School District (or Charter School) Address: **155 East 4th St. Perris, CA 92570**

County-District Code: **33-67207**

County Name: **Riverside County**

This form replaces the Form J-13A (Rev. 4-90) and should be used to obtain approval of attendance and instructional time credit under one or more of the following conditions:

A separate form should be submitted for each emergency event, but credit may be requested for more than one school and under one or more of the foregoing conditions on the same form. Each separate form must include the affidavit of the governing board members and the county superintendent before it can be approved by the State Superintendent of Public Instruction.

The original form (with the board members' affidavit) and two copies should be filed with the county superintendent of schools. If the county superintendent approves the request, he or she should execute the affidavit certifying that approval and forward all pages of the original and one copy of the form to:

SCHOOL CLOSURE

Nature of Emergency (describe):

Severe flooding occurred throughout Riverside County throughout the day and into the evening of Sunday, January 22, 2017. This caused at least 28 road closures due to flooding, mudslides and other hazardous road conditions. Multiple other roads throughout the district experienced various levels of flooding creating severe challenges and unsafe conditions for parents and students in getting to school, and access for some bus routes to school. Flooding also occurred on school grounds, around but not in buildings, other than minor roof leaks. In response, a number of school districts within Riverside County notified parents on the evening of Sunday, January 22, 2017 of school closures in anticipation of the continuing storm presence and flood conditions on Monday, January 23, 2017. School districts with closures included Val Verde Unified School District (all schools); Perris Union High School District (all schools); Nuviev Union School District (all schools); Menifee Union School District (2 schools) and Hemet Unified School District (4 schools).

If the school closure resulted from a power outage or impassable roads caused by inclement weather, state the number of school closure days for the same conditions in each of the last five years: **Not applicable, no prior closures due to inclement weather.**
