

## JUSTIFICATION FOR SERIES 0000

(Pending Board Approval June 16, 2021)

### Background:

#### **BP/AR 0460 - Local Control and Accountability Plan**

(BP/AR revised)

Policy updated to delete the section on "Technical Assistance/Intervention," as that material is now addressed in BP 0520 - Intervention for Underperforming Schools. Paragraph added to generally address actions that may be taken whenever a school or a numerically significant student subgroup is not making sufficient progress toward the goals in the local control and accountability plan (LCAP). Regulation updated to reflect **NEW LAW (AB 1240)** which adds, as a measure of student achievement, the percentage of students who have successfully completed both college entrance courses and career technical education courses.

#### **BP 0520 - Intervention for Underperforming Schools**

(BP added)

New policy contains material formerly in BP 0460 - Local Control and Accountability Plan regarding interventions to support the continuous improvement of student performance within the priorities identified in the district's LCAP. Paragraph added to reference interventions that will be provided to schools identified by the California Department of Education (CDE) for comprehensive support and improvement (CSI), targeted support and improvement (TSI), and additional targeted support and improvement (ATSI).

#### **BP 0520.1 - Comprehensive and Targeted Support and Improvement**

(BP added)

New policy addresses the state's accountability system, developed in response to federal Title I requirements, to provide interventions to schools identified by CDE for CSI, TSI, or ATSI. Policy includes criteria for the identification of schools, requirements for a school improvement plan, and actions to be taken if implementation of the school plan is unsuccessful after a specified period of years.
