

STUDENT RECORDS

Definitions

Student means any individual who is or has been in attendance at the district and regarding whom the district maintains student records. (34 CFR 99.3)

Attendance includes, but is not limited to, attendance in person or by paper correspondence, videoconference, satellite, Internet, or other electronic information and telecommunication technologies for students who are not physically present in the classroom, and the period during which a person is working under a work-study program. (34 CFR 99.3)

~~***Note: Guidance issued by the U.S. Department of Education (USDOE) and U.S. Department of Health and Human Services clarifies that a student's immunization and health record maintained by the district is a "student record" subject to the Family Educational Rights and Privacy Act (FERPA).***~~

Student records are any items of information (in handwriting, print, tape, film, computer, or other medium) gathered within or outside the district that are directly related to an identifiable student and maintained by the district, required to be maintained by an employee in the performance of the employee's duties, or maintained by a party acting for the district. Any information maintained for the purpose of second-party review is considered a student record. Student records include the student's health record. (Education Code 49061, 49062; 5 CCR 430; 34 CFR 99.3)

Student records do not include: (Education Code 49061, 49062; 34 CFR 99.3)

1. Directory information

(cf. 5125.1 - Release of Directory Information)

2. Informal notes compiled by a school officer or employee which remain in the sole possession of the maker, are used only as a personal memory aid, and are not accessible or revealed to any other person except a substitute employee

~~***Note: USDOE guidance, Balancing Student Privacy and School Safety, clarifies that records created by the district's law enforcement unit, such as student images appearing on security videotapes, are not considered student records under FERPA as long as the records are created for a law enforcement purpose.***~~

3. Records of the law enforcement unit of the district, subject to 34 CFR 99.8

(cf. 3515 - Campus Security)

(cf. 3515.3 - District Police/Security Department)

4. Records created or received by the district after an individual is no longer a student and that are not directly related to the individual's attendance as a student
5. Grades on peer-graded papers before they are collected and recorded by a teacher

Mandatory permanent student records are those records which are maintained in perpetuity and which schools have been directed to compile by state law, regulation, or administrative directive. (5 CCR 430)

Mandatory interim student records are those records which the schools are directed to compile and maintain for specified periods of time and are then destroyed in accordance with state law, regulation, or administrative directive. (5 CCR 430)

Permitted student records are those records having clear importance only to the current educational process of the student. (5 CCR 430)

Disclosure means to permit access to, or the release, transfer, or other communication of, personally identifiable information contained in student records to any party, except the party that provided or created the record, by any means including oral, written, or electronic. (34 CFR 99.3)

Access means a personal inspection and review of a record or an accurate copy of a record, or receipt of an accurate copy of a record or an oral description or communication of a record, and a request to release a copy of any record. (Education Code 49061)

Personally identifiable information includes, but is not limited to: (34 CFR 99.3)

1. The student's name
2. The name of the student's parent/guardian or other family members
3. The address of the student or student's family

~~***Note: Pursuant to 34 CFR 99.3, the definition of "personally identifiable information" includes a personal identifier such as a student's social security number. Education Code 49076.7 prohibits districts from collecting or soliciting social security numbers, or the last four digits of social security numbers, from students or their parents/guardians unless otherwise required to do so by state or federal law. If a social security number is collected under such circumstances, it must be classified as personally identifiable information and is subject to the restrictions related to access or de-identification of records specified in 34 CFR 99.30-99.39 and this administrative regulation.***~~

4. A personal identifier, such as the student's social security number, student number, or biometric record (e.g., fingerprints, retina and iris patterns, voiceprints, DNA sequence, facial characteristics, and handwriting)
5. Other indirect identifiers, such as the student's date of birth, place of birth, and mother's maiden name

6. Other information that, alone or in combination, is linked or linkable to a specific student that would allow a reasonable person in the school community, who does not have personal knowledge of the relevant circumstances, to identify the student with reasonable certainty
7. Information requested by a person who the district reasonably believes knows the identity of the student to whom the student record relates

Adult student is a person who is or was enrolled in school and who is at least 18 years of age. (5 CCR 430)

Parent/guardian means a natural parent, an adopted parent, legal guardian, surrogate parent, or foster parent. (Education Code 49061, 56050, 56055)

~~***Note: Education Code 49063 requires districts to include the criteria for defining "legitimate educational interest" and "school officials and employees" in their annual notification; see section "Notification of Parents/Guardians" below.***~~

Legitimate educational interest is an interest held by any school official, employee, contractor, or consultant whose official duties, responsibilities, or contractual obligations to the district, whether routine or as a result of special circumstances, require access to information contained in student records.

~~***Note: 34 CFR 99.31 defines "school officials and employees" for purposes of determining who may be given personally identifiable information from student records, as provided below. In 73 Fed. Reg. 74815 (2008), USDOE stated that local agencies are in the best position to determine the types of parties who may serve as school officials. Examples cited include school transportation officials (including bus drivers), school nurses, practicum and fieldwork students, unpaid interns, consultants, contractors, volunteers, and other outside parties providing institutional services and performing institutional functions, provided that each of the requirements in 34 CFR 99.31 has been met.***~~

School officials and employees are officials or employees, including teachers, whose duties and responsibilities to the district, whether routine or as a result of special circumstances, require access to student records. (34 CFR 99.31)

Contractor or consultant is anyone with a formal written agreement or contract with the district regarding the provision of services or functions outsourced by the district. Contractor or consultant shall not include a volunteer or other party. (Education Code 49076)

Custodian of records is the employee responsible for the security of student records maintained by the district and for devising procedures for assuring that access to such records is limited to authorized persons. (5 CCR 433)

County placing agency means the county social service department or county probation department. (Education Code 49061)

Persons Granted Absolute Access

In accordance with law, absolute access to any student records shall be granted to:

1. Parents/guardians of students younger than age 18 years, including the parent who is not the student's custodial parent (Education Code 49069; Family Code 3025)
2. An adult student, or a student under the age of 18 years who attends a postsecondary institution, in which case the student alone shall exercise rights related to the student's records and grant consent for the release of records (34 CFR 99.3, 99.5)

~~***Note: Pursuant to Education Code 56041.5, all the rights accorded to the parent/guardian of a student with disabilities, including the right to access student records, are transferred to the student at 18 years of age except when the student has been declared incompetent under state law.***~~

3. Parents/guardians of an adult student with disabilities who is age 18 years or older and has been declared incompetent under state law (Education Code 56041.5)

(cf. 6159 - Individualized Education Program)

Access for Limited Purpose/Legitimate Educational Interest

The following persons or agencies shall have access to those particular records that are relevant to their legitimate educational interest or other legally authorized purpose:

~~***Note: Education Code 49076 and 34 CFR 99.31 require that access to relevant records be given to parents/guardians of a dependent child, defined by 26 USC 152 as one who lives with a parent/guardian for more than half the taxable year, meets the specified age requirements, has not provided more than half of one's own support during that year, and has not filed a joint tax return with a spouse.***~~

1. Parents/guardians of a dependent child as defined under 26 USC 152 (Education Code 49076; 34 CFR 99.31)
2. Students who are age 16 or older or who have completed the 10th grade (Education Code 49076)

4. Members of a school attendance review board (SARB) appointed pursuant to Education Code 48321 who are authorized representatives of the district and any volunteer aide age 18 or older who has been investigated, selected, and trained by the SARB to provide follow-up services to a referred student (Education Code 49076)

(cf. 5113.1 - Chronic Absence and Truancy)
(cf. 5113.12 - District School Attendance Review Board)

5. Officials and employees of other public schools, school systems, or postsecondary institutions where the student intends or is directed to enroll, including local, county, or state correctional facilities where educational programs leading to high school graduation are provided, or where the student is already enrolled, as long as the disclosure is for purposes related to the student's enrollment or transfer (Education Code 49076; 34 CFR 99.31)

~~***Note: 34 CFR 99.34 requires the district to make a reasonable attempt to notify the parent/guardian or adult student when the district discloses certain information as described in the following paragraph. However, if the district includes a statement in its annual parental notification that the district may forward education records under such circumstances, it is not obligated to individually notify parents/guardians or adult students. The following optional paragraph may be deleted by districts that include such a statement in their annual parental notification. See section below entitled "Notification of Parents/Guardians."***~~

Unless the annual parent/guardian notification issued pursuant to Education Code 48980 includes a statement that the district may disclose students' personally identifiable information to officials of another school, school system, or postsecondary institution where the student seeks or intends to enroll, the Superintendent or designee shall, when such a disclosure is made, make a reasonable attempt to notify the parent/guardian or adult student at the last known address, provide a copy of the record that is disclosed, and give the parent/guardian or adult student an opportunity for a hearing to challenge the record. (34 CFR 99.34)

~~***Note: Item #6 below is for use by districts that maintain high schools. Education Code 69432.9 provides that all students in grade 12 will be considered Cal Grant applicants and will have their grade point average (GPA) submitted to the Student Aid Commission, unless they opt out or are permitted under Commission rules to submit test scores in lieu of the GPA. Education Code 69432.9 requires that the report be submitted on a standardized form provided by the Commission. Pursuant to Education Code 69432.92, the Commission may also require that districts submit verification of high school graduation or its equivalent for all students who graduated in the prior academic year, except for students who have opted out.***~~

~~***Note: Education Code 49432.9 requires that parents/guardians be notified that their child's GPA will be forwarded unless they opt out within the time period specified in the notice. This notification could be included in the annual parental notification issued pursuant to Education Code 48980.***~~

6. The Student Aid Commission, to provide the grade point average (GPA) of all district students in grade 12 and, when required, verification of high school graduation or its equivalent of all students who graduated in the prior academic year, for use in the Cal Grant postsecondary financial aid program. However, such information shall not be submitted when students opt out or are permitted by the rules of the Student Aid Commission to provide test scores in lieu of the GPA. (Education Code 69432.9, 69432.92)

No later than January 1 each year, the Superintendent or designee shall notify each student in grade 11, and the student's parents/guardians if the student is under age 18 years, that the student's GPA will be forwarded to the Student Aid Commission by October 1 unless the student opts out within a period of time specified in the notice, which shall not be less than 30 days. (Education Code 69432.9)

Students' social security numbers shall not be included in the submitted information unless the Student Aid Commission deems it necessary to complete the financial aid application and the Superintendent or designee obtains permission from the student's parent/guardian, or from the adult student, to submit the social security number. (Education Code 69432.9)

7. Federal, state, and local officials, as needed for an audit or evaluation of, or compliance with, a state or federally funded education program and in accordance with a written agreement developed pursuant to 34 CFR 99.35 (Education Code 49076; 34 CFR 99.3, 99.31, 99.35)

~~***Note: Pursuant to Education Code 49076, county placing agencies authorized to assess the effectiveness of a state or federally funded program on behalf of federal, state, or local officials and agencies may be allowed access to student records. Education Code 49076 also authorizes districts, county offices of education, and county placing agencies to develop cooperative agreements to facilitate confidential access to and exchange of student information by email, facsimile, electronic format, or other secure means, provided the agreement complies with the requirements of 34 CFR 99.35.***~~

8. Any county placing agency acting as an authorized representative of a state or local educational agency which is required to audit or evaluate a state or federally supported education program pursuant to item #7 above (Education Code 49076)
9. Any person, agency, or organization authorized in compliance with a court order or lawfully issued subpoena (Education Code 49077; 5 CCR 435; 34 CFR 99.31)

Unless otherwise instructed by the court, the Superintendent or designee shall, prior to disclosing a record pursuant to a court order or subpoena, give the parent/guardian or adult student at least three days' notice of the name of the requesting agency and the specific record requested, if lawfully possible within the requirements of the judicial order. (Education Code 49077; 5 CCR 435; 34 CFR 99.31)

10. Any district attorney who is participating in or conducting a truancy mediation program or participating in the presentation of evidence in a truancy petition (Education Code 49076)
11. A district attorney's office for consideration against a parent/guardian for failure to comply with compulsory education laws (Education Code 49076)
12. Any probation officer, district attorney, or counsel of record for a student who is a minor for the purposes of conducting a criminal investigation or an investigation in regards to

declaring the minor a ward of the court or involving a violation of a condition of probation, subject to evidentiary rules specified in Welfare and Institutions Code 701 (Education Code 49076)

When disclosing records for these purposes, the Superintendent or designee shall obtain written certification from the recipient of the records that the information will not be disclosed to another party without prior written consent of the student's parent/guardian or the holder of the student's educational rights, unless specifically authorized by state or federal law. (Education Code 49076)

13. Any judge or probation officer for the purpose of conducting a truancy mediation program for a student or for the purpose of presenting evidence in a truancy petition pursuant to Welfare and Institutions Code 681 (Education Code 49076)

In such cases, the judge or probation officer shall certify in writing to the Superintendent or designee that the information will be used only for truancy purposes. Upon releasing student information to a judge or probation officer, the Superintendent or designee shall inform, or provide written notification to, the student's parent/guardian within 24 hours. (Education Code 49076)

14. A foster family agency with jurisdiction over a currently enrolled or former student; short-term residential treatment program staff responsible for the education or case management of a student; or a caregiver who has direct responsibility for the care of a student, including a certified or licensed foster parent, an approved relative or nonrelated extended family member, or a resource family, as defined (Education Code 49076)

Such individuals shall have access to the student's current or most recent records of grades, transcripts, attendance, discipline, online communication on platforms established by schools for students and parents/guardians, and any individualized education program or Section 504 plan developed and maintained by the district (Education Code 49069.3)

(cf. 6164.6 - Identification and Education Under Section 504)

(cf. 6173.1 - Education for Foster Youth)

15. A student age 14 years or older who is both a homeless student and an unaccompanied minor as defined in 42 USC 11434a (Education Code 49076)

(cf. 6173 - Education for Homeless Children)

16. An individual who completes items #1-4 of the caregiver's authorization affidavit pursuant to Family Code 6552 and signs the affidavit for the purpose of enrolling a minor in school (Education Code 49076)

17. A caseworker or other representative of a state or local child welfare agency or tribal organization that has legal responsibility in accordance with state or tribal law for the care and protection of a student, provided that the individual is authorized by the agency or

organization to receive the records and the information requested is directly related to providing assistance to address the student's educational needs (Education Code 49076; 20 USC 1232(g))

18. Appropriate law enforcement authorities, in circumstances where Education Code 48902 requires that the district provide special education and disciplinary records of a student with disabilities who is suspended or expelled for committing an act violating Penal Code 245 (Education Code 48902, 49076)

When disclosing such records, the Superintendent or designee shall obtain written certification by the recipient of the records as described in item #12 above. (Education Code 49076)

19. Designated peace officers or law enforcement agencies in cases where the district is authorized by law to assist law enforcement in investigations of suspected criminal conduct or kidnapping and a written parental consent, lawfully issued subpoena, or court order is submitted to the district, or information is provided to it indicating that an emergency exists in which the student's information is necessary to protect the health or safety of the student or other individuals (Education Code 49076.5)

In such cases, the Superintendent or designee shall provide information about the identity and location of the student as it relates to the transfer of that student's records to another public school district in California or any other state or to a California private school. (Education Code 49076.5)

When disclosing records for the above purposes, the Superintendent or designee shall obtain the necessary documentation to verify that the person, agency, or organization is a person, agency, or organization that is permitted to receive such records.

Any person, agency, or organization granted access is prohibited from releasing information to another person, agency, or organization without written permission from the parent/guardian or adult student unless specifically allowed by state law or the federal Family Educational Rights and Privacy Act. (Education Code 49076)

In addition, the parent/guardian or adult student may provide written consent for access to be granted to persons, agencies, or organizations not afforded access rights by law. The written consent shall specify the records to be released and the party or parties to whom they may be released. (Education Code 49061, 49075)

Only a parent/guardian having legal custody of the student may consent to the release of records to others. Either parent/guardian may grant consent if both parents/guardians notify the district, in writing, that such an agreement has been made. (Education Code 49061)

(cf. 5021 - Noncustodial Parents)

Discretionary Access

At the discretion of the Superintendent or designee, information may be released from a student's records to the following:

1. Appropriate persons, including parents/guardians of a student, in an emergency if the health and safety of the student or other persons are at stake (Education Code 49076; 34 CFR 99.31, 99.32, 99.36)

When releasing information to any such appropriate person, the Superintendent or designee shall record information about the threat to the health or safety of the student or any other person that formed the basis for the disclosure and the person(s) to whom the disclosure was made. (Education Code 49076; 34 CFR 99.32)

~~***Note: The following optional paragraph may be revised to reflect district practice.***~~

Unless it would further endanger the health or safety of the student or other persons, the Superintendent or designee shall inform the parent/guardian or adult student within one week of the disclosure that the disclosure was made, of the articulable and significant threat to the health or safety of the student or other individuals that formed the basis for the disclosure, and of the parties to whom the disclosure was made.

2. Accrediting associations in order to carry out their accrediting functions (Education Code 49076; 34 CFR 99.31)
3. Under the conditions specified in Education Code 49076 and 34 CFR 99.31, organizations conducting studies on behalf of educational institutions or agencies for the purpose of developing, validating, or administering predictive tests, administering student aid programs, or improving instruction, provided that: (Education Code 49076; 34 CFR 99.31)
 - a. The study is conducted in a manner that does not permit personal identification of students or parents/guardians by individuals other than representatives of the organization who have legitimate interests in the information.
 - b. The information is destroyed when no longer needed for the purposes for which the study is conducted.
 - c. The district enters into a written agreement with the organization that complies with 34 CFR 99.31.
4. Officials and employees of private schools or school systems where the student is enrolled or intends to enroll, subject to the rights of parents/guardians as provided in Education Code 49068 and in compliance with 34 CFR 99.34 (Education Code 49076; 34 CFR 99.31, 99.34)

5. Local health departments operating countywide or regional immunization information and reminder systems and the California Department of Public Health, unless the parent/guardian has requested that no disclosures of this type be made (Health and Safety Code 120440)

~~***Note: Education Code 49076 includes "contractors" and "consultants," as defined in the section "Definitions" above, among the categories of individuals to whom a student's personally identifiable information may be disclosed under certain circumstances. Unlike 34 CFR 99.31, however, Education Code 49076 prohibits disclosure of such information to volunteers and other parties.***~~

6. Contractors and consultants having a legitimate educational interest based on services or functions which have been outsourced to them through a formal written agreement or contract with the district, excluding volunteers or other parties (Education Code 49076)

(cf. 3600 - Consultants)

~~***Note: Items #7 and 8 below are for use by districts that maintain high schools.***~~

7. Agencies or organizations in connection with the student's application for or receipt of financial aid, provided that information permitting the personal identification of a student or the student's parents/guardians for these purposes is disclosed only as may be necessary to determine the eligibility of the student for financial aid, determine the amount of financial aid, determine the conditions which will be imposed regarding the financial aid, or enforce the terms or conditions of the financial aid (Education Code 49076; 34 CFR 99.31)
8. County elections officials for the purpose of identifying students eligible to register to vote or offering such students an opportunity to register, subject to the limits set by 34 CFR 99.37 and under the condition that any information provided on this basis shall not be used for any other purpose or transferred to any other person or agency (Education Code 49076; 34 CFR 99.37)

(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)

When disclosing records for the above purposes, the Superintendent or designee shall obtain the necessary documentation to verify that the person, agency, or organization is a person, agency, or organization that is permitted to receive such records.

Any person, agency, or organization granted access is prohibited from releasing information to another person, agency, or organization without written permission from the parent/guardian or adult student unless specifically allowed by state law or the federal Family Educational Rights and Privacy Act. (Education Code 49076)

De-identification of Records

~~***Note: 20 USC 1232(g) and Education Code 49076 authorize the district to release student~~

~~records for specified purposes (e.g., to federal and state officials conducting program audits or to organizations conducting studies) without parent/guardian consent after the removal of all "personally identifiable information" as defined in the section entitled "Definitions" above and provided that the district has made a reasonable determination that a student's identity will not be personally identifiable through single or multiple releases. Education Code 49074 further authorizes the district to provide de-identified statistical data to public or private agencies, postsecondary institutions, or educational research organizations when such actions would be "in the best educational interests of students."***~~

~~***Note: 34 CFR 99.31 lists objective standards under which districts may release information from de-identified records. These standards are applicable to both requests for individual, redacted records and requests for statistical information from multiple records.***~~

When authorized by law for any program audit, educational research, or other purpose, the Superintendent or designee may release information from a student record without prior consent of the parent/guardian or adult student after the removal of all personally identifiable information. Prior to releasing such information, the Superintendent or designee shall make a reasonable determination that the student's identity is not personally identifiable, whether through single or multiple releases and taking into account other reasonably available information. (Education Code 49074, 49076; 20 USC 1232g; 34 CFR 99.31)

Process for Providing Access to Records

~~***Note: Education Code 49069 mandates procedures for notifying parents/guardians of the location of student records if not centrally located. The following paragraph may be expanded to include notification procedures.***~~

Student records shall be maintained in a central file at the school attended by the student or, when records are maintained at different locations, a notation shall be placed in the central file indicating where other records may be found. Parents/guardians and adult students shall be notified of the location of student records if not centrally located. (Education Code 49069; 5 CCR 433)

The custodian of records shall be responsible for the security of student records and shall ensure that access is limited to authorized persons. (5 CCR 433)

~~***Note: 5 CCR 431 mandates districts to establish written procedures to ensure the security of student records. The following three paragraphs reflect this mandate and should be modified to reflect any specific physical, technological, or administrative controls developed by the district.***~~

~~***Note: 34 CFR 99.31 requires districts to use "reasonable methods" to (1) ensure that school officials, employees, and outside contractors obtain access to only those records, both paper and electronic, in which they have a legitimate educational interest and (2) identify and authenticate the identity of parents/guardians, students, school officials, and any other party to whom the district discloses personally identifiable information from education records. In addition, 34 CFR 99.31 specifies that a district which does not use physical or technological access controls (e.g., a~~

~~locked file cabinet or computer security limiting access) must ensure that its administrative policy for controlling access is effective and remains in compliance with the "legitimate educational interest" requirement.***~~

~~***Note: The Analysis to Comments and Changes (73 Fed. Reg. 237, page 74817) suggests a balance of physical, technological, and administrative controls to prevent unauthorized access and to ensure that school officials do not have unrestricted access to the records of all students. The Analysis also clarifies that the reasonableness of the method depends, in part, on the potential harm involved. For example, high risk records, such as social security numbers or other information that could be used for identity theft, should receive greater and more immediate protection.***~~

~~***Note: In addition, as a condition of participation in an interagency data information system (e.g., California Longitudinal Pupil Achievement Data System), Education Code 49076 requires that the district develop security procedures or devices by which unauthorized personnel cannot access data in the system and procedures or devices to secure privileged or confidential data from unauthorized disclosure.***~~

The custodian of records shall develop reasonable methods, including physical, technological, and administrative policy controls, to ensure that school officials and employees obtain access to only those student records in which they have legitimate educational interests. (34 CFR 99.31)

To inspect, review, or obtain copies of student records, authorized persons shall submit a request to the custodian of records. Prior to granting the request, the custodian of records shall authenticate the individual's identity. For any individual granted access based on a legitimate educational interest, the request shall specify the interest involved.

~~***Note: 34 CFR 99.30 specifies information that must be included in the parent/guardian consent form, as provided below. The provisions in the following two paragraphs are required pursuant to the California Attorney General's model policy developed pursuant to Education Code 234.7. See the Office of the Attorney General's publication Promoting a Safe and Secure Learning Environment for All: Guidance and Model Policies to Assist California's K-12 Schools in Responding to Immigration Issues.***~~

When required by law, a student's parent/guardian or an adult student shall provide written, signed, and dated consent before the district discloses the student record. Such consent may be given through electronic means in those cases where it can be authenticated. The district's consent form shall specify the records that may be disclosed, state the purpose of the disclosure, and identify the party or class of parties to whom the disclosure may be made. Upon request by the parent/guardian or adult student, the district shall provide a copy of the records disclosed. (34 CFR 99.30)

If the parent/guardian or adult student refuses to provide written consent for the release of student information, the Superintendent or designee shall not release the information, unless it is otherwise subject to release based on a court order or a lawful subpoena.

~~***Note: Education Code 49069 and 5 CCR 431 mandate that the district adopt procedures for granting parent/guardian requests to inspect, review, and obtain copies of records.***~~

Within five business days following the date of request, the authorized person shall be granted access to inspect, review, and obtain copies of student records during regular school hours. (Education Code 49069)

~~***Note: Education Code 49069 mandates procedures for the availability of qualified certificated personnel to interpret records when requested. The following paragraph may be expanded to include specific procedures for persons to request and receive the assistance of certificated personnel.***~~

Qualified certificated personnel shall be available to interpret records when requested. (Education Code 49069)

The custodian of records or the Superintendent or designee shall prevent the alteration, damage, or loss of records during inspection. (5 CCR 435)

Access Log

A log shall be maintained for each student's record which lists all persons, agencies, or organizations requesting or receiving information from the record and the legitimate educational interest of the requester. (Education Code 49064)

In every instance of inspection by persons who do not have assigned educational responsibility, the custodian of records shall make an entry in the log indicating the record inspected, the name of the person granted access, the reason access was granted, and the time and circumstances of inspection. (5 CCR 435)

~~***Note: The following optional paragraph may be revised to reflect district practice.***~~

The custodian of records shall also make an entry in the log regarding any request for record(s) that was denied and the reason for the denial.

~~***Note: Although Education Code 49064 does not require the district to record access by individuals specified in items #1-5 below, the district may consider recording access by all individuals as part of the reasonable administrative controls required by 34 CFR 99.31; see section above entitled "Process for Providing Access to Records."***~~

The log shall include requests for access to records by:

1. Parents/guardians or adult students
2. Students who are 16 years of age or older or who have completed the 10th grade
3. Parties obtaining district-approved directory information

4. Parties who provide written parental consent, in which case the consent notice shall be filed with the record pursuant to Education Code 49075
5. School officials and employees who have a legitimate educational interest

~~***Note: Pursuant to Education Code 234.7, any request for student information by a law enforcement agency for the purpose of enforcing immigration laws must be reported to the Superintendent and the Board; see the accompanying Board policy. Therefore, it is recommended that the custodian of records make an entry in the log regarding any such requests, as provided in item #6 below.***~~

Once the record is received, the Superintendent or designee must inform the student's teachers of the acts; see AR 4158/4258/4358 Employee Security.***~~

When a student transfers into this district from another district, the Superintendent or designee shall request that the student's previous district provide any records, either maintained by that district in the ordinary course of business or received from a law enforcement agency, regarding acts committed by the transferring student that resulted in the student's suspension or expulsion. When a student transfers from this district to another school district or to a private school, the Superintendent or designee shall forward a copy of the student's mandatory permanent record within 10 school days of the district's receipt of the request for the student's records. ~~***Note: Pursuant to 34 CFR 99.34, if the district's annual parental notification contains the information described in optional item #13 below, the district does not need to attempt to individually notify a parent/guardian or adult student when the district discloses an education record to officials of another school, school system, or postsecondary institution (see item #5 in the list of persons/agencies with legitimate educational interests in the section entitled "Access for Limited Purpose/Legitimate Educational Interest" above).***~~
