

## T-Mobile Project 10Million Agreement (Program)

This T-Mobile Project 10Million Agreement (Program) (“**Agreement**”) is effective as of the date the second Party signs this Agreement below (“**Agreement Effective Date**”), and is made by and between T-Mobile USA, Inc., a Delaware corporation (“**T-Mobile**” or “**Contractor**”), and Perris Union High School District, a California school district, with its principal place of business at 155 E 4th St. Perris, CA 92570 (“**Customer**”).

1. **Underlying Agreement.** Customer agrees to accept/purchase wireless mobile Services and/or Devices from T-Mobile, and T-Mobile agrees to provide the Services and Devices to Customer based on the prices listed below. The terms of Customer’s acceptance/purchase and use of the Services will be governed by this Agreement and the NASPO ValuePoint Master Agreement No. MA176 (“**Master Agreement**”).
  - (a) The terms and conditions of this Agreement or the Master Agreement will not be modified or superseded by any terms and conditions in a Customer-generated Purchase Order. Purchase Orders will have no force or effect other than to denote quantity, the products or services purchased, delivery destinations, requested delivery dates and any other information required by this Agreement.
2. **Term; Termination.** Unless terminated under the terms of this Section 2, the term of this Agreement will continue for as long as there is a line of Service that is active under this Agreement (“**Term**”). Subject to the termination rights below, each line of Service activated under this Agreement (regardless of rate plan selected) will have a service term of up to sixty (60) months from date of activation of such line of Service (“**Base Service Period**”). During a line’s Base Service Period, such line may be migrated from its then-current rate plan listed in Section 4 below to any other rate plan listed in Section 4 below (a “**Plan Migration**”). Plan Migrations will be implemented by T-Mobile by no later than the first day of the second billing month after the billing month during which the Plan Migration was ordered by Customer.

This Agreement and/or any active line of Service hereunder may be terminated: (i) for cause pursuant to the terms of this Agreement and/or the Master Agreement (and if this Agreement is terminated for cause by T-Mobile, then T-Mobile also may, at its option, terminate all or a portion of the then-existing lines of Service); or (ii) upon mutual written agreement by the parties (and in the event this Agreement is terminated upon mutual written agreement of the parties, T-Mobile also may, at its option, terminate all or a portion of the then-existing lines of Service, unless otherwise agreed in writing by the parties); or (iii) by Customer for convenience upon 30 days’ prior written notice to T-Mobile; or (iv) after August 31, 2025, by T-Mobile upon 30 days’ prior written notice to Customer (and in the event this Agreement is terminated pursuant to this subclause, T-Mobile may, at its option, terminate all or a portion of the then-existing lines of Service, unless otherwise agreed in writing by the parties).

In the event the Master Agreement is terminated or expires and is not renewed prior to the expiration of the Term of this Agreement, T-Mobile may enter into a follow-on master agreement for the period after termination or expiration of the Master Agreement (a “**New Master Agreement**”), in which case the New Master Agreement will be substituted for the existing Master Agreement for the remainder of the Term, and the terms and conditions of the New Master Agreement shall supersede and replace the terms of the existing Master Agreement. In the event that the Master Agreement is terminated or expires and is not renewed prior to the expiration of the Term, and T-Mobile does not enter into a New Master Agreement, then Customer and T-Mobile will: (i) mutually agree to amend this Agreement in order to transition it under another available master agreement to be substituted for the Master Agreement; or (ii) enter into a mutually agreeable alternative agreement to be substituted for the Master Agreement.

Notwithstanding anything to the contrary in this Agreement, following the expiration of a line’s Base Service Period, T-Mobile will continue to provide the Services to Customer for such line under the pricing, discounts and

other terms and conditions set forth in this Agreement, or, with 30 days' advance notice to Customer, at standard list pricing, until either party provides 30 days' advance written notice to terminate the Service for such line.

**3. Eligibility and Related Rules.** The following end-user eligibility and related requirements apply with respect to the Services and Devices provided under this Agreement:

- a. An eligible end-user recipient of the Devices and Services (“**Eligible Student**”) must be a K-12 student: (i) enrolled in a school within Customer’s school district (if Customer is a school district) or enrolled in the school (if Customer is a school); and (ii) participating in the National School Lunch Program at the time of such student’s receipt of the Device and activation of Service, as evidenced by a National School Lunch Program Letter or other official authorization documentation (and T-Mobile may from time to time make commercially reasonable requests to Customer to have Customer confirm/verify to T-Mobile that each Eligible Student identified by Customer does or did in fact meet the eligibility requirements of an Eligible Student);
- b. Customer may allocate a maximum of one free hotspot Device (with associated line of Service) to a maximum of one Eligible Student per household (subject to the right to provide Supplemental Devices, as noted in Section 4 below); and
- c. (i) Each line of Service under this Agreement comes with a Device and can only be linked to such Device, unless otherwise requested by Customer in writing and agreed to in writing by T-Mobile in accordance with 3(c)(ii) below. Any Customer-provided devices must be compatible with T-Mobile’s Service.
  - (ii) Pursuant to this Section 3 and in connection with the Line Limit in Section 5 below, Customer has specifically requested and T-Mobile approves that Customer will utilize 0 Customer-provided devices in lieu of receiving a free hotspot Device from T-Mobile. Customer certifies that such Customer-provided devices are compatible with T-Mobile’s Service. T-Mobile agrees, as needed and requested, to provide up to one SIM/eSIM card for each such Customer-provided device.

\* Prices do not include applicable taxes and surcharges, and do not include any applicable CALNET administrative fee of 1%, which will be paid by Customer (provided that prices for Project 10Million Core Plan and associated free hotspot devices do include applicable taxes and surcharges).

5. **Total Line Eligibility and Line Limits.** Customer is eligible for a combined total of 2,037 lines of Service using the plans in Section 4 above (with an accompanying free hotspot Device for each line of Service) pursuant to this Agreement (the "**Line Limit**"), based on a maximum of one free hotspot Device (with associated line of Service) to a maximum of one Eligible Student per household. Line Limits are based on the number of students eligible for the National School Lunch Program ("**Qualifying Headcount**"). Customer certifies and attests to T-Mobile that any information provided by Customer to T-Mobile regarding Qualifying Headcount is true and accurate. Notwithstanding anything in this Agreement to the contrary, T-Mobile reserves the right to establish Project 10Million Program participation limits at the Customer or overall Program level in its sole discretion.
6. **Device Warranties.** T-Mobile is not the manufacturer of Devices and does not provide direct product warranties. As a general matter, however, to the extent that Customer receives/purchases any Devices from T-Mobile, T-Mobile passes through any warranty provided by the Device manufacturer, which warranty is typically one (1) year from the date of receipt/purchase.
7. **Seed Stock/Replacement Devices.** In addition to the Line Limit, Customer also may request, subject to T-Mobile's approval, a limited surplus of Devices in connection with an order placed by Customer under this Agreement ("**Seed Stock**"). The Seed Stock amount, if approved, will not exceed a maximum of 1% of the total number of free hotspot Devices ordered pursuant to this Agreement. Seed Stock will be provided to Customer on an as-needed basis and is to be used solely for the replacement of any Devices that are lost, stolen, damaged, or defective.
8. **Additional Requirements.**
  - a. **Ordering; Activation.** All lines of Service (and accompanying free hotspot Devices) within Customer's Line Limit (i.e., the entire Line Limit) must be ordered by Customer in no event later than 30 days after the Agreement Effective Date), and in accordance with the terms of the Master Agreement. Customer's failure to order its total Line Limit within this 30-day period may, in T-Mobile's sole discretion, result in termination of the unordered portion of the Line Limit.
  - b. **Customer Certifications; Student ID Numbers.** Customer, and not T-Mobile, is solely responsible for identifying and verifying Eligible Students. Customer certifies and attests to T-Mobile that: (i) Customer will allocate Devices and Services only to Eligible Students that have been verified with reasonable certainty by Customer as being eligible under the Project 10Million program (i.e., each end-user recipient of a Device/Service meets the eligibility requirements in Section 3 above); and (ii) Customer has not, and will

not, allocate more than one line of Service and one associated free hotspot Device per Eligible Student household (subject to right to purchase and distribute Supplemental Devices). For each line of Service/free hotspot Device, Customer will provide T-Mobile a Student ID # (“**Student ID Number**”) associated with such line of Service/Device.

- c. **No Duplication of Devices/Services.** A student may not participate in Project 10Million through both the T-Mobile retail/consumer/Individual-Liable channel and pursuant to this Agreement. Customer will cooperate in a commercially reasonable manner and in good faith with T-Mobile, to help ensure that: (i) Customer will not identify or permit as an Eligible Student any student that is already participating in Project 10Million through T-Mobile’s retail/consumer/Individual Liable channel; and (ii) Customer provides T-Mobile with timely Student ID Number information to assist T-Mobile in enforcing the prohibition that no Eligible Student participating in Project 10Million through this Agreement is permitted to participate in Project 10Million via T-Mobile’s retail/consumer/Individual Liable channel.
- d. **E-Rate and Related Compliance.** Customer, and not T-Mobile, is responsible for ensuring Customer’s compliance with FCC, USAC or Other Funding Source rules and regulations, Customer’s applications for support, or any decisions or actions by the FCC, USAC or Other Funding Sources with respect to Customer.
- e. **Device and Account Ownership; Customer Device Management Policy.** Customer acknowledges and agrees that Customer, and not any Eligible Student, is the sole owner of the Devices. Customer is and will remain the accountholder for any account(s) associated with the Devices. As such, Customer acknowledges and agrees that neither Eligible Students nor any other third parties are entitled to any information about the account including, but not limited to usage information. In addition, as between Customer and T-Mobile, Customer is solely responsible for maintaining and implementing its own device management policy governing use of the Services and Devices by its Eligible Students (in all cases subject to the terms and conditions of this Agreement) (a “**DMP**”). Customer’s DMP may address, among other things, an Eligible Student’s obligation, if any, to return a Device to Customer if certain conditions established by Customer are triggered (e.g., an Eligible Student no longer is a student in Customer’s school district or school, and therefore must return his or her Device to Customer for reallocation to another Eligible Student to use for the remainder of the Base Service Period associated with the returned Device; or an Eligible Student must return his or her Device in the event Customer terminates this Agreement and the Eligible Student’s line of Service also has been terminated as a result). Customer’s DMP will, in any event, contain an acknowledgement and agreement from Eligible Students that (i) Eligible Students do not and will not have any contractual or account relationship with T-Mobile pursuant to this Agreement, and (ii) Eligible Students are not third-party beneficiaries of this Agreement and will not have any legal or equitable right, remedy or claim under or with respect to this Agreement.
- f. **Migration to Other Rate Plans/Terms Concurrent.** In the event one or more lines of Service under this Agreement are migrated to an alternative rate plan (“**ARP**”) outside of this Agreement/Project 10 Million prior to the end of such line(s)’ Base Service Period (“**ARP Migrated Line(s)**”), and subsequently such ARP Migrated Lines are migrated back to a plan(s) under this Agreement, then such line(s) of Service are eligible only for the remaining 60-months left on their original Base Service Period, which shall have continued to run concurrently with the period of time spent on the ARP. For illustration purposes only, if a Project 10Million line of Service migrates to an ARP after 2-years, is on the ARP for 2-years and then migrates back to a Project 10M rate plan, then there will be a remainder of 1-year on the Base Service Period.
- g. **Compliance with Applicable Law.** Customer certifies and attests to T-Mobile that Customer is and will be authorized to accept and/or purchase the Services and Devices in accordance with applicable federal, state, and local laws, rules, and regulations (including, without limitation, all applicable ethics and procurement laws, rules, and regulations).
- h. **Third-Party Content.** T-Mobile is not responsible for any third-party content.
- i. **Privacy.** If Customer allows end users under the age of 13 to use the Services, Customer and T-Mobile agree to the terms and representations contained in the “COPPA Notice Addendum” attached as Exhibit A to this Agreement. Customer, and not T-Mobile, will be fully responsible for any claims relating to Customer’s failure to: (i) properly notify Eligible Students about any data collection and/or monitoring of use of the

Services and Devices; or (ii) collect any necessary consent relating to an Eligible Student’s use of the Services and Devices.

- j. **Resale.** Customer acknowledges and agrees that this is an agreement for use only by Customer and Eligible Students as set forth in this Agreement. Neither Customer nor Eligible Students may resell or lease Services and/or Devices.
- k. **No Third-Party Beneficiaries.** Nothing expressed or referenced to in this Agreement will be construed to give any person or entity (including, without limitation, Eligible Students) other than Customer and T-Mobile (or their permitted successors and assigns) any legal or equitable right, remedy or claim under or with respect to this Agreement.

**9. Prepayment.** Customer may, at its option, prepay in whole or in part Customer’s total fee commitment for Services and Devices ordered under this Agreement. With respect to any such prepayment (or any other related payment), Customer is solely responsible for ensuring Customer’s compliance with all applicable Federal, State and Local funding source and procurement laws, rules and regulations (including, without limitation, laws, rules and regulations under the Coronavirus Aid, Relief, and Economic Security (CARES) Act, and Customer represents and warrants compliance with the same.

**10. Emergency Connectivity Fund; SPI Invoicing.** If Customer is participating in the Emergency Connectivity Fund (ECF) program in connection with this Agreement, Customer is solely responsible for ensuring Customer’s compliance with all applicable ECF program-related laws, rules, regulations and terms and conditions of participation. Additionally, if Customer has requested that T-Mobile invoice the federal government for reimbursement of the discountable amounts of the ECF equipment and services (i.e., the SPI invoicing method), Customer has read and agrees to the terms and conditions of the Emergency Connectivity Fund Service Provider Invoice (SPI) Affirmation attached as Exhibit B.

### **COPPA Notice Addendum**

T-Mobile is providing Customer with direct notice of its data collection, use and disclosure practices set forth below that relate to the Service(s). Customer has read this notice, consents on behalf of parents and guardians of children under 13 to the collection, use and disclosure practices described below, and authorizes T-Mobile to engage in such practices.

#### **Direct Notice of T-Mobile's Data Collection, Use, and Disclosure Practices**

We need your consent to collect personal information from your child(ren) in connection with the Project 10Million service. We will not collect, use, or disclose any personal information from children under 13 if you do not provide such consent. This privacy notice describes the personal information we collect and how we use it. The Federal Trade Commission has stated that a district or school may consent to such data collection, use, and disclosure on behalf of the parent or guardian to the extent such data collection, use, and disclosure is to provide services solely for the benefit of the school.

In addition to collecting student identification numbers for onboarding and verification purposes, T-Mobile intends to collect the following personal information from your child(ren):

- **Data Usage:** T-Mobile tracks quantity of broadband internet data usage to have that usage total counted against the 100 GB per year of free broadband internet access. As part of delivering this service, T-Mobile also receives the IP address associated with the websites visited.
- **Unique identifiers:** T-Mobile collects a device and network identifier to authenticate the device on our network and provide the service.
- **Bandwidth data:** T-Mobile may share device-level bandwidth data with the educational institution at the educational institution's specific request, to allow the educational institution to stay informed on devices that exceed applicable data usage/streaming limits.

T-Mobile uses this personal information only to provide internet connectivity and perform internal analytics. T-Mobile may disclose this personal information to its service providers for assistance in delivering the service, and they must treat this information as confidential and use it only for the purposes for which T-Mobile engaged them. T-Mobile will not disclose information that may be associated with your child to any other entities.

Please be advised that T-Mobile provides connectivity to the general internet through the Project 10Million service. That connectivity allows children to access websites that may involve data collection by third parties. T-Mobile is not responsible for the data collection activities of these third parties and you should carefully monitor your child's use of the service.

**EXHIBIT B**  
**Emergency Connectivity Fund**  
**Service Provider Invoice (SPI) Affirmation**

T-Mobile U.S. Inc. (NASDAQ: TMUS) America's supercharged Un-carrier, is participating in the Emergency Connectivity Fund (ECF), a \$7.17 billion, federally funded, program that will help schools and libraries close the Homework Gap by providing funding for the reasonable costs of laptop and tablet computers; Wi-Fi hotspots; modems; routers; and broadband connectivity purchases for off-campus use by students, school staff, and library patrons in need during the COVID-19 pandemic.

ECF allows for participating schools and libraries to seek reimbursements for eligible service and equipment either directly from the government (BEAR invoicing method) or by requesting that the service provider invoice the government (SPI invoicing method). T-Mobile is participating in the SPI invoicing method for this program.

**If requested to do so by the school or library, T-Mobile is willing to invoice the federal government rather than the school or library for payment.** You must specify at the application stage which invoicing method you would like to use. If your school or library would like to use the SPI invoicing method, you must also submit evidence of T-Mobile's willingness, and may use this statement as an affirmation that T-Mobile is participating in SPI when completing your Form 471. We affirm our willingness to participate in the SPI invoicing method subject to the following:

Prior to the start of service and receipt of equipment, if any, Customers who select the SPI invoicing method will enter into and execute an applicable T-Mobile services contract for the provision of ECF broadband connectivity services. T-Mobile will file the SPI Form to request reimbursement for the discountable amounts of the ECF eligible equipment and services. Customer is responsible for all charges related to any ineligible equipment and services or services obtained but not contained in the description of the service commitment request or decision. Until the Universal Service Administrative Co. (USAC) has issued a funding commitment, Customer agrees to pay the balance in full as billed by T-Mobile. Customer must elect SPI to be billed only the non-discounted portion. Customer account credits applied may be estimates subject to true-up in a later billing period. Customer is responsible for all charges incurred until and unless ECF funding is approved and disbursed by USAC, at which time Customer will remain responsible for all ineligible services, feature charges, and any other ECF program amounts unfunded, including equipment. Also, Customers who chose the SPI invoicing method should be aware that if ECF funding ends before the term of their services contract, they will be subject to the agreed rate of service for the remainder of the contract, net of any subsidy.

For more information about ECF, please refer to the [FCC ECF](#) or [USAC ECF](#) websites.
