Terms and Conditions

Price and Payment Information guarantee: The price quoted is based on the minimum number of travelers as outlined in your contract and subject to adjustments if the minimum is not met for the additional inclusions, or in the event of circumstances beyond Green Light Tour and Travel Inc. (DBA GL Travel) control. These include, but are not limited to fuel and energy costs and charges, and airline, vendor, or group-imposed schedule changes or delays.

Cancellation Policy:

- If your cancellation is in writing and postmarked 100 days prior to departure, GL Travel would refund 100% of trip deposits.
- If your cancellation is in writing and postmarked 60-99 days before the group's departure, GL Travel will retain 50% of the Base tour Price.
- If your cancellation is in writing and postmarked 59 days or less before the group's departure, GL Travel will retain 100% of the Base tour Price.
- There are no refunds for Disney Grad Nite tickets once purchased.

If your cancellation is in writing and postmarked 60 days prior to the groups departure and due to COVID-19, GL Travel would refund all trip payments, not the deposit. Any cancellations due to COVID-19 within 60 days of the trip are non-refundable.

This cancellation policy is based on the originally scheduled tour dates. This policy does not apply in the event of GL Travel's bankruptcy, insolvency, or cessation of business.

Payments: Deposits and final payments must be paid by the date listed on your contract. All programs must be paid in full by the final payment deadline as stated on your contract. Your program space is not guaranteed if you do not adhere to the terms of the required payment plan(s).

Program Information Letter: Approximately two to three weeks prior to departure, you will be sent details regarding bus, flight and hotel information, departure and return times, packing tips, drop-off/pick-up locations, etc.

Supervision/Behavior: The program leader and chaperones will establish behavior rules and directions for all student participants. To promote a safe and enjoyable program for everyone, it is important for everyone to exhibit responsible behavior at all times. Failure to abide by the rules or the directions may result in trip participants being sent home at the parents' expense and waiving any right to refund. The program leaders and chaperones will be present at each site visited by the participants. At selected sites, participants may be allowed to explore on their own.

General Policy: Reservations are not transferable at any time. Green Light Tour and Travel reserves the right to make additions or deletions in the program deemed advisable for the well-being of the group or changes in circumstances. The right is further reserved to refuse or accept any person as a member of the group. Green Light Tour and Travel does not accept responsibility for lost or stolen items.

Itinerary Changes: The itinerary may be modified and inclusions and airports substituted depending on your travel dates, arrival and departure times, national holidays, and events beyond GL Travel's control.

This Agreement applies to the fullest extent allowed by California law and to all Harm, claims, demands, or causes of action for death, personal injury, partial or permanent disability, property damage, medical or hospital bills, theft or damage of any kind relating to the Tour in which the group is participating or any harm as a result of COVID-19.

Exhibit A-1 COVID-19 Travel Requirements & Advisory – Participants

COVID-19 Advisory

Green Light Tour & Travel, Inc. DBA GL Travel (“GL”) advises students, parents, and chaperones (the “Participants” or “you”) of the [trip] coordinated by [school] (the “Program”) to be aware of the symptoms of COVID-19 and take responsibility for monitoring their health and reporting any COVID-19 like symptoms they experience before and during travel.

The virus causing the novel coronavirus disease (COVID-19) is contagious. The spread of COVID-19 and other viruses can be reduced by knowing the signs and keeping away from others when you are unwell. Wearing a mask, maintaining social distance, and following proper hygiene protocols can help prevent the spread of COVID-19.

While the risks associated with contracting COVID-19 can be reduced, they CANNOT be eliminated. Everyone must play a role in helping to reduce the spread of the virus. Certain individuals with pre-existing conditions may be at greater risk. If you have any concerns as to whether travel is right for you, you should speak with your treating physician before traveling.

Please review these Travel Requirements & Advisory for additional information on how GL is responding to COVID-19 and how it may impact your Program. **Your participation in the Program constitutes your acknowledgement that you have read this Travel Requirement & Advisory, and agree to these terms and acknowledge the risks associated with COVID-19.**

Asymptomatic Carriers

People can still spread COVID-19 even if they are not experiencing symptoms. Thus, it is possible to contract the virus and not know when or where you came into contact with an infected person. To help reduce this risk, you are expected to follow all COVID-19 specific rules established by the Group Leader or chaperone, and any rules established by attractions, sites, and service providers (e.g. airlines, motorcoaches, hotels and restaurants). You shall maintain good hygiene practices such as frequent handwashing, and follow social distancing guidelines, and wearing face masks is recommended.

COVID-19 Assumption of Risk

By participating in the Program or permitting my child to participate in the Program, I acknowledge that I am fully aware of the current global COVID-19 virus outbreak and the increased risks associated with travel due to the pandemic. I agree that it is my personal decision to travel or to permit my child to travel, and I am doing so with full knowledge of current travel recommendations, travel restrictions, and added travel risks. I acknowledge that restrictions or requirements may change prior to or during the Program as new information becomes available related to traveler safety and agree to comply.

COVID-19 Symptoms

- fever or chills
- cough
- shortness of breath or difficulty breathing
- fatigue
- muscle or body aches
- headache
- new loss of taste or smell
- sore throat
- congestion or runny nose
- nausea or vomiting
- diarrhea

What To Do If You Experience Symptoms

Before you travel:

Speak with your physician before travel if you or someone in your household is experiencing symptoms within 14 days of your program start date to determine if traveling is appropriate. When speaking with your physician, explain that you are traveling for an educational program and will be traveling with or joining other students who do not live in your household. This will help your physician make recommendations for your well-being and for others participating on your program. Communicate these recommendations to your school or Program coordinator. Based on symptoms, timing, and other factors, it may be necessary for you to not participate in the Program. If that is the case, your school or Program coordinator can help you understand your options.

During your Program:

While on the Program, if you begin to experience symptoms, make your Group Leader or chaperone aware – immediately. You must bring your medical insurance card or info to ensure your prompt access to medical treatment and care. Until you are cleared by a medical professional, it is likely that you will not be permitted to participate in the Program or any activities, and you may be quarantined/isolated, as necessary. If the diagnosed Participant is a minor, GL will arrange and cover the cost of a flight for a parent/guardian to join their child.

Travel Requirements

Pre-departure

Quarantine or limit exposure to others

It is recommended that Participants remain in their home for 14 days prior to travel, as much as possible. If Participants leave home, they should strictly observe COVID-19 safety protocols (i.e., masking, social distancing, and hand washing) and avoid large gatherings and crowded spaces.

Pre-travel testing and destination requirements

If required by the airline carrier for travel, Participants must schedule a COVID-19 test to be taken prior to departure and submit test results before departure. Anyone receiving a positive test result will not be able to participate on the Program. Additional destination requirements may apply and GL will provide specific guidance based on any specific requests and requirements issued by carriers or venues.

Vaccinated participants

GL recommends that all vaccinated travelers test prior to departure, because Participants, including vaccinated participants, may be required to undergo pre-travel testing or show proof of pre-travel testing. GL does not require fully vaccinated travelers to show proof of a negative COVID-19 test. If a carrier or venue requires testing of all Participants, GL will communicate these requirements to the Participants as promptly as possible.

Exception for participants who have recovered

If a Participant has been diagnosed with and recovered from COVID-19 within 90 days of departure, they should provide documentation of recovery (proof of their positive test and a letter from a healthcare provider or a public health official stating that they are cleared to travel).
