2. **License and Access to Products.**
 - a. **License.** Subject to the terms and conditions set forth in these Terms of Service, Renaissance grants Customer a limited, revocable, non-exclusive, non-transferable, non-sublicensable license during the Term solely to access and use the Products for educational assessment and practice functions. No other license, express or implied, is granted by these Terms of Service.
 - b. **Access and Use Limitations.**
 - i. **Access and Use.** Customer may access and use the Products during the period beginning on the first day of the Subscription Period and ending upon the earlier of expiration of the Subscription Period or termination of the Agreement. Access may be restricted during Renaissance's maintenance and updating of the Products.
 - ii. **Quantity.** The Quote sets forth a quantity for each identified Product or Service. Customer may not exceed the quantities stated in the Quote without further written agreement by the parties.
 - iii. **Access and Use Restrictions.** Customer shall not access or use the Products for any purpose beyond the limited license granted in these Terms of Service. Without limiting the foregoing, Customer shall not: (A) copy, modify, or create derivative works of the Products, in whole or in part; (B) rent, lease, lend, sell, sublicense, assign, distribute, publish, transfer, or otherwise make available the Products; (C) reverse engineer, disassemble, decompile, decode, adapt, or otherwise attempt to derive or gain access to the source code of the Products, in whole or in part; (D) remove any proprietary notices from the Products; (E) allow anyone other than Customer or its Authorized Users to access or use the Products; (F) use the Products in any manner or for any purpose that infringes, misappropriates, or otherwise violates any Intellectual Property Rights or other right of any Person, or that violates any applicable law; (G) access or use the Products for any purpose not authorized under these Terms of Service; (H) share, transfer or sell Valid Login Information to anyone other than Authorized Users, and shall be responsible for any access to, or use of, the Products resulting from Customer's failure to safeguard Valid Login Information; or (I) allow multiple Persons to access or use the Products in a manner intended to avoid incurring fees. Customer agrees to promptly notify Renaissance of any actual or suspected unauthorized access to or use of the Products, after which Renaissance may then implement a Service Suspension.
 - iv. **Authorized Users.** Customer may permit its Authorized Users to access and use the Products in the same manner and for the same purposes as Customer, as set forth in these Terms of Service. Customer shall be responsible and liable for all access to and use of the Products by any Authorized User and any other access to the Products permitted or enabled by Customer or an Authorized User.
 - v. **Suspension.** Notwithstanding anything to the contrary in these Terms of Service, Renaissance may suspend access and use for any portion or all of the Products by a Customer or Authorized User if Renaissance determines in good faith that: (A) Customer or an Authorized User's access to or use of the Products and systems disrupts or poses a risk to the security or integrity of any of Renaissance's Products or systems, or any of its customers or vendors; (B) Customer or an Authorized User are accessing or using the Products or systems for fraudulent or illegal activities; (C) any vendor or supplier of Renaissance has suspended or terminated Renaissance's access to or use of any third-party product or service necessary to the Products; or (D) Customer has not timely paid any Fees (any such suspension described in subclause (A), (B), (C), or (D) a "Service Suspension"). Renaissance shall use reasonable efforts to provide written notice of any Service Suspension to Customer and to provide updates regarding resumption of access to the Products following any Service Suspension, which shall be in Renaissance's sole discretion. Renaissance shall use reasonable efforts to resume providing access to the Products as soon as reasonably possible after the event giving rise to the Service Suspension is cured. Renaissance will have no liability for any damages, liabilities, losses, or any other consequences of a Service Suspension.
 - vi. **Customer Hardware, Other Software and Services.** Renaissance does not bear any responsibility or liability for any Third-Party Services and does not guarantee that any Third-Party Services will operate correctly or that they are compatible or interoperable with the Products.
3. **Services.** Renaissance shall provide the Services identified in the Quote and any Statement of Work agreed to by the parties in writing. Amounts paid for Products and Services are not refundable, regardless of the extent they are utilized.
