Note: Pursuant to Education Code 51225.3, the Board may prescribe additional coursework (e.g., health education, or service learning) or other requirements (e.g., portfolios or senior projects) that district students must complete in order to obtain a diploma. If the Board does so, such courses or projects should be listed below.

If the district requires a course in health education for graduation, Education Code 51225.36 requires that the district include instruction in sexual harassment and violence, including, but not limited to, information on the affirmative consent standard pursuant to Education Code 67386. See BP 6142.1 - Sexual Health and HIV/AIDS Prevention Instruction. Pursuant to Education Code 51230, if the district requires the completion of community service hours for high school graduation, the district may provide a student with credit towards that requirement for completion of a course in community emergency response training. However, if the district chooses to offer credit for the completion of such a course, the Board is still obligated to notify parents/guardians, students, teachers, and the public of information specified in Education Code 51225.3.

The remaining credits required for graduation will come from available elective courses.

(cf. 6146.11 - Alternative Credits Toward Graduation)

(cf. 6146.2 - Certificate of Proficiency/High School Equivalency)

Exemptions from District-Adopted Graduation Requirements

District students are required to complete graduation course requirements specified above, including the requirements imposed by Education Code 51225.3 and those adopted by the Board.

A foster youth, homeless student, former juvenile court school student, child of a military family, or migrant student who transfers into the district or between district high schools any time after completing the second year of high school, or an immigrant student who is in the third or fourth year of high school and is participating in a newcomer program (i.e., a program designed to meet the academic and transitional needs of newly arrived immigrant students that has as a primary objective the development of English language proficiency) shall be required to complete all graduation requirements specified in Education Code 51225.3 but shall be exempt from any additional district-adopted graduation requirements. This exemption does not apply if the Superintendent or designee makes a finding that the student is reasonably able to complete the requirements in time to graduate by the end of the fourth year of high school.

Within 30 days of the transfer into a school or of the commencement of participation in a newcomer program, as applicable, the Superintendent or designee shall notify any eligible student of the availability of the exemption and whether the student qualifies for it. (Education Code 51225.1)

Note: Pursuant to Education Code 51225, as added by AB 104 (Ch. 41, Statutes of 2021), the district is required to exempt a student from district graduation requirements if the student was in the third or fourth year of high school during the 2020-21 school year and is not on track to graduate in four years.

If during the 2020-21 school year a student was in the third or fourth year of high school and is not on track to graduate in four years, the district shall exempt the student from any local graduation requirements adopted by the Board that are in addition to statewide course requirements specified in Education Code 51225.3. (Education Code 51225)

Additional Opportunities to Complete Required Coursework

Note: Pursuant to Education Code 51225, as added by AB 104, the district is required to provide a student who was enrolled in the student's third or fourth year of high school during the 2020-21 school year and is not on track to graduate in the 2020-21 or 2021-22 school years the opportunity to complete the statewide coursework required for graduation pursuant to Education Code 51225.3, as described below.

The Superintendent or designee shall provide a student who was enrolled in the third or fourth year of high school during the 2020-21 school year and is not on track to graduate in the 2020-21 or 2021-22 school years the opportunity to complete the statewide coursework required for graduation, which may include, but is not limited to, completion of the coursework through a fifth year of instruction, credit recovery, or other opportunity to complete the required coursework. In determining whether to award a diploma under these circumstances, the Superintendent or designee shall consider any coursework that may have been completed outside of the United States or through online or virtual courses.

2. Were interned by order of the federal government during World War II or are honorably discharged veterans of World War II, the Korean War, or the Vietnam War, provided that they were enrolled in a district school immediately preceding the internment or military service and did not receive a diploma because their education was interrupted due to the internment or military service in those wars

Deceased former students who satisfy these conditions may be granted a retroactive diploma to be received by their next of kin.
