School Furnishings, Office Furnishings, and Accessories

ARVIN UNION SCHOOL DISTRICT

737 Bear Mountain Boulevard

Arvin, CA 93203

Issue Date: October 24, 2018

Bid Opening Date/Time: November 7, 2018

This legal notice is to be published
on the following dates:

FIRST PUBLICATION: October 24, 2018

SECOND PUBLICATION: October 31, 2018

NOTICE OF BID

Notice is hereby given that the Board of Education for the ARVIN UNION SCHOOL DISTRICT, Arvin, California (Kern County), will receive Bid Number 2018-19-001 for the following:

School Furnishings, Office Furnishings and Accessories

Sealed bids must be delivered to the Arvin Union School District, Business Office, 737 Bear Mountain Boulevard, Arvin, California 93203 no later than 1:00pm on November 7, 2018.

The State Allocation Board (SAB) may make all or part of the funding for this project available and as a result, the contract award must be made in accordance with the SAB participation requirements for Disabled Veteran Business Enterprises (DVBE). A description of these requirements and the DVBE forms, which must be turned in with the bid, are contained in the project specifications.

Companies interested in bidding should request appropriate bid documents from the Business Office, (661) 854-6500.

The Board of Education reserves the right to reject any and all bids. No bidder may withdraw their bid for a period of sixty (60) days after the date set for the opening of bids. Refer to the formal bid documents and specifications for additional information, terms, and conditions.

ARVIN UNION SCHOOL DISTRICT

Purchasing Department
737 Bear Mountain Boulevard
Arvin, CA 93203

DATE: **October 24, 2018**

BID INSTRUCTIONS AND CONDITIONS

Arvin Union School District
Equipment and Supplies Bid

INSTRUCTIONS AND CONDITIONS - BID NUMBER 2018-19-001

1. PREPARATION OF BIDS

Bids must be submitted in ink or typewritten. Both unit price and extension (where applicable) for all line items must be shown where required on the bid form. Signature on bids must be in ink to be considered acceptable. Bid on each item separately. Prices should be stated in units specified hereon. Bidders are requested to submit their pricing the bid forms.

2. ERRORS AND CORRECTIONS

No erasures permitted. Mistakes may be crossed out and corrections made adjacent but must be initialed in ink by person signing bid. Verify your bids before submission as they cannot be withdrawn or corrected after being opened or withdrawn specified time period has elapsed.

3. SUBSTITUTIONS AND SAMPLES

All items bid must conform to the specifications set forth in these bid documents. The District reserves the right to reject all bids that do not conform to the specifications. When bidding on brands other than those specified, the Bidder must state on the bid the brand, quality, model number, or other trade designation on each item bid other than "as specified". The District requests that samples be provided no later than 48 hours after the opening of the bid. Samples shall be accompanied by the name of the bidder, bid number, bid item number, and cut sheets clearly describing the product. See the attached documents for requirements regarding samples and/or detailed specification sheets. At a minimum, descriptive technical literature fully describing the claimed "or equal" product must be attached to the bid. Suitability and valuation of "equals" rests in the sole discretion of the District. Where samples are requested they must be furnished free. Samples will be returned at bidder's expense provided a request accompanies the samples and provided further that samples are not destroyed by tests.

4. SALES TAX

Do not include California State Sales or Use Taxes in unit prices. This tax will be added and paid for by the District. Do not include or add Federal Excise Tax as the District is exempt.

5. FAILURE TO BID

If you do not bid on any line item, please mark "no bid" in the space provided and sign it and return the bid, otherwise your name may be removed from the bidder's list.

6. ACCEPTANCE OF BIDS

Awards will be made on a unit and line item basis unless otherwise specified on bid form. The right is reserved to reject any or all bids and to accept or reject any line items thereon and to make any combination of line: item awards. Bids may be rejected on grounds of non-responsiveness or non-responsibility. Bids are subject to acceptance at any time within sixty (60) days after opening of same unless otherwise stipulated.

7. PATENTS, ETC.

The vendor shall hold the Arvin Union School District, its officers, agents, servants, and employees harmless and free from liability of any nature or kind on account of use (by publisher, manufacturer, or author) of any copyrighted or non-copyrighted composition, secret process, patented invention, article or appliance furnished or used under this bid.

8. FAILURE TO FULFILL CONTRACT

When any contractor or vendor shall fail to deliver any article or service or shall deliver any article or service which does not conform to the specifications, the District may, at its sole discretion, annul and set aside the contract entered into with said vendor or contractor, either in whole or in part, and make and enter into a new contract for the same items in such manner as seems to the Board of Education to be to the best advantage of the Arvin Union School District. Any failure for furnishing such articles or services by reason of the failure of the

vendor or contractor, as above stated, shall be a liability against such vendor and his sureties. The Board of Education reserves the right to cancel any articles or services which the successful bidder may be unable to furnish because of economic conditions, governmental regulations or other similar causes beyond the control of the bidder provided satisfactory proof is furnished to the Board of Education, if requested.

9. SIGNATURES

All bids must show the firm name and must be signed by a responsible officer or employee fully authorized to bind the organization to the terms and conditions herein. Obligations assumed by such signature must be fulfilled.

10. CANCELLATION FOR INSUFFICIENT OR NON-APPROPRIATED FUNDS

The bidder hereby agrees and acknowledges that monies utilized by the District to purchase the items bid is public money appropriated by the State of California or acquired by the District from similar public sources and is subject to variation. The District fully reserves the right to cancel this bid at any time and/or to limit quantities of items due to non-availability or non-appropriation of sufficient funds.

11. REQUIRED DELIVERY DATES (RDD)

Actual delivery of the equipment or services shall be coordinated with the District or contractor designated by the District but shall not exceed the required delivery dates (RDD) specified on the bid form for each particular product. The District, as a matter of bid non-responsiveness, shall reject all bids (regardless of price) that fail to indicate ability to deliver the product within the required time. **Give careful attention to any Required Delivery Dates (RDD) included in the Specifications or Bid Sheets.** Upon award of bid, supplier shall keep sufficient stocks of product and service material to insure prompt delivery and services schedules. There shall be no minimum quantities required in order for the District to place orders for needed items. **Bid all items F.O.B. shipping point, and specify if freight is a non-taxable or taxable line item as required by the State Board of Equalization unless otherwise directed by the District. Freight pricing, when provided by the vendor, shall include full-coverage transit insurance.** Freight inside delivery (possible multi-story, utilizing elevators) if directed by the District may be shown +as and an add. Installation, unpacking materials, assembly of furniture, set furniture in place, and disposal for the packing material are to be shown as additional cost to the requesting district or agency.

12. PAYMENT

Prompt payment for equipment may be requested after actual delivery of goods to the required destination as outlined in the REQUIRED DELIVERY DATES (RDD) conditions. Payment for service contracts may be invoiced per the conditions set forth and agreed to in the service agreement.

13. STANDARD COMMERCIAL USE (Products Only)

The vendor, whether manufacturer, supplier, distributor or retailer, hereby certifies that the products offered under this bid have been placed in regular commercial use for a period of at least three (3) years and that adequate spare parts exist in the marketplace for the items sold. Submit all requests for deviations to this clause as an "or equal" deviation.

14. HOLD HARMLESS

The vendor shall save, defend, hold harmless and indemnify the District against any and all liability, claim, and costs of whatsoever kind and nature for injury to or death of any person and for loss or damage to any property occurring in connection with or in any way incident to or arising out of the occupancy, use, service, operations, or performance under the terms of this contract, resulting in whole or in part from) the negligent acts or omissions of vendor, and subcontractor, or any employee, agent, or representative of vendor and/or subcontractor.

15. AWARD OF BID

Award of this bid shall be made by individual line item or groups of line items to the lowest-priced responsible bidder (for each item or group) who is fully responsive to the terms of this solicitation. A bidder must deliver the items within the required delivery date (RDD) in order to be declared responsive to this bid. The District may consider prompt payment discounts (only terms of 2%/20 days or better will be considered) and other rebates offered on the bid form in determining lowest net cost.

The District also reserves the right to make multiple awards or no award at all and further reserves the right to reject any and all bids and to waive any irregularity or discrepancy associated with this bid.

16. WARRANTY/QUALITY

The supplier, manufacturer, or his assigned agent shall guarantee the product or service performed against all defects or failures of materials and workmanship for minimum period of one (1) year from the actual delivery date.

Where applicable, all merchandise must be warranted to be in compliance with California energy, conservation, environmental, educational, and products liability standards.

17. PRICING - TERM OF CONTRACT

Minimum contract term is one (1) year. Quoted prices must stay in effect for six (6) months after award of bid and may be extended upon mutual consent of District and vendor for an additional four (4) one year periods in accordance with provisions contained in the Education Code, Sections 17596 (K-12) and 81644 (Community Colleges). Price increases may be negotiated subject to existing local market conditions, and as determined by the Los Angeles Producer Price Index (PPI), but may never exceed five percent (5%). In the event of a general price decrease the District reserves the right to revoke the bid award unless the decrease is passed on to the District.

18. MULTI-YEAR EXTENSIONS

Subject to the provisions of Paragraph 17 (above), and pursuant to Education Code, Sections 17596 and 81644, this bid may be extended (by mutual consent expressed in writing) for up to (4) additional one (1) year increments (total potential bid life of 5 years from Board of Education award).

19. NO MINIMUM OR MAXIMUM QUANTITIES, ORDER CHARGES, OR LIMITATIONS UPON NUMBER OF ORDERS

The District anticipates contract term requirements for the supplies and commodities as listed in the quantities shown on the bid form. The District, however, does not guarantee orders in these amounts nor shall the District be required to limit its orders to only those figures. This is an indefinite-quantity bid. Bidders shall not specify minimum or maximum quantities or charges for specific order types. Unlimited orders within the term of the contract shall be allowed to the awarding district at prices quoted.

20. TECHNOLOGY CLAUSE

As technology advances, it is understood that improved or enhanced products may supersede existing products in both price and performance and yet be essentially similar. This request for bids seeks to address the rapid advances in technology by allowing functionally similar or identical products that may be introduced in the future, during the term of this bid, to be included under the general umbrella of compatible product lines and are thus specifically included in this bid document.

21. E-COMMERCE (B2B) CLAUSE

The advent of electronic commerce (E-Commerce) and the development of Business to Business (B2B) internet sites have created certain opportunities for public entities and business. As the originator and author of this bid document, the Arvin Union School District and other sponsoring agencies authorize and encourage qualified firms to list the products represented in the final award of this bid on internet sites, subject to the approval of the awarded vendor.

22. PIGGYBACK CLAUSE – CALIFORNIA

For the term of the Contract and any mutually agreed extensions pursuant to this request for bids, at the option of the vendor, other school districts and community college districts, any public corporation or agency, including any county, city, town or public corporation or agency within the State of California, may purchase, lease-purchase, or rent the identical item(s) at the same price and upon the same terms and conditions pursuant to sections 201 18 (K-12) and 20652 (Community Colleges) of the Public Contract Code.

The Arvin Union School District waives its right to require such other districts and offices to draw their warrants in the favor of the District as provided in said Code sections.

Acceptance or rejection of this clause will not affect the outcome of this bid.

Piggyback option granted _____ (Please initial) Piggyback option not granted _____

23. PIGGYBACK CLAUSE – NEVADA

For the term of the Contract and any mutually agreed extensions pursuant to this request for bids, at the option of the vendor, other school districts and community college districts, any public corporation or agency, including any county, city, town or public corporation or agency within the State of Nevada, may purchase, lease-purchase, or rent the identical item(s) at the same price and upon the same terms and conditions pursuant to NRS 332.195 Joinder or mutual use of contracts by governmental entities.

The Arvin Union School District waives its right to require such other districts and offices to draw their warrants in the favor of the District.

Acceptance or rejection of this clause will not affect the outcome of this bid.

Piggyback option granted _____ (Please initial) Piggyback option not granted _____

The award of this bid is for product only. Supplies, equipment, furnishings and accessories will be awarded and eligible as piggyback contract items or joinder mutual use of contract items.

Exclusions (attach additional pages if necessary):

Specifications and/or bid sheets are attached.

RETURN THESE FORMS PLUS THE COMPLETED BID TEMPLATE WITH YOUR BID

SPECIAL INSTRUCTIONS

Excluded from Any Piggyback Contract

These instructions are for Arvin Union School District Only.

Arvin Union School District
Equipment and Supplies Bid

INSTRUCTIONS AND CONDITIONS - BID NUMBER 2018-19-001

This single page portion of bid packet is for Arvin Union School District information only. Information will be utilized to determine bidder compliance, and may be used as part of scoring matrix, but is not part of Item 22 Piggyback Clause – California, nor is it part of Item 23 Piggyback Clause – Nevada.

Depending on funding of the product or the product type being purchased by Arvin Union School District, prevailing wage labor rates may apply. The requesting district or agency will need to advise at time of request for confirmation of pricing if prevailing wage rates are required.

CALIFORNIA STATE CONTRACTORS LICENSE

Bidders should be made aware there are products that may require a California and/or State Contractors License. The license class required could be a C61/D24, C61/34, C61/D48 or CI5. Contractor License Number must be held by Company bidding. Bidders shall provide the contractor license numbers and classification below at time of bid opening

DVBE INSTRUCTIONS

Steps / Instructions

Document the GFE efforts on the forms in this package entitled "Good Faith Effort".

Do not delay until the final days before your bid is due to start this process.

1. Dial (661) 854-6507 (if no answer, leave voicemail with caller's name, company name, company address, telephone number plus area code, District's bid number) to obtain assistance with any of the following:
 - a. A referral to another state agency that provides DVBE listings and publication resources
 - b. Assistance in completing the DVBE forms in this package.
 - c. Answers to questions about DVBE participation and/or GFE documentation requirements.
2. Contact other state *AND* federal agencies *AND* local DVBE organizations for assistance in identifying potential DVBE service providers or suppliers.
 - a. Contact one or more California state agencies. The Department of General Services, Procurement Division (DGS-PD), Office of Small Business and DVBE Services (OSDS) qualifies as one of these contacts. Verbally contact DGS at (800) 559-5529 or (916) 375-4940 during normal business hours to obtain a list of certified DVBEs. This information can also be accessed by searching the online database at www.pd.dgs.ca.gov/smbus. Begin the search by completing the search form. (Hint: Enter an * to search all, click on Disabled Veteran Business Enterprise DVBE to narrow your search.)
 - b. Search the U.S. Small Business Administration's (SBA) Central Contractor Registration on-line database at <https://www.sam.gov/portal/public/SAM/> to identify potential DVBEs (Hint: Use the Search term DVBE). Before claiming use of a CCR firm, verify the named DVBE is registered with DGS.
 - c. Enter on the form entitled "Good Faith Effort": Date/time of contact; name of organization contacted; contact method; and telephone number, email, or Internet address. Print out and attach a copy of each Internet website page visited (e.g. DGS' and federal SAM search to prove contacts made via the Internet.)
3. Unless GFE advertising is placed by the Construction Manager, advertisements for DVBE service providers, subcontractors or suppliers must be placed in at least:
 - a. One "trade" publication related to a trade or industry, and
 - b. One "focus" publication whose ads are specifically distributed and focused to reach DVBE firms, or
 - c. A single publication that qualifies as both a "trade" and "focus" publication. See DGS' DVBE Resource Packet for a listing of applicable publications.
 - 1) Ad placement may be specifically directed to publications that distribute their ads to businesses in the geographical areas where the work will be performed.
 - 2) *Ads should appear in publications 10-14 calendar days* prior to the date the bid or proposal response is due to be submitted.
 - 3) Give potential subcontractors/suppliers ample time (approximately 3-5 working days) to respond to the ad(s), while allowing sufficient time to seriously consider each firm that submits a response.
 - 4) Ads should contain information similar to the following:

[Enter name of bidding firm]
Is seeking qualified DVBE vendors to provide
(Enter description/list of services/supplies that qualify.)
in [Enter geographical service areas/locations, if applicable]
for Project Name and Bid Number Contact: [Enter a contact name, address,
telephone and fax number, and/or email address]
Submit qualifications/bids by: [date/time]
 - 5) Ads placed in general circulation newspapers including the S.D. Union or the Reader are not acceptable.
 - 6) Document the GFE efforts on the forms in this package entitled "Good Faith Effort". Indicate, in Step 3 on the Good Faith Effort form, the publication date, whether the publication is a trade publication, a focus publication or both and whether ad copy or written ad content is attached.

**GFE Steps /
Instructions
(continued)**

**Document the GFE
efforts on the forms in
this package entitled
"Good Faith Effort".**

**Do not delay until the
final days before the
bid is due to start this
process.**

**Participation and GFE
forms appear in the
pages that follow.**

4. Transmit direct solicitations or invitations to bid to potential DVBEs, identified in Steps 2 and/or 3, by way of mail, telephone, email, fax, or other method.
 - a. Submit a *one or more examples of direct solicitation*. Solicitations should contain: company name; contact name, address, telephone and fax number (if applicable), District's bid name and number; a description of commercially useful goods and/or services for which subcontractors are sought; location of service area; and response date.
 - b. If contact with DVBE firms is verbal or by telephone, document in writing the date of contact, person contacted, and business/subcontract opportunities discussed.
 - c. Submit a list of DVBE firms to whom direct solicitations were transmitted (i.e., DVBE bidders list). Include each DVBE firm's name, mailing address, contact name/title (if applicable), telephone/fax number, and email address (if applicable).
5. Show that DVBE firms that responded to the ad(s) and/or direct solicitations were considered. Bidding firms are encouraged to achieve full or partial DVBE participation. Review the Program Preference section of the bid document for information about the DVBE Incentive that is available to eligible bidders/proposers that achieve participation.
 - a. List each DVBE firm that responded with interest to the bidding firm's ad(s), telephone/fax/email contacts, or direct solicitations. If no responses were received, indicate "none", as instructed in Step 5 on page 3.
 - b. For each DVBE listed in Step 5 on page 3, indicate if the bidding firm:
 - 1) **WILL USE** the DVBE to perform a commercially useful function. For each DVBE that will be used, do the following: Enter the name of the DVBE on the form entitled "Actual DVBE Participation". Indicate whom the DVBE will contract with, the commercially useful function the DVBE will provide or perform. Attach a copy of the DVBE's current DGS certification.
 - 2) **WILL NOT USE** the DVBE after giving consideration to such things as the DVBE's qualifications, availability when needed, capacity to perform/deliver the full range of services/supplies, location or proximity to the service area, results of reference checks, and/or the nature of the services offered by the DVBE or the nature of the goods that can be supplied by the DVBE, etc. For each DVBE firm that will not be used, indicate, in Step 5 on page 3, the business reason(s) for choosing not to use the DVBE.

If awarded the contract, the Contractor must faithfully use each DVBE identified for use and listed on the form entitled "Actual DVBE Participation" and provide a statement as called for in the Certification of Compliance with DVBE Policy contained in the Bid Documents.

GOOD FAITH EFFORT

Steps 1 and 2

Show the date and form of contact with AUSD **and** show the contacts made with one or more other California state agencies **and** the Federal SBA **and** one or more California local DVBE organizations (see DGS' Resource Packet).

DATE OF CONTACT	TIME OF CONTACT	NAME OF AGENCY OR ORGANIZATION CONTACTED	CONTACT METHOD (Enter voice mail, internet access, or name of person contacted)	PHONE NUMBER, EMAIL OR WEB ADDRESS
			<ul style="list-style-type: none"> • Attach one copy of each Internet website page that is visited as proof of this portion of the good faith effort. 	

Step 3

Show proof of advertising in one trade and one DVBE focus publication, **OR** one publication qualifying as both a trade and a DVBE focus publication. Be certain to attach the CM's advertisement if advertisement was made by Construction Manager.

NAME OF PUBLICATION SOURCE	PUBLICATION DATE(S)	TYPE OF PUBLICATION Check the one that applies.			COPY OF AD ATTACHED	AD CONTENT ATTACHED
		Trade	Focus	Both	Check the one that applies	

Step 4

Show proof that direct invitations to bid were transmitted to potential DVBEs by way of mail, email/fax, telephone, or other method.

A. At a minimum attach, to this form, one or more examples of invitations to bid or solicitations that were transmitted directly to potential DVBEs. Bidding firm's may attach:

- One or more examples of the direct solicitations used to solicit bids from potential DVBE subcontractors/suppliers, **and/or**
- One or more copies of the narrative content of an emailed invitation to bid that was transmitted to potential DVBE subcontractors/suppliers **or** one or more copies of a faxed invitation to bid that was transmitted to potential DVBE Subcontractors/suppliers, **and/or**
- A description of the verbal dialog held with a potential DVBE subcontractor/supplier via telephone or personal meeting, including date of contact, person spoken to, and potential business opportunities discussed.

B. Attach to this form a copy of the DVBE bidder list. This is the list of certified DVBE firms to whom direct solicitations or invitations to bid were transmitted and may include the DVBE firms that responded to the bidding firm's published ad(s).

- Include each certified DVBE firm's name, mailing address, email address (if applicable), telephone and fax number.

(Continued on the next page)

Step 5

Show that the bidding firm has considered the interested DVBE firms that responded to the bidding firm's ad(s), direct solicitations, and/or personal contacts. If no responses were received from DVBEs, indicate "None" on the first line of Column 1.

NAME OF DVBE(S) THAT RESPONDED <small>(This column is self-explanatory)</small> COLUMN 1	INDICATE YOUR PROPOSED USE OF EACH DVBE <small>(Complete the appropriate column below and show percentage use, if applicable)</small>		REASON(S) FOR NOT CHOOSING TO USE THIS DVBE <small>(Enter a business reason for not selecting each firm identified in Column 2B)</small> COLUMN 3
	COLUMN 2A <small>Will Use __ Percent</small>	COLUMN 2B <small>X = Will Not Use</small>	
	%		
	%		
	%		
	%		
	%		
	%		

Completion Instructions

For each entry in Column 2A, transfer the firm's name and claimed percentage value of use to the form entitled "**Actual DVBE Participation**". Complete Column 2A, only for those DVBEs that the bidding firm intends to subcontract with. An entry in Column 2A will impose an obligation on the bidding firm to use the DVBE firm identified for the percentage value claimed. DVBE participation may be expressed as a partial/fractional decimal percentage.

Place an "X" in Column 2B for each interested DVBE that the bidding firm does not intend to use.

Complete Column 3 for each "X" placed in Column 2B. In Column 3, indicate the business reason(s) for electing not to use the DVBE firm.

Sole authority rests with AUSD to determine whether or not a bidder/proposer has successfully documented actual DVBE participation and/or whether a bidder/proposer has made an adequate GFE to achieve participation. Bidders/proposers may, at their sole option, choose to submit both forms in this package (documenting both full participation and a GFE) as insurance against a finding that the actual participation claimed is unacceptable.

Forms are to be submitted with your bid documents.

RETURN THESE FORMS PLUS THE COMPLETED BID TEMPLATE WITH YOUR BID

INTRODUCTION

GENERAL INFORMATION

To allow for maximum flexibility in the selection of furniture that meet the diverse requirements throughout the sponsoring California public school districts, bidders are requested to list a percentage discount on manufacturer(s) entire furniture line in addition to the specific model of products that are listed in this bid. This discount will apply to the manufacturer's current and future retail pricing at the time orders are placed.

If you are offering more than one discount for a particular manufacturer, please enclose or attach discount structure with your bid response.

Awards will be made according to lowest price quoted meeting exact specifications for each line item of the Bid. Where brand names have been used, the technical specification associated with the product is hereby incorporated in its entirety. Awards may be made on an item-by-item basis. Bidders must be either manufacturers or factory authorized distributors for brands they are quoting, and must be able to show proof of same, if required by the sponsoring districts.

Successful bidders should supply a complete, current line of price and product literature for each award when requested. When requested it will be the responsibility of each awarded bidder to provide the lead agency (Arvin Union School District - Business Office) or other requesting agencies with updates in pricing, product literature, and delivery information as they become available from the manufacturer(s).

EXAMINATION OF BID DOCUMENTS

Bidders shall thoroughly examine and be familiar with the specifications. The failure or omission of any bidder to receive or examine any bid document(s), forms, instruments, addendum or other document there existing shall in no wise relieve any bidder from obligations with respect to this bid or to the contract. The submission of a bid shall be taken as prima facie evidence of compliance with this section.

Carefully read the Instructions and Conditions section of this bid!

Addendum Noted: _____, _____, _____. (List each addendum by number.)

BULLETIN BOARD

Self-Edge Vinyl Bulletin Board with beveled edge. 18oz Koroseal Harborweave vinyl laminated to ½" insulation board.

Vinyl Fabric: To be selected from manufacturer's standard vinyl fabrics, but not necessarily limited thereto. Indicate additional cost for special match color.

Size: 4'H x 8'W

Warranty: LIMITED WARRANTY. A-1 Visual Systems' merchandise is warranted to the original purchaser for a period of one year from the due date of purchase against defects in the material or workmanship as to the board/cabinet components. The word "defect," as used in this warranty, is defined as imperfection which impairs the utility of this product. This warranty is expressly limited to the replacement of board/cabinet components having defects. If the board/cabinet is defective within the terms of the warranty A-1 Visual Systems will furnish a replacement board/cabinet component at no cost. No assembly labor is included. All A-1 Visual Systems' Porcelain-On-Steel writing surfaces are guaranteed not to wear for the life of the building in which it was originally installed. This warranty applies under conditions of normal use, but does not apply to defects that result from intentional damage, negligence and unreasonable use or exposure. All implied warranties arising under state law are limited in duration to the one-year period of those warranty. Some states do not allow limitations on how long an implied warrant last, so the above limitations may not apply to you. Liability for incidental or consequential damages excluded to the extent exclusions is permitted by law. Some states do not allow the exclusions or limitations of incidental or consequential damages, so the above limitation or exclusions may not apply to you. This warranty does not apply to:

- Damage caused by a carrier other than the Seller (for commercial orders only).
- Normal wear and tear or acts or omissions of parties other than Seller (including user modification, improper use or installation of Products).
- COM or other third-party materials applied to Products.
- Dramatic temperature variations or exposure to unusual conditions.
- Changes in surface finishes, including colorfastness due to aging or exposure to light.
- Except as specifically noted above, textiles and upholstery supplied by A-1 Visual Systems.
- Natural variations occurring in wood, marble, and leather shall not be considered defects, and the Seller does not guarantee the colorfastness or matching of the colors, grains or textures, or surface hardness of such materials. The Seller also does not guarantee the colorfastness of fiberglass panel surfaces.

Fabric: Grade I, but customer can upgrade within manufacturer’s standard fabric options for additional cost.

WARRANTY: 10-year comprehensive parts and labor, with weight limit of 325 lbs. Our warranty is simple. We cover all of our products and the components we use to make them – for 10 years. This includes pneumatic cylinders, foam, thermoplastics, urethanes, arm pads and mechanisms. And we pay for all preapproved labor costs.

Allseating products, including those designated for Multi-Shift, are warranted to be free from defects in materials and workmanship for a period of 10 years from original date of purchase. This warranty applies to all chair models and extends to original purchasers who acquire new product directly from Allseating or our authorized dealers. During the warranty period, Allseating, at its sole discretion, will repair or replace (at its option) any product, part or component covered by this warranty that fails under normal use due to defective materials or workmanship. Allseating will repair or replace the defective product, part or component with comparable product, part or component. To be eligible for this warranty coverage, all products, parts or components must be installed, used and maintained in accordance with Allseating’s published instructions and must not have been subject to misuse or abuse. Allseating does not warrant the following:

- Normal wear and tear
- Natural variations, scars, marks or wrinkles occurring in leather
- Colourfastness of textiles
- Colour matching of textiles exactly to samples or swatches or past purchases
- COM or COL fabrics
- Products exposed to extreme environmental conditions or improper storage conditions
- Chairs used by individuals who weigh in excess of 325lbs.

SQUARE PICNIC TABLE

The picnic tables are of high quality, all-aluminum structure (alloy 6063-T6) with anodized or powder coated seats and table tops. Understructures are made from 2" square tubing and 2" x 2" and 2" x 3" angles. The welded understructure is capable of withstanding rugged park and playground use.

Our tables can be left outdoors year after year under the most strenuous weather conditions without showing any signs of wear or rusting. All tables may be anchor bolted to concrete.

Although we build standard size picnic tables, they can be customized in any length between 6'-0" to 30'-0".

Square Table Top Size: 37" x 37"

Warranty: The manufacturer shall provide owner with a written warranty that guarantees the bleachers for not less than 5 years against defective materials, fasteners, workmanship and welding with provisions that any manufactures part that wears out or proves to be defective will be replaced at no additional cost to the owner. Damage resulting from vandalism, misuse and acts of God excepted. It is recommended that a yearly inspection of your bleacher be performed and any irregularities be reported to (800) 757-7328.

ARIZONA UMBRELLA

ARIZONA UMBRELLA

THE 701 ALUMINUM UMBRELLA

Arizona Umbrellas & Table Tops has a long history of manufacturing maintenance-free umbrellas & table tops. Using the same original design, our umbrellas have been in continuous production since 1956. Style and science come together to create the beautiful & durable Aluminum Umbrellas. The umbrella canopy is made up of 40 aluminum vanes, powder coated to your choice of colors.

Color Options: Color to be selected from manufacturer's standard colors, but not necessarily limited thereto. Indicate additional cost for special match color. Offer a variety of in stock color options: Forest Green, Lemon, Parchment, Red, Royal Blue, Taupe, Terra Cotta, and White. Custom color options available for additional cost.

Patented Swivel: Aerodynamically designed, their strength is in the patented Swivel. It's the only one of its kind that permits the canopy of the umbrella to easily swivel into the wind, rather than being stationary and causing updrafts. Our umbrellas have been known to withstand hurricane conditions.

Warranty: The manufacturer warrants its products to be free from manufacturing defects in materials or workmanship when used, maintained and stored under normal commercial use. This warranty applies to the original buyer from the date of purchase. The warranty period is one (1) year. This guarantee excludes vandalism, high winds, and acts of God.

WARRANTY: Arcadia products are guaranteed against defects in material and workmanship for a period of ten (10) years from the original invoice date. Pneumatic lifts, tilting mechanisms and casters are warranted to be free from defects in materials and workmanship for a period of four (4) years. Fabrics and electrical/data units are warranted to be free from defects in materials and workmanship for one (1) year or the extent the manufacturer will warrant further, whichever is greater. Customer's Own Materials (COM/COL) are not included in this warranty. This warranty does not include defects from normal wear and tear. Normal wear and tear is defined as single shift service, (8 hours per day), five days per week. Arcadia assumes no responsibility for repairs to products sustaining damages resulting from user modification, attachments to a product, misuse, abuse, alteration or neglect use of the product. The warranty provisions set forth above are expressly in lieu of all other warranties, express, statutory or implied in fact or by law, and all remedies against. There are no implied warranties of merchantability or fitness for a particular purpose made by Arcadia in connection with the sale or use of any such article of furniture. If a defect in material or workmanship has occurred, Arcadia reserves the right to determine if the problem has occurred under normal use. The defective product will be repaired or replaced at the option of Arcadia, free of charge to the customer.

BERCO

WASHINGTON SERIES BARSTOOL

Washington industrial style metal chairs and bar stools are made with 16-gauge steel to provide the durability needed for high-traffic applications. Great minimalist style. Made in the USA.

Color: To be selected from manufacturer's standard colors, but not necessarily limited thereto. Indicate additional cost for special match color or premium finish.

Size: 30" H x 12" W x 12" D

WARRANTY: 5-year limited warranty. Berco warrants its manufactured products are free of defects in design, material and workmanship for as long as the original purchaser owns them. If written notice of the defect is given to Berco within the applicable warranty period, Berco will repair or replace with comparable product, at Berco's choice, without charge to the original purchaser, which fails under normal use as a result of such defect.

The following are exceptions from the lifetime warranty:

- One Year Warranty: Laminate self-edges, Veneer Tops, Soft Molded Edge Tops, Rainbow Tops, Quarry Resin Tops, Hospitality Chairs & Bases.
- Five Year Warranty: Millwork and other custom fabrication.
- Twelve Year Warranty: Booths
- Items not manufactured by Berco are covered by the Manufacturer Warranty, including: Chairs, Adjustable
- Height Pedestals, electrification, network accessories, laminate and solid surface material.
- Exclusions from Warranty:
 - Normal wear and tear
 - Customer's own material (COM)
 - Any product that has been abused, altered or subjected to any use other than that which was originally intended
 - Any product cleaned with a solvent-based cleaner
 - Products that were not installed, used, or maintained in accordance with product instructions and warnings
 - Matching of color, grain and texture of wood due to natural variations, which cannot be controlled

At Berco's sole discretion, we will repair or replace any item determined by Berco to be defective as a result of manufacturing defects. In no event shall liability under this warranty exceed the current depreciated price of the defective product.

ONE POSITION COMPUTER TABLES

Table Top: Tabletop is 1-3/16" thick, 3-ply 45# density particle board, with a high-pressure laminate top surface .050" thick and a backing sheet .020" thick for balanced construction. Edges are solid Northern-grown Red Oak or maple. The top receives a solid drop edge band of Northern-grown Red Oak or maple, 5/8" x 1-5/8" thick, radiused 1/2" to form a waterfall shape. Note: Standing Height Tables are Apron construction.

Table Top Support: For maximum rigidity, rectangular tables 60" or more wide receive a V-shaped, 14-gauge steel keel securely fastened to the underside of the tabletop. Tables 48"D and more than 60"W, receive two steel keels parallel to the length of the table. Tables 72" or wider receive two extra legs located under the center of the table to provide added support. Note: Center support legs will be glued up, 2-1/4" square solid Northern-grown Red Oak or maple. All vertical edges of legs receive a 1/2" radius. Bottom edges of legs are chamfered 1/8". Each leg has a 1-1/2" diameter, adjustable glide mounted in a recessed tee-nut. The glide is further recessed into the leg by means of a counter-sunk boring which accepts the upper two thirds of the glide.

Privacy Panel: The privacy panel consists of end panels and a back constructed of 3/4" thick veneered particleboard 6"H x 10-7/16"D. The front edges of the privacy panel end panels receive a 3"

radius. Exposed panel edges are banded with 1.6mm solid oak or maple. The privacy panel attaches securely to the tabletop by screws passing through the tabletop and into the privacy panel panels. The privacy panel is finished to match the table and designed to obscure wires exiting computer equipment, to eliminate incidental tampering and create defined patron space.

Table Legs without Apron: The leg is glued up 2-1/4" solid Northern-grown Red Oak or maple. The leg is molded into a triangle shape with the front face receiving a 2" radius and outside edges receiving a 1/2" radius that tapers to a 90° right angle. A 1/4" wide x 1/16" deep vein line is routed 2" up from the bottom of the leg. A 1/8" chamfer is placed at the bottom of the leg. Each leg receives a 1-1/2" diameter, adjustable glide mounted in a recessed tee-nut. The glide is further recessed into the leg by means of a countersink boring which accepts the upper two-thirds of the glide. Legs attach to tabletops by means of a 5" square x 5/16" thick cold rolled steel plate. The plate is attached to the leg by a 5/16" x 2-1/2" machine bolt engaging a 5/8" diameter barrel nut inserted into the leg. The assembled leg is attached to the tabletop by five 5/16" x 1" machine bolts engaging internal and external threaded bushings embedded in the underside of the tabletop. Leg plates are positioned behind and hidden by the extended table edge band.

Table Legs with Apron: Leg is glued up 2-1/4" solid Northern-grown Red Oak or maple. The leg is molded into a triangle shape with the front face receiving a 2" radius and outside edges receiving a 1/2" radius that tapers to a 90° right angle. A 1/4" wide x 1/16" deep vein line is routed 2" up from the bottom of the leg. A 1/8" chamfer is placed at the bottom of the leg. Each leg receives a 1-1/2" diameter, adjustable glide mounted in a recessed tee-nut which is further recessed into the leg by means of a countersink boring that accepts the upper two-thirds of the glide. Legs attach to the aprons by means of formed 14-gauge steel corner brackets. Each leg is bolted to the corner bracket with two 5/16" - 18 hex head bolts which pass through the bracket and engage threaded bushings, embedded into the leg and cross-pinned with a 3/16" diameter steel pin.

Apron: A 4"H x 1" thick solid Northern-grown Red Oak or maple apron is fitted between the legs and behind the extended tabletop edge band. Starting 1/2" in from each end, the apron receives a radius that peaks at 2" in the center. The ends of each apron receive a 1/2" radius. Aprons are attached to the table by means of wood cleats and formed 14-gauge steel corner brackets. Aprons on round tables go straight between the legs.

Electrical: Each position on an Information Access Table receives one 3" diameter grommet for wire passage and J-channel wire manager to hold excess wires. Grommets are ABS black plastic with notched removable cap. J-channel is 18-gauge steel with electrostatically applied black powder paint and is mounted to the underside of the tabletop.

Wood Species: Oak.

Size: 27.5" H x 30" W x 24" D

Warranty: Brodart warrants that the Furniture designed and manufactured by it will be free of defects in material and workmanship for a period of twenty-five (25) years for furniture and five (5) years for seating.

CARPETS FOR KIDS

CARPET FOR KIDS

RHYME TIME RUG - NATURE

Rhyme Time Rug – Nature Hat:Cat, Fan:Man, Jam:Ram. This seating rug has fun and silly icons that rhyme from left to right. Each row features a different vowel from the alphabet. Thirty spaces in total provide enough room for each child to sit comfortably, and an alphabet border throws in an extra element of literacy! Contains latex.

WARRANTY:

- Lifetime Limited Abrasive Wear Warranty,
- Advanced Anti-Static Protection, Advanced Stain Protection
- No Fault Edge Warranty
- KIDply Backing

Carpets for Kids® (CFK) is the industry leader in high quality, educational children’s rugs. We guarantee that your new carpet will not wear more than 10 percent by abrasion. If this occurs, CFK agrees to replace the carpet subject to its usage schedule. In the event that the identical carpet is not available, you may choose from a selection of carpets of comparable quality.

Damage caused by improper installation, pets, tears, spills, cuts, pilling, shedding, matting, crushing, burns and improper maintenance or cleaning methods are not manufacturing defects and are excluded.

CFK requires the original or other documentation (invoice with purchase date) as proof of warranty coverage. This warranty gives you specific rights. You may have other legal rights which vary from state to state.

In no event shall CFK be liable for incidental or consequential damages, whether in contract, warranty, negligence, strict liability or otherwise. Some states do not allow the exclusion or limitations of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

CHERRYMAN

CHERRYMAN INDUSTRIES

EMERALD SERIES VENEER LATERAL FILE

Tops and Support Panels: Tops are 1-1/8" thick and feature a solid wood profiled edge on all four sides. Both tops and panels use a 3 ply balanced construction. All support panels include adjustable levelers.

Cases: All cases are constructed utilizing 3 ply balanced panels. Adjustable levelers are provided in all cases.

Drawers: Drawers are constructed utilizing multi ply wood panels coated with a clear finish. All drawers are fitted with full extension, metal ball bearing slides. File drawers are provided with a filing system accommodating both letter and legal filing.

Locks: All pedestals and laterals with drawers include a front mounted gang lock. All units are keyed alike. Requests for different keying can be accommodated for an upcharge.

Pulls: The Emerald Collection pull is ordered in the following finishes: metallic silver for Port Figured Mahogany, satin black for Cognac Cherry

Veneer: Port Figured Mahogany. CHERRYMAN veneers are selected from premium grade qualities. Veneers are flat cut and slip matched. Every possible effort is made to ensure color continuity. Differences can, however, occur due to the natural variations in tone and color of wood veneers. The Emerald Collection is also available in Cognac Cherry.

Finish: CHERRYMAN's finish provides superior strength with enhanced stain and mar resistance for easy maintenance. Veneers are finished utilizing a satin sheen (high luster on Cognac) and CHERRYMAN's closed pore standard.

WARRANTY: CHERRYMAN warrants to the original end user that this product will be free from defects in its material and workmanship when used in a single shift (standard 8 hour day, 5 days per week) by a person weighing less than 250 lbs except as set forth below:

- 10-year casegoods warranty
- 12-year for wood seating, seating control mechanisms and pneumatic cylinders
- 5-year for fabric, leather, foam, knit back, mesh, plastics, base, arm and casters

CHERRYMAN DOES NOT WARRANT: Product abuse or misuse; User modification of or attachments to the product; Failure resulting from normal wear and tear; Products or parts not used, maintained or installed in accordance with CHERRYMAN's installation, maintenance and/or applicable guidelines; Products that are exposed to extreme environmental conditions and/or have been subject to improper storage; Floor samples or display models; Products purchased "as is" and/or secondhand; Products sold by unauthorized dealers; Creasing and/or gathering of textiles during upholstery application process, Minor irregularities of color, surface, grain, and texture; Minor variations of color in textiles; Variations of texture and natural markings such as neck wrinkles, scratches, backbone marks and stretch marks in leather; Color matching of textiles exactly to samples, swatches or prior purchases

CHERRYMAN will repair or replace with a comparable product, at its option, without charge to the original purchaser, only defective products or parts found defective during the warranty period.If

requested by CHERRYMAN, the original purchaser must return the part or product with freight or other shipping charges prepaid.

This warranty shall be effective for the applicable time period beginning from date of purchase as shown on original purchaser's original receipt or other proof of purchase.

CHROMCRAFT

CHROMCRAFT COUNTER STOOL

CM128 Chair Bucket with memory foam, inside seat 20¼w x 18¼d, floor to top of seat 18½", back height 22½". Grade 1 Fabric.

Base: Walnut Stool Base with swivel

Fabric: Grade 1, to be selected from manufacturer's standard Grade 1 Fabrics, but not necessarily limited thereto. Indicate additional cost for special match color.

Overall Size: 24¼" x 26" x 35½"

WARRANTY: Chromcraft Furniture warrants to the original end user that our products will be free from defects in its materials and workmanship as described below. Chromcraft will repair or replace, at its option, any Chromcraft product or component that is defective in workmanship or material as long as you, the original purchaser, owns the product. The stated warranty applies to products manufactured and shipped after March 1, 2010 from our Senatobia, MS facility. Prior warranty claims will be based on the manufacturers warranty in effect at the time of product purchase. The following warranties are your sole remedy for product defects and excludes defects due to or arising from, product abuse, misuse, user modification of/or attachments to the product, including application of upholstery materials and products or parts not used, maintained or installed in accordance to the company's installation, maintenance and/or guidelines. Your warranty shall be effective for the applicable time period beginning from your date of purchase as shown on your original receipt or proof of purchase. In the event of a product failure during normal use (standard 8 hour day, 5 days per week) within the applicable warranty period, please send a description of the product, part and nature of failure along with proof of purchase to the following address.

The components and materials below are covered according to the following schedule from the purchase date.

Lifetime: All metal office seating, metal and wood combination seating, multiple seating, training tables; this warranty includes but is not limited to: Chromcraft's Molded Ultrafoam®, control mechanisms, bases, casters, glides and pneumatic cylinders for products produced in our Senatobia, MS facility. This warranty is for standard commercial use, which is considered to be a standard eight hour work day, five days a week

Twelve Years: Wood office seating, conference tables and bases are warranted for a period of twelve years of normal use against defects in craftsmanship or structural failure.

Extended Work Hour Warranty: 24/7 warranty is ten years. This warranty is for 7 day, 24 hour multi-shift commercial use and airports.

Big and Tall Seating Warranty: Ten years.

Five Years: Q&A products are warranted for a period of five years of normal use (standard eight hour day, five days a week) against defects in craftsmanship or structural failure.

Fabric: Standard Chromcraft upholstery materials listed in this Price List as Available Fabrics/Price Grades and Grade-In patterns are guaranteed for five years against unusual wear provided the material is not abused and has been cared for properly. This warranty is based on standard

commercial use, which is considered to be a standard eight hour work day, five days a week. All vinyl will be covered for three years. Seating upholstered in fabric, vinyl or leather is sold subject to normal variations and/or irregularities in color, texture and grain. Chromcraft is not responsible for slight differences in fabric color due to supplier dye lot differences on large orders or on repeat orders placed at later dates from the original order. Customer's Own Material (COM/COV/COL) is not covered by upholstery warranty.

Warranty Exclusions: Neither the above warranty nor any other warranties applies to the following:

- Normal wear and usage which are to be expected over the life of any product.
- Modifications or attachments to the product that are not approved by Chromcraft.
- Products that are not assembled, installed or maintained per Chromcraft product instructions and warnings.
- Damage caused by the carrier in transit, which are covered under separate terms. In the event of a product failure, the part(s) of the product that is defective will be replaced at no charge with freight prepaid to the dealer or end-user.

ANY OTHER RELATED EXPENSES INCLUDING LABOR FOR INSTALLATION OR ANY LOCAL TRANSPORTATION IS NOT INCLUDED OR COVERED BY THIS WARRANTY.

This warranty is based on a standard work week, single shift 8 hours per day, 5 days per week. For 24/7 applications your warranty is ten years and covers the same materials as our standard warranty. This warranty applies only to products sold within the United States of America after 03/01/2010.

ALL CLAIMS MUST HAVE A PRIOR INSPECTION AND FACTORY APPROVAL BEFORE ANY RETURN OR REPLACEMENT CAN BE MADE.

Limitations of Liability

Except as otherwise provided, Chromcraft makes no other warranties, expressed or implied, including but not limited to the warranties of merchantability and fitness for a particular purpose. Under no circumstances, including but not limited to breach of contract, breach of warranty of negligence, shall Chromcraft be liable for loss of profits, loss of goodwill, stored data, general, special, consequential or exemplary damages, even if Chromcraft had notice of these damages or they were foreseeable, Chromcraft shall not be responsible for verifying dealer's or customer's description of needs, data, or the fitness for a particular purpose of goods. Chromcraft liability in all cases shall be limited to repair or replacement of the defective parts, or the purchase price of the product. Damages resulting from misuse, abuse, alteration, negligence, accidents or lack of maintenance are not covered under this warranty.

ANSI/BIFMA

All Chromcraft products meet or exceed ANSI/BIFMA standards as developed by the Business and Institutional Furniture Association of America.

THE WARRANTY ABOVE IS SUBJECT TO CHANGE AT CHROMCRAFT'S DISCRETION WITHOUT NOTICE.

CLARIDGE PRODUCTS

CLARIDGE PRODUCTS

MLC DELUXE SERIES

Features

- Smooth, economical, white MLC (melamine) non-magnetic writing surface
- Natural oak finish frame and marker tray; mitered corners
- Z-bar clips
- 4 assorted LCS markers and one eraser cloth
- 1-3/4" Face Trim

Writing Surface: MLC (Melamine) provides a smooth, white, non-magnetic writing surface. Synthetic dry-erase surface applied to hardboard. Economical, non-magnetic, white melamine writing. Panel is 1/4" Thick. For use with LCS Markers.

Size: 4' H x 8' W

WARRANTY: Generally, Claridge porcelain enamel steel markerboard and chalkboard writing surfaces carry a Limited Warranty for the Life of the Building. Glass writing surfaces have a Limited Warranty for ten (10) years from the date of purchase. Other products and build components generally carry a one-year Limited Warranty against defects in materials and workmanship.

LCS3 PORCELAIN WRITING SURFACES: Under normal usage and maintenance, and when installed in accordance with manufacturer's instructions and recommendations, Claridge LCS3 Porcelain enamel steel markerboard and chalkboard writing surfaces are guaranteed for the Life of the Building. Guarantee covers replacement of defective boards but does not include the cost of removal or reinstallation.

GLASS WRITING SURFACES: When properly installed in a suitable environment and under normal intended usage, care, and maintenance, including the use of proper markers, erasers, and cleaners; Claridge glass markerboard writing surfaces are guaranteed for ten years. This warranty excludes, among other things, any and all damages resulting from earth movements or any other natural and/or man-made disasters. We do not recommend the use of abrasive cleaners on the glass surface as they may dull or "pit" the surface of the glass. Guarantee covers replacement of defective surfaces but does not include damage to the edge of the glass board, the cost of removal or reinstallation.

COLLINS FLAGS

COLLINS FLAGS

TIRE SALE BANNER

This huge 11' 6" x 2' Tire Sale banner flag will display your message with or without wind. The Tire Sale blade banner is printed on durable, weather-proven Polyknit material. Screen dyed banner in a bright vibrant color offering superior color saturation front to back. This banner is finished with a white pole sleeve up the entire length of the flag. This sleeve is closed at the top and fits a maximum pole diameter of 1 1/2". We designed this product to work with our 15' Better Banner flag pole with a flexible tip and various mounting bracket options. (Poles and Mounts sold separately)

Size: 11.5' H x 2' W

WARRANTY: There is no expressed warranty for Better Banner products or hardware except for manufacturer defects. The Better Banner products are for indoor or outdoor use and are subject to the hazards of the environment, including acts of nature. These Better Banners have a typical life span of 3-4 months if displayed 24 hours a day, depending on weather conditions. We will NOT warranty for bent poles AFTER installation. Life span of all products may be extended by bringing products in at night and/or during high winds or stormy conditions. Manufacturing defects are evaluated on a case-by-case basis.

COMMUNITY

COMMUNITY

EMERSON 701A WOOD ARM CHAIR

Details of Construction: Solid Wood construction for long life; Mortise and tenon joint construction with corner blocks, glue, and screws; Frames reinforced with corner blocks

Wood Species: To be selected from manufacturer's standard wood species. Solid wood construction for long life. Oak or Maple available.

Wood Finish: To be selected from manufacturer's standard wood finish as determined by wood species selection. Eight finish options for Oak and twenty-one finish options for Maple. Community applies an environmentally safe top coat, DuraTex, as standard procedure on all products. DuraTex offers three primary benefits: safety, by significantly reducing hazardous formaldehyde emissions to improve the quality of the indoor air we breathe; durability, meeting a wide range of demanding performance and environmental standards to withstand even the heaviest wear and tear; and quality, providing a finish that preserves the natural beauty of wood our customers have come to expect. Community offers a natural finish on a variety of wood species. The natural finish is designed to be translucent so it in no way hides or masks the natural characteristics of the selected wood species.

Hardware: Each chair is equipped standard with rubber cushion metal glides.

Overall Size: 21-1/2" W x 22-1/2" D x 33-1/4" H

Seat Dimensions: 19-3/4" W x 18" D x 18" H;

Arm Dimensions: 26-1/2" H

WARRANTY: Community warrants to the original purchaser that each piece of furniture will be free from defects in workmanship given normal use for a period of fifteen (15) years of single shift service. Products used in multiple shift applications including but not limited to restaurants, casinos, nightclubs, etc. are warranted for five (5) years. Casters are warranted to be free from defects in materials and workmanship for a period of five (5) years. Fabric manufacturer's warranty will apply. Electrical items not manufactured by Community are covered for a period of one (1) year. Community, at its options, will repair or replace any defective furniture within the terms of the warranty. This does not apply to damages resulting from accident, alteration, or misuse. Goods other than furniture are sold by Community to customer without warranty.

DAKTRONICS

PANAVIEW-FB-2026-PV-F-FOOTBALL SCOREBOARD

This outdoor LED football scoreboard displays period time to 99:59, HOME and GUEST scores to 99, TIME OUTS Left to nine, and DOWN/TO GO/BALL ON/QTR (quarter) information. Arrows indicate possession. When period time is less than one minute, the scoreboard displays time to 1/10 of a second.

Digits & Indicators: Clock digits are 30" high. T.O.L. digits are 18" high. All other digits are 24" high. Select red, amber, or white LED digits and indicators. Scoreboard features robust weather-sealed digits. Digits may be dimmed for night viewing.

Captions: HOME and GUEST captions are 15" high. TIME OUTS LEFT captions are 10" high. Standard captions are vinyl, applied to the display face. Optional backlit captions consist of white letters on a black background. Team names are 14" high. All other captions are 12" high. Optional electronic captions change according to the sport mode, eliminating the need for caption panels. Electronic captions and TNMCs are 10.6" high.

Construction: Alcoa aluminum alloy 5052 for excellent corrosion resistance.

Operating Temperatures: Display - -22 degrees to 122 degrees Fahrenheit. Console – 32 degrees to 130 degrees Fahrenheit.

Mounting: Scoreboard is typically mounted on three vertical beams or poles. Hardware to mount scoreboard on three beams is included; hardware for more beams is at additional cost. Standard mounting uses I-beam clamps. Optional mounting method using angle brackets is also offered' maximum beam width is 12" and maximum beam depth is 22".

Service Access: Digit panels and electronics are serviced from the front of the scoreboard.

General Information: Scoreboard provides scoring capabilities for two teams. 100% solid state electronics are housed in an all aluminum cabinet. Scoreboard is shipped in two sections. Scoreboard power is to be provided on a dedicated circuit to prevent loss of game information due to failure of another component on the circuit. Specifications and pricing are subject to change without notice.

Product Safety Approval: ETL-listed to UL 48, tested to CSA standards, and CE-labeled.

LED Message Center and Scoreboard Warranty and Limitation of Liability: This Warranty and Limitation of Liability (the "Warranty") sets forth the warranty provided by Daktronics with respect to the Equipment. By accepting delivery of the Equipment, Purchaser agrees to be bound by and accept these terms and conditions. Unless otherwise defined herein, all terms within the Warranty shall have the same meaning and definition as provided elsewhere in the Agreement.

DAKTRONICS WILL ONLY BE OBLIGATED TO HONOR THE WARRANTY SET FORTH IN THESE TERMS AND CONDITIONS UPON RECEIPT OF FULL PAYMENT FOR THE EQUIPMENT.

1. Warranty Coverage

- A. Except as otherwise provided herein, Daktronics warrants to the original end-user that the Equipment will be free from Defects (as defined below) in materials and workmanship for a period of:
 - 1. Five (5) years for permanently mounted LED Message Centers and Scoreboards

- (including radio components)
2. One (1) year for portable scoreboards and digit-based price, time and rate displays.
 3. One (1) year for battery-packs, handheld control consoles/units, speakers, and solar powered equipment.

The period of time defined by the type of Equipment shall be called the Warranty Period. The Warranty Period shall commence on the earlier of: (i) four weeks from the date that the Equipment leaves Daktronics' facility; or (ii) Substantial Completion defined herein. The Warranty Period shall expire on the anniversary of the commencement.

"Substantial Completion" means the operational availability of the Equipment to the Purchaser in accordance with the Equipment's specifications, without regard to punch-list items, or other non-substantial items which do not affect the operation of the equipment.

- A. Daktronics' obligation under this Warranty is limited to, at Daktronics' option, replacing or repairing, any Equipment or part of thereof that is found by Daktronics not to conform to the Equipment's specifications. Unless otherwise directed by Daktronics, any defective part or component shall be returned to Daktronics for repair or replacement. This Warranty does not include on-site labor charges to remove or install these components. Daktronics may, at its option, provide on-site warranty service. Daktronics shall have a reasonable period of time to make such replacements or repairs and all labor associated therewith shall be performed during regular working hours. Regular working hours are Monday through Friday between 8:00 a.m. and 5:00 p.m. at the location where labor is performed, excluding any holidays observed by either the Purchaser or Daktronics.
- B. Daktronics shall pay ground transportation charges for the return of any defective component of the Equipment. All such items shall be shipped by Purchaser DDP Daktronics; designated facility. If returned Equipment is repaired or replaced under the terms of this warranty, Daktronics will prepay ground transportation charges back to the Purchaser and shall ship such items DDP Purchaser's designated facility; otherwise, Purchaser shall pay transportations charges to return the Equipment back to the Purchaser and such Equipment shall be shipped Ex Works Daktronics designated facility. All returns must be pre-approved by Daktronics before shipment. Daktronics shall not be obligated to pay freight for any unapproved return. Purchaser shall pay any upgraded or expedited transportation charges.
- C. Any replacement parts or Equipment will be new or serviceably used, comparable in function and performance to the original part or Equipment, and warranted for the remainder of the Warranty Period.
- D. Defects shall be defined as follows. With regard to the Equipment (excepting LEDs), a "Defect" shall refer to a material variance from the design specifications that prohibit the Equipment from operating for its intended use. With respect to LEDs, "Defects" are defined as LED pixels that cease to emit light. The limited warranty provide by Daktronics doe not impose any duty or liability upon Daktronics for partial LED pixel degradation nor does the limited warranty provide for the replacement or installation of communications methods including but not limited to, wire, fiber optic cable, conduit, trenching, or for the purpose of overcoming local site interference radio equipment substitutions.

EXCEPT AS OTHERWISE EXPRESSLY SET FORTH IN THIS WARRANTY, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, DAKTRONICS DISCLAIMS ANY AND ALL OTHER PROMISES,

REPRESENTATIONS AND WARRANTIES APPLICABLE TO THE EQUIPMENT AND REPLACES ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, ACCURACY OR QUALITY DATA. NO ORAL OR WRITTEN INFORMATION, OR ADVICE GIVEN BY THE COMPANY, ITS AGENTS, OR EMPLOYEES, SHALL CREATE A WARRANTY OR IN ANY WAY INCREASE THE SCOPE OF THIS LIMITED WARRANTY.

THIS LIMITED WARRANTY IS NOT TRANSFERABLE

1. Exclusion from warranty Coverage

The limited warranty provided by Daktronics does not impose any duty or liability upon Daktronics for:

- A. Any damage occurring, at any time, during shipment of Equipment unless otherwise provided for in the Agreement. When returning Equipment to Daktronics for repair or replacement, Purchaser assumes all risk of loss or damage, and agrees to use any shipping containers that might be provided by Daktronics and to ship the Equipment in the manner prescribed by Daktronics;
- B. Any damage caused by improper installation, adjustment, repair or service of the Equipment by anyone other than personnel of Daktronics or its authorized repair agents;
- C. Damage caused by the failure to provide a continuously suitable environment, including but not limited to: (i) neglect or misuse, (ii) a failure or sudden surge of electrical power, (iii) improper air conditioning, humidity control, or other environmental conditions outside of the Equipment's technical specifications such as extreme temperatures, corrosives and metallic pollutants, or (iv) any other cause other than ordinary use;
- D. Damage caused by fire, flood, earthquake, water, wind, lightning or other natural disaster, strike, inability to obtain materials or utilities, war, terrorism, civil disturbance or any other cause beyond Daktronics' reasonable control;
- E. Failure to adjust, repair, or replace any item of Equipment if it would be impractical for Daktronics personnel to do so because of connection of the Equipment by mechanical or electrical means to another device not supplied by Daktronics, or the existence of general environmental conditions at the site that pose a danger to Daktronics personnel;
- F. Any statements made about the product by any salesperson, dealer, distributor or agent, unless such statements are in written document signed by an office or Daktronics. Such statements as are not included in a signed writing do not constitute warranties, shall not be relied upon by Purchaser and are not part of the contract of sale;
- G. Any damage arising from the use of Daktronics products in any application other than the commercial and industrial applications for which they are intended, unless, upon request, such use is specifically approved in writing by Daktronics;
- H. Any performance of preventive maintenance;
- I. Third-party systems and other ancillary equipment including without limitation front-end video control systems, audio systems, video processors and players, HVAC equipment, batteries and LCD screens;
- J. Incorporation of accessories, attachments, software or other devices not furnished by Daktronics; or
- K. Paint or refinishing the Equipment or furnishing material for this purpose

1. Limitation of Liability

Daktronics shall be under no obligation to furnish continued service under this Warranty if alterations are made to the Equipment without the prior written approval of Daktronics.

It is specifically agreed that the price of the Equipment is based upon the following limitation of liability. In no event shall Daktronics (including its subsidiaries, affiliates, officers, directors, employees, or agents) be liable for any special, consequential, incidental or exemplary damages arising out of or in any way connected with the Equipment or otherwise, including but not limited to damages for lost profits, cost of substitute or replacement equipment, down time, lost data, injury to property or any damages or sums paid by Purchaser to third parties, even if Daktronics has been advised of the possibility of such damages. The foregoing limitation of liability shall apply whether any claim is based upon principles of contract, tort or statutory duty, principles of indemnity or contribution, or otherwise.

In no event shall Daktronics be liable to Purchaser or any other party for loss, damage, or injury of any kind or nature arising out of or in connection with this Warranty in excess of the purchase price of the Equipment actually delivered to and paid for by the Purchaser. The Purchaser's remedy in any dispute under this Warranty shall be ultimately limited to the Purchase Price of the Equipment to the extent the Purchase Price has been paid.

2. Assignment of Rights

The Warranty contained herein extends only to the original end-user (which may be the Purchaser) of the Equipment and no attempt to extend the Warranty to any subsequent user-transferee of the Equipment shall be valid or enforceable without the express written consent of Daktronics.

3. Governing Law

The rights and obligations of the parties under this warranty shall not be governed by the provisions of the United Nations Convention on Contracts for the international Sales of Goods of 1980. Both parties consent to the application of the laws of South Dakota to govern, interpret, and enforce all of Purchaser and Daktronics rights, duties, and obligations arising from, or relating in any manner to, the subject matter of this Warranty, without regard to conflict of law principles.

4. Availability of Extended Service Agreement

For Purchaser's protection, in addition to that afforded by the warranties set forth herein, Purchaser may purchase extended warranty services to cover the Equipment. The Extended Service Agreement, available from Daktronics, provides for electronic parts repair and/or on-site labor for an extended period from the date of expiration of this warranty. Alternatively, an Extended Service Agreement may be purchased in conjunction with this warranty for extended additional services. For further information, contact Daktronics Customer Service at 1-800-DAKTRONICS (1-800-325-8766).

- Ships assembled

Veneer: Maple, 25% upcharge for Tech Walnut

Finish Color: To be selected from manufacturers standard options, but not necessarily limited thereto. Indicate additional cost for special match color.

Size: 17.5" W x 21" D x 45.5" H

WARRANTY: DARRAN Furniture Industries, Inc. warrants that each piece of furniture manufactured in its North Carolina Facilities will be free from defects in material and workmanship for as long as the original purchaser owns and uses the product. Subject to the limitations and exclusions herein, DARRAN, at its discretion and as the sole remedy under the DARRAN Limited Lifetime Warranty, will replace or repair a defective product or components with comparable product or components free of charge. This warranty is made only to the original purchaser from an authorized DARRAN dealer, for as long as that original purchaser owns and uses the product.

LIMITATIONS: USE / CARE

- Warranty is limited to normal single shift use.
- Warranty is limited to generally accepted care and maintenance of natural wood products and environments.
- Natural wood surfaces are subject to denting, scratching, and gauging if not properly used and cared for. Warranty is subject to use and care in accordance with the use and care instructions provided in the Product Care section of this site (including, but not limited to, the care and maintenance guide downloads linked thereon), available at www.darran.com/product care, which are incorporated herein by reference.

LIMITATIONS: MATERIALS / COMPONENTS

- Chair Frames - 10 Years
- Veneers / Laminates / Hardwoods - 10 Years
- Custom / Modified Products - 3 Years
- Foam Padding - 5 Years
- Metal Accents / Glides - 10 Years
- High Use Items - 5 Years (High Use Items include, but are not limited to, table arms, electrical components, ganging mechanisms, pneumatic lifts, and polymer-based components)

WARRANTY EXCLUSIONS

Damage identified as carrier or installer related.

- Normal wear and tear of wood products during course of ownership.
- Color, grain, or texture of natural wood materials, laminates, and other covering materials.

- Damages or failures resulting from misuse, abuse, negligence, improper care, modifications, or relocation.
- Non Commercial use or locations.
- C.O.M (Customer’s Own Material) specified by the Customer.
- Textiles (which may be subject to a separate warranty from the textile manufacturer).

All Warranty Claims are subject to DARRAN-approved inspections. Disputes may involve independent third-party evaluation

DELFLECTO

PREMIUM GLASS CHAIR MAT 48" X 60" RECTANGLE

Product Features:

- Extremely durable, 1/4" thick, tempered recycled glass mat suitable for combined user and chair weights up to 1,000 lbs.
- Non-studded bottom surface for use on all pile carpets and hard floor surfaces
- Exceptional clarity allows you to show off any flooring, including carpet, tile, and hard floors
- Provides maximum, long-lasting durability to protect flooring from caster wear, spills and heavy traffic
- Smooth, easy-glide rolling surface resists indentations providing effortless chair movement and helps reduce back stress
- Scratch-resistant surface cleans up easily
- Beveled edges
- Limited Lifetime Product Replacement Warranty
- Patented - No. 8,168,286,B2

Size: 48" x 60"

WARRANTY: Deflecto, LLC ("Deflecto") warrants its premium glass chairmats to be free from defects in workmanship and materials at the time of shipment to the original purchaser and/or date of original purchase. Should a Deflecto glass chairmat break or crack under normal usage and proper application, we will replace the chairmat or refund the purchase price at our discretion, upon proof of purchase for as long as you own the chairmat. This limited warranty does not include shipping charges and processing charges to and from the factory and/or distribution facility. Product replacement or refund of purchase price are the sole remedies provided under this limited warranty. Deflecto is not responsible for consumer abuse, misuse, or mishandling of the product. The use of the chairmat in conjunction with a chair having metal chair casters, hard chair casters meant for carpeted surfaces or casters with surface contact of less than one-half inch in width are not covered under this limited warranty. This limited warranty does not cover damage arising from negligence, improper use or application, fire, house pets, wet mopping, excessive dryness, excessive exposure to moisture, sand, dust, dirt and/or other sharp or abrasive objects or furniture. Deflecto does not recommend use on unclean or concrete surfaces, use on newly-installed/newly- varnished or painted flooring, or use on custom flooring without checking with floor manufacturer and/or treatment specialist prior to use.

This limited warranty excludes and will not pay consequential or incidental damages associated with any warranty claim. Product replacement or refund of the cost of the chairmat are the sole remedies. No distributor, retailer, sales representative, agent, or employee associated with Deflecto, directly or indirectly, may in any way alter or increase the written terms, conditions, exclusions or limitations of this warranty

This limited warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

FLOYD BAR STOOL

The Floyd Stool consists of steel frame construction with a wood veneer seat and seat back. The stool is stackable.

Frame Material: Steel

Metal Color: To be selected from manufacturer's standard Metal Options B, but not necessarily limited thereto. Indicate additional cost for special match color.

Wood Veneer: To be selected from manufacturer's Wood Options D, but not necessarily limited thereto. Indicate additional cost for special match color.

Size: 20" W x 41.25" H

Seat Height: 29.5" H

WARRANTY: All of Designform Furnishings products are commercially rated unless otherwise noted. Designform Furnishings warrants its products to be free from defects in material and workmanship for as long as the original customer owns and uses the product under normal use conditions for a period of three years from the shipment date. If a product is defective, and if written notice and accompanying photos of the defect is provided, Designform furnishings, at its option, will replace or repair the defective part or product. If the defective product is no longer available then a comparable product(s) option will be provided. All claims under this warranty must be made by the original purchaser within thirty days of the alleged defect.

If a product is defective, and if written notice and accompanying photos of the defect are provided, Designform Furnishings, at its option, will replace or repair the defective part or product at its discretion. If the defective product is no longer available, then a comparable product(s) option will be provided. All claims under this warranty must be made by the original purchaser, within thirty days of the alleged defect.

This warranty does not apply to defects from normal wear and tear, accidents, negligence, abuse, shipment, handling, storage or environmental conditions. Products with any wood components will not be covered under warranty due to the product being used outdoors or in a non-conditioned environment where temperature and humidity levels fall outside of acceptable limits. This warranty is the customer's sole remedy for product defect.

Designform Furnishings will not be liable for lost profits, replacement rental costs, labor costs for removal and installation of the product, other costs of repair or replacement, or any other direct or indirect costs resulting from any defects in material or workmanship. Our liability under this warranty is limited to repair or replacement of the defective item(s) only.

Color: Available in brushed nickel

Size: 15.83" H x 15.75" W

WARRANTY: GENERAL PRODUCT LIMITED WARRANTY. ITC Incorporated under its corporate name or the elio trade name (collectively hereafter referred to as the "Company") warrants, to the original purchaser, that the product will be free of defects in materials and/or workmanship for the period of time set forth herein. This warranty period will begin from the original date of purchase of the product. Except as set forth below, this general product limited warranty will extend for three years. All assist handles will have a three-year warranty period, provided that crazing caused by chemical attack from a contaminant is not covered by any warranty. Power supplies also have a 3-year warranty. All LOOK backlit mirrors will carry a three-year warranty which includes the mirror, light engine and power supply. LED replacement bulbs including but not limited to MR16 & MR11 fixtures are warranted for one year when used without an ITC power supply. All products within the Compel series will have a five-year warranty.

MAXIMUM LIABILITY the Company's liability to repair or replace a damaged item shall be limited to the original purchaser of the item, or in the event product is purchased by an authorized distributor, limited warranty may be transferred to subsequent purchasers as long as parts are resold in new condition, at the original invoice price of the damaged unit. Labor and freight will not be included in

INSPECTION. The Company reserves the right to review the damaged product and the site where the damage occurred. The Company may require the purchaser to ship the item to the Company for inspection. The damaged item must remain available for inspection until the claim is finalized. In the event the Company requests to inspect the product, it agrees to dispatch its findings pertaining to the alleged defective product within 45 days of receiving the product. Whenever claims are settled, the Company reserves the right to be subrogated under any existing insurance policies the purchaser may have.

EVENTS THAT VOID WARRANTY All above warranties are null and void if any one or more of the following events occurs: (a) the item is not provided to ITC for inspection upon the Company's request; (b) the Company determines that the item has been improperly installed, altered in any way or tampered with; (c) the Company determines that the item was not used under normal operating conditions or in accordance with labels or instructions for the item including, (d) the Company determines the product was not properly maintained, and/or; e) the Company determines that an unauthorized repair, modification, disassembly, or other changes to the product created the alleged defect. In addition to the foregoing, this Warranty does not protect against damage to the product when the Company determines, in its sole discretion, that the damage resulted from acts of God such as lightning, flood, earthquake, war, vandalism, theft, normal-use wear and tear, terrorism, strikes, and labor stoppages. This warranty specifically excludes damage, deterioration or discoloration caused by sunlight or similar ultraviolet rays and/or wavelengths and/or dents, holes or scratches to the unit caused by stones, rocks and/or debris.

EXCLUSIVE REMEDY This Warranty contains the sole warranty of the Company with respect to the product and is given in lieu of all other warranties. There are no other warranties, express or implied, including implied warranties of merchantability or fitness for a particular purpose and any implied warranties that cannot be waived and/or excluded are hereby limited in duration to the terms of this Warranty.

LIMITATION ON LIABILITY In no event shall the Company or any affiliate of the Company be liable for direct, indirect, special, incidental, consequential, or multiple damages arising out of the use of the item, regardless of the legal theory on which such claim is based, even if the Company has been advised of the possibility of such damage. Consequential damages shall include, but are not limited to loss of profits, loss of savings or revenue.

ENCORE

NEXXT FULLY UPHOLSTERED TASK CHAIR

Encore Nexxt Task chair with adjustable T- arms. Fully upholstered seat and back. Elliptical Tubular Steel frame. Separate seat and back. Fixed back height. Basic chair control function: 360-degree swivel, pneumatic seat height. Arms shall be adjustable T-style arms - black finish, allow for 4" arm height adjustment.

Fabric: Grade 2. Color to be selected from manufacturer's Grade 2 Fabrics, but not necessarily limited thereto. Indicate additional cost for special match color or premium fabric.

Adjustable Arm Trim: Available in Black or Chrome.

Frame Finish: Available in Satin Black or Metallic Silver

Base Finish: Available standard in Black Nylon or Polished Aluminum for additional cost.

Size: 24" W x 23.5" D x 33.5" - 38.5" H

WARRANTY: Encore provides a lifetime warranty for all seating products to be free from defects in material and workmanship on structural frame components. All other materials fall under the applicable warranty periods listed in below. The company will repair or replace, at its option, without charge to the original purchaser only, defective products or parts that fail during normal use (normal use is defined as eight (8) hour days, five (5) days per week) throughout the applicable warranty period. Field labor and service(s) are not covered under this warranty.

- Lifetime Warranty: Frame components, Adjustable arms and arm pads, mechanisms, Gas cylinders, Casters
- 10-Year Warranty: Foam, Exposed wood components, Tables, Tablets,
- 5-Year Warranty: Mesh and knit materials
- 2-Year Warranty: Stool Footrings
- 1-Year Warranty: Fabric/Vinyl (excluding COM, COV, and COL), Electrical Units

COM, COV and COL are also not covered by this warranty. Normal wear and tear is the responsibility of the specifier. Please consult with upholstery material suppliers for performance criteria of individual materials. Due to the inherent stretch properties of certain woven and/or vinyl upholstery materials, Encore cannot be held responsible for wrinkles or "puddling" that can occur in some materials.

The foregoing warranty excludes any damages or defects caused by abuse of this product or its use for a purpose other than what the chair was intended. Encore Seating does not assume responsibility for unauthorized repairs to chairs that sustain damages resulting from user modification, improper assembly, attachments to product, misuse, alteration or negligent use of the product. TO THE EXTENT ALLOWED BY LAW, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE APPLICABLE TO THIS ENCORE SEATING PRODUCT IS LIMITED IN DURATION TO THE DURATION OF THE ABOVE EXPRESSED WRITTEN WARRANTY.

LIMITATION ON LIABILITY: IN NO EVENT SHALL ENCORE SEATING BE LIABLE TO THE PURCHASER FOR ANY INCIDENTAL, INDIRECT, CONSEQUENTIAL, SPECIAL, OR EXEMPLARY DAMAGES OR LOST PROFITS, EVEN IF ENCORE SEATING HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

Some states do not allow the exclusion or limitation of incidental or consequential damages; hence the above restrictions or exclusions may not apply to you. This warranty gives you specific legal rights and you may also have other rights that vary from state to state.

24-Hour Intensive Use Limited Warranty is available for purchase.

BRANDON FLIP TOP TABLE

Table Tops: Table top core is CARB Phase I & Phase II Compliant. Laminate, wood veneer and phenolic backing are glued with water-based adhesives. PVC T Mod

Brandon T Bases: Base is 2" round 14 gauge – 22" spread. Columns are 2" round 14 gauge. Plate are 5" x 5" 12-gauge stamped steel (Flip-Top or Folding). Assembly - Top plate is welded to the vertical column and the vertical column is welded to the horizontal base plate. No tie rod assembly. Base mounts to tabletop with ¼-20 x 1" machine screws into metal inserts in top. Stretcher steel bars are used on tops 72" and longer. Glides - Standard with adjustable zinc rubber cushion steel glides.

Finish: Choice of standard powder coat colors

Flip-top mechanism: aluminum die-cast top plate and aluminum housing with single handle cable release.

Edge Selection: Black PVC T-Mold Edge

Laminate Selection: To be selected from manufacturer's Group 1 laminates, but not necessarily limited thereto. Indicate additional cost for special match color or premium fabric.

Size: Item #70: 60"W x 30"D x 29"H.

Size: Item #71: 72"W x 24"D x 29"H.

Warranty: LIFETIME WARRANTY - ERG International warrants to the original purchaser of new products to be free from defects in material, workmanship and specification for a LIFETIME under conditions of normal use and maintenance. If a defect causes failure of the product or a portion of the product, ERG International at its sole discretion will either repair or replace the defective product at no charge to the original purchaser. This warranty policy covers furniture frames, chair frames and shells (poly/wood), soft seating frames, stationary table bases, occasional tables, beam and cluster frame and shells, springs, legs and structural components. When ordering from ERG International tops and/or bases ONLY, ERG's standard warranty will be null & void. ERG will not be held liable for any tops or bases used in conjunction with another manufacturer's top or base.

10 Year Warranty - ERG International warrants to the original purchaser of new products to be free from defects in material, workmanship and specification for a period of ten (10) years under conditions of normal use and maintenance, except as noted below. If such a defect causes failure of the product or a portion of the product, ERG International at its sole discretion will either repair or replace the defective product at no charge to the original purchaser. This warranty policy includes foam, chair and table control mechanisms, pneumatic cylinders, casters and any other additional options. Plastic, laminate, power/data worksurface products, adjustable height table bases and solid surface materials are not covered by ERG International but are covered only by the original manufacturer's warranty.

Two Year Warranty - A Two Year Warranty applies to Kelly series stool pneumatic lift mechanism.

One Year Warranty - Laminate Self-Edge on conference and occasional tables are covered for one year due to the decreased durability of laminate self-edge. (ERG does not offer self-edge on cafe or

training tables.)

Chair Weight Levels - All chairs* are rated level tested and warrantied for 350 lbs. All lounge seats are tested at 500 lbs per seat. The Teriana Midsize is rated at 500 lbs. All Bariatric seating is rated at 750 lbs. *Foray Wood Leg and Elliot Wood Leg - max weight is 250 lbs.

Fabric Note - Normal wear and tear over the course of ownership, including fabric puddling or damage from sharp objects is not covered by this warranty. The content of certain fabrics can cause puddling and wrinkling over which ERG has no control. Differences in climate and humidity can affect fabrics. ERG will not assume responsibility when this happens, or if customer uses non-approved cleaning solutions. For Fabric warranties, see specific textiles vendor.

Warranty Policy Notes - Any repairs made by the customer must receive specific authorization in the form of an RGA Number from ERG International, before being executed on location by purchaser. The cost of any repair must be approved by ERG International prior to any repair being completed. If at any time, the ERG product is altered or abused, then warranty is null and void. No freight charges will be paid by ERG for replacement or repairs of any parts after one (1) year of service. There are no warranties except as stated above whether expressed or implied, including but not limited to any warranty of merchantability or fitness for any particular purpose. ERG International shall not be held liable for consequential or incidental damage arising from any product defect.

FALCON COMPANIES

ROUND TABLE

Table top: 13000 Series Table Top shall be constructed of 1.25" thick high-grade particle board with high pressure laminate. Edge shall be vinyl T-mold.

Base: 4300 Series Base. Base shall be cast iron with 2" 15-gauge column.

Glides shall be nylon ABS plastic adjustment knobs.

Laminate Color: To be selected from manufacturer's standard colors, but not necessarily limited thereto. Indicate additional cost for special match color.

Base Finish: Grade 1. To be selected from manufacturer's Grade 1 finishes, but not necessarily limited thereto. Indicate additional cost for special match color.

WARRANTY: The Standard Warranty for all of the Company's products is one (1) year from the date of invoice. There are some exceptions to the duration of the warranty with regard to the products and circumstances mentioned below. All warranties have certain limitations and do not cover wear and tear items nor do they apply to products, which have been abused or neglected or modified in any way from the original delivered product. III. Repairs and replacements do not extend any product warranty. In the event of any authorized repairs, the warranty term remains the order's original and earliest date of invoice. Rusting of cast iron is not covered by the warranty. Cast Iron table bases are not recommended for outdoor use and such use, even if temporary or seasonal, will void applicable warranties. Customer's Own Material & Leather (COM & COL) is excluded from this warranty. Materials and components not manufactured by CF Group, for use on the Company's furniture, are warranted for one year, or to the extent expressed by their manufacturer. These materials include, but are not limited to, all fabrics, filling materials, seat boards, laminates, veneer, edges, glides, casters, caster sockets, cylinders, wheels/tires, all hardware such as screws, bolts, staples, fastening tabs and fasteners whether metal, plastic, or wood, all ganging devices, cup-holders, removable metal legs, tablets, wood and plastic seat and back shells, foot rests, electrical parts, leg clips whether metal or plastic, plastic leg brackets, locking pins, hooks, springs, buttons, Velcro, nail head trim, hydraulic lifts, flip top mechanism, mesh gallery bags, ferrules, accent collars, grommets, wire managers, washers, threaded rods, all moving and mechanical parts and any other attachment hardware including seat and back tabs. V. No warranty is made as to the selection, aesthetics, colorfastness, wear or aging capability of fabrics, fabric treatments, finishes, or filling materials, including, but not limited to fillers such as foam/poly, cotton and cardboard. VI. The Company does not warrant that any of the above-mentioned materials will conform to their manufacturer's representations or warranties and makes no warranty regarding availability of these parts. The Company does not offer any credit for these parts in the event of bankruptcy or any other disruption of any nature whatsoever to that manufacturer's business which may result in a lack of availability of those parts. The Company does not offer any compensation for any consequential loss or delay arising from unavailability of parts whether this delay occurs before, during or after delivery of products. VII. Damage caused by abuse, misuse, negligence, transit damage, improper storage, accidental damage, wear and tear or improper care and cleaning or lack of maintenance is not covered by the warranty. VIII. It is very important that chairs and tables should be transported using the appropriate chair carrier/table trucks/carts according to the instructions for use. Any failure to do so voids this warranty. IX. The warranty does not cover any cost associated with shipping, handling, temporary rental of furniture, and the installation of repaired or replaced products, unless approved in writing by a Company Officer.

FAUSTINO'S

FAUSTINO'S OFFICE FURNITURE

3500 SERIES SLED BASE SIDE CHAIR

3500 Series Fully-Upholstered Side Chair. Chair to have sled base and arms. Casters are available at an additional cost.

Size: 22"W x 26"D x 32"H.

Seat height: 19"

Arm height: 25".

Fabric: Grade B. To be selected from manufacturer's Grade B fabrics, but not necessarily limited thereto. Indicate additional cost for special match color.

WARRANTY: Faustino's Chair Factory Inc. warrants its cataloged products to the original purchaser, from the date of Faustino's original invoice, for a period of 10 years, on structural integrity and workmanship. A period of 2 years on hardware, application of finish and upholstery. Because environmental conditions, cleaning procedures, and other conditions of use are beyond our control, this warranty does not extend to color fastness and durability of finish color or upholstery. A copy of Faustino's original invoice must accompany any request for warranty or parts, after Faustino's inspection of subject item; it is Faustino's option whether charges will apply. Due to the fact of natural variations in wood product, this warranty does not extend to grain, texture, or color of laminates or wood. This warranty is made by Faustino's, only to authorized dealers acquiring our products directly from Faustino's. Faustino's obligation, and purchaser claim pursuant to this warranty are limited to repair or replacement at Faustino's option. Faustino's warranty is only valid if the products are given normal and proper use for which it was intended and designed for. Faustino's assumes no responsibility for repairs to products sustaining damage from misuse, abuse, handling, alterations, or negligence. All repairs or replacement parts are F.O.B. Faustino's; Faustino's must make any abatement to this in writing. There are no other warranties except as expressly set forth above, either expressed or implied, including any warranty or merchantability, fitness, or any particular purpose. Faustino's shall not be liable for incidental or consequential damage arising from product defects, non-delivery, or other breach by Faustino's.

FIREKING

FIREKING TURTLE FILE CABINET

Fire and Impact Rating: The FireKing® Turtle® carries the Underwriters Laboratories® “Insulated Records Container” classification, which includes a one-hour fire test of 1700° F, an explosion hazard test and a 30-foot impact test.

Insulation: The FireKing Turtle’s casting is of 100% gypsum insulation, dried in a low temperature oven to reduce free moisture to less than ½%. Insulation is reinforced with 1" x 2" 14-gauge galvanized welded steel wire; and insulation between all drawers makes each drawer a separate insulated container.

Field-Replaceable Steel Panels: All exterior FireKing Turtle steel panels are replaceable in the field in the event of minor damage.

Finish: An electrostatically applied powder coating makes for the FireKing Turtle’s superior scratch, scuff and stain resistance. Plus, a five-stage pre-finishing treatment is provided for unmatched adhesion and rust resistance.

Drawers: Suspension: A precision ball bearing telescoping suspension, bayonet mounted to each drawer body, is securely mounted with screws to metal posts in the FireKing Turtle’s file body.

Drawer Bodies: Each FireKing Turtle drawer body is built with high sides for use with hanging folders – no additional frames are required. Drawers are suitable for both letter- and legal-sized filing. For letter sized documents, use a front-to-back filing method; for legal-sized documents, use a side-to-side system.

Drawer Heads: FireKing Turtle drawer heads are formed of welded steel and filled with gypsum insulation. The drawer heads are designed for a tight interlock with the cabinet frame – making the drawers extra-resistant to heat transfer.

Drawer Lock: A four-pin key lock provides general locking of all FireKing Turtle drawers.

Drawer Bypass: In its “up” position, a two-position drawer catch allows that drawer to stay unlocked while all others remain locked.

Drawer Pulls: Recessed for better space utilization.

Free Replacement Guarantee: If your FireKing Turtle is ever required to protect your information in a fire, we will replace your FireKing Turtle for free after it has done its job.

Size: 17-11/16"W x 22-1/8"D x 27-3/4"H

WARRANTY: FireKing File and Storage Cabinet Limited Warranty If a mechanical or operable part of the FireKing record container malfunctions or breaks down during normal use,

FireKing, will at its option, repair or replace such part FREE as long as the original purchaser owns the product. Associated labor costs for the repair or replacement of these parts will be paid by FireKing for two (2) years from the date of purchase (with authorization in advance). In addition, in the event that a FireKing file is damaged in a fire, at any time while in the possession of the original purchaser, FireKing will replace the cabinet free of charge, and ship it freight collect to the original owner.

Warranty service is available by contacting your retail seller, or by contacting FireKing international Inc., 101 Security Parkway, New Albany, IN 47150. Fire King reserves the right to have its representative inspect any product or part to honor any claim, and to receive a purchase receipt or other proof of original purchase before warranty service is performed. This warranty is limited to the terms stated herein. All expressed and implied warranties including the warranties of merchantability and fitness for a particular purpose are excluded, except as stated above. Fire King disclaims all liabilities for incidental or consequential damages resulting from the use of this product, or arising out of any breach of this warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may have other rights as well, which will vary from state to state.

FLEETWOOD

FLEETWOOD

FLEETWOOD SHEERLINE TALL STORAGE CABINET WITH LOCKING DOORS

Sheerline Product Features:

- Cabinets and tables are constructed of a unitized welded steel frame
- Cabinets have steel inner shelving capable of holding heavy loads
- Industrial casters connect directly to the cabinet frame improving stability and movability

Fleetwood Standard Product Information

- Wood: Fleetwood® products are manufactured with TFL (Thermally Fused Laminate) unless otherwise noted. HPL (High Pressure Laminate) is available upon request as a nonstandard.
- Metal: Fleetwood® desks and tables are constructed using fully welded steel frames unless otherwise noted.
- Hardware: European hinges, pulls and locksets are chrome for the Illusions and Designer Collections. 5-Knuckle hinges and pulls are black and locksets are chrome for the Encore Collection. 5-Knuckle hinges and pulls are black for the Harmony Collection. 5-Knuckle hinges, pulls and locksets are chrome for the Library Collection

Cabinet Size: 48" W x 78" H x 22" D

Laminate: Customer can select from Fleetwood's standard laminates.

Edge Band: Customer can select from Fleetwood's standard edge bands.

Paint: Customer can select from Fleetwood's Standard paints.

Warranty: Fleetwood Group Inc. ("Fleetwood") warrants that Fleetwood® brand products are free from defects in materials and workmanship for the life of the product, except as set forth below. This warranty applies to Fleetwood Branded Products delivered in the United States and U.S. territories. The warranty is valid from the date of delivery to the original End User and is non-transferable. Fleetwood® will repair or replace with comparable product, at its option and free of charge (for materials and components) any product, part or component which fails under normal use. If repair or replacement is not commercially practicable, Fleetwood® will provide a refund or credit for the affected product. End User means the final purchaser acquiring a product from Fleetwood® or a Fleetwood® Authorized Reseller for the purchaser's own use and not for resale, remarketing or distribution.

Exceptions to the limited lifetime coverage:

- 12 years: Laminate, solid surfaces, natural wood tops, casters, glides, levelers, hinges, drawer slides, locks, Rock™ seating surface and mechanism, Flip-N-Nest mechanism, Learning Wall white boards
- 5 years: plastic trays and plastic rails
- 3 years: Electrical components, pneumatic cylinders, soft close hinges

Warranty does not apply to product defects, damage, failure or loss resulting from:

- Normal wear and tear (including but not limited to scratching of epoxy tops, maple block tops and phenolic tops, and ghosting on white board desks, tables and Pages™, and puncturing of the Rock™ seating surface.)
- Failure to apply, install, reconfigure, or maintain products according to published Fleetwood or manufacturer instructions and guidelines.

- Abuse, misuse, or accident (including, without limitation, use or storage of product in unsuitable environments or conditions).
- Unauthorized alteration or modification of the product.
- The substitution of any unauthorized non-Fleetwood components for use in the place of Fleetwood components.

Warranty does not cover:

- Products considered by Fleetwood® to be consumables; (Pages™ white boards).
- Variations occurring in surface materials (e.g., colorfastness, matching grains, textures and colors across dissimilar substrates and lots), natural aging found in materials such as wood.
- Any non-standard products that were explicitly excluded from warranty coverage and captured in writing on the quote.

Warranty provides exclusive remedies:

- Pursuant to this limited warranty, if a product fails under ordinary use as a result of a defect in materials or workmanship, Fleetwood® will (i) repair or, at Fleetwood®’s option, replace the affected product at no charge, with a new or refurbished product of comparable function, performance and quality or (ii) refund or credit of the purchase price for the affected product, at Fleetwood®’s discretion, if Fleetwood® determines that repair or replacement is not commercially practicable or cannot be timely made.
- A product “defect” means an inadequacy in the materials or workmanship of the product that (i) existed at the time when you received the product from Fleetwood® or a Fleetwood® Authorized Reseller and (ii) causes a failure of the product to perform under ordinary use in accordance with the materials and documentation for the product.
- An “ordinary use” means use of the product (i) in conformance with all applicable local, state or federal laws, codes and regulations (including without limitation building and/or electrical codes) and (ii) in accordance with manufacturer recommendations and/or instructions in the materials and documentation for the product.
- A “Fleetwood® Authorized Reseller” means any dealer that (i) is duly authorized by Fleetwood® to sell the product, (ii) is legally permitted to conduct business in the jurisdiction where the product is sold, and (iii) sells the product new and in its original packaging.
- Replacement parts are covered for the balance of the original product warranty.

Size: 24"W x 24"D x 50"H

Warranty: Lifetime Warranty: Global warrants that all commercial products are free from defects in material and workmanship, for the life of the product, to the original purchaser. Global will repair or replace, at Global's option, as the sole remedy for any defect covered by the warranty. For detailed conditions, refer to the current Global Price List.

This warranty covers the following product categories.

- General Seating
- Filing
- Panels
- Desks, Modular Furniture and Tables

Global will repair or replace, at Global's option, as the sole remedy for any defect covered by the warranty. The warranty applies to products manufactured after January 1, 2011.

General Commercial Seating: Global's warranty for general commercial seating covers all chair components including pneumatic cylinders, bases, casters, glides, frames, arms, plastic seats, backs and other structural components. Exceptions to the warranty for general commercial seating are as follows: Foam, textiles (as sampled on Global branded and Alliance Partner program cards), mesh material and electrical devices, are warranted for five (5) Years

Control mechanisms are warranted for twelve (12) Years The warranty applies to single shift, standard commercial usage, defined as a standard eight (8) hour day, forty (40) hour week for users weighing up to 300 pounds.

Heavy Duty Seating: Global offers products designed for multiple shift applications (24 hours a day/7 days a week) and larger individuals weighing up to 350 and/or 500 pounds (depending on series and/or model). Global warrants these products for twelve (12) years to the original purchaser. All components (including control mechanisms, pneumatic cylinders, bases, casters, glides, frames, arms, plastic seats/backs, etc.) are covered for 24/7 applications under the warranty. The exceptions are foam and textiles, which are covered for five (5) years. Textiles on these products must exceed 100,000 double rubs for the textile portion of the warranty to apply. Heavy Duty product series that apply under this warranty currently include: Concord Executive 24 hour, Dexter/Dexter+, Granada TS,

Granada Deluxe TS, Malaga TS, ObusForme Comfort TS, Robust, Saxon, Truform TS and Vion TS.

Textiles: Global warrants Global branded textiles and Alliance Partner carded textile programs inclusive of fabrics, vinyls and leather products for five (5) years. Alliance Partner textile programs are currently with Arc|Com, CF Stinson, CLT Prescott Leather, Designtex, EnviroLeather by LDI, Green Hides, KnollTextiles, Luum, Maharam, Mayer, Momentum, Morbern, Ultrafabrics and Victor. Global does not warrant COM (Customer Own Materials) or GPM (Global Purchased Materials) that are customer specified materials, or graded-in and purchased by Global for a customer. For GPM or COM products, please contact the textile supplier for performance information and warranty details.

Files, Desks, Modular Furniture, Tables, Panels & Accessories: Global warrants all components of metal storage and filing, laminate and wood veneer desks, laminate and wood veneer tables, metal leg components and panels for the lifetime of the product to the original purchaser.

Exceptions to the warranty for Files/Desks/Tables and Panels are as follows:

- Electrical devices, panel and tackboard textiles, adjustable keyboard mechanisms/lecterns/coat trees and task lights – five (5) Years
- Folding tables (laminate and Lite Lift II models) – one (1) Year

Global's Warranty does not apply (for any product category) to the following:

- Failures due to wear and tear
- Failures which result from negligence, abuse, accident or misuse
- Failure to apply, install or maintain products according to Global's written instructions and warnings
- Modifications, attachments or repair methods not approved by Global
- Damage caused by a carrier in transit, or delivery/installation contractors
- The matching of colors, grains or textures (wood, leather, etc.) of natural materials and color matching of textiles
- Products exposed to extreme hot or cold temperatures or excessively dry or humid Environments
- Colorfastness or the matching of color of textiles
- Damage by markings or staining; damage by sharp objects or imprinting from instruments
- Damage to textiles or laminate and wood surfaces/edges from exposure to sunlight (including UV rays)
- Products used for rental purposes

Global's warranty does not cover the costs of transportation or labor. Repair or replacement will be at Global's option.

GOALSETTER

GOALSETTER SYSTEMS

GS48 WALL MOUNT SYSTEM

The smallest in the wall-mount basketball hoops line up, the 48" x 32" Goalsetter GS48 is the obvious choice when space for a basketball goal is limited and backboard height adjustability is desired. You will find the same ease of adjustment, durability, and ease of installation that are hallmarks of the Goalsetter line in the GS48 basketball goal. With a height adjustment range of 7'-10', you can set your basketball goal to the optimum height as your kids continue to play and grow.

Backboard Details

- 48" Wide x 32" High x 3/8" Thick
- Fully tempered glass backboard
- No dead spots on backboard corners
- 1-1/2" structural steel H-Frame extra backboard stability and consistent ball response
- 1/4"-thick steel bushings for rim mounting
- Round edges and corners for safer play

Goal System Details

- Rim height is infinitely adjustable from 7' to 10'
- Awning crank compression height adjustment
- 2-1/2' extension from wall to front of backboard — safe play area
- 1 primer coat and 2 coats of baked-on acrylic enamel — superior to powder coated parts
- Zinc plated hardware
- Nylon bushings at each pivot point
- Wall anchor frame — 7-gauge (3/16" thick) angle iron

Made in the USA

Warranty: Limited Lifetime Warranty. Subject to proper installation and normal, intended use, and subject to the limitations set forth below, Goalsetter Systems, Inc. warrants to the original retail purchaser that all structural components of Goalsetter Systems™ Signature Series* , Extreme Series** and GS Wall-Mount Series*** basketball systems are free of defects in material and workmanship for the duration of ownership by such original retail purchaser or five (5) years after discontinuation of the product by Goalsetter Systems, Inc.

*Signature Series – MVP, Captain, All-American, All-Star, Contender, Champion;**Extreme Series – X672, X660, X560, X554, X454, X448;***GS Wall-Mount Series – GS72 Wall-Mount, GS60 Wall-Mount, GS54 Wall-Mount, GS48 Wall-Mount

Any warranty on a basketball system excludes the rim. Rim warranties are as follows: Rims shall be free from defects in materials and workmanship from the date of purchase as follows: R10126 Single Ring Static Rim: one (1) year limited warranty; R10226 Double Ring Static Rim: unconditional lifetime warranty; R10326 Heavy Duty Breakaway Rim: two (2) year limited warranty; R10554 GS Collegiate Breakaway Rim: one (1) year limited warranty.

Padding Warranty: Padding shall be free from defects in materials and workmanship from the date of purchase as follows: Multi-Purpose Backboard Edge Padding: one-year limited warranty; Custom Fitted Pole Padding: one-year limited warranty; Wrap Around Pole Padding: one-year limited warranty.

The Limited Lifetime Warranty and the Limited Warranty shall cover damage or failure that occurs during the course of NORMAL or INTENDED USE of the product. Normal or intended use shall be described as activity that is necessary for the participation in the sport for which the equipment is designed. NOT COVERED is damage caused by deliberate hanging, multiple player hanging, vandalism, non-basketball activities or any other activity that could be regarded as abusive.

A limited lifetime warranty is effective for the duration of ownership by the original retail purchaser or 5 years after discontinuation of the product by Goalsetter Systems, Inc.

Goalsetter Systems, Inc. shall have the right to require the purchaser to deliver at its expense the allegedly defective product to Goalsetter for testing, repair or replacement. Goalsetter shall not be responsible for any expenses associated with the replacement or removal of the product from its application for such delivery.

THE WARRANTY IS VOID IF THE PRODUCT HAS BEEN DAMAGED BY ACCIDENT, USE FOR PURPOSES FOR WHICH IT IS NOT INTENDED, AS THE RESULT OF IMPROPER INSTALLATION, FAILURE TO FOLLOW INSTALLATION, CARE OR MAINTENANCE INSTRUCTIONS PROVIDED WITH THE PRODUCT, USE OF PARTS NOT PROVIDED BY GOALSETTER SYSTEMS OR ANY MODIFICATION OF ANY PRODUCT BY THE CUSTOMER UNLESS APPROVED BY GOALSETTER SYSTEMS, INC., OR OTHER CAUSES NOT ARISING OUT OF DEFECTS IN MATERIALS OR WORKMANSHIP.

The sole obligation of Goalsetter Systems, Inc., and the exclusive remedy under the applicable warranty, is repair or replacement of any component part determined by Goalsetter Systems, Inc. to be defective and covered by the warranty. Goalsetter Systems, Inc. will not be liable for any other damages or expenses. The applicable warranty is expressly in lieu of all other warranties, express or implied. Goalsetter Systems, Inc. does not assume, and no other person or representative is authorized to assume for Goalsetter Systems, Inc. any other liability in connection with the sale of Goalsetter System™ products.

NOT COVERED BY WARRANTY: Use in non-residential applications of Glass back boards on Signature Series systems. Use in non-residential applications of Extreme Series and Tournament Series complete systems. Any products subjected to abuse, negligence, improper installation, vandalism, acts of God, alteration of product and any other events beyond the control of Goalsetter Systems, Inc. Paint or rusted parts. Touch-up paint is included in all hardware kits. Deterioration of product due to time or wear and tear. Normal deterioration of products due to atmospheric conditions, weather, wear and tear (including scratching or scuffing paint from normal use), or other causes that do not affect functional use are not covered by Goalsetter Systems, Inc. warranties. All warranties are valid only when product is used in the intended application & when installed according to Goalsetter Systems instructions. Warranty may be void if maintenance instructions in the Owner's Manual are not followed. If you did not receive an Owner's Manual, please call 1-800-362-4625 and one will be mailed to you.

HON

VOLT TASK CHAIR

Volt seating from HON offers upscale style, full-scale comfort and impressive quality at a surprisingly affordable price. Generous seat and back cushions fit almost any body. The design has a geometric flair. The adjustments are easy to use. Looks sharp, keeps people comfy, and costs less.

- The simple, understandable controls include seat height to fit your body, and center-tilt to provide comfort
- Upholstered seat and back are contoured to conform to the body
- Inner seat shell is molded from a wood composite with high recycled content
- Seat and back are designed to support both large and smaller users
- Compact design is easy to move about the workplace for informal meetings
- Synchro-tilt mechanism reclines the back at a higher ratio than the seat for proper back alignment
- Tilt tension controls the rate and ease of recline
- Upright tilt lock secures the chair in the full upright position
- Pneumatic seat height adjustment moves the seat up/down to adapt to various body heights
- 360-degree swivel provides freedom of movement in any direction
- Optional height-adjustable arms to support the shoulders and upper body

Frame: Black plastic

Fabric: To be selected from manufacturer's standard fabrics, but not necessarily limited thereto. Indicate additional cost for special match color.

Size: 25.75"D x 26.0"W x 40.0"H

H320 SERIES VERTICAL FILES

H320 Series vertical files from HON are proven, tested and trusted. The cradle drawer suspensions allow all folders to be accessed easily. The case and front kickplate are reinforced. Standard features include thumb latches and a label holder. For the standard in document storage, look to the H320 Series.

- Each drawer contains 25 filing inches of hanging or standing folders
- Four vertical reinforcements keep the cabinet sturdy and the drawers gliding smoothly
- High drawer sides support hanging file folders, eliminates need for extra-cost hangrails
- Thumb latches hold drawers firmly shut
- Label holders for quick and easy identification of contents
- Proven cradle suspensions glide smoothly and open completely for easy access to files

- Double-walled front kickplate stands up to impact
- Baked enamel finish over rust-inhibiting phosphate pre-treatment.
- Adjustable wire follower.
- HON One Key core removable locks can be changed or interchanged as security demands change

Size:

- #HH322: 26.5" D x 15" W x 29" H

HOWE FURNITURE

HOWE FURNITURE CORPORATION

THE TONGUE CHAIR

Tongue chair is a classic Arne Jacobsen design. It has the immediately recognizable characteristics of the organic wave-form in the seat; complemented with highly sculptural, splayed legs. Tongue is FSC certified.

Veneer Version: The surface veneer is in matt lacquered knife-cut sanded veneer on both sides. The 9 inner layers are in 0.04" rotary cut birch: 2 outer layers on shell. The thickness of the shell is 0.4".

Frame: The frame is a round tube (Ø14 x 2,0) with rod reinforcement (Ø9). The glides are in black TPE plastic. 4-leg base in diam. 0.6" steel tube with reinforcement

Veneer finish: To be chosen from following options: Walnut, oak, and beech. Stained Oak Veneer available at additional cost.

Frame Finish: To be chosen from following options: chromed or powder coated in black or white

Dimensions: HxWxD: 31.1" H x 17.8" W x 17.7" D.

WARRANTY: THE TONGUE WARRANTY HOWE a/s, a wholly owned subsidiary of CF Group, USA, manufacturers high quality products of functional value and warrants its products against defects in materials and workmanship as follows. As of June 1st, 2013 HOWE a/s offers a 5 (five) year guarantee against weld breakages, defective materials, workmanship and performance under normal use. The guarantee is valid as from date of shipment. The

HOWE warranty does not apply to product failure resulting from:

- Normal wear and tear.
- Abuse, misuse, accidents or repeated knocks.
- Alteration or modification of the product.
- Improper handling/usage or improper cleaning.

Furthermore, HOWE does not warrant:

- Changes in surface finishes due to aging, scratches, markings, stains, or other damage due to normal wear and tear, or due to contact with sharp or hard objects.
- Changes in surface finishes due to exposure to light.
- Natural variations in wood grain or the presence of character marks. This includes matching of grains, colors, or textures of natural materials.
- Customers own fabrics and leather (COL & COM).
- All service parts (meaning all moving and mechanical parts).
- Customized solutions.

In addition to regularly submitting our products to testing laboratories and performing further in-house tests to meet our own stringent requirements, we stand by our seats, backs, tops and frames. We believe we ship quality products that will meet all your needs.

HUFCOR

Standard Product Features

- Feature: Protective vertical trim (Available option: no protective vertical face trim.) Benefit: Trim protects the panel edges and faces plus it provides a handhold when moving panels.
- 2. Feature: Quick-Set™ Retractable Seals. Benefit: The retractable seals are Quick-Set™ which means they are easily extended or retracted with only a 1/2 turn of the removable handle. No tedious cranking needed to set the seals.
- Feature: 2” [51] retractable bottom seals Benefit: Retractable seals accommodate out-of-level floor conditions. When retracted, nothing drags on the floor when the panels are moved. Panels can be “locked” in place
- Feature: Retractable seals exert upward and downward seal force Benefit: Provides constant force against the track and floor for optimum acoustics even on carpet or other porous floor materials. Maintains panel stability when the seals are set.
- Feature: Waist high seal activator for quick set retractable seals. Benefit: Fast, easy seal activation without bending or stooping.
- Feature: Removable operating handle. Benefit: Prevents unauthorized operation.
- Feature: Expanding Jamb Closure (Lever Closure) Panel Benefit: Exerts 250 lbs [113.4 kg] of force against the fixed wall. The compression creates tight panel joints for optimum sound control.
- Feature: Interlocking vertical seals Benefit: Ensures panel-to-panel alignment and prevents sound leaks between panels.

Description

- General
 - Furnish and install operable partitions and suspension system. Provide all labor, materials, tools, equipment, and services for operable walls in accordance with provisions of contract documents.

Submittals

- Complete shop drawings are to be provided prior to fabrication indicating construction and installation details. Shop drawings must be submitted within 60 days after receipt of signed contract.

Quality Assurance

- Preparation of the opening shall conform to the criteria set forth per ASTM E557 Standard Practice for Architectural Application and Installation of Operable Partitions
- The partition STC (Sound Transmission Classification) shall be achieved per the standard test methods ASTM E90.
- Noise isolation classifications shall be achieved per the standard test methods ASTM E336 and ASTM E413.
- Noise Reduction Coefficient (NRC) ratings shall be per ASTM C423.
- Rack testing for 10 years. (tensional strength stress test)
- The manufacturer shall have a quality system that is registered to the ISO 9001 standards.

Product Deliver, Storage, and Handling

- Proper storage of partitions before installation and continued protection during and after installation will be the responsibility of the General Contractor.

Materials

- Product to be top supported Series 641 individual, omni-directional panels as manufactured by Hufcor Inc.

- Panels shall be nominally 4" [101] thick and to 48" [1219] in width.
- Panel faces shall be laminated to appropriate substrate to meet the STCrequirement in 2.04 Acoustical Performance.
 - Optional substrate material (Not all substrates are available for allSTC ratings. Consult your Hufcor Distributor for more information): Steel, Non-steel
 - Horizontal Splice: Heights over 16'3" [4953] with non-steel faces require a structural splice placed at approximately 12'3" [3734] from the floor.
- Frames shall be of 16 gauge [1.42mm] steel with integral factory applied aluminum vertical edge and face protection. Optional: Face finish shall wrap around the vertical panel edges and provide no protective vertical face trim.
- Vertical sound seals shall be of tongue and groove configuration, ensure panel-to-panel alignment and prevent sound leaks between panels.
- Horizontal top seals shall be retractable, provide 1" [25] nominal operating clearance, and exert upward force when extended. All panels, including pass door panels and lever closure panels must have retractable top and bottom seals. Optional: Horizontal top seals shall be fixed continuous contact dual 4- finger vinyl.
- Horizontal bottom seals shall be retractable, provide up to 2" [51] nominal operating clearance, and exert downward force when fully extended. Optional:
 - Horizontal bottom seals shall be retractable, provide 4" [101] nominal operating clearance, and exert 97 lbs. [44 kg] downward force when fully extended.
 - Horizontal bottom seals shall be fixed continuous contact 4-finger vinyl.
- Horizontal trim shall be of aluminum.
- Weight of the panels shall be 7.8-13.6 lbs./sq. ft. [37.8-66.4 kg/sq.m] based on options selected.
- Suspension system:
 - For panels to 1000 lbs. [455 kg] or 22'2" [6.75m]: Track shall be of clear anodized architectural grade extruded aluminum alloy 6063-T6. Track design shall provide precise alignment at the trolley running surfaces and provide integral support for adjoining ceiling, soffit, or plenum sound barrier. Track shall be connected to the structural support by pairs of minimum 3/8" [10] dia. threaded steel hanger rods. Pairs of rods are directly attached to the track, no single point attachment allowed. L, T, or X intersections shall be factory assembled and welded.
 - Each panel shall be supported by two 2-wheeled counter-rotating horizontal carriers. Wheels to be of precision ground steel ball bearings with heat treated and hardened races encased with molded polymer tires.
 - For panels 1000-1500.lbs. [455-680 kg]: Track shall be of clear anodized architectural grade extruded aluminum alloy 6063-T6. Track design shall provide precise alignment at the trolley running surfaces and provide integral support for adjoining ceiling, soffit, or plenum sound barrier. Track shall be connected to the structural support by pairs of minimum 1/2" [13] dia. threaded steel hanger rods. Pairs of rods are directly attached to the track, no single point attachment allowed. L, T, or X intersections shall be factory assembled and welded.
 - Each panel shall be supported by two 2-wheeled counter-rotating horizontal carriers. Wheels to be of precision ground steel ball bearings with heat treated and hardened races encased with molded polymer tires, steel banded and reinforced.
 - For panels 1500-3000 lbs. [680-1364 kg]: Track shall be of 1/4" [6] formed black painted steel connected to the structural support by pairs of minimum 1/2" [13] threaded steel hanger rods. Track trim shall be clear anodized aluminum. Carriers to

have four steel wheels with precision ground radial bearings. Bearings are inserted into a steel tire. The steel tire rim fully captures the bearing. Carriers may be programmed for self-directing and sorting.

- Optional tracks may be used providing the height and weight limits are within manufacturers guidelines. See page 6 “Optional Tracks”.
- Option (available for select layouts-consult your Hufcor Distributor): The panels shall be supported by the Unispan pre-engineered truss and post system fabricated of steel and aluminum. Unispan is attached to the building structure for lateral support only. The load of the truss and partition is supported by end columns. The columns are connected to floor plates that distribute the load of the system at the floor.
- Plenum closure (by others): Design of plenum closure must permit lifting out of header panels to adjust track height. Plenum closure required for optimum sound control of partition.

Finishes

- Face finish shall be: (select as required):
 - Factory applied reinforced vinyl fabric with woven backing, weighing not less than 20 oz. per lineal yard [620 g/m]. Color shall be selected from manufacturer’s standard color selectors.
 - Standard upgrade fabrics (color shall be selected from manufacturer’s standard color selector):
 - Factory applied vertical ribbed carpet (N.R.C. .20)
 - Factory applied stain resistant fabric
 - Optional:
 - Customer selected (requires factory approval for manufacturing compatibility)
 - Unfinished for field decoration
 - Wood veneer (factory installed on trimmed models)
 - High pressure laminate (factory installed on trimmed models)
- Exposed metal trim and seal color shall be (select from Hufcor’s Standard Trim selector):
 - Lamb’s Wool (standard)
 - Brown (standard)
 - Gray (standard)
 - Custom powder coated (optional upgrade for metal trim)
- Aluminum track shall be clear anodized
 - Optional upgrade:
 - Custom anodized
 - Custom powder coated

Available Accessories/Options

- ADA compliant pass door of the same thickness and construction as the basic panels. Pass door panel legs require bottom seals that provide downward force to maintain stability during door operation. Pass door leaf has perimeter trim to protect face finish and to provide visual identification as required by International Building Code. Pass door leaf incorporates a self-adjusting retractable bottom seal providing sound control when door is closed.
 - Automatic door closer
 - Door lock
 - Exit sign (consult your local code)
 - Prepped for window
 - Peep hole
- Markerboards, inset or full height
- Inset tackboards

- Inset eraser pocket
- Segmented faces
- Finished end cover
- Pocket doors
- Inset chair rail pan (for field installation of chair rail).
- Custom design options (consult your local Hufcor Distributor)
- Field sound test

Operation

- Panels shall be manually moved from the storage area, positioned in the opening, and seals set.
- Retractable Horizontal Seals
 - Retractable horizontal seals shall be activated by a removable quickset operating handle located approximately 42" [1067] from the floor in the panel edge.
 - Top and bottom retractable seals shall be operated simultaneously.
 - Seal activation requires approximately a 190 degree turn of the removable handle. Optional 4" [101] bottom seals: Seal activation requires a lift/drop motion of the removable handle.
 - Final partition closure to be by lever closure panel with expanding jamb which compensates for minor wall irregularities and provides a minimum of 250 lbs. [113.4 kg] seal force against the adjacent wall for optimum sound control. The jamb activator shall be located approximately 45" [1143] from the floor in the panel face and be accessed from either side of the panel. The jamb is equipped with a mechanical rack and pinion gear drive mechanism and shall extend 4"-6" [101-152] by turning the removable operating handle.
 - Stack/Store Panels
 - Retract seals with removable operating handle and move to storage area.

Acoustical Performance

- Acoustical performance shall be tested at a laboratory accredited by the the National Voluntary Laboratory Accreditation Program (NVLAP) and in accordance with ASTM E90 Test Standards. Standard panel construction shall have obtained an STC rating of ____ (select as required): 43, 47, 49, 52, 54, 55, 56 (Not all substrates are available in all STC ratings)
 - Complete, unaltered written test report is to be made available upon request.

Execution

- Installation. The complete installation of the operable wall system shall be by an authorized factory-trained installer and be in strict accordance with the approved shop drawings and manufacturer's standard printed specifications, instructions, and recommendations.
- Cleaning
 - All track and panel surfaces shall be wiped clean and free of handprints, grease, and soil.
 - Cartoning and other installation debris shall be removed to onsite waste collection area, provided by others.
- Training
 - Installer shall demonstrate proper operation and maintenance procedures to owner's representative.
 - Operating handle and owners manuals shall be provided to owner's representative.

Warranty: Partition system shall be guaranteed for a period of two years against defects in material and workmanship, excluding abuse.

HUMANSCALE

HUMAN SCALE

M8 MONITOR ARM - INDIVIDUAL

Features

- Modular design features interchangeable links to accommodate most applications
- Built-in security system provides effective theft-deterrent for public areas
- Humanscale's Quick Release ball joint facilitates fast and easy monitor installation and removal
- Built-in fine-tune adjustment ensures dual monitors line up perfectly
- Optional Notebook Holder accommodates laptops 9" – 14" in length
- Optional 12" links provide greater adjustability and flexibility
- 180° stop mechanism prevents wall damage from over-rotation
- Integrated cable management system hides cable clutter for improved organization and aesthetics

Specifications

- Accommodates virtually any single monitor from 8 – 40 lbs
- Arm reach: 22"
- Height adjustment range: 11.5"
- Mount: Clamp Mount, but also available in Bolt-Through Mount, Universal Slatwall Mount, Wall Stud Mount
- May contribute to a number of valuable LEED credits

Finish/Color: Silver, but also available in white.

WARRANTY: 10-year, 24/7 warranty

IDEON

ARIOSO SETTEE

Arioso is a stylish transitional seating solution for healthcare, corporate and collaboration spaces that demand durability with a sense of style. Its sophisticated lines and understated elegance is always smart in both large and small settings. The Arioso collection merges style and function with upholstery options and four wood stain finishes.

Product Features:

- Transitional style for healthcare, corporate and collaboration applications
- Durable steel rail construction withstands tough environments
- Easy maintenance with field-replaceable parts
- 300 lbs. per seat weight capacity
- 10-Year Warranty

Fabric: To be selected from manufacturer's standard Grade 1 Fabrics, but not necessarily limited thereto. Indicate additional cost for special match color.

Frame Finish: To be selected from manufacturer's standard finishes, but not necessarily limited thereto. Indicate additional cost for special match color.

Size:

- Overall: 35”H x 53”W x 33”D
- Seat: 22”W x 21”D x 18.5”H
- Back: 15.5”H
- Arms: 26”H

Warranty: SitOnIt Seating and IDEON Limited WarrantyExemplis LLC, SitOnIt Seating and IDEON (hereafter referred to as the Company), warrants to the original end user that this product will be free from defects in its material and workmanship when used in a single shift (standard 8-hour day, 5 days per week) for the following warranty periods:

- Lifetime Warranty Coverage: All SitOnIt Seating products, except where noted below.
- 12-Year Warranty Coverage: Amplify, Torsa, Wit and Novo used in multi-shift (24/7) applications.
- 10-Year Warranty Coverage: Non-Stop Heavy Duty and chairs purchased with a Heavy Duty (“HD”) option used in multi-shift (24/7) applications. All IDEON seating and tables.
- 5-Year Warranty Coverage: Fabric, foam, knit back, mesh and plastic. Power modules and electrical components
- 2-Year Warranty Coverage: Fabric and foam cushioning for Non-Stop Heavy Duty, Freelance Heavy Duty and chairs purchased with an HD option.

The Company Does Not Warrant

- COM/COL textiles
- Product abuse or misuse or negligence in misuse
- Failure resulting from normal wear and tear
- Products that have been modified or altered and any attachments to the product
- Products or parts not used, maintained or installed in accordance with the Company’s installation, maintenance and/or applicable guidelines
- Products that are exposed to extreme environmental conditions such as water damage or and/or have been subject to improper storage
- Floor samples or display models

- Products purchased “as is” and/or secondhand
- Products sold by unauthorized dealers
- Creasing and/or gathering of textiles during upholstery application process
- Minor irregularities of color, surface, grain and texture
- Minor variations of color in textiles
- Variations of texture and natural markings such as neck wrinkles, scratches, backbone marks and stretch marks in leather
- Color matching of textiles exactly to samples, swatches or prior purchases

Applicable Provisions To All Products and Services

The Company will, at its option, repair or replace with a comparable product, without charge to the original purchaser, only defective products or parts found defective during the Warranty Period. If requested by the Company, the original purchaser must return the part or product with freight or other shipping charges prepaid. Under no circumstances will the company be liable for injuries or damages arising from use of the product. This warranty shall be effective for the applicable time period beginning from date of purchase as shown on original purchaser’s original receipt or other proof of purchase. For products purchased on or after August 1, 2012, the Company shall pay for all labor costs pre-approved by the Company. The payment of such pre-approved labor costs will be in the form of a credit to an active Company account. This is an Exclusive Limited Warranty. There are no other warranties, expressed or implied, including without limitation, any implied warranty of merchantability or fitness for a particular purpose. The Company will not be responsible for incidental or consequential, special, or indirect damages. The purchaser is responsible for determining suitability for its intended use. The Company disclaims any liability for defects, loss of use, or claims or injuries arising out of the incorrect choice of product for particular usage. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may have other rights which vary from state to state.

INDIANA FURNITURE

INDIANA FURNITURE

EXECUTIVE DOUBLE PEDESTAL DESK BOW TOP

Product Features:

- Bow Top
- Recessed Front
- Letter Width Locking Pedestals
- Box/Box/File in Left Pedestal; File/File in Right Pedestal
- Wire Management from Pedestal to Kneespace
- Black Utility Tray for Box Drawer

Laminates: Exposed surfaces are produced from wood grained and solid color laminates fused to a particle-board core. Each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance. Eight textured laminates are included in the color palette.

Tops: Tops are 1" thick thermally-fused laminate (TFL) or high-pressure laminate (HPL) using 3mm PVC rims on profiled edges and 1 mm PVC rims on self-edges. Grain direction runs left to right unless noted.

Chassis construction: TFL chassis are fastened by screws, glue, and heavy-duty metal fasteners assuring maximum strength. Units ship assembled unless noted. All units ship with leveling glides. All desks, non-lateral credenzas, and returns have wire management access from pedestal to knee space.

Drawers: All drawer fronts are 3-ply construction, $\frac{3}{4}$ " thick with matched grain. Drawer sides, back, and front are wood grain vinyl wrapped, $\frac{1}{2}$ " thick. Box and file drawers have $\frac{1}{8}$ " thick hardboard bottoms. Lateral file drawers feature $\frac{1}{4}$ " thick bottoms. 5-sided drawer construction allows for easy removal of drawer fronts.

Drawer suspensions: Box and file drawers have full extension, progressive action slides with precision steel ball bearings. All suspensions have a lifetime warranty.

Filing hardware: All file drawers are standard with filing systems designed to accommodate a variety of filing requirements. Letter width file drawers provide letter filing front to back, and letter or legal filing side to side. Lateral file drawers provide legal or letter filing front to back or side to side.

Locking: All desks, credenzas, returns, and files feature standard locking. Removable lock cylinders allow for units to be re-keyed at a later date if required. Units ship randomly keyed as standard. Lock cores match pull color.

Laminate: To be selected from manufacturer's standard colors, but not necessarily limited thereto. Indicate additional cost for special match color.

Edge: To be selected from manufacturer's standard edge options.

Pull Options: To be selected from manufacturer's standard pull options.

Metal Frame Options: Aluminum or Chrome

Size: 72"W x 36-30"D x 30"H

WARRANTY: Subject to the limitations set forth in this warranty, Indiana Furniture Industries, Inc.

(“Indiana Furniture”) warrants to the original purchaser all product in this price list (“Product”) to be free from defects in material and workmanship given normal use for a 12-year period from the date of manufacture. During the applicable warranty period, Indiana Furniture, as its sole obligation, will repair or replace (in Indiana Furniture’s sole discretion) any Product, part, or component covered by this warranty and sold after April 2, 2018, which fails under normal use as a result of a defect in material or workmanship. Normal use is defined as the equivalent of a single shift, 40-hour work week. Indiana Furniture will repair or replace the defective Product, part, or component with a comparable Product, part or component.

Warranty periods are limited for certain Products and parts as follows:

- 12-year Warranty (from the date of manufacture)
 1. Seating Mechanisms
 2. Veneers
 3. Laminates
 4. Casters and Glides
- 5-year Warranty (from the date of manufacture)
 5. Triple Play Series
 6. Electrical components
 7. Pneumatic Cylinders
 8. Textiles, Foam, and Decorative Trim
 9. Swivel Arm Pads
 10. Keyboard kits
 11. Lighting
- 2-year Warranty (from the date of manufacture)
 12. All Sit-To-Stand Mechanisms
- 1-year Warranty (from the date of shipment)
 13. Charge Spots
 14. Sparks

THIS WARRANTY DOES NOT COVER:

- Damage caused by a carrier or third party
- Normal or routine wear and tear
- Appearance, durability, quality, behavior, colorfastness or any other attribute of customer’s own materials or any non-standard Indiana Furniture material (including CF Stinson, Maharam, Mayer, Momentum, UltraFabrics) specified by the customer and applied to a Product
- Color, grain or texture of wood, laminate and other covering materials
- Changes in wood or fabric color due to aging or exposure to light
- Damage or failure resulting from modification, alteration, misuse or abuse of a Product
- Defect or damage arising out of coverage of Product tops with glass or other foreign materials

As the manufacturer of the Product, Indiana Furniture stands behind its craftsmanship and pledges to do everything it can to reasonably resolve, as quickly as possible, any problems you may have with the Product within the terms and conditions of this warranty. If you encounter a defect covered by the foregoing warranty, you should contact the dealer from whom you purchased the Product. If the dealer is unable to resolve your warranty issues, you should contact Indiana Furniture. Please ensure that you have all of the pertinent facts when contacting the dealer or Indiana Furniture, including the model number and factory order number from the inspection label attached to the Product. INDIANA FURNITURE IS NOT PROVIDING, AND SPECIFICALLY DISCLAIMS, ANY OTHER WARRANTIES FOR THE PRODUCTS, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. INDIANA FURNITURE SHALL NOT BE LIABLE TO THE PURCHASER OR ANY THIRD PARTY FOR CONSEQUENTIAL, INCIDENTAL, INDIRECT OR SPECIAL DAMAGES,

INCLUDING, WITHOUT LIMITATION, DAMAGES ARISING OUT OF OR RESULTING IN ANY MALFUNCTIONS, DELAYS, LOSS OF PROFIT, INTERRUPTION OF BUSINESS, PERSONAL INJURY, BODILY INJURY, DEATH, DISMEMBERMENT, OR PROPERTY DAMAGE.

INTERIOR CONCEPTS

INTERIOR CONCEPTS

COMPUTER WORKSTATIONS

Computer Lab Workstations features stations that are 30D and 60"W without panels above the worksurface. Perimeter Style is meant to be used against a wall and does not have a lower back panel on the workstation to allow access to existing building electrical outlets. Lecture Style is designed to be used in rows and has a lower back on the workstations. Lecture Style includes option for 8 wire electrical system.

Worksurface: High Pressure Laminate with PVC or "T" Mold Edge. Colors to be selected from standard factory finishes. Worksurfaces to be based on 1" increments. All worksurfaces to be 1 ¼" thick.

Frames: Tube and joint construction based on 1" increments for width depth and height. Colors to be selected from standard factory finishes.

Vertical Panels: Melamine vertical panels with exposed edge. Colors to be selected from standard factory finishes.

Chase: Four styles of chase available: full height sliding door chase, suspended chase with fixed doors, suspended chase with sliding doors, and full height fixed chase.

Glides: All table, desk, and computer workstations frames should have an adjustable height glide that is screwed into a steel insert.

Grommets: 3" wire grommets available in worksurface, side vertical panels, and back vertical panels.

Electrical: Eight (8) wire electrical system with duplexes (up to 4 circuits) or Motion Connect 2 Power can be used on most Interior Concepts products. Both systems available for additional costs if not included in product code.

Warranty: Interior Concepts warrants its products to be free of defects in materials and workmanship for as long as the original purchaser owns the product. This warranty extends from the date of installation and is based on normal usage of the wear and tear such as laminate chipping or the soiling/fading of fabrics. The Lifetime Warranty applies to all Interior Concepts products with the exception of those high wear components noted below.

Interior Concepts Furniture Systems	Lifetime
Seating	Manufacturer's Warranty
Fabric: Furniture Systems	Five (5) Years
Electrical Components	Five (5) Years
Drawer/Drawer glides, casters, and	One (1) Year
And adjustable worksurface mechanisms	

Upon being notified of a potential warranty defect, Interior Concepts at its option will either repair or replace the item as originally specified. Damage caused by a freight carrier is not covered under this policy.

This warranty does not apply to consumable products such as light bulbs or surge protection products. Product alterations or modifications not explicitly approved by Interior Concepts do not qualify for this

warranty. Also, this warranty does not cover the installation, relocation or reconfiguration of product by other than Interior Concepts authorized personnel.

Interior Concepts shall not be liable for incidental or consequential damages arising out of a claim of defective product. This warranty is in lieu of all other expressed or implied warranties and constitutes the sole and exclusive liability of Interior Concepts Corporation.

INTERKAL

SECTION 12760 GYMNASIUM BLEACHERS

1. Part 1 General

1.1 Work

- A. Telescoping gymnasium bleachers.

1.2 Related Work

- A. Electrical.
- B. Gymnasium flooring.

1.3 References

- A. Applicable building code. IBC. Edition Year. 2015. CBC 2013.

1.4 Description of the System

- A. The bleacher system shall be comprised of multiple tiered, closed deck seating rows operating in a telescopic manner, incorporating the most economical quantity of sections while still complying with all loading requirements.
- B. The first moving row shall be secured with friction or mechanical locks. Other rows shall be mechanically locked, operable only upon unlocking and cycling the first row, quantity to be determined by Interkal engineering.
- C. Each bleacher row shall be comprised of risers, seat and deck components, and a complete set of supportive columns and braces.
- D. The telescopic bleacher shall incorporate a locking system permitting the use of one, several, or all rows, each locked in the extended position.

1.5 Quality Assurance

A. Qualifications

- 1. Manufacturing. Manufacturer shall be regularly engaged in the design and manufacturing of telescopic seating for not less than thirty years.
- 2. Engineering. It shall be mandatory that each bidder submit with their bid an affidavit signed by a Registered Professional Engineer stating that the product to be supplied has been tested by an independent testing facility and meets all applicable code requirements.

B. Deviations

- 1. It shall be the responsibility of the bidder to furnish with their bid a list clarifying any and all deviations from these specifications, written or implied. Those bidders not submitting a list of deviations will be presumed to have bid as specified.

C. Guarantees

- 1. One-year guarantee. The manufacturer shall guarantee all work performed under these specifications to be free from defects for a period of one year.

D. Product Improvements

- 1. Seating provided shall incorporate manufacturer's design improvements and materials current at time of shipment.

1.6 Submittals

- A. Submit manufacturer's installation instructions and descriptive literature in accordance with Section 01300.
- B. Manufacturer's operating and maintenance manuals in accordance with Section 01700.

1.7 Design Criteria

- A. Telescopic bleacher design and fabrication shall conform to IBC 2015, CBC 2013, and ADA requirements.

- B. Telescopic gymnasium seating will be designed to support a vertical live load of 100 PSF, but not less than 120 PLF on both seat boards and footboards. Seating shall also be designed to carry a horizontal sway force of 24 PLF parallel to the seating and 10 PLF perpendicular to the seating.
- C. Steel components shall be cold-formed from appropriate width strip stock conforming to ASTM A570 - Grade C 30KSI, ASTM A653- Grade 33 and 50, ASTM A500 - Grade B 46 KSI as applicable.
- D. Lumber components are kiln dried, finger jointed, edge glued southern pine of grade "B & B Finish" manufactured to the current SPIB glued-laminated standards for southern pine.
- E. Plywood deck boards shall be fabricated from Douglas Fir Premium Underlayment with exterior glue, 5-ply minimum, solid crossband directly under face ply, species Group 1 and manufactured in accordance with PS-1-95.

2. **Part 2** Products

2.1 **Manufacturer**

- A. Telescopic seating as manufactured by Interkal, Kalamazoo, Michigan, is the standard of quality required and specified herein.

2.2 **Materials**

A. **Model**

- 1. Interkal, closed deck telescopic bleacher.

B. **Type**

- 1. Wall Attached.

C. **Quantity**

- 1. Provide 1 bank of Wall Attached 10-rows high x 80'-0" long.

D. **ADA**

- 1. **Notchouts.** Provide 3'-0-1/4" wide wheel chair spaces as shown on the plans and as required to meet local code jurisdiction compliance with ADA. Notch-outs to be 1-row deep without rails.

E. **Dimensions**

- 1. Rise per row. 10.25.
- 2. Row to row spacing. 24.

F. **Propulsion**

- 1. **Friction Power.** Furnish Interkal friction power, integral automatic electro-mechanical propulsion system to open and close telescopic seating system. Operation shall assure full visual control of the seating bank. The Wide Track System incorporates two friction drive roller assemblies as an integral part of both first row vertical column assemblies. Each section of bleacher shall have a power system that shall consist of two vertical column roller assemblies which shall include two 6" diameter by 2 1/2" wide cast drive wheels for a minimum of four friction roller contact points per section of bleacher. Each roller shall have a specially formulated 45-durometer rubber covering to grip the floor as the units roll in and out. The two friction drive roller assemblies shall be installed a minimum of 7' apart per section. The two friction roller assemblies are linked together by a continuous drive shaft driven by a 1/2 H.P. 208 volt 3-phase motor that shall enable the rollers to work simultaneously, resulting in a more efficient operation with allowance for minor variations in the floor surface. All floor friction power systems shall be controlled by a dual directional, removable walk along pendant which plugs into the front of the first row to give the operator proper position for visual control. The pendant control voltage shall be 24 VAC @ less than 50 mA for the safety of all operating personnel. **The entire power system shall be U.L. Recognized.** A 208 volt 3-phase power source, including conduit, wiring, and safety disconnect must be provided by others. The electrical contractor shall perform the connections to the seating equipment at the safety disconnect. Motors, housing, and wiring shall be installed by certified personnel.

2.3 Accessories

A. Foot Level Aisles

1. Provide footrest level aisles at locations and sizes as shown on plans and approved shop drawings.
2. Center Aisle. Provide a permanently attached self-storing aisle rail which is designed to eliminate all labor associated with set up and storage of the aisle rails.
3. Intermediate Steps. Provide manufacturers' standard intermediate step as necessary per applicable code.

B. Wheelchair Seating

1. Recoverable Notch-outs. Provide manufacturers' standard recoverable handicap notch-outs (3'-0 1/4" wide) located as shown on architectural drawings. Notch-outs to be 1-row deep.

C. Self-Storing End Rails

1. Provide steel self-storing 42" high self-storing end guard rails with tubular supports and vertical intermediate members to comply with all code requirements. Rails shall be fitted to each exposed bank end from third row and above with all steel to steel connections. Finish shall be a polyester powder coat.

D. Last Row Seat Level Filler Board

1. Provide and install a properly supported, flush mounted board between the last row seat and the wall. The board shall match the deck board surface.

E. Limit Switches

1. Provide open and close limit switches at each bank location.

F. Motion Monitor

1. Provide the manufacturers' standard audible and visible horn to warn operators prior to bleacher operation. All components shall be permanently mounted under row one.

G. Operation Controller (pendant switch)

1. Provide 1 of the manufacturers' standard pendant controls plugged into a single receptacle for extension and retraction. The receptacles shall be mounted at the first row.

H. Timer's Table

1. Provide 1 of the manufacturers' standard 15" x 96" timer tables that can be utilized at any location. Remove the legs for on-deck storage.

I. Vinyl End Curtains

1. Provide 2 of the manufacturers' standard vinyl end curtains to close off under the bleacher units in the extended position. Curtain color is to be .

2.4 Fabrication

A. Continuous Wheel Channel

1. Wheel channels shall consist of a one piece formed steel channel welded to the base of a vertical column. Wheel channels accommodate 8 to 12 wheels per row for maximum weight distribution and operating ease. The number of wheels increases as the number of rows increase.

B. Wheels

1. 3-1/2" diameter with 1-1/8" non-marring soft rubber face with rounded edges designed to protect wood or synthetic floor. Provide 1/2" diameter axle for all wheels.

C. Columns

1. Electrically welded closed rectangular steel tube, 2" x 3" minimum size, 14-gauge steel fitted with a rear welded gusset at the wheel channel.

D. Row Interlocks

1. Join each row structure front to rear by means of two (2) interacting steel connections, plus automatic gravity row locks where Engineering determines they are required.

2. Lower track guides shall be an external superslide rod to guarantee positive engagement of vertical supports without binding and assures smooth operation over uneven floor conditions.
 3. Upper track guides shall completely interlock adjacent understructure support. A welded stop to ensure correct extension of bleacher unit on deck support. Use of bolt and nut stops is not acceptable, due to risk of loosening.
- E. **Diagonal Braces**
1. Structural formed steel truss fitted to rows 4 and beyond. Bracing shall be attached to the rear riser at optimum locations to insure structural integrity. Bracing shall be designed and shaped to support a minimum load of 1000 lbs. of both compression and tension forces created when the bleacher is loaded.
- F. **Deck Supports**
1. Shall be of structural steel, 11 gauge spaced not greater than 60" on center for maximum deck stiffness. Every deck support not attached to a vertical post shall have an integral nylon roller to avoid steel to steel friction points for more efficient operation.
- G. **Decking**
1. All deck boards shall consist of 19/32" nominal C-C plugged Group 1 plywood with exterior glue and solid cross bands. Tongue and Groove deck boards are unacceptable. An extruded aluminum "H" connector shall be placed between plywood panels. Exposed wear surfaces shall be finished with a layer of high Density polyethylene plastic .025 - .030 thick, Light Gray in color, complimentary to the seat option. Deck finishes, such as clear coat, requiring more than simple touch up to restore it to a new appearance after wear occurs are unacceptable.
- H. **Welds**
1. All welds shall be made at the factory by welders that are AWS certified on the equipment and process used.
- I. **Nose Beam**
1. Shall be one-piece grade 40 galvanized steel. A minimum design thickness of .094" is utilized for the necessary structural integrity to accommodate section lengths up to 26'.
- J. **Rear Riser**
1. Shall be one-piece grade 40 galvanized steel, with a continuous access joint to fully encapsulate footrest panel for ease of cleaning and additional structural support. A minimum design thickness of .070" is utilized for the necessary structural integrity to accommodate section lengths up to 26'.
- K. **Splice Plates**
1. Each section joint shall be tied together with two structural steel members per row, employing a minimum of four steel to steel through bolt connections at the nose beam and a minimum of eight steel to steel through bolt connections at the lower steel rear riser. Splice plate material to match the nose beam and rear riser. Splice plates employing steel to plywood deck board attachments will not be acceptable. In order to minimize deflections and keep rows in alignment during operation, splice connections shall transfer both axial loads (tension/compression) and bending.
- L. **Fasteners**
1. All structural connections shall be made with S.A.E. grade 5 or better stress rated bolts. The use of self-tapping bolts is not acceptable.
- M. **Finish**
1. Steel Understructure abraded, cleaned and finished with russet brown water base acrylic paint. Steel risers and nose beams finished with corrosion resistant silver gray matte finish with galvanized alloy plating.

2.5 Seat Options

- A. Excel Seat Modules
 - 1. 18" wide one-piece individual seating modules shall be constructed of solid injection molded high-density polyethylene. Provide in 12" depth.
 - 2. Each module shall have three longitudinal and five transverse internal ribs to provide additional structural integrity and resistance to impact.
 - 3. Each module shall have a full 3/8" interlock to the adjacent module around the perimeter to eliminate pinching hazards and assure proper alignment.
 - 4. Each module shall be equipped with an 11-gauge steel bracket for a steel-to-steel attachment of each module to the galvanized steel nose beam for maximum rigidity. All such mounting hardware shall be concealed.
 - 5. Each module shall have a 2 1/4" x 1" recessed area for optional seat numbering.
 - 6. End caps shall be provided at the ends of each bank (section, if manual) of seating as well as at each aisle.
 - 7. Each end cap shall have two recessed areas including a 3 1/2" x 3 1/2" area for custom logos and a 2 1/4" x 1" area for optional row letters or numbers (row letters and numbers not required at this time).
 - 8. Select from manufacturer's 15 standard solid colors.

3. Part 3 Execution

3.1 Inspection

- A. Verify that areas to receive telescopic bleachers are free from impediments interfering with installation.
- B. Do not begin work until building conditions are satisfactory.

3.2 Installation

- A. Install telescopic bleachers in accordance with manufacturer's instructions and approved submittal drawings.
- B. Adjust bleachers for smooth and proper operation.
- C. Clean bleachers and remove all debris from gymnasium resulting from installation.

PRICING:

123. Interkal Telescopic Bleacher System. One bank 80'-0" long, 10-row, 10-1/4" rise, 24" row spacing, friction power system, 12" plastic excel seat module, two (2) self-storing end rails for 10-rows, three (3) foot level aisles with intermediate steps and self-storing aisle rails, last row seat level filler board, two vinyl end curtains for 10 rows.

IRONWOOD

IRONWOOD

MOBILE DRAWER STORAGE CABINET

The Ironwood #1026 mobile storage cabinet's deep drawer storage cabinets provide for the storage you need. The five full width drawers allow storage of large items such as maps to smaller items that become hidden on shelves. At 36" in overall height the top is ideal for the extra work or counter space. This along with its steel frame makes this a durable mobile storage solution.

Product features:

- Fully welded unitized top and bottom frame
- 10-gauge angle iron
- 3/16" caster mounting plates
- 5" casters (2 locking)
- 100# rated 2/3 extension drawer slide w/lock
- Hooded abs plastic four fingered pull
- 3/4" thermal fused laminate
- 1" thermal fused laminate on shelves over 32".
- 3mm PVC edge banding on all semi and exposed edges.
- Five full width drawers.

Frame Finish: Frame finish to be selected from manufacturer's standard finishes.

Edge Finish: Edge finish to be selected from manufacturer's standard finishes.

Laminate Finish: Laminate finish to be selected from manufacturer's standard finishes.

Size: 48" x 28-1/4" x 35-5/8"

WARRANTY: Manufactured to the most exacting standards and inspected several times throughout the manufacturing process, Ironwood furniture is guaranteed to be free from defects in materials and workmanship for up to five years after purchase. This guarantee is limited to repair and replacement only and does not cover damage outside our control or damage that results from ordinary use.

K I FURNITURE

PERRY STACK CHAIR

Perry is a comfortable, high-density stack chair with an elegant look. Its comfort is a result of a simple flexing back, suspended seat and counterbalance movement. The user's weight provides the counterweight to the back tilt. The result is superior comfort with proper support for various body sizes. Perry's distinct back curvature presents a refined and elegant sculpted shape. Flex-back comfort – The seat is suspended from the back so the user's weight counterbalances the back flex. Stacking – Poly chairs stack 25 high on a dolly (5 on the floor).

Plastic Chair Seats and Backrests: Injection-molded polypropylene. Seat is one piece screwed to frame. Backrest has two sections which form a snap-fit and are then screwed together. Chair seats have two die-formed 7-gauge straps welded to side frames.

Back Articulation: Articulation is achieved with a single-piece frame which flexes as the back pivots around its upper and lower crossbars. The seat is hung from the lower back so that the user's weight perfectly counterbalances the tilting pressure of the upper back.

Chair Frame: Chair has 7/16" o.d. solid steel rod welded into a one-piece unit. Seats have two die formed 7-gauge straps welded to side frames.

Stacking Bumpers: An integral part of the frame, the bumpers are welded to the lower front frame radius. Two scuff protectors will be glued to the rear cross brace of the chair to prevent scuffing of seat wires when chairs are stacked.

Color: To be selected from manufacturer's standard finishes and colors

Frame Finish/Color: To be selected from manufacturer's standard finishes and colors.

Warranty: RIGHTS AND WARRANTIES: The following KI product warranty applies to products manufactured on or after July 18, 2016 and manufactured and/or distributed from a KI manufacturing site. This warranty is given to the initial purchaser and is valid for as long as the initial purchaser owns the product. The warranty, which runs from the date of manufacture, covers defects in materials and craftsmanship found during normal usage of the products during the warranty period. If a product is defective, and if written notice of the defect is given to KI within the applicable warranty period, KI at its option will either repair or replace the defective product with a comparable component or product, or provide a refund of the purchase price. KI reserves the right to determine labor method used during replacement of product. The Lifetime Warranty applies regardless of the number of shifts the product is used each day, unless specified as an exception. All non-lifetime product warranties are a single 8 hour shift per day unless otherwise noted. KI products are not intended or warranted for outdoor use unless specifically stated for outdoor use.

EXCLUSIONS: This warranty does not cover:

- Failure resulting from normal wear and tear which is to be expected over the course of ownership.
- Any misuse, abuse or modification of the original product voids the warranty.
- Damage caused by carrier.
- Products that are exposed to extreme environmental conditions or that have been subject to improper storage.
- Alterations to product not expressly authorized by KI, nor to products considered to be of a

consumable nature such as bulbs, light ballasts, and surge suppression products.

- Customer’s Own Material (i.e., material supplied by the Customer or procured by KI on behalf of the client that is not a standard KI product offering) used in the manufacture of KI products.
- Natural variations in wood grain; changes in surface finishes, including colorfastness, due to aging or exposure to light; matching of color, grain or texture, except to within commercially acceptable standards.
- Replacement parts are covered for two years or the balance of the original warranty, whichever is longer.
- Failure to apply, install, reconfigure, or maintain products according to published KI planning, assembly, or user guides.

NOTATIONS:

- Warranties and exceptions listed in the Accessories / Components section will apply to all applicable product warranties.
- Non-Standard Product has a one year warranty, unless the change is only cosmetic. If the product is non-standard due to a cosmetic change, the warranty is the same as the “base” product.
- Third Party Supplied Product (KI shall pass along any warranty it receives with respect to other manufacturer’s products).
- Modification to U.L. Listed products eliminates the listing.
- KI reserves the right to request that the damaged product be returned for inspection prior to granting a remedy.
- KI will not be liable for consequential, economic (including loss of time or inconvenience), or incidental damages arising from any product defect.
- International Warranties may differ.

EXCEPT AS STATED ABOVE, KI MAKES NO EXPRESS OR IMPLIED WARRANTIES AS TO ANY PRODUCT AND IN PARTICULAR MAKES NO WARRANTY OF FITNESS FOR ANY PARTICULAR USE. AT KI’S OPTION, PRODUCT REPAIR, REPLACEMENT, OR REFUND OF PURCHASE PRICE IS THE CUSTOMER’S EXCLUSIVE REMEDY FOR ANY AND ALL PRODUCT DEFECTS. KNOLL

General Furniture Specification Requirements

1. Systems furniture

a. Panels

- i. Systems must be New.
- ii. Systems must carry a lifetime warranty for as long as Arvin Union School District owns product.
- iii. System must show history of non-obsolescence, and provide coverage against obsolescence of componentry.
- iv. All furniture must be shipped, delivered and installed within 10 weeks of award.
- v. System must provide a fully integrated freestanding solution.
- vi. System must be an approved contract vendor to the Arvin Union School District
- vii. Panel system must consist of a universal frame and tile system that accepts the following panel inserts: Monolithic fabric inserts, monolithic laminate insert, tiled fabric insert, tiled laminate insert, technology tile, painted steel tile, perforated steel tiles, embossed steel tiles, window kits and markerboard tiles.
- viii. Panels to be available in the following sizes:
 - ix. Widths: 15", 18", 24", 30", 36", 42", 48" & 60"
 - x. Heights: Worksurface height, 36", 42", 50", 57", 64" and 78"
 - xi. Thickness: 3"
- xii. Panels to be available in Monolithic Panels, Beltway Panels and Tiled Panels
- xiii. Panel frames to be robotically welded and consist of vertical channels, horizontal rails and panel feet with leveling glides.
- xiv. Panels to be available in Open Position Planner and Build to Spec options.
- xv. Top caps must be available in metal or veneer.
- xvi. Raceways must support electrical and communication cabling such that an electrified panel has capacity of at least 36-44 data cables, depending on cable diameter.
- xvii. Panel bases to be available in three base options: Base raceway, open base & tile-to-floor

b. Connectors

- i. Panels connectors to be made from two parts: Universal panel connection hardware and panel top connectors. Lower connectors: 14-gauge steel cactus style connectors. Upper frame connector: die cast wedge block with 7" torx head screw.
- ii. Post connectors to be universal connectors and are required for all "L", "T" and "X" configurations.
- iii. Posts to be 3" square extruded aluminum.
- iv. Posts to have cut-outs that match the wire and cable access channels provided by panel frames.
- v. Connector must be universal allowing for every type of panel connection, (i.e. straight, two-way, three way and four-way intersection).

c. Electrical

- i. Power distribution to take place in base raceway, with options available for beltway power.
- ii. Electrical system must have 3 circuits, 6 wires, 4 circuit, 8 wire. and 6 circuit 10 wire options.
- iii. Base raceway panels feature two roll formed steel raceway covers, which are

- available with or without electrical/data knockouts.
- iv. Raceway exterior dimension: 5"H x 2-15/16"D
- v. Raceway interior dimension: 5"H x 2-7/8"D
- vi. Duplex access: 24" and wider base raceway covers to have two duplex knockouts per panel side (15"W & 18"W do not have duplex knockouts).
- vii. Data access: all base raceway covers have one center-located data port knockout.
- d. Systems Components
 - i. All components to carry life-time warranty
 - ii. Work Surfaces must have high-pressure .028 laminate top surface and paper backer on the under side.
 - iii. Work surface edges to be 2mm ABS on straight and curved surfaces
 - iv. Work surface core material to be 45 .lb density particle board.
 - v. Work surface thickness to be 1-1/4"
 - vi. Edge grommets are optional and can be specified factory installed centered along the rear edge of rectangular, rectilinear corner, curvilinear wave end and curvilinear corner worksurfaces.
 - vii. Pedestals must have seamless design, and finished on all sides to be freestanding.
 - viii. Pedestals must be lockable, and support legal and letter files.
 - ix. Pedestals must be floor supported in all panel applications.
 - x. 24"D pedestal design offers case with a back. The back can be purchased as a separate line item.
 - xi. 18"D & 30"D pedestal design comes include the back.
 - xii. Pedestals are available in box/box/file and file/file configurations.
 - xiii. Overheads cabinets must be available in panel, wall and desk supported options.
 - xiv. Overheads must be constructed of steel sides, top, bottom and door for strength.
 - xv. Overheads must be lockable.
 - xvi. Overheads are available in the following designs: Lift Door, Sliding Door and Sliding Door with open cubbies.
 - xvii. Panel mounted overhead cabinets must match the width of the panel or multiple panels.
- e. Freestanding Capabilities
 - i. All worksurface, pedestals must be adaptable to panel hung or freestanding applications.
 - ii. Desking components must support power distribution in both 8 wire and 10 wire format.
 - iii. Desk freestanding support components such as end panels, T support panels, corner support panels and pedestals must be non-handed.
 - iv. Back panels must be removable to both lower cost where not needed and allow access to power and data located on the wall.
 - v. Back panels to be available in Half Height and Full Height.
 - vi. Freestanding desks must allow for support of overdesk cabinets, shelves, and privacy screens.

Color: Color to be selected from manufacturer's standard colors, but not necessarily limited thereto. Indicate additional cost for special match color.

WARRANTY: Seller warrants to the original Purchaser only that the Products Seller manufactures and sells to Purchaser are free of defects in workmanship and materials, during the applicable warranty period set forth below.

Warranty period set forth below is for 24-hour, 7 days a week, multi shift use (includes parts and

labor to repair).

Should any failure to confirm with this limited warranty appear to a Product listed below during the applicable warranty period from the date of shipment, Seller shall, upon prompt written notice, repair or replace, at its option and costs, the affected part or parts.

Product and Period of Warranty:

Lifetime: Antenna Workspaces, AutoStrada, Calibre, Crinion Open Table, Currents, Dividends Horizon, Morrison, Reff Profiles laminate, Rockwell Unscripted, Series 2 Storage, Template and other non-wood components (except cascade edge worksurfaces, operational parts, controls, electrical, Lighting, Series 2 veneer Front Storage, upholstery, textiles and leathers, special or custom products, see below).

12 years: Chadwick, Essentials Work Chairs, Generation by Knoll, k.task, Life, Moment, MultiGeneration by Knoll, ReGeneration by Knoll, Remix, and Toboggan seating (except seating upholstery, textiles, leathers and finishes, see below).

10 Years: Anchor Storage except digital keypad lock, Antenna Workspaces, AutoStrada, Crinion Open Table, Dividends Horizon, Dividends Horizon Satellite Surfaces, Reff profiles, Rockwell Unscripted, Template wood components, Series 2 Veneer Front Storage, cascade edge worksurfaces, Wood Casegoods (The Graham Collection) (except wood casegoods upholstered surfaces, see below), Reuter overheads, Reuter vertical storage, Knoll Extra Sapper Monitor Arm Collection, Sapper XYZ Monitor Arm Series, Adjustable keyboard mechanisms and platforms, Communication Boards (except fabric board textiles, cork and FilzFelt, see below), Smokador collection (except leathers, see below), Orchestra Universal Systems Accessories, k. lounge structural components, Tone bases.

5 Years: Operational parts, controls, electrical lighting (except light ballasts and bulbs, and power supply, see below), special or custom product, wood veneer products and plywood, Currents Hand crank, Knoll Studio, Rockwell Unscripted wire bases, Spark Series seating structural elements, structural elements of all Knoll Studio outdoor products including all Richard Schultz designed products, Knoll Extra CPU holders and all universal storage drawers and Power Collection k. stand bases.

3 Years: Rockwell Unscripted upholstery (except textiles and leather), Office Seating upholstery, textiles, leathers and finishes. Fabric boards textiles and Smokador Collection leathers, Knoll Extra Pop Up Screens.

2 Years: Anchor Storage digital keypad lock, all other Knoll Extra product.

1 Year: Light ballasts, bulbs and power supply, seating upholstered upholstered armpads and soft armpads, wood casegoods upholstered surfaces. Knoll Studio, outdoor product finishes, k.lounge fabric. Rockwell Unscripted fabric and accessories.

This warranty does not apply to:

- Damage caused by a carrier other than the Seller.
- Normal wear and tear or acts or omissions of parties other than Seller (including user modification).
- COM or other third party materials applied to Products.
- Products not installed by or under the auspices of a certified dealer of Seller.
- Dramatic temperature variations or exposure to unusual conditions.
- Except as specifically noted above, textiles and upholstery supplied by Knoll Textiles

(consult current Knoll Textiles Price List for applicable warranty)

Natural variations occurring in wood, marble, and leather shall not be considered defects, and the Seller does not guarantee the colorfastness or matching of the colors, grains, textures or surface hardness of such materials. The Seller also does not guarantee the colorfastness of fiberglass panel surfaces.

THE EXPRESS WARRANTIES CONTAINED HEREIN ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE AND ALL OTHER WARRANTIES ARISING FROM COURSE OF DEALING OR USAGE OF TRADE.

The remedies provided above are the Purchaser's sole remedies for any failure of Seller to comply with its obligations regarding the workmanship of its Products. Correction of any nonconformity in the manner and for the period of time provided shall constitute complete fulfillment of all liabilities of Seller, with respect to or arising out of the Product furnished hereunder.

Delay/Force Majeure

Patents Seller shall not be liable for failure to perform or for delay in performance due to fire, flood, strike or other labor difficulty, act of God, act of any governmental authority or of the Purchaser, riot, embargo, fuel or energy shortage, wrecks or delay in transportation, inability to obtain necessary labor, materials, or manufacturing facilities from usual sources or failure of suppliers to meet their contractual obligations or due to any cause beyond its reasonable control. If any such event occurs, Seller may extend delivery dates by a period of time necessary to overcome the effect of such delay, allocate available Product or cancel any purchase order.

Compliance with Law

PURCHASER IS SOLELY RESPONSIBLE FOR COMPLIANCE WITH ALL APPLICABLE FEDERAL, STATE AND LOCAL LAWS, ORDINANCES, REGULATIONS, RULES AND STANDARDS RELATING TO THE INSTALLATION, MAINTENANCE, USE AND OPERATION OF THE PRODUCTS.

Subject to the following provisions, Seller shall, at its own expense, defend or, at its option, settle any claim, suit or proceeding brought against the Purchaser, and/or its vendees, mediate and immediate, so far as based on an allegation that any Product or any part thereof furnished hereunder constitutes a direct or a contributory infringement of any claim of any patent of the United States or Canada. This obligation shall be effective only if Purchaser shall have made all payments then due hereunder and if Seller is notified promptly in writing and given authority, information and assistance for the defense of said claim, suit or proceeding. Seller shall pay all damages and costs awarded in such suit or proceedings so defended.

The foregoing indemnity does not apply to the following:

- Products supplied according to a design other than that of Seller, and which is required by the Purchaser.
- Combination of the Product with another product not furnished hereunder unless Seller is a contributory infringer.
- Any settlements of a suit or proceeding made without Seller's written consent.
- Seller, Its contractors, authorized dealers and subcontractors or suppliers of any tier shall not be liable to purchaser for any special, indirect, incidental or consequential damages arising from a breach of this agreement.

Purchaser's remedies set forth herein are exclusive and the liability of Seller with respect to the breach of this agreement or any contract entered into between the parties pursuant hereto shall not exceed the price of the Product or part on which such liability is based.

LA STEELCRAFT

L.A. STEELCRAFT PRODUCTS

TETHERBALL SET

The tetherball model TBPCB is a complete outfit: Post, red foul marker, cap, chain, swivel snap, ball and rope. 2-3/8" OD post allows 10' from footing to rugged 3/8" eye bolt. Installation in concrete or optional sleeve. Galvanized steel proof coil chain is 38" long and fastened to the welded eye with heavy duty "S" hook. Heavy duty quicksnap allows for easy removal of ball.

WARRANTY: .A. Steelcraft Products, Inc. (the "Company"), warrants all Company built products (the "Equipment") against defects in material or factory workmanship for a period of ONE YEAR (against mfg. defects) from the date of substantial completion (the "Warranty Period"). Steelcraft's Lifetime Limited Warranty (on certain product lines) means the "lifetime" of that particular product, piece or part. It does NOT mean your or the customers lifetime. The wording "Lifetime Limited Warranty" or "Lifetime of a Product" varies not only product to product but state to state. In California, to use the words "Lifetime Limited Warranty" the product must have a minimum of 3 years of product life. Our Lifetime Limited Warranty Basketball Equipment has been designed for an expected "lifetime" of at least 20 years and is valid only if the product has been subjected to normal use for the purpose in which it was designed; has not been subjected to vandalism, misuse, neglect, or accident or an "Act of God"; has not been subjected to addition or substitution of parts; and has not been modified or altered. In addition to this information all of the other warranty factors of Steelcraft's Standard Warranty also applies to Steelcraft's "Lifetime Limited Warranty" on certain product lines. If you discover a defect in the materials or factory workmanship of the Equipment during the Warranty period, you must promptly notify the Company in writing. You must include proof of purchase and purchase date, installation date or date of substantial completion. The Company will, at it's discretion, repair the defective Equipment at no cost to you, except for the shipping, insurance and installation costs, which shall be your responsibility. This warranty does not cover any loss or damage caused by (a) improper installation of company, (b) use of the Equipment for purposes other than which it was intended, (c) disaster such as fire, flood, wind, lightning, or other "Act's of God", (d) Cosmetic considerations, (e) unauthorized alterations or modifications to the Equipment. Your sole and exclusive remedy against the Company shall be for the repair or replacement, at the Company's discretion, of any defective Equipment as provided herein. *In no event shall the company be liable for any incidental or consequential damages relating to, arising out of the or in connection with the use or performance of the equipment, including and without limitation, any labor and/or other installation expenses incurred in connection with the replacement of the defective equipment warranted hereunder, or any other indirect damages with the respect to loss of revenue or profits. *Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. *All implied warranties with respect to equipment, including and without limitation, the implied warranties of merchantability and fitness or a particular purpose, are hereby limited in duration to the warranty period. *Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. Any revision or modification to this warranty shall be solely by the written authorization of the company's chief operating officer. This warranty gives you specific legal rights. Additional legal rights may vary state to state.

LEISURE CRAFT

LEISURE CRAFT

OVAL PORTABLE PICNIC TABLE

Product Features:

- Expanded metal seats and tops
- Black powder coated understructure
- Thermoplastic coated

Leisure Craft's outdoor furniture is covered in a copolymer-based thermoplastic powder coating. Thermoplastic is environmentally safe. The coating will not fade, crack, peel, warp, or discolor for the life of the product. Thermoplastic has the best adhesion rate of any other process. This keeps the metal base free of any corrosion possibilities. Thermoplastic is applied at a thickness of 25-30 mils. This allows maximum protection with the best possible surface. Thermoplastic can be easily repaired. Cuts are repaired by heating the affected area with an industrial heat gun. The thermoplastic will melt and rebind itself. The properties of thermoplastic also make spray painting difficult for vandals. Simply wash product with a standard industrial cleaner.

Color: To be selected from manufacturer's standard colors.

Size: 6' L

WARRANTY: We fully guarantee all parts and materials for one year excluding vandalism and acts of nature. Our revolutionary thermoplastic coating is guaranteed for five years.

LEONARD PETERSON

MOBILE INSTRUCTOR DESK

Leonard Peterson Mobile Instructor Desk constructed with exterior of select Oak. Five drawers in three sizes and one cupboard make up one side of the desk, the reverse side consists of two cupboards. The working top and drop leaf are Black Resistop. The hinged drop leaf is supported in raised position by two heavy duty folding brackets. For ease in moving the desk is mounted on heavy duty casters: two of these are braked swivel type and two are fixed type.

Overall Size: (drop leaf up)

- Length: 5'-6"
- Width: 2'-4"
- Height 3'-0"

Overall Size: (drop leaf down)

- Length: 4'-1 1/2"
- Width: 2'-4"
- Height: 3'-0"

Warranty: Leonard Peterson & Co., Inc. warrants the furniture to be free from defects in material and workmanship in normal use and service for the period of three (3) years from the date of installation of such materials. This warranty does not include the work, handling, or installation by others, including any dealers of Leonard Peterson & Co., Inc., which are not to be deemed agents of Leonard Peterson & Co., Inc. for any purposes. It is further hereby warranted for the same three (3) year period referred to above, that the Leonard Peterson & Co. product will perform in a manner consistent with the materials used in the manufacture of said product.

In the event that the furniture does not conform to this express warranty, Leonard Peterson & Co., Inc. will repair or replace the defective material or workmanship. Leonard Peterson & Co., Inc. will decide which remedy, repair or replacement, it will provide. Any replacement of furniture or any part of the furniture during the warranty period will not extend the warranty beyond the original duration. The remedy of repair or replacement is exclusive and does not include the cost of shipping, removal or installation, all of which shall be the customer's responsibility unless Leonard Peterson & Co., Inc. was responsible for same in the first instance.

In the event of a warranty claim, the user shall notify Leonard Peterson & Co., Inc. within thirty (30) days of the first obtaining knowledge of a potential warranty claim, in writing, by mailing a notice of claim, certified mail, return receipt requested, along with a copy of the furniture invoice to the following address: Leonard Peterson & Co., Inc., P. O. Box 2277, Auburn, AL. 36831-2277.

This limited warranty applies to furniture that has been used and maintained properly by the user. It does not cover: (a) furniture that has been damaged as a result of abuse, alteration or misuse; (b) furniture which the user has attempted to repair; (c) furniture on which the serial numbers have been altered, defaced, or removed; (d) furniture which has been damaged due to fire, flood, or other acts of God; (e) furniture which has been damaged because the user failed to keep or maintain said furniture in a suitable environment.

Notwithstanding the foregoing, in the event that the user, owner, or architect for a project requires Leonard Peterson & Co., Inc. to use certain trade name or brand name materials or components, or

materials not part of the standard Leonard Peterson & Co., Inc. specifications, then the requested materials or components shall be warranted solely by the supplier of said materials and solely to the extent of the warranty provided by the manufacturer of said materials or components.

This limited warranty is the only express warranty provided with respect to the covered furniture. Seller makes no other warranty of any kind whatever, express or implied; and all implied warranties of merchantability and fitness for a particular purpose which exceed the afore stated obligation are hereby disclaimed by the seller and excluded from this agreement.

Repair and replacement of nonconforming furniture or part of said furniture is the exclusive remedy for breach of this limited warranty, and shall constitute fulfillment of all liabilities of Leonard Peterson & Co., Inc. whether based on contract, negligence, or otherwise. In no event shall Leonard Peterson & Co., Inc. be liable for incidental or consequential damages.

LIST INDUSTRIES

LIST INDUSTRIES

METAL CUBBIE UNITS

All work shall be fabricated in ample time so as to not delay construction process.

Materials: Steel: All sheet steel used in fabrication shall be prime grade free from scale and imperfections and capable of taking a heavy coat of high gloss baked enamel.

Fasteners: Cadmium, zinc or nickel-plated steel; bolt heads, slot-less type; self-locking nuts or lock washers.

Equipment: Hardware: Hooks of cadmium plated or zinc plated steel or cast aluminum.
Number Plates (if required): To be polished aluminum with not less than 3/8" high etched numbers attached with two aluminum rivets.

Fabrication: All cubbies shall be of steel components, factory-assembled, of all MIG welded construction, in multiple column units to meet job conditions. Assembly of bodies by means of bolts, screws, or rivets will not be permitted. Welding of knockdown cubbie construction is not acceptable. Grind exposed welds and metal edges flush and make safe to touch. WOOD CUBBIES WILL NOT BE ACCEPTED FOR THIS PROJECT.

Finishing: All cubbie units to be cleaned and coated after fabrication with a seven-stage zinc/iron phosphate solution to inhibit corrosion, followed by a coat of high-grade enamel electrostatically sprayed and baked at 325 degrees Fahrenheit for a minimum of 30 minutes to provide a tough durable finish.

Color to be selected from manufacturer's standard list of colors.

CUBBIE UNIT TYPES - VENTILATION SCHEDULE: Cubbies shall be **SUPERIOR ALL-WELDED CUBBIE UNITS**".

Classroom Cubbie Units:

Type: Two-Person Backpack Cubbie Unit Size: 15" wide x 16" deep x 48" high

Ventilation: Sides: Solid, Backs, Tops, Bottoms and Shelves: Solid

Frame / Vertical Side Panels: Shall be of 18-gauge solid sheet steel framed by 16 gage hollow "T" tubular sections and channel frame members designed to enclose all four edges of the side panel with the entire assembly MIG welded to form a rigid frame for each cubbie unit. The channel frame members are welded to the front and rear vertical frame members to create and anchor bearing surface of 1-1/4 inches wide x the depth of the cubbie at each side panel.

Center Partitions: Shall be of 16-gauge cold rolled sheet steel securely welded to the underside of the lower backpack shelf, unit back, and unit bottom. The front of the partition is to be rolled tight to conceal the edge of the sheet steel and insure rigidity.

Integral Frame Cubbie Base: 16 gage formed sheet steel with double return flanges at the front and shall be continuous across the entire cubbie unit.

Flat Tops: Shall be formed of one piece of 16 gage cold rolled sheet steel and shall be an integral part MIG welded to each vertical side panel frame member and be continuous to cover the full width of a

multiple cubbie unit.

Backpack Shelves: Shall be 16 gage sheet steel, have double bends at front and shall MIG welded to the side and center partition.

Backs: Shall be 18-gauge cold rolled sheet steel, be continuous to cover a multiple framed unit and be welded to each vertical side panel.

GUARANTEE - WARRANTY: Submit upon completion of the work, in the form prescribed under section 00670 - GUARANTEE FORM, covering all defects in materials and workmanship excluding finish, damage resulting from deliberate destruction and vandalism under this section for a period of 10 years from the date of final acceptance by the owner.

Size: 24"W x 18"D x 16"H

WARRANTY: Luxor products are covered by a manufacturer's Limited* Lifetime Warranty against defects and workmanship. Any product that is defective in either materials or workmanship will be repaired or replaced at the manufacturer's discretion. This warranty does not cover damage in transit or any modification to the product by the customer. This warranty is for the life of the product provided the product is used for its intended purpose and used with weight loads not exceeding those recommended. This warranty does not cover any problems which result from improper set-up, unauthorized modification, normal wear and tear, abuse, or environmental damages including fire, hurricane or floods.

*Rental Applications: Since rental applications do not fall under the category of normal usage, Luxor will be unable to provide the Lifetime Warranty on units used for rental applications. We will, however, make parts and/or entire units available at a special purchase price upon request.

*Whiteboards: All Whiteboards are covered by a 10-year warranty.

*Limitations: Regardless of how carefully you use or care for your product, it will eventually show age and wear, and coverage does not include expected age and wear of products. Neither the consequential costs of repairing or replacing other property damaged in the event of our product malfunctioning, nor incidental loss of time, loss of use, etc. damages are not recoverable under this warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Other limitations may apply depending on the model purchased. Inquire with your sales representative for details.

- Patented BlockGuard® Anti-Shim Technology withstands attempts to violate the latch mechanism
- Includes combination chart to facilitate lock system administration
- 1-7/8in (48mm) wide double-reinforced stainless steel body withstands abuse
- 3/4in (19mm) tall, hardened steel shackle for extra cut resistance
- Easy 3-number dialing with automatic scrambling feature to prevent reopening of lock
- Optional color dials, customized dials, and locks sold in groups of combinations - see Catalog for details

Body Width: 1-7/8"

Shackle Dimensions: 3/4in H x 1 3/8in W, 9/32in Thick

Warranty:

Limited Lifetime Warranty Master Lock Company LLC ("Master Lock") grants the following warranty: If this product or any part of the product fails due to a defect in materials or workmanship at any time during the life of the product, Master Lock will, at its own discretion, repair or replace the product or part free of charge. Simply contact Master Lock at www.masterlock.com or 1.800.464.2088 for instructions on obtaining repair or replacement. Canadian customers please call 1.800.227.9599. Return of the defective product or part at the customer's expense, along with proof of purchase, may be required. This limited warranty applies only to defects in materials and workmanship, and does not cover products which have been abused, altered, damaged, misused, cut or excessively worn. THIS WARRANTY IS LIMITED TO REPAIR OR REPLACEMENT ONLY. This limited warranty does not cover labor for removing, reinstalling or refinishing the Product or part, or other materials removed, reinstalled or refinished in order to repair or replace the Product or part. TO THE EXTENT PERMITTED BY LAW, MASTER LOCK DISCLAIMS ALL OTHER IMPLIED OR EXPRESS WARRANTIES INCLUDING ALL WARRANTIES OF MERCHANTABILITY AND/OR FITNESS FOR A PARTICULAR PURPOSE. TO THE EXTENT THAT ANY IMPLIED WARRANTIES MAY NONETHELESS EXIST BY OPERATION OF LAW, SUCH WARRANTIES ARE LIMITED TO THE DURATION PROVIDED BY LAW. LIMITATION OF LIABILITY: This limited Warranty is your sole and exclusive remedy against Master Lock and Master Lock shall not be liable for any damages, whether direct, indirect, incidental, special, consequential, exemplary, or otherwise, including property damage, lost revenues and lost profits, arising out of any theory of recovery, including statutory, contract or tort. Notwithstanding the term of any limited or implied warranty, or in the event that this limited warranty fails of its essential purpose, in no event will Master Lock's entire liability exceed the purchase price of this product. Some states and provinces do not allow the exclusion or limitation of incidental or consequential damages so the above limitations or exclusions may not apply to you. Some states and provinces do not allow limitation on how long a limited warranty lasts, so the above limitation may not apply to you. This limited warranty gives you specific legal rights, and you may also have other rights which vary from state to state and province to province. If you are an inmate in a Correctional Facility, the request for your replacement or replacements must be mailed. [Click here for the warranty returns](#)

form which includes mailing instructions. In addition to the form, you must also include a letter on official prison letterhead and signed by a warden or prison official. The letter must include your lock model number, serial number (if applicable), and control key number. Please also note that your replacement lock will be shipped via parcel post. Products purchased in the EU are governed by consumer laws which provide statutory guaranty rights in addition to the warranty stated on any packaging or website associated with this product. Any warranty stated on any packaging or website associated with this product is not valid in Australia. Product sold in Australia is governed by the consumer warranty contained in the Australian Consumer Law.

MICHIGAN MAPLE BLOCK

MICHIGAN MAPLE BLOCK

FT-STYLE HEAVY DUTY SHELVED BASE PREP TABLE

These tables are built in the USA with quality components for a lifetime of use. Legs are 1 5/8" diameter tubular stainless steel with height-adjustable feet. Table tops are made of solid edge-grain maple butcher block and finished with DURAKRYL 102®, an easy-to-clean, food-safe finish that is impervious to most stains.

The FT-style Shelved Base Table features a heavy-duty 16-gauge stainless steel under shelf. Certified by the National Sanitation Foundation. Offered in maple in a variety of standard sizes, stocked and ready-to-ship. Also available in custom sizes and wood types.

Table Thickness: 1-3/4"

Table Base: 1-5/8" diameter tubular stainless-steel legs & cross supports with height-adjustable feet

Under shelf: 16-gauge, 300-series stainless steel

Wood Species: Maple

Laminate: Edge-grain

Finish: Durakryl 102

Size: 72" L x 30" W x 34" H

WARRANTY: Wood Welded products purchased from Michigan Maple Block Company, Bally Block Company or our distributors are warranted for a 1-year period to the original end user, against manufacturer defects only.

1. The warranty is void if product is modified, subjected to excessive water or if the block is shipped unfinished at the request of the purchaser since the Wood Welded Companies have no control over the environment, installation timing or storage conditions.
2. This warranty covers the cost of materials only.
3. The Wood Welded Companies reserve the right to qualify any claim on our products.
4. Solid wood has characteristics, which are beyond the control of the manufacturer. Wood is a natural material, sensitive to environmental extremes and surrounding conditions. Just like trees, no two pieces of wood are alike and will contain naturally occurring variations in color. This cannot be considered a manufacturer defect – it is part of the unique beauty in this natural product. Installers are responsible for inspecting the product prior to installation and manufacturer defects should immediately be brought to The Wood Welded Companies attention – failure to do so may affect the outcome of a claim. The Wood Welded Companies are not responsible for errors or alterations from installation. It is important that a consistent humidity of 35% to 45% is maintained to insure continued stability.
5. Return shipping is the responsibility of the purchaser. The Wood Welded Companies may pay to return replacement item(s) to the original purchase address.

MITCHELL

DOUBLERS

PART 1 – GENERAL

1.1 SUMMARY A. Provide recessed mounted cabinet, table and bench system, complete as shown and specified. B. Coordinate work with work or other sections and specify exact wall measurements. C. Installation of Wall Mounted System is to be done by trained professionals only.

1.2 SUBMITTALS & REFERENCES A. ENGINEERING DRAWINGS: Submit cad cam drawings showing product details and dimension requirements. B. GREENGUARD CERTIFIED COMPONENTS: Mitchell tabletop components have won the GREENGUARD Indoor Air Quality Certification and the more stringent Children & Schools Certification SM by the GREENGUARD Environmental Institute (GEI). The laminate, backer and adhesive components have been tested for low emission of volatile organic compounds (VOC's). Mitchell uses certified components on its table products. C. Mitchell Wall Mounted Owner's Manual with parts list and troubleshooting guide. D. A long handled release handle/lever shall be provided to disengage the storage lock mechanism. E. The laminated table and bench surface shall be smooth and free from any mechanical devices that may cause an unsanitary condition to exist, or personal injury to occur. F. The cabinet shall be provided with six depth guides that will secure the table and bench in the cabinet. G. Recessed cabinets shall be manufactured with a 3" W right and left side flanges and 3-1/2" W top flange to overlap and cover the rough wall opening. H. Track Arm pins, tracks table/bench in cabinet channel, shall be spring loaded, 1/2" steel rod, end-capped with bronze oilite bearings. I. Table and bench aprons shall be constructed using cold rolled steel channel and shall be end-capped to eliminate sharp edges. J. SAMPLES: Submit the following... 1. Laminate: Wilsonart color brochure offering manufacturer's standard color selection. 2" x 3" sample of the laminate is available upon request. 2. Table/Bench Top: A 3" x 3" sample complete with laminate, backer board, core material and edge treatment is available upon request. 3. Steel Finish: Jet Black powder coat sample is available upon request.

1.3 PRODUCT HANDLING

Mitchell Recessed Wall Mounted Cafeteria Systems

PO Box 1156 1700 W. St. Paul Avenue Milwaukee, Wisconsin 53201 P. 414/342-3111 – 800/290-5960
F. 414/342-4239 - www.mitchell-tables.com

1.4 GUARANTEE: Submit in written warranty 5 years parts and 10 years welds.

PART 2 – PRODUCTS

2.1 MATERIALS

1. Particle Board: Tables shall have one single 3/4" sheet having a density of at least 45 PCF.
2. Edge Treatment: DuraEdge® Black, thermoplastic polyvinyl chloride, UV stable, smooth, and mechanically fastened to the core 6" O.C.
3. Steel: Cold Rolled ASTM A513.
4. Finish: Shall be electro statically applied Jet Black powder coat. The surface shall be washed clean and acid rinsed prior to powder coat application.
5. Fasteners: Full threaded, hex head with 300 lbs. hold strength, placed 6" O.C.
6. Casters: 2" thick non-mar at table and bench ends and 2" thick non-mar swivel at table center legs.

2.2 FABRICATION

Model: RD-08-14-3012-S (Set-in Series) @ 14'-0" L folding table/benches with steel cabinet.

1. Table width shall be 28" or 30".
2. Table height shall be 27" or 29" (30" Special ADA)
3. Bench width shall be 10" or 12".
4. Bench height shall be 15" or 17".
5. Wheelchair accessible seating at table ends.

Design and operation of tables and benches

1. 20 contact points locking system positively locks single depth tables/benches to the cabinet. Six depth guide (top locks) locking points: Each cabinet pocket shall contain two each 2-1/4" 16-gauge folded steel depth guides which securely engages table and bench to the top of cabinet. ii. Six 1/2" steel, spring loaded tracking pins - two per table and bench (side locks) capped with bronze oilite bearings lock tables and benches into channels within the cabinet side walls. These pins also are guides when folding and unfolding tables and benches. iii. Six male and female (one per table/bench leaf) storage locks (base locks) fastened to the inner and outer leaves engage in the folded position securely locking the two halves of the table/bench together. iv. Two tamper resistant manually operated post locks (one each per center posts) shall have a low-profile housing with 1/4 turn actuation.
2. Automatic, anti-jackknife down locks on all tables and benches.
3. Tables and benches are removed from the stored position by disengaging the storage locks with the release handle (supplied.) Post locks must be unlocked before attempting removal.
4. In "down" position, table and benches can be removed from cabinet by releasing the hidden, spring loaded track arm pins from cabinet channels.
5. Lift assistance built-in to Tables shall have fully enclosed torsion bars that provide 35 lbs. of lift assistance and also control the table's downward movement to the floor. ii. Benches (12', 13' and 14' models) shall have hydraulic gas cylinders.
6. Table/bench assemblies shall have multifunction locking hinge assemblies that automatically lock the table/bench in the down position, provide anti-jackknife protection and secure the top of the assemblies in the cabinet when stored.
7. Each table and bench has 14-gauge tubular brace rods that are adjustable providing the proper leg orientation with both the top and the floor.

MANUFACTURING

1. Table and bench tops shall be constructed using a 3/4" particle board core with the DuraEdge® treatment and core materials will be laminated with NEMA approved high pressure laminate and a balancing backer sheet.
2. Table and bench understructure shall be unitized integrating each component for additional strength. Parallel 1-3/4" steel channel aprons with rolled edges and safety end caps shall be reinforced with steel gussets.
3. Benches shall have a 16-gauge steel hat channel fastened to the center of each bench leaf for added support.
4. Table and bench legs shall be fabricated using 14-gauge round and square tubing. Retention clips shall be used for all legs at the center of the top tubes for added safety. Table and bench end legs shall have 2" thick non-mar stationary wheels. Table center legs shall have 2" thick non-mar swivel casters. Bench center legs shall have nickel plated glides. Table end legs shall be recessed

providing 360° seating when table is detached from cabinet.

5. Cabinets shall be constructed of 16 gauge cold rolled steel. Bottom sill shall be constructed of 14 gauge cold rolled steel. Nine components shall be mechanically fastened together for easy component replacement. All cabinet assemblies are shipped fully assembled for quick installation. Front posts shall be seamed at edge to prevent scraping of table and bench. Cabinets are finished with a powder coat finish (Jet Black color.) Optional colors are available as an upcharge.

PART 3 – EXECUTION

3.1 SUBSTRATE CONDITIONS A. Inspect site where the cabinet will be installed and confirm conditions are acceptable. 1. Coordinate with responsible party in field to perform corrective work on unacceptable mounting surfaces. 2. Beginning of work by factory authorized installer shall be considered as acceptable of conditions as they exist.

3.2 INSTALLATION A. Installation shall be conducted by authorized and Mitchell trained personnel who will install cabinet, table and bench system according to manufacturer’s written instructions, as shown, and as specified.

3.3 ADJUSTMENTS A. Installation adjustments shall be initially completed by factory authorized personnel.

3.4 CLEANING AND MAINTENANCE: A. Keep site clean and free from accumulation of debris especially at sill area. B. Laminate surface may be cleaned with any detergent or spray cleaner. C. Follow regular maintenance guidelines outlined in owner’s manual. D. Replacement parts are readily available through the Customer Service Department of Mitchell Furniture Systems, Inc., Milwaukee, WI

UL Listed: All tables, benches and cabinets to be UL Listed. Assuring you that the system has been tested for both safety and durability by complying with the rigorous standards established by Underwriters Laboratories.

MITY-LITE

AS210 ACCESS SERIES BANQUET CHAIR

AS210 Access Series Banquet Chair offers just the right amount of features and options for the value conscious customers. The chair shall support 1000+ lbs. The chair frame is durable yet lightweight steel frame. The front, back and legs are made of 0.787", 18-gauge tubular steel. The seat support is made of 0.5", 18-gauge tubular steel. The legs are welded in seven (7) places. The chair shall have a silhouette style back with no exposed fasteners. The upholstery and foam are stapled to the wood back insert which is attached to the chair back frame. The back foam is 0.40" thick on the front side and 0.20" thick polyurethane on the back side. The upholstery and foam for the seat are stapled to a 0.60" plywood seat base. The seat foam is 2.0" thick high resiliency TOI polyurethane. The chair glides shall be non-marring nylon glides to protect the floor from scratching or streaking. Frame finish shall be an electrostatically applied powder coating over a phosphate treated steel frame. The powder is oven cured for extended durability. The chair is provided with twelve (12) stack buttons to protect frame finish and stabilize legs when the chairs are stacked. The chairs will stack ten (10) chairs per stack. Size of chair shall be as follows:

Frame finish: Powder-coated

Frame color: Color to be selected from manufacturer's standard frame colors.

Fabric: Fabric to be selected from manufacturer's standard frame colors.

Size:

- Chair Width: 17.5"
- Chair Depth: 21"
- Chair Height: 37.2"
- Seat Height: 18.9"

WARRANTY: MityLite products are warrantied to be free from defects in materials and workmanship under normal use, service, and handling for the following time frames from date of purchase:

Ingress Collection (Access and Worship Series) – Ten (10) years

- The fabric warranty does not apply toward fabric used in the case of "Customers Own Material" (i.e., material specified by the customer that is not a standard MityLite offering) used in the manufacture of MityLite products.
- Painted finishes warranty (table frame, table leg, chair frame, cart, etc.) – One (1) year from the date of purchase.
- Al-13 Aluminum Tables, Aluminum Chiavari & Napoleon Stacking Chairs, and DuramaxPro Resin Folding Chairs are intended to be *Indoor / Limited Outdoor Limited Outdoor* defined as not to be stored outdoors or used for continuous days exposed to the elements. NO other MityLite products are warrantied for *Limited Outdoor* use.
- MityLite designs specialized carts to improve operational efficiency and protect its

customers' investment. When transporting and storing MityLite tables, chairs, staging, dance floors, and so forth, product warranties are contingent upon using only MityLite-designed carts. All warranties are voided if it is determined that damages to product were caused by carts not supplied by MityLite.

These warranties do not cover normal wear & tear to product surfaces or damages as a result of abuse, misuse, vandalism, unauthorized repairs or modifications, defacement, inadequate inspection or maintenance, neglect, accident, improper application, prolonged exposure to extreme temperature or improper use. MityLite, at its sole discretion and subject to a pro-ration of use as determined by MityLite, will repair or replace the product, or provide the customer a credit for the value of the product subject to the warranty within a reasonable time following the receipt by MityLite of such notice of defect. This warranty is given to the initial purchaser and is valid for as long as the product is owned by the original customer. There are no warranties which extend beyond the description above, and MityLite makes no other warranties, expressed or implied, regarding its products, their fitness for any particular purpose, their merchantability, or otherwise. MityLite, Inc. does not make and hereby expressly disclaims any other representation, affirmation, promise, description, sample or warranty of any kind with respect to the product. The sole remedy against MityLite, and MityLite's sole liability under this warranty shall be limited to the repair or replacement of the product, in MityLite's sole discretion. In no event shall MityLite be liable for the cost of procurement of substitute goods by the consumer, or any special, consequential or incidental damages for the breach of warranty even if MityLite has been appraised as to the likelihood of such damages occurring. In no such event shall MityLite's liability (whether based on an action or claim in contract, tort, or otherwise) to the customer or any part arising out of or relating to its products or the order or delivery of its products, exceed the product purchase price charged by MityLite.

NATIONAL OFFICE FURNITURE

NATIONAL OFFICE FURNITURE

PENNANT ONE SEAT LOUNGE CHAIR

Frame Construction: Interior frame constructed of plywood, with joints double doweled and securely glued for maximum joint stability.

Seat Construction: Seat joints are supported by corner blocks with high tensile screws. Seat cushions are loose and feature 6" of high grade polyurethane foam which is custom shaped and fabricated. Brown denim and a 1/4" felt insulator pad cover high tension strip web in for comfort.

Back Construction: 6-1/2" of high grade polyurethane foam which is custom shaped and fabricated, covers a 3/4" interior plywood panel. Panel is fastened to the interior back frame with screws.

Arm Construction Armrest frames are wrapped with 3/8" high grade polyurethane foam and slipcovered. The frame is attached to the unit with three carriage bolts per arm.

Finish: Finish to be selected from manufacturer's standard finishes.

Fabric: Fabric to be selected from manufacturer's standard Grade 1 fabrics.

Size:

- Width: 32 1/2"
- Depth: 30 3/4"
- Height: 30 1/2"
- Arm Height: 23 3/4"
- Seat Height: 18 1/4"
- Seat Depth: 20"
- Seat Width: 24"

WARRANTY: National warrants that each piece of furniture will be free from defects in workmanship given normal use and care for as long as you, the original customer, owns and uses the product. This warranty applies to products manufactured and sold in North America. Normal use is defined as the equivalent of a single shift, 40 hour work week. In the event that a product is used more than normal use, the applicable warranty period will be reduced to 12 years and items that fall under different warranty limitations, as listed below, will be reduced to one-third (ex: wood chair frames will be 4 years instead of 12 years). National, at its option, will repair or replace with comparable product any product, part or component shipped after September 1, 2000, if the claim is eligible under the conditions of this warranty.

Limitations:	Twelve Years:	Wood chair frames.
	Ten Years:	Seating controls, wood veneers and laminates.
	Five Years:	High wear parts such as: electrical components, polymer-based components, pneumatic cylinders, swivel arms pads, casters, chair glides, textiles, foam, covering materials and decorative trim.

Exclusions:

This warranty does not apply to:

- Damage caused by a carrier
- Normal wear and tear which is to be expected during the period of ownership

- Appearance, durability, quality, behavior, colorfastness or any other attribute of COM (Customer's Own Materials) or any other non-standard National material (including Arc-Com, CF Stinson, Maharam, Momentum, and Ultrafabrics) specified by the customer after application to a National product
- Color, grain or texture of wood, laminate and other covering materials
- Non-compliance with installation and maintenance instructions
- Electrical grommets where the box has been opened
- Damages or failures resulting from modifications, alterations, misuse, abuse or negligence or improper care and maintenance of our products

NON-ELEVATED STANDARD LOW RISE BLEACHER ALUMINUM ANGLE FRAME

Non-Elevated Angle Frame Bleachers

- Quantity and Size: Shall consist of 1 unit(s) 3 rows high x 15 long. Net seating capacity per unit 30 (excluding aisles, based on 18" per seat).
- Framework: Prefabricated aluminum angle spaced at 6' - 0" intervals joined by means of aluminum angle cross bracing.
- Shop connections: Welded to meet AWS standards and local code requirements
- Rise and Depth Dimensions: 6" vertical rise and 24" tread depth, row one seat is approximately 11-1/2" in height.
- Seats: Nominal 2" x 12" anodized aluminum with anodized end caps.
- Treads: Nominal two (2) 2" x 10" mill finish aluminum with anodized end caps on all rows.

Materials and Finishes

- Framework:
 - Aluminum: Structural fabrication with aluminum alloy 6061-T6 mill finish. Each frame shall be unit-welded, using metal inert gas method, under guidelines by the American Welding Society. After fabrication all steel is hot dipped galvanized to ASTM A-123 specifications. All crossbracing and horizontal bracing shall be aluminum alloy 6061-T6 mill finish.
- Extruded Aluminum:
 - Seat planks: Aluminum alloy 6063-T6, clear anodized 204R1, AA-M10C22A31, Class II With a wall thickness nominally .078" for impact and deformation resistance.
 - Tread and Riser Planks: Aluminum alloy 6063-T6, mill finish. With a wall thickness nominally .078" for impact and deformation resistance.
- Accessories:
 - Channel End Caps: Aluminum alloy 6063-T6, clear anodized 204R1, AA-M10C22A31, Class II.
 - Hardware: Bolts and Nuts shall be hot dipped galvanized.
 - Hold Down Clip Assembly: Aluminum alloy 6063-T6 mill finish.
 - Joint Sleeve Assembly: Aluminum alloy 6061-T6, mill finish.

Installation: Install bleacher unit in accordance with manufacturer written instructions and shop drawings.

Note: Building codes may vary from site to site. The customer is responsible for verification of local code requirements.

WARRANTY:

- Warranty shall guarantee bleachers to be free from defect in materials and workmanship for a period of 1 year under normal use. Warranty period shall begin on date of completion for projects installed by manufacturer, or its subcontractors, OR warranty period shall begin on date of final delivery on projects installed by others.
- Anodized finish of plank extrusions shall be covered by a 5-year warranty against loss of structural strength or finish deterioration due to exposure to weather conditions or UV rays. Discoloration of mill finish aluminum due to galvanic reaction not covered.

NEMSCHOFF

AVERY ROCKER

Solid maple frame and mortise and tenon joinery provides durable construction. Durable spring seat construction preserves comfort and shape over time. Brushed metal accent rail creates a modern aesthetic. Wallsaver edge protects walls from scuffs. Open arms and a clean-out design allow for easy maintenance.

Fabric: One (1) fabric to be chosen from manufacturer's Series 2 Fabrics, but not necessarily limited thereto. Indicate additional cost for special match color.

Standard Rails. Standard Covers. Non-Fire retardant.

Features

- Solid maple frame
- Mortise and tenon joinery
- Spring seat construction
- Clean-out design
- Replaceable components
- Brushed metal accent rail
- Wood arm caps
- Wallsaver edge
- Nemschoff healthcare wood finish

Size: 25.25" W x 35" D x 40.5" H

WARRANTY: Nemschoff offers a Limited Lifetime Warranty for all of its products. The terms of the warranty are as follows:

Seller warrants the products it manufactures against defects of material and workmanship under normal use and service for the useful life* of the product from the date of shipment provided that the product is in use by the original owner and has been used only for the original purpose. This warranty is void in cases of damage in transit, negligence, user modification, abuse, abnormal usage, improper use of cleaning chemicals, misuse, accidents and improper maintenance. As Buyer's sole remedy under the warranty, Nemschoff, at its option, will repair or replace defective parts at no charge to the original owner of record. Nemschoff will pay freight charges provided that the replacement or return has previously been authorized by the company under the terms of this warranty. Normal aging and wear of fabrics, filling materials, mechanisms, mechanical components and finishes are exempt from this warranty.

With proper use and maintenance, the limitations of our warranty are as follows:

- 10 years for all mechanisms and mechanical components of Serenity®, Pristo®, Consoul™, Leonard, and Ava™ Recliners
- 12 years for all mechanisms and mechanical components of Nala® and Centé® Patient Chairs
- 5 years for all other mechanisms and mechanical components
- 5 years for Overbed Tables, Physician and Caregiver Stools
- 5 years for lighting
- 5 years on Nemschoff Performance Fabric (NPF)

- 1 year for electrical outlets

NELSON ADAMS

ROUND MOBILE TABLE

Our round tables are a great option for small spaces, measurements being 60" diameter and 27" and 29" bench heights make this an easy table unit to move and store where space is limited. When it comes time to move or store, the storage latch keeps the tables secured in the upright position.

When choosing from our round table selection; you have the option to choose from the standard bench, individual stool seating or a combination of bench and stool. Two wheel chair accessible models are available that provide access for two wheelchair users along with seating for six.

Seat Type. Four standard 2 seat capacity benches

Seating Capacity: 8

Size:

- Table Height: 27" H
- Table Diameter: 60"
- Unfolded: 27" H x 90" W;
- Folded: 51" H x 47" W x 90" L

WARRANTY:

- The Seller warrants that the Goods will at the time of delivery correspond to the description or sample given by the Seller. All other warranties conditions or terms relating to fitness for purpose, merchantability or condition of the Goods and whether implied by statute or common law or otherwise are excluded.
- The Seller shall be under no liability whatever to the Buyer for any indirect loss and/or expense (including loss of profit) suffered by the Buyer arising out of a breach by the Seller of this contract.
- In the event of any breach of this contract by the Seller the remedies of the Buyer shall be limited to damages. Under no circumstances shall the liability of the Seller exceed the Price of the Goods.
- If goods supplied by us are shown to our satisfaction to be defective through faulty materials or workmanship and if for this purpose at our request goods are returned to us (in which case only will we bear the expense of returning these goods), we undertake that we will either (a) replace such goods at our expense or (b) credit you with the price paid therefore. Our obligations under this clause shall exclude and be adopted in place of any other Condition or warranty as to the goods or their suitability or fitness for any particular purpose whether express or implied by law or otherwise or any collateral warranty whenever given unless in writing over the signature of one of our Directors. Should any modifications be made to our product's

by other trades without our consent or prior knowledge in writing voids any obligation to warranty. This Warranty cannot be honored unless Nelson Adams is paid in full for the project.

- NELSON ADAMS SHALL NOT BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES ARISING FROM ANY PRODUCT DEFECT.

NIGHTINGALE

NIGHTINGALE

MXO 5900 MIDBACK OFFICE TASK CHAIR

Product Features:

- Memory height and position gas lift always return the chair to a uniform height and position.
- Swivel-tilt mechanism.
- Waterfall seat design gently slopes away from the legs, minimizing pressure on the thighs and promoting good posture.
- ENERSORB™ foam conforms to the body when the user sits, reverting to its original form when the user gets up.
- Contoured fixed-height armrests are designed to fit under standard table height.
- ABLEX™ mesh backing moves with the body and allows air to pass freely, making it comfortable in all environments.
- Dual-layer standard Mystic fabric is perforated for exceptional airflow. Its four-way stretch moves perfectly with the ENERSORB™ foam for added comfort and durability.
- Five-prong heavy-duty nylon base. 2" mag wheel carpet casters.
- Mesh with graphite finish, frame, arms, base and trim.

Armrests: Fixed height armrests.

Base: 5 prong heavy duty nylon base.

Casters: 2" carpet casters.

Fabric. Fabric to be selected from manufacturer's standard Grade 2 fabric options.

Size:

- Overall: 25"W x 24"D x 35.5"-38.5"H
- Seat Height: 17" - 20"
- Seat Width: 19"
- Seat Depth: 18.5"
- Back Width: 19"
- Back Height: 18"

WARRANTY: LIFETIME LIMITED WARRANTY: The Lifetime Limited Warranty applies only for NIGHTINGALE products listed herein, and manufactured after January 1st, 2015, and applies to products delivered to customers in Canada and the United States of America. Under the NIGHTINGALE Warranty, all claims must be made within the time period specified herein. This Warranty begins with the date of purchase from the Nightingale Dealer by the original purchaser, and applies as follows:

- Lifetime Limited: all non-moving metal parts.
- 10 Years: Control mechanisms, casters, pneumatic cylinders, self-skinned urethane parts, and plastic shells.
- 5 Years: Upholsteries.

The NIGHTINGALE Warranty is based on normal use within a normal commercial office setting of single shift, eight (8) hours per day, five (5) days per week, by individuals of 250 lbs or less. Some natural variations occurring in wood, leather, or other natural materials are inherent to their character and are not considered defects. Nightingale Corp. does not warrant the colorfastness or

matching of colors, grains, or textures of these materials. Additionally, a Customer's Own Material (COM) selected by, and used at the request of, a customer, is not warranted.

The Warranty does not apply to:

- Normal wear and tear over the course of ownership.
- Damage caused by abuse, misuse, accident, or negligence.
- Abnormal use or use within extreme climatic conditions. Normal climatic condition is defined as the temperature and moisture content range for human comfort and health.
- Alterations to or modifications of the product not approved by Nightingale Corp.
- Products not installed, used, or maintained in accordance with product instructions and warnings.
- Products used for rental purposes; and,
- Damage caused by the carrier-in-transit, which is handled under separate terms.

Compliance with applicable laws, regular codes, certificates, and manufacturing standards are disclaimed if this product is misused, improperly installed, or modified in any respect (including without limitation, any change in fabric or mechanical components affecting stability, load capacity, or load distribution) after shipment from Nightingale Corp. The NIGHTINGALE Warranty does not cover the cost of transportation or labor, except as noted. All Warranty claims must be submitted by the Nightingale Dealer that sold the product. Nightingale Corp. reserves the exclusive and sole right to determine whether a NIGHTINGALE seating product is defective in material or workmanship. In order for Nightingale Corp. to determine whether the Warranty applies, the following information must be supplied to Nightingale Customer Care:

Original Purchase Order and Purchase Order Date.
Nightingale Corp. Invoice Number and Invoice Date.
Product Model Number.
Reason for claim.

Please note that Nightingale Corp. may also require that photographs be supplied, clearly depicting the defective part or product. Nightingale reserves the right to deny any Warranty claim that does not include photographs when requested.

Should a Warranty claim be approved by Nightingale, then Nightingale will issue a Warranty Ticket Number to that claim. Nightingale Corp. will then, at its exclusive and sole discretion, apply one of the following remedies:

1. Issue replacement parts only, at no charge and prepaid freight. The cost of transportation and labor is not covered.

- OR -

2. On a discretionary basis, Nightingale may determine that replacement parts and more significant labor may be required. Nightingale may authorize the Dealer to carry out the repair either directly or via a bona fide third party approved by Nightingale. All Warranty claims are evaluated on a case by case basis. The following conditions apply:
 - No service work can be performed without prior written approval by an authorized Nightingale Corp. employee.
 - The Warranty policy does not apply to Damage Claims, which are processed separately. Please refer to the Terms and Conditions outlined in the current NIGHTINGALE price book, regarding Freight Damage.
 - Nightingale Corp. will only deal with the Dealer directly. Nightingale will not deal with any third party or end user.
 - In order for approval to be given, the Dealer must submit a pro-forma invoice or

quotation, based on the average hourly labor rate assigned by Nightingale Corp., as stated below. Once approved, an authorized Nightingale employee will provide written consent to proceed.

- The Warranty Ticket Number issued upon approval must be indicated on the pro-forma invoice or quotation.
- If the Dealer chooses to outsource service work to a bona fide third party, then the Dealer must provide a bona-fide invoice or quotation from the third party.
- For the purposes of the Warranty, Nightingale Corp. has assigned an average hourly wage rate of \$20/hr based on data provided by the Bureau of Labor Statistics (BLS) in the United States, and Statistics Canada (StatsCan) in Canada. Nightingale Corp. will not apply any amount greater than this. Nightingale Corp. reserves the right to adjust the rate without notice.
- Transportation time for only one employee will be reimbursed unless it is necessary for more than one service technician to perform the service. Transportation costs must be supplied with the pro-forma invoice or quotation. Nightingale Corp. reserves the right to decline submissions for transportation costs, if they are not within reason. Feedback will be provided with any declined submissions so that the request can be re-adjusted and re-submitted.
- All replacement parts will ship with an assigned Nightingale Acknowledgement Number.
- After service work is performed, the Dealer must submit an invoice. The assigned Warranty Ticket Number and the Acknowledgement Number for the replacement parts must be included on the invoice. Nightingale Corp. will not reimburse any amount greater than the amount provided in the pro-forma invoice or quotation.
- Nightingale Corp. will not reimburse for any service work performed on NIGHTINGALE product without prior written consent from Nightingale.

Over and above the description of the claim and any photographs supplied, Nightingale Corp may require that the defective part be returned collect. Nightingale reserves the right to charge for a replacement part, if a defective part is determined to not be covered under Warranty.

Warranty Exception:

- 247-HD, and Sherman (except HD9000DS which is rated to 350lbs only) is warranted for multiple shifts and users up to 450 lbs. Multiple shifts is defined as three (3) shifts, twenty-four (24) hours per day, seven (7) days per week.
- Weight capacity for all task seating only (Legacy, Buddy, Edge, Ergo-Learn, Ultima II, Bear, WXO, EXO, L XO, Ergotech, Bradley, Veronna, VXO, IC2, Dany) is increased to 300lbs.
- Weight capacity for CXO and SXO series is increased to 350lbs.
- CXO-TI ("Task Intensive") and HD6800D is warranted for multiple shifts and users up to 350 lbs.
- CXO-HD is warranted for single shifts and users up to 450 lbs.
- Overtime is warranted for multiple shifts and users up to 300 lbs. Multiple shifts is defined as three (3) shifts, twenty-four (24) hours per day, seven (7) days per week.
- Nightingale Corp. warrants that the NIGHTINGALE products listed above are covered under the NIGHTINGALE General Warranty, as stated above. Due to the special application of these products, the following specific Warranty applies:
 - Lifetime: all non-moving metal components.
 - 5 years: Heavy-duty control mechanisms, casters, pneumatic cylinders, self-skinned urethane parts, and plastic shells.
 - year: Upholsteries.

Nightingale Corp. offers no other warranty, either expressed or implied, including any warranty of merchantability or fitness for a particular purpose. Nightingale Corp. shall not be liable for consequential or incidental damages arising from any product defect.

NOVA

CLASSROOM TRAINING 46 SERIES WORKSTATION**Product Features:**

- Work surface thickness: 1"
- Standard edge detail: 2mm Flat PVC
- Total Access iMod compartment with removable modesty panels for easier networking
- Matching edge banding colors
- Wire management system and power strip included
- Manufactured with recycled post-industrial materials
- Metal ends use 1" square tubing
- 1" (25.4mm) thermofused melamine
- 1/16" (2mm) banding front and back
- 1/32" (0.5mm) banding on sides
- 125° hinges
- 1/16" (2mm) banding around all doors and drawers

Finish: Finish to be selected from manufacturer's standard laminate selections.

Size: 30"D x 42"W x 30"H

Glass: Tinted (T4 I rating) and tempered with screen-printed border & graphics. Glass for standard monitors is 1 8W x 1 8D, W' thick.

Anti-Reflective Glass (CDAR): Clear Display Anti-Reflective (COAR) reduces the reflection level on the surface of the glass viewport. Glass for standard monitors is 1 8W x 1 8D, W' thick. Glass for oversized monitors is 21W x 21D, W' thick.

Visor: For unusual lighting situations or to create the optimal level of viewing comfort, each Integrated Technology Desk includes a textured black thermoformed ABS Visor.

Monitor Support: Manufactured using wire form technology with a combination of 1/4 and 5/16 inch diameter epoxy powder coated steel. Injection molded Tracking Blocks and Locking Tabs allow for three-way adjustment of the monitor height, angle, and forward/backward travel. The Security Screw allows the monitor Support to be locked in position and permits easy forward/backward travel.

Keyboard Drawer: Textured black thermoformed ABS Keyboard features a built-in wrist rest and soft radius edges. Positive inward and five positive outward stop locations. Outward Locking Tabs prevent accidental removal of Keyboard Drawer.

Warranty: NOVA's Limited Lifetime Warranty - NOVA Solutions warrants that its products are free from defects in materials and workmanship given normal use and care for the lifetime of service; proof of delivery being the only official document accepted by NOVA for any claim. In the event that a product is used more than normal use, the applicable warranty period may be reduced.

This warranty is made by NOVA Solutions to the original customer for as long as the original customer owns and uses the product. NOVA Solutions' warranty is only valid if the products are given normal and proper use, and installed in accordance with NOVA Solutions' installation and/or application guidelines, and installed by an authorized NOVA Solutions' dealer or agent. NOVA Solutions assumes no responsibility for repairs to products sustaining damages resulting from end-user modifications, attachments to a product, misuse, abuse, alteration, or negligence.

This warranty is subject to the limitations, exclusions, and other provisions provided below:

- **25 years:** Thermofused laminate
- **20 years:** Drawer slides
- **10 years:** Locks
- **5 years:** Downview technology with flat panel monitor Flat Panel Display Security Arm, high pressure laminate, casters, fabrics, metal frame doors, electrical components, PVC extrusions, adjustable surface mechanisms, and accessories.
- **3 years:** The Trolley E and The Trolley EXL with Intelligent Motion Technology: One year for parts and repair labor; second and third year for parts only. Additional installation labor charges may not be covered by this warranty. Variation in finishes is characteristic, in terms of color & texture, and does not constitute a defect.
- **5 years:** Electric Hydraulic Lift for Sit-Stand Lectern: Two years for parts and repair labor; third, fourth, and fifth year for parts only. Additional installation labor charges may not be covered by this warranty. Variation in finishes is characteristic, in terms of color & texture, and does not constitute a defect.

As your manufacturer, we stand behind our quality products and will do everything possible to resolve any problems that might arise within the terms of this warranty.

For more information, or to file a warranty claim, please contact NOVA Solutions' Customer Support at 800-730-6682.

Finish: Finish to be selected from manufacturer's standard finishes.

Size: 72"W x 24"D x 29"H

WARRANTY: Offices To Go® warrants its products to be free from defects in material and workmanship subject to the limitations below. This warranty is made by Offices To Go® only to original end user customers acquiring the product directly from authorized Offices To Go® dealers. The customer's sole remedy under this warranty is limited to repair or replacement at Offices To Go®'s option. Consent from Offices To Go® must be obtained before any warranty work is performed. This warranty shall not apply to any products which must be replaced due to normal wear and tear, negligence, abuse or "accident", shipping damage or product use other than in accordance with written instructions or warnings. It will also not apply when product has been modified or altered, repaired or refurbished by someone other than Offices To Go®. This warranty does not cover the cost of transportation or labor. Offices To Go® can make no warranty that any of its products are suitable for any particular purpose and can make no other warranties, expressed or implied. In no event shall Offices To Go® be liable in either tort or contract for any loss or direct, special, incidental, consequential or exemplary damages. This warranty is not valid if the products are used for rental purposes. Under this warranty, claims must be made within the following periods from the original date of purchase: (a) non-moving parts are warranted for five years; (b) drawers, slides, leveling glides, locks and other moving parts are warranted for two years; (c) gas cylinders, mechanisms and other moving parts are warranted for two years; and (d) upholstery materials and foam are warranted for two years. Desking and Tables warranty is based on an eight hour, single shift work day. Seating Warranty is based on an eight hour, single shift work day for users weighing up to 250 pounds. NOTE: Select light duty stacking chairs; OTG11696, and OTG11697, are warranted for users weighing up to 200 pounds.

Exception: Height adjustable bases (OTGHABASE) electric motors, controllers and moving parts are warranted for 1 year. Height adjustable base warranty is based on an eight hour, single shift work day and maximum lifting capacity of 220lbs.

OFFICE MASTER

OFFICE MASTER

TEACHERS CHAIR

Armless task chair with upholstered seat, upholstered back, five star base with carpet casters, pneumatic lift, pivot backrest, back height adjustment and back depth adjustment.

Fabric: Fabric to be chosen from manufacturer's standard Grade 1 fabrics.

Size:

- Overall width: 25"
- Overall height: 33" - 41"
- Back: 17" w x 15" h
- Seat: 18" w x 18" d
- Seat height: 16" - 21"

WARRANTY: OM (formerly Office Master, Inc.) warrants to the original purchaser that its products are free from defects in materials and workmanship for the applicable warranty period, as indicated below. Should any item fail, OM will – at its sole discretion – repair or replace, with a comparable product or part, any item found to be defective as a result of normal commercial use (i.e., a single 8-hour shift, 5 days per week). This warranty does not apply to items subjected to abuse, misuse, neglect, alteration, or damage caused by shipment, storage, accident, fire, flood, or act of God. Unless otherwise specified, all models not classified as budget or 24/7 or heavy-duty are covered under a 12-year limited warranty on all structural components as defined below. 7-Unless otherwise specified, all models classified as budget or 24 /7 or heavy-duty are covered under a 7-year limited warranty on all structural components as defined below. Within a given model's applicable warranty period, all structural components, including gas cylinders, wood, metal and plastic parts (i.e., chair frames, bases and control handles) are guaranteed against structural failure when under normal commercial use. All OM seating comes with a default 250 lbs. weight capacity limit unless otherwise specified by OM. For all models, consumable items (i.e., casters, glides, etc.) are covered by a 5-year normal commercial use warranty. OM in-stock upholstery & foam cushions are covered by a 5-year normal commercial use warranty. Normal wear and tear on fabrics such as wrinkling, dirt accumulation or gathering is not covered. Natural, minor variations may exist in color, surface, grain or texture of upholstery materials. As a result, any such variations are not warranted. COM/ COL and graded-in fabrics are not covered.

OKLAHOMA SOUND

222 READY TO ASSEMBLE FULL FLOOR LECTERN

Attractive and durable; this full floor lectern is made of 3/4" stain and scratch resistant thermofused melamine laminate on PB. Full size reading surface, shelf and paper/ book stop built in. Available in three colors. Floor glides provided. Assembly required.

Finish: Finish to be selected from manufacturer's standard finishes.

Size: 23"W x 16"D x 46-1/2"H

Warranty: Oklahoma Sound® warrants all products to be free from defective material and workmanship on the electronic product speakers and microphones for five years from the date of resale by an authorized Oklahoma Sound® distributor. Oklahoma Sound® will replace defective parts and repair malfunctioning products under this warranty when the defect occurs under normal installation and use, provided the unit is returned to our factory via prepaid transportation after direct authorization and approval by Oklahoma Sound®. This warranty provides that examination of the returned product must disclose in our judgement, a manufacturing defect. This warranty does not extend to any product which has been subject to misuse, neglect, accident, improper installation, or where the serial number has been removed or defected and is given in lieu of any other warranty implied or expressed and will not cover any consequential damages. Orders are accepted under the express agreement that under no circumstances will seller be liable for any incidental or consequential damages, or for any other loss, damage or expense of any kind, including loss of profits, arising in connection with the order or with the use or inability to use seller's products furnished under the order. Seller's maximum liability shall not exceed and buyer's remedy is limited to either (i) repair or replacement of the defective part or product, or at seller's option, (ii) return of the product and refund of the purchase price. Such remedy shall be the buyer's entire and exclusive remedy.

 - The gloss of the writing surface will not increase more than three units when subjected to wearability tests specified in testing procedures for 30 hours.
- Core Material: 1/2" particleboard.
- Backing Material: .005" aluminum backing sheet.
- Metal Trim and Accessories: 6063 aluminum alloy with a T5 temper.
- Adhesive: As recommended by manufacturer for project conditions.

PORCELAIN-ON-STEEL MARKERBOARDS AND CHALKBOARDS

- Provide Markerboards and Chalkboards for project from manufacturer's MTS Series.
 - Metal trim and accessories: MTS Series aluminum extrusions with clear satin anodized finish.
 - Chalktray CR315: Standard continuous solid chalktray with ribbed section and smoothly curved and polished ends.
 - Map Rail MR411: Standard 1" high continuous rail with colored cork insert as follows:
 - End stops: One pair per Map Rail.
 - Map hooks: One every 2' of Map Rail.
 - Roller brackets: One pair per Map Rail.
 - Flag holder: One per room.
 - Frame CH210: Standard channel frame with 3/4" face with wrap around corners and miters.
 - Wall Standards: Single ST100 or Double ST200 punched with 3/8" x 1" slot 2" on center. Standards to be installed exactly 4'-0" on center. Height to be 72", 84" or 96" high.
 - Locking Device LD100: Spring loaded locking installed in upper corners of board.
 - Size: Available sizes 4' high x 4' wide or 4' high x 8' wide as shown on drawings.
 - Color: As selected from manufacturer's standard colors.

INSTALLATION

- Comply with manufacturer's installation instructions.
- Where visual display boards must be partly assembled at project site, use factory-supplied H-

bar to maintain proper alignment.

- Install visual display boards level and plumb, keeping perimeter trim aligned in accordance with manufacturer's recommendations.

Color: To be selected from manufacturer's standard colors, but not limited thereto.

Size: 4" W x 5" H

WARRANTY: For the lifetime of the original installation, Platinum Visual Systems warrants that the porcelain-on-steel finish, under normal conditions of use, shall not exhibit excessive fading of color, crazing, cracking or flaking. Platinum Visual Systems warrants the following products for ten years from the date of sale: Colored Cork Tackboards; Vinyl Tackboards; Fabric Tackboards; Natural Cork Tackboards; and Cork Roll Stock. Our obligation under these warranties is limited to supplying, free of charge, new products for the defective goods, or at our option, refunding the purchase price thereof, with due allowance made for the service rendered by such products. All products are sold and warranted only pursuant to our published terms and conditions of sale. We are not responsible to the user for any consequential, incidental or special damage resulting from improper use or installation. Platinum Visual Systems reserves the right to modify or discontinue any of our warranted products. Warranty does not cover the cost, removal or reinstallation.

RICHARDS WILCOX, INC.

AURORA TIMES-2 SPEED FILES

System shall be a High Density, Multimedia Rotary Filing System manufactured by Richards-Wilcox, Inc., Aurora, Illinois, and known as Times-2 Speed Files. No other manufacturers' product shall be accepted as an equal.

Components:

1. Base and Rotor Bottom Assembly shall be constructed of 12 GA or greater Drawing Quality Cold Rolled Steel. Said Base and Rotor Bottom shall be connected with a minimum $\frac{1}{2}$ " diameter carriage bolt. A locknut shall secure assembly and an oil impregnated bronze bushing will provide permanent lubrication to carriage bolt rotation. Press-formed raceways in both Base and Rotor Bottom shall capture ball bearings and protect rotating components from excessive or unusual wear, burnishment and fatigue. All ball bearings shall be a minimum of $\frac{5}{9}$ " diameter, fabricated from high carbon steel and maintained at equal spacing with a flanged ball cage. Letter-size units shall use a minimum of 22 ball bearings; Legal/EDP-size shall require a minimum of 44 ball bearings. Raceways and ball bearings shall be dynamically and permanently lubricated. Diameter of raceways shall be minimum 22" for letter-size and 28" for Legal/EDP-Size Units. Smaller diameter raceways shall not be acceptable due to their inability to provide stability of unit during unbalanced loading and/or rotation. No heat (welds) shall be applied to rotation surfaces of the Base and Rotor Bottom. Springs included in the Base Design shall be capable of stopping a fully loaded unit without requiring tension adjustment at any time. Operator assistance shall not be required to stop or relocate the interior rotating cabinet.
2. Rotor Bottom shall have functional storage shelf integrated into its design. Four independently adjustable leveler glides shall be provided to allow for proper leveling of units. Any anchoring required by State, Local and National Codes shall be accomplished by securing cabinets to the floor with the manufacturer provided anchoring system. Wall anchoring shall not be acceptable. Separate bases shall be available for Starter and Add-on units and such bases shall be secured to each other to eliminate racking of units during rotation. Further, the addition of units shall be possible on either the right or left sides.
3. A Positive Position Control (Foot Pedal) system shall be utilized with each cabinet, delivering complete operator control of Spring-Loaded, Automatic Self Centering Mechanism. A detent system shall not be acceptable. A Dual Foot Pedal option shall be available to allow access to the cabinet from both sides. Said foot pedal shall be one-piece cast aluminum designed to prevent pedal failure as well as slippage of operator's foot during operation.
4. Doors, Center Panel and Rotor Top shall connect to and lock together to form one monolithic, structurally sound cabinet.
 - A. Doors shall consist of an outer door free of projections, handles, bevels, allowing for decorative laminates or fabric finishes. Inner Door shall be slotted (louvers) in $1\frac{3}{4}$ " increments to allow for the acceptance of accessories required to store various media. Outer and Inner Door shall be welded together.
 - B. Center Panel shall be triple-flanged to meet the Inner Doors and Rotor Bottom. The Door to Center Panel connection will be made with fasteners at the Inner Door and Rotor Bottom. Length of fasteners shall be spaced $5\frac{1}{2}$ " on center.
 - C. Rotor Top shall snap and lock into place with no visible fasteners. Rotor Top shall include an oil-impregnated bronze bushing allowing permanent stabilization and lubrication of cabinet.
5. Revers Beveled Posts, Vinyl Door Strips and Standard Locks shall complement the

appearance of the unit and be integrated into the unit. Vinyl Door Strips shall integrate into Posts without the use of fasteners and be available in matching and/or complementary colors. Posts shall function for either Starter or Add-on units. Locks shall be standard, keyed alike or different. Locks shall be upgradeable (at additional cost) to touch pad, badge swipe (with or without logging system) and other state-of-the-art security applications. Further, lock must be able to establish and maintain “free spin” position of Base and Rotor Bottom (ADA Compliance).

6. End panels shall attach to either Starter or Add-on Unit as may be required by configuration of units.
7. Canopy Top shall fasten securely to posts with bolt and/or project engineered fastener. Further, Canopy Tops must fasten to each other, when applicable, using appropriate fasteners. Fasteners shall be designed to eliminate movement of posts during rotation of cabinet.
8. Painted Surfaces shall be furniture quality epoxy-polyester hybrid powder coat finishes free of all volatile cure-reaction products. No air-dry paint of any type will be utilized. All vertical and horizontal seams shall meet highest fabrication standards and only highest quality steel shall be used in the fabrication of the cabinet and its components.
9. There shall be an extensive offering of accessories available including, but not limited to the following: wall closing strips, extended canopy tops, closed backs, high-security astragals, rollout reference shelves, rollout hanging folder frames, top tab rollout drawers, rollout CD/DVD/Microfiche/Film drawers, card drawers, adjustable reversible shelves, recessed shelves, various size dividers and magnetic followers, dual-pedal kits, conversion kits, specialty racks. (Shelf spacing shall be user-adjustable without the use of tools). Manufacturer shall be capable of creating new accessories reflecting storage requirements of user. Each accessory shall utilize four-point support to securely attach to rotating interior cabinet.
10. All steel used in the fabrication of the aforementioned Rotary Filing System shall meet ASTM A620 standard for all Cold-Rolled Drawing Quality Steel required in base components and ASTM A366 standards for all other steel parts. The following minimum steel grades (gauge) shall be utilized for the respective application.
 - A. Base and Rotor Bottom 12 GA
 - B. Base Cover 16 GA
 - C. Fixed Bottom Shelf 18 GA
 - D. Shelf Dividers 20 GA
11. Warranty: Manufacturer’s Warranty shall include a minimum Limited Lifetime Warranty on the empty unit. For the balance of the equipment components, a warranty of seven (7) years applies. Lifetime shall be defined as “the length of time of ownership by the original purchaser.”
12. Qualifications: Manufacturer must demonstrate participation in a minimum of five projects of similar size and scope within the past year. Further, manufacturer must document installations of projects of similar size and scope within the past five years. Manufacturer shall also have a minimum of 10 years experience manufacturing Multimedia Rotary Filing Systems meeting the specifications hereto ascribed.

SANDUSKY CABINETS, INC. TRANSPORT

TRANSPORT SERIES - MOBILE STORAGE CABINET

Mobile Storage heavy duty all welded 22/20 gauge steel construction. Fully adjustable 200-230 lb capacity shelf plus bottom shelf 3 point lock. Includes heavy duty caster base with four 5" casters (2 with locking brakes).

Color: Color to be selected from manufacturer's standard colors.

Size: 36"W X 24"D X 48"H

WARRANTY: Sandusky Cabinets, Inc. warrants that the Elite, Systems, Transport, Classic, Audio Video and Computer Cabinets are free of defects in materials and workmanship for a period of five years from the date of purchase. All other Sandusky products are guaranteed for a period of one year. The sole and exclusive remedy for such defects is the repair or replacement of a defective cabinet or parts thereof by Sandusky Lee Corporation or, at Sandusky Lee Corporation option, refund of the purchase price upon return of the cabinet to Sandusky Cabinets, Inc. This warranty shall not apply in the event the products are damaged as a result of misuse, neglect, accident, moisture, improper application, improper assembly, or assembly not in conformity with the instructions of Sandusky Lee Corporation failure to abide by safety precautions prescribed by Sandusky Lee Corporation or modification or repair by persons not authorized by Sandusky Lee Corporation. Sandusky Lee Corporation makes no express or implied warranties of any kind or nature except as expressly provided herein. There are no oral agreements or oral warranties collateral to or affecting this written warranty. This warranty is in lieu of all other warranties, express or implied. Implied warranties of merchantability and fitness are expressly disclaimed. Sandusky Lee Corporation liability for any claim hereunder shall in all events be limited to and not exceed the purchase price of the particular product in which the alleged defect occurred. Liability for incidental and consequential damages is expressly disclaimed. Buyer assumes all risk and liability resulting from the use of the Cabinets whether used singly or in combination with other goods. Unless any portion of the above is considered unenforceable or unlawful under applicable law, this limited warranty shall apply to any and all purchasers and/or users of the elite, systems, transport, classic, audio video and computer cabinets.

SCHOLAR CRAFT PRODUCTS

4300 LARGE STUDENT DESK

Frame: Constructed of 1" 18-gauge tubing with a stretcher tube of ¾" 18-gauge steel inserted into the rear legs and then welded for durability. Gas shield metal arc welding of joints provides exceptional strength. Wheelchair accessible. ADA compliant.

Top: Oversized top is 20" x 36" Melsur™* 5/8" solid plastic.

Glides: High shoulder nylon glides with an internal gripper spring. Glides are 1 ¼" diameter and a 40-degree full-swivel with a ½" shoulder. Metal glides are optional.

Metal Finish: Bright nickel chrome plating meets all present requirements for noncorrosive and abrasion resistant finishes.

Adjustable height 28-3/4" – 34"

Size: 20" D x 36" W x 28-3/4" – 34" H

WARRANTY: Effective June 1, 2016 Scholar Craft warrants to the original purchaser that its products are free from defects in material and workmanship under normal classroom use for as long as the life of the product, except as set forth below. During the warranty period, Scholar Craft will replace, or at its option, repair locally, repair at its factory, any Scholar Craft brand product manufactured after June 1, 2016 that, upon inspection by Scholar Craft, is determined to be defective in material or workmanship. This warranty is subject to the following provisions:

Some natural variations occurring in polypropylene material or other natural materials are inherent to their character and are not considered defects. Scholar Craft does not warrant the colorfastness or matching of colors, grains, or textures of these materials. Customer's Own Material (COM) selected by and used at the request of an original purchaser is not warranted. Our products are intended for interior use — exterior use of them will void the warranty.

The materials and components listed below are covered from the date of sale according to the following:

Seating controls, glides, pneumatic cylinders, casters – 3 years.

This warranty does not apply to:

- Normal wear and tear
- Damage from environmental factors
- Damage from sharp objects
- Damage from accident, alteration, misuse, or improper installation or maintenance
- Modifications or attachments to the product not approved by Scholar Craft
- Products used for rental purposes
- Damage caused by the carrier in-transit, which is handled under separate terms
- Third-party products – Scholar Craft, to the extent possible, will pass through to the original purchaser (and process claims under) any warranty provided by third-party products supplied to Scholar Craft.
- All warranty claims are to be made in writing by the original purchaser. The original purchaser may be required to produce the invoice or other evidence to establish that a claim

is within the warranty period.

To the extent allowed by law, Scholar Craft makes no other warranty, either expressed or implied, including any warranty or merchantability or fitness for a particular purpose. Scholar craft is not liable for any consequential or incidental damages. This warranty contains the original purchaser's exclusive remedy.

SCRATON PRODUCTS

SCRANTON PRODUCTS

RESTROOM PARTITIONS & TUFFTEC LOCKERS

Plastic toilet compartments, vanities, privacy screens, shower cubicles, dressing compartments, Tufftec lockers, and locker benches work includes the following, as to be indicated on a project by project drawing.

Floor-mounted overhead-braced toilet compartments. Work could include the following:

Materials: Doors, panels and pilasters shall be 1" thick constructed from High Density Polyethylene (HDPE) resins. Partitions shall be fabricated from polymer resins compounded under high pressure, forming a single component which is waterproof, nonabsorbent and has a self-lubricating surface that resists marks from pens, pencils, markers and other writing instruments. All plastic components shall be covered with a protective plastic masking.

Construction: Doors, panels, and pilasters shall be 1" thick with all edges rounded to a radius. Door Hardware: Door hardware shall be as noted:

1. Hinges shall be 8" and fabricated from heavy-duty extruded aluminum (6463-T5alloy) with bright dip anodized finish with wrap-around flanges, through bolted to doors and pilasters with stainless steel, torx head sex bolts. Hinges operate with field adjustable nylon cams. Cams can be field set in 30-degree increments OR, hinges shall be integral, fabricated from the door and pilaster with no exposed metal parts.
2. Door strike/keeper shall be 6" long and made of heavy-duty extruded aluminum (6436-T5 alloy) with a bright dip anodized finish and secured to the pilasters with stainless steel tamper resistant torx head sex bolts. Bumper shall be made of extruded black vinyl.
3. Latch and housing shall be made of heavy-duty extruded aluminum (6463-T5alloy). The latch housing shall have a bright dip anodized finish, and the slide bolt and button shall have a black anodized finish.
4. Each door shall be supplied with one coat hook and bumper and door pull made of chrome plated Zamak. Handicapped doors shall be supplied with a second door pull and out swing doors with one door stop made of chrome plated Zamak

Pilaster shoes shall be 3" high and made of one-piece molded HDPE plastic available in the following colors: burgundy, mocha, black, parchment, white, charcoal grey, hunter, grey, fossil, linen, beige, blueberry, azure, cappuccino, sandcastle, sandstone and glacier grey. OR, pilaster shoes shall be 3" high (type 304, 20 gauge) stainless steel. Pilaster shoes shall be secured to the pilaster with a stainless-steel tamper resistant torx head sex bolt.

Wall brackets shall be 54" long and made of extruded PVC plastic and are available in the following colors: burgundy, mocha, black, parchment, white, charcoal grey, hunter, grey, fossil, linen, beige, blueberry, azure, cappuccino, sandcastle, sandstone and glacier grey. Plastic wall brackets are available in single ear, double ear, and "H" design. These plastic brackets are fastened to the pilaster with stainless steel tamper resistant torx head screws and fastened to the panels with stainless steel tamper resistant torx head sex bolts. OR, wall brackets shall be 1 Yz" stirrup type made of heavy-duty aluminum (6463-T5 alloy) with a bright dip anodized finish. Stirrup brackets shall be fastened to pilasters and panels with stainless steel tamper resistant torx head sex bolts.

Headrail shall be made of heavy-duty extruded aluminum (6463-T5 alloy) with anti-grip design and integrated curtain track. The headrail shall have a clear anodized finish and shall be fastened to the headrail bracket by a stainless-steel tamper resistant torx head sex bolt, and fastened at the top of the pilaster with stainless steel tamper resistant torx head screws.

Headrail brackets shall be 20-gauge stainless steel with a satin finish and secured to the wall with a stainless-steel tamper resistant torx head screws.

WARRANTY: Partitions and lockers manufactured by Scranton Products (Santana/Comtec/Capitol) and sold under the product names are warranted by the manufacturer to a corporation or other commercial entity which purchases the partitions and lockers for use in the conduct of its business to be free from manufacturing defects in workmanship of material, against breakage or delamination, for a period of fifteen (15) years from the date of receipt by customer. This warranty is subject to the following conditions:

1. The partition/locker has been installed in accordance with the manufacturer's written instructions and drawings (as contained in the instruction sheet supplied with the order).
2. The warranty is effective only with regard to the original installation of the partition/locker and not to any subsequent installation to a partition/locker that has been altered without the consent of the manufacturer.
3. The warranty shall not be applicable if the defect in the partition/locker has resulted from any failure or defect in the building or substructure to which the partition/locker is attached (including but not limited to setting, shifting, distorting, or movement of the walls or foundation of the structure), extraordinary wear and tear, violent action of the elements (such as sunlight, lightening, hurricane, tornado, or hail), vandalism, misuse, neglect, or improper handling of the partition/locker before, during or after installation, or improper or insufficient ventilation of the building to which the partition/locker is attached.
4. The commercial user purchases that partition/locker for use in the conduct of its business and owns the building or substructure to which the partition is attached on the date that a claim is made under the warranty.

Subject to the above conditions, in the event that the partition or any thereof is found to be defective in workmanship or materials within fifteen (15) years from the date of receipt by customer, the manufacturer, free of charge, will exchange new partitions/lockers for defective partition/lockers. This warranty is limited to the exchange, upon receipt by the manufacturer of the defective partition/locker, of new partition/locker for defective partitions or lockers. The manufacturer will not pay any removal, installation costs or any other labor cost associated with the exchange of the partitions or lockers. At its sole option the manufacturer, in lieu of exchanging new partitions/lockers for defective partitions/lockers, may refund the customer the sales price received by the manufacturer, upon receipt by the manufacturer of the defective partition/locker.

The partition/locker is only warranted to be free from defects in workmanship or material as set out above. The warranty shall be the sole and exclusive remedy of the customer of the partition/locker. The manufacturer shall not be liable for incidental or consequential damages resulting failure or defect in the partition/locker. No representative has authority to make any affirmation of fact or promise which relates to the partition except as stated herein.

Any claim under such warranties must be made during the applicable warranty period and shall be

asserted by contacting Scranton Products (Santana/Comtec/Capitol)

CONFERENCE CREDENZA

Senator’s Conference Credenza has four doors and 4 non locking drawers. Drawers are 19”W and 19.5”D. Overall length is 78”. Cradenza has a ¼” shadow gap between top and carcass and ¼” shadow gap between base and carcass. Metal sided drawers have a “push-to-open” function as well as the doors. Carcass sits on an inset plinth with integrated 0.5” leveling feet. Standard laminate choices.

Warranty: Limited Warranty, 10 Years, Senator Group North America, warrants to the original purchaser that its products are free from defects in materials and workmanship for a period of ten (10) years from date of delivery, except as noted below. This warranty applies to single shift (standard 8-hour day, 5 days per week) use, and covers products delivered in the Americas: Canada, the Caribbean, Latin America, Mexico and the United States.

Exceptions, 5 Years, Stacking chairs, metal chair frames, seating components including controls and adjustment mechanisms, height adjustment mechanisms and pneumatic cylinders, monitor supports and tablet arm assemblies, wood veneer and thermally fused laminate (TFL (edge 69)) surfaces, urethane and wood edge treatments, upholstery and tailoring. 3 Years, Electrical components and power supplies, ballasts, casters, glides, exposed wood frames, marker board surfaces, granite and glass surfaces, replacement parts.

Exclusions, Warranty does not apply to product failure or loss resulting from:

- Normal wear and tear
- Failure to apply, install or maintain products according to published The Senator Group, Senator or manufacturer instructions and guidelines
- Abuse, misuse, neglect or accident.
- Unauthorized alteration or modification of the product
- Products exposed to extreme environmental conditions or improper storage

MOBILE WAVE PROFILE COMPUTER WORKSTATION

ShuttleSystem is the industry leader in organized flexibility, making it the perfect choice for computer labs and media centers equipped with wired desktop computers. Modular, instantly-interlocking design facilitates quick room changes even in heavily wired environments. Change from rows to team clusters in just minutes.

Product Features:

- Patented ShuttleLatch table connector
- Wire-management raceway
 1. Top-loading for easy access
 2. Fully-integrated and oversized with wire access from top, bottom, back and sides
 3. Internal data channel
- Rugged construction:
 1. Premium hardware
 2. 14-gauge steel foot tubes
 3. Metal-to-metal bolted connections
 4. Contour PVC edging
 5. Integral modesty panel

Warranty:

Warranty for specified Shuttle Loose Furniture Products: ShuttleZone • ShuttleMate • ShuttleSystem • Tandem

Shuttle provides the following warranty to the original purchaser of the above listed Shuttle products sold in North America and installed by Shuttle approved installers. This warranty begins on the date of product invoice, is governed by and subject to the terms and conditions detailed below, and is non-transferable. Shuttle warrants its products to be substantially free from material defects in materials and craftsmanship. Defects found during normal usage of the product will be covered during the warranty period set out below, provided that written notification of the alleged defect is given to Shuttle at the address below prior to expiration of the applicable period. Shuttle will at its sole discretion either repair or replace the product it determines to be defective with a comparable product. All other costs are excluded. The fulfillment of the warranty is under the control of Shuttle. In the event Shuttle fails to repair or replace a product it has determined is defective as provided herein, the purchaser's sole remedy shall be the return of the purchase price actually paid by purchaser for the defective product on a prorated basis based upon a useful life of twenty (20) years.

Warranty Period

All Shuttle products are guaranteed against defective material and workmanship for a period of twenty years (20) years from date of actual receipt by the user, except optional gas strut mechanisms guaranteed for five (5) years.

Exclusions and Conditions

This warranty excludes and does not apply to:

Conditions other than normal wear and tear.

Abuse, neglect, vandalism, or misuse.

In-transit damage.

Products altered or modified by the purchaser.

Products installed on flooring that does not meet structural standards.

Purchaser supplied or specified material, leather, and non-standard material and color finishes (whether purchased by the purchaser or Shuttle) .

Natural variations occurring in wood and leather and/or color fastness and/or variations in matching

of colors, grains or textures of materials.

Product color change due to natural aging, UV exposure, cleaning solutions, or other causes.

Disclaimer of all Other Warranties

There are no other warranties than those expressly stated above, whether expressed or implied (including, but not limited to any warranty of merchantability or fitness for any particular purpose). Shuttle is not liable for consequential or incidental damage arising from any product defect.

Limitation of Liability

Shuttles total liability hereunder shall not exceed the purchase price paid for the allegedly defective product. In no event shall Shuttle be liable for any indirect, consequential, incidental or special damages, including lost profits, loss of reputation, loss of goodwill, lost revenue, or any other economic or non-economic loss.

THE COMPANY DOES NOT WARRANT

- COM/COL textiles
- Product abuse or misuse or negligence in misuse
- Failure resulting from normal wear and tear
- Products that have been modified or altered and any attachments to the product
- Products or parts not used, maintained or installed in accordance with the Company's installation, maintenance and/or applicable guidelines
- Products that are exposed to extreme environmental conditions such as water damage or and/or have been subject to improper storage
- Floor samples or display models
- Products purchased "as is" and/or secondhand
- Products sold by unauthorized dealers
- Creasing and/or gathering of textiles during upholstery application process
- Minor irregularities of color, surface, grain and texture
- Minor variations of color in textiles
- Variations of texture and natural markings such as neck wrinkles, scratches, backbone marks and stretch marks in leather
- Color matching of textiles exactly to samples, swatches or prior purchases

APPLICABLE PROVISIONS TO ALL PRODUCTS AND SERVICES

The Company will, at its option, repair or replace with a comparable product, without charge to the original purchaser, only defective products or parts found defective during the Warranty Period. If requested by the Company, the original purchaser must return the part or product with freight or other shipping charges prepaid. Under no circumstances will the company be liable for injuries or damages arising from use of the product. This warranty shall be effective for the applicable time period beginning from date of purchase as shown on original purchaser's original receipt or other proof of purchase. For products purchased on or after August 1, 2012, the Company shall pay for all labor costs pre-approved by the Company. The payment of such pre-approved labor costs will be in the form of a credit to an active Company account. This is an EXCLUSIVE LIMITED WARRANTY. There are no other warranties, expressed or implied, including without limitation, any implied warranty of merchantability or fitness for a particular purpose. The Company will not be responsible for incidental or consequential, special, or indirect damages. The purchaser is responsible for determining suitability for its intended use. The Company disclaims any liability for defects, loss of use, or claims or injuries arising out of the incorrect choice of product for particular usage. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may have other rights which vary from state to state. The Company will advise you of the procedure to follow when making warranty claims. Call the Company at the number below to explain the defect. Give your name, address, and telephone number. Please be prepared with the model number and sales order number found under the seat of the chair.

SMITH SYSTEMS

ELEMENTAL ENGAGE SQUARE TABLE

Elemental Engage Square Table with a 48" depth by 48" width and height adjustable from 19-33". Edge can be a 3/8" Bumper T-mold (EL) or a 4mm T-mold (E8). Table top is to be 1 1/4" thick. Base price does not include casters. Mounted under the work surface is a 14 gauge steel "X" shaped stiffener for reinforcement. The Elemental leg sets are constructed of 14-gauge steel with a durable powder coat paint finish in one of five colors. The legs are reinforced by a gusseted, 'spade' shaped, mounting plate. Each one of the 4 legs attach to the pre-drilled holes in the top with 10 #10 x 5/8" screws per leg. Legs come standard with a nylon base glide.

Work Surface: 1 1/4" thick work surface consists of a 45 lb density particle board core with a 0.030" high pressure laminated surface and a 0.020" melamine backer sheet.

Work Surface Finish: Finish to be chosen from manufacturer's standard laminate options.

Edge Color: Edge color to be chosen from manufacturer's standard edge colors.

Legs: Powder coated 14 gauge steel adjustable height legs.

Leg color: Leg color to be chosen from manufacturer's standard leg colors.

Glide: Nylon glide.

Size: 48"H x 48"W x 19"-33'H

WARRANTY: Smith System Manufacturing Company promises to repair or replace any Smith System brand product or component that is substantially defective in material or workmanship for twelve years and lifetime for metal frames on chairs and tables for the original purchaser, or at our election give a credit up to the invoice price of the product only. This is your sole and exclusive remedy for products found by Smith System to be defective. This warranty, which runs from the date of shipment, is subject to the limitations, exclusions and other provisions below.

Smith System may repair or replace, at its sole discretion, any portion of the subject product, which proves to be defective under the terms of this limited warranty at no further cost to the buyer. Smith System shall be liable under this limited warranty only for the cost or, at its option, the repair or replacement of defective products. Smith System will not pay labor costs associated with repairs or replacements. All incidental or consequential damages which may arise, including, but not limited to, lost profits, personal property damage, and third party liabilities are hereby expressly excluded. Likewise, Smith System will not be responsible for any damage to customer's property caused by incompatibility of the product with customer's flooring and other customer property.

Exclusions:

This warranty does not apply and no other warranty applies to:

- Normal wear and tear, which are to be expected over the course of ownership.
- Defects caused by abusive or abnormal use of the product.
- Damage caused by the carrier in transit, which will be handled under separate terms.
- Modifications or attachments to the product that are not approved by Smith System.
- Products that were not installed, used or maintained in accordance with product instructions and warnings.
- One year on all moveable/high wear parts (pneumatic lifts, casters, glides, bushings, nest and

fold mechanism etc).

- One year on all electrical components.
- One year on whiteboard Cascade storage surfaces.

Smith System products are not intended or warranted for outdoor use. In addition, some natural color variations occurring in plastics, laminates, paints, or other natural materials are inherent to their character, and cannot be avoided. Therefore, they are not considered defects. Smith System does not warrant the color-fastness or matching of colors, grains or textures of such materials. Customer's own materials selected by and used at the request of a user are not warranted.

SPECTRUM

LINK 42"H LECTERN W/ HEAVY-DUTY CASTERS

Product Features:

- Durable powder coated steel chassis provides a long-lasting finish
- Scratch and impact-resistant high-pressure laminate top provides a durable, useful worksurface for instructors
- Cable grommets on worksurface provide cable access
- Rack-rail simplifies equipment installation, while providing enough storage space for an internal CPU tower
- Four inboard 4" heavy-duty locking plate casters with metal construction and nonmarring rubber provide easy rolling, and quiet transport (rated for 300 lb each)
- Double bolt, keyed locks and heavy-gauge steel doors provide security and easy-access
- Removable acrylic viewing/access panel on the front door provides easy monitoring of internal equipment
- Worksurface surround provides privacy and styling
- Ventilated side panels help keep equipment cool
- Cable grommets throughout unit keep wires and cords organized
- Pull-out keyboard tray
- Worksurface and base panel vinyl edging protects walls and furniture
- The worksurface and base panel is constructed from 1" thick NAUF (no added urea formaldehyde) composite board with .030" high-pressure laminate on one face, and a balancing phenolic backer on the opposing face
- Metal components consist of 16-gauge and 20-gauge steel
- 16-gauge steel doors
- Solid wood worksurface surround
- Worksurface edges are covered with 3mm vinyl
- All metal components are finished with a scratch-resistant powder coat epoxy

Castors: 4" heavy duty casters.

Finish: Finish to be selected from manufacturer's standard laminate and color combinations.

Size: 42"H x 35.13"W x 29.5"D (to worksurface)

WARRANTY: Spectrum is committed to provide complete customer satisfaction. Each of our products is manufactured from the best materials available and each product is stringently monitored throughout the production process through our P.A.C.E. program (Product Assurance to meet Customer Expectations). We expressly warrant that Spectrum products will be of good quality and workmanship and free from defect for the period set out in the warranty table below from the date of delivery. This warranty shall not apply to defects or damage resulting from misuse, abuse, neglect, improper care, modification or repair not authorized by Spectrum, or any other cause outside the control of Spectrum. Spectrum will, at its sole option, either repair or replace the defective product. This warranty is exclusive; no other warranty, written or oral, is expressed or implied. This warranty is given by Spectrum to Buyer and to no other person or legal entity. No Spectrum dealer, distributor, agent or employee is authorized to make any modification or addition to this warranty. Notwithstanding anything to the contrary, spectrum will not under any circumstances be liable for indirect or liquidated damages, including consequential, incidental and special damages. In no event shall spectrum's liability, whether under contract or warranty, in tort or otherwise, exceed the purchase price received by Spectrum for the product at issue and "recall action" expenses. Spectrum shall not be subject to

any other obligations or liabilities, whether arising out of breach of contract, warranty, tort (including negligence and strict liability) or other theories of law, with respect to products sold or services rendered by spectrum, or any undertakings, acts or omissions relating thereto.

STAGERIGHT

STAGERIGHT

FIRSTCHAIR

FirstChair is an ergonomic stackable chair with a steel "X" frame construction allowing for good posture. The back is a breathable fabric allowing for air flow and a comfortable design. This product is only available in black mesh only. Seat and chair back are injection molded using structural nylon which give the chair an incredible strength to weight ratio (pound for pound stronger than steel) and impact resistance. The nylon frames provide the main structural support for the upper sections of the chair and house the mesh. Chair back is attached to the top of the front legs of the chair through a system of glides and snaps that lock into the oval steel tube. The chair stands 33" high and a depth of 24 1/8"

WARRANTY: Warranted to be free from defects in materials and workmanship under normal use, service, and handling for three (3) years.

TENJAM

AMPED SEAT & SIDE TABLE, FIRM SERIES

This versatile unit can be used as either a student seat or as a side table. Bionic Polymer incorporated into the Amped Seat & Side Table made from recovered plastic from shorelines, waterways, and coastal communities. The uniquely shaped item has dimensions of 22.25”L x 16.75”W x 16.25”H.

Shell color: Color to be selected from manufacturer’s standard 13 colors.

WARRANTY: Tenjam hereby guarantees that all FIRM products will be free of defective materials and defective workmanship for a period of 10 years from the original ship date. All Electrical Components will be free of defective materials and defective workmanship for a period of 1 year from the original ship date. In the event of a warranty claim, Tenjam will determine acceptance, approval, and the appropriate remedy for repair, replacement, or prorated refund. Such repair, replacement, or prorated refund is the exclusive remedy available from Tenjam, and Tenjam is not responsible for damages of any kind in contract or in tort, including incidental and consequential damages resulting from any breach of warranty. In the event of a prorated refund only the purchase cost, excluding shipping, will be used when determining the refund amount. The Tenjam sell price of a FIRM product would be divided by 3,650 days (10 years). The unused portion of the product warranty period would be refunded. In no event shall Tenjam be liable for damages, including injury, or damages resulting from improper use or maintenance of the product. Except for the express warranties described herein, Tenjam specifically disclaims and excludes any and all express and implied warranties with regard to its goods and services, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Proof of purchase by the Original Purchaser is necessary for all warranty claims. This Tenjam warranty shall not be enlarged in scope or extended in duration and no obligation or liability shall arise by Tenjam’s repair, replacement, or prorated refund. Repairs and replacements will not extend the original product warranty term. Tenjam will pay freight costs for any approved warranty only within the first year and only within the Continental U.S.A. Actions that void this warranty and conditions not covered by this warranty include, but are not limited to, the following: Color change including fading; Damage including, but not limited to, punctures, cuts, markings, stains, scratches, nicks, and damaged caused by sharp and foreign objects; Standing or jumping on the product; Using products as a floatation device; Abnormal use, neglect, abuse, accident, vandalism, use of the products other than for the intended purpose of casual furniture, and acts of nature and God; Alterations to the products original shape, size, or color; Cleaning with non-approved cleaners or disinfectants; Exposure to temperatures greater than 140 degrees Fahrenheit or less than 0 degrees Fahrenheit; Exposure to any load exceeding 750 lbs for all FIRM and BRIGHT LED products with the exceptions of Drift 300 lbs, Dash Bench & Swerve Bench 1000 lbs.. Visible wear and dulling of the finish due to high traffic use is expected and not defective.

THONET

Thonet's lounge Moss Chill series 18" Small Square Ottoman with a variety of fabric options.

Fabric: Standard grade 1.

Size: 16"H x 16"W x 18"D

Warranty:

The Standard Warranty for all of the Company's products is one (1) year from the date of invoice. There are some exceptions to the duration of the warranty with regard to the products and circumstances mentioned below.

All warranties have certain limitations and do not cover wear and tear items nor do they apply to products, which have been abused or neglected or modified in any way from the original delivered product. Repairs and replacements do not extend any product warranty. In the event of any authorized repairs, the warranty term remains the order's original and earliest date of invoice. All warranties will default to a minimum warranty of 30 days from the date of invoice if the Buyer does not pay the invoice in full within the contractual terms and conditions. All warranties will default to a minimum warranty of 30 days from the date of invoice if the Buyer makes unauthorized deductions or refuses to accept goods on the agreed delivery date or fails to pay any required additional charges, including storage charges within the payment terms requested by the Company. All warranties will default to a minimum warranty of 30 days from the date of invoice in the event that the product is relocated for use to a location other than the original 'ship to' location of record for that order. All warranties are null and void if the Buyer or the End User subjects the product to incorrect use, storage and transportation, abuse, excessive wear and tear, or inappropriate cleaning, installation or maintenance and repair procedures.

The Company warrants that its products will be free from defects in materials and workmanship when using the product for two-eight hour shifts per day. Warranty will begin on the date of the invoice to the Buyer, subject to the conditions and limitations noted in this document. The warranty described in this document is expressly limited to the repair or replacement of the claimed product at the sole discretion of the Company and repair or replacement is the Buyer's sole and exclusive remedy. The Company reserves the right to pre-approve any contract, which is entered into by the Buyer with a third-party for the replacement or repair of any product, covered by the warranty period set forth in this document. The warranty set forth in this document shall be automatically void in the event that any work or modification is performed on the items or products covered without prior written approval from the Company. At the Buyer's request the Company will attempt to match color during any repair or replacement, as long as a sample 'product to match' has been shipped to the Company by the Buyer. For various technical reasons related to color degradation in UV light and the variations arising from the differences in lighting standards at different locations, the Company does not guarantee that finishes will match.

Notwithstanding anything to the contrary set forth in the document, the Company's maximum liability under any circumstance shall be limited to the original invoice price to the Buyer and shall not include any other charges, including, but not limited to, lost revenue or profit due to lack of beneficial use, rental of replacement products, freight, handling, packaging, demurrage or storage or any claim from any individual, including customers of any Agent or End User.

Warranty repair or replacement will be made at no charge to the Buyer when defective products are returned to the Company with freight and shipping prepaid and properly packaged to avoid damage

in transit. Risk of loss of any items in transit from the Buyer to the Company shall pass when received by the Company. Risk of loss of any items in transit from the Company to the Buyer shall pass when shipped by the Company.

The Company assumes no responsibility of liability for the transportation of products requiring service and/or repair to or from the job site

The Company will make every reasonable effort to minimize the necessary inconvenience to the End User or Buyer in carrying out any repairs or replacements, however the Company reserves the right to levy a surcharge on any repair work if the repair must be completed outside of the normal work week, which is deemed Monday through Friday excluding holidays, between the hours of 8 am and 5 pm. The Company also reserves the right to levy a surcharge on any repair work outside the contiguous lower 48 States in the USA

Warranty claims must be filed in writing within 30 days of discovery of the claimed incidence of failure by the Buyer or Agent.

The Buyer (Dealer or Agent) of record shall be solely liable to the End User for any Buyer/Dealer installed products.

In the event that the dealer or agent is no longer in business for any reason, the Company will have no liability for any product failure whatsoever.

In the event that a supplier to the Company is no longer in business for any reason or has discontinued a particular material, part or product then the Company will have no liability due to any inability to replace any unavailable part and the Company's sole responsibility will be to offer an alternative part of reasonably similar performance or at its sole discretion offer a credit note per the amortization schedule.

Except to the extent specifically set forth in this document, the Company makes no warranties, either express or implied, including with limitation any implied warranty of merchantability or fitness for a particular purpose, with respect to the products covered by this document. The express provisions set forth in this document are in lieu of any obligations or liabilities on the part of the Company for any or all direct, economic, indirect, incidental, special, punitive, consequential or other damages (including, without limitation, loss of profits, loss of value, costs of procurement of substitutes) arising out of or in connection with any products sold, manufactured or delivered by the Company and/or any breach of this document. No affirmation of a fact, including, without limitations, statements or images regarding suitability for use or performance of the products covered by this document or any document of digital media produced by the Company, shall be deemed to be a warranty of the Company.

No representative of the Company has the authority to modify or waive this warranty either verbally or in writing and only the CEO or CFO can approve any such recommended modifications in writing

The Company will occasionally be requested by the Buyer to develop a custom product where the image, engineering drawings and specifications related to that product have been supplied by the Buyer. The Company always assumes in good faith that the Buyer holds, or has secured, the appropriate intellectual property rights to conduct this activity and the Company will assume no responsibility to defend any breach of any IP rights which have not been assigned to the Buyer. If the Buyer breaches the rights of another party, the Company has no responsibility for any delays in the development of an alternate product and the Buyer assumes full responsibility and indemnifies the

Company against any legal action arising from any such breach of another party's IP rights.

When the Company provides products for the contract furniture market, customized to the specification of the Buyer and End User, the Company relies upon the End User and the Agents they engage, such as the Buyer, dealer/installer or the Designer, to validate and test the suitability of any such specifications with regard to performance or aesthetics. In the event that the Company perceives a risk of product failure inherent in this custom design, the Company will present its concerns and request a liability and warranty waiver from the Buyer if the Buyer decides to proceed with the purchase. The Company is not responsible for any dispute over the aesthetics of the custom product arising from the specifications of the Buyer, the Buyer's Designer or Agent.

USA CAPITAL STOOL

100 SERIES HARD PLASTIC STOOL

Frame: 1" diameter, 18-gauge legs welded to 9" x 9", 14-gauge plate. The 3/4", 16-gauge footrest is welded to the legs to form a rigid integral unit. Frame is chrome plated after all welding is completed.

Frame Finish: Standard Chrome Finish - Chrome is comprised of metal layers (Nickel & Chromium) electrostatically bonded to metal. Our standard is 4-6 mills (25%-50% more than our competitors) of Nickel. Hard-Chrome will not scratch. CASS test per ASTM B 368 - 22 hours harsh tested before rust. Our product is chromed on plateable quality tubing after all welding is completed

Glides: Glides to be chose from manufacturer's standard glide options. Glide attachment will be a standard internal gripping spring steel umbrella at least 5/8" diameter or larger. The glide will have a ferrule. Glide casing and ferrule shall be constructed of durable case-hardened steel; no plastic. The glide will be of full swivel design, silent and firm fitting for positive attachment and retention. All glides must make full level contact with the floor and the maximum swivel angle of the glide shall not be violated.

Seat: 5/8" thick solid molded thermo-set plastic with smooth molded edges and permanent color throughout thickness. Seat size is 13" round. Seat is attached using self-tapping screws into four uniformly drilled holes.

Seat color: Seat color to be chosen from manufacturer's standard hard plastic seat color options, but not necessarily limited thereto. Indicate additional cost for special match color.

Size:

Seat Height: 18"-24"

Seat Width: 13" Diameter

Base Width: 13.5"

WARRANTY: USA Capitol warrants that its products shall be free of all substantial defects in original material and workmanship that may become evident within ten (10) years from the date of purchase. USA Capitol warrants the structural integrity of our metal frames for its Lifetime.

Lifetime Frame Structure Warranty: USA Capitol guarantees for the warranty period from the date of shipment against product defects in construction, materials, or workmanship. USA Capitol reserves the right to repair or replace such parts. This limited warranty does not cover apparent defects caused by abusive or abnormal use of the product, improper assembly, or failures resulting from inadequate inspection and maintenance. All incidental or consequential damages which may arise, including but not limited to business losses, personal property damage, and third party liabilities are hereby expressly excluded. Also expressly excluded under this warranty is vinyl and fabric upholstery material and normal wearing parts.

Normal use is defined as use that occurs during a normal 40-hour workweek by persons weighing 250 pounds or less.

This warranty is nontransferable and is intended for the original purchaser only.

USA Capitol reserves the right to make changes in product design, construction methods,

Materials, and colors.

We reserve the right to discontinue any product without notice.

No other warranties expressed or implied are given on products manufactured by USA Capitol.

Color Variations / Finishes: Some natural color variation occurs in thermoset hard plastic and is inherent to its character. Some color variation occurs in polypropylene injected molded components. These variations cannot be avoided and are therefore not considered defects. Chrome plating is a chemical process by which nickel physically bonds to a metal surface, then Chrome bonds to the nickel. Due to the length of our welds, some may appear blackish grey in areas under the seat or desktops. Some surface rust may occur on nickel/chrome in indoor areas with poor environmental controls. These cannot be avoided and therefore are not considered defects. Powder coating is applied electrostatically and is then cured under heat to allow it to flow and form a "skin." This surface will wear over time.

Warranty: We are so confident you will be satisfied with your purchase from VersaTables, we guarantee every product with a no-hassle Lifetime Warranty. We warrant every product to be free from defects in materials and workmanship for the lifetime of that product. We will repair or replace any defective part or product once visual proof has been submitted to VersaTables that demonstrates defects in workmanship. All items will be evaluated on a case-by-case basis. We guarantee customer satisfaction on every item purchased from VersaTables. If you are not completely satisfied, you may return the product within 30 days of the order being delivered, provided it is not damaged in the return process. If you have ordered a quantity of greater than two units, only one product may have been opened for evaluation. Opening additional products is considered an acceptance of the entire order. All shipping on returns is paid for by the purchaser. For orders of more than one unit there is an 18% restocking fee. Custom orders are non-refundable. VersaTables will be unable to accept any return after the close of the 30-day return window. If an item is received after the close of the return window, a Customer Service agent will contact you in order to arrange for re-shipment of the returned item. VersaTables is not responsible for the cost of re-shipment. Electronic components are covered under a one-year warranty.

 - 2 Years – Mesh back fabric (Proform, Riva, Voss)
- *purchase/use of mesh guards increase warranty to 5 years for mesh backs on the Riva, Voss & Proform series*
- 2 Years – Mechanical lumbar

Products covered by this warranty will be either repaired or replaced at via seating's discretion. Product repair or replacement of any defective part is the customer's exclusive remedy for any and all product defects. via seating will pay for warranty repair costs that are pre-approved when shown to be a result of a defective part. Such payment will be made in the form of a credit to an active authorized via seating dealer account. Should via seating and customer agree that repair or replacement of a chair is impractical, or impossible any and all warranties shall expire, via seating accepts no other responsibilities or liabilities. The user shall be responsible for all maintenance service, which includes but not limited to: lubricating and cleaning of the product, assembly, adjustment, checking all screws every six months and performing operation checks. Only those items free of misuse, abuse, accident, alteration, unauthorized repair, or damage by fire, flood, or other acts of God will be covered. This warranty applies to all via seating products manufactured after December 11, 2017. There are no other warranties, expressed or implied, other than those

specifically described here.

Not covered under warranty:

- COM/COL textiles
- Matching of colors, patterns or dye lot, including; minor variations, color matches to swatches used for specification purposes and/or prior purchases
- Products specified outside of those shown on this page above
- Products that have unauthorized repair or alteration
- Products not used, maintained or installed in accordance with via seating's applicable guidelines
- Products exposed to conditions deemed extreme i.e. environments other than "normal commercial, indoor office" spaces
- Products sold by unauthorized via seating dealers or second hand/refurbished products
- Variations of leather; dye lots, environment marks, scars, bites, rubs, wrinkles, stretch marks, pattern markings, etc.
- Samples, floor/showroom samples, road samples

LUPO STOOL 18 1/8" H

- Frame of welded U-shaped skid and seat support of chrome-plated or powder coated oval steel tube. Pickup fitting for storage on table top.
- Smallest model without, middle and larger models with foot-rest.
- Chair sizes for high sitting in 3 fixed heights in accordance with DIN EN 1729.
- Seat of double-walled textured polypropylene for comfortable sitting with air-cushion effect.
- Features and options. Glides for hard and soft floors or universal glides.

Size: 18 1/8" H x 14 5/8" W

Frame finish: To be selected from manufacturer's standard finishes (M1 and Chrome plated), but not necessarily limited thereto. Indicate additional cost for special match color.

Chair Color: To be selected from manufacturer's standard colors (C), but not necessarily limited thereto. Indicate additional cost for special match color.

Warranty: In the event of justified claims in respect of defects, we shall either provide cure of the same or perform remanufacture, at our option. Replaced parts shall become our property insofar as they were not already owned by us. If we genuinely and definitively refuse to effect performance, refuse to remove or cure the defect because of unreasonable costs, or if the cure proves unsuccessful or is unacceptable to the Client, the Client may, at his option, only demand a reduction of our fees ("reduction") or rescission of the agreement ("rescission") and compensation, subject to the limitation on liability, in lieu of performance. However, in the event of a merely minor breach of contract, specifically in the case of merely slight defects, the Client shall have no right of rescission. Furthermore, if the Client, because of a defect in title or in material, elects to rescind the contract after cure has proven unsuccessful, the Client shall have no right to compensation for the defect. If the Client elects compensation after cure has proven unsuccessful, the product shall remain in the Client's possession if this arrangement is acceptable to the Client. The compensation shall be limited to the difference between the sales price and the value of the defective article. This provision shall not apply if we fraudulently caused the contractual breach. There shall be no claim in respect of liability for defects if the supplied products are defective because of faulty maintenance or cleaning, damage, or improper use, handling or repair. Claims in respect of liability for defects and compensation claims against us for third-party goods or products that are combined with our goods and services or are used in combination with the same are hereby excluded, and we shall assign to the Client any liability claims we hold against the supplier of the third-party delivery. Unless otherwise agreed, we do not accept liability for defects in respect of the operability of our goods and services insofar as the Client combines them with any third-party product or operates them in conjunction with the same. Should the Client receive defective assembly instructions, we are only obligated to supply non-defective assembly instructions, even if the defect in the assembly instructions impedes proper assembly.

WABASH

DESIGNER SERIES 6' TABLE - IN GROUND

A 6-foot-long, inground picnic table with a diamond style pattern. The ruggedness of the Designer style Picnic Tables helps it hold up to the demands of everyday use. It derives much of its strength from the heavy 4" borders and 4" square framework that gives it a look all its own. All tops and seats are coated in our durable PLASTISOL coating and the framework in our AAMA 2604-05 compliant powder-coating.

Heat fused poly-vinyl coating, finished on inner-metal structure, to an approximate 3/16" thickness. Framework assemblies are finished with powder coating; electrostatically applied and oven cured according to powder manufacturer's specifications. Fasteners are stainless steel to resist corrosion.

Table frame: Main support is constructed from a 4 • x 4 • x 11 9aJle galvanized structural steel square tubing. The top's inground post mounting brackets are 1/4" x 1 1/2" x 1 1/2 angle iron. The seat's inground post mounting brackets are 1/4" x 1 1/2" flat bar steel. Both post's top plates ore 4 1/2" x 4 1/2" x 10 gage sheet steel. Surface mount base plates are 1/4 plate steel. Cover plates are cast aluminum.

Tops & seats: Designer tops and seats use fabricated 3/ 4" #9 expanded steel mesh. Framing consist of die formed 14 gage mitered angles 3/4" x 4". Traditional tops and seats are 10 gage sheet steel. The top and seats support braces are 1/4" x 1 1/2" flat bar steel. The top and seats support braces are 1/8" x 1" strip steel.

Pattern: Diamond, but also available in Traditional.

Color: To be selected from manufacturer's standard finishes, but not necessarily limited thereto. Indicate additional cost for special match color.

Ground Requirements: 6' table and benches ground space requirements are 68 5/8" x 72 3/8".

Size:

- Ground Space Requirements: 68-5/8" x 72-3/8"
- Seat: 72"W x 15"D x 19"H
- Table Height: 72"W x 30"D x 30"H

WARRANTY: Wabash makes the following five (5) year limited warranty covering its PLASTISOL coatings and five (5) year limited warranty for its powder coating, for outdoor furniture:

WARRANTED PERFORMANCE

Wabash warrants that the Wabash PLASTISOL coated products detailed will not:

- Peel, chip, crack, rot or warp for a period of five (5) years from the date of invoice.
- Chalk in excess of numerical rating of eight (8) when measured in accordance with the standard procedures specified in ASTM D 4214-98 for a period of five (5) years from the date of invoice.
- Fade or change color in excess of seven (7) "E" units (McAdam) calculated in accordance with the standard procedures specified in ASTM D 2244 for a period of five (5) years from the date of invoice. Color measurements are to be performed on clean surfaces, free of all contaminates such as dirt, chalk, dust, mud or oxidized films

- Wabash warrants that the Wabash POWDER coated products will:
- Meet and exceed AAMA 2604-05 (American Architectural Manufacturers Association) test specifications.
- Be free from defects in material and/or workmanship for a period of five (5) years from date of invoice
- Wabash warrants that the Wabash RECYCLE PLASTIC material within Green Valley will not:
- Rot, splinter, decay, or suffer structural damage directly from termites or fungal decay under normal use. Be free from defects in material and/or workmanship for a period of fifty (50) years from date of invoice

CONDITIONS

This warranty is subject to the following conditions:

- Wabash products must be installed according to the Wabash product installation instructions.
- Purchaser agrees to provide normal periodical maintenance in regard to the Wabash products.
- This warranty is limited to the aforementioned defects or failures, and does not apply to defects or failures caused by acts of God, falling objects, external forces, explosions, fire, riots, civil commotion or acts of war, accidents, misuse, abuse, neglect, vandalism or alteration.
- Wabash products erected in abnormal exposure areas, either currently existing or later created, will be outside the limits of this warranty. An abnormal exposure is defined as:
- Any area in the vicinity of an industrial installation that may, by it's nature of operation, contaminate the atmosphere with severely corrosive chemicals or airborne contaminants such as copper smelters, paper mills, fertilizer plants and similar operations.
- For the purpose of this warranty, air pollution and smog, which are normally encountered in commercial and residential areas, as distinct from industrial areas, are not considered abnormal.
- No warranty is made with regard to gloss retention or uniformity of gloss and color retention.

GENERAL

- Wabash makes no warranties what so ever with respect to the Wabash products which extend beyond those set forth on the face of the warranty, and all other warranties, expressed or implied, including implied warranties of fitness for a particular purpose and implied warranties of merchantability are hereby expressly excluded, as is all liability for consequential damages and all other remedies, other than those specifically set forth herein.
- No terms or conditions other than those stated herein, and no agreement or understanding, oral or written, in any way purporting to modify this warranty shall be binding on Wabash unless made in writing and signed by it's authorized representative.

WAUSAU TILE

CONCRETE WASTE CONTAINER

Concrete waste containers feature full rebar caging for superior strength and durability. Concrete waste container with aluminum funnel lid. Liner is included.

Size: 29" Diameter x 36" High

Weight: 910 Pounds

Finish: To be selected from manufacturer's standard finishes, but not necessarily limited thereto. Indicate additional cost for special match color.

Warranty: Precast Concrete Products: For a period of two (2) years when the customer has received their product, Wausau Tile, Inc. warrants its concrete products against defects in workmanship and materials per industry standards. This warranty does not cover the above products for cracking and faulting caused by settling due to an improper base; nor does it cover damage caused by impact, vandalism or natural disaster.

Plastic Products: For a period of one (1) year when the customer has received their product, Wausau Tile, Inc. warrants its plastic products against defects in workmanship and materials per industry standards.

Metal Products: For a period of five (5) years when the customer has received their product, seller warrants the under-support to be free from defects in material and workmanship.

Corian® / Hardwood Products: No warranty offered for exterior usage.

All warranty periods shall begin when the customer has received their product. The warranty does not cover any damage in transit, product misuse, intentional acts, vandalism, acts of God or improper installation. No person, except seller's president, may alter this warranty. This warranty is in lieu of all other warranties, express or implied including, but not limited to, warranties of merchantability or fitness for particular purpose. Upon proper presentation and verification of a valid claim within the applicable warranty period seller, at its option, shall repair or replace the defective part or parts F.O.B. Wausau, Wisconsin, excluding site labor costs. This remedy is the buyer's sole and exclusive remedy. In no event shall seller be liable for any indirect, special, incidental or consequential damages.

The product(s) must be maintained as directed on the following pages, and all invoices must be paid in full or the warranty will be considered void.

Wausau Tile, Inc. will warrant any defects in surface, color and/or texture caused by poor workmanship in manufacturing. Wausau Tile, Inc.'s obligation over the period of the warranty is limited to the owner's original purchase price of product only as manufactured by Wausau Tile, Inc. THERE ARE NO WARRANTIES THAT EXTEND BEYOND THE DESCRIPTION ON THE FACE HEREOF.

This warranty is validated only when Wausau Tile, Inc. is furnished with a copy of the owner's original invoice or delivery receipt.

Size: 8 L x 8' W x 1.75 D

WARRANTY: Superior Recreational Products (SRP) warrants that its product will be free from defects in materials and workmanship as well as maintain structural integrity for the periods listed below from the date of invoice and once SRP has been paid in full. This warranty is in effect only if the product has been assembled and installed strictly in accordance with the setup instructions provided by SRP, good construction practices, and has been subjected only to normal use and exposure.

- Lifetime* Warranty on playground steel and recycled posts, all stainless-steel hardware, c-line fittings, and aluminum post caps
- 15-Year Limited Warranty on playground pipes, rungs, loops and rails, roto-molded plastics, HDPE plastic sheets, punched steel decks, and recycled decks
- 20-Year Limited Warranty on Steel Shade Structures
- 10-Year Limited Warranty on Shelter Structures
- 10-Year Limited Warranty on Shade Fabric
- 7-Year Limited Warranty on Textured Polyethylene Site Amenities Coating
- 5- Year Limited Warranty on Powder Coating
- 5-Year Limited Warranty on site amenities, cables, and nets
- 1-Year Limited warranty on moving parts and materials not covered above

*For the purpose of this warranty, lifetime encompasses no specific term of years, but rather that seller warrants to its original customer for as long as the original customer owns the product and uses the product for its intended purpose that the product and all parts will be free from defects in materials and manufacturing workmanship. This warranty does not cover damage caused by vandalism, misuse or abuse, altered or modified parts, or cosmetic damage such as scratches, dents, or fading or weathering and normal wear and tear. This warranty is valid only if the structures are installed in conformity with instructions provided by Superior Recreational Products using approved Superior Recreational Products parts. Superior Recreational Products will deliver the repaired or replacement part or parts to the site free of charge, but will not be responsible for labor or the labor costs of replacement. Warranty claims must be filed within the applicable warranty period and accompanied by a sales order or invoice number.

WENGER

WENGER

PREFACE MUSIC STAND

The Wenger Preface® Music Stand combines affordability with reliability. The large aluminum desk provides ample space for displaying music. A large one-piece attachment bracket and bolt-through desk attachment holds the desk securely to the stand. A reliable brake mechanism provides precise height adjustment and the stand can be easily positioned whether seated or standing. A 12-gauge steel-welded base features a wobble-free base attachment that won't loosen because it can't twist in the base – no more weekly tightening of wobbly stands! Slim and lightweight, the Preface Music Stand is just under 6 lbs. (under 3 kg.) so it's easy to carry several stands in one hand. And the recessed desk lip lets you stack stands quickly on a cart because there's no need to flip the desks. The Wenger Preface Music Stand – a smart economical addition to your music program.

Product specifications:

- Weight: 5.7 lbs (2.6 kg)
- Color: Black Only
- 13 1/2" x 20" desk
- 25 1/2" - 49" (65 cm – 125 cm) height adjustment desk, lip to floor
- All-metal construction - 12-gauge steel welded base for durability
- Wobble-free base attachment
- 1" outer tube for easy transport
- Brass spring slider mechanism
- Sturdy aluminum desk
- Bolt-through desk attachment
- Durable powder-coat paint finish

WARRANTY: 5-Year Warranty

The following warranty is offered by Wenger Corporation to you, the initial purchaser, and is valid for as long as you own the product. This Warranty runs from the date of shipment and warrants that your Wenger product will be free of defects in material or craftsmanship during the warranty period. Our warranty assures you of, at the discretion of our Customer Service Department, either a full refund, or the repair or replacement of the defective product without charge. Just call a Customer Service Representative at 1-800-887-7145 and state the reason you are dissatisfied. If return of a product is necessary, your representative will issue a return authorization.

This Warranty is your sole and exclusive remedy for any claim against Wenger related to your purchase, use, or ownership of a Wenger product. This Warranty does not apply to damage caused by common carrier, misuse or abuse, alterations to products not expressly authorized by Wenger, nor to components considered to be of a consumables nature such as carpet, bulbs, batteries, etc. Wenger does not warranty the matching of color, grain, or texture except to within commercially acceptable standards.

WENGER MAKES NO OTHER WARRANTY, EXPRESS OR IMPLIED, EXCEPT AS IS SPECIFICALLY SET FORTH IN THIS DOCUMENT. WENGER EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, INCLUDING, BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. IN ADDITION, WENGER SHALL NOT BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL, SPECIAL, OR PUNITIVE DAMAGES OR FOR LOST PROFITS ARISING OUT OF THE ALLEGED DEFECT OR FAILURE OF

WENGER'S PRODUCTS. WENGER'S LIABILITY SHALL IN ALL CIRCUMSTANCES BE LIMITED TO THE MAXIMUM AMOUNT THAT WAS PAID FOR THE PRODUCT BY THE ORIGINAL OWNER.

WINCO

WINCO MANUFACTURING

4450 DELUXE GAS LIFT TASK CHAIR

The 4450 features adjustable back height, a polished aluminum 5-star base with easy-rolling 2" casters and fingertip height adjustment. The 16" seat is made of 3" high density foam and covered with heavy gauge vinyl. Polished aluminum base.

Size:

- Seat Width: 16.5" Diameter
- Seat Height Range: 18.25" – 23.25"
- Overall Height: 30" – 35"
- Seat Back Height: 13"

Weight Capacity: 250 lbs

Fabric: To be selected from manufacturer's standard fabrics, but not necessarily limited thereto. Indicate additional cost for special match color.

WARRANTY: Winco Mfg., LLC., warrants Winco Medical Furnishing products to be free of manufacturer's defects in material and workmanship, provided that the product is used according to normal operating conditions and proper maintenance intended by manufacturer. This warranty is available only to the original retail purchaser, is nontransferable and commences on the date of retail sale; proof of purchase required.

- Limited One Year Complete Product Warranty: Winco Mfg., LLC warrants the complete product for one (1) year. At Winco Mfg., LLC's sole discretion, it may repair or replace any components that are found to be defective during the first year after shipment from the Winco facilities. Winco Mfg., LLC, shall not be liable for any labor, or any other costs incurred as a result of or in conjunction with a warranty claim.
- Limited Three-Year Warranty: Winco Mfg., LLC warrants the recliner mechanisms, casters, electrical components, vinyl [from cracking or delaminating], and pressurized gas springs, for a period of three (3) years. At Winco Mfg., LLC's sole discretion, it may repair or replace components found to be defective. Winco Mfg., LLC, shall not be liable for any labor, shipping or any other costs incurred as a result of or in conjunction with a warranty claim.
- Limited Lifetime Chair Frame Warranty: Winco Mfg., LLC warrants the steel product frames, when new, for the lifetime of the original purchaser. This limited warranty does not apply to paint/finish or any components attached to the frame such as; upholstery, foam, casters, mechanisms or related parts that are covered under above warranties. Winco Mfg., LLC shall not be liable for any labor, shipping or any other costs incurred as a result of or in conjunction with a warranty claim.

The purchaser's exclusive remedy under this warranty shall be limited to such repair or replacement of defective components at Winco Mfg., LLC sole discretion. For warranty service, contact the dealer that the product was originally purchased from or Winco Mfg., LLC directly.

TORO TABLE WITH PHENOLIC TOP – SQUARE, FIXED LEGS

The TORO Table is WB Manufacturing's toughest table. Built to withstand abuse in industrial setting, the TORO Table delivers style and unbeatable performance. The TORO Table fits well into any STEM environment, whether it is in a school or a professional field.

Top: 1" thick black phenolic resin and cellulose fiber composite top with .125" eased edges and corners with high resistance to chemicals, humidity and abrasions.

Frame: The solid steel apron frame is 1" x 2", 16-gauge steel that is MIG welded between the leg and the apron. The frame has welded tabs at preset locations used for fastening the apron frame to the back of the table top. This apron frame is attached to the top prior to shipping (depending on quantity ordered).

Legs: Fixed - 1.5" square. The 28.5" fixed legs for the TORO Series are 1.5" square or 2" round, 14-gauge tube fully welded to the apron. Nylon adjustment glide with .375" threads. Optional welded gussets

Finish: The apron frame and the leg assembly are powder coated with a polyester texture black finish to 3mil in thickness as standard. Also available in silver smooth finish.

Size: 30" W x 72" L x 28.75" H

WARRANTY: Limited Warranty: All products sold by WB Manufacturing are warranted against defects in workmanship or materials under normal use for two years after date of purchase from WB Manufacturing, unless otherwise stated. Any part which is determined by WB Manufacturing to be defective in material or workmanship and returned to WB Manufacturing (shipping costs pre-paid) will be, at WB Manufacturing's option repaired or replaced, as the exclusive remedy. See more warranty details for specific product warranties.

WB Manufacturing Warranty: WB Manufacturing promises to repair or replace any WB Manufacturing brand product or component that is defective in material or workmanship for as long as the original purchaser owns it. This is the sole and exclusive remedy. This warranty is subject to limitations, exclusions or other provisions detailed below.

2 Year Warranty: WB Manufacturing warrants that its lift lid supports, hard and soft plastic seats, backs, tops, plastic bases, high pressure laminated tops, specifically tops for our tables, desks, replacement tops and benches, wood raised and flat panel doors, components and gas cylinders shall be free of substantial defects in original material and workmanship for two (2) years from date of purchase. Cleaning of the high pressure laminate should be done by warm water and a non-abrasive cleaner. Abrasive materials should not be used to clean the surface. Subject to limitations indicated below.

10 Year Warranty: WB Manufacturing guarantees that all laminate furniture are to be compliant with Custom Grade or better, as defined in AWI QCP Standards, Eighth Edition, Revision 2, unless contract documents indicate otherwise. WB Manufacturing warrants that its laminate furniture, storage solutions, casegoods and lockers and its steel frame products, specifically our desks, tables, chairs

and stools shall be free of substantial defects in original material and workmanship for ten (10) years from the delivery date. To be protected under this warranty, all products must be stored in areas of controlled temperature and humidity, and periodic regular scheduled maintenance must be performed.

Warranty Limitations: WB Manufacturing warrants that its products shall be free of substantial defects in original material and workmanship based on specifications from the date of purchase to the extent detailed herein. This warranty is provided only to the initial purchaser, is non-transferable and is valid strictly for as long as the product is owned by the original customer. This warranty does not cover ordinary wear and tear or involving primary furniture surfaces. In addition, the warranty does not cover defects caused by abusive or abnormal use, modification or alteration, improper assembly / installation, failures resulting from inadequate inspection and maintenance, accident, vandalism or freight damage. Any incidental or consequential damages, including but not limited to business losses, personal property damage, and third-party liabilities are hereby expressly excluded. WB Manufacturing shall repair or replace, at its discretion, any portion of the subject product which proves to be defective under the terms of this warranty. Freight and installation costs are not included. May, at its election, substitute a reasonably comparable product, or a cash refund of the original purchase price (less reasonable depreciation) in the event that the original warranted product is no longer manufactured at the time the warranty is exercised. There are no implied warranties of fitness or merchantability, and there are no other express warranties beyond the warranties expressed here.

WORKRITE ERGONOMICS

WORKRITE ERGONOMICS

POISE DUAL MONITOR ARMS

The Poise-Dual was designed to support two monitors weighing 8–22 lb. each on individual arms and a single base. The Poise-Dual arms are mounted on a pole to maximize height range and enable users to share one screen while keeping the other private. The Poise-Dual is available in two finishes and comes with either C-clamp or Grommet mounts. Optional mounts and a quick release adapter can also be purchased separately. The Poise-Dual comes with a 10-year warranty and can be relied upon to provide years of dependable performance and adjustability.

Color: Silver

Mount: C Clamp

Specifications:

- Supports: Two 8–22 lb. monitors
- Maximum monitor height: 19.5" (full range of motion)
- Maximum monitor width: 32" (w/ some loss of reach) (1)
- Articulation range: 12"
- Forward reach: 14.75 "
- Stowed depth: 5.5"
- Monitor tilt: 160° (+70°/-90°)
- Pivot: 180° (+/-90°)
- Monitor rotation: 180° (portrait to landscape)
- Monitor mounting pattern: Standard VESA (75 mm & 100 mm)
- Mounting options: C-clamp & Grommet
- Optional mounts: Not recommended
- Available colors: Silver or graphite

WARRANTY: 10-year warranty. Workrite warrants to the original purchaser that the products it manufactures are free from defects in design, material and workmanship. Subject to the limitations below, Workrite warrants each product in this catalog to be free from defects in materials and workmanship for the life of the product. With prompt written notice, Workrite will repair or replace, free of charge, any product, part or component which fails under normal use as a result of such defect. The following exceptions to the limited lifetime warranty apply:

- All laminated worksurfaces and modesty panels, are Warranted for 5 years.
- Height Adjustable Workcenter components including electric components, motors, crank mechanisms, counter-balance mechanisms, frames, brackets and feet are warranted for 5 years.
