School Description

At Pinacate Middle school, we strive to ensure academic excellence as well as exemplary citizenship from all students. Our commitment to excellence in these areas is furthered by our participation in our Positive Behavior Intervention System, WEB - Where Everyone Belongs, and Project Lead the Way which all nurture all aspects of a learner and encourages students to work toward becoming well-rounded, contributing members of society. Academic growth is monitored throughout the school year using multiple forms of assessment to ensure standards mastery. Teachers maintain contact with parents and students using Google Classroom, Infinite Campus portal, Progress Reports, AVID strategies schoolwide and student agendas to ensure that all students are successful. Pinacate students are also involved in a variety of clubs and activities including cheer, dance team, AVID, ASB, Robotics Club, Publications, drama, sports, band, Makerspace club, visual arts and more. We continue to focus on the implementation of Common Core State Standards with our recently adopted English Language Arts and Math curriculum and identifying and utilizing best practices to support reading comprehension, writing, and vocabulary development.

Thank you for reading the annual School Accountability Report Card for Pinacate Middle School. Parents will find valuable information about our academic achievement, professional staff, curricular programs, instructional materials, safety procedures, classroom environment, and condition of facilities. At Pinacate, we have made a commitment "To be college and career ready, be your best, every student every day" in order to provide an outstanding educational program for our students.

Principal

Vision and Mission Statements

Vision

The vision of Pinacate Middle School is to prepare and support all students to be their BEST to become college and career ready and productive, contributing members in a competitive, global society.

Mission

Pinacate Middle School will inspire and support college and career readiness and the personal success of every student every day, by providing a safe, positive learning environment, effective instruction, targeted intervention, and active parental involvement.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

All textbooks used in the core curriculum at Pinacate Middle School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Wednesday, September 19, 2018, the Perris Union High School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 5:11-12 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2017-18 school year, Perris Union High School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

School Facility Conditions and Planned Improvements (Most Recent Year)

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Pinacate Middle School's original facilities were built in 1986; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and three evening custodians are assigned to Pinacate Middle School.

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Common use area cleaning
- Restroom cleaning
- Kitchen

The principal communicates with custodial staff daily concerning maintenance and school safety issues including:

- Cafeteria setup/cleanup
- Lunch area setup/cleanup
- Restroom cleaning
- Administration offices and staff lounge

Deferred Maintenance

Pinacate Middle School participates in the State School Deferred Maintenance Program, which provides funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and the removal, repair, and installation of flooring systems.

Ongoing facilities maintenance includes plumbing, electrical and HVAC repairs.

Facilities Inspection

The district's maintenance department inspects Pinacate Middle School on an annual basis in accordance with Education Code §17592.72(c)(1). Pinacate Middle School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on 10/2/2017. During fiscal year 2017-18, all restrooms were fully functional and available for student use at the time of the school inspection.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	27.0	23.0	44.0	39.0	48.0	50.0
Math	9.0	11.0	15.0	15.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)

Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events. Parents stay informed on upcoming events and school activities through automated telephone messages, flyers, the school marquee, the school website, and a monthly calendar. Contact Gloria Webster, Community Liaison at (951) 943-6441 ext. 40117 for more information on how to become involved in your child's learning environment.

Opportunities to Volunteer:

- Assemblies
- Classroom Bulletin Boards
- College Corners
- Campus Beautification
- Prepare Facilities for Special Events

Committees:

- English Learner Advisory Council (ELAC)
- School Safety Committee
- School Site Council (SSC)
- African American Parent Advisory Council (AAPAC)
- Parent Engagement Leadership Institute (PELI)
- Equity Team
- Parent Teacher Student Association (PTSA)

School Activities and Meetings for Parents:

- Coffee with the Principal (2nd Friday of the month, 9:15 am)
- 7th Grade WEB Orientation Day
- 8th Grade Puma Spirit Day
- Back to School Night
- Chromebook Information Meetings
- A.V.I.D. Parent Informational Meetings

- Parent/Teacher Conferences Each Semester

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive School Site Safety Plan was developed for Pinacate Middle School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in March 2018 and October 2018.

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

Decisions concerning the selection of staff development activities are performed by the principal and grade level representatives using tools such as teacher input, state assessment results, and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Pinacate Middle School supports ongoing professional growth throughout the year on early release days each week. Teachers meet in both grade level and department level teams to conduct data analysis and identify areas of need.

Pinacate Middle School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff was encouraged to attend professional workshops and conferences. Classified support staff receives job-related training from department supervisors and district representatives.

The teaching staff was provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula. In addition, site and district professional development during the 2018-2019 school year at Pinacate Middle is focused on a variety of areas:

- AVID Instructional Strategies - Summer Institute and site-based training, K-12 Conference, AVID DI and School Admin Training
- Integrated and Designated ELD instruction

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
