

SERVICE AGREEMENT

This Service Agreement (“Agreement”) is entered into as of the 1st day of July 2025 between Paradigm Healthcare Services, LLC, a California Limited Liability Company (“Paradigm”) and Perris Union High School District, a Local Education Agency (“Client”). This Agreement shall commence on the date first set forth above and shall continue in full force and effect through June 30, 2026 (“Initial Term”) subject to the termination provisions set forth in Paragraph, “Termination.” Client shall notify Paradigm of its intent to terminate at least 60 days prior to the end of the Initial Term or any subsequent term, subject to termination provisions herein. The phrase “Term of the Agreement” shall refer to the Initial Term and any subsequent renewal period. The phrase “Fiscal Year” as used in this Agreement shall refer to the period July 1 through June 30. The Agreement will govern activities required to be performed by either party to complete obligations undertaken under this Agreement, regardless whether those activities are to be performed during or after the Term of the Agreement.

RECITALS

Paradigm is engaged in the business of providing software services and school-based claiming services to local education agencies, local governmental agencies, school districts, County offices of education, and local education consortia within the State of California.

Client desires to retain Paradigm, and Paradigm desires to be retained by Client, to provide the services described in the attached Statements of Work and Terms of Service.

STATEMENT OF WORK

LEA BILLING CLAIMS MANAGEMENT SERVICES

Program Implementation Services

1. Paradigm will assist Client with all start-up documentation and any renewal agreements required by the California Department of Health Care Services (“DHCS”) to enroll Client as a Medi-Cal Provider, and establish Paradigm as the Client agent for purposes of submitting reimbursement requests under this Agreement.
2. Paradigm will work with Client to assess program potential, establish provider and site databases for effective service tracking, and provide implementation training to Client program coordinator(s). This implementation process will be designed to identify areas of reimbursement and to facilitate an effective partnership between the Client and Paradigm.

Training and Materials

1. Paradigm will provide training to Client’s program coordinator(s) and healthcare providers as part of the initial contract implementation and at least annually thereafter. Training will include the following subject areas: DHCS audit requirements for Client’s LEA billing program; all necessary information and procedures for submitting Client billing data to Paradigm; and “best practices” to implement and maintain an optimized, audit-ready program.
2. Paradigm will provide Client personnel with all necessary training materials containing a detailed review of the rules and regulations governing the LEA Billing program. At Client’s request Paradigm will also make available its proprietary “provider forms” for use in documenting the delivery of healthcare services.

Interim Claims Preparation and Submission

1. Eligibility. Upon the commencement of LEA Billing Services under this Agreement and quarterly thereafter during the Term of the Agreement, Paradigm will use its proprietary algorithms and know-how to determine Medi-Cal eligibility and identify Medi-Cal numbers within limits imposed by the DHCS and county governments. Eligibility match information will be retained by Paradigm and will be used solely to provide services hereunder subject to all the confidentiality provisions provided in the Agreement.
2. Claims Submittal.
 - 2.1. Paradigm will make reasonable efforts to submit each LEA Medi-Cal billing claim eligible for submission pursuant to California law or regulation within thirty (30) days of receipt from Client of all information necessary for processing that claim. Paradigm will also make reasonable efforts to bill retroactive claims existing at the commencement of this Agreement so as to minimize revenue lost due to Medi-Cal’s one (1) year billing limit.
 - 2.2. Paradigm shall make reasonable efforts to verify the completeness and accuracy of information underlying the claims it submits on Client’s behalf. Due to the volume of data being processed from manual data entry forms and the necessity of correlating student records from several databases maintained by Paradigm, it is inevitable that some requests for reimbursement (or categories of requests or patients) will be denied or reduced due to incorrect or incomplete supporting data or healthcare insurance information. Paradigm will make reasonable efforts to minimize such denials or reductions. Client acknowledges that such denials are inherent in the LEA billing process, and will not constitute a breach of Paradigm’s obligations under this Agreement. Client’s sole

and exclusive remedy for any such denial or reduction in reimbursement is to request that Paradigm re-bill such claims. Paradigm will determine in its sole and absolute discretion if such rebilling is reasonable and cost effective. Except as set forth in this paragraph, Paradigm shall not be liable, and Client shall have no remedy, for any denial or reduction in reimbursement to Client for healthcare or administrative services.

2.3. Paradigm shall make reasonable efforts to submit all operational plans and claims made thereunder in a timely manner. However, Paradigm shall not be responsible in any way in the event that any operational plan or any claim made thereunder is submitted late or incomplete directly or indirectly because of the failure or delay by Client or its employees, students, agents or independent contractors in making all necessary information available to Paradigm, or any third party's failure or delay in submitting documentation to the DHCS.

3. Review and Resubmittal. Paradigm will monitor the submittal and payment process, review denials, suspensions, and holds, as reported by DHCS, and make reasonable efforts to resolve any challenged Client reimbursement claim.
4. Management Reports and Program Analysis. Paradigm will provide Client with periodic management reports using provider, procedure, and/or site parameters. The frequency of such reports will be determined by mutual agreement of Paradigm and Client, but in any event shall occur no less frequently than quarterly.

Coordination with Client

1. Information Sharing. Paradigm will provide Client with information regarding program policy, interpretation of policy, and regulatory updates as applicable. Quarterly "Bulletins" will be provided to Client's coordinator(s) to ensure timely communication about program changes and updates to Paradigm's systems and processes.
2. Audit and Site Visit Support. Paradigm will provide Client personnel with training on audit requirements and program compliance. In the event of a program audit or review, Paradigm will assist in preparing for and responding to the audit to the extent permitted by DHCS and or any other auditing party.
3. Paradigm Technologies Software. Paradigm will make available its proprietary web-based software to assist Client Program Coordinator(s) with managing the FERPA parent consent status of students, provider profiles, and service authorizations. Note: Access to any Paradigm Technologies web-based applications requires acceptance of a separate, no-fee online Software License Agreement found at Paradigm's website.

Client's LEA Billing Claims Management Service Obligations

1. Program Coordinator(s). Client will make available designated personnel to assist with the implementation of Paradigm's services, and coordinate with Client's individual program participants.
2. Provider Logs. Client will maintain complete and accurate provider logs of all healthcare services provided by Client and will return the completed logs to Paradigm at the end of each month.
3. Student Data. Upon commencement of the Agreement and monthly thereafter, Client will provide Paradigm with a file in a format specified by Paradigm of all student data reasonably requested by Paradigm in connection with its performance under this agreement from Client's computer systems or from the computer systems of the individual schools Client comprises.
4. Official RMTS Participant Roster (TSP). On the last day of the first month of the fiscal quarter, Client will submit to Paradigm the official RMTS participant roster (referred to as the TSP List in the California State RMTS manual).

LEA Billing Claims Management Services Fees

1. Standard Fee Per Approved Service. Paradigm fees for Client LEA Billing claims submitted or originating during the Term of the Agreement will consist of a standard fee for each claimed service that DHCS approves for interim reimbursement (“Interim Approved Claim”). The schedule of Paradigm's standard fees for Interim Approved Claims is set forth in the attached Standard Fee Schedule subject to adjustment in accordance with the terms of following paragraphs.
2. Effect of Increase in Reimbursement Rates. In the event the Federal Medical Assistance Percentage (FMAP) increases or decreases, or DHCS increases or decreases the reimbursement rates to Client for any LEA Billing service interim claim during the Term of this Agreement, Paradigm’s standard fee for such services will simultaneously and without requirement of prior notice to Client increase or decrease by the same percentage as the percentage DHCS increase or decrease.
3. Cap on Paradigm Fees. Paradigm’s fees for LEA Billing Claims Management Services in any Fiscal Year will be capped according to the dollar value of Client’s Interim Approved Claims. Notwithstanding any other provision, the total fees payable to Paradigm based on Interim Approved Claims during any Fiscal Year will not exceed 7% of the dollar value of Interim Approved Claims. This cap on fees for LEA Billing Claims Management are discounted as part of a bundled offering with the licensing of our software, Student Health Network (SHN), acknowledging the integrated value of our services.
4. Application of Fiscal Year Limits. For purposes of computing Paradigm’s fees and fee caps for LEA Billing Claims Management Services, the date of an Interim Approved Claim will be the warrant date of the Remittance Advice Details (“RAD”) issued by DHCS granting interim approval of the claim, regardless of when the claim originates or is submitted by Paradigm to DHCS for payment, and regardless of when or whether Client receives payment for the approved claim by DHCS. Paradigm will invoice Client monthly based on Interim Approved Claims identified in DHCS RADs.
5. Approval of Interim Approved Claims After the Termination of the Agreement. Nothing in this Agreement shall constitute a limitation or waiver of Paradigm’s entitlement to receive fees based on Interim Approved Claims submitted pursuant to this Agreement whose date of interim approval is after the termination of this Agreement. Paradigm will prepare and submit to DHCS for reimbursement all Client LEA Billing claims arising from services provided by Client prior to termination or expiration and shall receive payment pursuant to the terms of this Agreement upon approval of such claims or part thereof by DHCS. Such claims for reimbursement shall be documented and submitted to Paradigm for submittal to DHCS within six (6) months after the earlier of expiration or termination of this Agreement.
6. Substitution of Alternative Methodology and/or Fee Terms. In the event that any LEA Billing fee arrangements or and part thereof are or become inconsistent with applicable federal or state laws or regulations, or court order, or that any time survey methodology other than RMTS is approved by DHCS for use by Client in determining the percentage of allowable costs for reimbursement, Paradigm will on thirty (30) days written notice provide substitute fee arrangements and/or substitute time survey services consistent with applicable law regulation or court order. Any such substitute fee arrangements shall not increase the total amount Client would otherwise have been required to pay Paradigm for services under this Agreement.

Standard Fee Schedule - LEA Billing Claims Management Services

"Max Interim \$\$ to Client" below lists the maximum interim claim value per unit, according to *current* Medi-Cal reimbursement rates, when performed by a qualified provider; however, not all interim claims will be reimbursed at these rates. Paradigm's fees for Interim Approved Claims will be capped, not to exceed 7% of the dollar value of Interim Approved Claims. This cap on fees for LEA Billing Claims Management are discounted as part of a bundled offering with the licensing of our software, Student Health Network (SHN), acknowledging the integrated value of our services.

4. Limitation of Liability.

4.1. In no event shall Paradigm be liable to Client for any incidental, indirect, consequential, special, or punitive damages arising out of or relating to this Agreement, including without limitation damages for lost reimbursements, lost healthcare services, or lost data, regardless of whether Paradigm has been advised of the possibility of such damages, and regardless of whether the claim for damages sounds in contract, tort, or other form of action.

4.2. In no event shall Paradigm's total liability for damages to Client arising out of or related to this Agreement exceed the net fees paid to Paradigm hereunder during the one (1) year period preceding the date on which the first claim alleged to give rise to damages occurs, regardless of the number of claims, causes of action, or amount of the alleged losses.

5. **Licenses and Permits.** Client represents and warrants that: (a) it has all licenses and permits necessary or appropriate to render the medical services it currently provides to its students, and to be eligible for reimbursement; (b) Client will maintain such licenses in full force and effect during the Term of this Agreement; and (c) Client has all necessary authority, including approval by the Board of Education if necessary, to enter into this Agreement and to perform all of its obligations hereunder.

- 7.3. The indemnification rights set forth in this Section, “Indemnification,” are conditional on the following: (i) the party seeking indemnification (each an “Indemnified Party”) shall provide prompt written notice of any Claim as to which indemnification is sought to the party from whom indemnification is sought (the “Indemnifying Party”), provided, however, that failure to give such notice shall not relieve the Indemnifying Party of its obligations hereunder except to the extent that it is materially prejudiced thereby; (ii) all Indemnified Parties shall reasonably cooperate with the Indemnifying Party in the defense and settlement of the underlying Claim at no cost to the Indemnified Party; and (iii) the Indemnifying Party shall have full and exclusive authority to defend or settle the underlying Claim, provided that the Indemnifying Party shall not enter into any settlement that includes an admission of liability by the Indemnified Party or injunction against any Indemnified Party without the consent of such Indemnified Party, such consent not to be unreasonably withheld or delayed, and provided further that each Indemnified Party shall have the right to participate in such Claim with counsel of its own selection at its own expense.

8. Termination.

- 8.1. For Cause. Either party may terminate this Agreement upon written notice to the other party if the other party is in material breach of its obligations under this Agreement and such breach is not cured within thirty (30) days after receipt of written notice of the specific nature of such breach (or, in the case of nonpayment of fees, within fifteen (15) days after receipt of written notice). The non-breaching party shall give its reasonable cooperation and assistance to the breaching party in any efforts made to cure such breach.
- 8.2. Without Cause. The parties may terminate this Agreement at any time by written agreement of both parties, such agreement shall not be unreasonably withheld or delayed and shall be effective as of the date specified in such agreement.
