999.

Refusal or Rejection of Shipments

We reserve the right to refuse, hold or return any shipment and may do so at our sole discretion and without liability to us. We will execute that right when (but not limited to cases in which): (1) the shipment may cause damage or delay to other shipments, property or personnel; (2) the shipment is likely to sustain damage or loss in transit because of improper packaging or otherwise; (3) the shipment contains any prohibited items; (4) the account of the person or entity responsible for payment is not in good credit standing; (5) when acceptance of the shipment may jeopardize our ability to provide service to other customers; or (6) when FedEx is unable to validate the identity of the shipper. We have no liability whatsoever for refusal or rejection of shipments.

Return Options

A. In the event a shipment is undeliverable, the shipment will be stored overnight and delivery reattempted the next business day. If after the second delivery attempt the shipment is still not able to be delivered, the shipment will be stored overnight and returned to the shipper on the third business day. The foregoing notwithstanding, if the shipper desires the shipment to be returned on the same day, Same-Day Return To Sender may be selected at time of tender for a fee. Once selected any undeliverable shipment will be returned to the origin location the same day. For applicability of requests for returns, refer to the Same-Day Return to Sender section of this tariff. FedEx SameDay City return options are subject to all other terms and conditions provided in the FedEx SameDay City claims regulations, and as a whole, the tariff. The contents of a return shipment are subject to the same restrictions and prohibited-item limitations as the original shipment.

B. Return to Sender must be selected at the time of order entry for return authorization if not delivered same day. The contents of a return shipment are subject to the same restrictions and prohibited-item limitations as the original shipment. FedEx shall not be liable for any damage to a shipment or claim arising out of the use of a return to sender option unless the shipment was lost during shipment or there was visible damage noted by the driver at time of delivery. FedEx shall not be liable for any concealed damage for items returned by selecting return to sender. Receipt of a shipment without written notice of damage on the delivery record is *prima facie* evidence that the shipment was delivered in good condition. FedEx liability for any loss or damage arising out of an authorized return to sender shipment shall never exceed the actual amount of damage or the declared amount, whichever is lower. All other terms and conditions related to FedEx SameDay City claims regulations and, as a whole, the tariff, shall apply for shipments shipped through the use of a FedEx SameDay City return option.

C. FOR FEDEX RETURNS, NOTWITHSTANDING ANY PAYMENT INSTRUCTIONS THAT ARE GIVEN TO FEDEX, THE PARTY THAT INITIATES A RETURN TO SENDER SHIPMENT TRANSACTION WITH FEDEX IS ULTIMATELY LIABLE FOR, WILL BE BILLED FOR, AND AGREES TO PAY, ALL CHARGES AND PICKUP FEES, INCLUDING ANY SPECIAL HANDLING FEES, REGARDLESS OF ANY PAYMENT INSTRUCTIONS TO THE CONTRARY, IF THE SENDER OR THIRD PARTY FAILS OR REFUSES TO PAY.

Routing and Rerouting

FedEx may accept a request to reroute a shipment subject to the following conditions:

1. A special handling charge will be billed per the payment method specified for each rerouted shipment, and it will appear as an address correction on the invoice. See Rates in the FedEx Service Guide for details.
2. To reroute a shipment, the sender must call FedEx SameDay Customer Service at 1.800.399.5999 and provide us with a FedEx account number, the FedEx tracking number, the new destination and a valid contact telephone number for the recipient.
3. We may not honor a reroute request from the recipient.
4. Our money-back guarantee policy does not apply to shipments that are rerouted. We have no liability or any remedy for service failure for these shipments.
5. Only one reroute will be allowed per shipment.
6. FedEx may not reroute shipments when Adult Signature Required has been selected as a delivery signature option.
7. Hazardous materials may not be rerouted to an address other than the original intended-recipient's address provided by the shipper. (Note: Shipments may be made available as hold for pickup or be returned to the sender.)
8. Any requested change to an address that is not a reroute or an address correction is a new shipment, and new shipping charges will apply.

We will determine the routing of all shipments.

Same-Day Return to Sender

Same-day return to sender is a fee charged on undeliverable shipments when customers have selected that the shipment is to be returned the same day or as soon as possible. It is assessed only when the shipper selects this option and the shipment was rendered undeliverable.

Service Areas

Service areas are subject to change without notice. For current service area information on selected ZIP codes, please go to fedexsameday.com or call customer service at 1.800.399.5999.

Signature Releases

A. Shipments with a declared value of less than US\$500 may be delivered and released without obtaining a signature when the sender has authorized a release or, at our sole option, upon oral or written instruction from the sender or recipient. We may authorize shipments released without signature to those with accounts in good credit standing and to those who otherwise have established a satisfactory payment history. We also reserve the right to release shipments at residential delivery locations without obtaining a signature, provided that none of the restrictions below apply.

B. At our sole discretion, some shipments may not be released without a delivery signature even when release is authorized, including, but not limited to:

1. Damaged shipments.
2. Hazardous materials shipments, except those with dry ice as the only hazardous materials in the shipment.
3. Shipments billed to an invalid or missing credit card number.
4. One or more packages in a multiple-piece shipment if all packages cannot be safely released.
5. The delivery location or circumstances are unsuitable for release without signature as determined at our sole discretion.

C. At our sole discretion, shipments having a declared value of US\$500 or greater may not be released without a signature even where the release is otherwise authorized.

Tobacco and Tobacco Products

Tobacco and tobacco products are prohibited. Please see the Prohibited Items section.

FedEx SameDay City Tariff

Undeliverable Shipments

An undeliverable shipment is one that cannot be delivered for reasons that include, but are not limited to, any of the following:

- The recipient refuses to pay for a bill-recipient shipment.
- The recipient refuses to accept the shipment prior to, during or after delivery.
- The recipient's delivery address cannot be located.
- The shipment was addressed to an area not served by FedEx SameDay City.
- The shipment's contents or packaging are damaged to the point that rewrapping is not possible.
- The shipment would likely cause damage or delay to other shipments or property or injury to personnel.
- The shipment contains prohibited items.
- The recipient's place of business is closed.
- No appropriate person was available to accept the shipment at a delivery location on the initial delivery attempt or reattempts.
- The shipment was improperly packaged.

A. Undeliverable shipments may be returned via FedEx SameDay City service at the payer's expense. Shipments will be returned via FedEx SameDay City service at no additional charge if the shipment is undeliverable because of damage to the shipment caused by FedEx. However, if the shipment is undeliverable for any other reason, FedEx reserves the right to assess return transportation charges and fees to the original payer, along with the original transportation charges and fees. If a package is marked "Bill Recipient" and is refused or returned to the sender, the billing is automatically changed to "Bill Sender."

B. Our money-back guarantee policy does not apply to undeliverable or returned shipments.

C. FedEx reserves the right, at its sole discretion, and without notice, to sell, destroy or otherwise dispose of undeliverable shipments. By tendering a shipment, the shipper agrees to transfer and convey good and sufficient title of the contents of undeliverable shipments to FedEx, and agrees to pay any costs incurred in the sale, destruction or disposal thereof.
