Background:

BP 5030 - Student Wellness

(BP revised) (12 16)

Policy updated to reflect **NEW FEDERAL REGULATIONS** (81 Fed. Reg. 50151) which address the content of the wellness policy, assurance of stakeholder participation in the development and updates of the policy, and periodic assessment and disclosure of compliance. Policy also reflects **NEW STATE LAW** (SB 1169, 2016) which no longer requires posting of district policy on nutrition and physical activity within cafeterias/eating areas, but does require annually informing the public of the content and implementation of the policy.

AR 5111.1 - District Residency

(AR revised) (12 16)

Policy updated to reflect **NEW LAW** (SB 1455, 2016) which establishes residency within the district for enrollment purposes to students whose parent/guardian is transferred or pending transfer into a military installation within district boundaries. Policy also reflects **NEW LAW** (AB 2537, 2016) which indefinitely extends district authority to grant Allen Bill transfers for students whose parent/guardian is employed within district boundaries for a minimum of 10 hours during the school week.

BP 5116.2 - Involuntary Student Transfers

(BP added) (12 16)

New policy reflects **NEW LAW** (SB 1343, 2016) which authorizes districts to involuntarily transfer a student who has been convicted of a specified violent felony or a misdemeanor associated with possession of a firearm, whenever the student is enrolled at the same school as the victim of the crime for which he/she was convicted. In order to exercise this authority, the district is mandated to adopt policy with specified components and provide notice of the policy to parents/guardians as part of the annual parental notification.

AR 5125.3 - Challenging Student Records

(AR revised) (10 16)

Regulation reorganized and updated to reflect the requirement to notify a parent/guardian when the superintendent corrects or removes a student record following an appeal in which the board grants the parent/guardian's request. Regulation also adds material on the composition and conduct of the hearing panel that may be established to assist in making determinations regarding challenges to student records.

BP/AR 5141.21 - Administering Medication and Monitoring Health Conditions

(BP/AR revised) (12 16)

Policy and regulation updated to delete requirements related to the administration of medication in cases of epileptic seizures, as Education Code 49414.7 repeals by its own terms on January 1, 2017, and to clarify that districts may continue to administer such medication under the general authority in state law. Policy and regulation also reflect **NEW LAW** (AB 1748, 2016) which authorizes districts to stock and administer medication in cases of opioid overdose. Regulation also revises definition of epinephrine auto-injector pursuant to **NEW LAW** (AB 1386, 2016).
