

Paloma Valley High School

2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard)

<https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Contact Information

School Name	Paloma Valley High School
Street	31375 Bradley Road
City, State, Zip	Menifee, CA 92584
Phone Number	(951) 672-6030
Principal	Julie Blied
Email Address	julie.blied@puhsd.org
School Website	https://www.pvhs.puhsd.org
County-District-School (CDS) Code	33-67207-3330727

2023-24 District Contact Information

District Name	Perris Union High School District
Phone Number	(951) 943-6369
Superintendent	Grant Bennett
Email Address	grant.bennett@puhsd.org
District Website	www.puhsd.org

2023-24 School Description and Mission Statement

Principal's Message

The Paloma Valley Wildcat community continues to get stronger each day. The efforts of our staff and students to improve instruction daily have not gone unnoticed. PVHS was able to make gains in the English sections of the California Assessment of Student Performance and Progress (CAASPP).

As a community we recognize that the world is a complicated place. Our students need solutions to process and work through this challenging world. To that end, we have added supports for student needs not just in academics but also in overall emotional and social needs. Wildcats have access to programs such as AVID, PLUS, Link Crew, Black Student Union, GSA, College and Career Foundations, and Mental Health Alliance. The staff continues to work together to find ways to help our students become the leaders of the future and opened our Wellness Center in December 2021 to support students with social emotional needs. This year we also added the CARES teams which includes an MTSS Assistant Principal, a Program Specialist, an MTSS Counselor, a drug and alcohol counselor, and a BCBA.

2023-24 School Description and Mission Statement

These concepts are embodied by our Mission and Vision Statements that ask each Wildcat to R.O.A.R. with pride!

Vision Statement:

The vision of Paloma Valley High School is to work with the students, staff, parents, and community members to meet the diverse needs of all students by preparing them to be responsible citizens and meet their post-secondary education or career goals.

Mission Statement:

The mission of Paloma Valley High School is to provide a safe educational environment which develops students to be RESPECTFUL of all individuals and property, OPTIMISTIC about their current and future endeavors, AMBITIOUS about their academic and extracurricular passions and goals, and RESPONSIBLE for their actions, decisions and accomplishments... ROAR.

Julie Mendoza-Blie
Interim Principal

About this School

2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 9	629
Grade 10	623
Grade 11	718
Grade 12	791
Total Enrollment	2,761

2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	48.3%
Male	51.7%
American Indian or Alaska Native	0.3%
Asian	2.5%
Black or African American	5.7%
Filipino	4.4%
Hispanic or Latino	56.7%
Native Hawaiian or Pacific Islander	0.4%
Two or More Races	6.7%
White	22.8%
English Learners	5.3%
Foster Youth	0.6%
Homeless	0.5%
Socioeconomically Disadvantaged	59.9%
Students with Disabilities	14.1%

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	96.80	75.62	345.00	78.61	228366.10	83.12
Intern Credential Holders Properly Assigned	0.80	0.67	0.80	0.20	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	4.40	3.48	9.10	2.08	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	0.70	0.59	13.70	3.14	12115.80	4.41
Unknown	25.10	19.64	70.00	15.97	18854.30	6.86
Total Teaching Positions	128.00	100.00	438.80	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	79.60	69.93	341.20	74.79	234405.20	84.00
Intern Credential Holders Properly Assigned	0.10	0.09	0.50	0.11	4853.00	1.74
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	1.20	1.05	5.20	1.16	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	1.70	1.54	11.30	2.48	11953.10	4.28
Unknown	31.10	27.38	97.90	21.46	15831.90	5.67
Total Teaching Positions	113.90	100.00	456.30	100.00	279044.80	100.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.20	0.00
Misassignments	4.20	1.20
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	4.40	1.20

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.70
Local Assignment Options	0.70	1.00
Total Out-of-Field Teachers	0.70	1.70

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	4.3	1.4
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	1.6	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks used in the core curriculum at Paloma Valley High School are aligned to the California Content Standards and Frameworks. Standards-based instructional materials are approved by the district's Board of Trustees. The district follows the State Board of Education's six-year adoption cycle for core content materials and the eight-year cycle for textbook adoptions in foreign language, visual and performing arts, and health.

On October 18, 2023, the Perris Union High School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution No. 5:11-12 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts, (3) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and (4) sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12 inclusive.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2022-23 school year, Perris Union High School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

School Facility Conditions and Planned Improvements

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Paloma Valley High School's original facilities were built in 1995; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests.

Facilities and capital improvement projects include the replacement of HVAC Energy Management Components to upgrade to a new system. This provides an efficient control of HVAC units on the Paloma campus. Artificial turf has been added in different areas of the campus along with landscaping upgrades to ensure the school is clean and provides great curb appeal in our community. The artificial turf athletic field is maintained on a yearly schedule along with the refinishing of the gymnasium flooring.

Every morning before school begins, the custodian and plant supervisor inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. Two day custodians and six evening custodians are assigned to Paloma Valley High School. The day custodians are responsible for:

- Cafeteria setup/cleanup
- Lunch area setup/cleanup
- Restroom cleaning
- Trash removal

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	59		37		47	
Mathematics (grades 3-8 and 11)	22		12		33	

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
Science (grades 5, 8 and high school)	29.2		18.13		29.47	

2022-23 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded

2022-23 Career Technical Education Programs

Workforce Preparation

Students in grades nine through twelve receive counseling from school personnel regarding career paths and courses of study. During their freshman year, students meet with the counselor to discuss their four-year academic plan and are introduced to of Paloma Valley High School's technical and career education programs; the counselor meets at least once a year with each student to follow-up on their progress in meeting graduation requirements and career objectives. All career and technical education (CTE) courses comply with state-adopted content standards and are integrated into the student's four-year academic plan as elective courses.

During the 2021-22 school year Paloma Valley High School offered the following career technical education programs as elective courses:

- Digital Video Production
- Photography
- Computer Information Technology/Computer Programming
- Engineering
- Automotive
- Biomedical
- Medical First Responder

2022-23 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	981
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	98
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2022-23 Pupils Enrolled in Courses Required for UC/CSU Admission	97.79
2021-22 Graduates Who Completed All Courses Required for UC/CSU Admission	38.35

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results					
This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.					
Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 9	48%	48%	48%	48%	48%

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement
<p>PVHS continues to communicate and involve parents and families in school activities. Instagram, Facebook, and School Messenger are the primary vehicles used to educate parents about school activities. Coffee with the Principal has continued to be scheduled on a monthly basis and has parents attend virtually. The discussions are two way streets where ideas, issues, and information are exchanged and shared. Parent committees including PELI, School Site Council, ELPAC, AAPAC, and parent volunteer groups are utilized to provide direct input into school operations, goals, and activities. The PELI (Parent Engagement Leadership Initiative) has gained momentum over the past year and is working directly with administration and our Community/Parent Liaison on a variety of projects including canned food drives, social media training sessions for parents, and college readiness workshops for parents.</p> <p>We encourage parents to contact Monica Orozco, the principal's secretary at (951) 672-6030, ext 22101 for more information on how to become involved in Paloma Valley. Here is a small list of activities where parents can become involved:</p> <p>Opportunities to Volunteer</p> <p>Fundraising Activities</p> <p>Games</p> <p>Banquets</p> <p>Committees</p> <p>English Learner Advisory Council</p> <p>GATE Advisory Council</p> <p>School Site Council</p> <p>African American Parent Advisory Council</p> <p>PELI</p> <p>School Activities</p> <p>Athletic Events</p> <p>Athletic Support Groups</p>

2023-24 Opportunities for Parental Involvement

- Back to School Night
- Open House
- Student Performances
- Eighth Grade Orientation
- College Awareness Nights
- FAFSA Nights
- Drama Performances
- Choir Performances

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)									
Indicator	School 2020-21	School 2021-22	School 2022-23	District 2020-21	District 2021-22	District 2022-23	State 2020-21	State 2021-22	State 2022-23
Dropout Rate	2.6	2.2		6.3	5.2		9.4	7.8	
Graduation Rate	96.9	97.3		90.6	91.9		83.6	87.0	

2022-23 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2022-23 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate

Socioeconomically Disadvantaged	8.24	0.11
Students Receiving Migrant Education Services	0	0
Students with Disabilities	12.81	0

2023-24 School Safety Plan

The Comprehensive School Site Safety Plan was developed for Paloma Valley High School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in the fall of 2023. Minor changes have been made on an ongoing basis each year to address the changing dynamics of the school.

The objective of Paloma Valley High School's Disaster Response & Crisis Management Plan is to provide the maximum practical protection for students and personnel primarily, and district property secondarily, in the event of a disaster. Paloma Valley has a strong school safety team consisting of teachers and classified employees that provide recommendations to administration so that adjustments can be made as the community and student population changes. To meet this objective, we have been preparing students and staff to be ready for a disaster or school emergency. Paloma Valley students and staff participate in emergency drills once a month with the exception of August and June. The Paloma Valley staff continues working with the District to update the emergency response plan and incorporate the National Incident Management System (NIMS). The Perris Union High School District Risk Management Officer maintains a current file of employees who complete Federal Emergency Management Agency (FEMA) courses including: IS 100 (Incident Command for Schools), IS 700 (NIMS) and IS 200 (Incident Command for Single Resources and Initial Action Incidents). These courses provide staff with the skills necessary for real life emergencies. Paloma Valley's Disaster Response & Crisis Management Plan has three major goals: a) To have buildings, furnishings, equipment, and emergency supplies in condition such that injuries and damages will be minimized, and the actions needed in time of disaster may be carried on effectively b) To provide staff and students with appropriate instruction and practice, and parents with information, so as to effectively help each person respond properly in an emergency. c) To set up overall organization and specific procedures to be followed at a time of disaster, including the rendering of aid to victims and the protection and care of students until they can be safely reunited with their parents.

2023-24 School Safety Plan

The plan meets the guidelines for California's Standardized Emergency Management System (SEMS). The site administrator acts as the Incident Commander, with the principal's designee to be appointed in the event that the Incident Commander is unable to perform his duties. To ensure accountability for emergency response procedures, personnel are assigned specific duties to perform in the event of emergencies. These include turning off water, gas, and electricity. Drills are conducted regularly using an Incident Action Plan to pre-plan and determine the object of the drill, along with After Action Reports to document lessons learned. To be more effective during disasters, predetermined areas will identify the various stations, i.e., student holding, command post, and student release. The District has installed three repeaters and distributed hand-held radios. Each site now has radios to use for day to day communications as well as a built in emergency communication system. The radios have been incorporated into our site's emergency drills. Having qualified and trained staff helps to ensure a safe and secure environment for the student population during the school day and in an emergency/crisis response incident. The Paloma Valley staff continues working hard to be ready for all emergency situations. Paloma Valley has assessed the available emergency supplies, and continues compiling necessary supplies for potential emergency situations.

Egress and Ingress to the campus have been effectively created at Paloma Valley High School. Both classified and certificated personnel have report times that are significantly prior to student arrival. Locks are in place on all staff gates and all staff members have keys to these gates. Time is spent in staff meetings discussing the importance of keeping staff gates locked and not permitting students to enter or exit campus through staff gates. The main gates to the campus are unlocked at approximately 6:15 a.m. and are re-locked at approximately 10:00 p.m. unless there is an activity taking place that prohibits the gates from being locked at that time. Campus supervisors are assigned a late afternoon shift that ends at 5:00 pm. The role of the "late shift" campus supervisor is to ensure that all students on campus after school hours have a purpose for being there. A full evening custodial crew is on campus until 11:00 pm.

The regular school hours are 8:30am. – 3:30 p.m. Two daytime custodians are scheduled during student hours with the focus on picking up trash and maintaining clean restrooms for students and staff. A full team of campus supervisors are also on campus during student hours. All unauthorized persons entering the campus must sign in and identify their purpose and destination. In addition, parents or guardians picking up students prior to the end of the school day must sign in and be authorized according to emergency card information. We encourage alumni to return and visit our campus, however, if they plan to visit staff during the school day, we require that they request, then schedule an appointment prior to the visit. If approved, we have the appointment on file with the campus supervisor "check-in" desk and are aware they are coming. All visitors are required to show ID and are provided a highly visible "Visitors' Pass" unless they are a district employee.

Paloma Valley High School is a place of learning. Every aspect of the school is monitored and maintained to provide an optimum learning environment for students, staff and community.

For the full school site safety plan of Paloma Valley see the following link.

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	31	19	16	83
Mathematics	32	14	25	68
Science	32	11	12	70
Social Science	32	13	13	64

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	29	24	22	70
Mathematics	31	14	17	60
Science	31	13	14	59
Social Science	32	5	23	61

2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

2022-23 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	345.13

2022-23 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	8
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	1

Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	15752	6009	9743	97759
District	N/A	N/A	10754	\$104,769
Percent Difference - School Site and District	N/A	N/A	-9.9	-3.4
State	N/A	N/A	\$7,607	\$97,850
Percent Difference - School Site and State	N/A	N/A	38.6	3.8

Fiscal Year 2022-23 Types of Services Funded

Available funding for programs and services that support student access & success include:

- Career Technical Education Incentive Grant (CTEIG)
- Local Control Funding Formula (LCFF)
- Title II
- Title III
- Title X, McKinney-Vento Homeless Assistance
- Perkins

Programs and services available to students:

- Advancement via Individual Determination (AVID)
- Before & After School tutoring
- Class size reduction (CSR) for English Language Learners
- Co-Curricular and Extra curricular activities for students that increase school climate and connectedness
- Career Technical Education Programs: Automotive, Engineering, Bio-Medical Technology, Information Technology, and Arts, Media, & Entertainment
- Credit recovery
- Dual Enrollment/Concurrent Enrollment
- Student Leadership: LINK Crew and PLUS Programs
- Summer School

Fiscal Year 2021-22 Teacher and Administrative Salaries

This table displays the 2021-22 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/csl/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$64,291	\$57,234
Mid-Range Teacher Salary	\$97,746	\$95,467
Highest Teacher Salary	\$122,426	\$122,669
Average Principal Salary (Elementary)	\$0	
Average Principal Salary (Middle)	\$158,130	\$153,476
Average Principal Salary (High)	\$161,385	\$173,198
Superintendent Salary	\$282,830	\$277,572
Percent of Budget for Teacher Salaries	31.14%	31.17%
Percent of Budget for Administrative Salaries	5.53%	4.46%

2022-23 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	
English	
Fine and Performing Arts	
Foreign Language	
Mathematics	
Science	
Social Science	
Total AP Courses Offered Where there are student course enrollments of at least one student.	

Professional Development

Staff development has been on-going from the first day staff returned to school. It has centered around the needs of the school and the staff in order to meet our district LCAP goals as well as our site WASC goals. Much of our PD focuses around best practices and ways to support our students in the current climate. A PD team of stakeholders meets regularly to align WASC goals to LCAP goals following our WASC accreditation visit and to develop our PD plan for the coming school year. This team has been able to rapidly respond to needs of staff for professional development. The team continues to build PD that is responsive to the needs of our staff and students.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2021-22	2022-23	2023-24
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	4
