

**JUSTIFICATION FOR SERIES 1000
(Community Relations)**

(Pending Board Adoption October 18, 2017)

Background:

**BP 1340 - Access to District Records
(BP revised)**

Policy updated to reflect **NEW COURT DECISION** (City of San Jose v. Superior Court) which held that using a personal account or device to send or receive communications regarding public business does not categorically exclude those records from disclosure in response to a request under the California Public Records Act and that public agencies are obliged to disclose applicable records that they can locate with reasonable effort.
