**MEMORANDUM OF UNDERSTANDING AND AGREEMENT
FOR PARTICIPATION IN
THE CENTER FOR TEACHER INNOVATION INDUCTION PROGRAM
2017-2018**

This *1-Year* MOU/Agreement, effective **July 1, 2017**, is by and between **Riverside County Superintendent of Schools**, hereinafter referred to as the “SUPERINTENDENT,” and **Perris Union High School District**, hereinafter referred to as the “EMPLOYING AGENCY.”

RECITALS

The SUPERINTENDENT sponsors a Commission on Teacher Credentialing (CTC) accredited program for the General Education Induction Program and Clear Education Specialist Induction Program and is authorized to recommend clear credentials for program completers. The Center for Teacher Innovation (CTI) is the SUPERINTENDENT’s facilitator of its teacher induction programs.

NARRATIVE

The purpose of this MOU/Agreement is to establish a formal working relationship between the parties to this MOU/Agreement: and to set forth the operative conditions, which will govern this partnership. The SUPERINTENDENT and the EMPLOYING AGENCY will form a partnership in providing and coordinating services as part of the Center for Teacher Innovation Induction Program, hereafter referred to as the SUPERINTENDENT’s CTI Induction Programs, the program sponsor for the Riverside County Office of Education’s Center for Teacher Innovation Induction Programs (CTI Induction).

Each new participating teacher, Candidate, is embarking on a great professional journey in this next phase of his/her teaching career. The intent of induction is to build on the preparation each Candidate has received to become a teacher in order to transform his/her academic preparation into practical success in the classroom. THE SUPERINTENDENT’s most important goal is to support each Candidate in the process of honing his/her teaching practice through induction. With a trained Reflective Coach (mentor teacher), the Candidate will reflect on his/her teaching practice and his/her students’ learning. Each Candidate will participate in reflective conversations and classroom observations with his/her Reflective Coach that are intended to promote his/her success and the success of his/her students.

All induction activities are embedded completely in each Candidate’s current teaching assignments, and thus are intended solely to enhance each Candidate’s professional experience and growth. The induction process, although a carefully thought out and systematic approach to teacher development, is also inherently individualized.

The Center for Teacher Innovation’s General Education and Education Specialist Induction Programs facilitate and enhance authentically supportive, meaningful professional growth experiences for all teachers enrolled and participating in the program.
