RE: Liberty H.S. Aquatic Complex - Bid No. 121720
Bids Opened Thursday, December 17, 2020

Dear Hector:

Please find attached the apparent responsive low bidders for the above-referenced project, along with a schedule of all bids received. We recommend that contracts for these categories be awarded to this list of contractors. The awards are based on the base bids only.

We are in receipt of a formal letter of withdrawal due to clerical error from the low bidder in Category 05 - Structural Steel (BAS Engineering, Inc.). We feel it is in the best interest of the project for the School Board to accept this letter of withdrawal and award to the next lowest bidder in this category - KCB Towers, Inc.

Additionally, the low bidder in Category 20 - Fire Sprinklers (Daart Engineering Company, Inc.) was not prequalified in accordance with the bid documents, rendering their bid non-responsive. We therefore are recommending award to 2nd place bidder in this category - J.G. Tate Fire Protection Systems, Inc.

We have verified the low bidders' (and their listed subcontractors') California contractor's license numbers, license classifications and expiration dates, along with current DIR registration. All contractors are currently licensed per the requirements of the contract documents. Additionally, all prime bidders and their listed subcontractors are prequalified where required.

Respectfully

Karen E. Anderson
Office Manager
