### 9.2 District Update by the Superintendent

The Superintendent reported on the following:

- Superintendent Bennett asked Maribel Escobar, Director of Human Resources, to present the following Retiree Awards:
  - Cipriano Armijo: Mr. Armijo has been in the District for twenty-one years. He taught math and economics at Paloma Valley High School. He was the foundational person to start the lacrosse

### ORAL REPORTS (cont.)

- program at Paloma and has coached the boy's lacrosse team since its inception. He built the team from nothing and into a safe playoff team. Superintendent Bennett thanked him for his service and wished him the best of luck in retirement.
- Eliot Hays: Eliot started in the District on March 15, 2004. Eliot, with his patience and kindness, supports staff daily. Eliot knows we are a tech support business; more importantly, we are a people business. His patience has lifted the staff and the value that he brings to the tech team. Words cannot accurately describe the immediate, lasting effect Eliot had on the culture at Perris Union High School District, and he will be missed. Superintendent Bennett wished him good luck in the future.
  - Carmen Herrera: Ms. Herrera has been a huge part of the Perris Union High School District family for many years. She began working with the District as a substitute in 2008 and was ultimately hired into a permanent custodial position in 2018. Carmen took the job of caring for the campus with utmost seriousness. The teachers loved the extra care and time she would put into making their classrooms feel like a home. Superintendent Bennett thanked her for her service and wished her good luck in her retirement.
  - Kelly Mallaby: Ms. Mallaby is from Paloma Valley High School and taught photography there for twenty years. She built and transitioned the program from traditional photography to a digital photography course using state-of-the-art equipment and technology. Ms. Mallaby enjoys sharing the photography of her overseas trips with students and staff and will now have more time to pursue that work. Superintendent Bennett thanked her for her service to the District.
  - Michael McGregor: Mr. McGregor is retiring from Paloma Valley High School as a PE teacher. He was also a football and cross-country coach.
  - Felina Roe: Ms. Roe began her career in 2000 as a clerical substitute for the Perris Union High School District in 2005 and was hired at Perris High School as the senior clerk in the attendance office. Felina became the attendance technician and health aide. Felina has been a reliable person and committed team player, always working and staying on task and doing her best to meet deadlines. She enjoys working with parents, guardians, students, coworkers, and teachers. Felina feels privileged to be part of the District's endeavor to help young people reach their potential and is grateful that she was given the opportunity. She wants our students who have come through Perris High to become successful community members. One example of this is Bevy Escobar, who is the District's nursing coordinator. Superintendent Bennett thanked her for her years of service in the District.
  - Vivian Stankus: Ms. Stankus is an English teacher at Paloma Valley High School and has been with the District for 25 years. Superintendent Bennett wished her good luck in the future.
  - Marvin Williams: Mr. Williams joined the Perris Union High School District on January 25th, 1983, serving the District as a campus supervisor for over 40 years. Marvin graduated from Perris High in 1977. As a student at Perris High, he played basketball. Marvin continued his basketball endeavors at Southwest Baptist College in Missouri. After college, he played overseas for the USA basketball team. He was offered to play for the Philadelphia 70 Sixers. Marvin returned to Perris in 1983 as a campus supervisor and began coaching the boy's basketball team as an assistant and the girl's head basketball coach in 1986. In 2017, he took

over the boy's program and proceeded to take both boys' and girls' teams to several league championships and CIF runner-ups. He has helped several of his players receive scholarships to division one schools, and he encouraged them to have strong academic achievement while in high school to succeed at the college level. Marvin has been a pillar of Perris High School and a strong figure in the Perris community. Superintendent Bennett stated that he has worked with Marvin for over 30 years, considers him a friend, and wishes him well in retirement.

- Superintendent Bennett asked Maribel Escobar, Director of Human Resources, to present the following RAVE Awards:
  - Tom Ashley and Robert Guzman: Tom and Robert use their institutional knowledge of how to roll out the touch screen 2 to 1 devices to all Pinacate Middle School students. They took into account many procedural issues and focused on a student-centered approach. During the two-day rollout, Tom and Robert often worked between large and small groups of students and often provided one-on-one help for students who needed more support. Thank you so much, Tom and Robert.
  - Cynthia Medina, Martin Sigala, Jeff Plamandon, Josh Towse, Brandon Baker, and Max Melgarejo: Techs do many behind-the-scenes processes beforehand to ensure device rollout days go effortlessly. Some processes include physically moving all devices, basic prep of device and charger, charging up the Chromebooks, ensuring the operating system is updated, and ensuring each device is in the correct school's toolkit to be managed. Then the techs need to plan the location for each checkout station and anticipate the workflow bottlenecks and any student account issues on the day of the rollout. The techs need to troubleshoot the various problems quickly, and what is related is a seamless rollout of these devices. So thank you very much for making this rollout seamless and great for the students. We appreciate it.
  - Anna Fetzner, Adrienne Bridges, and Xochitl Trujillo: Technology is not just a responsibility of the tech department. Many talented and thoughtful people don't just let their job descriptions define them. For this rollout of the touchscreen 2 to 1 devices to all the exciting middle school students, Adrienne Bridges, Secretary to Maintenance and Operations, Anna Fetzner, Executive Assistant to the Superintendent, and Xochitl Trujillo, Administrative Assistant in the Technology department, took time out of their busy schedules and day to day responsibilities and worked with the students to get them their new devices. Thank you so much for everything that you do, ladies.
- Graduations took place a couple of weeks ago. Every school did a wonderful job. The students were happy, and the families were excited.
- Lastly, Superintendent Bennett stated the first summer school session started this week.

### 9.3 PSEA President Jason Miller

PSEA President Jason Miller shared the following statements:

- "Congratulations to all the RAVE award winners and all the retirees."

### ORAL REPORTS (cont.)

- "I want to thank the Cabinet for looking into a problem that has been ongoing at Paloma Valley. There have been some site administrative leadership problems at Paloma, and the Cabinet has recognized this and is working to get certain leadership practices back on track at Paloma. Without getting too lost in the weeds, there is a feeling amongst the staff, the PSEA site representatives, the PSEA executive board, and myself that some Paloma leaders do not want to be at Paloma and are not particularly fond of the educators at Paloma. We have some great educators at Paloma. The Cabinet has been responsive to working to change this, and they can fill you in on the specific details of the problems I'm discussing. I will be honest. I hate getting up here and talking about negative things, but patience is wearing thin with some of the site administrators at Paloma Valley High School. I would rather be talking about successes, and you should know this about me. I do not go looking for problems, nor do I go looking for a fight; I want stuff fixed. That is why I'm glad the Cabinet is working on this."
- "I had the opportunity in the last few months to be at Heritage a little bit more than I normally am, and Lindsey Chavez is doing a great job as Principal at Heritage High School; you can feel the vibe and energy she is connected to the staff. Just go around, talk to the staff, talk to the students. You can feel it. Almost every time I go there, I hardly see Lindsey in her office, and that's good because she's out connecting with the school."
- "It was reported to me, and I have seen this firsthand at Liberty. Safety and accountability for students are no joke. I love that I can go to Liberty and students are in their classes learning. That's a real tribute to the staff and administrators there. Erica is doing a great job on that front. I'm not saying this isn't happening or is happening at other sites, but at Liberty, again, you can feel a real sense of safety when you walk on that campus. I hope the upcoming school year starts strong for staff and students in the fall, as I have seen with these strong examples. Thank you for the time to speak."

#### **9.4 CSEA President Nathanael Nash**

#### **9.5 Comments by the Board of Trustees**

Trustee Nelissen congratulated the RAVE award winners and retirees. The graduations were well-run, the weather was great, and seeing the kids graduating and knowing they were ready to go to college, the military, or into the workforce was nice.

Trustee Campos congratulated the RAVE award winners and retirees. He thanked Mr. Miller for being honest. Trustee Campos stated that his goal as a Trustee is to make improvements where needed and always maintain our strengths. He attended a couple of the graduations, and it was nice to see the kids smile, and if they didn't have a smile, Trustee Garcia would encourage them to smile. He looks forward to seeing the beginning of the school year opening up and all the festivities. He thanked Hector Gonzalez, Director of Facilities Services, and his team, law enforcement, and staff working the graduations. He wished everyone a great summer.
