## ORAL REPORTS

### **4.1 Student Representative to the Board of Trustees**

CMI student representative - Cadet Captain Angel Garcia Lemus gave a video report to the Board of Trustees on the events and activities going on at the school site. Trustee Nelissen presented Cadet Captain Angel Garcia Lemus with a certificate of appreciation on behalf of the Board of Trustees.

### **4.2 CMITA President Angel Love-Behrens**

Ms. Love-Behrens shared the following with the Board and Cabinet:

- "Good evening, President Stafford, Superintendent Bennett, Cabinet members, and Board members. I stand before you, a believer. To Kirk and his team, I send a big thank you. To the members, Trustees, and Cabinet, I thank you. You heard us, and you took action. After last week's negotiations, we will be voting to ratify class size limits, binding arbitration, and permanent status with a pathway for probationary teachers.

### ORAL REPORTS (cont.)

I want to share a few comments that have been sent to me by members:

*"We are beyond filled with gratitude."*

*"I really like the class size, which always upset me. I thought I would never see Article 8 while I was a teacher at CMI. Please pass on my congratulations to the team."*

*"We were finally heard."*

*"I have survived at CMI long enough to be considered a permanent employee. We will never again be referred to as an 'At Will' employee."*

*"Please tell everyone involved in making this happen 'Thank You' from the bottom of my heart."*

- Level II Grievance - I am working closely with Kirk to select the mediator and date. I am confident it will be worked out in the end with a clearer common understanding of our CBA. The only concern that exists is when it will be in effect. Seeing that this TA represents the 22-23 openers, I am unsure as to what period of time these TA-updated articles will activate. Obviously, the change in our class sizes/caps would not apply until the new school year, but the binding arbitration and probationary/permanent status will be retroactive? No, sure, no complaints. I was just so overwhelmed I didn't bother with the details. I am sure that information will be forthcoming.

A new concern that has implications with the changes in the CBA is the use of an archaic process pulled from the 2.1 manual called a Letter to Recommend Release for a member. Because the manual is out of play, with permanency new in play, I am not sure as to the validity of this process. We are seeking further clarity from the CTA legal department.

- Before closing, I would like to present Grant Bennett with a token of acknowledgment for his service to CMI as he sits in the position that has grown CMI from an idea on paper and the 20 years community involved and centered; we would like to present this medallion to you.
- Lastly, Ms. Behrens invited the Board and Cabinet to CMI's Hail and Farewell event at the Bombshelter on Tuesday, June 6th, at 3:45 pm.

#### 4.3 CSEA President Rosa Galvan

Ms. Galvan introduced the new CSEA Chapter 778 Vice President, Felix Bobo. Ms. Galvan also shared that Senior Communications Specialist Mr. David Ngo reached out to her to find out more about CMI and the start of a new chapter. Mr. Ngo shared that there is an article in this month's FOCUS magazine that highlights CMI's new chapter and made it to the cover. In addition, it has been shared with all of CSEA statewide. Ms. Galvan indicated that CMI Chapter 778 is excited about the future and looks forward to working together as a team.
