**PART B** – Additional Funding

LEA's may qualify for additional funding based on their ability to meet specific classroom, leadership, and experiential learning (SAE) criteria. It is not necessary for a program to meet all criteria in each category to be eligible to receive additional funding. Verification of meeting criteria will be taken from entries in the Agricultural Experience Tracker (AET). The AET report will be developed based on data as of June 30. Funding in each section will be based on the number of points accumulated in that section. This report will be used to complete Part B and will be included as part of the application.

Based on the 2022-23 Agricultural Education Incentive Grant Report, and points accumulated, the LEA may qualify for base level funding through the classroom section, leadership section, and experiential learning (SAE) section.

An LEA shall qualify for Part B funding in each section if they meet the predetermined base level. Bonus funding is earned if a program exceeds the predetermined base level by twenty percent (20%). LEA's meeting the base level shall receive \$2,250 plus \$250 per qualified teacher. LEA's meeting the bonus level shall receive an additional \$2,250 plus an additional \$250 per qualified teacher.

Note: An LEA may qualify for Level A, Level B, or no funding in each section but shall not qualify for both funding levels in a section. Example: The LEA qualifies for Level A funding in the Classroom Section, Level B in the Leadership Section and no funding in the SAE section.
