School Description

Principal's Message

Thank you for taking the time to review Perris High School's School Accountability Report Card. In accordance with Proposition 98, every school in California is required to issue an annual School Accountability Report Card that fulfills state and federal disclosure requirements. Parents will find valuable information about our academic achievement, professional staff, curricular programs, instructional materials, safety procedures, classroom environment, and condition of facilities.

The school motto at Perris High is "Never Give Up." We encourage our students to constantly challenge themselves and grow from those challenges. As Perris Panthers we take PRIDE in everything we do. We are Positive Respectful Individuals Dedicated to Excellence. Our ongoing focus is to ensure our students are college/career ready when they walk out our doors as graduates. We offer a variety of instructional programs with emphasis on academics as well as career technical education. Perris High School believes that all students should have the choice of where to go and what to do with their lives. It is our responsibility to provide them with the academic, social, and emotional support necessary to enable them to be good decision makers that have a positive impact on the world around them.

Perris High School provides a warm, stimulating environment where students are actively involved in learning academics as well as positive values. Students receive a standards-based, challenging curriculum by dedicated professional staff based on the individual needs of the students. Ongoing evaluation of student progress and achievement helps us refine the instructional program so students can achieve academic proficiency. We have made a commitment to provide the best educational program possible for Perris High School's students, and welcome any suggestions or questions you may have about the information contained in this report or about the school. Together, through our hard work, students will be challenged to reach their full potential.

Juan Santos, Principal

PHS Mission Statement:

Perris High School's professional educators will provide a broad-based curriculum that affords our students opportunities to acquire the skills needed to understand and contribute to an interdependent and rapidly-changing world.

PUHSD Mission Statement:

The mission of Perris Union High School District is to create high quality relevant learning opportunities for all in a safe and caring environment. We will develop a high quality, caring staff who will be dedicated to learning, and connect students to their education and potential goals. We will care for all students while developing a growth mindset through collaboration, creativity, communication, and critical thinking.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2016-17 Student Enrollment by Grade Level	
Grade Level	Number of Students
Grade 9	572
Grade 10	622
Grade 11	644
Grade 12	528
Total Enrollment	2,366

2016-17 Student Enrollment by Group	
Group	Percent of Total Enrollment
Black or African American	6.4
American Indian or Alaska Native	0.1
Asian	0.3
Filipino	0.3
Hispanic or Latino	89.3
Native Hawaiian or Pacific Islander	0.3
White	2.5
Two or More Races	0.8
Socioeconomically Disadvantaged	92.6
English Learners	29
Students with Disabilities	9.6
Foster Youth	0.7

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials			
Perris High School	15-16	16-17	17-18
With Full Credential	101	103	98
Without Full Credential	0	0	0
Teaching Outside Subject Area of Competence	0	0	0
Perris Union High School District	15-16	16-17	17-18
With Full Credential	♦	♦	453
Without Full Credential	♦	♦	1
Teaching Outside Subject Area of Competence	♦	♦	1

Teacher Misassignments and Vacant Teacher Positions at this School			
Perris High School	15-16	16-17	17-18
Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

All textbooks used in the core curriculum at Perris High School are aligned to the California Content Standards and Frameworks. Standards-based instructional materials are approved by the district's Board of Trustees. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health.

On Wednesday, September 20, 2017, the Perris Union High School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 5:11-12 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and (4) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12 inclusive.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2016-17 school year, Perris Union High School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

School Facility Conditions and Planned Improvements (Most Recent Year)

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Perris High School's original facilities were built in 1962; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Ongoing facilities maintenance includes plumbing, electrical and HVAC repairs.
- Painting - Campus wide
- Asphalt repair and resurfacing project
- LED Lighting upgrades throughout exterior of campus

Every morning before school begins, the custodian and plant manager inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. Three day custodians and six evening custodians are assigned to Perris High School. The day custodians are responsible for:

- Cafeteria setup/cleanup
- Groundskeeping
- Lunch area setup/cleanup
- Restroom cleaning

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Common use area cleaning
- Office area cleaning
- Restroom cleaning

The plant manager communicates with custodial staff daily concerning maintenance and school safety issues.

Deferred Maintenance

Perris High School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems.

Facilities construction / improvement projects

- Currently the campus is constructing Phase 2 of a campus modernization project. Phase 2 consists of an A phase and a B phase. Phase 2A includes the construction of a boys/girls locker room, two story classroom building which will house career tech classrooms, and a new satellite kitchen. This construction project is scheduled for completion during winter of 2016. Phase 2B is a single story cafeteria/kitchen/classroom building. construction on 2B began in the summer of 2016. Construction of a 2 story Agricultural Classroom Building began in the Summer of 2016. Athletic field improvements, including the renovation of one of the campus's baseball fields to serve as the Varsity Girls Softball Field. Replacement of HHVAC Units on small gym. Upgrade of the swimming pool pump motor and high efficiency variable speed control system.

Facilities Inspection

The district's maintenance department inspects Perris High School on an annual basis in accordance with Education Code §17592.72(c)(1). Perris High School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on 10/02/2017. During fiscal year 2016-17, all restrooms were fully functional and available for student use at the time of the school inspection.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2016-17 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	15-16	16-17	15-16	16-17	15-16	16-17
ELA	31	45	37	44	48	48
Math	11	12	17	15	36	37

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)				
Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	705	625	88.7	20.5
Male	367	316	86.1	21.8
Female	338	309	91.4	19.1
Black or African American	48	38	79.2	18.4
Hispanic or Latino	627	562	89.6	21.2
White	20	17	85.0	11.8
Socioeconomically Disadvantaged	656	587	89.5	19.4
English Learners	223	194	87.0	3.6
Students with Disabilities	64	47	73.4	14.9

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	14-15	15-16	14-15	15-16	14-15	15-16
Science	19	20	41	36	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Grade Level	2016-17 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
9	20.4	24.8	20.2

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA)
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	599	564	94.16	44.58
Male	308	291	94.48	37.46
Female	291	273	93.81	52.21
Black or African American	41	35	85.37	34.29
American Indian or Alaska Native	--	--	--	--
Asian	--	--	--	--
Filipino	--	--	--	--
Hispanic or Latino	534	507	94.94	45.65
White	16	14	87.5	35.71
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	551	519	94.19	43.44
English Learners	194	185	95.36	21.08
Students with Disabilities	53	44	83.02	6.82
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**School Year 2016-17 CAASPP Assessment Results - Mathematics
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	596	562	94.3	11.94
Male	307	291	94.79	12.07
Female	289	271	93.77	11.81
Black or African American	41	34	82.93	11.76
American Indian or Alaska Native	--	--	--	--
Asian	--	--	--	--
Filipino	--	--	--	--
Hispanic or Latino	531	506	95.29	12.28
White	16	14	87.5	7.14
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	548	517	94.34	11.82
English Learners	192	182	94.79	3.87
Students with Disabilities	53	45	84.91	0
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Perris High School believes parental involvement is crucial to high school student success. As a school, we strive to offer a wide range of opportunities for parents to support the school and their student(s). Should the need arise, parents are welcome to “shadow” their students in any class. To do so, reach out to administration or counseling in order to provide teachers with required 24-hours notice. School-to-home communication is essential; therefore, Perris High informs parents on upcoming events and school activities through emails, newsletters, parent conferences, progress reports, school marquee, school website, and Blackboard (automated telephone message delivery system). Flyers and letters may be used for special announcements and important updates. The school’s digital marquee displays current announcements and upcoming event dates. The school website and social media pages (Facebook, Twitter, Instagram) are updated frequently and are a great resource for general information, staff contact information, schedules, activities, and programs. Parents may access their child’s grades, attendance, and assignment information through the Infinite Campus website or phone app. School-to-home communication should be in both English and Spanish.

Perris High School has built a new Family Engagement Center (FEC). The Family Engagement Center is open Monday through Wednesday during school hours and Thursday and Fridays in the afternoon. This new Family Engagement Center is designed to benefit parents, students, and teachers by bridging the student-parent-community gap. In the Family Engagement Center, parents have access to computers and various resource materials. The Family Engagement Center offers training and workshops in areas such as college and career readiness, gang awareness, Infinite Campus support, and mind-body wellness.

Perris High School loves to offer the following:

Involvement Opportunities: Panther Parents, classroom helper, athletic program support, CAFE Project to Inspire, WASC, and Coffee / Dessert with Administration

Committee Opportunities: English Learner Advisory Council (ELAC), School Site Council (SSC), and African American Parent Advisory Council (AAPAC)

School Activity Opportunities: athletic events, Back to School Night, Open House, parent education nights, student performances, and FFA Events

Parents seeking more information or who may be interested in participating in any of the activities listed below may contact the Perris High administration or the Principal’s Secretary at (951) 657-2171.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive School Site Safety Plan was developed for Perris High School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed and updated by school staff in April 2017. Staff responsibilities and safety plan updates were discussed with staff in April 2017.

Suspensions and Expulsions			
School	2014-15	2015-16	2016-17
Suspensions Rate	7.4	9.2	7.1
Expulsions Rate	0.0	0.0	0.6
District	2014-15	2015-16	2016-17
Suspensions Rate	7.4	8.4	8.0
Expulsions Rate	0.1	0.1	0.4
State	2014-15	2015-16	2016-17
Suspensions Rate	3.8	3.7	3.6
Expulsions Rate	0.1	0.1	0.1

Library Media Services Staff (Paraprofessional)	1
Psychologist	1
Social Worker	0
Nurse	.33
Speech/Language/Hearing Specialist	.33
Resource Specialist	12
Other	0
Average Number of Students per Staff Member	
Academic Counselor	410

* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Average Class Size and Class Size Distribution (Secondary)												
Subject	Average Class Size			Number of Classrooms*								
				1-22			23-32			33+		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
English	31	31	28	14	7	32	11	32	28	59	44	48
Mathematics	33	32	32	5	7	11	17	22	6	50	46	57
Science	33	32	31	4	4	8	4	17	12	32	27	29
Social Science	34	34	31	6		10	6	18	18	51	47	39

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

All training and curriculum development activities at Perris High School revolve around the California State Content Standards and Frameworks with special emphasis on the upcoming Common Core standards. During the 2015-16 school year, Perris High School held staff development devoted to:

- Classroom Instruction
- Instructional BEST Practices
- Depth of Knowledge Questioning
- Common Core Implementation
- Checking for Understanding
- Haiku Learning Management System Training
- Effective Grading Practices
- Professional Learning Communities

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Perris High School supports ongoing professional growth throughout the year on late start days. Teachers meet in both grade level and department level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula. During the 2016-17 school year, Perris High School's teachers attended the following events hosted by the Perris Union High School District:

- BEST Practices
- Expository Reading and Writing
- Write Path Training
- Advanced Professional Learning Communities
- Academic Vocabulary Training
- Concept Construction Training
- Planning for Student Success Training
- WICOR Instructional Strategies (W-Writing I-Inquiry, C-Collaboration, O-Organization, R-Reading)

2017-2018 Trainings include:

- AVID Summer Institute (August 2017)
- Professional Learning Communities (September 2017)
- Social Science Frameworks for HS Educators (September 2017)
- Digital Citizenship training (October 2017)
- Riverside County of Education Equity Conference (October 2017)
- Principled Relationships (November 2017)
- Proactive Discipline for Reactive Students: Implementing Restorative Discipline and PBIS strategies in the classroom (November 2017)
- AVID Site Team Conference (December 2017)
- WICOR Instructional Strategies (W-Writing I-Inquiry, C-Collaboration, O-Organization, R-Reading) February 2018

Perris High School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

FY 2015-16 Teacher and Administrative Salaries		
Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$53,786	\$50,221

Career Technical Education Programs

Workforce Preparation

Students in grades nine through twelve receive counseling from school personnel regarding career paths and courses of study. During their freshman year, students meet with the counselor to discuss their four-year academic plan and are introduced to Perris High School's technical and career education programs; the counselor meets at least once a year with each student to follow-up on their progress in meeting graduation requirements and career objectives. All career and technical education (CTE) courses comply with state-adopted content standards and are integrated into the student's four-year academic plan as elective courses. Perris High School offers the following programs that promote leadership, develop job-related skills, provide on-the-job experience, and increase interest in school:

- Career Technical Education
- Workability
- Career Pathways

Individual student assessment of work readiness skills takes place through:

- End of course exams
- Completion of course-required projects
- Classroom observation projects
- Career Assessment Inventories

Career Technical Education Programs (CTE) are offered in partnership with Riverside County Office of Education. A variety of career technical education courses are available to help prepare high school students (16 years and older) for entry-level employment, upgrading current job skills, or obtaining more advanced levels of education.

During the 2016-17 school year Perris High School offered the following career technical education programs as elective courses:

- Agriculture

- Art, Media and Entertainment
- Computer Information Technology
- Culinary Arts
- Engineering
- Retail Sales and Marketing
- Medical Assisting

Students of Perris High School have access to a wide variety of CTE courses off campus through the RCOE-CTE partnership.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
