Policy 5142: Safety

Original Adopted Date: 11/15/2006 | **Last Revised Date:** 08/19/2020

New Revised Date: 06/21/2023 (Pending Board Approval)

The Governing Board recognizes the importance of providing a safe school environment that is conducive to learning and promotes student safety and well-being.—Appropriate measures shall be implemented to minimize the risk of harm to students, including, but not limited to, protocols for maintaining safe conditions on school grounds, promoting safe use of school facilities and equipment, and guiding student participation in educational programs and school-sponsored activities.

Additionally, the Superintendent or designee shall regularly review current guidance regarding cybersecurity and digital media awareness and incorporate recommended practices into the district's processes and procedures related to the protection of the district's network infrastructure, and the monitoring and response to suspicious and/or threatening digital media content.
