**9.2 District Update by the Superintendent**

The Superintendent reported on the following:

### **ORAL REPORTS** (cont.)

- Superintendent, Grant Bennett, introduced Erika Tejada as the new Principal of Liberty High School effective July 1, 2020.
  - Ms. Erika Tejada thanked the Board of Trustees and Cabinet members for their trust in selecting her and providing this opportunity. She stated that it is an honor and she is humbled to serve as the Principal at Liberty High School.
- Mr. Bennett stated that this school year has been the strangest year that anyone has ever experienced in education. He thanked the following departments:
  - Nutrition Services Department and Rick Linsalato for all their hard work preparing the grab-and-go meals. The District has served over 100,000 meals since schools were closed.
  - Educational Services for putting together a plan for Distance Learning and making sure that our students continue their education during this time.
  - Business Services for having their essential employees in the payroll department making sure everyone continues to get paid and the accounting department for processing payments.
  - Technology Department for making sure that all our students have chromebooks that work, and offering drive-by chromebook pick-up and repairing. They have also been working hard to make sure our teachers have the appropriate devices they need in order to teach our students through Distance Learning.
  - Human Resources Department for finding new ways to continue hiring employees during this time.
  - Maintenance and Operations Department for making sure our schools are clean, safe, and kept up for those essential employees that need to report to work.
  - Risk Management Department for making sure our essential employees get the things they need in order to be safe at work and successful.
  - Both PSEA and CSEA worked with the District in an expeditious fashion to get the MOU's in place during this difficult time.
  - Teachers for preparing Distance Learning lessons so that our students continue to receive the best education possible.
- Lastly, Mr. Bennett shared that he was at Heritage High School earlier in the day and was told that they will be ordering lawn signs for the senior class of 2020.

### **9.3 PSEA President Jason Miller**

PSEA President, Jason Miller stated that he has heard people say that the pandemic is overhyped, some say it's not real and others say it's not serious. A 30 year old New Jersey teacher suddenly died from COVID-19 with no underlying health problems. He stated that there have been over twenty thousand plus deaths so far from COVID-19 and that it was pretty serious for them. His sister is a nurse and has spent the last month working in downtown Los Angeles hospitals, and this past Monday, went to hot zone hospitals in New York to assist with COVID-19 patients. Mr. Miller stated that now COVID-19 has hit Perris, Menifee, Romoland, Nuevo,

and surrounding cities which is serious. He mentioned that parents are now finding out that educators are essential workers. He stated that as leaders it is important to make correct decisions during this crisis. When leaders make decisions they are often not affected by those decisions personally, but the people they lead often take the brunt of bad decisions or thrive with effective decisions. Two key components of decision making for leaders is that they need to consider the ramification of the decision on those they lead and they should try and avoid rash decisions. He thanked the leaders of PSEA and the cabinet for working hard the last few weeks to make sense of what students will be learning the rest of the school year. The decisions that were made did not come on a whim nor without intention. The outcome of those decisions is in the MOU that is going for approval and stated that PSEA will continue to act and make decisions in the best interest of its members.

### **9.4 CSEA President Josh Rushing**

CSEA President, Josh Rushing thanked his members and stated that classified members are essential employees and that without them students would not be fed, staff would not get paid, and schools would not be cleaned. He thanked Human Resources and Risk Management for working with CSEA and answering calls on the weekends or as they come up. Mr. Rushing stated that he worked closely with Judy Miller to make sure that CSEA members are safe while distributing food to students and the community. He thanked Ed Services for including CSEA in the planning process as well. Josh stated that an MOU will be going for approval next month now that they are aware that schools will be closed through June 19, 2020. He hopes everyone stays safe and healthy.

### **9.5 Comments by the Board of Trustees**

Trustee Garcia thanked everyone for all their hard work, dedication, and loyalty to Perris Union High School District and their communities. Without coming together and working as a whole, the District would not be able to accomplish what it has so far. He thanked Superintendent Bennett for his hard work and for the great things he has been doing. He stated that Superintendent Bennett has been having to make difficult decisions lately. Trustee Garcia thanked the board members and cabinet for working together to make correct decisions as they affect everyone. He stated that he prays that everyone stays healthy and strong.

Trustee Nelissen thanked Superintendent Bennett, cabinet, district administration, certificated and classified staff for doing a great job and handling this situation very well. He stated that it is outstanding that the district has served over 100,000 meals to the community. He also thanked the Technology Department and Scholar+ for everything that they are doing for our students. He stated that our district is way ahead of other districts in Riverside County by being able to offer education electronically. He thanked the teachers as well for being flexible in terms of getting assignments out. Trustee Nelissen thanked previous board members for voting to devote funds and resources towards technology and allowing us to be a one-to-one district. He stated that everyone has been outstanding in terms of being flexible during this time because it is something that no one has ever had to deal with before and to please continue to stay safe and practice social distancing.

## **ORAL REPORTS** (cont.)

Trustee Freeman stated that during times of crisis you get to see what kind of leadership PUHSD actually has. He stated that from every area, the District has shown excellent leadership. He thanked PSEA President Miller and CSEA President Rushing for the leadership that they have shown during this pandemic.

Trustee Araux thanked Superintendent Bennett for his leadership and for bringing all the different stakeholders of the District together, and for fostering that collaboration. He thanked PSEA and CSEA associations, along with certificated and classified staff members, for the outstanding job everyone has been doing. He also stated that it was amazing how the District has served over 100,000 meals to students and the community during this time. Trustee Araux shared that he misses the student representatives at the meetings. He stated that we are currently going through this unprecedented challenging time but we are going to overcome these challenges and we are going to be stronger. He encouraged our students to participate in the learning opportunities that their teachers are providing. He asked them to do the assignments so that they can finish the school year strong and are ready for the following school year. He asked everyone to continue to practice social distancing and to be safe.

Trustee Stafford thanked the students and let them know that they are missed. He also thanked the essential workers that continue to work everyday. He asked that everyone continues to be safe and ask for help if they need it.

## **INVITATION TO ADDRESS THE BOARD OF TRUSTEES**

### **10.1 INVITATION TO ADDRESS THE BOARD OF TRUSTEES: Non-Agendized Items**

The following Public Comment was received by Paul Clay and read by Superintendent Bennett:

I have put the Board and District officers on notice about the attempt by a publisher to bribe teachers to select their texts which could amount to millions of dollars in the expenditure of public funds. I forwarded to you the email solicitation, so you have the evidence in hand. We know they offered a bribe to the teachers. Is it just equally probable that they also offered a bribe to the administrators who will ultimately make the actual decision? They must not be considered for selection.

Trustee Garcia stated that he has heard a lot of talk recently on how the board votes. He wants people to know that board members receive the Agenda prior to the board meeting and it is up to them to review it and to not collaborate with anyone; making their own decisions based on the information that they have. He wants the public to be aware of how they vote, and for accountability. He stated that board members make their decisions based on what is best for students and staff.

Trustee Freeman stated that he wanted to add to what Trustee Garcia mentioned that it would be a violation of the Brown Act and they do not do things illegally.

Trustee Nelissen asked everyone to stay safe and keep up the good work.

Trustee Stafford gave a special thank you to the custodians for all the work that they do. He stated that they have a heavy duty ahead of them and they have done a great job over the years maintaining their sites in excellent condition. Trustee Stafford stated that he has a special connection with them and to please embrace the new procedures that are forthcoming. He asked students, staff, and administrators to help custodians along because the easier we make their job, the more thoroughly they can do their job.
